The Junior Class at Central Sr. are innovative, spirited, strives for excellence and has an excess of school spirit. This year the class of '88' has participated in many school activities, organizations and boasts of many participants on the schools honor roll. The class of '88' are truly miracle makers.

This school year the Junior class sponsored two gala events. On February 19, we hosted a fashion show, "Ebony Distinctions," which was a smashing success and on April 15, we sponsored the Junior-Senior Prom, "Reservations For Two," which was totally beautiful. Miracles on the run!

## Good Times At Central High

In the Fall, students at Central Senior attended a Halloween costume ball sponsored by the Drama Department. An array of costumes were worn and the students had a lot of fun trying to guess which classmate was behind the ghoulish masks.

## Friends Always

During High School life there are many expectations, but we at times feel that we are too busy to conform to expectations and concentrate on growing up, my way. At times, we are steered and our conformations are experienced through peer pressure. Sometimes positive, sometimes negative. But through it all, the tough times and the good times emerges a friend, the kind that lasts forever.

Our mascot, the eagle, has been one of the greatest symbolisms for our school. The eagle is strong, brave heroic and beautiful in flight. We are proud to be the Blue Eagles! We are proud of our Junior Class.
