# Foreword

We searched for a theme for the 1955 CENTRALIAN which would connote the wonder of our four years within the walls of "Dear Old Central." The wonder of friendship, the wonder of opportunity, the wonder of achievement!

The similarity of freshmen entering Central to Alice entering Wonderland was to us very striking. That was it! Alice in Wonderland! So through our book you will find running as an overtone the allusions to "Alice in Wonderland."

## *Dedication*

We dedicate this CENTRALIAN to the student body, who have been the White Rabbit, the Mad Hatter, the March Hare, the Mock Turtle, and the Duchess of our High School Wonderland. May the marvels of your experiences and achievements of 1955 be the key to the door of that larger and greater Wonderland . . . the world.

# Central's Faculty Combines Business With Pleasure

Mr. Marshall and Mr. Barry work closely and effectively with the staff to mould the student, teachers and administration into an efficient school.

Central has just pride in her excellent staff of men and women, all specially trained in their particular field and scholastically qualified with M.A. and/or Ph.D. degrees. A majority of the teachers, having served the community continuously for many years, effect the continuity of the high standards of the school. New staff members add novelties and enthusiams.

The social season of the faculty got under way this year with a "polished apple" breakfast served by the "P" to the "T" of the Central P.-T. A. at the Evangelical Church dining room. Juicy slices of ham, mounds of scrambled eggs, flaky biscuits, washed down by numerous cups of coffee braced the faculty for the events of another day.

The autumn picnic, because of a change in the weather, was held in the school cafeteria. The faculty family was enlarged by husbands, wives, children and former and retired Central teachers; all gaily making or renewing friendships, and fairly drooling for the sound of the dinner bell. There never was such potato salad, baked ham, and Boston beans as those prepared by Miss Wing and her classes. Everyone voted it the best "picnic" ever. Mr. Marshall was carried away with the conviviality of the occasion and spoke for another such affair in the spring.

Misses Leibengood and Purnell were hostesses to the "girls" of the faculty at a de luxe luncheon in October at Milleman's on the Plaza.—American Education week, the faculty was "at home" to the patrons at the school.

Frequent "coffees" after P.-T. A. meetings bring the two groups together socially.—The C. J.-C. S. benefit basketball game gave the spectators a lively evening and swelled the Community Chest fund.

Top Row: Mr. John Greenall, Engineer; Miss Hortense P. Schaller, Counselor; Mrs. Veva Koenig, Accompanist; Mr. Vern A. Sinclair, Band Director; Mrs. Anne Ramp, Cafeteria Manager.

Row 3: Mr. Marshall presides at faculty meeting.

Row 2: The Marshalls and the Barrys are guests at Pep Club dinner.

Row 1: Mr. Webster sinks one at faculty basketball game.

## *In Memoriam*

MISS ELLA ERDICE GRUBE

Miss Grube passed away on the eve of the beginning of the 1954 school year. Her long and useful life as teacher ended for the classroom but not in the hearts of hundreds of former students who had learned well the skills of typewriting and shorthand under her tireless instruction.

In everything Miss Grube did, she had the best interests of her students in mind, even though she sacrificed herself by extra hard work or personal popularity with individuals. If her students needed guidance or correction on a delicate subject, she gave it. Her interest in them extended beyond graduation, as she kept in touch with many of them and was proud to tell of their successes.

Miss Grube was a member of a family of Missouri teachers and so came naturally by her skill and love of teaching. Throughout her life, whether in school or not, she never ceased studying and learning, and in this new life we know she is continuing her work as a student of the Great Teacher.

## *L'Envoi*

When Earth's last picture is painted, and the tubes are twisted and dried,  
When the oldest colors have faded, and the youngest critic has died,  
We shall rest, and, faith, we shall need it—lie down for an aeon or two,  
Till the Master of All Good Workmen shall put us to work anew.

And those that were good shall be happy: they shall sit in a golden chair;  
They shall splash at a ten-league canvas from brushes of comets' hair.  
They shall find real saints to draw from—Magdalene, Peter, and Paul;  
They shall work for an age at a sitting and never be tired at all!

And only the Master shall praise us, and only the Master shall blame;  
And no one shall work for money and no one shall work for fame,  
But each for the joy of the working, and, each, in his separate star,  
Shall draw the Thing as he sees It for the God of Things as They are!

—Rudyard Kipling.

DAVID DELONG

Dear old Central, far-famed Central,

Thou shalt never fail;

Round thy name there clings a tendril

Of tradition's tale.

Thou art victor; fame has followed,

Clad in dignity.

May thy name to all be hallowed

By their love for thee.

## *De Lano Bids a Fond Farewell to Miss Lindgren*

It is given to few people to serve continuously the children of one city for three generations; but Elsie Lindgren has done just that. Beginning teaching at the age of seventeen at the Martin School, transferring to Bancroft and Central Junior, she culminated her service at De Lano, as the only high school teacher.

Miss Lindgren studied during the school year by correspondence and extension courses and at summer sessions to gain her two degrees: B.S. and M.A. Her scholastic merit has been recognized by membership in Pi Lambda Theta, Pi Sigma Alpha, and by the "Quiz Kids" program as one of the three teachers in the United States who has been that year of the greatest service to her pupils, and the National Award of Merit from the Elizabeth Benton Chapter of the Daughters of the American Revolution.

"Service" is the word which best describes Miss Lindgren. Cheerful, intelligent, efficient are the other epithets appropriate to such a vital person as she. Such characteristics were what made her so valuable to her De Lano students. No obstacle has been too great for her to overcome and such was her inspiration to her students.

While rounding out her teaching career, Miss Lindgren prepared for her retirement, which will be enriched, as these lines from Macbeth indicate, by

*"... that which should accompany old age,  
 As honour, love, obedience, troops of friends."*

# A Mad Tea Party . . . . .

## BOOK TWO

### *Activities and Organizations*

There at the table sat "the March Hare and the Hatter having tea at it; a Dormouse was sitting between them, fast asleep, and the other two were using it as a cushion, resting their elbows on it, and talking over its head. . . . The table was a large one, but the three were all crowded together at one corner of it. 'No room! No room!' they cried out when they saw Alice coming. 'There's plenty of room!' said Alice indignantly, and she sat down in a large arm-chair at one end of the table."

*We shall have some fun now!*

Miss Kite approves plans of Big Three: Fred Horner, Jaylene Flournoy, and Cynthia Rogers.

Jackie Hurley, Literary Society editor; Pat Harrington, Index editor, and Dorris Fink, Club editor, work on copy.

## '55 Centralian Breaks Tradition!

The CENTRALIAN Staff is composed of three distinct parts: the editorial and photographic, business, and sales staffs. The editorial staff is chosen through competition by making dummy CENTRALIANs. These are judged by the art staff of Burger-Baird engravers on originality, neatness, and feasible cost. The choice of editors-in-chief is made on scholastic and personal rating records of the contestants in addition to their work on the dummy by Miss Kite, the editorial advisor.

The 1955 editors, Jaylene Flournoy and Cynthia Rogers, have introduced innovations which change the book from a photograph-autograph album to the story of the 1955 wonders of Central.

The success of this year's annual is to a great extent due to Fred Horner, the par excellence photographer!

The business staff collects fees and pays bills. Mr. Hann is sponsor for this staff. Miss Grubbs inspires her bookkeeping classes to super-salesmanship in selling the CENTRALIANs.

Carol Oberzan, Faculty editor; Ken Ward, Underclassmen editor; Tom Park, Senior editor, and Rita Spangler, Athletics editor, enjoy their script.

Business staff rejoices over being "out of the red." Standing: Virginia Wyly, Albert Purtle, Marjorie Ward, and Mr. Hann. Seated: Lynn Yahn and Betty Johnson, Business manager. Not in picture: Nia Vleisides.

Top Row: D. Jesman, J. Boyer, K. Ward. Row 3: J. Jesse, R. Spangler, N. Timmerman, R. Green. Row 2: N. Thomson, B. Stroka, N. Vleisides, S. Hughes, L. Keltner, D. Fink. Row 1: D. Spielberger, M. Burns, Miss Oldham, R. Rahovil, S. Lohman.

Assembly-line method is by far the best in earning extra credit!

## Luminary Encourages Junior Journalists

The Central Luminary started as a magazine in 1885, became a weekly newspaper in 1920 and a bi-weekly paper in 1944.

Each year two staffs composed of the current Newswriting 2 students publish the paper, which is now commercially printed.

For many years the Luminary has devoted the first page to current news; the second page to editorials, features, and literary items; the third page to secondary news, in a special column called by various names such as "Snoopin' Around," news of the clubs, De Lano, Central Junior, and P.-T. A.; and the fourth page to school sports and R.O.T.C.

The spring staff of 1954 inaugurated News Flash Bulletin Boards in the front hall and the lunchrooms. These enable the Luminary

to post spot news and also run features illustrated with photographs which are not possible in the paper. More Centralites in this way can be featured in the news.

The Luminary enters the annual contest of the Missouri Intercollegiate Press Association and receives a gratifying number of First Class ratings every year. It is also occasionally entered in the National Scholastic Press Association and the Quill and Scroll contests and has received All-American and International ratings in the past years.

Staff members who are in the upper third of their class and rated excellent for their staff work are recommended for the Quill and Scroll Honorary Society for outstanding work in the field of journalism.

It looks just like Homer Glutz! Rogers, Lambert and Flournoy notice a marked resemblance to Central's boy wonder.

## First Student Council Initiates New Plan

The first semester Student Council under the direction of Beverly Cockrell launched a big attack on Central's needs and helped to build her standards higher.

To promote good will and friendship among the girl students, a Big Sister-Little Sister Club was formed, headed by Virginia Bell. To get acquainted with a little sister, parties were given with dancing and skits.

The United Funds drive, led by Gary Burgard, netted \$300.00. This sum came from contributions made by the students in their home rooms, collected by the Student Council Representatives. A basketball game between the men faculty members of Central Senior and Central Junior, planned by Gary's committee, added materially to the fund for the Polio drive.

Virginia Wilson was appointed chairman of the safety committee, which assisted the city-wide fire prevention campaign by issuing the fire-prevention slips to the student body.

To familiarize new students with the building, clubs, and sports, a handbook

was planned with Patti Mills as chairman. The first semester Luminary staff wrote the book which will be published and ready for sale by next fall.

At the close of the semester each committee reported its work in an all-school assembly, leaving a good foundation for the second semester council.

Officers: Bert Zeldin, sergeant-at-arms; Donna Lambert, vice-president; Beverly Cockrell, president; Diann Watts, secretary; Fred Horner, junior continuity.

Top Row: J. Juel, E. Huff, S. Reich, D. Robbins, B. Whitaker, L. Morevitska. Row 4: R. Spangler, M. Dale, W. Bredemeier, W. Ballinger, M. Bredemeier, S. Grantham. Row 3: J. Hardin, P. Morris, V. Borris, B. Underhill, M. Ward, C. Oberzan, V. Wyly.

## Second Student Council "Cleans Up" Central

The second semester Student Council under the direction of Jim Salter planned to set up a Lost and Found Department. Royce Stapleton was given chairmanship and the committee began setting up the room. This department was open from 8:00 to 8:25 each morning in the custodian's room.

To acquaint new girls with the building and promote

friendlier relationship, Carol Oberzan began work immediately on a plan for each new girl to be met by a Centralite on the first day of school next fall.

The House and Grounds Committee led by Bruce Whitaker planned for the council and the alternate representatives to devote April 27 to "Clean Up Day." Groups were assigned different sections of the campus and all the paper and refuse were picked up.

Officers: Jim Salter, president; John Douglas, sergeant-at-arms; Virginia Bell, vice-president; Miss Liebengood, faculty sponsor; Nancy Thomson, secretary.

To familiarize the Inter-City students with our building, an orientation was held on April 27 under the leadership of Virginia Bell, vice-president.

The students were divided into small groups with a guide from the Student Council and were then shown around the building, visiting various classrooms.

# Honor Corps Keeps Centralites in Check

The Central Honor Corps is a boys' organization formed to help eliminate existing difficulties or prevent those which might arise in Central High School.

To become a member of the Honor Corps, a boy must have eight scholarship points and have good character ratings. The entire student body votes on the boys meeting these necessary requirements.

The members elect their officers, these being two colonels, one for each lunch hour; and four captains, one for each lunch period. These officers serve the entire year and keep the corps members alert.

Officers: Gary Burgard, colonel; Jim Salter, captain; Allen Pope, captain; Mr. Barry, advisor; John Douglas, captain; Larry Markt, captain; Howard Kilgore, colonel.

# COE Bridges Gap Between School and Work

Cooperative Occupational Education is on-the-job vocational training which is sponsored by the Federal and Missouri State Departments of Education, under the supervision of the coordinator. It has been established for the purpose of giving high school youth the opportunity to apply their vocational training on actual jobs in the fields in which they expect to do their life work.

Business and industry cooperate with the Kansas City Schools by furnishing employment to C. O. E. students each afternoon. Students must be placed on jobs that have learning opportunities and that will continue regularly throughout the year.

The objectives are to bridge the gap between school and work by giving training on employer-employee relations, as well as technical training.

The students' work experiences enable them to see the value of school training to their vocational experiences. The contacts made with experienced men and women are beneficial in enabling students to achieve their goals.

Members of the Cooperative Occupational Education course are selected on the basis of satisfactory personality ratings and a good school attendance record.

# Websters End Splash With Crash

Cool Crest Miniature Golf Links were anything but cool after the Websters and their rushees droppe<sup>2</sup> in for a few holes of golf and stayed three hours. Congratulations go to President Loren Boline who was the first guy to club a fish in the pond on the ninth hole! After such invigorating sport, all of the fellas mobbed Bruce's house where cokes and doughnuts were served. The lads of red and white held their annual hayride with the Violets, and between scratches everyone agreed that it had been the best yet. As their "bang-up" event for the rushees, C.W.C. rented the swimming pool of the Boulevard Manor Hotel and everyone got in the swim. Afterwards, a bit waterlogged and winded, they all piled in cars to go to President Dave Wurth's for food; but Howie and Bruce got their signals crossed, which resulted in a real crazy crash. No injuries resulted, but the Howards' car is still convalescing from a multiple fracture of the fender and water on the radiator. Many boxing parties were held before Intersociety, and President Jim Boyer said that he didn't feel a bit punchy after they were over. What stamina! For Aristonian Day the guys dressed in purple and lavender to honor their sisters, and President Richard Howard and Bob Dillon led the Websters in devouring the delicious potluck supper prepared by the Violets.

The dignitaries chosen for Intersociety were: Bob Dillon, song leader; Jim Boyer, medal pinner; Loren Boline, standard bearer; Dave Wurth, pianist; and Richard Howard, "Old Dan."

Officers: L. Boline, D. Wurth, B. Dillon, R. Howard, J. Boyer.

## Aristonians Turn Southern Belles

Glowing lanterns, delicate silk parasols, and pink lemonade were the highlights of the Aristonians' beautiful Southern Garden Party. For just one night the Deep South rose again under the direction of President Cynthia Rogers. Tiny cakes with lavender violets were served as members put on a variety show with a Dixie flavor. The traditional coke party was held after the first day of school with members participating in a riotous program. Another event held early in the year was the Wyandotte slumber party after the game. A.L.S. along with C.W.C. gave a hayride, and a Halloween party was held in October, its theme being "A Song Title." Cars gaily decorated with purple crepe paper brought girls in pajamas, with hair pinned up and still very sleepy to a Come-As-You-Are Party at six in the morning. As a consolation for being awakened so early, a delicious breakfast was served to the drowsy rushees. Always loyal to the Websters, the Violets gave a Red and White luncheon at the Hotel Bellerive with President Jane McNeil leading the singing. The Hotel Continental was the scene of the lovely Purple and Lavender tea. President Sandy Hobart presided over the program and Linda helped present the girls with lavender mums. For Webster day, the Violets dressed in red and white and gave a potluck supper with President Billie Carroll, hostess.

For Intersociety the Aristonians chose the following dignitaries: Jane McNeil, song leader; Linda Shaw, medal pinner; Cynthia Rogers, Violet; Sandy Hobart, standard bearer; Billie Carroll, flower girl; Marilyn Kincaid, pianist; and Jaylene Flournoy, honorary pianist.

## Emersons Don't Mind Dunking

Lake Tarsney was the scene of the Emerson's swimming party. A wreck before the party and the pushing of various members into the lake provided all the excitement needed. After a day of swimming, the boys, with President Jim Salter in the lead, all went to Swope Park where they finished off the party by serving everyone watermelon. C.E.C. joined forces with T.L.S. to have a street dance. Preparation was under way at the ungodly hour of 9:00 a. m. With many muscle-bound guys lugging signs, ladders, and yards of blue and white crepe paper, the high point of the day was washing of the street. At one of their many stag parties, the boys all gathered in their cars and literally invaded the Claco Drive-in and later went to a member's home for a game of pool. The Emersons celebrated New Year's Eve with an all-night party. Doughnuts and coke were devoured by the guys with President Roger Williams helping to keep them all awake. With Gary's help, the rushees were treated to a bowling party at the Plaza Bowl. During pledge week, C.E.C. had two parties and a picnic at which the Emerson pledges, along with T.L.S. pledges, fed the hungry members. President Bruce Whitaker was host. For Thalian Day, the guys all wore gold and white and that night they were guests at a potluck dinner given by their sisters with President Fred Horner among the honored.

The dignitaries chosen were: Carl King, song leader; Gary Burgard, medal pinner; and Howard Kilgore, standard bearer.

## Thalians Get In the Swim

Dripping, but delightful, Daisies entertained their rushees with swimming, dancing and picnicking at Camp Washita for the initial party of the season. Later in the evening a glowing campfire provided the gals with the atmosphere to sing their favorite T.L.S. songs, with President Dena Spielberger leading. Colorful lanterns and yards of crepe paper enhanced a street dance given with the Emersons. The latest tunes were featured by Diann and her phonograph, and plenty of doughnuts and coke for everyone made the evening a success. For the Wyandotte game, C.E.C. and T.L.S. chartered a bus and afterwards had one of their super house parties. Later in the month, a potluck dinner was held and followed by a memorable pinning party. These social belles made their bow to society with a beautiful Gold and White tea at the Hotel Muehlebach. French pastries and yellow roses were featured under the direction of President Jackie Hurley. For Christmas, the Thalians exchanged gifts and later the traditional New Year's Eve slumber party was held. Alas, many sleepy-headed gals the morning after! Pledge week was climaxed by initiation of the new little Daisies with President Ruth Ann Rohovit presiding. For Emerson day, they honored their brothers by dressing alike in blue and gray, singing many songs praising the stalwart Emersons, and giving a dinner at which President Patti Mills was hostess.

Reigning as dignitaries were: Dena Spielberger, song leader; Ruth Ann Rohovit, medal pinner; Jackie Hurley, standard bearer; Diann Watts, Thalia; Patti Mills and Marilyn Webb, flower girls; Nancy Tucker and Mary Jo Keller, co-pianists.

## Franklins Revived With High Spirits

In a final burst of speed and energy, the Franklins whizzed across the line dividing oblivion and existence and once more became a full-fledged lit society at the beginning of the second semester. Bert Zeldin, Intersociety Representative, took the helm and steered the boys of buff and brown into a round of gala house parties with the Minnies. President Bob Appleberry led the Franklins in and through numerous stag parties where only the fellas were accepted. It was agreed that very good times were had by all. For Minerva day, the guys dressed in green and white. They serenaded their sisters with beautiful and catchy tunes. M.L.S. gave a rousing potluck dinner with President Charlie Hill presiding over the affair.

The dignitaries elected for Intersociety were: Leroy Morevitska, song leader; Bert Zeldin, medal pinner; Jim Sanders, standard bearer, and Bob Judah and Jim Flournoy, co-pianists.

# Minervas Board Show Boat

The Minervas had their usual lively social season this year. Show Boat was their first party with a patio arranged as the deck of a boat on which the crew sang, danced, and even gave a melodrama. With President Lynda Jordan leading the singing, Donna served the favorite drink of the night—root beer. Cowboy songs filled the air at the Chuck Wagon party given by M.L.S. The Western scene was made complete with haystacks and a campfire and a Western variety show was top on the list of entertainment. Before the close of the evening, each girl was presented with a red bandana as a souvenir of her Western night. Doughnuts and coke helped to keep everyone awake at the Wyandotte game-slumber party. In October, the girls of green and white treated the rushees to a chili supper and then they all went to Teen Town. For their most elegant party of the year, the Minervas gave a chicken dinner at the Wishbone with President Virginia Bell presenting each rushee with a white rose corsage. At their initiation, each new member received a white rose and a white candle as a symbol of Minerva's wisdom, under the supervision of President Virginia Wilson. For Buff and Brown day, M.L.S. dressed in those colors and gave C.F.C. a dinner with President Carol Vanlandingham as hostess. Afterward, the guys and gals received a sneak preview of the declamations to be given the next day.

The dignitaries the Minnies chose were: Donna Lambert, song leader; Virginia Wilson, medal pinner; Virginia Bell, Athena; Carol Vanlandingham, standard bearer; Marilyn Burns and Cerise Heaton, flower girls, and Mariecelene Gibbs, pianist.

# Jeffersons Gambol on Gridiron

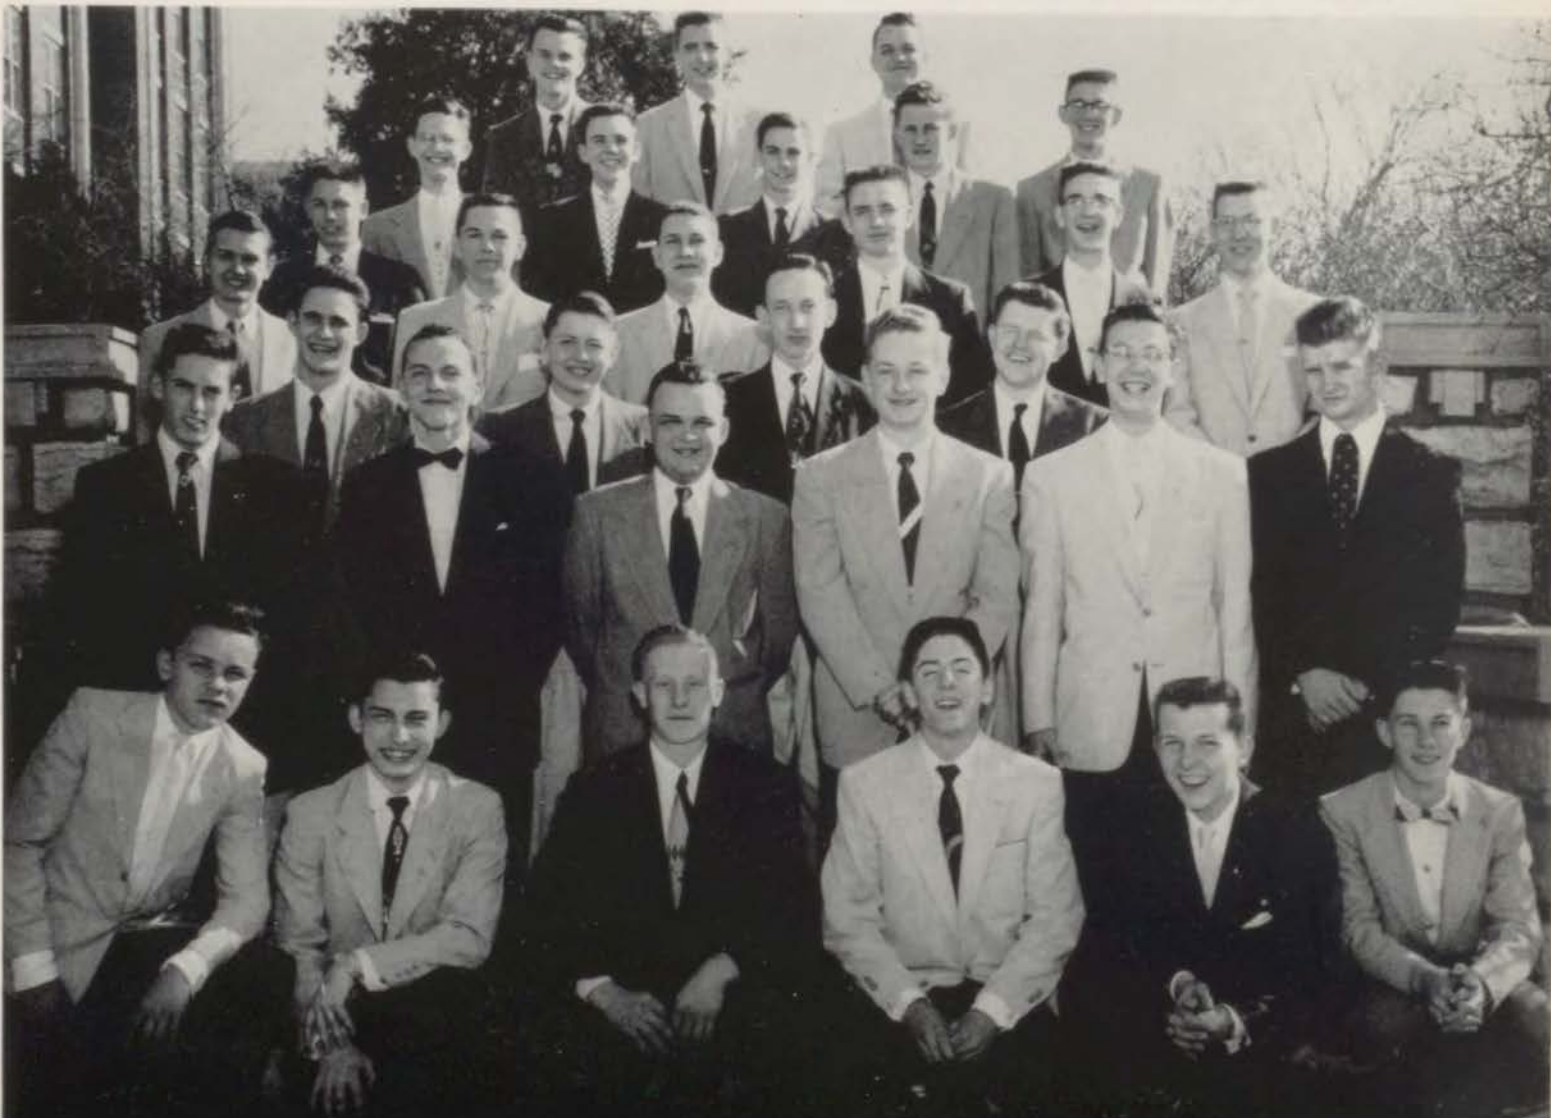

With brains and brawn combined, the Jeffersons entertained their rushees with a football game for the first party of the new season. The guys had this "great" athletic event at Swope Park, and coke was served to quench their thirst. Two of the muscle-bound, husky players who helped score many touchdowns were President Jerry Winegar and Gary Martinette, Intersociety Representative. Basketball was another sport which was entered by the guys under the able leadership of President Gary Chullino. In the basketball tournament, they came out victorious by capturing second place with a record of 4 and 2. These guys of black and orange got in a very good group of new members after much strenuous effort on their part in pledging. Intersociety preparation got under way with President Kenny Ward having boxing parties and call meetings. D.L.S. entertained C.J.C. at a potluck dinner which was held in their honor and President Bob Cox was among the honored guests.

The dignitaries elected to reign over Intersociety were: Jerry Winegar, song leader; Gary Martinette, medal pinner; Kenny Ward, standard bearer; Gary Chullino, cup bearer; and Bob Cox, pianist.

## Delphians Present "Super Circus"

The Circus party, complete with side show, lanterns lighting the midway, and lemonade, was the first rush party given the Delphi under the direction of President Mary Lou Foote. For the first day of school, the gals entertained with a picnic at Central Park with Donna helping serve cokes and sandwiches to all. The Delphians held their traditional house party after the Wyandotte game; and a slumber party was given not long after with a menu of hamburgers, coke and ice cream. A Thanksgiving party was given at Paradise Inn, which featured dancing and plenty to eat for everyone. With President Ruth Laughlin as hostess, an Orange and Black tea, in honor of the Jeffersons, was given at the Hotel Continental. Each rushee received tea roses tied with black ribbon. A pre-Christmas caroling party was held, and afterwards everyone met for coke and dancing. Many parties were given during pledge week and the climax was on Friday with President June Stillwell presiding. As each new Delphian took the vows of the club, she was given a pink carnation corsage and accepted as a member. Dressed in black and white for Jefferson Day, the girls gave a potluck dinner for their brothers with help from their able president, Nia Vleisides.

## Slaches Search for Pirate Treasure

The Slaches, still jubilant over their Intersociety victory of last year, recovered from their writer's cramp with a party, "Anchors Away," at Lake Lotawana. Here members entertained their rushees at swimming, speed boat riding, and a talent show. The girls in blue carried on the sailor motif with a shipwreck party. President, and hostess, Mary Frances Sexton appropriately decorated the lawn of her home with treasure chest and a pirate dummy, where the girls staged a scavenger hunt for such "atmospheric" finds as pirate patches and false eyelashes. Keeping in true pirate style, jugs of root beer were served. Betty Johnson refreshed with cokes the utterly exhausted gals after their first-day-of-school experiences. Yards of spaghetti and dozens of meat balls were consumed before their wakeful-slumber party after the Wyandotte game. The traditional hayride was taken by these goblin-costumed girls on Halloween. Christmas, the girls exchanged gifts. A corsage of white carnations was presented to each girl at their annual tea held at Twin Oaks. The charming hostess was President Loretta Keltner. President Sue Dillon welcomed in the new girls after pledge week by giving each a corsage. For Blue day, the gals wore two shades of blue and gave a traditional potluck supper under the guidance of President Kathleen Renick.

Their dignitaries were: Mary Frances Sexton, song leader; Dorris Fink, medal pinner; Sue Dillon, standard bearer; Loretta Keltner, S.L.H.; Jeannie Abranz and Kathleen Renick, flower girls; Sonja Hughes, pianist; and Betty Johnson, cup bearer.

## Choir Raises Central's Cultural Criteria

The Concert Choir, a select group of seventy mixed voices, has steadily progressed under the capable leadership of the new director, William Cofer, aided by Mrs. Veva Koenig, accompanist.

The most spectacular production of the year was the Christmas presentation of "Amahl and the Night Visitors."

At Easter, the choir with soloists presented "The Seven Last Words of Christ," by Dubois. The last important events are the All-City Choir Festival and Spring Concert.

The Central Singers are an extra special a cappella group selected from the choir.

## Girls' Choir Makes Big Hit on TV

The Girls' Choir is a chorus of fifty-five girls under the direction of Mr. William Cofer. This choir has sung for several school programs: Thanksgiving, Open House in the fall, and Christmas. Programs were presented outside of school at the University Women's Club, Mercy Hospital, Linwood Presbyterian Church, and the Girls' Choir Festival. Perhaps one of the most exciting events of the year was the

trip to KCMO television station during the Christmas season. After appearing on TV the girls went caroling and ended the evening with refreshments.

The members of Girls' Choir are seniors, juniors and sophomores who have been chosen from the general music classes for the ability they have displayed.

## Central's Band Adds Sparkle to Assemblies

Central's band under the direction of Mr. Vern Sinclair is composed of sixty students. Instruments consist of twenty-one woodwinds, twenty-six brass, and five percussions. Central is also fortunate enough to have three majorettes, Barbara Hutchinson, Kay Hayward, and Joanne Neely.

The band added to the morale and school spirit by playing at the Northeast football game. They also participated in the American Royal Parade, Oklahoma Day at the Royal

Building, Open House, Exchange Assembly at East High School, the Band Festival, Band Concert at Central Junior and the Band Concert held in the evening at the senior building.

President Bob Cox received the Sousa Band Award. He was presented a desk paper weight and a medal. Bob's name will be mounted on a plaque and kept in the band room.

## *Orchestra Plays in Festival*

The orchestra this year consists of junior high and senior students under the direction of Mr. Vern Sinclair. The musicians were included in the Missouri State Orchestra and played in the Orchestra Festival. The orchestra played for Honor Society and the Memorial Service for Miss Erdice Grube. The orchestra finished the year by playing for graduation exercises.

The Band and Orchestra Senior Honor Award for highest service in instrumental music goes this year to Pat Larson and Jim Sipes. Their names will be inscribed upon a plaque, and each succeeding year a senior boy and girl will likewise be honored.

## All-Girl Pep Club Promotes School Spirit

Central's cheerleaders have many other duties besides cheering at all varsity football and basketball games. They take part in pep assemblies, before and during school hours. Every Wednesday afternoon is devoted to practice when the girls go over old cheers and work out new yells.

In addition to boosting Central's school spirit, the cheerleaders work to improve interschool relations. One time-out period during each game is devoted to an "exchange cheer." At this time, Central's cheerleaders change sides with the opponent's cheerleaders, and each group leads the opposing school in one of their own cheers.

The Pep Club, ably led by Jackie Hurley, was reorganized into an all girls' club with their first constitution and uniforms. Each member was required to attend all league games and sit in a reserved section.

A chili supper was given in honor of the football team at which "Mr. Football" was chosen, and a spaghetti dinner was held for the basketball team and "Mr. Basketball" was elected.

Skits were given in pep assemblies to arouse school spirit and the club also helped in the sale of spring play tickets.

## *Y-Teens Celebrate Hundredth Birthday*

Y-Teens, together with all other members of the YWCA, share a common purpose which is "To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians. In this endeavor we seek to understand Jesus, to share His love and to grow in the knowledge and love of God." They combine recreation with business to make theirs a richer life.

The Y-Teens started off their 1955 year by celebrating their

one hundredth birthday. A party was given and the cabinet presented the program. Coke, cookies and cake were served.

To raise money for the world-fellowship fund a potluck dinner was given at the downtown YWCA. Each girl brought canned goods for needy families in foreign countries.

Central was proud to have two girls as officers in the Inter-club council; Jaylene Flournoy, president; and Sharon Miller, secretary. Carol Oberzan was chosen a delegate to the National YWCA convention held in New York.

## Community Clubs Inspire Students

"To create, maintain, and extend through the school and community high standards" is the Hi-Y purpose.

Central's two groups work together in helping our community by ushering for Good Friday and Thanksgiving services at various churches. To inspire students with the real spirit of Easter the Hi-Y presented their tenth annual Pre-Easter Services. The theme was "Living Together." Ministers of the various surrounding churches helped to make this program possible by delivering the messages. Christmas trees were sold at the Linwood YMCA lot. Their World Service Project was to sell Christmas cards.

The Horizon Clubs of Central are designed for the high school girl to develop personality, give service to communities, promote international understanding, and pursue knowledge.

The three clubs have been active in many large projects. They participated in the city-wide candy sale, and sent delegates to the four state conferences in Springfield, Missouri. Possibly the largest project of the year is the educational tour. The girls have chosen New Orleans for the 1955 trip. They have earned their own money and will leave June 10 for a five-day trip.

## *Aquiliferi Joins Junior Classical League*

Aquiliferi means "the eagle-bearers." Aquiliferi was the standard bearer who led the Roman Army into battle. Instead of a flag, he carried a pole with a golden eagle on the top. Since the eagle is also the symbol of Central, the Aquiliferi aim is to uphold Central's Eagles and standards.

The purpose of this club is to provide more time for enjoying Latin songs, games, plays, and background information than class time will permit. This year Aquiliferi voted to become a chapter of the Junior Classical League, a national organization which fosters an interest in the language, literature, and art of Greece and Rome.

The officers of Aquiliferi are based upon those of the Roman Republic. Instead of a president and vice-president they had consuls, two men of equal power. We would consider them co-presidents. Helen Scriven and Bob Dillon were first semester consuls. Those of the second semester were Amy Parkhurst and Seldon Ballard. The praetor was a Roman judge, but because he was ranked as the second highest official in the Roman state, Aquiliferi uses that title for their vice-president. Scriba simply means secretary. The quaestors were officials who managed the state finances, so quaestor is used for treasurer.

## *Le Cercle Francais*

The purpose of the French Club is "To promote better understanding of French and to stimulate interest in itself." The club has a program at every regular meeting with skits given in French and in English. A hamburger fry was held at David Wurth's with dancing and watching television for entertainment. Sandra Ascanio was hostess for a Christmas party. After caroling, hot chocolate and cookies were served. Kay Foreman and Mina Zenor, did a Mardi Gras dance, and the club gave a skit in an all-school assembly urging more students to enroll in a foreign language.

## *Los Conquistadores*

The purpose of the Spanish Club is to further the students' interest in Spanish history with educational and social functions.

In an all-school assembly a demonstration of the ever-popular mambo, a humorous skit, and some Spanish talent acts were given. The most important day to the Spanish students is Pan-American Day, April 14. On this day, the members show display of flags and posters of the twenty-one countries which make up the Pan-American Union.

A dinner was held at the Las Palmas Restaurant. All members were mystified by tacos, tortillas and enchiladas.

## *A.A.U.W., Exclusive*

The American Association of University Women is an organization formed by graduates of accredited colleges. The Hundred Girls Club is the junior branch of the A.A.U.W. Four girls are chosen from each class. These girls are chosen by their interest in furthering education. The entire group meets twice a year at a Christmas brunch and a Spring tea given at the Sophian Plaza. Central's group also enjoys an annual coke party at the home of their sponsor, Mrs. Cornelius Boersma. For the past two years the senior members have taken a trip to a near-by college during the Easter vacation.

## *Chess Club Organized*

Although little heard about, the Chess Club is one of the most active clubs in Central. This group meets every Wednesday after school in room 209 to further their knowledge in the art of playing chess.

President Kenneth Beck was one of the most active members, coming in second place in the all-city chess tournament composed of six chess clubs of the other high schools.

Mr. W. W. Clement, sponsor, gives special recognition to Bill Sullivan, who carved a wood replica of a chess king on which all scores are kept.

## Locker Patrol Eyes Eagles

The purpose of the Locker Patrol is to safeguard the properties of pupils and direct all visitors around the building.

The patrol is headed by the vice-president of the student council with each hour having a captain, who checks to see that all Patrols are on duty.

Patrols are the selected representatives of the school. They are the first and sometimes the only students observed by visitors; therefore, the impressions made determine in no small way the reputation of the school, so patrols make certain that their conduct reflects credit to the school and honor to themselves.

## Red Cross Has Active Year

As a part of the largest youth organization in the world, the Central chapter of the Junior Red Cross has had a very active year under the leadership of the Junior Red Cross Council. This council, organized in September, 1946, is composed of one representative from each home room. Judith Jacobs was first semester president and David Payne was elected second semester. A talent show was provided for the men of the Grandview Air base and Christmas stockings were sent overseas with school, health, and recreational supplies. Training is provided for three days at Unity Village to which Central sent four representatives.

## Zoology Club Turns Bird Watchers

The Zoology Club makes available a better and broader knowledge of nature and zoological problems. Any student taking zoology at the present time or has taken it in the past is eligible for membership. The club aids the students in the zoology course and also helps them to apply the subject to everyday life. Programs consist of lectures by men not connected with the school system and members of the school system who have made a study or taken a trip of interest to the zoology students. Films are also presented that classroom time will not permit.

A Valentine's Day party is held each year at which all zoology club members receive a prize. This year's prize was an all-day sucker.

An annual Navy Day program is presented around October 27 each year. A personnel officer is sent out by the Armed Forces Headquarters.

In the spring, field trips take the place of meetings. Bird trips are taken in Swope Park on Saturday mornings about five o'clock. After the "early risers" look for birds, breakfast is served.

## Engineers Club Discovers Aspiring Genius

The Engineers Club is designed for students who are interested in engineering as a career. The purpose is to give practice in reports and experimentation in engineering projects. Any student in the higher brackets of science and mathematics is eligible for membership.

The club meets every two weeks in room 211 and has a membership of thirty-seven. All programs are planned by the members. Wayne Scott gave an interesting demonstration of the slide rule. Wayne used a six-foot rule for this presenta-

tion. Gary McCoy contacted an experienced photographer who showed a film on color photography. Other interesting reports were given on Atomic Energy and the Petroleum Industry.

Engineers Club officers for the year were Tom Park, president; Wayne Scott, vice-president; Bruce Whitaker, secretary; Gary Martinette, sergeant-at-arms; Kenny Ward, reporter. Mr. R. Crane and Mr. J. F. Boyd were the faculty sponsors.

The "Mad Scott" shows Bruce Whitaker, Ken Ward, Tom Park, and Gary Martinette how it's done.

## Committee Plans Successful Teen Towns

A corps of officers is elected from the committee membership for a year's term of office. These officers head the various activities and serve ex-officio on all the appointive committees. The success of the Teen Town depends to a great extent upon the enthusiasm and industry of the officers. The following officers served their organization very effectively through the year. President, Nancy Thomson; vice-president, Diann Watts; secretary, Donna Lambert; treasurer, Ruth Rohovit; sgt-at-arms, Jackie Hurley.

The Teen Town Committee is an organization formed in

cooperation with the Welfare Department and the P.-T. A. Miss Gertrude Jones, physical education instructor, is the faculty advisor.

The purpose of the committee is to plan recreational activities for every Friday night, giving the students a place to go for worthwhile and wholesome entertainment.

This organization is formed by all students with the desire to belong, and no membership fee is charged.

The program includes dancing, ping-pong, and basketball every week with special dances throughout the year.

## Future Nurses

The Future Nurses Club was formed this year at the request of girls interested in nursing as a career, with a purpose "To interest students in personal and community health; to encourage them in finding out what nursing requires, and what it offers, to help them decide wisely about professional or practical nursing."

This club is sponsored by the Nurse Recruit Committee of Jackson County Medical Society Auxiliary and the school nurse, Miss Vesta Bolliger. The projects have been making dolls for the cerebral palsy children and volunteering services in the school health center.

## Future Teachers

The Future Teachers Club of America, as the name indicates, is a nation-wide organization. It was founded in 1937 for the purpose of promoting interest in the teaching profession among high school and college students. However, the club did not come into existence at Central until 1953.

Regular business is taken care of first with a program following. The program usually consists of speeches or discussions presented by members of the club or speeches by some person engaged in the teaching profession or administrative work.

## Drama Club Uncovers Hidden Talent

The purpose of the Drama Club is to develop the talents of its members in the three fields of entertainment: drama, music, and the dance.

The activity of the club is purely Thespian. At each meeting a number of acts are presented. The club seeks thus to add to the work of the Drama class.

Two plays have been presented by the drama students this year. "Bread" was given at Thanksgiving time with Jim Boyer and Dena Spielberger as leads. "A Christmas Star for Olga" was given with Louise Keefer and Donna Hicks as leads.

The club believes "all work and no play" is bad so they

occasionally go social. A scavenger hunt was held at President Dena Spielberger's house. After looking for items from toothpaste tubes to false eyelashes, sandwiches and cokes were served. The party wound up with everyone joining in for charades. President Jim Boyer reigned over a progressive dinner which started at Dena Spielberger's house where the appetizer was served. They then continued to Ruth Rohovit's for a salad. It was a great relief for the hungry ones when they heard the home of Jo Anne Roberts mentioned. Here the main dish was served. Rita Spangler was hostess for the dessert. After eating brownies and potato chips and drinking cokes, everyone joined in for dancing.

The last get-together was a b-i-g box supper!

## "Fog Island" Deals With Foreign Intrigue

Mystery, suspense, and romance kept the "Fog Island" audience on the edge of their seats.

Drama Teacher Dena Spielberger and her pupils walked into a hornet's nest of foreign intrigue when their picnic party was marooned on "Fog Island."

Atomic Scientist Jim Boyer, who is the object of the intrigue, was nowhere in sight, but Foreign Agent Bob Hall was after him and the secrets he knew. Jim's girl friend, Dena, seized a chance to help, by securing a gun; but Bob

took advantage of an opportunity to use Mina Zenor as a shield while other pupils, Barbara Gregory and Denise Viquesney, stood helplessly by.

Gay Harris and Jim Wilhoit, who were also after the atomic secrets, complicated the situation.

The picnic planned by Dena and her pupils came to a surprising conclusion.

Other supporting actors were Lorie Lux, Clara Thomas, Louise Keefer, and Bob Wennerston.

L. Markt, J. Sanders.

The "C" Club is composed of members who have earned letters from any of the three major sports which are football, basketball and track. After receiving a letter, each member must be voted in before he may gain admission.

The purpose of the "C" Club is to promote and foster all phases of athletics at Central High School.

The "C" Club members meet every Thursday morning at 8 o'clock. Their colors, corresponding with Central's, are the traditional blue and white. During the year, the members have acted as an inspection crew to rectify improper use of certain restricted areas of the building.

An annual spring campaign, promoted by "C" Club members, is the selling of Central decals. The proceeds of this sale go to finance in part the Senior Farewell which is held the first week in June in honor of departing seniors.

The Central Olympian Club is organized for girls who wish to develop their athletic abilities and sportsmanship. The Olympians participate in many activities besides their sportsdays which are traditionally successful. Throughout the year dinners are held in honor of the sportsday teams and their victories, to celebrate the installation of officers, and a tea is given for new members. Old grads return to share in memories at alumnae parties. Besides this, many a night has been spent at an Olympian slumber party. The biggest event of the year is the Olympian Mixer which is given to secure funds necessary to purchase the Highest Award pins which are the top honor in the Girls Physical Education Department.

The last event of the year is a Farewell Dinner which is held in honor of all departing senior Olympians.

A battle with Westport, September 30, resulted in a 7-7 tie. Central achieved her touchdown when Markt, Reiss and Tom Watts earned a goal. Max Palmer pushed the point, giving the Eagles a 7-0 lead. By recovering a fumble, Westport obtained a touchdown and point, thus deadlocking the score 7-7.

FOOTBALL COACHES

Mr. C. J. Ramsey, Mr. H. Baker, Mr. K. Webster.

## *Slaymaker Retires From Coaching Football*

After more than a quarter of a century, Coach Harry S. Slaymaker relinquishes his honored post of head football coach of Central. Harry Slaymaker and Central athletics are practically synonymous. He attended Central as a student and played basketball and was on the track squad. From college he came back to his alma mater to teach physical education. In 1926 he began coaching; in 1928 until 1930 he was the sole coach of all the sports. In 1931 Mr. Guemple took over the basketball, making it possible for Coach Slaymaker to give his full time in the fall to football and in the spring to track. His excellence was shown by his teams having five consecutive years of top honors in the Interscholastic Football League. He crowned his career by coach-

ing his son, Tom, to an all-star football player and graduate from Central to enter Kansas University as a major in Physical Education. Mr. Roitman and Mr. Webster are his former students. To them as to his classes it is gratifying to know that "Coach" Slaymaker is still on the grounds teaching "gym."

Coach Hoyt Baker, successor to Mr. Slaymaker, is well trained for his new position. He lettered three years in football and two years in basketball while a student at Kansas University. Under his coaching our team placed third in the league and some fine groundwork has been laid for first place next year.

"We want a touchdown. Yes, we do!"

"Hit that line!"

#### GOLF TEAM

J. Flournoy, R. Williams, A. Pope, K. Beck, W. Reiss.

### "Racketeers"

The tennis team consists of six members that are divided into two pairs of doubles and two of singles.

Two tennis tournaments are entered each year, the first in mid-September, the second in April. Four or five schools enter into each of these tournaments. This year the spring tournament was held at Central.

It is necessary to win a match in tournament play to obtain a tennis letter. Practice is held every Tuesday and Thursday in season.

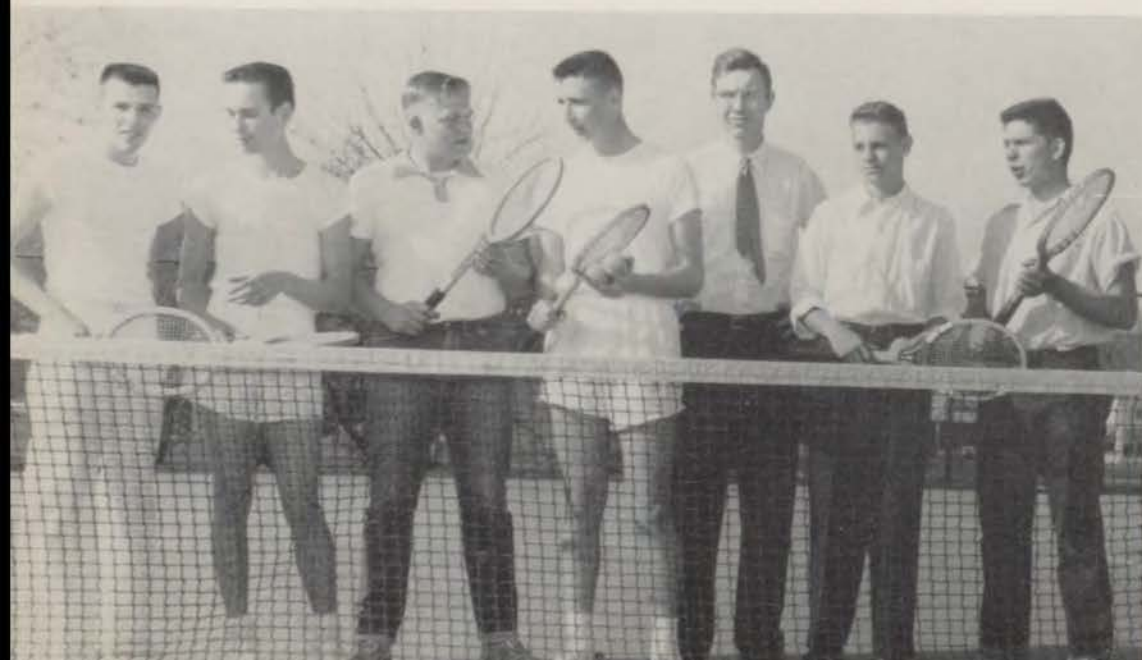

In the first round of a fall tournament that Central entered, Ronnie Cockrell was the winner of a singles match.

### "Putters"

The golf team which was organized the first of October was open to anyone. Those with the lowest scores were selected for the team. The boys meet in the fall and practice and again in the spring to get lined up for the tournaments.

This year Central had five returning lettermen, Allan Pope, Roger Williams, Walt Reiss, Kenneth Beck and Jim Flournoy.

In November, Pope and Williams competed in a state tournament held at Swope Park. Central entered four boys in the city tournament which was held in May. Also, dual meets were held with Southeast, Southwest, and Paseo, and other high schools were played.

# Cross Country

The third Annual Interscholastic League Cross Country was held October 23, 1954. The course, which averages about two miles in distance, begins at Southeast High School and continues through Swope Park, around the zoo house and back to school.

Approximately thirty boys begin working out for this event each year early in September. This contest is a very good conditioner, especially for the milers, half-milers and quarter-milers.

Individual medals are given for first through the fifth place.

Jim Sanders placed first, Bill Foster placed third, and Jerry Deaton came in sixth. Central and Paseo tied for first place in the meet with the least number of points.

## *Sportsday Teams Undefeated Through Hard*

The girls of Central's Sportsday teams remained undefeated in the past year. In the maintaining of a record, such as theirs, much credit goes to the two physical education teachers, Miss Purnell and Miss Jones.

Throughout the past years, both the coaches and the girls on the teams have worked with constant determination for the victories they have won. Among those who pitched right in and got to work are the managers of the intramural programs and the sportsdays. The managers prepare chart schedules for the after-school games and make sure that there are referees and scorekeepers on the job. Each girl must have some managing to her credit before she becomes eligible for the big "C" and the Highest Award.

October 30, the Westport hockey field was the battleground for the annual hockey sportsday. Central was scheduled to play Northeast and Southeast.

During the first half of the Central vs. Northeast game, Sonja Hughes and Julia Weltman each tallied a goal for Central. Throughout the second half of the game, both teams battled on but brought no change in score. Central proved victorious with her 2-0 lead over the easily beaten Northeast.

Central's second tilt of the day with Southeast proved to be a harder go than the previous game. The game was

packed with thrilling moments and brilliant playing was exhibited by both teams. However, throughout the entire game, neither team gained a goal. Joanne Martin, Central's goalie, saved the girls from many a Southeast attempt for victory. When the final time sounded, both well-matched teams were faced with a 0-0 deadlock.

Victory came twice to the girls' sportsday team on February 26, when the basketball team went to Northeast High School for a basketball sportsday.

The initial game was against Southwest, who was the first to score on a free throw. The half came with Central leading

20-7. In the last quarter, Ruth Laughlin, the captain, made five field goals. The final score was 37-18 in favor of Central's girls.

Central led Paseo all the way in the second game of the day. Paseo didn't even score until they received and dropped a free throw right before half-time. It was an easy victory for Central's girls by the margin of 46-7 over Paseo.

Every spring during the month of May, the girls participate in a softball sportsday. Different schools are picked as hosts each year.

## *Pla-Mor Host to R.O.T.C. Ball*

On February 21, the Pla-Mor ballroom was the scene of the annual R.O.T.C. Ball. This festive occasion was highlighted with music by the band of Les Copley from 8:15 until 11:00 p. m.

The official opening of the dance was a grand march. The officers and their escorts led the procession, followed by the cadets and their dates.

Among the honored guests was Mayor Kemp of Kansas City, Missouri, who crowned each queen with a wreath of white carnations. Each queen was presented a gold compact with her name engraved on it.

Central's queen was Nancy Grant, who was escorted by Stanley Baum.

As the first dance was given to the principals and their respective queens, Central's principal, Paul M. Marshall, was first to dance with Nancy.

Throughout the dance, the guests could go to adjoining tables for refreshments of cokes, limeades, potato chips or popcorn. During the intermission June, Jane, and Janet Graham (The Three J's) sang. After the dance a reception was held at the DeMolay Hall where all Central guests were welcome.

"Sound off, one, two . . ."; "And now, we will . . ."

## Memorial Club Furnishes Firing Squad

The Memorial Club has a capacity of fifty members which are primarily drawn from the upper 10 per cent of those who are enlisted in R.O.T.C. To remain an active member it is necessary to maintain an M average at all times.

The purpose of the Memorial Club is to furnish the firing squad for military funerals. These funerals, which average about six to eight a month, may be for members of V.F.W., the Foreign Legion, or any military personnel. The firing squad is made up of seven men, two buglers and one commander.

The Honor Guard, sponsored by the Memorial Club, is in charge of the flag ceremony at assemblies and is responsible for the outside flag.

A reception held at the DeMolay Hall for Central's queen, Nancy Grant, was sponsored by the Memorial Club after the ball.

# Through the Keyhole

Anon, to sudden silence won,  
In fancy we pursue,  
While moving through a future land  
Of wonders wild and new.

The bottle said "Drink Me," and never being one to turn down an offer of free liquid refreshment, I drained it to the dregs. Suddenly everything began to spin wildly about, and I felt myself being thrown forward at a terrific rate of speed through a haze of years into a mystic land. A sign nailed to a leaf of a bare-barked zwingle tree proclaimed, "This is the Wonderland of the Future."

"I'm late! I'm late!" Jim Sanders, racing the White Rabbit, rushed madly by on one leg. (He was doing it the hard way.) The rabbit was ahead by a whisker but in a close shave, Jim took the lead.

I wiped the dust from my face just in time to see Virginia Wyly approaching in a bamboo rickshaw pulled by four husky tsetse flies. She was throwing corn right and left and crying, "It's for the birds!" So it was. Shaw's Bird Sanctuary was close by, and all of her incoming friends, Billie Carroll, Marilyn Webb, Lois Rider, and Dolores Smith, were delighted with the solid gold goodies.

A violent ticking sound came from up the road and I was amazed to see Big Al Pope come bounding along with a geiger counter and followed by all of the other little boogers, Loren Boline, Gary Martinette, and Dean Schoonover. They had just finished majoring in minoring and were prospecting for anything.

Hindustani explorer Susan Chappell next appeared leading three baby elephants, Samba, Tango, and Mambo. On the latter's back rode Maharanee Carol Colling in a chic oriental gunny sack, and bringing up the end of the train was elephant boy Jim Young who seemed to have the situation well in hand.

I decided to follow this curious horde of people so I hailed a passing mongoose, and we were off down the winding road.

Right before me in the very bottom of a wooley well lived Mary's Little Lambert and her black sheep, "Dirty" Bert. "How are you?" I yelled down to them. "We're well in, thank you."

I came upon Lake Tadpolemarkt, and was surprised and delighted to see tadpoles Larry Markt, John Douglas, and Bob Valverde. They were striving diligently to hold some foreign object under the water, but it nevertheless bobbed up to reveal the president of the organization, "Punchy" Schenck. He gurgled, waved, and was promptly dunked again.

I stopped the mongoose and ran to the lake's edge where Jeanie Abranz was gaily painting the water royal blue as Carl King, Don Robbins, and Gary Burgard tried their new gray water wings. On the other side of the lake I spied a sign that read, "Clouse's Corral of Super-swift Sea Horses." I saw Jim Luster, Bob Davis, and Jim Salter on their nautilus ponies skimming over the ripples, and after they had finished their jaunt Sue Dillon presented underwater stunts on her pet Snorkle.

Continuing along the path left in the dust by the tsetse flies, I came to a clearing where a gigantic party was getting under way. I saw the Mad Hatter, Howard Kilgore, greeting his first two guests, Diann Watts and Nancy Tucker, who had taken time out from their seats in the Senate of Brokenbow Bayou to come to this gala affair. Rosie Linville accompanied them, as she had been appointed alternate to the number one page girl, Judy Gorham. Behind them came Bob Cox, the U. S. ambassador to Lower Slobbovia, who had become famous because of his hot trombone, a major necessity to political popularity nowadays.

Howard was interrupted in his welcoming procedure by the teataster, Walt Reiss, who reported that the invisible tea had disappeared. Hatter, although he never indulged in this drink, became so alarmed that he fainted. The March Hare, sometimes called the April Crewcut or better known as Tom Park, came to his rescue and with the aid of Gus Montalto, number one reviewer of all fainters, as this was a suffocating party, sat him out in the open air on a plump toadstool.

A huge hush fell over the gathering as Lawrence Parkhurst, president of P. U. and A. M. Institute (Pugilistic U and Amiable Me) entered with his friend and co-instructor, Richard Howard, who had just finished his successful novel, "How to Lose Friends and Discourage People." Through the hush all could hear Monkey Ward's chatter.

After all the other guests had arrived, they sat down at the large zwingle-wood table. An appetizer of watermelon juice and barley bars was served, but to everyone's amazement Dorris Fink was seen swiping the watermelon seeds. It seems that she had gone into the jewelry business with her comrade, Sonja Hughes, and seed jewelry was the mad fad at present.

The Melon Munchers, Virginia Bell, Carol Vanlandingham, and Kierna Minor, were seen at the far end of the table making "Minnie-Melon-Balls" for that new and interesting sport, Eight Ball, invented by "Droopy Hoops" Spangler.

As the dinner progressed everyone was delighted with the rare delicacies, stuffed gooney-bird souffle and champagne chiffon pie. These were brought to the party by the food connoisseurs, Sandy Hobart and Jane McNeil, of the Vivacious Violet Cafe in Eastern Afghanistan.

After all of the guests had drunk heartily of the pungent persimmon punch, Cerise Heaton's great dramatic success, "Death of a Crooked Flamingo," was presented to us by Jim Boyer, playing the flamingo and Dena Spielberger, the crock. Jim was then given an "Elmer" for the more performance of the year and everyone cried. It was rumored that the punch was spiked when Bob Dillon had to be carried out by Dwight Maxwell and Dave Wurth. He was singing merrily and waving his arms to "Red, White and Wahoo!"

The case of the missing tea was solved when the March Hare took the lid off the teapot to reveal Fred Horner and Ruth Ann Rohovit harmonizing on "Tea for Two." Next to the melodious pot sat the Sugar Bowl where the two top teams of the nation, Laughlin's Lotus-Eaters and Chullino's Chuggers, were battling for the championship. The game was interrupted, however, when Martha Payne accidentally spooned out Ruth's team and dropped them into her punch.

Arriving late at the party, Mary Lou Foote, Sara Snyder and Betty Bland drove up in their 1915 Jewel, a real gem of a car if there ever was one. At least that's what Wayne Scott, the super, slick and sneaky car salesman, told them.

Peggy Hearon, Donna Yount, and Beverly Lake told me that they represented the Order of Old Maids and had just given hope chests up as hopeless. (They had four apiece.)

I was told that the flower arrangements for the party were done by Donna Goins and Patti Mills, who specialized in sugar-sweet peas and crazy daisies.

Heard slurping their French fried potato soup were Jackie Hurley and Carol Oberzan. Betty Johnson, authority on manners, said that it was the result of sipping too much spaghetti; but Jackie only laughed and threw a bowl of soup at her.

I saw Lynda Mauch and Marilyn Burns trying to stuff Sniffles (Virginia Wilson) into the meat grinder. "Then there would be enough of her to go around," they beamed.

Then as a special favor to Sharon (Breezy) O'Brien, Mary Frances Sexton and Oakie Johnson did the "Lowland Flung." All were entertained by Pat Larson giving her rendition of "The Crazy Chapeau" which was dedicated to the Mad Hatter. Jim Sipes then chimed in with the haunting refrain of "Auld Lang Syne" or Good Riddance to You of '55, and everyone cried.

After this was over, everybody decided to leave and Senator Melvin Freed passed free filibusters to the guests as they wandered away. The White Rabbit said goodbye to Carolyn Davis, the frantic female inventor who had just created a new automatic flea flattener. She was inspired to make her contraption after seeing Beverly Cockrell's flea circus. The invention enabled Bev to have more fleas to the itch.

The party was over and all of the guests had gone when Jerry Winegar was discovered behind the butter dish, taking his daily snooze. Crumb dusters, Roger Williams and Bruce Whitaker, brushed him off of the table, and Margaret Carter and Pat Harrington took him home as a souvenir of the afternoon. I then noticed Nancy Thomson crawling around under the table looking for her Moose that she had misplaced during the festivities, and vowing not to leave without him.

I bade fond farewell to the little scene and had turned to leave when I saw two characters that could be none other than Tweedledee and Tweedledum. On closer inspection, however, I found them to be Cynthia Rogers and Jaylene Flournoy who had been trying to disguise themselves ever since the year of '55, when they were accused and convicted of being inhuman to their fellow students of CHS by making boys wear coats and ties and putting literary societies in group pictures.

And though the shadow of a sigh  
May tremble through the story,  
For happy high school days gone by,  
And vanished high school glory—  
It shall not touch with breath of bale  
The pleasure of our cheery tale.  
These echoes live in memory yet,  
Through envious years would say "forget."
