## FOREWORD

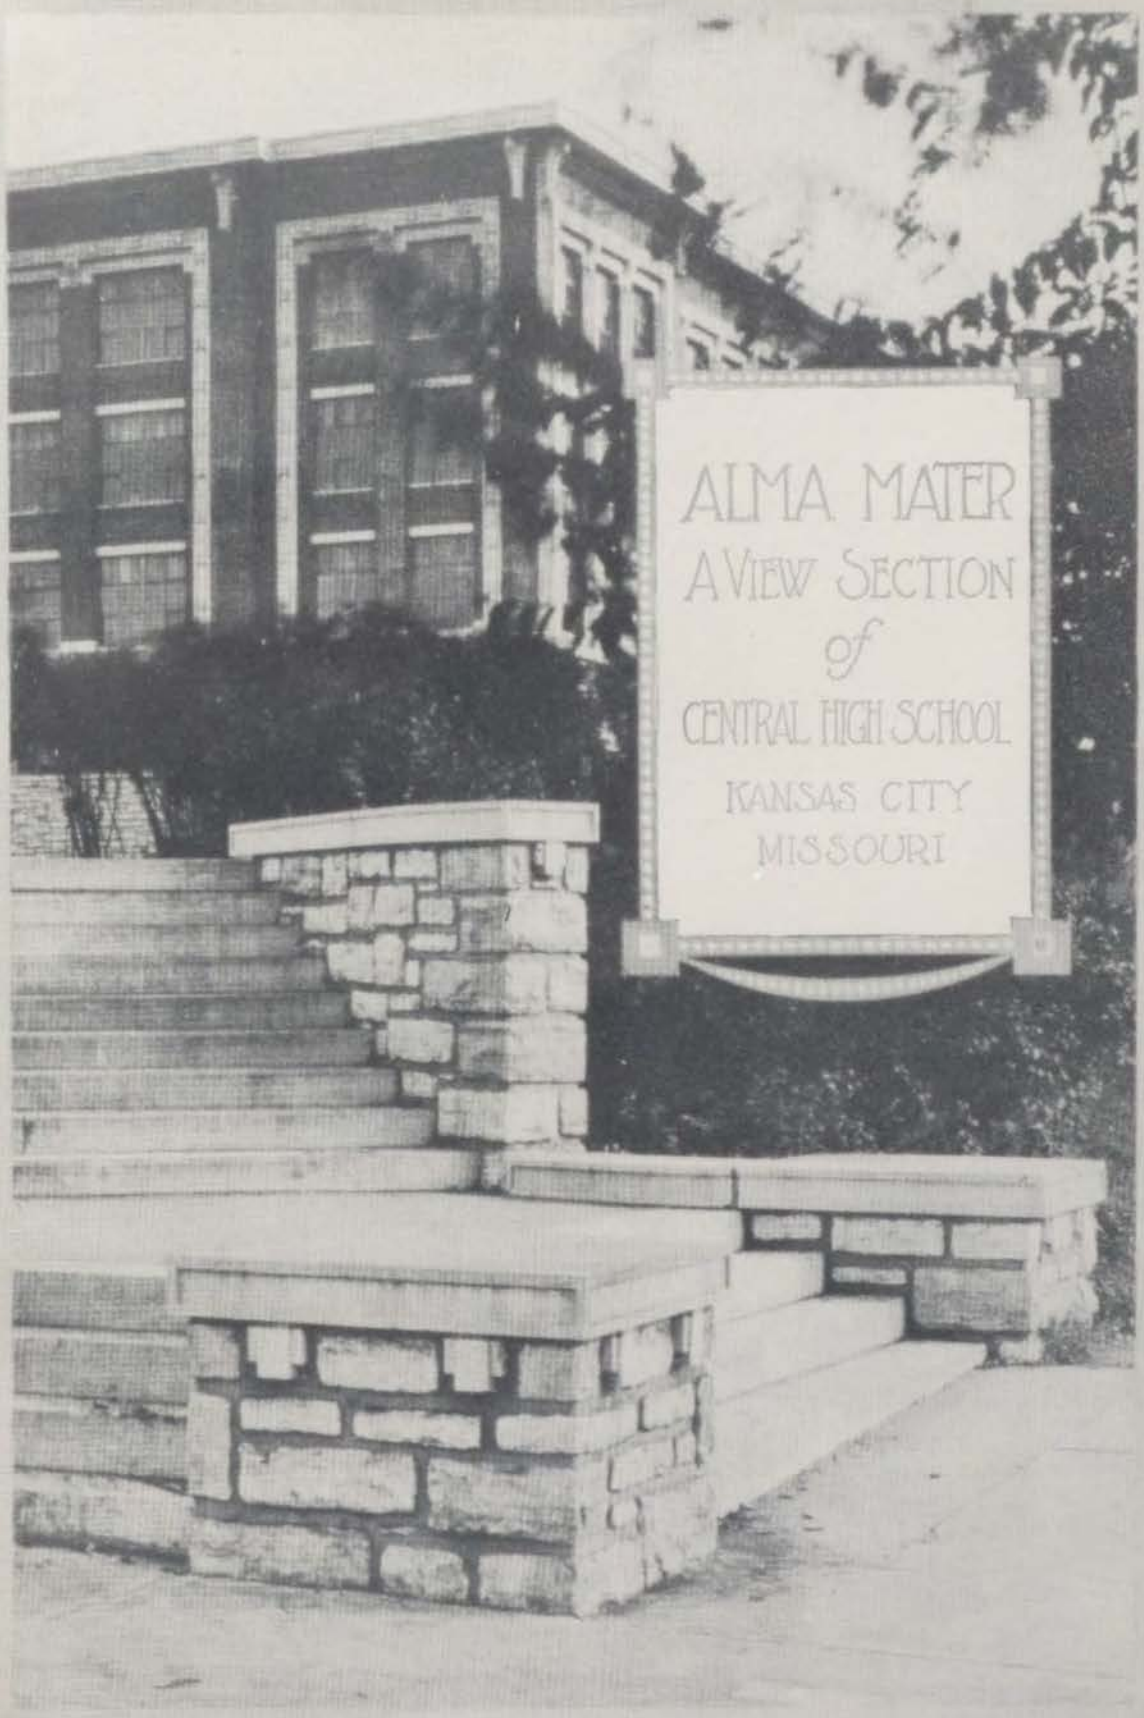

Early Kansas City, with its customs, its occupations, and its amusements, is of the irrevocable past... Around us instead is a mighty city.

However, that spirit of early Kansas City imbues us with a desire to bring back those fading memories; and if the theme of our 1931 Centurian portrays this idea, it will have attained its purpose.

## *The Senior Class of 1931*

AT the election of the class in Central Junior, the class chose the following officers: President, Donald Fedderson; Vice-President, Mary Helen Woods; Secretary, Kenneth Allen; Treasurer, Katherine Courtney.

A great number of honors obtained during the Sophomore year showed that this class was not lacking in the spirit that it takes to raise a high school in the estimation of others.

The class chose as Junior officers: President, George Dasbach; and as Aides, Katherine Courtney, Lillian Dannahower, Donald Fedderson, Mary Ellen Herndon, Gertrude Husbands, William Rhodes, Farrell Strawn, and Clarence Tinsley.

The Senior year was here before the class realized it, and with it the Senior Election, the result being: George Dasbach, President; Lillian Dannahower, Vice-President; Gertrude Husbands, Girls' Senior Editor; William Rhodes, Boys' Senior Editor; Clarence Tinsley, Giftorian; Donald Fedderson, Secretary; Mary Ellen Herndon, Treasurer; Farrell Strawn, Sergeant-at-Arms.

Earlier than usual the class selected those members who were especially suited to the different phases of school life. The results of the Senior ballot were as follows: George Dasbach, Most Popular Boy; June McGinness, Most Popular Girl; Stanley Mitchell, Most Active Boy; Lillian Dannahower, Most Active Girl; Gordon Clark, Best Boy Student; Mary Alice Graham, Best Girl Student; Farrell Strawn, Best Boy Actor; Mary Ellen Herndon, Best Girl Actress; Howard Craig, Beau Brummel; Velma Long, Belle Brummel; Sidney Peltzman, Best Boy Athlete; Allene Brown, Best Girl Athlete; Robert Taylor, Best Boy Orator; Katherine Courtney, Best Girl Orator; Daniel Maloney, Jolly Good Boy; Allene Roadcap, Jolly Good Girl; Herman Parness, Best Boy Musician; Mary Reed Caywood, Best Girl Musician.

Not only has this year's class attracted attention to the school from outside sources but it has supported every call made by the faculty, the student council, and other school organizations, displaying to the oncoming Juniors and Sophomores the qualities which have brought Central High School to the high position it now occupies in Kansas City.

## Senior Will

WE, the Senior Class of nineteen hundred and thirty-one, of Central High School in the city of Kansas City, in the County of Jackson, and in the State of Missouri, being of sound mind, memory, and understanding, considering the certainty of death, and being desirous of settling our worldly affairs, do therefore make and publish this, our last Will and Testament, thus revoking and destroying the validity of all former Wills by us at anytime heretofore drawn, in manner and form following, that is to say:

To Mr. Dubach, we leave one 39c bottle of Health Tonic, that he may partially revive from the disheartening effects produced by the departing Senior Class.

To Mr. Laughlin goes one pair of rubber heels and one magnifying glass to assist him in his trailing of Central's most notorious bad men.

To the Juniors, we leave the hope that they will make the best of a bad situation, and somehow carry on after our departure.

To the Sophomores, we leave a slightly used pair of silver varnished wings and a harp-sichord, as a reward for the extremely innocent and lily-white existence they have led.

To the Slaches, we bequeath one peck of apple cores and a pound of pop-corn for their annual open house.

To the Websters, we leave a book of after-dinner speeches to prevent any more of the ghastly attempts experienced at several of their banquets.

To the Aristonians, we suggest a course in memory training that they may better perfect their "line."

To the Minervas, we offer a sprig of last year's mistletoe, as their only hope.

To the Franklins, we leave a blow-torch and a gallon of—well, we'll say—last year's cider.

To the Thaliens goes one package of rubber gum that automatically pops every six chews.

To the Emersons we bequeath three wheelbarrows with the sincere hope that they will now abstain from worrying over transportation to their social functions.

To the Delphians, we leave a book entitled "How to Make 'Em" with the heartfelt hope that they will eventually obtain a brother club.

And lastly, we do hereby constitute and appoint Mr. Elmer E. Rush, executor of this, our last Will and Testament.

In Testimony Whereof, we, the Senior Class of Central High School, have hereunto set our hand and seal this fifteenth day of April, the year of our Lord, One Thousand Nine Hundred and Thirty-One.

THE SENIOR CLASS.

Per FRANK BUTCHART

Signed and sealed by the said Senior Class of Central High School in our presence, and by the above party, published and declared as and for its last Will and Testament, and at its request, and in its presence, and in the presence of each other, we hereunto subscribe our names as attesting witnesses.

## Central's Encyclopedia

- ATHLETES**—Brawny brutes who run around in special clothes and have all the girls go goo-goo over them.
- CAFETERIA**—Place where one stuffs on hash and half-cooked beans, and as a result, either sleeps or suffers untold agonies of indigestion during the remainder of the day.
- CENTRALIAN**—A volume that is thrown together during the school year and calculated to a nicety to be passed out exactly one week after the Seniors leave.
- CLASSES**—Places where the students rest between evenings.
- CLUB MEMBERS**—An unusual species of student who is in trouble nine-tenths of the time.
- CRAMMING**—At certain times of the year a most interesting, soul-grasping amusement in vogue among students, in which one stuffs one's mind with a vast number of facts, real and imagined to be forgotten the following day at the crucial moment.
- FACULTY**—Kind-hearted people who conduct the rest periods and read to us from current magazines.
- FLUNKING**—State of being of a student when the teacher fails to perceive the great genius of the unlucky person.
- GRADES**—Things which teachers say they despise, yet which they guard very zealously and which they take a fiendish delight in lowering.
- GRAFT**—Whenever anyone captures an office contrary to the expectations of his fellow students, immediately a loud outcry is heard of "Graft! Graft!" Central, however, is extremely fortunate in being absolutely free of this ill.
- JUNIORS**—The bane of a Senior's existence.
- LIBRARY**—Place of recreation in which one reads the very latest magazines. Also an unusually delightful place to visit with one's friends, unmolested, during the evening.
- LOCKERS**—Instigators of abusive language and strongholds of love letters.
- LUMINARY**—A scandal sheet futilely published for the purpose of entertaining the students each Friday.
- LUMINARY OFFICE**—Sanctuary of editors and other dopes, where one may get away from this busy world and submerge one's thoughts in quiet tranquility, and then suddenly emerge with some enlightening feature on "How to Open Lockers."
- NOTEBOOKS**—A very successful method of torture employed by several members of the faculty.
- OFFICE**—A cozy place to tell stories and get stuck with them.
- R. O. T. C.**—A high school for Boy Scouts. You may distinguish members of this sect by the unusual garb in which they are attired.
- SENIORS**—A class of very illustrious souls who are worshipped as heroes by underclassmen.
- SEVENTH HOUR**—A continuity of the school day for a very select group in which they are served ice cream and cookies.
- SOPHOMORES**—Necessary evils with some peculiarities that are very disconcerting.
- STUDENT COUNCIL**—A group that convenes several times during the year and finally decides to put up the "Please Keep Off the Grass" sign.
- WORK**—A thing never done by normal inmates.

# HONORS

## *National Honor Society*

The National Honor Society is the only honorary organization at Central. The membership is determined by a vote of the entire faculty.

The members are chosen on a basis of scholarship, extra-curricular activities, and character. To be eligible, a student must rank in scholarship among the upper twenty-five per cent of the Senior Class. However, not more than ten per cent of the class may be elected.

All members of the Society must be Seniors and the students who have been elected to membership are not announced until the last few weeks of school.

Honors for extra curricular activities are based on competition, popularity, and appointment. No student can count more than two, five point honors, and minor honors are also limited. In no case can two honors in the same activity be counted either by duplicating or by pyramiding.

The Central chapter was organized in 1922, and was the first chapter to be organized in any Missouri high school.

The object of the National Honor Society is to create enthusiasm for scholarship, to stimulate desire, to render service, to promote leadership, and to develop character in the students of America's secondary schools.

### Constitutional Orators

After a close preliminary contest Kenneth Layton, Tom Sutherland, Clarence Tinsley, and Robert Taylor were chosen to compete in oration and extemporaneous speaking in a double assembly to be held at Central.

The subjects used by the aspirants were: "American Citizenship and the Constitution," Kenneth Layton; "Our Enduring Constitution," Tom Sutherland; "Citizenship Under the Constitution," Clarence Tinsley; and "Constitutional Citizenship," Robert Taylor.

The final contest was held during a double assembly, the first group hearing the orations, and the second the extempes. After the casting of a second ballot, Robert Taylor was selected as the Central representative, with Tom Sutherland as the alternate.

Under the new rule of last year, the orations were six minutes long, and an extemporaneous speech of 4 minutes was given afterwards.

In the contest held at Convention Hall, April 11, Lyman Field, of Westport High School placed first, with Glenn Ohleson, from Manual, a close second.

Central is truly indebted to Miss Rebecca Tomlin, instructor in speech, and Mr. Elmer Rush, instructor in American History, for their untiring efforts in preparing our representative.

SCENE FROM "WHO'S BOSS?"

## "Who's Boss?"

**T**HIS spicy modern comedy concerning an everyday question was charmingly presented in the school auditorium on Friday and Saturday nights, December 12 and 13, by an able cast, under the direction of Miss Virginia Robertson.

Edgar Tatum, a wealthy young author, is constantly bossed about by Mrs. Cheyney, his aunt; Laura and Grace Cheyney; and his sister, Geraldine. Poor Edgar is very easily "worked" and the whole family takes advantage of it. Mrs. Cheyney, one day, just mentions that Edgar should have a secretary, a man of course; and Edgar goes ahead and gets a secretary, but a girl. This is the last straw, and the idea of a strange girl "Whom we know nothing about" living under the same roof fairly curdles Mrs. Cheyney's blood. Geraldine is very much wrapt up with Philip Denby, a man about the town. However, he is not liked very much by Edgar. The secretary arrives and she is found to be pretty, young, and business-like. She appeals very much to Edgar, and within a few weeks a complete change comes over him. He is more tidy about his person, he combs his hair in a more becoming style, and his suits are right up to the minute. During the latter part of the week, a large party is attended by the entire family except Edgar and Ruth Thomas, the secretary. Edgar feels that he is keeping Ruth from going out, so he gives her one of the two dresses that his sister had sent out on approval. Ruth, who is ready first, returns to the library to find Philip and Geraldine plotting an elopement. Geraldine leaves by the hall door and Philip starts to get an overnight bag from the closet. As quick as a flash Ruth pushes him on in the closet and locks the door. Geraldine returns only to be told that Mr. Denby had suddenly been called away on business. Geraldine leaves again, with Edgar and Ruth, but is very much worried. After the party and when all are in bed, Edgar hears someone moving in the library. Going down, he finds Ruth and Denby talking. Denby leaves, and Ruth says he returned to give back a compact of Geraldine's and she being downstairs had let him in. She goes to bed, and Edgar, about to leave, sees some feminine article lying by the steps. He picks them up, and believing them Ruth's concludes that she was planning an elopement with Denby.

The next morning Edgar tells the house that he is to leave for a long sea voyage. He is very moody, and hateful, and extremely cool to Ruth. While planning his trip, Eliza, the old Irish maid, enters and asks him why "Miss Jerry's things were laying by the library steps." Then Edgar realizes the

[ Page One Hundred Fifty-four ]

real facts. He calls Ruth and Geraldine in and tells them to explain everything. They tell him that Ruth had known Philip Denby before she came to the Tatum house, that he had left his wife, and that he was concerned with some lost money at the bank where he used to work. So Edgar sees how Ruth, by locking Denby in the closet, saved the family from scandal and proved her real worth. Edgar tells her that he loves her, and of course, she seems to care for him too. So decide to live together forever.

In the Friday night cast, Farrell Strawn as Edgar proved pleasing to the audience. Ruth Thomas, played by Dorthea Sorensen, was excellent. Mary Ellen Herndon, as Geraldine, captivated the house. The poise that Beatrice Mode gave to the part of Mrs. Cheyney was excellent. Clarence Tinsley, as Philip Denby, showed ability. Evelyn Maloy, in the character part of Eliza, showed that she had spent much time with the part. Laura and Grace Cheyney, played by Katherine Courtney and Roberta Greeding respectively, were very good. Paul Matthews and Harry Bodney, in the parts of Ted Hartley and Oscar Burman, were successfully portrayed.

In the Saturday night cast, James Redmond as Edgar drew much applause. Helen Minor as Ruth Thomas proved to be the sweet and loving Ruth that was needed. Martha Mae Schoonover was charming as Geraldine. Mary Reed Caywood as Mrs. Cheyney found a place in the audience's heart with her clever acting. Philip Denby as played by Donald Fedderson was very good. Martha Jane Anderson as Eliza proved her worth to the audience before the first act was over. Rosemary Culp and Mary Lane as Laura and Grace Cheyney were two charming young cousins. James Higgins and Roy Fuller as Ted Hartley and Oscar Burman respectively were very pleasing to the audience, and Laurence Siegle as Fergus, a family servant, displayed his talent on both nights.

To the Prince Howard Furniture Company, the Smith Studio, Mr. H. Fallek, Mr. J. H. Anderson, Miss Rebecca Tomlin, Mr. Wayne Forcade, Mr. Lukens, Mr. Gilbert Watson, Mr. Gus Peterson, Miss Coah Henry, Mr. C. O. Williams, the stage crew, and many student assistants, a very great deal of appreciation is due for their cooperative efforts and aid.

ALL the world's a stage," quoth the bard. And this, combined with the fundamental principle that "Music hath charms," is the foundation of the opera. So was it the foundation of the comic musical production, "The Woodbine Scientific Farm," one of Arthur Bergh's works which the Choral and Glee clubs, under the direction of Miss Mari E. Whitney, presented Friday, November 21, 1930.

The pleasing set, the superb work of the chorus, and the quaint love scenes, combined with the clever dialogue and lingering tunes, went far to make this opera one of the outstanding presentations of the school season.

Ebenezer Riggs is taking care of the Honorable James Woodbine's farm at Arcady. The estate is run on a scientific system, which Ebenezer, himself, had originated. Just after Prudence Brier had discovered that a student, Jack Hunter, is the scion of a wealthy New York family and a runaway for whom his father has offered a reward, Mr. Woodbine and his daughter, Virginia, arrive to pay the farm a visit. Realizing that Sheriff William Bean and Miss Sally Rankin and Miss Mandy Appleby will return the young man to his home if they find that he is a runaway, Prudence Brier promises to help him.

In the meantime, Jane Brier has fallen in love with Peter, a chemist on the Woodbine farm. Also Mr. Woodbine, thinking it about time for his daughter to get married, arranges a meeting between his daughter and Ebenezer. But Virginia falls in love with Jack, who shows up at the wrong time, although her father has the impression that she is in love with Ebenezer. Shortly afterwards, however, Sheriff Bean arrests Jack. Prudence, who is postmistress, saves him by pasting postage stamps on him and declaring him under the protection of the mails. Jack then proves his innocence and is released. In the meantime, Ebenezer has fallen in love with Prudence. And so the play ends with Peter and Jane happily married, and Ebenezer and Prudence, and Jack and Virginia very much in love. Mr. Woodbine and Mamie make the fourth couple.

[ Page One Hundred Fifty-six ]

SCENE FROM "THE WOODBINE SCIENTIFIC FARM"

Geraldine Henthorne, prima donna in "Bells of Capistrano," scored a splendid success as Virginia. Harry Heenev, as Jack, was talented and pleasing. Jane, portrayed by Janet Davidson, was sparkling and lovely. Peter, James Littrell, was very good as her lover.

Ebenezer Riggs and Prudence Brier were charming as a couple. These two parts were taken by Lawrence Siegle and Velma Stewart, respectively. William Bean, Robert Colvin; Miss Sally Rankin, Francis Nuccio; and Miss Mandy Appleby, Helen Lee, handled the comedy parts very cleverly. Carlos Harrington as James Woodbine, and Geraldine Wright as Mamie, were very well done.

Thelma Quinn's dance was graceful and delightfully done. The accompaniment for the musical numbers and the overture were played by the Central Orchestra under the direction of Mr. Frederic J. Curth.

The successful presentation of the opera was made possible by the cooperation of Mr. J. M. Lukens, business manager; Mr. C. O. Williams, stage manager, and his student assistants, and Mr. A. H. Roberts, auditorium manager. Dorothy Johnston and Edith Reid handled the prompt books and wardrobe. The W. J. Barnes Floral Company furnished the bridal bouquet.

SCENE FROM "DOROTHY VERNON OF HADDON HALL"

## "Dorothy Vernon of Haddon Hall"

THE well-known "Dorothy Vernon of Haddon Hall," a romantic comedy in four acts by Paul Kester, was presented in the school auditorium on the nights of March 27 and 28. The settings and quick moving action of the play kept the audience entranced.

Two fathers, Sir George Vernon and Earl of Rutland, swear that their children shall wed. However, times change, and a feud between the two families supposedly breaks all marriage promises, and Dorothy Vernon is to wed her cousin, Sir Malcolm Vernon. The time for the wedding has been set for Dorothy's eighteenth birthday, and so on that day Sir John Manners, son of the Earl of Rutland, boldly enters the Vernon estate and captivates the whole family, while posing as Malcolm. Dorothy loves him and protects him from death when his true identity is known. Lady Vernon, mother of Malcolm, makes Dorothy's father keep her a prisoner in her own home until she signs the marriage contract to wed Sir Malcolm. Meanwhile, John Manners has brought to England for protection, Mary, Queen of Scots, who was having revolts in her own country. He goes to see Dorothy with the help of Queen Mary's jester, Perkin, but he is caught and Queen Elizabeth of England, who has come to visit, learns of the presence of the Queen of Scots in her country and immediately, believing Mary would seek her throne, sets about to find her hiding place. Dorothy rides ahead, in the disguise of her maid, and Mary, Queen of Scotland, escapes from Rutland to Haddon Hall. Sir Malcolm, who has been false to both Mary and Dorothy, sees that the Queen will find out his wrong, so he flees. Dorothy and John return with Dorothy's father to Rutland and Elizabeth, who has taken Queen Mary prisoner, also declares that Dorothy shall not write to John or see him, for he will be exiled. But Dorothy, to outwit them, brings this happy piece to a close by going with John, not to exile, but to "paradise."

In the Friday night cast Dorothy Vernon and Sir John Manners were excellently played by Dorothy Crutcher and Paul Mathews, respectively. Lawrence Siegle as Sir Malcolm and Mable Halter as Lady Vernon displayed real dramatic talent. Howard May was fine as the jester, and Harland Tickemyer drew much applause as Sir George Vernon. Farrell Strawn as Lord Burleigh and Lois Hermanson as Queen Elizabeth were exceptionally good in their character parts. Mary, Queen of Scots, Florence Rip-

ley, and Earl of Rutland, Billy Ames, were very good. Roy Fuller as St. Loe, Virginia Sayles as Annie, Henry Bear as Mack, the butler, Bernice Katzeff as Jennie Faxton, Leonard Belove as Will Dawson, Bertha Fallek as Bess, the cook, were all very well done and deserve special attention.

On the Saturday night cast Barbara Giboney as Dorothy, and Galen White as Sir John were very pleasing to the audience, and had it captivated before the second act. Eleanor Sandy as Lady Vernon, and James Higgins as Sir George, were both well portrayed. Harry Bodney as the jester drew much applause. Rhea Boswell as Queen of England, and Kathryn Hagny as Queen Mary of Scotland, were charming. Marvin Holmes as St. Loe, and James Redmond as Earl of Rutland, were well played. Helen Wienshienk as Annie, Clarence Ohlke as Mark, Leona Stein as Jennie Faxton, and John Rogers as Will Dawson, did their bit to put the production over.

The splendid cooperation of the following aided greatly in making the production a success: The Smith Studio, Prince Howard Furniture Company, Mr. H. Fallek, Miss Rebecca Tombin, Mr. A. E. Harley, Mr. Gilbert Watson, Mr. J. M. Lukens, Mr. F. J. Curth, and Miss Neva Wing.

## Central Stage Crew

THESE are few productions that have ever been put on at Central that could have been successful without the stage crew. Many tiring efforts must be made "back stage" to make the production a success, and none of our productions have been failures, due to the complete cooperation of the stage crew with the director and cast.

To be a member of the stage crew is indeed a high honor, as it is one of the most responsible positions a student may receive. Any boy chosen must have good grades, be resourceful, agile, and able to follow directions.

This year, Martin Spitzcaufsky received the honor of being the manager, since he was the only member of last year's crew. It is his job to read the manuscripts and to direct in the building of the scenery. Martin was given complete student charge of the stage and was very successful in carrying out his duties. He also operated the rheostats.

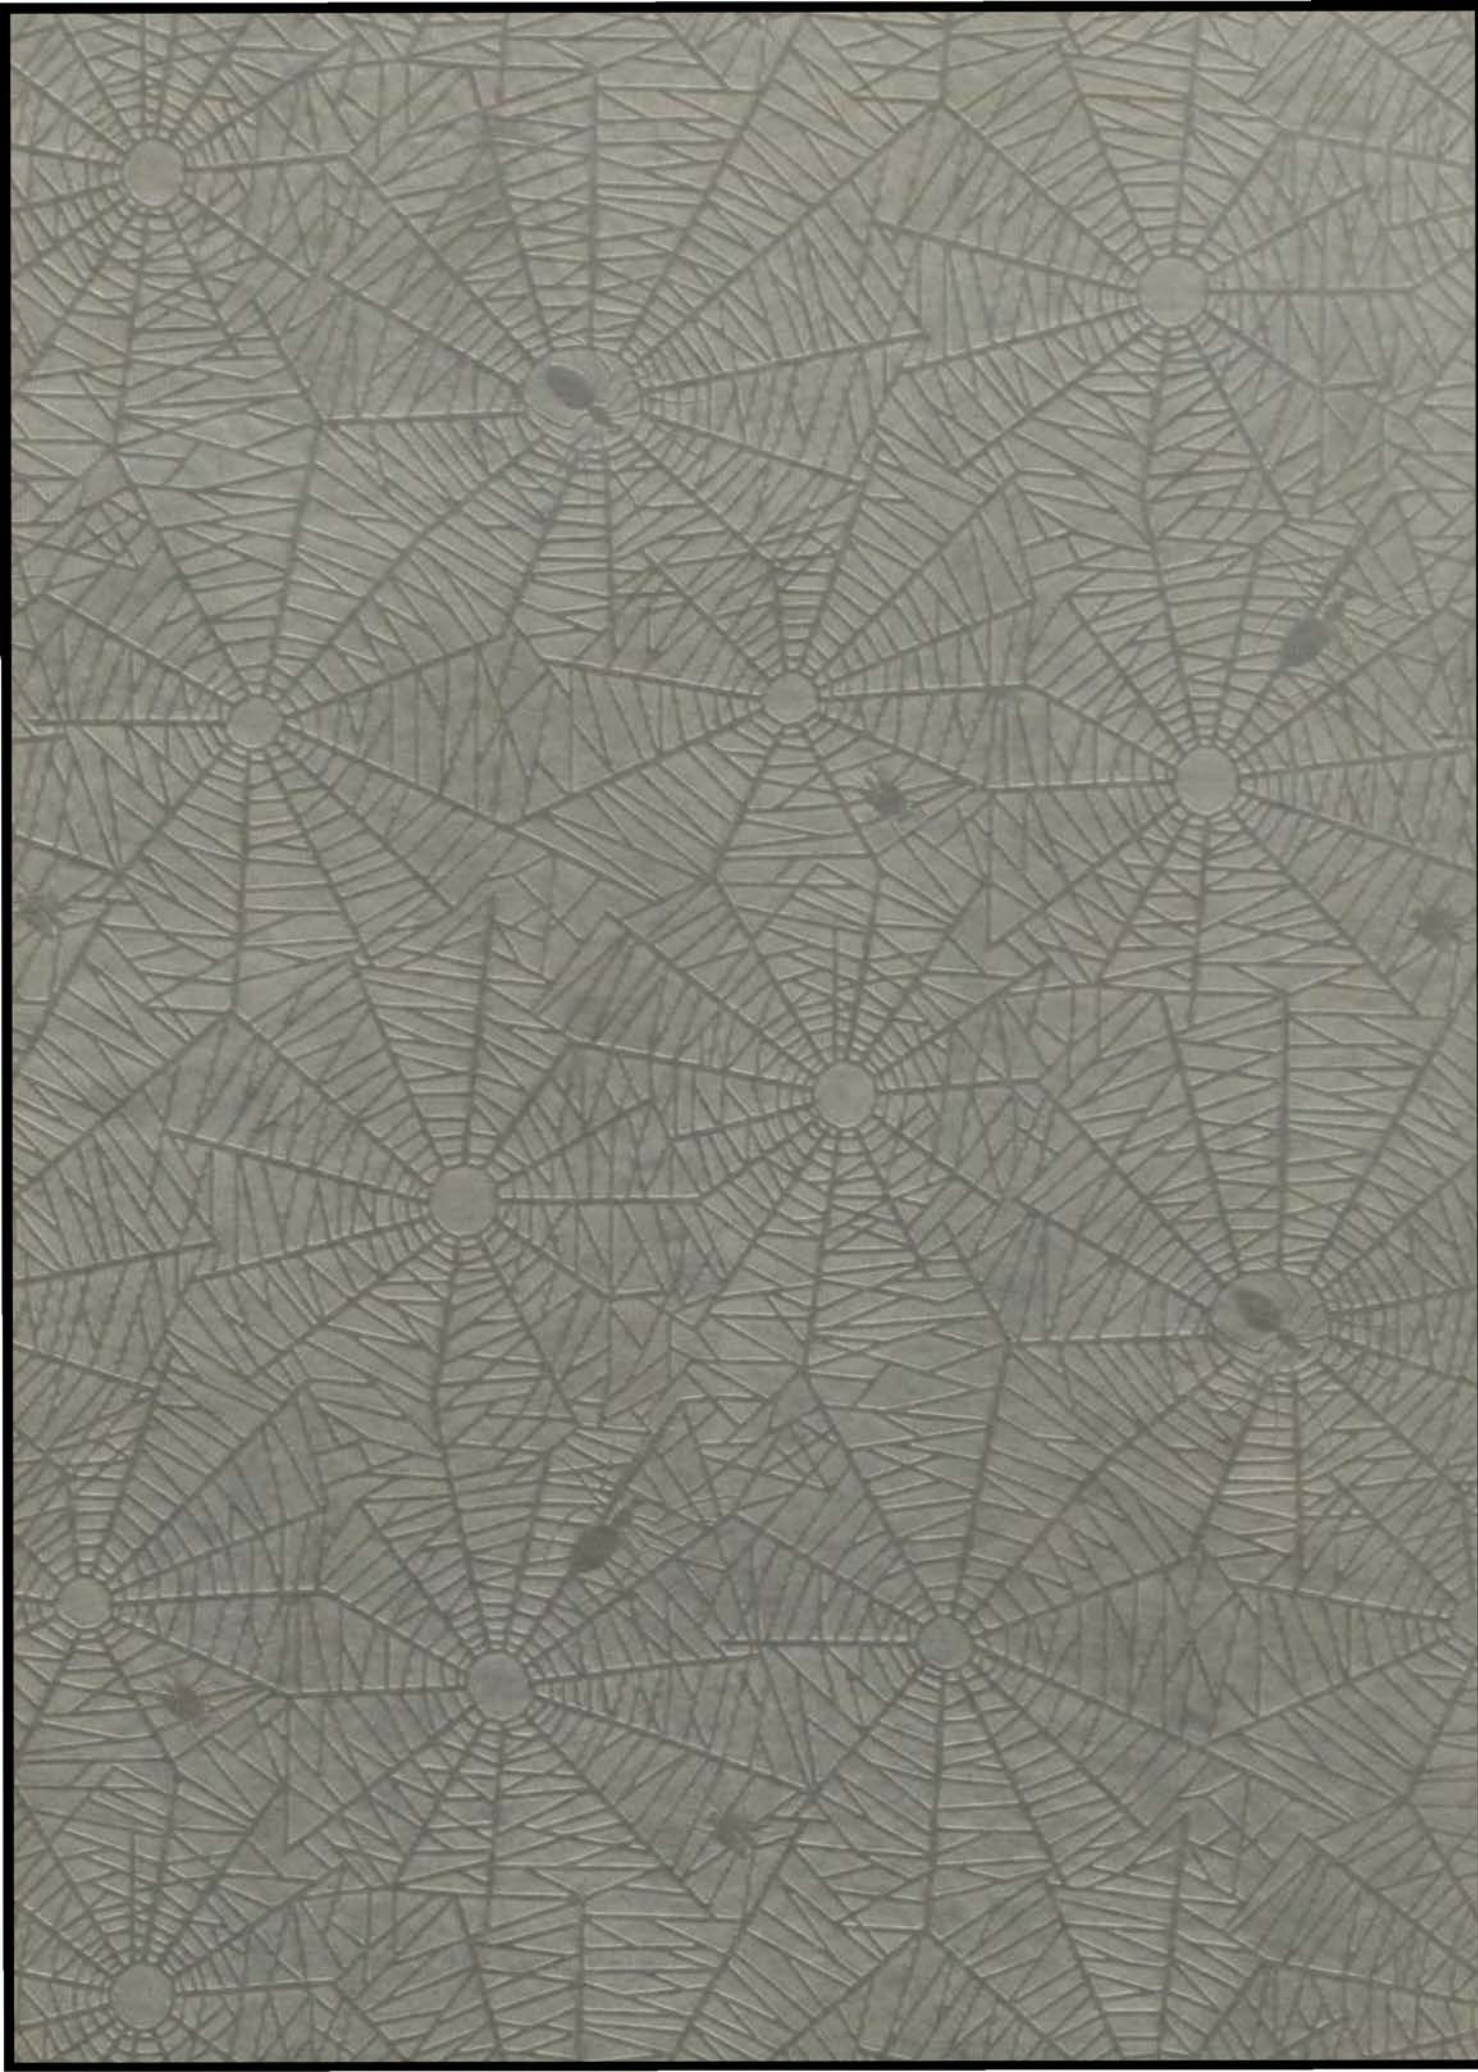

Barrett Moore, the manager of the crew last year, returned to school for a post graduate course the second semester and helped with his thorough knowledge of the stage in the production of "Dorothy Vernon of Haddon Hall" and the annual intersociety stunt.

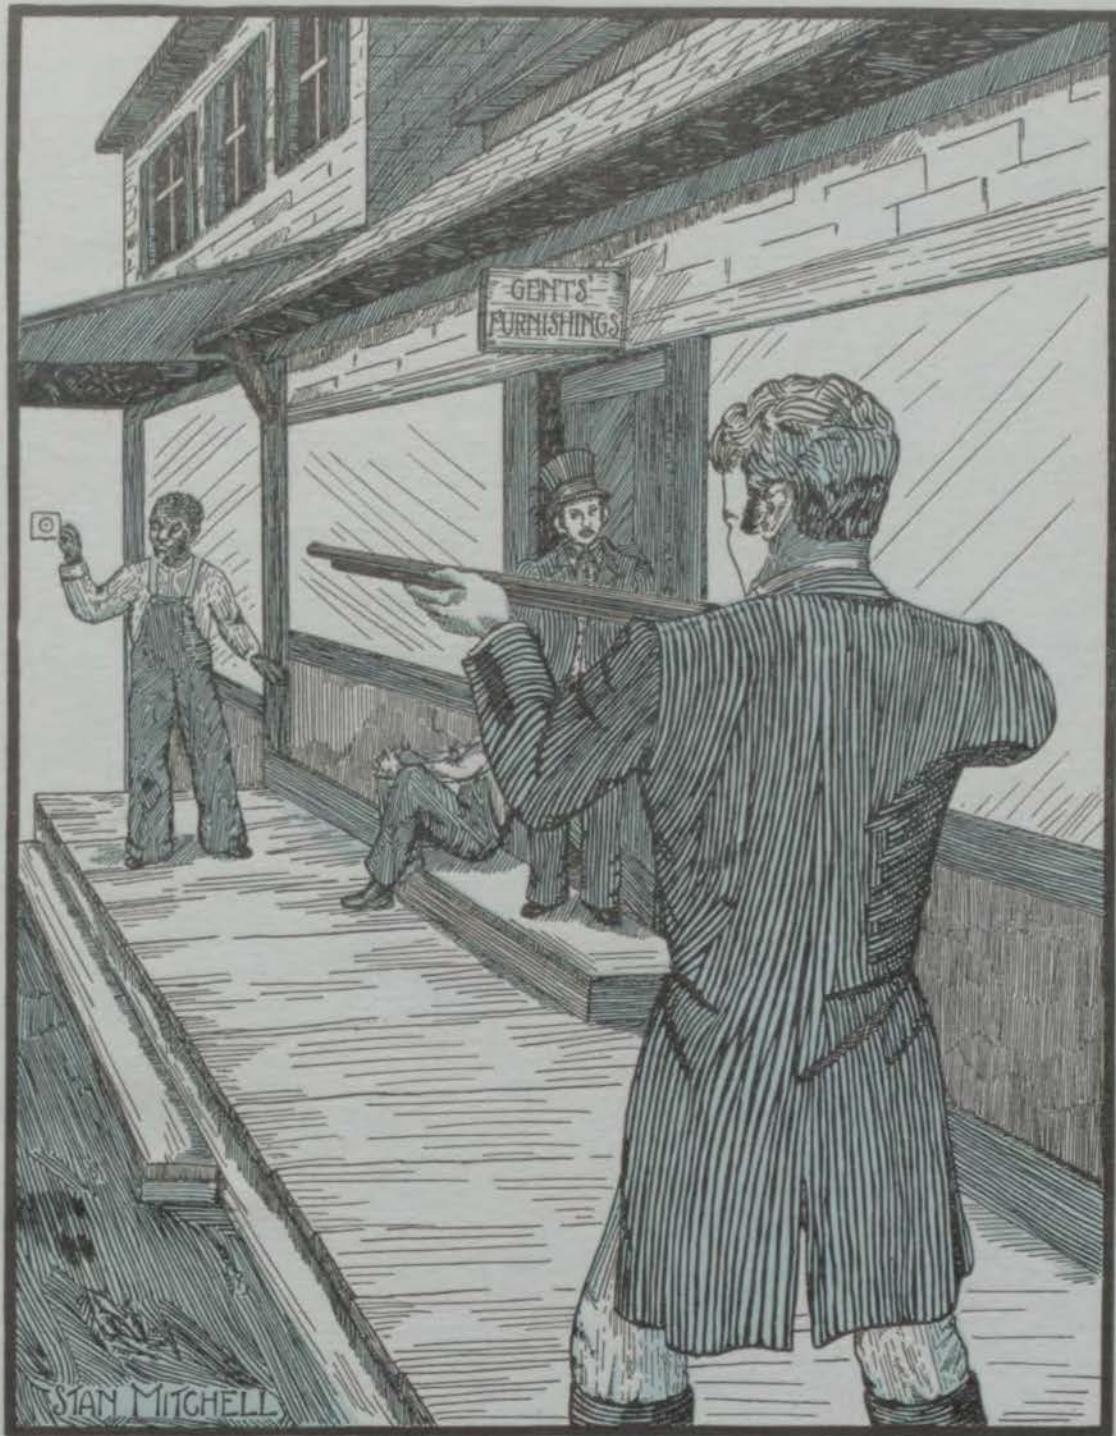

The other members of the stage crew who were carpenters are: Phillip Himes, Alfred Gallup, Burton Beebe. The electrician was Herbert Hansell. These boys do the greater part of the scenery building and have done an especially good job of it this year.

Much credit of the success of the productions should go to Mr. Gus Peterson, electrician and scene painter. He has worked many nights on the stage painting scenery for the different productions, all of which have been artistically executed.

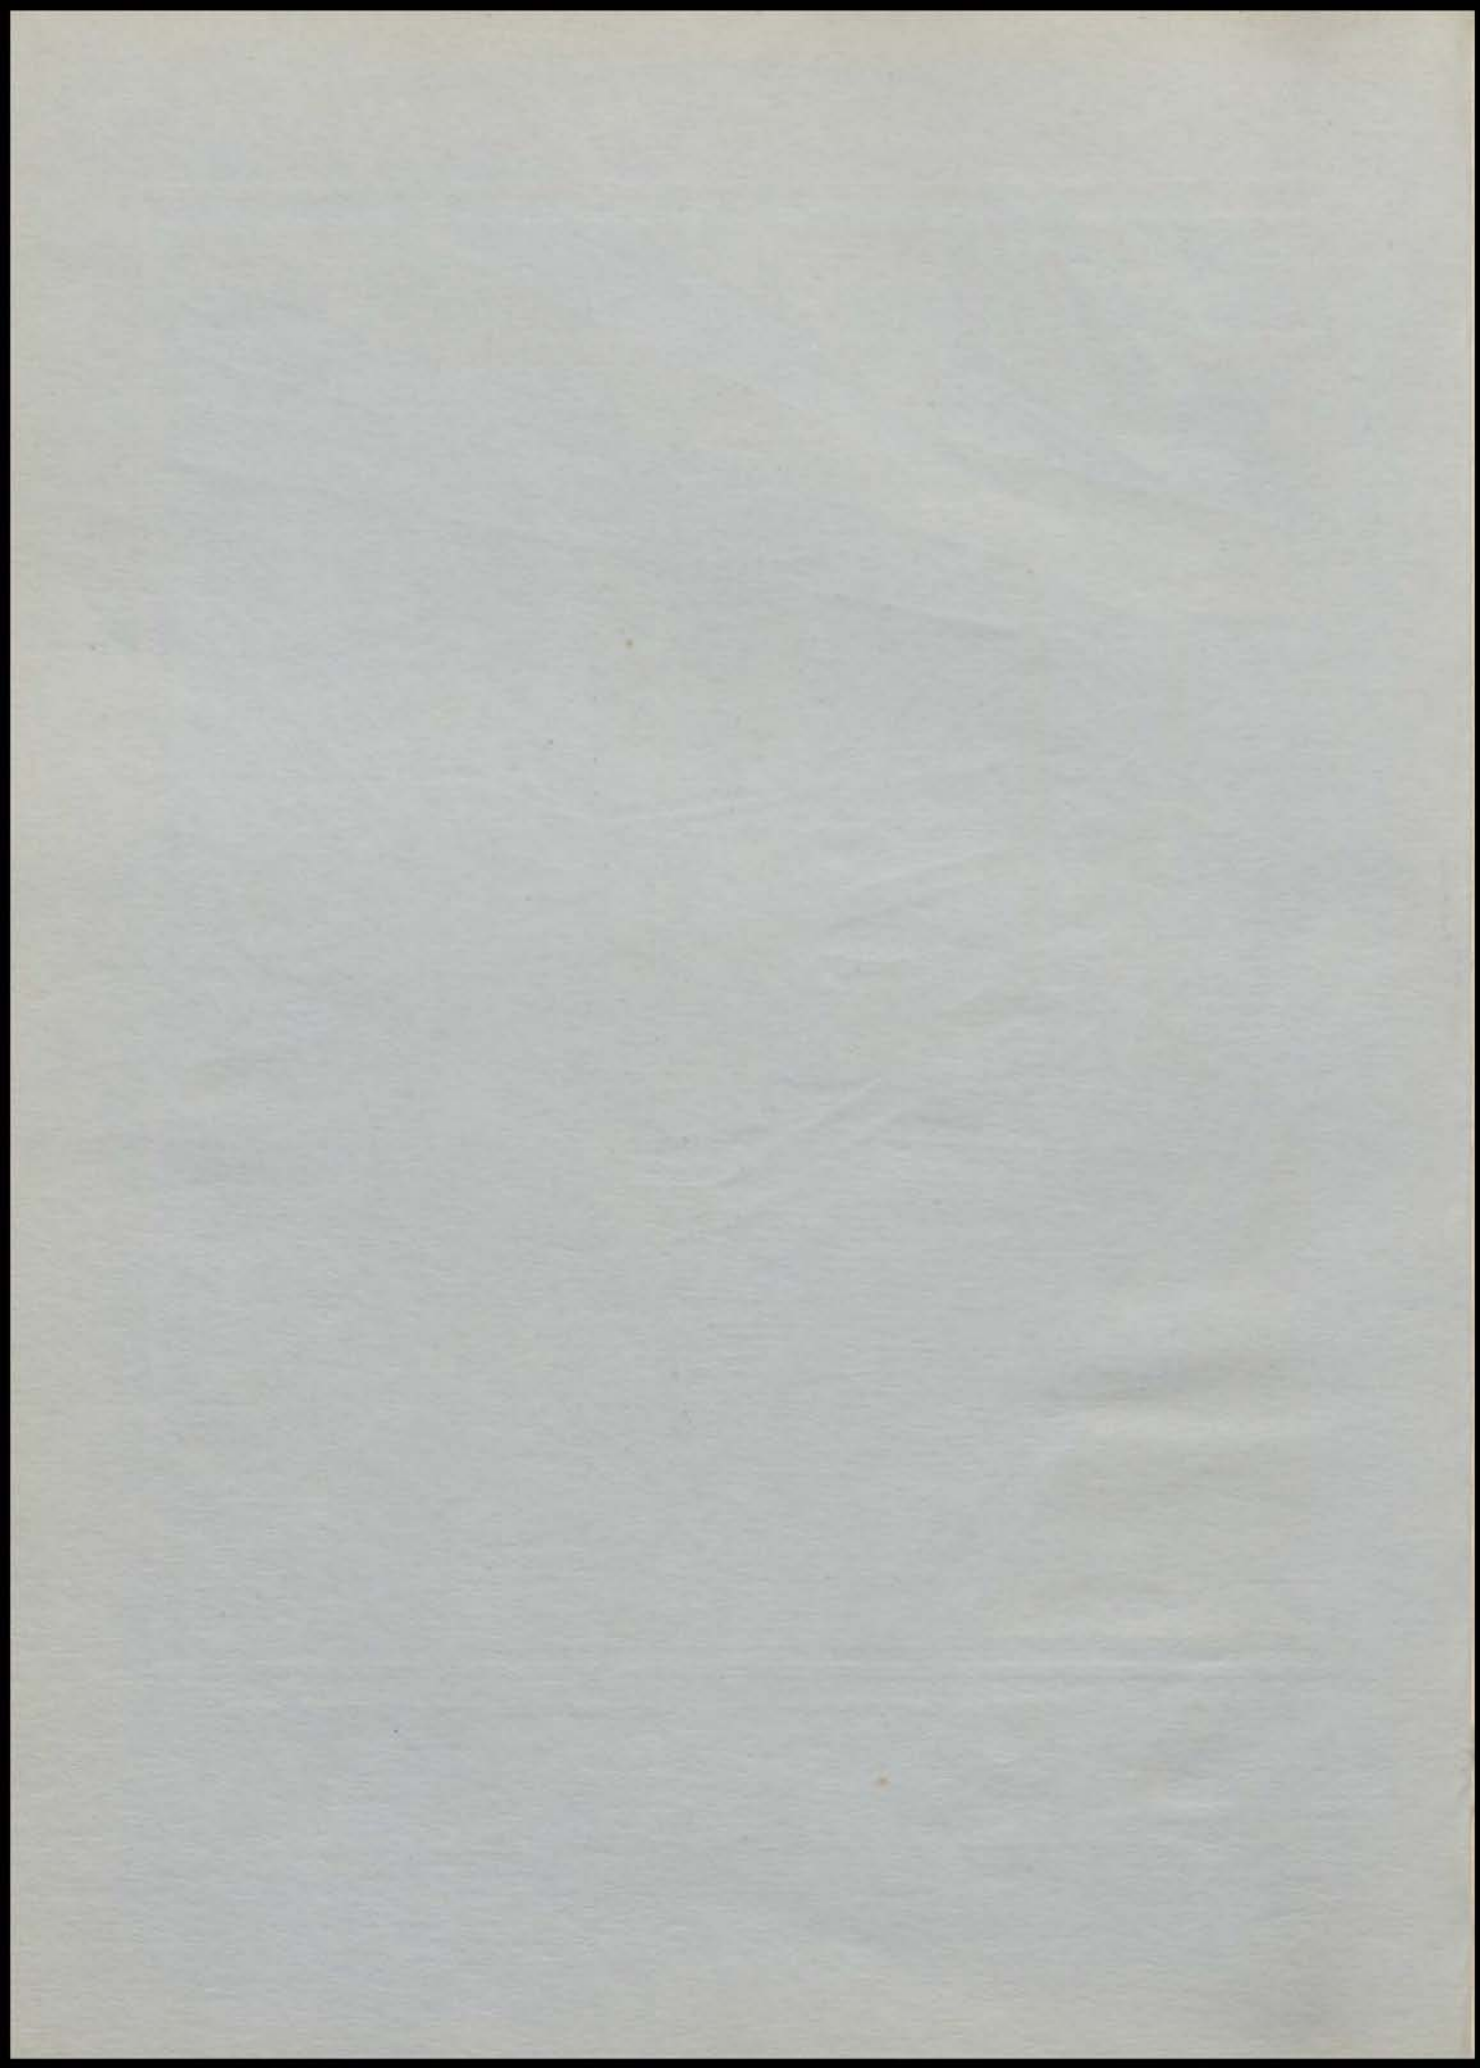

For the last seven years Mr. C. O. Williams has supervised and chosen the stage crew. Their settings have been extremely clever. The difficult settings of "Dorothy Vernon of Haddon Hall," the natural atmosphere obtained in "Who's Boss," and the originality of the opera layout, showed how this invaluable "unseen force" worked.

# ATHLETICS

# THE CENTRALIAN 1931

## HARRY SLAYMAKER, *Coach*

A dominating personality, a congenial nature, and an endless supply of coaching tactics has endeared to every Centralite the acquaintance of Coach Slaymaker.

After graduating from Central in 1918, Coach Slaymaker returned nine years later to work under Coach Menze. Upon the transfer of Coach Menze to Ames in 1928, Mr. Slaymaker took over the reins of head coach.

## FRANK GUEMPLE, *Coach*

Mr. Frank Guemple came to Central in 1928 to fill the vacancy left upon the promotion of Coach Slaymaker. Previously he had victoriously coached Northeast Junior High School.

So successful is his coaching that basketball has been placed entirely under his command. Last year's all-state champions and this year's showing speak eloquently of his abilities.

## MR. T. E. TALMADGE, *Business Manager*

Due to the efforts and work of Mr. T. E. Talmadge, Central is one of the few Kansas City High Schools whose athletic teams are on a self-supporting basis.

Mr. Talmadge has managed the financial department for the past 15 years. Another man as competent as Mr. Talmadge would be hard to find.

## JOE PETERS, *Football Captain*

Captain Joe Peters was the only three-year letterman around which Coach Slaymaker could mould this year's football team.

In addition to winning his letter in football his three years at Central, he earned his letter last year and this year in basketball. He was named on the mythical all-star eleven this year in football.

## SYDNEY PELTZMAN, *Basketball Captain*

Physically handicapped through deafness, Syd Peltzman proved to be one of the best basketball players that have ever played on the Convention Hall court. Due to the nine semester ruling, Syd became ineligible at the end of the first semester. He was interscholastic and all-state star in 1930, and as a letterman in football has well earned for himself the title of "Best Boy Athlete."

## DONALD SHUTTY, *Track Captain*

A brilliant athlete with diversified honors and a host of friends is Don Shutty. For two years a letterman in both track and football.

This year he was the sensation of the league in football with his 85-yard runs and was made captain and halfback on the Journal-Post's all-star selection.

## SIDNEY MOORE, *Head Cheerleader*

A dominating character and a winning smile won for Sid the office of head cheerleader at the try-outs before the student council.

Although the student support was not perfect at times, Sid was always ready to give all he had in support of his team and he usually got results from the audience.

## LINN DANNAHOWER, *Junior Cheerleader*

Successfully filling the office of sophomore cheerleader last year, Linn timely stepped up into the job as junior cheerleader. Linn was the tallest of the three boys and lent the necessary gracefulness to the group.

As a second team letterman Linn is duly considered a fine fellow.

## NEIL MURPHY, *Sophomore Cheerleader*

A thatch of red hair, a bashful nature, and a great lacking of height identifies Neil Murphy. Never, since the sophomore year of Charles Hackler, has a cheerleader come nearer to perfection.

Although only a sophomore, he soon learned and teamed well with his co-workers.

To improve ability into championship channels is commendable; but to create ability, developing not an unbeatable eleven, but a team that can cope with the best is wonderful strategy that shows successful coaching plus hard work. However, grid battles are either won or lost on the gridiron, and experience is a major factor in determining their outcome.

Central opened the season with only four lettermen: Leo Bergman, quarterback; Merle Stafford, end and fullback; Don Shetty, destined to become the hero of Centralites by his sensational playing, halfback; and Joe Peters, tackle and captain, the latter being the only regular from last year's championship squad.

Nevertheless, Coach Harry Slaymaker developed a squad that not only finished in third place, but held the champions, East High School, to a scoreless tie and placed two men, including the captain, on the Journal-Post's mythical all-star team.

Don Shetty, one of the greatest offensive players that has ever entered into Interscholastic competition, was named as captain, and Joe Peters rated a tackle position. However, the Kansas City Star named just Shetty.

When the final reckoning was posted, Central had won four games, lost one, and tied one. Incidentally, the only league encounter lost in the last 34 games Central has played.

# THE CENTRALIAN 1931

---

## FIRST GAME

Six thousand people saw Central humbled before the Wyandotte Bulldogs to the tune of 12-6 in the first night game ever played in Greater Kansas City. Inexperience was a major factor in determining the outcome, but the boys learned a lot about football and lost any signs of stage-fright.

## SECOND GAME

The following week, Central trampled the Paseo Pirates 19-6, in the only league game away from home. Don Shutty broke through at will, twice racing more than 80 yards to boost the Blue and White score. Girard scored on a freak play at the kickoff to account for the remaining score.

## THIRD GAME

Southwest was the next opponent. Although the Kingbirds fought valiantly, the inspired Indians trod on their opposers 13-6. Again Shutty was the star, scoring the only Central counter. However, it was not an easy game for the invaders, but a truly earned victory.

## FOURTH GAME

Westport was the next victim. The Tigers drew first blood, but the Blue Eagles came back in the third quarter to knot and later unknot the score. Again Shutty thrilled the crowd with a 74-yard run. Jones chalked up the second counter when he plunged over from the 10-yard line. The score was 12-6.

## FIFTH GAME

St. Joseph Central romped on the Central aggregation 20-0 in a repetition of last year. However, various Central stars were held in reserve for the East encounter the following week.

## SIXTH GAME

The Blue Eagles slowly and surely walked out of the championship light when she battled East High to a scoreless tie on the former's field. Had Central defeated East in this encounter, the Blue and White juggernauts would have tied for first place, but even as a tie it was a great game.

## SEVENTH GAME

In the next game, Central smothered Manual under an avalanche of touchdowns. The final score was 50-0. By this time the Blue and White eleven was functioning to perfection, and it was a mere walk away for the stronger squad.

## EIGHTH GAME

Central finished the season in heroic style when she sank the ship of the Northeast Vikings under a score of 33-0. Shutty ran wild and scored four touchdowns with a contribution from Campbell, an end. The Purple and White easily withered under the Blue Eagle onslaught.

Handicapped by lack of experienced material after Sydney Peltzman and Alex George became ineligible at the end of the first semester, the 1931 Blue Eagle five, defending champions of the state and Interscholastic league, suffered a somewhat disastrous season.

Central finished in a tie for fifth place with Southwest and Paseo, having won two league games and dropped four. The Blue and White quintet started the season in championship style with a well balanced team moulded around Syd Peltzman, all-state center last year, and Alex George, a sharp-shooting forward. Nathan Roitman teamed well opposite George and later was the mainstay after the ineligibility of the two former stars. Joe Peters and Archie Cullens held down the defensive positions but their stellar guarding could do no good without a strong offensive machine that was seriously lacking in the last four encounters.

## FIRST GAME

Lawrence High School fell before an onslaught led by Captain Peltzman to the tune of 16 to 9 in a preliminary to the M. U.-K. U. game at Convention Hall.

## SECOND GAME

Peltzman was again high point man in the game against the alumni which Central annexed with a score of 30-18.

## THIRD GAME

Central tasted her first defeat at the hands of Wyandotte High School, Kansas City, Kansas. When the game closed it found Central holding the short end of a 25-19 score.

## FOURTH GAME

An invading St. Joseph Central team trod on their Kansas City opponent in the final game before the opening of the Interscholastic league the following week. The score was 20-18.

## FIFTH GAME

On the opening of the Interscholastic league, Central administered the Paseo Pirates a decisive trouncing when they emerged with the long end of a 23-15 score. Peters was the individual star.

## SIXTH GAME

A fast passing, sharp-shooting team comprised of Rockhurst Hawks pulled the blind over the eyes of Central in a 21-15 defeat. The game was a see-saw affair and the outcome was doubtful till the gun barked the close of the game.

## SEVENTH GAME

George and Peltzman proved the master of the floor when they each scored 11 out of 28 points to smother the Southwest Indians' 18. This game curtailed both of these stars' High School careers.

## EIGHTH GAME

A late rally almost overcame a Westport lead in the final quarter but the Tigers finally tightened down and blasted the Central hopes with a 13-16 score. A new lineup did not function very well.

## NINTH GAME

East High School, runners-up to Central last year, revenged their last year's defeat and counted up 21 points to the 8 of the Blue Eagle five. Coach Guemple's boys were considerably lacking in offensive power.

## TENTH GAME

Manual was represented with the strongest squad they have had in many years. It was evenly matched till the final canto when the Red and White rallied and took a 25-19 lead.

## ELEVENTH GAME

Northeast, 1931 Interscholastic champions, played a hard fought game with the Blue Eagle defense. Central, however, was smothered under a score of 24-1.

## TWELFTH GAME

In the pairings to determine the Kansas City representative in the state tournament at Columbia, Central was bracketed with the Vikings from Northeast, Interscholastic champions. A completely revamped lineup held the champions to only 18 points while the Blue Eagles succeeded in chalking up 11, but not enough for victory. However, a decided improvement was shown.

An all-victorious second team marched homeward at the close of the football season and laid down their honors before the ever-watchful eye of the Blue Eagle. Only once during the entire season did an opponent cross the Blue and White reserves' goal while the champions amassed a total of 133 points.

This was the second successive year that Coach Frank Guemple had produced an undefeated team and so successful was the outcome, that Central's chances for next year are bright.

The purpose of the second team is two-fold. First, they must offer the first string the necessary competition in practice. Second, they must develop material for the succeeding year.

Both parts of their work was done successfully. An almost nightly scrimmage with the first team filled the first part. Fourteen letters were awarded to members of the second squad, all of whom will be back next year. No seniors are allowed to play so the training received can be put into use the following year.

Charles Schultz, quarterback, was elected captain and his play was the most outstanding. Every moment found the Eaglets fighting their hardest, which accounts for the fact that they turned in an unblemished record.

A basketball team, almost as successful as Central's second football string, represented Central and took second place in a tie with Southwest in the league comprised of second teams of the Interscholastic league. Northeast, who carried off the winning colors, completely trampled all competitors and developed a large supply of material for a winning first team next year.

Like in football, the primary purpose of a second squad is to develop and train material for the following season. In this, it did its job very well. Joe Schmidt, a guard, showed a great deal of defensive power in the elimination game against Northeast at Convention Hall. Linn Dannahower, a guard or forward, also showed up well and his ability as either an offensive or defensive player should be a great asset next year. Eddie Ironsmith, Ernie Fell, and Bud Gardner also looked good.

In their game with the Westport Tigers, Central lost an uninteresting game by a score of 22-11. The following week Southwest defeated the Eaglets 21-26.

Central chalked up another victory, 20-14—this time against East. Manual was the next victim in a close game, with Central winning 13-12.

Paseo fell before a 19-11 score in a masterful game, with Central holding the superiority. Central's most decisive defeat, however, came from Northeast with a 41-18 score.

The success of next year's team lies in the abilities of these boys.

## Track Review

A STRONG and brilliant track squad was produced this year under the direction of Coach Harry Slaymaker. The squad captained by Don Shutty was strong in practically every event but the distant runs. Grayson, Eggleston, and Andrus, however, were almost constant point winners, although Andrus was the only one to win a first in these events. Captain Shutty and Sam Zurovsky were both brilliant runners and the two of them entered nearly every event. Shutty was especially fast in the dashes and low hurdles but was always hard pressed by Zurovsky. Zurovsky also was an excellent broad jumper. In the dual meet with Northeast, Zurovsky scored three firsts. Morales always gave good account of himself in the high jump. Keyes, Schwartz, and Montgomery always took the honors in the pole vault.

### K. C. A. C. MEET

At the twenty-sixth annual K. C. A. C. indoor track meet, Central carried off the major honors when she captured the 19 points. Paseo pushed the Blue and White runners hard to score 18 points, but the necessary ability was lacking.

Central was not conceded the slightest chances by dopesters, but the showing made in this meet caused them to sharpen their pencil and places Central among the strong contestants for titleholder.

Captain Don Shutty was the individual star, capturing a first in the 50-yard dash and a member of the winning relay team that took first honors in the one-lap relay and second in the two-lap contest.

Sam Zurovsky placed third after Shutty in the first event, the 50-yard dash.

Bill Brumwell, a sophomore, ran a brilliant race and pulled the big upset of the dope when he placed second in the 440-yard dash. He won his heat but this time was bettered by Paseo in another heat. He is the brightest prospect for Central's future hopes.

Harlan Grayson accounted for the remaining point when he placed fourth in the 880-yard race.

M. U.-K. U. MEET

Seeking revenge for the former meet, Paso emerged from the annual M. U.-K. U. meet in championship style, capturing 15 points to the 13 of the Blue Eagles. Central's lack of ability in the distant events accounted for the defeat.

Don Shurtly again captured first place in the 50-yard dash while Sam Zurovsky dropped back to fourth. The one-lap relay team, composed of Don Shurtly, Sam Webber, Carl Parnes, and Jack Repogle, ran away with their event to annex 5 more points. The same group took 2 more points in the two-lap event. Brunwell and Grayson, failed to earn some points, failed to place due to sickness and lack of condition in the 440-yard and 880-yard dashes, respectively.

Westport placed third with 11 points, while Southwest, Northeast, Manual, and East placed in the order named.

CENTRAL-NORTHEAST DUAL MEET

Sam Zurovsky, Central's individual star, ran off with high point honors in the dual meet against North-east, in which the Blue Eagles emerged victor. He captured a first place in the 100 and 200-yard dashes, the broad jump and was a member of the winning relay team.

Charles Andrus set a hard pace in the 440-yard run to win in 55 7/10 seconds. Harlan Grayson placed second in the 880-yard run. Morales and Littrell jumped their way to first and second honors respectively in the high jump.

Central failed to place in the shot put but beat their opponent in the relay and pole vault.

Central totaled 53 points to the 38 of Northeast.

CENTRAL-WYANDOTTE DUAL MEET

A most complete defeat greeted the Blue Eagle trackster in the first night meet ever to be held here. Seven first places and the half-mile relay partly accounted for the 52 points of the Wyandotte Bulldogs against the 39 of Central. Sam Zurovsky, however, emerged high point man with 11 points.

Zurovsky and Shurtly were out of form and Zurovsky followed the heels of Vickers, Wyandotte, in both the 100 and 220-yard dashes to place second. Grayson placed second in the 880-yard run while Gossett and Shurtly copped seconds in the 120 and 220-yard hurdles. Keyes won third in the shot put and tied with Montgomery and Schwartz for first in the pole vault. Morales easily won the high jump and Zurovsky the broad jump.

Mitchell, Lee, Neslage, Thompson, Senhausen, Kornfeld.

### Central Golf Team

THE Central Golf Team this year, under the management of Jack Kornfeld, gave a good account of itself in competition with the best high school golf teams in the city. As participants in a sport that requires much outside practice these boys are to be commended for the time they have given in perfecting their game.

Shikles, C. Parness, Rose, Giancerelli, Peterson.

### Central Tennis Team

CENTRAL'S Tennis Team, captained by Tonny Giancerelli, has held the high standard of playing set by previous teams. Tennis as a sport in the high schools has been rapidly advancing in popularity and has found many adherents at Central, which is shown by the number of students who tried out for the team.

MARY HENSCHEL

HAZEL PURNELL

## General Review

PHYSICAL education has taken on a new meaning this year, due to the efforts of Miss Mary C. Henschel and Miss Hazel Purnell. As the Juniors and Sophomores of 1931 are required to take gymnasium, many of those who signed up for it were not in favor of it. A large number thought that all the girls were compelled to take strenuous exercises, and exert themselves in ways that would cause injurious results. However, when they had really entered the department, they found things quite likeable, and hard on no one.

On Mondays, all the classes were taught dancing. Clogs were the main type, having such names as "Topsy," "Sambo," "Arkansas Traveler" and "The Old Man." Miss Hazel Cline was the pianist.

Two other days of each week were spent in the large and small gyms, while the two remaining days were devoted to swimming.

Student managers are chosen annually to take charge of the different sports. To be a manager, a girl must show good sportsmanship, cooperation, and ability to direct the girls under her. This year, the following Seniors had charge of their respective sports: Mary Caton, hockey; Doris Evans, soccer; Anna Marie Cook, basketball; Rosalie Wettig, volleyball; Jerry Ford, baseball; Lou Ree Wester, swimming; and Martha Evans, hiking.

Coaching was divided by Miss Henschel and Miss Purnell, the former being in charge of hockey, soccer and baseball, while the latter had basketball and volleyball. Swimming was taught by both instructors.

Each fall and spring the girls' gym department sponsors a party. At these events, only girls are allowed to attend. Last autumn, a Hallow'en party was given, with Jerry Ford in charge. This spring, it was a kid party, with Evelyn Maloy directing it. Dancing, refreshments, and a program constitute the entertainment. Proof that these are outstanding affairs is given by the active interest taken in them by the girls.

But, are the girls really benefitted by this? Do they learn the finer ideals of sportsmanship and fair play? That is a question to be answered by the year's progress, and in reviewing it we feel sure that they have attained these ideals through their gymnasium work this year.

## Hockey

**H**OCKEY is the sport opening up the girls' athletic season, and is played out-of-doors. Nimble feet, reserve wind, and a capable handling of a hockey stick go far to make up a fair player. It consists also of being able to play both on the offensive and the defensive.

Mary Caton was the student manager this year, with Miss Henschel as the coach.

The Seniors won the tournament by winning games from the Sophomore II, 1-0; the Sophomore I, 1-0, and the Juniors, 1-0. The Juniors placed second, defeating the Sophomore II, 1-0, and the Sophomore I, 1-0. The two Sophomore teams tied for last place, with their game resulting in a tie, 0-0.

The Senior team was: Caton (captain), M. Evans, Donaldson, Weddle, Wester, Ford, Patterson, Wettig, Cook, Brown, Marsch, Adelsperger and Eisenberg.

Juniors: Dicus (captain), Stewart, Foley, Maloy, Davis, Martin, Stevens, Lawrence, Younger, Lindsey, Wheeler. Alternates: Minnick, Goldsmith, Clayworth, Meek.

Sophomore I: Saint (captain), Overly, Chadwick, Lyon, Miller, Shepherd, Kratchman, Campbell, De Guehery, Shanahan and Sanell. Alternates: Cousins, Czarlinsky, Black, England, Learned.

Sophomore II: Franklin (captain), Jacobs, Jackman, Hilts, Bigelow, Bumgardner, Nesselroad, Reynolds, H. Fredericks, Scheidt, Howard. Alternates: Hanley, Dubois, Depher, Rigdon, Schwartz.

From these teams, an all-star was chosen, but did not play any games, as it was purely honorary. The following girls were chosen because of the quality of their playing: Mary Caton, Martha Evans, Helen Donaldson, Lou Ree Wester, Evelyn Maloy, Ellen Martin, Jerry Ford, Marlene Lawrence, Helen Patterson, Allene Brown, and Margaret Marsch.

SOCCER GAME

## Soccer

THE newest sport in girls' athletics at Central is soccer, having seen its second year here last fall. After initial practices in the early part of November, the teams were chosen the last part of the month. The tournament was played during the first part of December.

Soccer is quite similar to hockey, regarding lineups, field, technical names, and methods. There are eleven players on a team. Any part of the body may be used to move the ball except the hands and arms. When played properly, it is a fast game, and has often been thought of as the girls' substitute for football.

Doris Evans was the student assistant and Miss Henschel was the coach. From the eleven seniors, thirteen juniors, and thirty-seven sophomores who tried out the following teams were picked:

Seniors: Adelsperger, Brown, M. Evans, Wester, Swift, Patterson, Marsch, Ford, D. Evans, Dancy and Cook.

Juniors: Miller, Foley, Dicus, Afflick, Hiltbrand, Hammond, Davis, Mathews, Frances, Lawrence, Lindsey, Younger and Wheeler.

Sophomore I: Shepherd, McKendry, Overly, Frost, Dubois, Saint, Gillespie, Funnell, Bumgardner, Fredericks, Shanahan. Alternates: Hamer, England, Daugherty, Lacky.

Sophomore II: Fraklin, Cousins, Patren, Bigelow, Bolin, Chadwick, Campbell, English, Nesselroad, DeGuehy, Morris. Alternates: Brenns, Harley, Kratchman, Dopher.

There was no all-star team chosen.

The results of the tournament showed the Seniors victors. The score of the first set of games was, Sophomore I-Junior, 0-0; Senior-Sophomore, 1-0; the next pair of games, Senior-Sophomore I, 1-0; Sophomore II-Junior, 1-1. The last two resulted, Sophomore I-Sophomore II, 0-0; Senior-Junior, 1-0.

BASKETBALL GAME

## Basketball

PROBABLY the favorite indoor sport of the girls is basketball. This is played somewhat as the boys do, but instead of the single divisioned court, it is marked into thirds. The forwards stay at the one under their goal; the centers in the middle one; while the guards play in the court under their opponent's goal. A dribble consists of only one bounce or toss; any excess of this is a violation, penalized by an out-of-bounds play.

The student leader was Anna Marie Cook, and Miss Purnell coached the sport. After the teams were chosen, a double tournament was held.

The Seniors were the undisputed victors, losing no games at all. In the first part of the tournament, the following scores resulted: Junior I-Sophomore I, 30-7; Senior-Sophomore I, 31-15; Junior II-Sophomore II, 28-16; Senior-Junior I, 35-25. The results of the latter half: Senior-Sophomore, 21-16; Junior I-Sophomore I, 26-20; Senior-Junior, 30-27.

The Senior team was: Forwards, Wester, Cook, D. Evans; centers, Adelsperger, Ford, Brown; guards, Patterson, Wettig, Swift.

Junior I: Forwards, Dicus, Lindsey, Wheeler; centers, Davis, Maloy, Mathews; guards, Foley, Lawrence, Lambader.

Sophomore I: Forwards, English, Saint, Overly; centers, Flint, Depher, Breckenridge; guards, De Guehery, Bumgardner, Fredericks, Dougherty.

Junior II: Forwards, Minnick, James; centers, Martin, Lowe, Polly; guards, Frances, Pallanich, Cardy.

Sophomore II: Forwards, Cousins, Rigdon; centers, Franklin, Koert, Galyon, Snow; guards, Shanahan, Learned, Finnell.

The all-star team was: Forwards, Cook, Lindsey; centers, Breckenridge, Maloy; guards, Bumgardner, Patterson.

VOLLEYBALL MANAGER

VOLLEYBALL GAME

## Volleyball

BECAUSE of the large number of other things, such as the dance at the R. O. T. C. Circus, the innovation of track for girls, and the swimming meet, that came up at the same time as volleyball, this sport was not emphasized as much as usual.

Rosalie Wettig was the Senior student in charge of it, and Miss Purnell was the coach.

Prior to playing the game with the small, regular sized ball, a giant volleyball tournament was held. This contest, instead of being between the Seniors, Juniors and Sophomores, was between the different classes. Miss Purnell's first hour won the championship with no defeats. Miss Henschel's third hour ranked second. Ten classes participated.

Volleyball has been very highly recommended, especially for girls. Aside from the pleasure derived from the actual playing, it has been found as an aid in posture. The action of moving the arms over the head tends to pull the stomach in, throw out the chest, bring back the shoulders and elevate the head. The action of the game is such that practically every muscle is brought into play and no particular one over-developed.

The elasticity of the number of players in it also makes this game popular, for even though a team consists of eleven, fewer or more can play without losing any of the enjoyment.

BASEBALL TEAM

BASEBALL MANAGER

## Baseball

THE final sport of the year is baseball, closing the activities of the girls' athletics until the reopening of school. One of the favored sports, it gives an opportunity for a period of hard playing and then a rest—without stopping or delaying the game.

Jerry Ford was the student manager, and Miss Henschel the coach. Under their direction practices are held and the teams chosen.

At school, the indoor baseball is played. The ball is three and one-half or four inches in diameter and has the heavy outside seams. It is made of string and then covered, consequently it is not hard. Gloves are unnecessary and there is little danger of being hurt by it.

Pitching is done by the underhand method, but on all other plays, the overhand throw is more desirable, because it increases the speed of the ball and is more accurate on longer throws.

The pitcher is allowed only one step after beginning the pitch, and she must start with her heels together.

Baseball can be played within the building in the large gym or outside of it on the gravel field. The inside diamond is rather small, but comparatively large for an indoor one.

As yet the teams have not been chosen, but when they are the tournament will be played some time before the Seniors leave.

## Swimming

THERE can never be too many persons who know how to swim. And, the more they know about it, the better, both for themselves and others. At Central, Life Saving was taught to develop this idea.

Under the direction of Lou Ree Wester, Miss Henschel and Miss Purnell, swimming teams were chosen from the Sophomores, Juniors and Seniors. The meet was held on Wednesday, April 8, with the victorious Seniors totaling 62 points, to the Sophomores' 32 and the Juniors' 17.

High point individuals were as follows: Brown, 20 points; Adelsperger and Wester, 13 each; Funk, 12; Saint, 10; and Overly, 9.

The order of placings in each event for form was as follows: Side stroke, Schwartz, Overly, H. Pat-

terson; back stroke, Fredericks, Depher, Funk; breast stroke, Ford, Depher, Schwartz. Speed winners in side stroke were Wester, Morlan, Funk; back stroke, Funk, Mathis, Overly; breast stroke, Dougherty, Mathis, Morlan; free style, Brown, Wester, Saint.

Other events were won as follows: Plunge for distance, R. Patterson, Cook, H. Patterson; underwater swimming, Adelsperger, Saint, R. Patterson; porpoise, Brown, Adelsperger, Schwartz; diving, Brown, Saint, Wester; relay, Seniors, Sophomores, Juniors.

CENTRAL R. O. T. C. BATTALION

## R. O. T. C. Review

CENTRAL'S battalion of the R. O. T. C. has without a doubt not only been progressive and beneficial as a course, but has also made Central rank high in her military efforts.

Master-Sergeant Frank Bowling has supervised the classes up to this year. They are now under the direction of Sergeant Clifford MacDonald. John King Park was appointed cadet colonel.

The ninth annual R. O. T. C. Circus was held at Convention Hall April 17. Each high school illustrated a military tactic or drill which was accomplished in commendable fashion. Central's participation was outstanding for its value as a representation of the amount of work done in the military department during the year. The girls of the gymnasium department were represented by several dances. The feature of the Circus was the presentation of the caps and capes to the eight girls chosen sponsors by the seven Kansas City high schools and the Lathrop Trade School.

Central's unit has made many great achievements, not only in the past year but all through her career. She has placed her records so high they are hard to surpass.

### *Master-Sergeant Frank Bowling*

**M**ASTER-SERGEANT FRANK BOWLING, military instructor at Central, retired March 3 after twenty-six years of service in the United States Army.

Before his arrival at Central, Sergeant Bowling had served in five different detachments of the army. He first enlisted at Birmingham, Alabama, and was assigned to Company G of the 30th Infantry. His second and third enlistments were in Company F of the 14th Infantry and Company D of the 19th Infantry, respectively. The first five years of these two enlistments were spent in the Philippine Islands.

Sergeant Bowling then saw service in Company H of the 6th Infantry; and after this enlistment expired he re-enlisted again, being assigned to the disciplinary barracks at Fort Leavenworth, Kansas.

After six years at Fort Leavenworth, Sergeant Bowling was appointed military instructor at Central in June, 1923, at the beginning of his seventh enlistment.

Throughout his entire twenty-six years in the army, Sergeant Bowling has never been before a courtmartial for any breach of regulations, and upon all of his discharge papers he is accredited with excellent character. During his eight enlistments he has held every rank that a soldier could from "buck" private to Master Sergeant.

Rifle marksmanship has always been a hobby for Sergeant Bowling while at Central, and each year he has developed our outstanding group of riflemen here.

As Sergeant Bowling leaves to locate a permanent home in California, Central loses one of the most competent instructors that the school has ever had.

Marceil Broberg and Rosemary Fones were elected Sponsor Captains with Lillian Dannahower and Martha Evans as Sponsor Lieutenants. The girls were chosen on their popularity, scholastic standing, and character. They were picked from ten, and the final vote was taken from the R. O. T. C. classes, the girls of the Senior Class, and the faculty.

## Sergeant Clifford MacDonald

Due to the retirement of Master-Sergeant Frank Bowling, Sergeant Clifford MacDonald was appointed instructor of military sciences at Central, by Captain Harry E. Mitchell.

Sergeant MacDonald has been in the service ten years. He first enlisted in 1920 at the Jefferson barracks, then he was transferred to Camp Washington. From there he went with the 59th Coast Artillery corps to the Philippine Islands, returning after several months to the United States.

In 1924 he returned to the Jefferson barracks, where after he had enlisted again he became a member of the 6th Infantry. It was on October 14 that MacDonald came to Kansas City where he began his work under Captain Mitchell. He will now be at Central and still assisting Captain Mitchell. He believes that he will find his work very interesting here.

CADET COL. JOHN K. PARK

SPONSOR COL. JUNE MCGINNESS

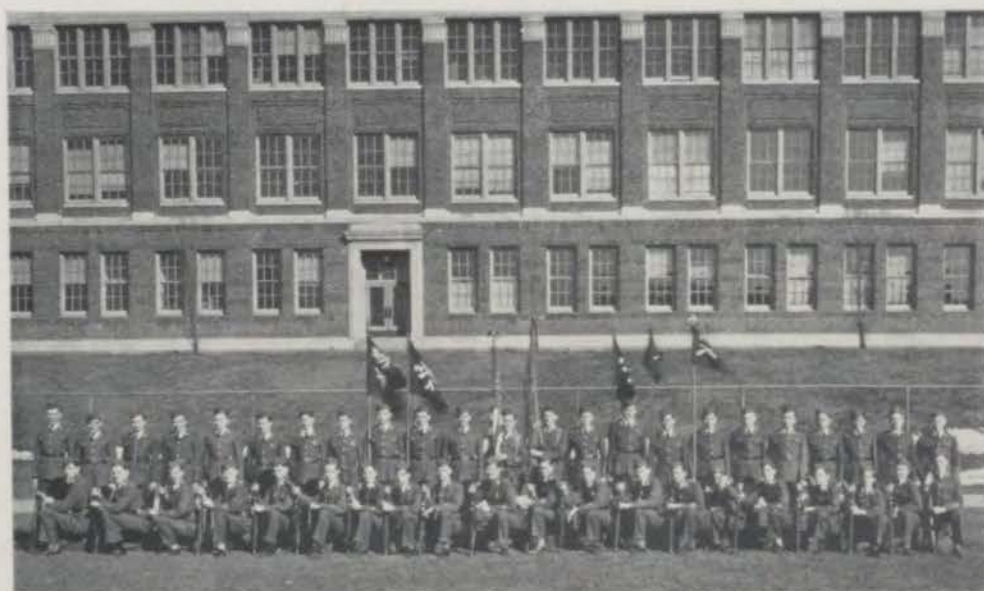

John King Park was appointed Cadet Colonel by Captain Harry E. Mitchell. After a second ballot, June McGinness was elected Sponsor Colonel.

The Cadet Colonel was chosen because of his accuracy, character, dependability and trustworthiness from the R. O. T. C. Unit. The Sponsor Colonel was presented her cape at the annual R. O. T. C. Circus held at Convention Hall.

*Fourth Week*—After three weeks of seemingly endless termination, the Luminary staff is appointed with Rhodes as editor-in-chief, and English, Graham, Dannahower and Tinsley as managing editors. Room 206 is sadly in need of repairs as the result of cheer-leaders tryouts held there. The meeting adjourns with Moore in the head position supported by Dannahower and Murphy.

*Fifth Week*—The entire school mourns the passing of Miss Massey, who for 21 years has been a member of Central's faculty.

*Sixth Week*—Stan Mitchell, with the help of Cathryn Carlton, will illustrate the Centralian this year. The lettering work is to be done by Elizabeth Carter. The Blue Eagles soar over the heads of the Paseo eleven, winning the first Interscholastic league game by the score of 19-6.

*Seventh Week*—The Chamber of Commerce census finds Central with 5 less than 2,000 students.

And, in spite of the fact that the literary societies never, never get into any trouble—well, that is, ah, hardly any trouble, the parents of the club members meet and elect officers for the parents' society for the ensuing year.

*Eighth Week*—Recovering from last week's defeat, the Central eleven in the last quarter smashes Westport for two goals, winning 12-6.

Central songsters assume their sweetest tones, and for an hour or more the Auditorium resounds with musical choruses, while tryouts for the opera are held. The leads finally selected are Harry Heeny and Geraldine Henthorn.

*Ninth Week*—The Blue Eagles' tail feathers are badly ruffled when St. Joe Central administered a severe beating in the form of a 20-0 score.

The first premonition of the annual senior class financial back-strain presents itself in the form of picking the class photographer and announcement of the collection of senior fees.

*Tenth Week*—The Blue Eagles' chances for the championship became a thing of the past when East and Central battled four periods to a scoreless tie.

These teachers' conventions are just the things for the wearied brains of Central's students. Two extra holidays while the high school teachers convene.

We sorrowfully pause in our activities for a memorial assembly dedicated to Madame Clark and Miss Massey.

*Eleventh Week*—Water!! Help!!! It is believed that for the first time in the history of Central High School the seniors will be able to wear their pins and rings before the summer vacation. The jewelry committee selects the pins and rings and the first order is to be delivered on December 22.

*Twelfth Week*—The Blue Eagles, by trouncing Northeast to the tune of 33-0, end the Interscholastic season in third place. Despite the fact that we have lost only one game and have tied one, East and Southwest, by reason of their more experienced and superior teams, finish first and second respectively. However, as the Eaglets did not lose a single game, we are looking forward to next year's season with great expectation.

*Thirteenth Week*—Mr. Wood, who for 15 years has been a teacher at Central, died as the result of blood poisoning.

Although there are several sharps and flats, the annual opera "The Woodbine Scientific Farm" is very successfully presented and receives a great ovation.

*Fourteenth Week*—A new instructor, Sergeant Clifford McDonald, is appointed to take the place of Sergeant Bowling, who is to retire at the end of this year. We are sorry that Sergeant Bowling is to leave, but if he must, we are very fortunate in obtaining Sergeant McDonald who is an expert.

One of the most outstanding assemblies of the year is given in which Mr. Morris Frank, a blind man, tells how dogs are trained for the purpose of leading blind people.

*Fifteenth Week*—The late Mr. Wood's position is filled by Mr. J. H. Beckman, whom we welcome very heartily into the school life.

The remaining Centralian positions, with the exception of ad manager, are announced by Mr. Ditmars. Literary Editor and Feature Editor are given to Farrell Strawn and Frank Butchart. Delbert Hesler and Geraldine Ford are to be Sports Editors, and Dorothy D. Martin will serve in the capacity of Photographer.

*Sixteenth Week*—We rock with delight and enjoyment at the humorous complications and incidents as portrayed by our very capable actors and actresses in the annual fall play "Who's Boss."

As an unusual and highly appreciated Christmas present, the Senior pins and rings are delivered the last day preceding the Christmas holidays.

And now we take time off to rest our wearied brains, to catch up on lost sleep, to play with our brand new toys, to attend innumerable holiday parties, and to wish everyone a very Merry Christmas and a Joyful New Year.

*Seventeenth Week*—Returning to school after a 12-day rest, the outlooks are very cheerful for a successful year.

The heartfelt sympathy of every Centralite is extended to the parents of Nathan Katz, a junior, who died during the holidays as a result of a complication of disease.

*Eighteenth Week*—We just can't seem to be able to stop our growth; again it is necessary, because of the increase in the number of students, to add five new members to the teaching staff.

The Blue Eagles are defeated in a pre-season basketball game with St. Joe Central. However, as the score was only 20-18, we feel assured that our basketeers will round themselves into shape and again prove to be a worthy contender for the championship this year.

# THE CENTRALIAN 1931

*Nineteenth Week*—After the semi-annual election Stan Mitchell emerges victor and is handed the president's gavel of the Boys' High School Club. The other officers are Sid Moore, Frank Butchart and Cameron Blazer.

Whoie!! Mid-year exams come in on us like a cyclone and leave us all gasping for breath. Experience is a hard teacher and we all faithfully resolves to study a little harder this next term. (Which we will do until the next dance comes.)

*Twentieth Week*—The literary societies again find it necessary to elect officers for the third term.

Our defeat of Southwest to the tune of 28 to 18 boosts us one step higher on the championship ladder. However, our hopes are somewhat lowered by the fact that two of our mainstays, Alex George and Syd Peltzman, will be unable to play as the result of the nine-semester ruling.

*Twenty-first Week*—Student Council election is held and June McGinness comes through with the presidency. The other officers are Taylor, Culp, Husbands and Higgins.

According to the new editor-in-chief, Stan Mitchell, and the four associates, Arene Bordman, Margaret Buechner, Farrell Strawn and Harry Kenney, the Luminary will really be worth something now. But, then, we've heard that before.

## A Recognition of Values

Seniors in High Schools and Colleges, ever alert to obtain for their classes the distinctive and exclusive in both Class Jewelry and Class Announcements, quickly recognize these qualities in the products of the Jaccard shops.

The character of our craftsmen's work lifts it to the high plane of the Jaccard Standard — and the price fixed is entirely consistent.

*Twenty-second Week*—The Central basketeers suffer defeat for the first time in two years at the hands of the Westport Tigers, the game ending with a score of 16-13.

It is announced that in order to have every Central student's picture in the annual, pictures will be taken of the home rooms. This is the first such project attempted, and is expected to arouse more interest in the Centralian.

*Twenty-third Week*—June McGinness is presented the Sponsor Colonel's cape during the annual R. O. T. C. Hop. The other four sponsors are: Marceil Broberg, Rosemary Fones, Lillian Dannahower and Martha Evans.

As the result of the tryouts held for the spring play, "Dorothy Vernon of Haddon Hall," Galen White and Paul Mathews are given the boy leads, and Barbara Givoney and Dorothy Crutcher receive the girl leads.

*Twenty-fourth Week*—The Seniors lose some of their doubt as to the ability of the Junior Class to continue the good work when Rosemary Culp is announced President of the Junior Class. The eight aides elected are: Linn Dannahower, Marleen Foster, Roberta Greeding, Dorothy Mitchell, Beatrice Mode, Miles Ramage, Jack Rothschild and Charles Schultz.

*Twenty-fifth Week*—Verbal phrases and words of the two-dollar variety fly freely during the preliminary Constitutional Oration contest in which four Central boys are chosen. They are: Tom Sutherland, Kenneth Layton, Clarence Tinsley and Robert Taylor. Out of this group one will be chosen to represent Central at Convention Hall.

The Central quintet goes to defeat at the hands of the Northeast Vikings, when we receive the short end of a 24-1 score. The Eagles are to be lauded for their fight and game play even when defeat was plainly imminent.

25

*Twenty-sixth Week*—At the annual K. U.-M. U. track meet at Convention Hall, the Central track men come in two points behind Paseo to land second place. The last lap toward Intersociety is entered when the clubs elect dignitaries.

Mr. Dubach celebrates his eleventh anniversary as Principal at Central. We might add that from our three years' observation, it takes more than an average man to keep our fair school going and still retain full power of his mental capacities.

*Twenty-seventh Week*—The remaining positions on the Centralian staff go to Preston Harwood as advertising manager, and Wilbur Scott, running a close second, as assistant. The eight literary societies take another step toward the biggest event of the club year by electing Intersociety presidents.

*Twenty-eighth Week*—Central for the fourth time this year is again so unfortunate as to lose one of her teachers. Mr. Beckman, although he came to Central only last November, was admired by every student and will be greatly missed by his many friends.

The Central basketeers, in the first round of the tournament to determine the representatives of K. C. in the state tournament at Columbia, acquit themselves very favorably when they play Northeast, the Interscholastic champions, and are beaten by only 7 points, the final score being 18-11.

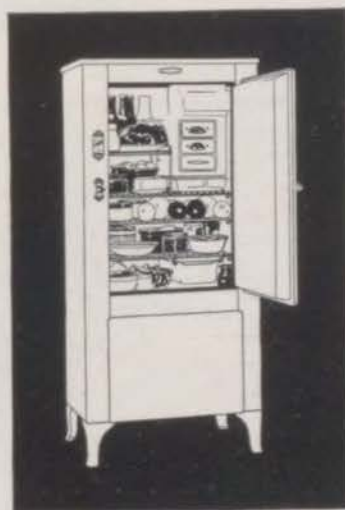

*Twenty-ninth Week*—At an after-school Senior meeting, the Senior ballot is taken, and the following persons receive the honorary places: Dasbach, McGinness, Herndon, Mitchell, Dannahower, Craig, Long, Peltzman, Brown, Strawn, Clark, Graham, Roadcap, Maloney, Taylor, Courtney, Parness and Caywood. At times, we expected hand-to-hand brawls, but everything turned out all right and we believe that the offices are filled by deserving students.

*Thirtieth Week*—It seems almost unbelievable, but the Juniors are already making plans for their pins and rings, so they may wear them during their entire Senior year.

The Seniors need not be afraid of leaving the fate of Central in the hands of such an up-and-coming class.
