**AWESOME!
You Go Girl!**

You left your mark at Center High School
High above the volleyball net
Self propelled through the chlorine pool
Listening to the crowd's glad hoorahs
You left many in your wake
Watching in surprise and wonder

You grew up while a Yellowjacket
In the classroom
Marching on the football field
Fighting through adversity
You sought a path that felt right for you
usually with a horsehair paintbrush in your
hand.

You made many friends here
Some were fellow students, some were
teachers
Some were like you, many were not
You learned much from them, and they from
you
You will miss them as you move on

We are your family
You have been fun to watch
Your next steps will get even better
We're with you all the way

Love,
Mom, Dad & Brian

Shauni

We Love you more than anything, and can't wait to see where life takes you. But we always know that no matter what path you take it will be the one you have chosen. The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I
could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better
claim,
Because it was grassy and wanted
wear;
Though as for that the passing there
Had worn them really about the
same,

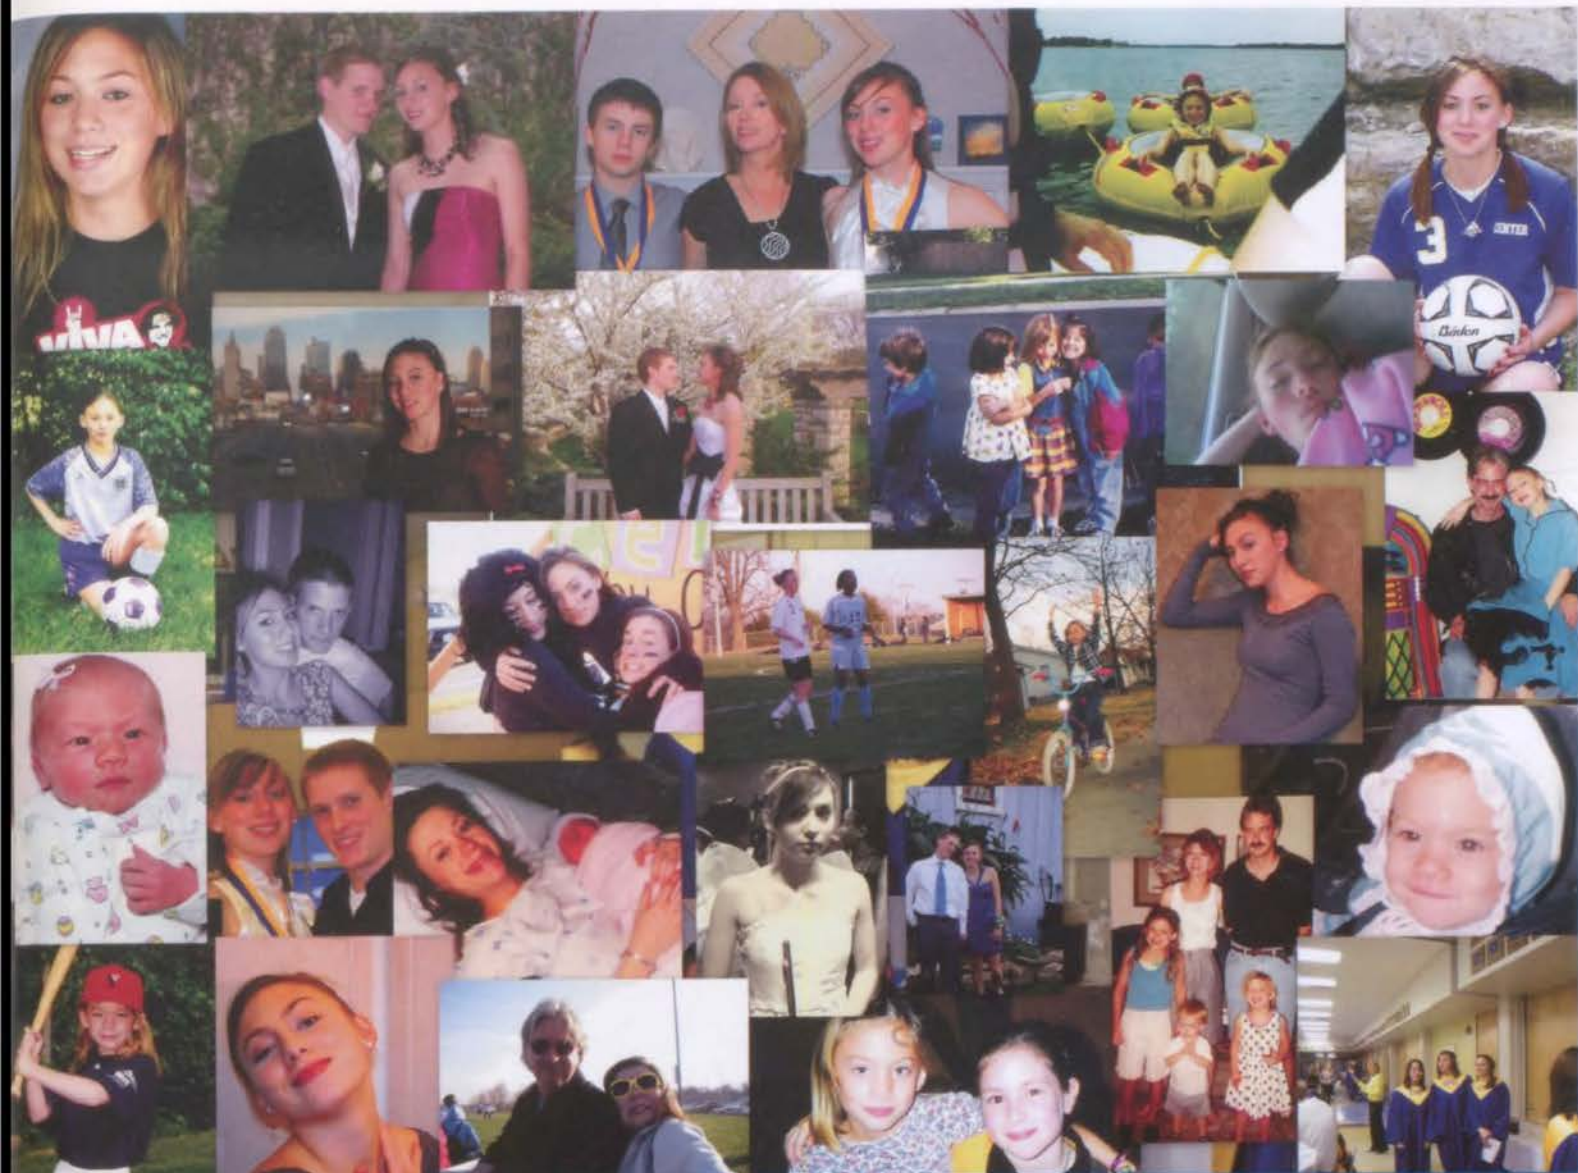

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to
way,
I doubted if I should ever come
back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I
I took the one less traveled by,
And that has made all the difference.

Grace Allen- from cradle to graduation, always a bundle of joy!
Love Mom and your loving family

Have a great life 2009!

Seniors
2009

Creating a yearbook is never an easy thing to do, but the yearbook staff made another great yearbook. This yearbook may be the best one so far! Through out the year the yearbook staff worked very hard with two great editors, Tiffanie Jennings and Shauni Straub. Everyone loved to come to yearbook class and be able to be themselves while making a great book. We the staff would like to thank Sam Soliday, Carrie Shuck, Beth Ocheskey, Sally Nelson and all the others who shared their photographs with us. Thank you! The yearbook class will miss all the great seniors who helped put this yearbook together. Bye Seniors. -Thank You-

Editors: Tiffanie Jennings and Shauni Straub

Staff: Ashley Bellinger, James Terry, Joanna Briones, Alexis Jagetz, Alina Hammond, Michael Petrus, Presley Schumacher, Amy Syler and Erissa Tam.

Colophon: This 11 member staff produced an amazing 2009 yearbook, using yearbookavenue.jostens.com. This is our first yearbook using all color; it was very fun to do and hard to do at the same time. The fonts we used were Helvetica, Helvetica Compressed, Modern Art and Times. This yearbook staff was led by two awesome editors, Tiffanie Jennings and Shauni Straub, as well as an amazing advisor, Kathy Unger. The 2009 yearbook was published by Josten's Publishing Company out of Topeka, KS.

End Thanks: As always, my thoughts and feelings about the yearbook are a mixture of relief and happiness, coupled with a sense of awe and wonder that once again, a yearbook was created. The yearbook class of 2008-2009 was incredible. Lead by seniors who loved what they were doing, they passed on time honored traditions and created new ones. This year's class worked especially closely with the other basement dwellers, Jackie Immele and Zack Gaylord. I love you all, and thanks for sharing your lives with me. I am truly blessed. - Kathy Unger
