*In 1872, one-story frame structure just south of the original building was established. Since then Central has been housed in four successive buildings, and in 1915 was moved to its present location.*

*A Real Masterpiece*

## *Masterpiece Of Juniors' Liberation*

*Here we are together not apart. Our togetherness which makes us one complete structure of: Knowledge, Determination, and Love. Knowledge of what we want and where we are going. Determination that seems to be contagious and everlasting. Love that generates our souls and minds, to reach out help one another. Finally we are the future, which we will mold into a Masterpiece of Self Liberation.*

The Central High School, under the direction of Mr. Heath, started the school year with plenty of class—New Band uniforms were purchased and a trip to New Orleans for the Mardi Gras was in the forecast. Both activities were successful through student, parent, and teacher participation. The Centralian Staff would like to Salute our band, the No. 1 Band, for a job well done.

*Mr. Kendrick Howell, a former teacher of English, Speech, and the Art of Communication, devoted his first eight years of teaching to Central High School, the last four of which he served untiringly as Centralian advisor. The determination, time, and effort that he put forth earned him the respect that he deserved from fellow teachers, former students, and the Black community.*

*Mr. Howell earned his B. S. and M. S. in Speech Communication/Education from Central Missouri State University in Warrensburg, Missouri. He is presently a student for his doctorate degree at Missouri University in Columbia. After completing these studies he will continue to serve in our community as an educator.*
