'66 Centralian

Central High School
Kansas City, Missouri

This is one of the many views of our dearly loved Central High School. We take pride in showing any view and also in saying "This is Central--OUR Central."

Foreword

"The '66 Centralian"-to twenty-two Centralites these words will always represent nine months of hard work, fun, and fond memories. We, the members of the Centralian staff, have put our best into this yearbook, and have endeavored to preserve in it some of the spirit and life that are an important part of Central. By binding into one cover as many memories as possible, we have created what one day will be one of our only connections with days gone by. Our earnest hope is that the years will serve not to tarnish the brightness of these memories, but instead, to illuminate and to endear them.

“The Making of an Eagle”

One of the first steps in creating a yearbook is the choosing of a theme - that one idea which must serve to represent and unite all the ideas found inside. The '66 Centralian staff has chosen “The Making of an Eagle” as this year's theme. We feel that one of the most important aspects of high school life is the student's growth from an inexperienced freshman to a “wise, old senior”. This growth is one that should lead to a physical, intellectual, and social maturity, and the memories you collect in your growth from eaglet to eagle should be preserved for years to come. “The Making of an Eagle” is a challenging but satisfying journey from adolescence to maturity, naivete to wisdom, and from anticipation to reality.

TO CLASS OF '66

We have tried to teach in this short time
Those things that are of value to your mind,

And know that each of you will acquire
Those things in life that you desire.

If you have studied with the thought in view
To serve those things which are honest and true,

And set your goals on action sure
To serve those things which are just and pure,

Or worked on plans to screen and sort
To serve those things lovely and of good report.

'67 Rides High

The Junior Class motto is, "Nothing shall surpass the '67 Class." This is not just another idle boast, but rather a statement of how things are, and hopefully, how things shall be, as long as we are in this class. For we are no ordinary class. We shun mediocrity. We strive to be the best in everything we attempt. We are trying to become capable school leaders, and to set an example for all loyal Centralites to follow. We are, and will continue to be, the pace-setters of Central High School. In accomplishing this we hope to show the other classes what can be done and what should be done. In im-

proving the other classes, along with ourselves, we also improve Central. We move Central High School past the category of "good", on to the category of "GREAT." We are by no means perfect, but in essence, our only goals are excellence and supremacy in all endeavors. These goals are within our grasp, and within the grasp of Central High School, at this very moment. WE shall NOT fail to achieve these high standards.

Our Ambassadors

RISTO TANIEO

The foreign exchange student for the year 1965-1966 was Risto Tanieo from Finland. Risto's ability to adapt to Central and his warm enthusiasm for Central and all our activities made him well liked by all Centralites.

As Risto's year in America comes to a close every Centralite would like to say, "Thank you for coming to Central and good luck in the future!"

GAYLE PEMBERTON

Central's representative abroad is Gayle Pemberton. She is studying at an all girls academy in Yorkshire, England. We would like to congratulate Gayle for all the excellent reports we have received on her achievements and hope she will be successful in the future.

Declaratives

The Declaratives is one of the most elite organizations at Central. They are a group of selective leaders of the school. This group is charged with many important school-wide responsibilities throughout the school in addition to supplying the team for

Categories, a TV Quiz Program. The members of this organization are chosen by the following: High scholastic and citizenship abilities and various extra-class activities. Miss Christine Williams is the sponsor.

A A U W

Row 1, Left to Right: J. Reece, V. Smith, C. Britton, C. Burleigh, T. Warren, L. DeGraffenreid, C. Newman, M. Brown, S. Webb, C. Woods.

The A. A. U. W. stands for the American Association of University Women. The ten girls pictured above are members of this organization, along with ninety other girls who attend area high schools, because they have

the highest scholastic averages at Central. The girls attend various functions doing the year, such as a Christmas Tea and a trip to an area college campus.

INTERNATIONAL CLUB

The International Club concerns itself with the welfare of the present foreign exchange students and preparations for future students. The best way to accomplish international understanding and co-operation is direct contact between peoples of different countries. This group of people believe so strongly in this idea that they are willing to devote much of their time to promoting the efficiency of the program.

Miss America?

The purpose of the Hi-Y and Tri-Y Clubs is to more fully develop its' members - socially, morally and spiritually. Paseo-Linwood has grown considerably in its number of clubs since last year. Through the diligent efforts of the Multi-Philos, the only remaining club, fourteen more clubs were formed.

One of the major programs in which the clubs participate is the Hi-Y, Tri-Hi-Y Model Legislature. In this Model Legislature, delegates from Hi-Y and Tri-Hi-Y clubs throughout Missouri come to Jefferson City to "run" the state for two days. The Convention is always the first Friday and Saturday in April.

Yearbook Staff

Our sponsor, Mr. Thomas Myers---BEFORE the Deadline!

Among the many phases of producing a yearbook, publicity ranks as one of the most important. Sale promotion is the primary function of this one phase. Planning and drawing poster and putting on "teasers" are but two ways such a task is achieved. "Teasers", in order to be effective, require planning and dedicated seriousness!

Eagles Soar High

The 1965 football season was hailed by many as the best in the history of Central. Our team was blessed with a powerful backfield and a strong line. With the key blocking of such linemen as Artis Thomas, Frank Winfield, Bennie Lewis, Carl Clayton, Robert Tyus, Edward Vaughn, and Steve Kelow, our quarterback Mike Hicks was able to engineer scoring plays with our fast and agile backs, Norris White, Phil Cosey, Steve Hatten, Robert Bailey, and Taylor Spriggs.

Our team would not have been able to win with offense only; it took an excellent defense led by Nate Harris, Racior Cavole, Walter Hill, and many more outstanding players.

We should not only recognize the players, but also the coaching that made the team successful. Coach Harold Michael and Assistant Coach Gerald Walker led the Eagles to an 8-1 overall record which placed us in the number two spot in the area standings and a 7-0 record in the league, making us the 1965 City Champions. Thirteen of our players were named to the All-Star City and District teams and Taylor Spriggs, Artis Thomas, Robert Tyus, and Steve Kelow were named to the All-Star Team. We, the students at Central, should commend these men for a job well done.

Shown are Co-Captains Taylor Spriggs and Artis Thomas out for the toss. Both Spriggs and Thomas were named to the All-State Team for their outstanding performances during the season.

City and District Champs

City Champions! District Champions! Central's young cross-country team upset the favorites this year. Led by Ron Henry, city champion, and Willie Williams, Central upset favored Westport for the City Championship, and then put the icing on the cake by stunning heavily favored Raytown South in the District Meet.

Returning along with Henry and Williams for the next year will be juniors Mickey Sutherlin, Otis Kenny, and Tom Mason, and sophomores Harold Epperson and Harry Davis. Graduating are Darrell Martin and Joe Mabin.

Coach Harvey Greer is the person responsible for coaching the Eagles to their outstanding victories. He returned to Central in February after teaching track for three months in Baghdad, Iraq.

And They Said It Couldn't Be Done!

In addition to a championship football squad and anticipated repeats of last year's track victories, the Screamin' Eagles basketball team took "the whole ball of wax." . . . City, Regional and State which had not been won by a Kansas City Class "L" team in thirty-one years.

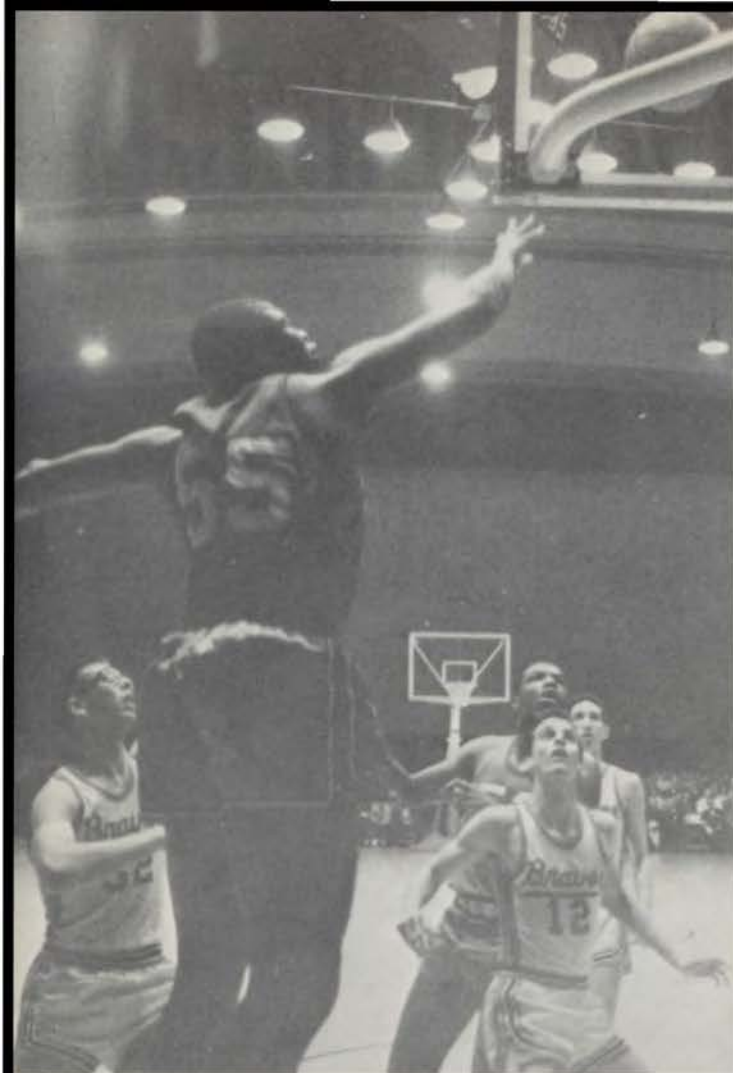

At the beginning of the season, the Eagles dropped two of their first six ball games. Things could not have looked worse. As the season progressed, Central's record crept upward and by midseason there was hope.

Blessed by one of the best balanced teams in years, Central stormed through the league on their way to an

8-0 record and their 4th consecutive Interscholastic League Championship.

This balanced ball club, guided by the strong hand of Coach Jim Wilkinson and Assistants Buddy Hudson and George Huitt, moved through the quarter-finals, semi-finals and into the finals. The stage was set. The Blue Eagles' opponent was to be Springfield Parkview, a team that beat them by twenty-three points earlier in the season; a team that was defending champion; and a team that had won forty-nine straight games!

At the final horn, it was Central 52 - Springfield 48. A fitting addition to The Year of The Eagles!

A MIGHTY BIG TWO.

AN EAGLE TAKES FLIGHT.
