KASEY SHANNON DAUGHTER, SISTER AND FRIEND

Baby Kasey,

We can't believe that the time has arrived for you to graduate from high school. It seems like only yesterday when you were graduating from kindergarten at Miss LaVonna's. These past 18 years have been filled with wonderful times and we have had so much joy in watching you grow from a darling little girl to a beautiful sweet young woman.

We knew someday that you would leave to begin a wonderful adventure. And for this next stage of your life we wish you many things. We wish you the strength to face challenges with confidence along with the wisdom to choose your battles carefully. We wish you a world of exciting new opportunities and the satisfaction of seeing your goals achieved. We wish you the true contentment that is born of simple things-work well-done, friends well-loved, moments captured and cherished. Our greatest wish for you is that you will always remember how much you are loved-you are a beautiful special person and we are very proud to have you as a daughter and a sister and most of all as a friend.

This is
 the end
 of
 Center's
 faces...
 hope you
 enjoyed
 them!

We had a lot of fun getting in the faces of our fellow Yellowjackets and would like to send out a special thanks to the people who made it possible. This especially includes the parents who donated photographs: Sam Soliday, Linda Tarpley, Michelle Collins and Joe Stokely, just to name a few. And if we missed anyone - thank you as well!

Editor: Ciara Salinas

Business Manager: Craig Fishback

Staff: Griffin Gatewood, Amy Syler, Cynthia Syler, Leslee Hall, Kelly Smith and Jack Unger

Colophon:

The 8 member staff produced the 2007 Yellowjacket using 20 Dell computers loaded with Windows 2000 and using Adobe's InDesign CS2. The fonts we used were Helvetica and AYT Jackson. The staff was led by Ciara Salinas and advisor Kathy Unger. The yearbook was published by Josten's Publishing Company out of Topeka, KS.

End thanks:

Although we had a small staff, we were mighty and got the job done. I'll miss my seniors Ciara and Goo . . . and especially my last kid, Jack.

-- Kathy Unger, Advisor and mom
