## PRINCIPAL'S MESSAGE

Congratulations Seniors! I commend each of you for the accomplishments of your four years here at Central Senior High School. Such efforts are prerequisites for successfully accepting life's challenges.

Remember that a sound mind in a healthy body will carry you far. I submit to you that successful living depends on selecting high goals, training one's mind as an athlete trains his body, and being persistent.

I hope that your experiences at Central have been meaningful and that what you have learned here will lend strength to your every endeavor.

*Michael S. Franklin*

"Remember to strive always toward being the very best at what you do. Working hard, feeling good about yourself, treating others as you wish to be treated are necessary ingredients for success and happiness."

Sandra J. Beasley, Coordinator of Instruction

"It is important to set high standards for yourself .... Progress is limited only by lack of ambition and industry."

Robert L. Jackson, Assistant Principal

"This is the beginning of the rest of your life . . . The degree to which you are successful will determine your future happiness and also add to the well-being of this great land in which we live."

Dwight N. Heath, Assistant Principal
