CENTRAL HIGH SCHOOL

## FOREWORD

"The Spirit of Youth"—ever alive and undaunted by obstacles—points always to progress. It is this progressive spirit in both young and old which inspires and produces the leaders and controllers of our universe. This surging spirit is most active, however, in the hearts of youth; and if a bit of this action is portrayed in this Centralian of 1933, its purpose will have been fulfilled.

## THE SENIOR CLASS OF 1933

At the election of the Freshman Class at Central Junior, the following officers were chosen: Catherine Gray, President; Mark Dubach, Vice-President; Neil Murphy, Secretary; and Harlan Shores, Treasurer.

The honors obtained by this class during the Sophomore year showed clearly that Central would be raised to a higher position in the estimation of others because such united spirit could not fail to raise the school standard.

The class chose as Junior officers: Catherine Gray, President; with Mark Dubach, Charles Lewis, Margaret Ramage, Mary Edith Adams, Kenneth Husbands, Neil Murphy, and Harland Shores, as her aides.

The final year quickly arrived and Senior officers were chosen, with the result being: Catherine Gray, President; Harlan Shores, Vice-President; Mary Edith Adams, Treasurer; Mark Dubach, Sergeant-at-Arms; Charles Lewis, Giftorian; Charles Strotz, Boys' Senior Editor, Margaret Ramage, Girls' Senior Editor; and Kenneth Husbands, Secretary.

Later than in the previous years, the members of the class held an election to select members of the class who best represented the various aspects of school life. The result of the Senior ballot are as follows: Most Popular Boy, Kenneth Husbands; Most Popular Girl, Catherine Gray; Beau Brummel, Charles Lewis; Belle Brummel, Dorothea Bolin; Most Active Boy, Harlan Shores; Most Active Girl, Margaret Ramage; Best Boy Student, Charles Strotz; Best Girl Student, Ruth Learned; Best Boy Actor, Leonard Belove; Best Girl Actress, Marilyn Shafer; Jolly Good Boy, Neil Murphy; Jolly Good Girl, Peggy Nelson; Best Boy Orator, Tom Jay; Best Girl Orator, Helen Wienshienk; Best Boy Athlete, Bill Fell; Best Girl Athlete, Emma Breckenridge; Best Boy Musician, Morton Kleiman; Best Girl Musician, Dorothy Krasnoy.

This remarkable class has aided and supported every request of the Student Council, faculty, and other school organizations, as well as displayed to oncoming sophomores and juniors the qualities and spirit of true Centralites who have raised Central High School to the enviable position which it holds among other high schools in Kansas City.

It has and will remain undisputed that the class of 1933 has led Central on to even greater laurels, which have set a pace for all succeeding classes.

## NATIONAL HONOR SOCIETY

Fifty-two students of the senior class of 1933 were selected by the faculty to become members of the Central Chapter of the National Honor Society.

The National Honor Society is the only purely honorary organization in the school. Membership is based on scholarship, extra-curricular activities, and character. In order to be eligible, one must rank in the upper twenty-five per cent of the class; however, not more than ten per cent of the class may be elected.

Honors for extra-curricular activities are based on competition, popularity, and appointment. Every one whose name appeared on the final list had a total of 101 points or more.

A special faculty committee selects those who are eligible. No student who has ever been guilty of dishonest conduct or truancy is eligible. The object of the organization is to create enthusiasm for scholarship, to stimulate desire to render service, to promote leadership, and to develop character in the students of America's secondary schools.

At a junior-senior assembly, when the new members received their pins and were formally introduced to the school, the four highest ranking students, Charles Strotz, Ruth Learned, Margaret Ramage, and Barbara Dornseif, made speeches explaining the motives and background of the organization.

## INTERSOCIETY CONTEST, 1933

As a fitting climax after the last bit of anticipation, shouting and excitement had faded into the distance, and the tiny fragments of gayly colored crepe paper were torn down, it was announced that the Aristonian Literary Society had amassed a total of thirteen points, thereby gaining possession of the William Powell loving cup for a period of a year.

The Delphians came in second with a total of nine points, the Minervas and the Websters tied for third place with eight and one-half points apiece; the Central Franklin Club, Thalian Literary Society, and Central Emerson Club, tied for fourth place with five points each, and the Society of Literature and History came in last.

When the winners of the essay contest were announced, Marguerite Young and Allen Gerye won gold and silver medals, respectively, while Mary Edith Adams and Charles Strotz tied for the bronze medal. Judd Howard, Ruby Cooper and Naomi Davis received gold, silver and bronze medals, respectively, in poetry. In the story competition, Annamaye Miller won first; Edwin Robbins, second, and William Baumgardt, third place.

In the oral events, gold medal went to Nell Jean Sayler for her oration; silver medal to Ruth Learned, and bronze to Betty Jane Moyer. Thomas Jay carried away first honors in extemporaneous speaking, while Mary Alice Green and Ruth Maloy ran him a close race, receiving second and third, respectively. In the declamation contest, the gold medal was presented to Catherine Gray, silver medal to Marilyn Shafer, and bronze to Robert Weston.

Since the plan of having a "mixer" in the gymnasium for the active members immediately at the conclusion of the contest did not meet with the approval of the majority, the office declared that there would be no consolidated or individual club parties, but that private parties were heartily encouraged.

So ended another memorable occasion in the lives of hundreds of loyal Centralites—the Forty-Seventh Annual Intersociety Contest.

## SENIOR WILL

We, the Senior Class of nineteen hundred and thirty-three of Central High School, in the city of Kansas City, in the county of Jackson County, in the State of Missouri, being sound in mind and in limb, and being desirous of settling our worldly affairs, do therefore make and publish this, our last Will and Testament, thus revoking and making void all wills by us at any time heretofore drawn.

And to these, our heirs and assigns forever, we leave our estate to be apportioned as follows:

Imprimis—To O. F. Dubach: Three birdies—and a cage to keep them in.

Item—To J. L. Laughlin: One Oregon boot, eight sets of manacles, and one copy of the social taboos formerly belonging to the Literary Societies.

Item—To the Sophomores: Our enviable record and a can of midnight oil.

Item—To the Juniors: One guillotine, one volume of Marie Antoinette's Memoirs, and the Sophomores.

Item—To the Slaches: One dozen bustles and the football team.

Item—To the Websters: Addresses and telephone numbers of thirty old maids—with the hope that they'll get some girls for their parties.

Item—To the Aristonians: Thirty-seven lessons in Esperanto—with the expectations that it will prove a substitute for their baby talk.

Item—To the Minervas: One 29-cent bottle of hypnagogic potion and a family album to amuse their dates.

Item—To the Franklins: Explicit orders to quit trying to live down their old reputation.

Item—To the Thaliens: One-way tickets to oblivion and a big bag of catnip.

Item—To the Emersons: One Boy Scout whistle, three carloads of safety pins, and the complete works of Mother Goose.

Item—To the Delphians: A swimming teacher, a brother club, and more beautiful red heads.

In conclusion whereof, we do hereby appoint, constitute, make and designate Elmer E. Rush, Executor, and Dora Pyle, Executrix, of this our last Will and Testament.

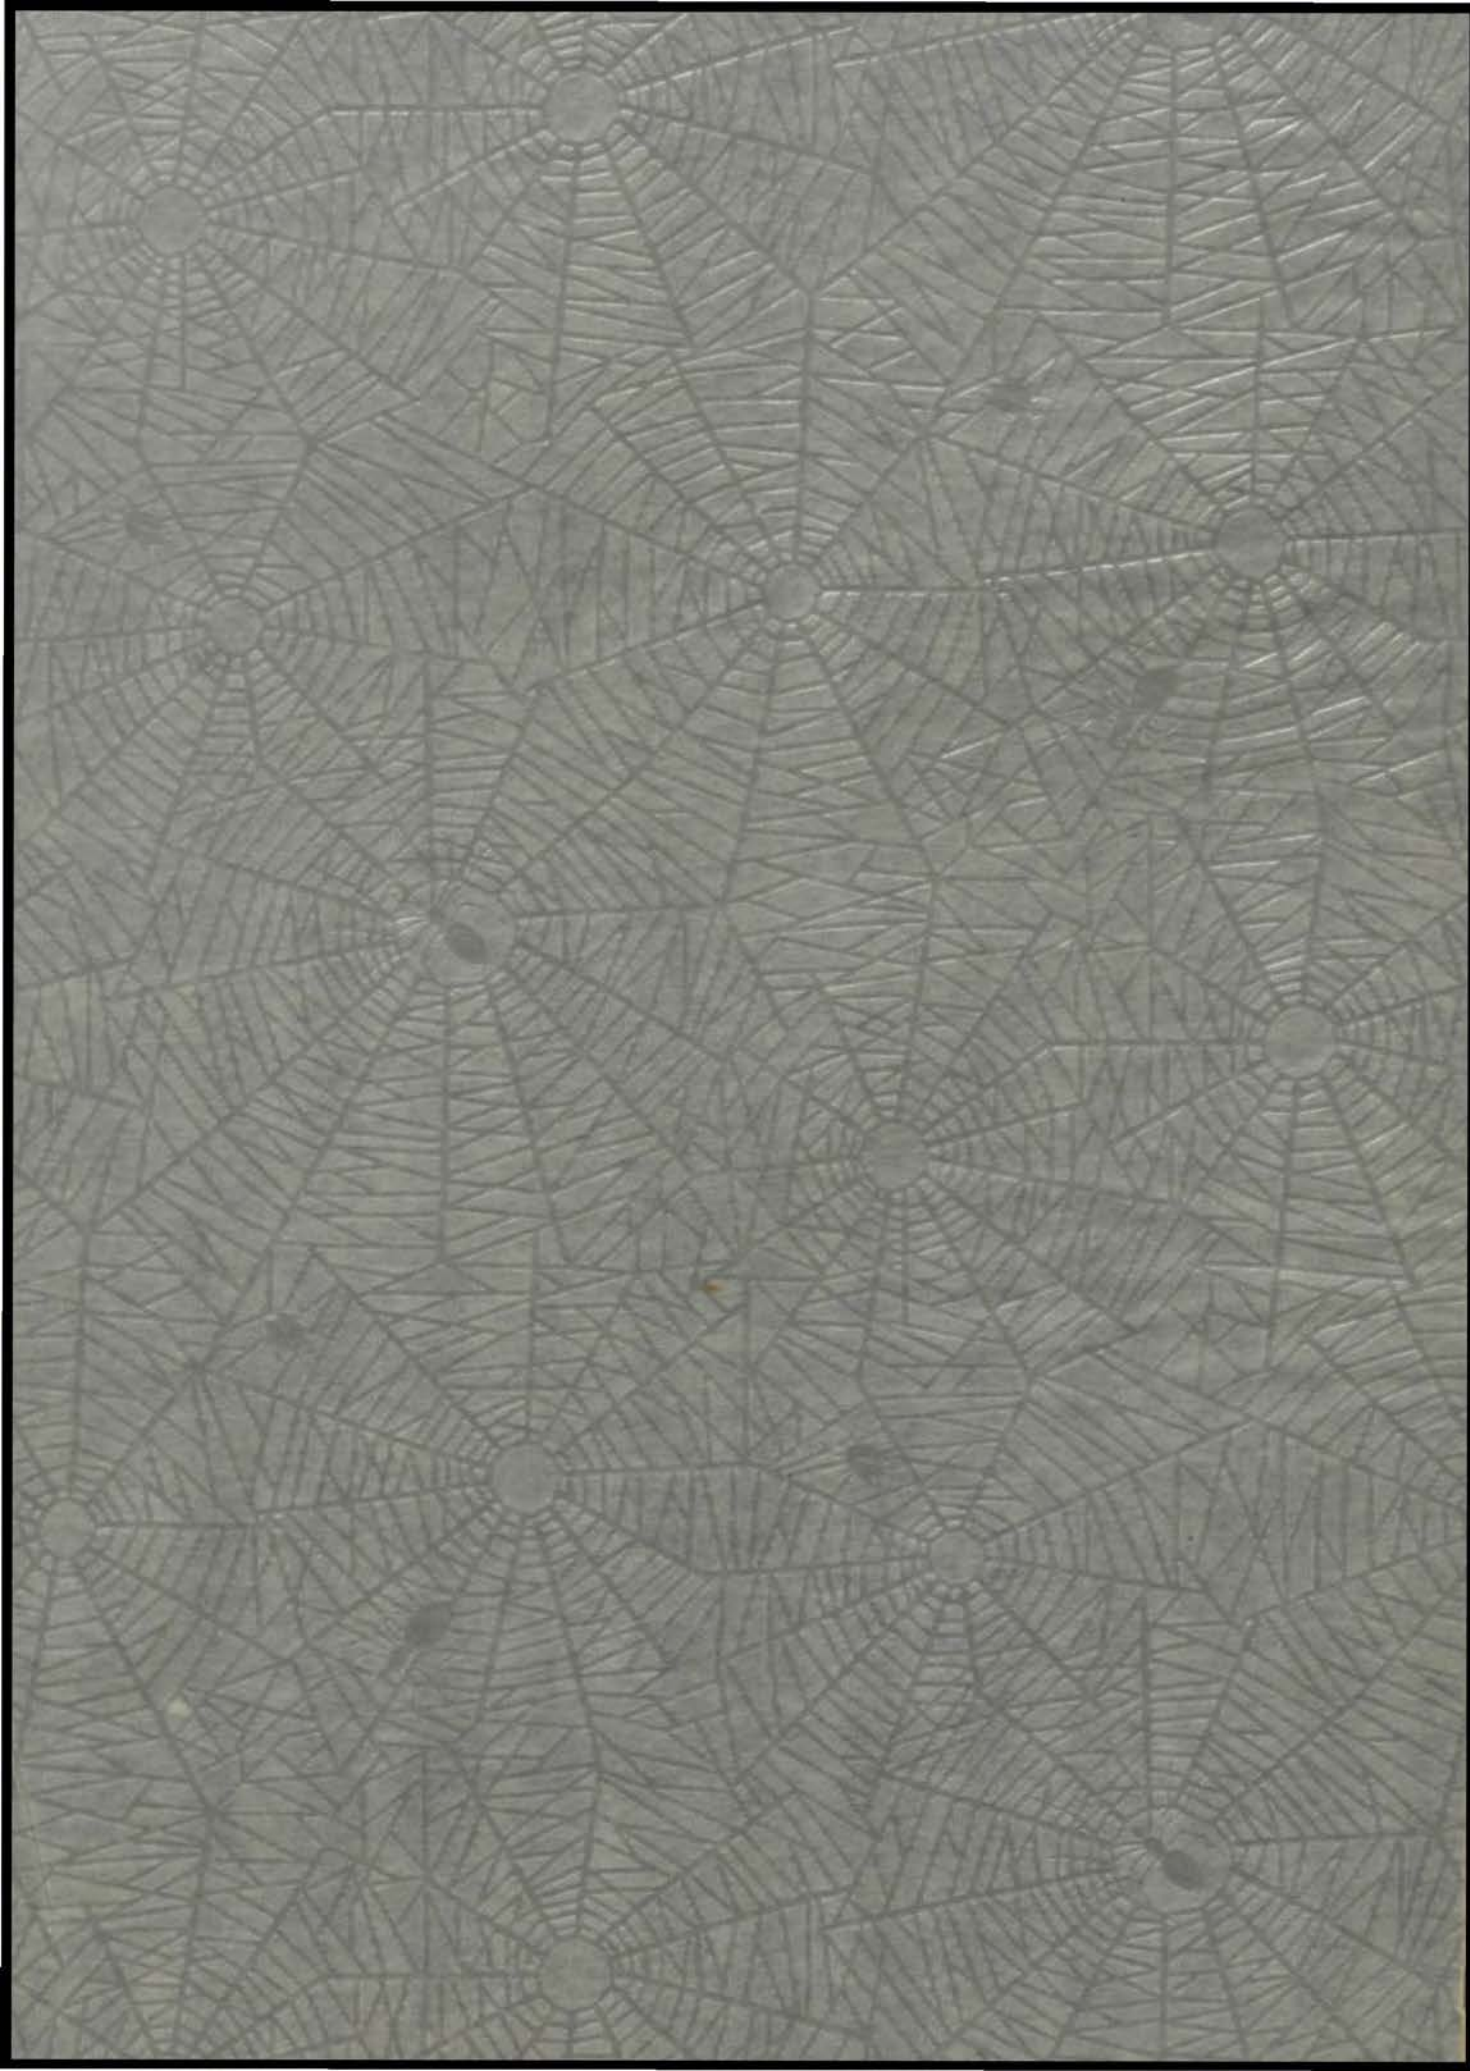

In testimony whereof, we, the Senior Class of Central High School, have hereunto set our hand and foot this first day of April, in the year of our Lord, one thousand nine hundred and thirty-three.

—THE SENIOR CLASS.

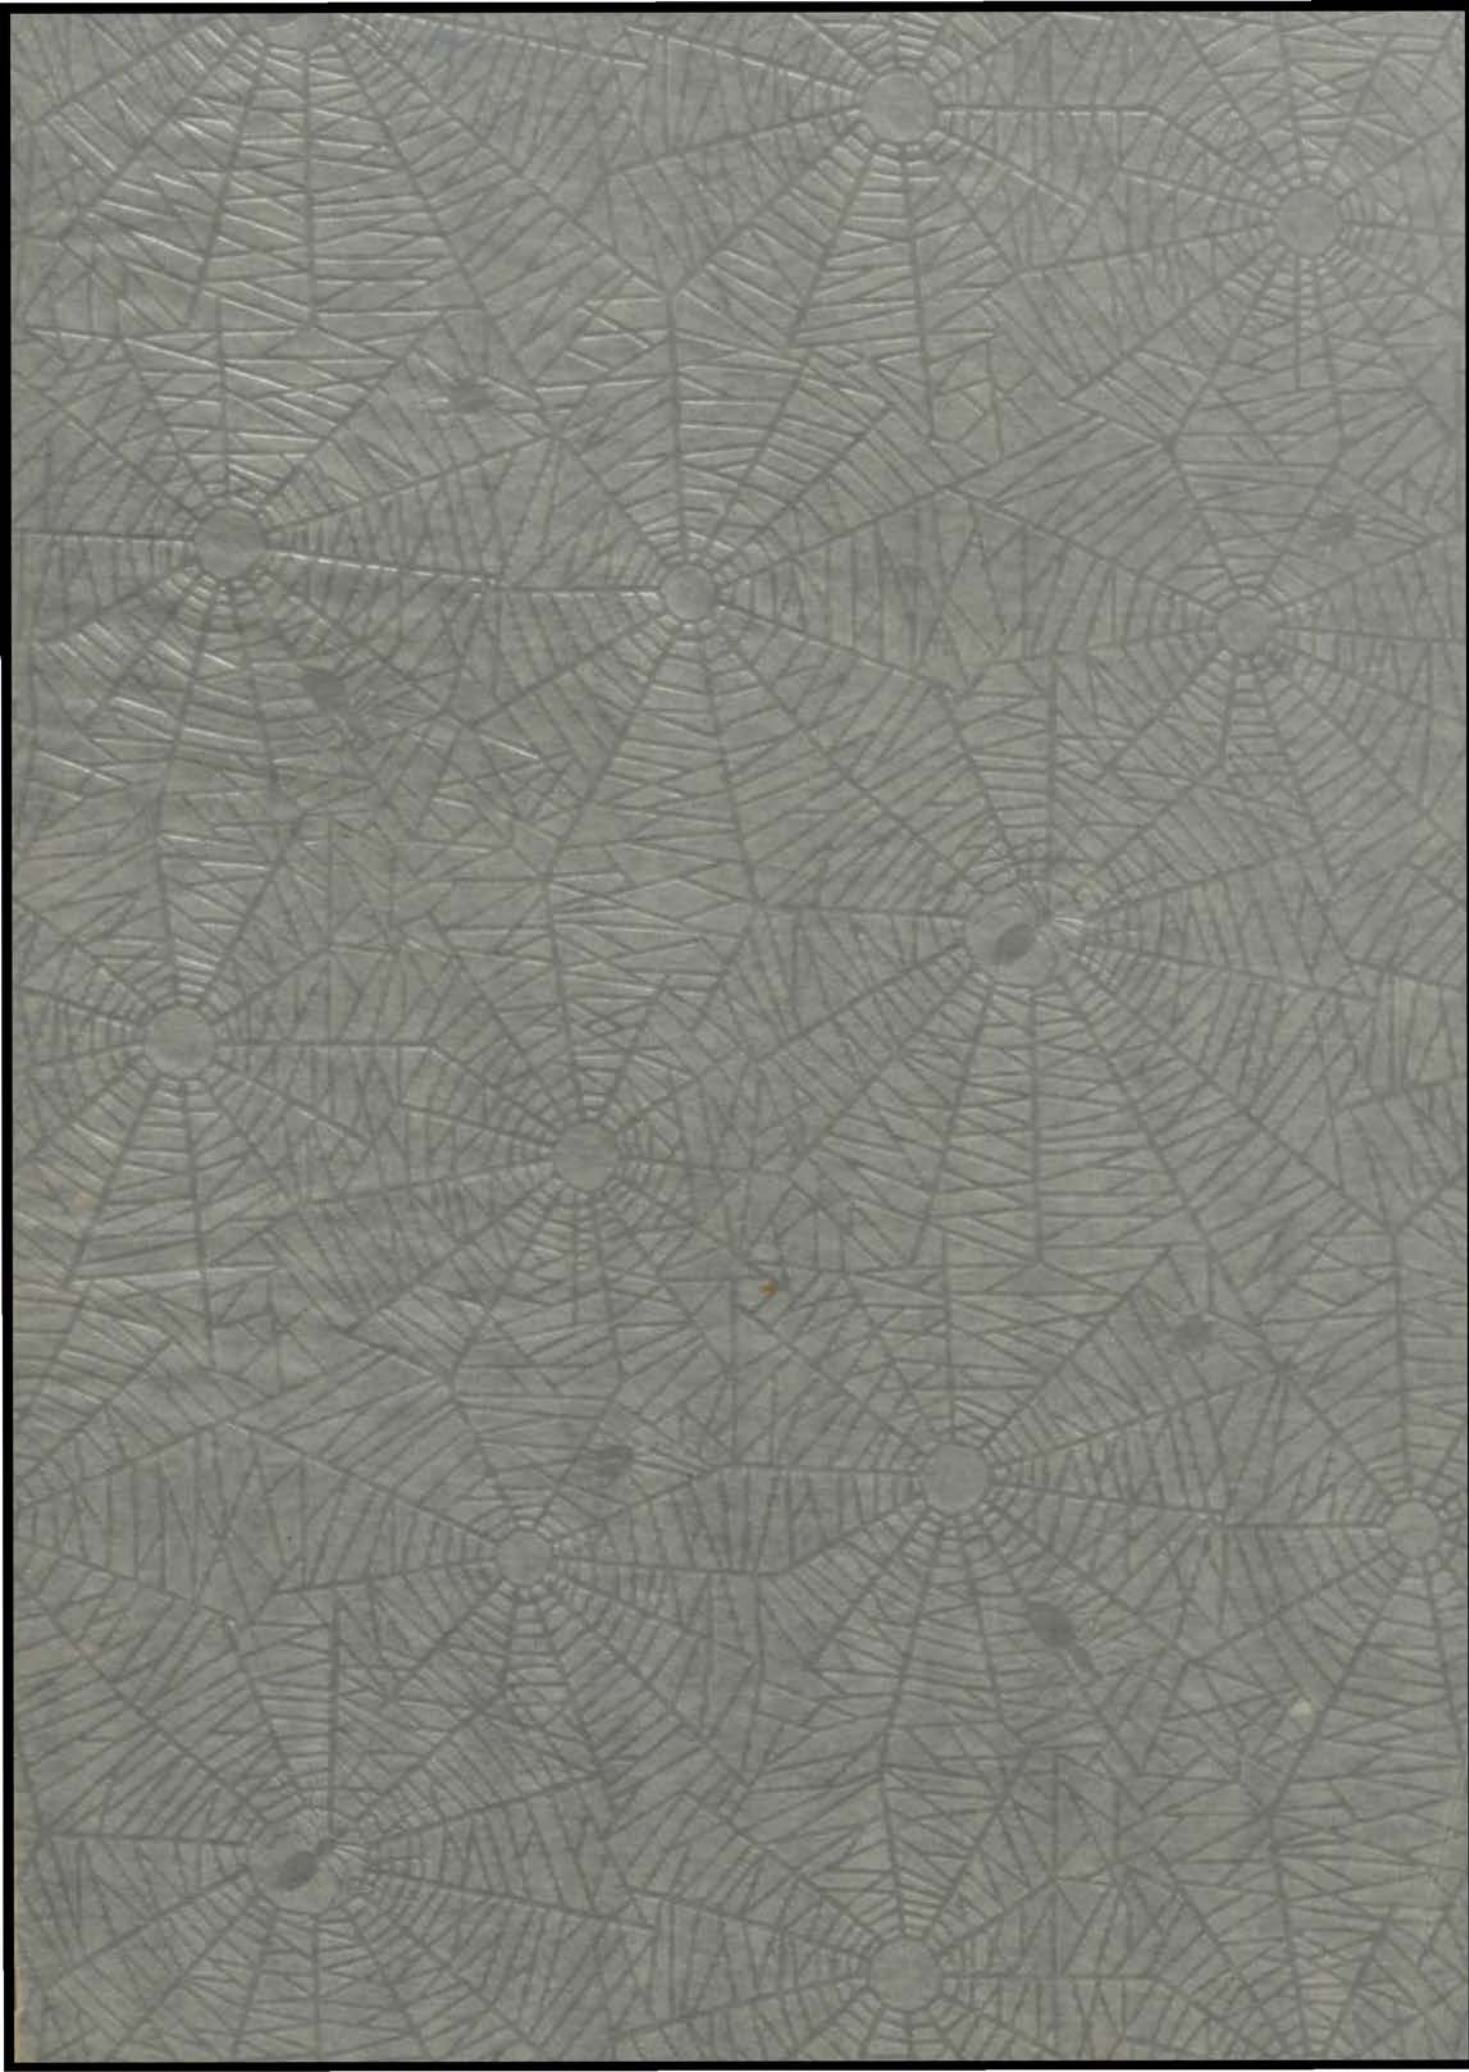

Per Dorothea Bolin.

Published and declared by the said Senior Class as and for its last Will and Testament, and in its presence and in the presence of each other, we hereunto subscribe our names as attesting witnesses.

### HARRY SLAYMAKER, Coach

Possessing a commanding personality, having a cheerful nature, and endowed with an unlimited supply of coaching tactics, by these qualities Coach Slaymaker is known to every Centralite.

Graduating from Central in 1918 and after attending the University of Illinois, Mr. Slaymaker succeeded Coach Menze, who is now coaching at Iowa State College.

### FRANK GUEMPLE, Coach

Coach Guemple came to Central in 1928 to fill the vacancy left on the promotion of Mr. Slaymaker. Each year Mr. Guemple turns out a first and second basketball team, instructs the juniors and sophomores in football, and also coaches five gym classes.

### MR. T. E. TALMADGE, Business Manager

The financial side, which includes providing the equipment and conducting the ticket sales, falls to Mr. T. E. Talmadge.

Mr. Talmadge has managed the business department for the past 17 years. Another man as able as Mr. Talmadge would be hard to find.

### WILLIAM FELL, Football Captain

Bill Fell was one of the hardest hitting fullbacks in the league and whenever the quarterback called on Bill he was sure to gain yardage for the Blue Eagles.

He was not only proficient in football, but was a regular in basketball and track. Bill was one of the crack quarter-milers in the city. He was chosen "Best Boy Athlete" on the Senior Ballot.

### MELVIN CARNAHAN, Football Captain

"Carnie" was the other captain of this year's football team. He blasted a hole in the opponent's line for the backs to make gains through. This is no easy task, but "Carnie" did it well and he was on both newspaper all-star teams.

### ERNEST FELL, Basketball Captain

Ernest Fell captained this year's cagers to third place in league ratings and did an admirable job of it. He was second individual high scorer in the league, making more field goals than any other one player.

Ernie was selected by the coaches as an all-star forward and rightfully deserved this berth.

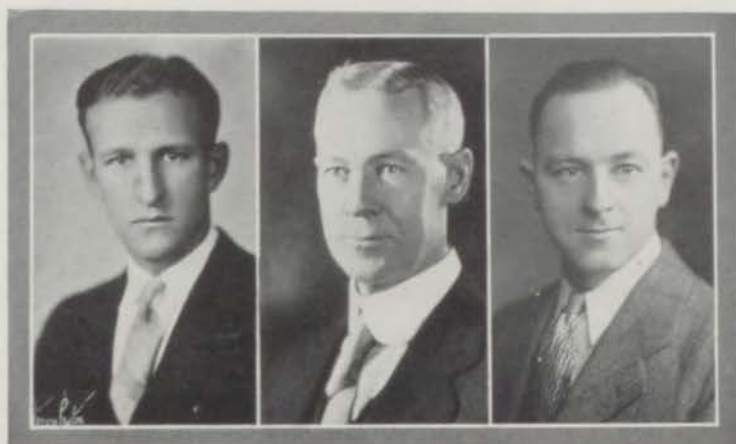

### WILLIAM BRUMWELL, Track Captain

Bill was a letterman in football as well as in track. He ran both dashes, broadjumped, and ran first on the relay team. It would be hard for one man to do more for his team than Bill did for Central's track team.

### CHEERLEADERS

Central's cheerleaders this year were one of the finest teams to work together that we have had for a long time. William Hill, senior cheerleader, led the yells with great enthusiasm. Glen Whitaker, junior cheerleader, with his curly hair, broad grin and husky voice typified a cheerleader in the true sense of the word. William Redmond, a sophomore cheerleader, was the largest of the trio. He had plenty of pep and furnished plenty of noise.

With no letterman returning from the previous year's team and with few reserves, Bill Fell, co-captain and fullback, was probably the most experienced player returning, and was one of the outstanding backs in the city.

Grid battles, however, are won or lost on the gridiron, and the Blue Eagles did well to win as many games as they did with so little experience.

Nevertheless, Central's Blue Eagles not only finished in third place, but held Southwest High School, the champions, to a scoreless tie, and retained their spotless record against Paseo by defeating that school 7-0.

## THE CENTRALIAN 1933

---

### FIRST GAME

A young and inexperienced Blue Eagle team was humbled by the strong Wyandotte Bulldogs 12-0 in the only night game of the year.

The Central eleven learned a lot about football, as it was the first time that most of the team had faced competition.

### SECOND GAME

The following week Central smothered the Westport Tigers 20-6, after a hard fought game.

Simpson recovered a fumble for the first score, with Shanks and Brumwell scoring the two remaining tallies on long runs of 72 yards and 40 yards, respectively.

### THIRD GAME

Repeating their victory of last year, the Blue Eagles trounced St. Joseph 13-6 at St. Joe. This marks the thirty-ninth consecutive game between Central and the St. Joseph Indians.

### FOURTH GAME

Central was humbled by an inspired Manual eleven to the tune of 12-0. This is the first time in seven years that a Crimson team has defeated the Blue Eagles.

### FIFTH GAME

The East Bears defeated a strong Eagle team when they pushed over a touchdown late in the second quarter. The Bears were one of the strongest and smoothest teams to play Central this year.

### SIXTH GAME

Central downed the Northeast Vikings after a closely contested battle 14-6. Brumwell starred for Central by making both touchdowns on long runs.

### SEVENTH GAME

A fighting Blue Eagle team nosed out a strong Paseo team 7-0 in the last few minutes of play. Undoubtedly this was one of the closest and hardest fought games of the year.

### EIGHTH GAME

Playing a high class brand of football, Central held the strong Southwest Indians to a scoreless tie, thus securing third place in Interscholastic competition. This was the only game Southwest failed to win this year.

SECOND FOOTBALL TEAM

Third Row: Hurst, Kidwell, Pointer, Coach Slaymaker, Coach Guemple, Herndon, Estes, Crowley.  
 Second Row: Lichtor, Clark, Carter, Cloepfel, E. Shanks, Warren, Boydston, Copeland.

The Blue Eaglets, trained by Coach Frank Guemple to scrimmage against the regulars, finished a successful season, ending in second place.

Because of such a strong second team this year, Central has a bright outlook for the coming year.

The second team's praises go unsung, but every minute they are playing against the regulars, and when playing in their scheduled games, the Eaglets are fighting hard to win for Central.

This year the Blue Eagle cagers, trained by Coach Frank Guemple, after a successful season, finished in third place. Throughout the season the Kingbirds were reckoned as exceedingly dangerous by the other league teams.

As the season closed Central was proud to find her basketball captain, Ernie Fell, on the all-star team, and Bill Fell on the second all-star team. Ernie Fell and Fred Heine were second and third on the individual list of scoring honors.

## THE CENTRALIAN 1933

---

### FIRST GAME

Central started its 1933 season auspiciously by beating last year's state champions 24-11. Fred Heine got the jump on Rockhurst's center and out-jumped every center he opposed during the rest of the season.

### SECOND GAME

Showing a sterling defense the Central basketeers marked up their second pre-season victory, this time over the powerful William Chrisman team.

### THIRD GAME

Central suffered her first defeat of the season at the hands of the Wyandotte Bulldogs, Kansas State Champions of 1933, by the score of 33-21.

### FOURTH GAME

The Blue Eagles opened the Interscholastic League race by defeating the Westport Tigers 18-8. Because of this victory Central loomed as a title contender for the 1933 basketball crown.

### FIFTH GAME

By being defeated by the East Bears, Central's championship chances were considerably dimmed. The Eagles were defeated 19-13.

### SIXTH GAME

Central smothered the Manual cagers 31-12. This victory is the first time in three years that Central has defeated Manual in basketball.

### SEVENTH GAME

The Northeast Vikings edged out the Blue Eagles 12-14 in the hardest fought game of the year. This virtually eliminated Central's hope of the championship. The outstanding playing of the game was Kenneth Husbands holding Tuxson, Northeast center and captain to one goal.

### EIGHTH GAME

Displaying both a superior offensive and defensive battle, the Central Blue Eagles defeated Paseo Pirates, last year's champs, 19-13.

### NINTH GAME

The Blue Eagles made a strong showing in their concluding game of the season by defeating the Southwest Indians 26-17.

Central's Blue Eaglets finished in second place, being defeated only by Southwest. This makes the outlook for next year's team bright.

As in football, the second team is developed primarily to train material for next year, as well as to scrimmage against the regular five.

The Eaglets were coached by John Sample, '32, assisted by Don Farris, '32. Both boys worked hard to make the second team a success and their efforts showed up well.

## TRACK REVIEW

### WYANDOTTE MEET

Central showed up well in this early season meet against the Kansas State champions by winning three firsts and getting 34 points to Wyandottes' 62.

Bill Fell won the 440-yard dash, Harold Sturgess won the 880-yard run and Richard Naylor tied for first with Smith of Wyandotte in the high jump.

### CENTRAL-EAST-WESTPORT TRIANGULAR

Amassing a total of 49½ points, as many points as did East and Westport combined, the Central tracksters emerged the winner in an important triangular meet. Central collected points in each of the eleven events and made a clean sweep in the 880-yard dash, won by Sturgess, E. Fell second and R. R. Hurst third.

Bill Fell snapped the tape in the 440-yard dash in the fast time of 52.2 seconds. Captain Brumwell won first place in the broad jump with his leap of 20 feet 7¼ inches. Central's relay team won in 1 minute 35 seconds flat.

## THE CENTRALIAN 1933

---

### PASEO MEET

Paseo, the defending city champs, led by Barnett, who captured the 100 and 220-yard dashes, defeated the Blue Eagles to the tune of 56-35. Central again won firsts in the 440 and 880-yard dashes and in the high jump. Central's relay team, composed of Brumwell, Cheney, Rowland and Fell, nosed out the Pirates in this event.

### CITY MEET

Because the Centralian went to press too early to publish the results of last year's city meet, we take this opportunity to do so.

Central secured second place in the meet. Paseo garnered  $1\frac{1}{2}$  more points than Central to gain the championship. Central received three firsts: Jean Wright in the 440-yard dash, Frank Taber in the high jump, and the relay team composed of Wright, Brumwell, Smith and Zurovsky. This was a strong finish for Central's track hopes.

GOLF TEAM

MISS MARY HENSCHEL

MISS HAZEL PURNELL

## GENERAL REVIEW

The Girls' Athletic Department of Central has just passed a year crammed full of vigorous action and wholesome enjoyment. Miss Mary Henschel and Miss Hazel Purnell, as coaches, have tried to instill into the hearts of all the girls in the department the love of wholesome activity; to help them build strong and healthy bodies; to set high ideals for them to strive for, and to emphasize the fact that one should always be a good sport.

During the class periods many varied and interesting games were introduced or reviewed. The ever-popular baseball with variations was played. Since soccer became an intramural sport, the girls who did not participate in after-school sports had an opportunity to learn more about it. Another game which was heartily enjoyed was giant volleyball. The girls could imagine themselves on a sunny sand beach near the ocean's edge batting a huge beach ball back and forth over a net. Another important part of class work was tumbling, such as building pyramids, head-stands, balancing, forward and backward rolls. Then in April, about seventy girls presented an Egyptian dance at the R. O. T. C. circus.

But swimming mustn't be forgotten! On Thursdays or Fridays one might see a group of joyous mermaids frolicking in the cool, green waters of the Central pool. Since the Olympics last summer, almost every girl has a desire to prove herself equal to Babe Dedrickson. Therefore, the two coaches had them take exercises to make their muscles strong and supple. Then when they were limber enough they might attempt high-jumping or speed running. Tennis was not neglected either. A tournament was held between classes in both the spring and fall.

To a great many girls, the Sophomore, Junior and Senior games were of more interest. In the fall hockey was taken up, with Miss Henschel as coach and Suzanne Hanrahan as Student Manager. Then, in the midst of winter, work was begun on basketball, Miss Purnell coaching and Emma Breckenridge assisting. In the spring came America's favorite sport—baseball—with Miss Henschel as coach and Frances Curry as Student Manager. Every Monday, all year long, Miss Henschel and Miss Purnell, together with Fay Black, worked long and industriously preparing the girls for the Junior and Senior Life-saving tests.

The other two student managers not yet listed are Jane Depher, volleyball, and Irene Arnold, hiking. In October, a Halloween party was held in order to provide enjoyment for all girls and to secure funds for the gymnasium department. In May a "kid" party was held, at which the athletic awards were given and the managers for next year were announced.

## HOCKEY IN REVIEW

When the first signs of autumn appear in the air, the thoughts of a girl athlete turn toward hockey—that fast game played with curved sticks, hard leather balls, and shin guards to protect exposed legs.

With Miss Mary Henschel as coach and Suzanne Hanrahan as Student Manager, the hockey season officially opened October 31.

Contrary to results of former years, the junior first team, defying snow and mud puddles, emerged as champions on November 11, winning from the seniors in the final game, a 3 to 1 victory.

In their first game, the juniors defeated the sophomore first team 2 to 0. Then they held the seniors to a zero tie and defeated the sophomores 4 to 0. The seniors came in second with only one loss.

In the tournament held between the second and third teams, the junior second team proved to be the winner by obtaining three straight victories. Second and third places were won by the sophomore second and third teams respectively.

The leading scorers for the senior team were Ona Lea James and Lorene Skaer, each making two goals apiece. Sarah Louise Hall and Elizabeth Shepherd were the other scorers for the senior team, each putting the ball through the goal posts once. For the junior first team Marian Grayson, Frances Curry and Isabelle Woolfe succeeded in hitting a goal two times each, while Suzanne Hanrahan and Florence Evans made one goal.

The points scored by the junior second team were made by Wilma Mahne and Clarice Hager, scoring two apiece. Evelyn Short shot the only two goals for the sophomore first team. The second sophomore team had Mildred Osborne and Earleen Fuller to pile up their count.

To round off the season, a hockey feast was held. After games, dances, and the refreshments of pop and hot dogs, Miss Mary Henschel announced the all-star players. As a general rule, an all-star team of eleven has been chosen. However, this year as some of the best players occupied the same berth on the team, it was necessary to pick only the most outstanding performers.

Those on the all-star team were Emma Doris Breckenridge, Catherine Campbell, Nellie George, Suzanne Hanrahan, Lucena Jaeger, Ona Lea James, Eileen Kistler, Lorine Morris, Lucille Rasnick, Betty Scott and Garnet Wollam. Honorable mention went to Dorothy Jean Russell and Florence Smalley.

Those on the senior team were Emma Breckenridge (captain), Alice Cousins, Jane Depher, Dorothy Goss, Sarah Louise Hall, Effie Henthorn, Helen Hildebrand, Ona Lea James, Eileen Kistler, Wilma Meinsen, Fae Montgomery, Virginia Shanahan, Elizabeth Shepherd, Lorene Skaer, Pearl Steffee and Roberta Steffee.

The members of the junior first team were Frances Curry, Viola De Gasper, Florence Evans, Nellie George, Marian Grayson, Suzanne Hanrahan, Dolores Hartsell, Lucena Jaeger, Jackie Morgan, Lorine Morris, Lucille Rasnick, Vesta Roberts, Betty Scott, Emma Vaughn, Garnet Wollam and Isabelle Woolfe.

The following composed the junior second team: Esther Bergman, Rosemary Cenci, Pauline Cheffer, Edna Countryman, Dorothy Davis, Rosemary Delap, Mildred Dorffeld, Mildred Gracey, Jacqueline Hicks, Wanda Kelly, Doris Kinderman, Wilma Mahne, Mary Ellen Manning, Margaret Reed and Dorothy Jean Russell.

These girls were on the sophomore first team: Hildegard Anders, Mable Arnold, Catherine Campbell, Elsbeth Closser, Gertrude Farmer, Betty Floweree, Bertha Hazard, Jane Phillips, Alma Ryan, Marian Shoemaker, Evelyn Short, Florence Smalley, Anna Marie Smith, Pearly Test and Josephine Woods.

Those on the sophomore second team are Mary Balfay, Margaret Bates, Iris Croft, Dorothy Friedman, Earleen Fuller, Alice Keller, Mildred Osborne, Werdna Roberts, Irene Ronn, Helen Salander, Marie Scaletta, Mary Sheffler, Nora Singer, Marjorie Snyder, Aimie Taylor and Virginia Temple. The sophomore third team was composed of Bertha Ban, Wilma Crawford, Freda Darvey, Sarah Kars, Catherine Klue, Leona Lawrence, Idarose Luke, Edith Porter, Genevive Short, Gladys Sievers and Celestia Slater.

## BASKETBALL IN REVIEW

After the weather becomes too severe for out-of-doors playing, work is begun on shaping the basketball teams of the three classes. Basketball seems to be the most popular sport at Central. Over 160 girls turned out for the practices.

On February 20 the tournament got under way with Miss Hazel Purnell as coach and Emma Doris Breckenridge as Student Manager.

Early in the season the seniors showed their superior strength. In the Senior First-Sophomore First game, the seniors bested the sophomores 45 to 1. A 28 to 7 victory resulted from the battle against the juniors. On playing the seniors again, the sophomores managed to make a little better showing with a 13 to 5 score in favor of the senior first team.

With the second triumph over the juniors, the Senior First team came out with an unmarred record of no games lost and the basketball championship for 1933.

In the second team games, the seniors were also the winners, having lost no games. Their scores were: 7 to 6, 26 to 0, 11 to 6 and 20 to 2.

The senior team was fortunate in having a pair of forwards who could hit the basket often and accurately. Elizabeth Shepherd was the highest scorer in all the tournament. She started by making twelve field goals and one free throw in the first game. In her second game she made nine field goals and one free throw; third game three field goals and one free throw; fourth game three field goals and three free throws, making a total of 62 points. Her co-worker, Eileen Kistler, was second high scorer with 20 field goals and one free throw, which made a total of 41 points.

The next in the line of forwards was Pearl Steffee, senior second team, who amassed a sum of 39 points. Then came Betty Scott, junior first team forward, with 35 points. The fifth score was 25 points, made by Alice Cousins, senior second team.

From there on down the order of scorers were Angela Roth, 22 points; Bertha Hazard, 16 points; Marjorie Snyder, 15 points; and Earleen Fuller, 11 points.

Because of the basketball "playday" for all Kansas City high schools, a basketball feast was not held. However, six girls were notified of their being selected as members of the all-star team. The six were: Emma Doris Breckenridge, jumping center; Dorothy Borchert, side center; Elizabeth Shepherd and Eileen Kistler, forwards; and Dorothy Kopplin and Lorene Skaer, guards.

Those on the senior first team were Emma Doris Breckenridge (captain), Frances Curry, Rosemary Cenci, Suzanne Hanrahan, Eileen Kistler, Myrtle Marley, Virginia Shanahan, Elizabeth Shepherd and Lorene Skaer.

The senior second team was composed of Fay Black, Alice Cousins (captain), Betty de Guehery, Jane Depher, Marian Grayson, Effie Henthorn, Hazel Snow and Pearl Steffee.

The members of the junior first team were Dorothy Borchert, Margaret Bowles, Viola DeGasper, Dorothy Kopplin, Mary Ellen Manning, Rita Rigdon, Maxine Runnion, Betty Scott, Marjorie Snyder (captain) and Isabelle Woolfe.

These juniors make up the second team: Hildegard Anders, Esther Bergman, Dorothy Davis, Florence Evans, Nellie George, Alice Keller, Marjorie McConnell, Evelyn Meinsen, Vesta Roberts (captain), Dorothy Jean Russell, Angela Roth and Emma Vaughn.

The following were on the sophomore first team: Lorene Adams, Elsbeth Closser, Betty Floweree, Earleen Fuller, Bertha Hazard, Jewel O'Connor, Lois Sells (captain), Verdna Roberts, Mary Jane Schock, Evelyn Short, Celesta Slater, Florence Smalley, Marjorie Smith.

The members of the sophomore second team were: Catherine Campbell, Iris Croft, Marjorie Donnell, Rogene Diamond, Jeanette Hart, Jane Phillips, Mary Scheffler, Anna Marie Smith, and Mildred Vanderhoof (captain).

## INTRAMURAL SPORTS

For several years intramural sports have played a major part in gymnasium work at Central. This year one more sport, soccer, has entered the ranks along with volleyball, nine-court basketball and tennis.

Each class made up a name by which it would be known in all between-class games. Some of the queer sounding titles were Central Yankees, Pop Ups, Blue Eagle Babes, Detours, Hot Shots, etc.

As it was Central's turn to present the R. O. T. C. dance, giant volleyball was the only form of volleyball taken up. In giant volleyball a large, canvas-covered beach ball is batted over a net well above the heads of the players. The size of the ball makes it doubly hard to keep it up in the air.

Three teams reached the semi-finals. Then when the semi-finals were played, the Central Blue Blazes were ousted. The final game was played between the T. N. T. team and the Blue Aces, the Blue Aces winning with a score of 9 to 8.

As an introduction to the art of playing basketball, a game of basketball with nine courts instead of three was taught. After each score was made, the players rotated to the court left of them. The winner of these nine-court basketball games was the T. N. T. team, with the Hot Shots runner-ups.

Each fall and spring a tennis tournament is held in the various classes. After all but the best player in each class have been eliminated, these girls play one another to determine the champion. However, this fall there was not time to carry this out. The winner in first hour was Grace Andrews. The best player in second hour was Mary Carlton. Third hour winner was Lucena Jaeger. Champion of fifth hour was Dorothy Friedman. Roberta La Grande won in sixth hour.

## SOCCKER IN REVIEW

Soccer this year was played as an intramural sport. There were no Senior, Junior or Sophomore teams, but teams picked from each class played against one another to determine the champion.

In the class games and the games after school, both Miss Henschel and Miss Purnell arranged and directed the games.

The Blue Aces of Miss Henschel's fourth hour won the soccer tournament. Those teams which reached the semi-finals were the Hot Shots, the Blue Eagle Babes, the T. N. T. team and the Blue Aces. The Blue Aces played the Blue Eagle Babes to win the championship with a score of 2 to 1.

The members of the winning team were Hildegard Anders, Eunice Billings, Margaret Bowles, Rosemary Brennon, Lena Dorfman, Florence Evans, Annabelle George, Mildred Gracey, Marian Grayson, Marian Hall, Lucena Jaeger, Mary Jane Schock, Lois Stephens, Emma Vaughn, Isabelle Woolfe and Evelyn Wright. The substitutes were Dorothy Flynn, Dorothy Brennon, Roberta Steffee and Wilma Crawford.

## VOLLEYBALL IN REVIEW

Because of the intervening R. O. T. C. dance, regular volleyball was not taken up. However, a giant volleyball tournament was held. The huge ball bounding over the net sometimes resulted in bent fingers and sprained wrists. These, however, did not stand in the way of the games being enjoyed.

Jane Depher, Student Volleyball Manager, kept a record of the score and refereed the games played after school.

Again the Blue Aces won the championship. They gained a 9 to 8 victory over the T. N. T. team. The runner-up was the Central Blue Blazer team.

The Blue Ace team was composed of the following girls: Sophia Agron, Hildegard Anders, Eunice Billings, Doris Boston, Margaret Bowles, Dorothy Brennon, Rosemary Brennon, Hester Catron, Florence Chapman, Pauline Cheffer, Wilma Crawford, Lena Dorfman, Bertha Falleck, Doris Friedlander, Annabelle George, Jean Goldberg, Dorothy Goss, Mildred Gracey, Marian Grayson, Fannie Green, Marion Hall, Lucena Jaeger, Josephine Joyce, Leona Lawrence, Esther Lehner, Virginia Roth, Helen Salander, Mary Jane Schock, Helen Stein, Dorothy Stevens, Roberta Steffee, Emma Vaughn, Katherine Wick, Isabelle Woolfe, Evelyn Wright and Florence Evans.

## BASEBALL IN REVIEW

In May work is begun for the favorite sport of the American people—baseball. Preliminary instruction is given the various gymnasium classes on how to pitch; how to catch grounders, flies and hard, fast balls; how to throw for distance, and how to bat properly.

Then, in the afternoons, Miss Mary Henschel and Frances Curry, Student Manager, teach the ambitious girls further tricks of good baseball playing.

After three or four weeks of practicing, the Sophomore, Junior and Senior teams are chosen and the tournament is begun. Amid shouts of advice and triumph, flying hair, scrambles to base, and home runs, the fight for the championship is carried on. Usually it is thought that the seniors will be the victors, but perhaps the sophomores of juniors will rise to glory.

## SWIMMING IN REVIEW

Swimming has always been a favorite sport of girl athletes. They take joy in improving their speed and form in the various strokes. Almost all dote on diving, especially. The water of the Central pool is kept at a temperature suitable to the prevailing atmosphere and so swimming in the winter is not such a hardship.

Miss Henschel and Miss Purnell, with the aid of Fay Black, instructed the advanced swimmers in the principles of life-saving. Central has always ranked high in the number of life-savers.

Those who passed the Junior or Senior test for the first time or requalified are: Senior Life-savers: Emma Breckenridge, Fay Black, Betty Barber, Alice Keller, Helen Schwartz, Sarah Louise Hall, Marjorie Snyder, Marian Grayson, Hildegard Anders, Jane Depher, Vesta Roberts, Suzanne Hanrahan and Alice Cousins.

Junior Life-savers: Mary Finnell, Jackie Morgan, Elsbeth Closser, Mabel Byrd, Pauline Emery, Virginia Hanback, Jeanette Hart, Anna Klugman, Rosemary Myers, Elizabeth Payton, Helen Salander, Nora Singer, Hazel Snow, Mildred Woody, Betty Scott, Jane Wortman, Mary Margaret Burge and Idarose Luke.

As has been the custom for several years, the Literary Societies held a swimming meet April 7. This year the Aristonian Literary Society defeated the Delphians, who have held the championship for quite a while. The Aristonians obtained 51 points by winning seven first places, five second places and two third places. The Thaliens were next with 15 points; the Slaches third with 12 points; the Minervas fourth with 11 points, and the Delphians last with 9 points.

The individual high point winner was Vera Overly, an Aristonian, who had 15 points, or three firsts. Next high point girl was Elizabeth Morris, a Slache, with 12 points, and third was Dorothy Flynn, an Aristonian, with 9 points.

First Row: Curry, Breckenridge, Depher, Hanrahan, Black.

### STUDENT MANAGERS

Each year at the "Kid" party given in May, six girls receive the commission of sport manager together with a blue and white stripe to show their rank. These six girls have shown in some way their instinctive knowledge of sports, persistency and good sportsmanship.

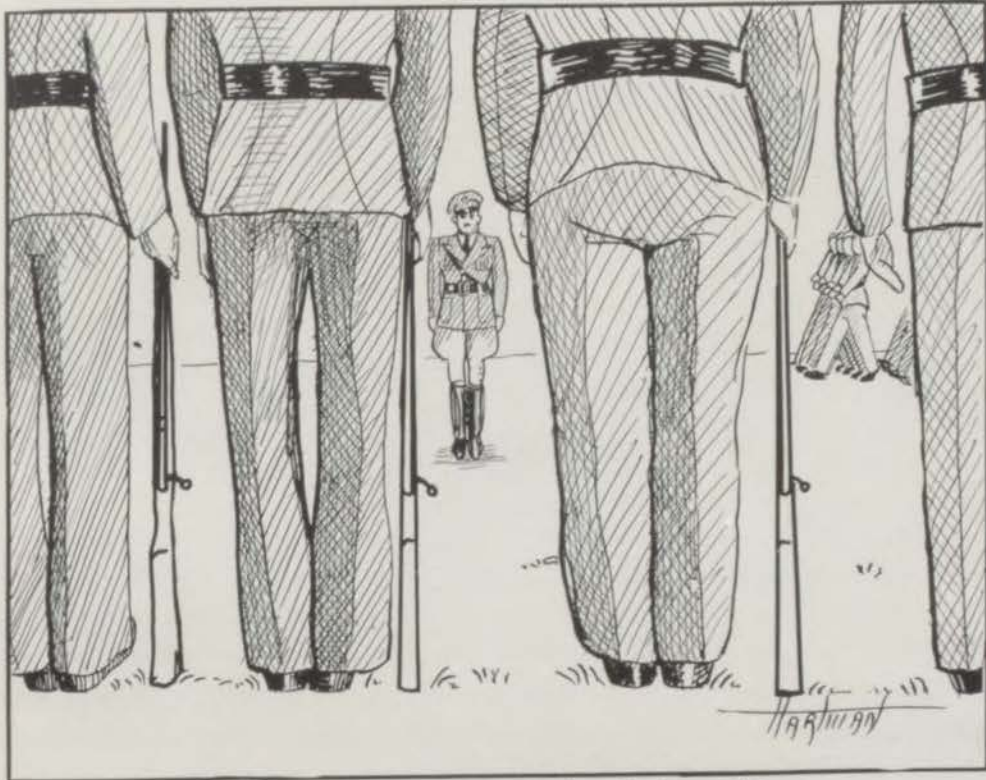

The first girl to take up her duties was Suzanne Hanrahan, hockey manager. Her force and skill on the hockey field won for her this position. She already has been a member of two all-star hockey teams and hopes to gain a place on the one next fall. Not only does she excel in hockey, but in all sports. For two years Suzanne has been on the first basketball team of her respective class and one all-star team, too. She has taken an active part in soccer and baseball and is a Senior Life-saver.

Then comes Emma Doris Breckenridge, basketball manager. "Brecky" was chosen by the graduating class as "Best Girl Athlete." For three years she has been on the all-star basketball team and last year served as assistant manager of basketball. In her junior and senior years she was picked as an all-star hockey player. Not only that, but she is a Senior Life-saver, an excellent baseman in baseball, and a hard-working soccer player. Last year she received her small "C."

Frances Curry, the baseball manager, is also a mid-year senior. She has been the pitcher of her class team for two years. She has received honorable mention in hockey and has always been on the first team. Too, she has taken an active part in soccer and swimming. Last year she was awarded a small "C" for her excellence in sports.

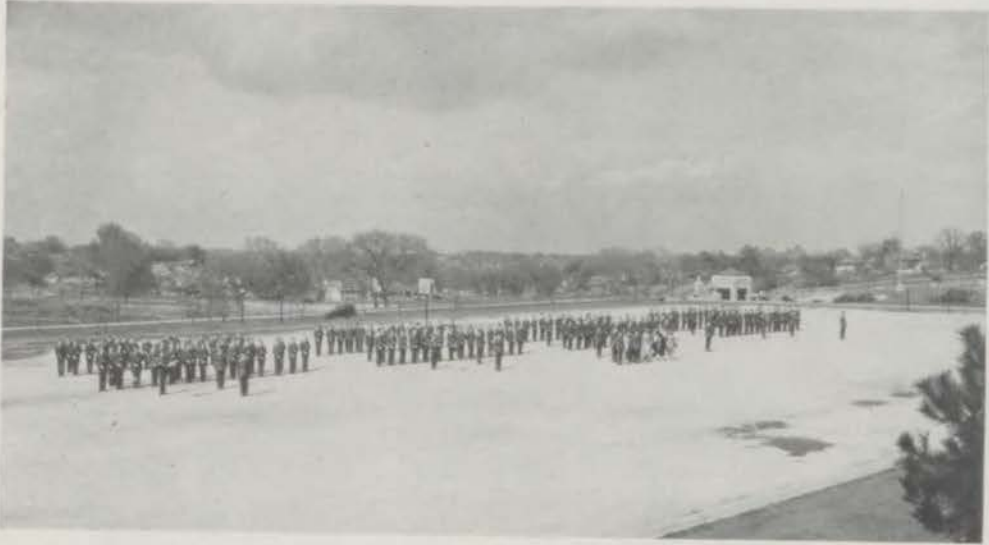

Teaching girls life-saving is quite a task, but Fay Black has proved her worth. Last year she was high point winner in the Intersociety Swimming Meet. Fay has also passed the Senior Life-saving test. In her sophomore year she was a member of the hockey and soccer teams, while this year she was a member of the senior hockey and basketball teams.

As only one form of volleyball was played this year, Jane Depher did not have a very difficult job. Jane has always taken an active part in all types of sport work. She has been on her class team in every sport for three years. Last year she passed the Senior Life-saving test and received her small "C." Also last year she served as general director of the "Kid" party.

### R. O. T. C. REVIEW

The Central Battalion has again proved its ability in the various activities in which it has participated throughout the year. Under the guidance of Sergeant C. D. McDonald the unit won all first place awards at the annual R. O. T. C. field meet. Cups were presented for first places in individual, squad, platoon and company drill.

Central's rifle team has been consistently accurate. It placed high in all of the competitions which it entered, winning second place in the Kansas City inter-high school meet. A fancy squad drill was presented by the crack squad at the annual R. O. T. C. Circus, which was held April 21 in Convention Hall.

The Central unit also took part in the Armistice Day parade and in the opening of the American Royal Live Stock Show. Early in the term a crack company, composed of the best drilled men in the battalion, was selected. This company performed a retreat ceremony in lowering the flag each afternoon.

The Battalion was inspected by the Seventh Corps Area inspecting officer on May 5. A parade was given at this time in honor of the inspecting officer.

Sergeant C. D. McDonald has shown himself to be an able and efficient instructor and has gained great popularity among the cadets during the two years which he has spent at Central. The success of the unit has been due largely to his untiring efforts and patience in training the cadets.

A spirit of co-operation and ambition has pervaded the military work for the past year and the Battalion's achievements have demonstrated conclusively that the R. O. T. C. course is beneficial and practical in all of its phases.

# Dramatics

## "MARTHA-BY-THE-DAY"

By virtue of her excellent characterization of the title role in the fall play, "Martha-By-The-Day," Doris Jean Brown, a junior, was awarded the William Powell-Newman Theatre Histrionic Trophy, in the shape of a large silver loving cup. Miss Cecile Burton dramatic instructor in East High School, was the judge. Three honorable mentions were also named, including second place, Leonard Belove; third place, Jimmy Coy, and fourth place, Frances Wright.

According to Miss Virginia Robertson, who supervised the production, the play was a complete success from all angles.

Martha Slawson, a good-hearted Irish woman, who is the sole support of her two children, Cora and Francie, her invalid husband, Sam, her old mother, Ma, and a sweet young friend, Claire Long, finds great obstacles to overcome in her attempt to make her

meager pay check cover the expenses of her large household. Frank Ronald, a handsome, wealthy gentleman in his early thirties, eventually becomes infatuated with Claire, and in spite of his haughty sister's remonstrances, he marries her after aiding Martha, who works "by the day," to pay the rent. The sweet, every-day circumstances tended to strengthen the foundation of the plot in spite of the fact that there was nothing particularly unusual about the conduct of the characters.

Besides Doris Jean Brown, Marilyn Shafer very ably presented her interpretation of Martha Slawson. Charles Lewis and Jimmie Coy as Frank Ronald proved their great dramatic ability with astounding success. Robert Meredith and Thomas Jay did well in their character parts of Sam, the sickly, good-for-nothing husband, who lived as a parasite on his wife and family. Catherine Gray and Margaret Ramage played the part of Claire Lang capably. Frances Wright and Marjorie Townsend were quite successful in their aloof manner of Mrs. Sherman, Frank's haughty sister.

## "SHIRT SLEEVES"

The annual spring dramatic production, "Shirt Sleeves," which was presented before a record-breaking house on the nights of Thursday and Saturday, April 6 and 8, was most creditably produced. This presentation was extremely difficult in portrayal because of the intricacies of its finely drawn characters and the necessity of three completely different scenery shifts. Also, six quick changes made by the leading characters showed utmost co-operation in the method of procedure.

The trials and tribulations of the socially elite Rand family were so realistic as to be absolutely typical of many American families. Franklin Rand, the prominent business executive, who was perhaps a little too good for his wife and family, was proverbially wrapped around their finger. Diana, the overly sophisticated big sister, often became exasperated because of the actions of her fifteen-year-old twin sister and brother, "Essie" and "Ted." Donald, the eldest son, was the problem of the entire family because he was madly in love with a rum-runner's daughter, Margie Scanlon. When the Continental Bank closes its doors because of frozen assets, the Rands are forced to auction off their furniture, cars and jewelry in order to pay the \$10,000 mortgage against their house. Crandall, a crooked politician, sends Randall Senior a fictitious job in order that he might get enough direct evidence against Margie's father to prosecute him. Soon after the Rands become destitute and the mother is forced to leave the father and children,

Margie Scanlon proves Crandall's scheming and procures a promising position for her father-in-law. After numerous efforts at reconciliation, the mother finally accepts her daughter-in-law and the happy family is once again reunited.

Max Cooper and Bill Lau, who played the masculine lead on Thursday and Saturday nights, respectively, were a huge success. Barbara Dornseif and Ruth Maloy, the feminine leads, won the hearts of the audience before the completion of the first act.

Ted, played by Glen Whitaker and James Bradfield, fairly raised the roof with their childish antics. Connie Levitch and Pearl Test were darling as the mischievous "better-half." Rose Donaldson and Mary Muncey were exceptionally good in their riotous character parts. Richard Clabaugh proved to be a great favorite among the feminine followers. Leonard Belove also played the part of Donald Rand. Dortha Bolin and Betty Moyer added much to the love element that prevailed during the entire play in their characterization of Diana, the spoiled sister.

Others in the cast who provided splendid support were Robert Meredith and Bud Replogle as Crandall, Sylvia Lowney, Dorothy Myers, Frances Erickson, Eunice Wienshienk, Dorothy Epps, Ruby Cooper, Henry Baer, Paul Rubin, Richard Scott, Robert Wallace, Freddie Vigder, Eugene Burns, Chester Caplan, Ilus Davis, Robert Weston, Mary Chappelle and Coralee Hanks.

A splendid picture, which was technically involved in the plot of the play, was painted by James Verti, under the supervision of Miss Coah Henry, art instructor.

## CONSTITUTIONAL ORATORS

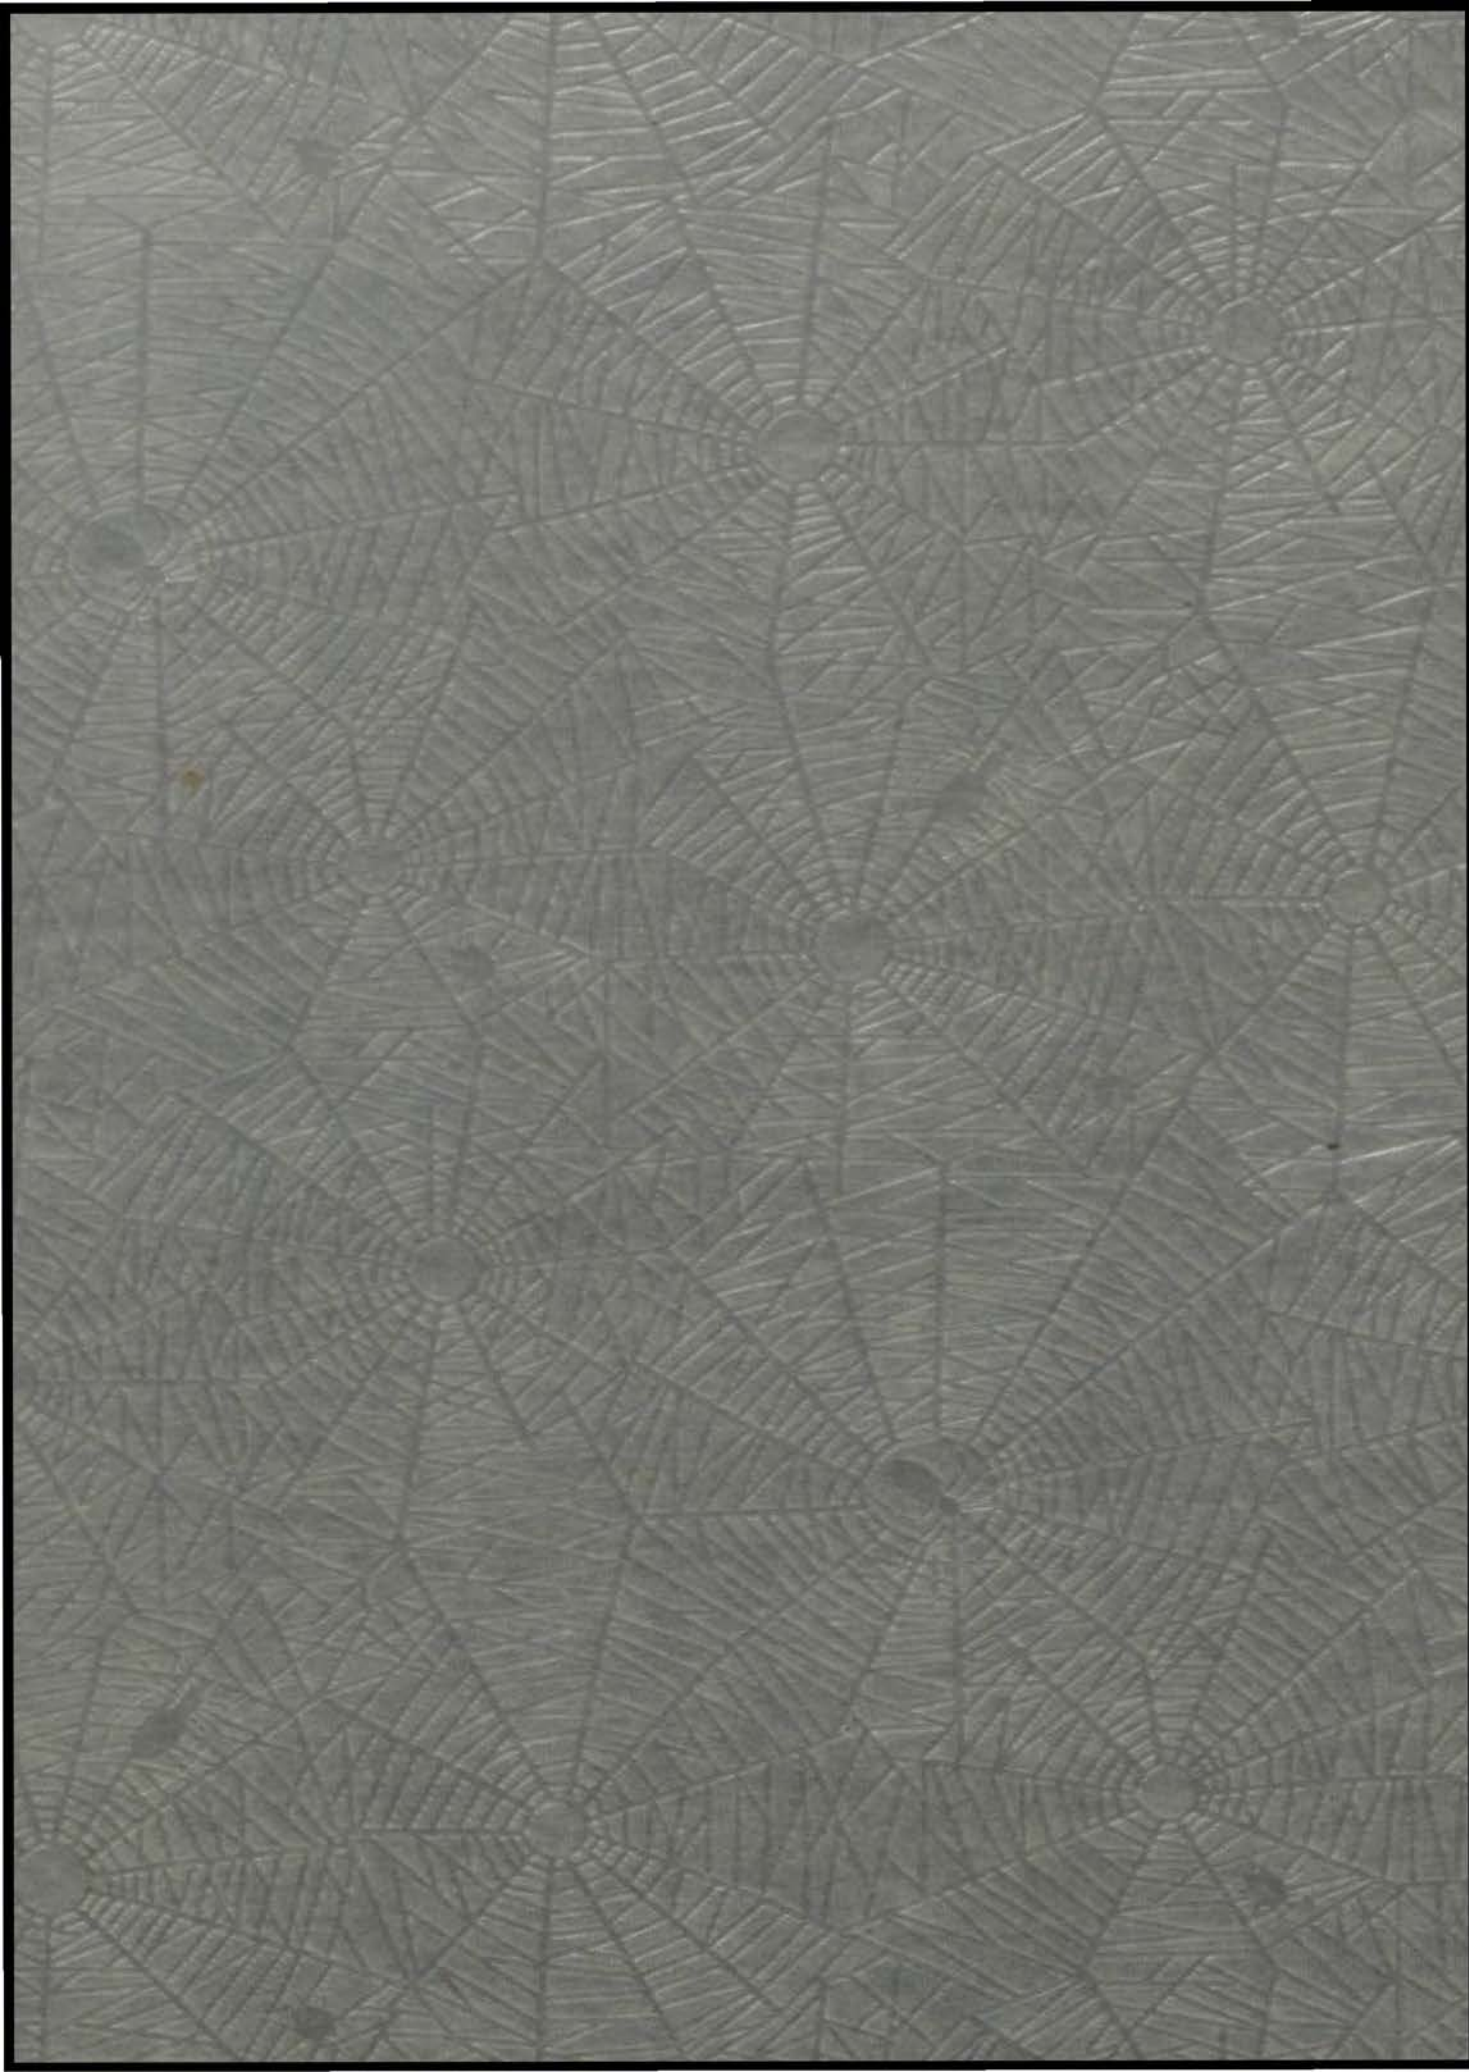

Irven Raines, Thomas Jay, Helen Wienshienk, James Bradfield.

After a very fiery contest of four young aspiring orators, Irven Raines, a senior, was acclaimed the representative of Central High School in the Star's Annual Constitutional Oratorical Contest.

Irven, who was declared winner of second place last year, won over Thomas Jay, Helen Wienshienk and James Bradfield. At the completion of Irven's oration, entitled "The Living Constitution," he was allowed twenty minutes in which to prepare his extemporaneous speech, which was to explain "What Security We Have for the Continuance of the Constitution."

Thomas Jay, who received the judges' decision of second place, spoke on "Democracy and the Constitution" for his oration, and for his extemp., "What Appears to Be the Central Idea of Democracy?" "The Progress of the Constitution," and "Motives for Westward Migration and Their Relation to the Constitution," were the subjects of Helen Wienshienk's oration and extemp., respectively. ## THE CENTRALIAN 1933

---

*First Week*—Labor Day begins a day late for Central as students arrive en masse to greet old friends and make new friendly enemies. An excited crowd gathers in one corner only to discover that one innocent little Sophie has mistaken the chemistry lab. for the boys' gymnasium. Anyway, these bits of humanity help to add some local color to ye dear old asylum. Books are scrambled for and serious(?) study is once more begun.

*Second Week*—A few old teachers are missing and a few have been added but Central accepts the changes as one of those things that happen in a school year by welcoming the new instructors and missing the former ones. It seems that the sophomores from Central Junior succeed in swelling the enrollment to 2071. Then, too, Central really rated in the pictures taken by the Star!

*Third Week*—Oh, the first issue of the Luminary comes just in time to save ye editor from a certain newsless death. The long awaited results are announced and Ruth Learned heads the Centralian, while Charles Lewis will get to handle all the money. Frank Taber comes through as Council President with Adams, Ramage, Fuller, Johnson, and Wright filling the remaining offices. A new ruling forces the Lit. clubs to select advisors for terms of two years.

*Fourth Week*—Hill, Whittaker, and Redmond succeed in making enough noise to win the cheer leading contest. Even so early in the year the clubs hold royal battles and elect officers to fill vacant offices. Then, too, the army loses its boots but not its uniform appeal. Central's Eagles get off to a fine start by triumphing over Wyandotte 12-0.

*Fifth Week*—Pep clubs are organized to lead the cheering at the football games and an assembly is held in honor of our gridiron stars. Miss Robertson announces that the fall play will be "Martha-by-the-Day." Boys' Hi organizes and plans to begin the year with many new features. Our Blue Eagles carry on the previous week's record by whipping Westport 20-6 in the first league game.

*Sixth Week*—The Student Council meets and plans Assemblies for the year. Stuart Dods is elected president of the officer's club. There's not much doing in the old school but some excitement is caused by the announcement of the Luminary Staff, which reminds me that certain people claim the second page editor really slings the dirt. Central went to St. Joe (not what you're thinking) and managed to crush St. Joe Central in a 13-6 victory.

## THE CENTRALIAN 1933

*Seventh Week*—Wienshienk, Raines, Shafer, and Krasnoy are chosen to plead for charity in the city-wide drive to keep the wolves from the doors of Kansas City's destitute. Nancy Ray, Laura Redman, Billy Rose, and Billy Gladish are chosen to head the mid-year class. Shafer, Brown, Coy, and Lewis receive the coveted leads in the fall play.

*Eighth Week*—Catherine Gray is elected president of the Senior Class with Shores, Strotz, Lewis, Husbands, Ramage, Adams, and Dubach as her assistants. Spooks hold sway and the girls' gym classes play host to three hundred girls at their annual Halloween party. Disappointment reigns supreme when the club members learn that only two dances are to be allowed each semester and private club parties are banned entirely. What a life. Central, for the first time in seven years, is defeated by Manual 12-0.

*Ninth Week*—Central's choice for Tramway Park is tennis courts. At least that's the result of a vote taken. The wood working classes start on the Christmas toys that they are to present to Mercy Hospital. Conferences for once become popular when the school board proclaims a holiday because of the teachers' convention. Blue Eagles defeat Vikings eleven 14-6.

## THE CENTRALIAN 1933

---

*Tenth Week*—Bill Powell shows his interest in Central by offering a silver loving cup to the best actor or actress in the fall play and competition certainly promises to be keen. Literary societies elect new officers. Mid-year girls decide to carry artificial corsages. Quite a novel idea. Centralian tryouts are held for the remaining staff positions. Southwest battles Central to a scoreless tie in the last game of the season. Homer Stoeltzing is chosen captain for 1933.

*Eleventh Week*—Due to its popularity of last year the Sampler is to be published again this year. Central throws open her doors and interested parents flock to open house. Botkin comes through as Art Editor of the Centralian with LaRue and Hartman as assistants. Armistice Day just couldn't pass without our R. O. T. C. boys taking part in the big parade. The Blue Eagles rate third place in the league. Central receives a holiday in which to give thanks.

*Twelfth Week*—Catherine Gray appoints senior committees. After much suspense Dornseif, Bolin, Cousins, Dietrich, and Meridith are chosen to complete the Centralian staff. Boys' Hi throws a banquet for the football heroes. Carnahan is chosen as an All-Star Player.

*Thirteenth Week*—Tennis courts gain in popularity as Student Council canvass surrounding neighborhood. Mothers come in for their share of honors as Girls' High entertain with a banquet. Girls cleverly secure invitations and the Boys' Consolidated is a success in spite of ye beloved gym.

*Fourteenth Week*—Boy, after much stiff competition, Doris Jean Brown wins the coveted Powell cup for her distinctive acting in "Martha by the Day." Central students are asked to cooperate with Christmas mailing. Seniors are given another chance to order pins and rings. Basketball practice is started in earnest and the chances favor Central's squad.

*Fifteenth Week*—Merry Christmas! and Mr. H. L. Mehorney gains sudden popularity by extending the Christmas holiday. Claud Burkhardt doesn't only like cool weather but he breaks through the ice at Swope Park for an icy bath. What a Man! Nancy calls her mid-year seniors together and they decide upon a graduation date. Our inspired Eagles down the strong Rockhurst Hawks 24-11.

*Sixteenth Week*—Your guess is as good as mine. The old school must be dead while her two thousand enjoy the Christmas holiday. Happy New Year!

*Seventeenth Week*—Our girls just can't be nice enough to the R. O. T. C. boys and then we discover why when Ramage, Cooper, Dornseif, Bolin, and Steuck are chosen as Central's fair sponsors . . . and boy, what sponsors! The dirt gatherer, commonly known as Luminary, announces its annual short story contest. William Chrisman bows to Central but Wyandotte's Bulldogs defeat our fighting Blue Eagles 33-21.

*Eighteenth Week*—Another battle of the ages as clubs elect third term officers. That Student Council just can't seem to quit canvassing for tennis courts in Tramway park. Thirty juniors enroll for first term newswriting and expect to run the paper within a week! Central's Luminary enters two national newspaper contests held for high school papers. Westport tastes defeat as dished out by the King Birds to the tune of 18-8, while the Eaglets carry on tradition and whip the Tiger Cubs.

*Nineteenth Week*—Al Dietrich is chosen to head Central Hi-Y club. Strotz, Russel, and Morris are to aid him. The first termers come into their own as Preston Russell becomes managing editor and Bolin, Nelson, Dietrich, and Dubach become page editors. What a keyhole journal the old dirt gatherer will be now! Central is growing up and about fifty new classes are added for new pupils. Something always comes along to take the joy out of life and

mid-year exams certainly do an efficient job. Our seconds trample on East Cubs even if the East Bears do win from the Blue Eagles 19-13.

*Twentieth Week*—Mid-years bid farewell to the "Dear Old Portals" of Central in their graduating exercises January 26. Evidently the faculty is appreciated by someone because Boys' Hi gives them a big dinner. Belove and Cooper live down to tradition and give a side splitting teaser trying to interest students in the Centralian subscription campaign. Our innocent little mid-year sophs are entertained at a party given by Girls' High in the school gymnasium. The King Birds make up for the defeat of last week and edge out a victory from Manual's Red Devils 8-5.

*Twenty-first Week*—After a close fight Charles Lewis comes out as victor for Student Council president. Strotz, Learned, Jay, Lau, and Taber fill the other offices. Mr. Dubach receives a group of regulations and 50 cent student street car cards go into effect. Central's Five wins from Paseo's Squad, 19-13.

*Twenty-second Week*—Clubs have once more gone savage and the mid-year pledges breathe sighs of relief when pledge week is finally finished. Spring fever seems to be afflicting most students. The office announces that 56 scholarship points are necessary for graduation. Quite a shock for some people and oh! the moans and groans are terrifying! The Northeast Vikings edge out the Eagles 12-11. The girls insist upon publicity as Miss Purnell chooses basketball squads.

*Twenty-third Week*—Thrills for Bill . . . William Bumgardt is appointed Lieutenant-Colonel of the Kansas City R. O. T. C. regiment. The Constitutional Club holds a tryout and Wienshienk, Jay, Raines, and Bradfield are selected to compete in the final contest that decides just who will represent Central in the Star Oratorical contest. The cast is selected for the spring play. No leading parts are given but Dornseif, Maloy, Bolin, Moyer, C. Levich, Test, Lau, Cooper, Belove, and Clabaugh receive major parts. Central triumphs over Southwest with a victory of 26-17.

*Twenty-fourth Week*—Military Balls always manage to be big successes . . . boys look keen in uniforms . . . so Central girls purchased new formals to attend the R. O. T. C. hop. Some claim that club politics played an important part in senior ballot election but even the most skeptical admit it's one keen ballot. The King Birds rest awhile and prepare for the state meet. Spring fever is becoming more and more prominent among ye dear old Centralites.

*Twenty-fifth Week*—Membership seems to be lagging, so Boys' Hi launches a membership campaign which promises to have very interesting results. And with Spring in the air some old meanies prohibit baseball in Central park. Sgt. McDonald raises the spirits of many when he announces R. O. T. C. promotions. A more cheerful outlook for next year is caused when the Reserves finish in a high second place. Coach Guemple names the letter men.

*Twenty-sixth Week*—Pretty Delia Dunsworth is elected president of the Junior Class. Maybe the Juniors aren't so dumb after all. After a little mixup, Whitaker, Bush, Flinn, Brownson, Soper, Rothschild, and Mildred Dornblazer are named as the aides. By a plurality of only ten votes, Paseo was chosen as the place of graduation by the Senior Class.

*Twenty-seventh Week*—Gosh, but didn't the judges have one terrible time trying to choose Central's speaker for the oratorical contest? Irven Raines is certainly going to do big things for Central. The Girl Reserves really surprise every one and throw a regular cabaret party for all the boy friends. Even the jig-saws were present. Fourteen boys try out for the golf team and are forced to play in the rain.

*Twenty-eighth Week*—"Shirt Sleeves" promises to be a hit, judging from the industrious manner in which the characters practice. Girls in sewing classes are rather thrilled when a photographer from the Star takes pictures of their graduation frocks. Coach Forbes announces golf team and golf schedule for the year.

*Twenty-ninth Week*—Beer comes in and parents go out scouting for petitions against the establishment of beer gardens. Forty-three couples attend the Boys' Consolidated Dance and everyone had a swell time after the ball was over. The literary societies elect officers once more and then begin to prepare ye good old slam songs for Intersociety.

*Thirtieth Week*—The play, "Shirt Sleeves," went over with a bang. April 6 and 8. Grade cards made things a little blue for a while but thoughts that only eight more weeks of school were in store rather comforted some of us. And so it is that ye laboring feature editor must conclude her weekly sojourns if the Centralian is to come out on time. I'll be see'n you later!
