DEDICATION

On October 17, 1963, Brother John Victorian reached his 80th birthday. The entire student body is acquainted with this beloved, irascible librarian of De La Salle.

Brother John became a Brother at eighteen and has been in the service of God for sixty-two years. Still he retains his vigor and even astonishes some of the freshmen with his warnings in the library. In his spare time he walks two miles a day and during the summer he swims as a means of exercise.

It is to this respected member of the De La Salle faculty that we, the Graduates of 1964, dedicate our yearbook.

BROTHER JOHN VICTORIAN

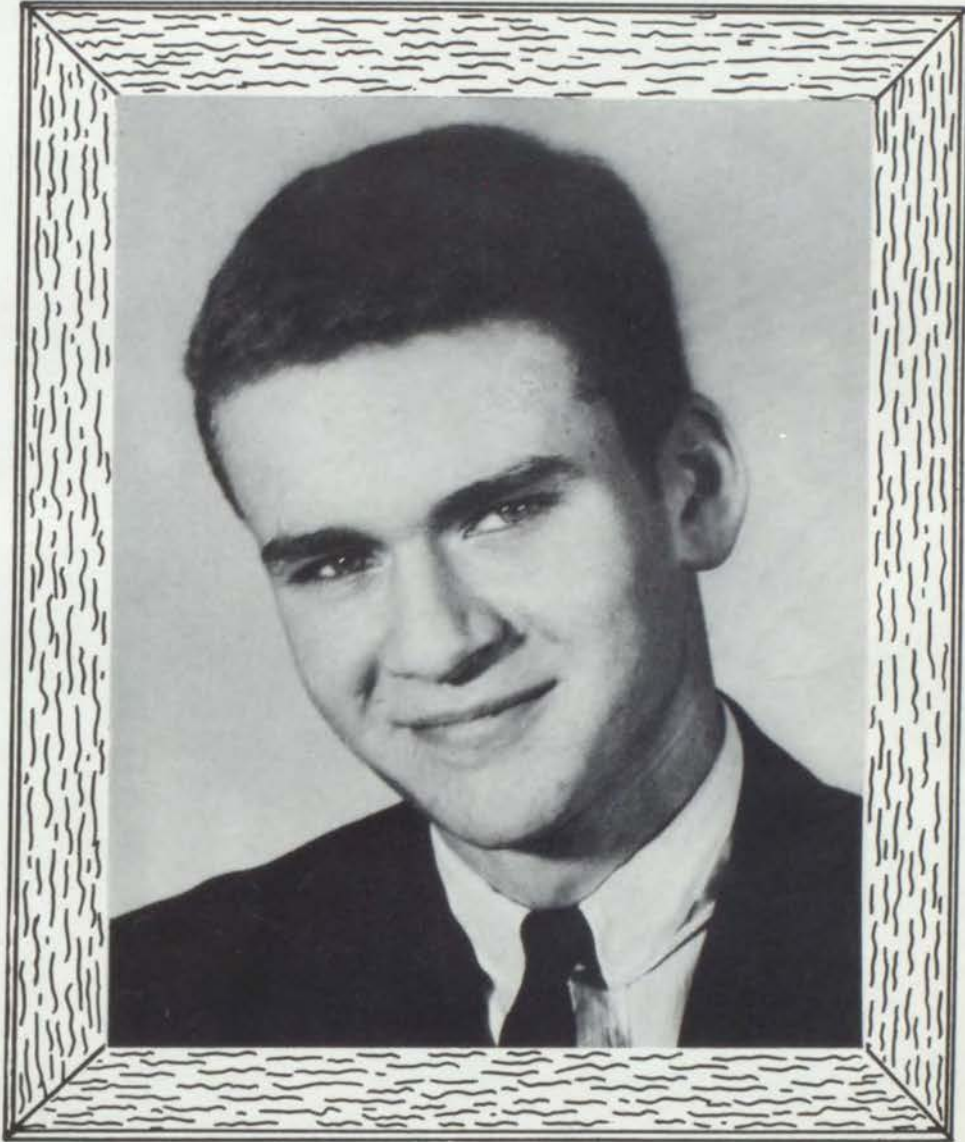

May God above help us to find
the reason and purpose for the
loss of a fellow classmate and
true friend.

May God give us the grace and
courage to accept our vocation
as bravely as he did.

May he rest in peace.

In Memoriam

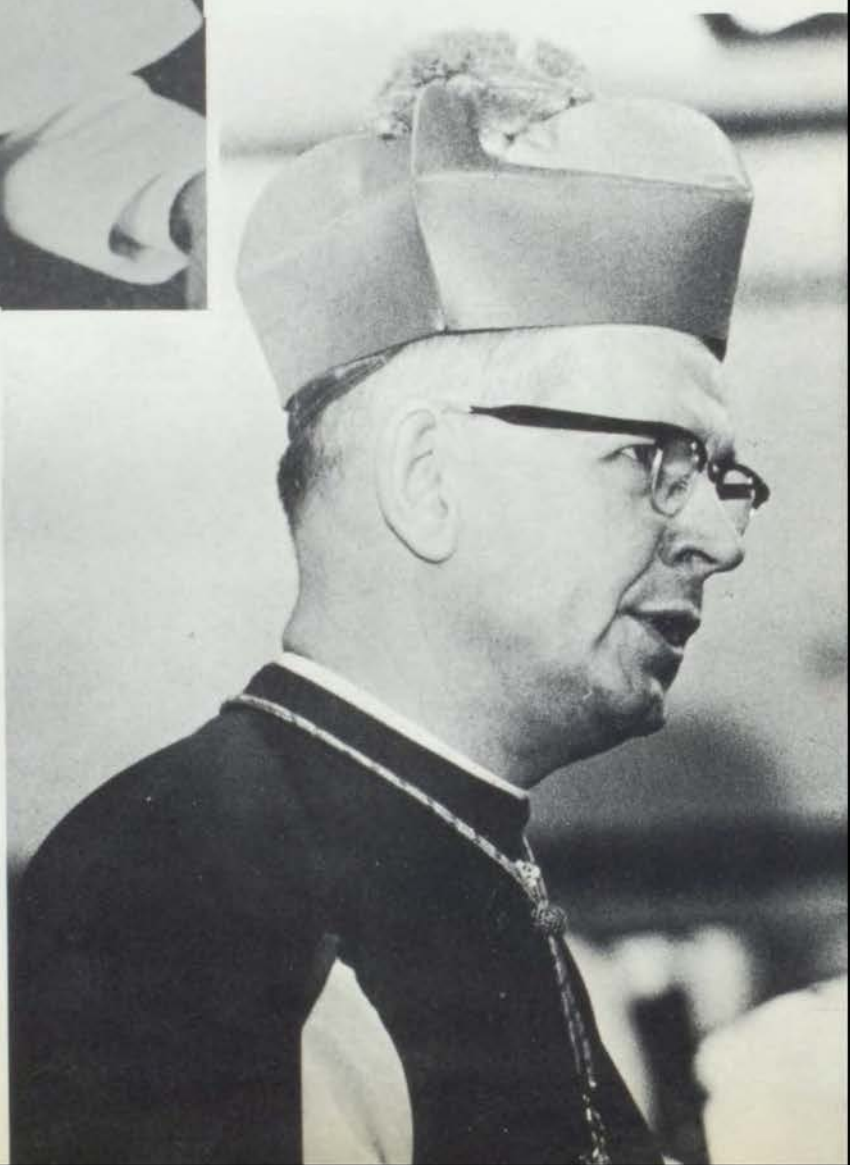

Sam Grisafe

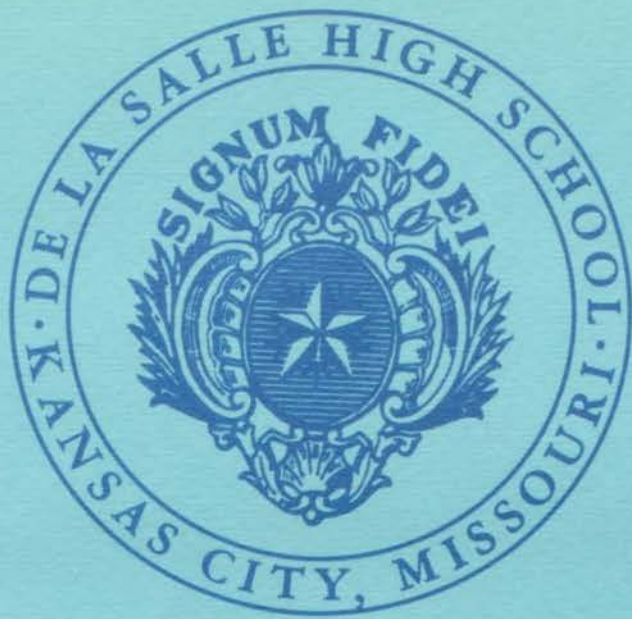

Everyone who has left house, or brothers, or sisters, or father, or mother, or wife, or children, or lands, for my name's sake, shall receive a hundredfold and shall possess life everlasting.

Pope Paul VI

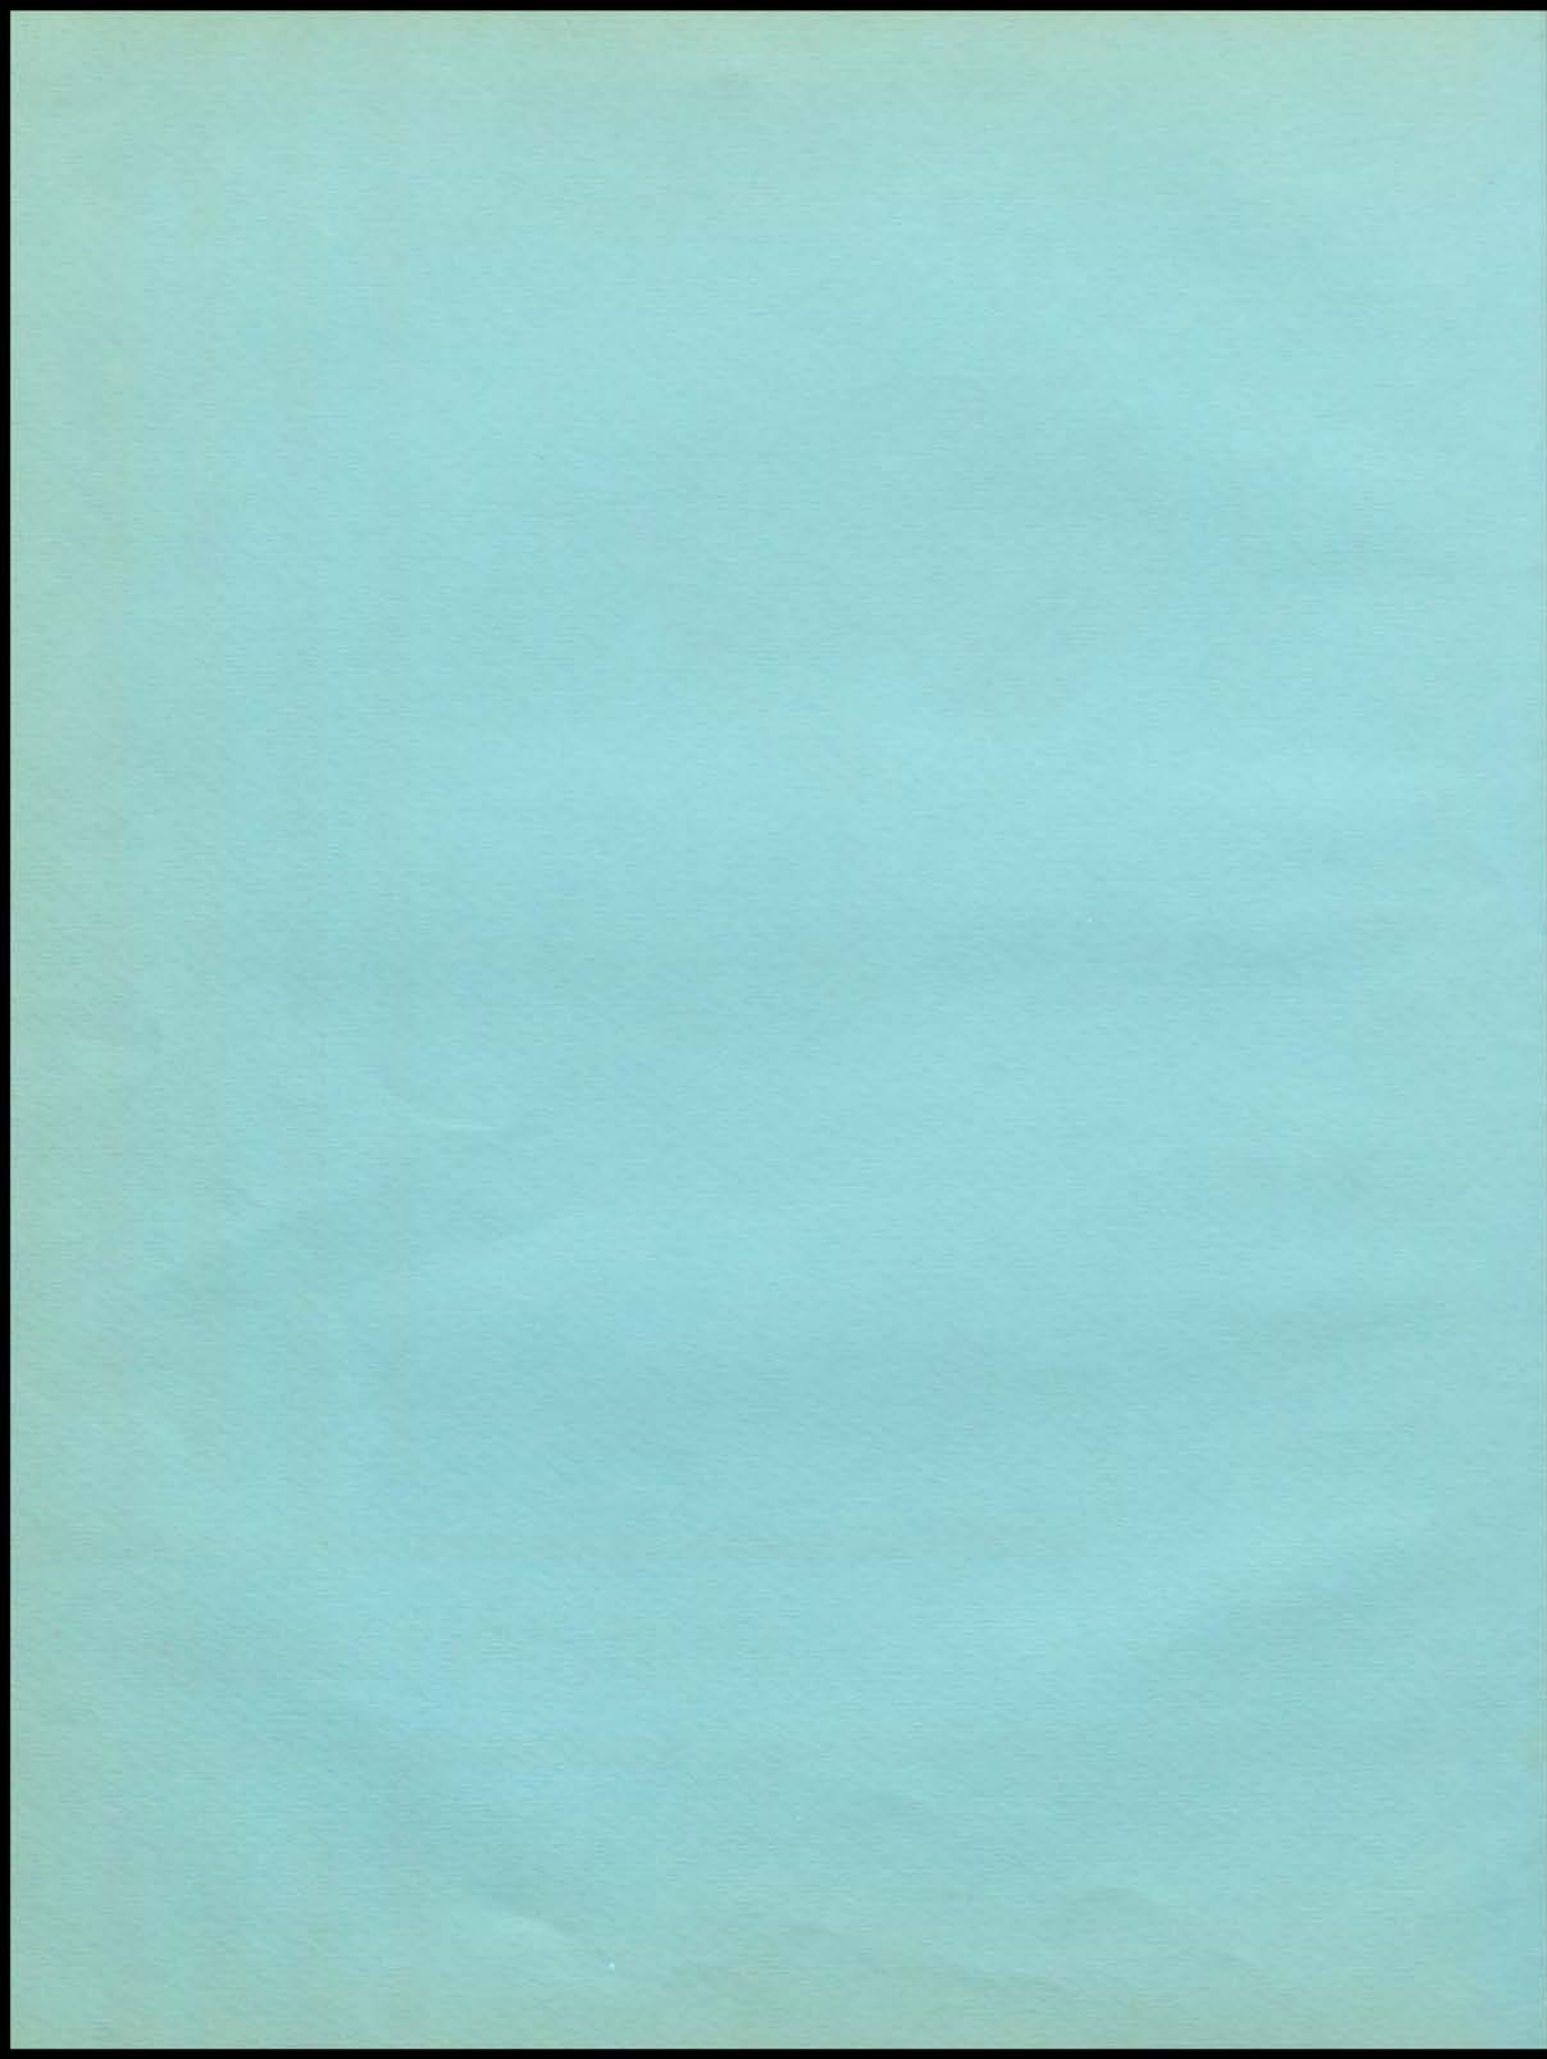

Behold, I am sending you forth like sheep in the midst of wolves. Be therefore wise as serpents, and guileless as doves.

Almost everyone knows that a truly successful football season develops not merely from a won-lost record, but from the acquisition of sportsmanship plus the fine ability exhibited. This was the case of the 63 TITANS who finished with a respectful 5 wins and 5 losses.

The key to the season laid in the way the team worked together, the spirit of them, and the extra effort to make a harder tackle or gain another yard. Viewing the football season in the aspect, DLS finished the season with a perfect record. Actually, the only thing that held the TITANS back were bad breaks. The team lost because of the misfortune of a fumble or intercepted pass late in the ballgame and couldn't combat the forces of the opposition or the clock.

Special congratulations go to all the seniors who have been the backbone of the team, but especially, much credit is due to Coach Culver and his staff for molding a squad of inexperienced into a "Team of Champions."

The 63 Frosh team turned in a record of 4 wins and 2 losses. Under the leadership of Mr. Boland, the tiny TITANS showed honor both in their victories and defeats.

This team was loaded with teamwork, determination, and spirit. With this drive, great things will be the result when they reach varsity status.

BASKETBALL

VARSITY BASKETBALL

FROM LEFT TO RIGHT: Wesley Sheffield, Bob Meller, Pat Dean, Dan Farrell, Dwight Murphy, Sol Capra, Maurice Harper, Tim Scanlon, Jim Washington, Nick DeGeralimo, Mike McGuire, Jack Judson.

This year's Varsity Basketball team brought many honors and commendations to the school under the able direction of Coach Grantham. Height, scoring balance, and a strong defense were the keys to their 1964 record of 13 wins and 7 losses.

Led by the one-two punch of Maurice Harper and Dwight Murphy, the TITANS finished third in the Catholic League Tournament, then walked off with first place in the league itself for the third straight year. In the ten league games, they were undefeated.

The climax to the successful season came in the regionals held at Northtown. DLS hoping for a berth in the state tournament, but playing without the services of Harper or Mike McGuire, couldn't hold off the opposition's attack and lost by one point, thus ending the basketball campaign.

JUNIOR VARSITY

FIRST ROW: Dennis Sweeney, David Rebori, Jerry Lee, Maurice Livingston, Bill McMahon, Joe Hirt. **SECOND ROW:** Mike Dalton (mgr.), Tom Kobets, Clark Powell, Jerry Walker, Bob Kanatzer, Roland Rhodes, Terry Bidnick, Coach Noser.

Coach Noser keeps his team calm in a tense situation.

Though they may be understudies to the Varsity, the B-team produced many thrilling victories and heart-breaking defeats. Playing under the watchful eye of Coach Noser, they chalked up 11 victories while losing 7.

Hustle plus ability proved to be the victory formula as the team finished a very impressive season. With players of this type, the future of DLS's hopes in basketball will be successful.

FRESHMAN TEAM

FROM LEFT TO RIGHT: Deister, Mr. Monteil, Healy, Pruitt, Smith, Ogrin, Voelker, Comisky, Kanatzer, Malone, Coppersmith, McGrath, Gruble, Campbell, Bush, Beck.

FIRST IN LEAGUE PLAY

The Frosh basketball team, under the coaching of Mr. Monteil, displayed steady improvement by work and determination through the winter months. They were taught the fundamentals of the game and showed particular strength in rebounding.

Compiling a season record of 11 wins and 4 losses, they will undoubtedly bring many honors to DLS in the future.

Coach Monteil talks with his starting five.

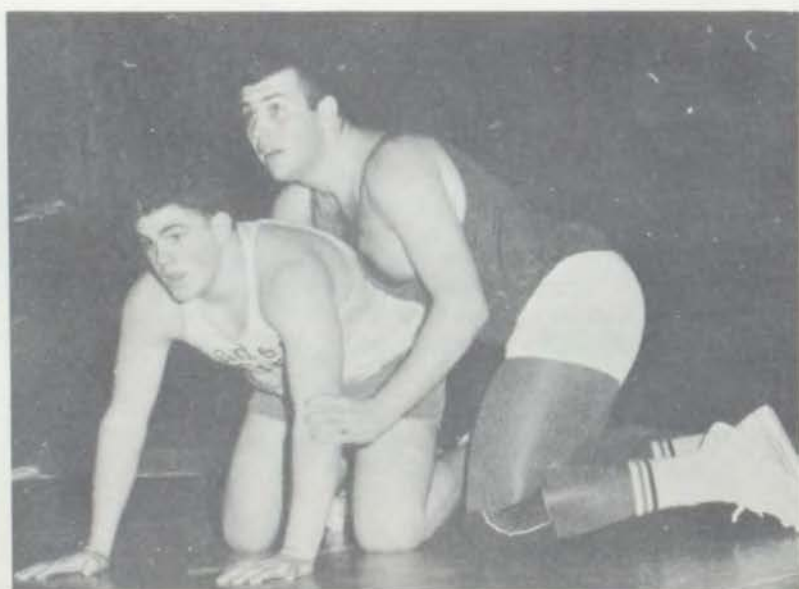

WRESTLING

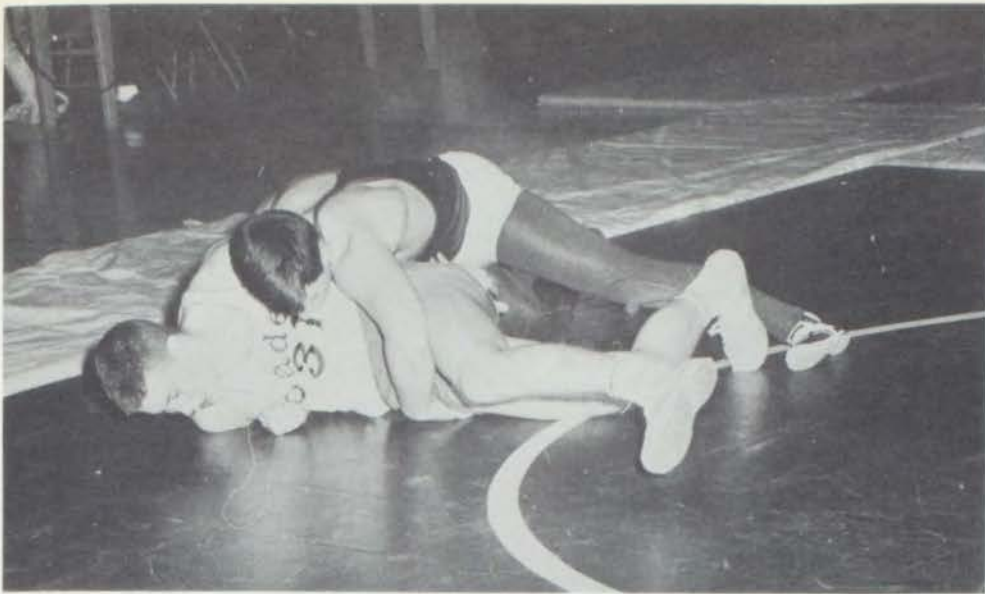

KNEELING: Bibbs, Seigler, Matthews, Brown, Guzman, Como, McHenley. SECOND ROW: T. Stewart, Brady, Chavez Latma, J. Stewart, J. Garcia, Remmers. THIRD ROW: Brother Jerome, Madelo, McCord, Stadler, Dekat, Beach, Simpson, Mr. Kobets.

Hampered by injuries and lack of experience, DLS's wrestling team ended the season with 2 victories and 4 losses, while finishing third in the Catholic League Tournament.

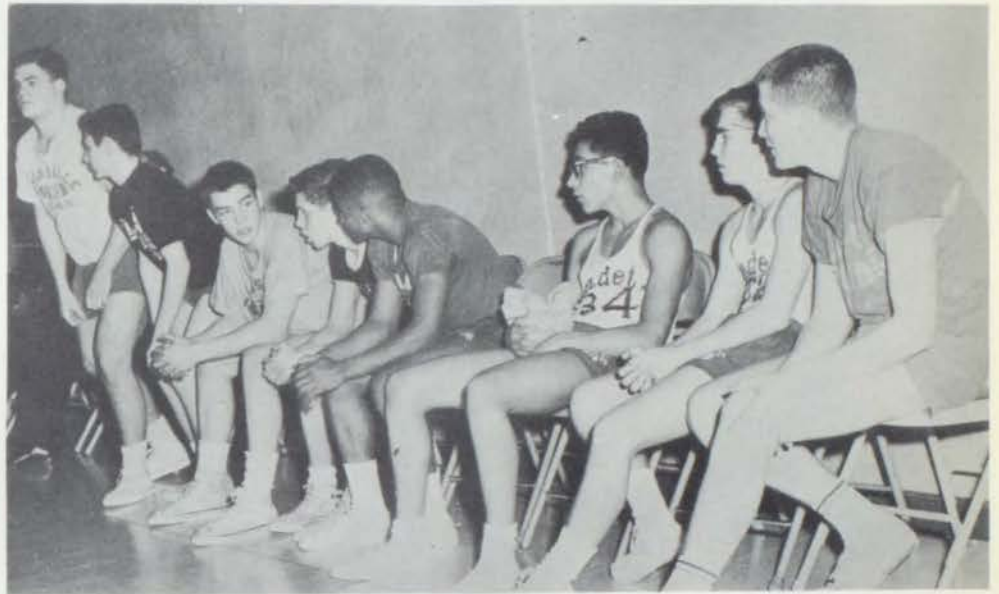

Although wrestling is a team sport every event is an individual challenge. This sport has done much to add to the competitive tradition of DLS. The skill gained this season by the young team should prove to be a valuable factor in determining next year's successes.

McNernay gets set to avoid a break down by his opponent in the heavyweight division.

Dekat struggles to escape the firm grip of his opponent.

The tension mounts as each member waits for his turn to come.

Matthews tears into his opponent.

KNEELING: Oti, Renaud, Barba. **SECOND ROW:** Whitley, Carry, Hiemer, Losapio, Bodeen, Jackson. **THIRD ROW:** Brother Walter, Impericle, Cummings, O'Brien, Shipman, Williams.

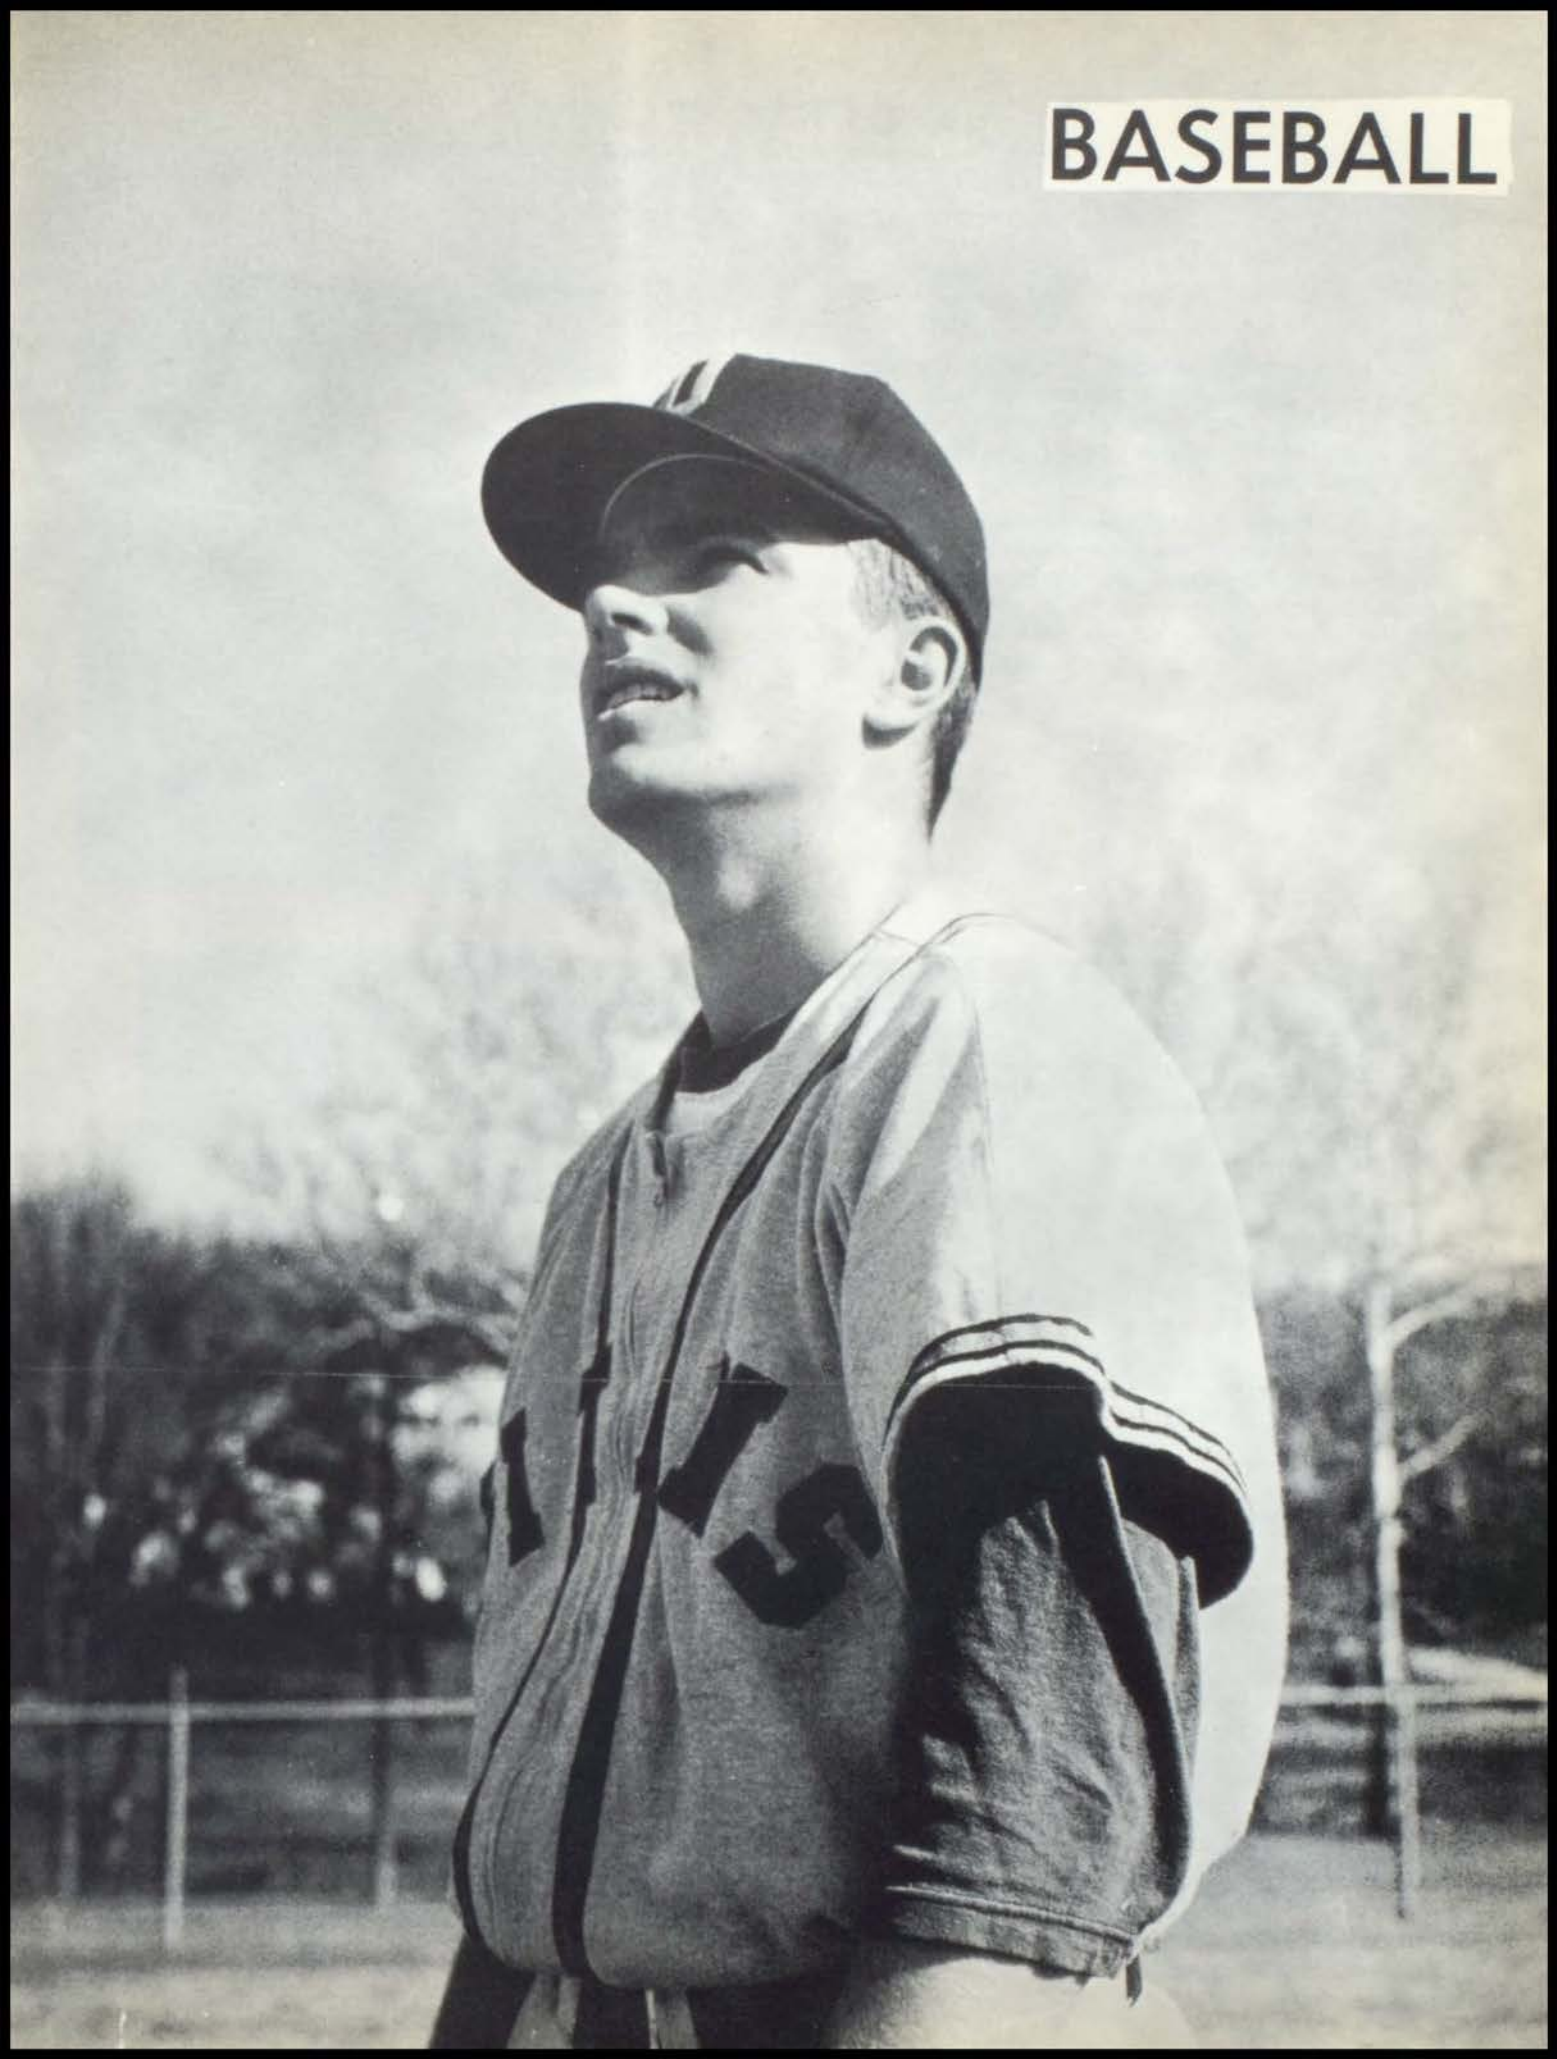

Another DLS first took place this year when the TITANS put out a soccer team under the capable direction of Brothers Lewis and Walter. The team appears to have a very fine future ahead of them since it was composed of only underclassmen.

The kickers participated against Rockhurst twice and also Christian Brothers High in St. Joseph. They defeated Rockhurst in the first match 6-2, but lost in the second outing 6-4. C.B. couldn't combat with our forces and lost 7-2. They thus wrapped up the season with two wins and one lost.

The team has shown much improvement by their balance of power and should have a successful season next year if more games can be scheduled.

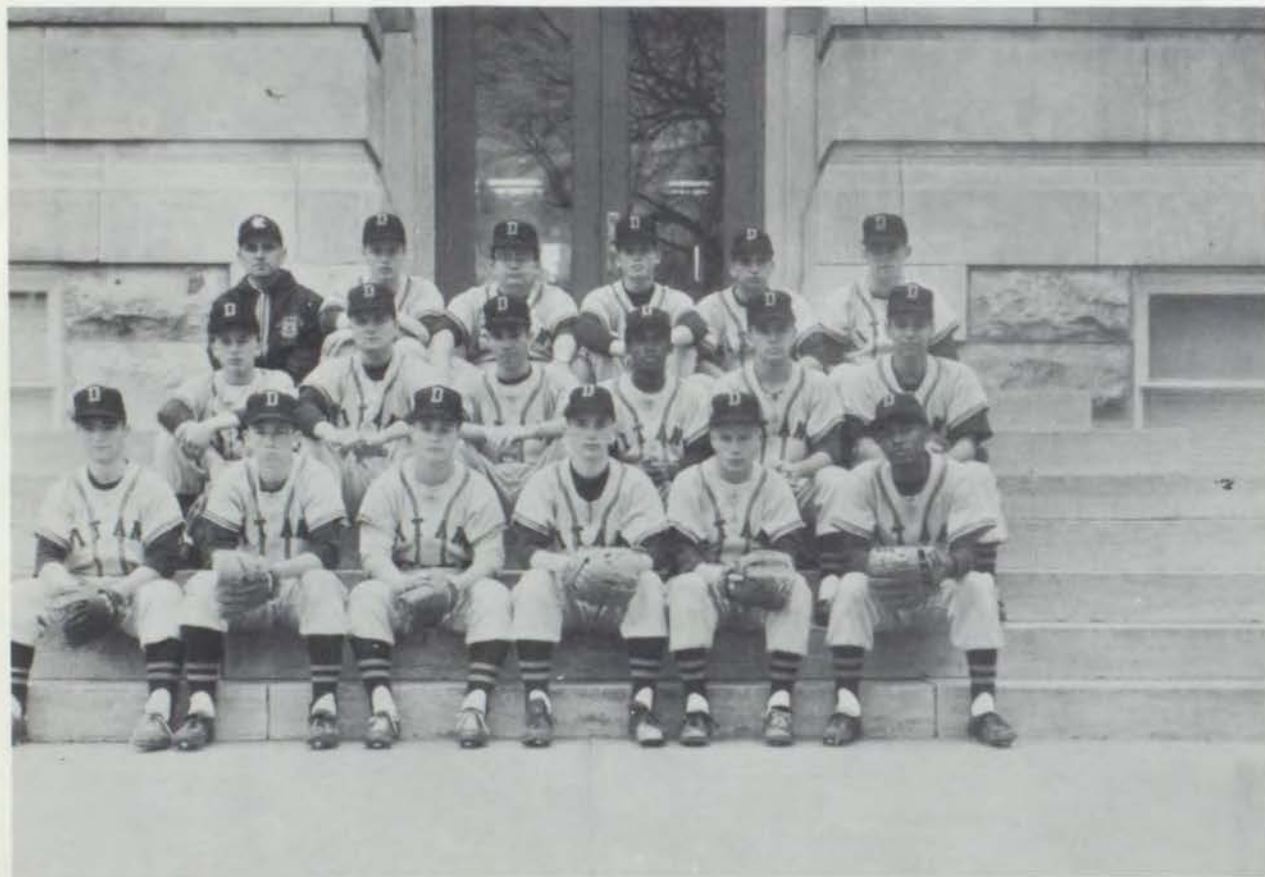

BASEBALL

VARSITY TEAM

Under the leadership of Coach Monteil, this year's baseball team hopes for a successful season. With a little luck the TITANS should win at least half of their games this year for many members are back from last year's squad and there is a good group of future prospects available.

The team is scheduled to face an extremely grueling season with at least three games weekly and most of the time four or five will be played during a week-long period. In all, the team is looking forward to an interesting season with plenty of thrills and plenty of good competitive baseball.

FIRST ROW: Dennis Sweeney, David Rebori, Mike Exposito, Bill McMahon, Pat Walsh, Wesley Sheffield. **SECOND ROW:** Alex Petrovich, Leo Hill, Bob Ramsey, Tony Robinson, Bob Meller, Tom Circo. **THIRD ROW:** Coach Monteil, Tom Kobets, Larry VanDyke, Mike Hoffman, Ron DeAngelo, Mike Quinn.

JUNIOR VARSITY

FIRST ROW: Retelin, Bidnick, Smith, Kupersmith, Comisky. **SECOND ROW:** Win, Malone, Exposito, Robinson, Hofman, McAellin, Hirt. **THIRD ROW:** Mr. Noser, Capra, Sanchez, Clarkin, Baker, Calia, Imperiale.

The Reserve team, under the capable direction of Coach Noser, is out for a big season with its combination of good pitching and well-loosened bats. The schedule is tough but, if the usual TITAN spirit and teamwork is manifested as in previous years, a first class team seems probable.

TRACK

VARSITY TRACK

KNEELING: Davis, Holly, Washington, Voelker, May, Carey, Simpson. **SECOND ROW:** Mr. Morrow, Mgr. Schmeltz, C. Bibbs, Young, Ware, A. Bibbs, Latona, Coach Barro. **THIRD ROW:** White, Heimer, Williams, Beach, Fancher, Higgins, Kelly. **FOURTH ROW:** Conley, Waldron, Madden, Pinkerton.

The 1964 cindermen had a late season debut because of a lingering winter. However, Mr. Barro, in his first year of coaching at DLS, started indoor workouts in February to compensate for "Mother Nature." These hours of agony suffered by the players in practice have molded each into fine athletes.

Exploding out of the blocks with winged feet, and projecting the shotput and discus into new orbital flight records will be the duties of this season's track team. This is entirely possible what with the addition of the many fine sprinters, distance men, and field-events men.

The Trackmen finished second in the Catholic League Meet last year and intend to surpass their performance this year along with bringing to DLS many more honors and trophies from the other meets. In all, they have the potential to be rated among the top teams in the area and in the state.

A veteran Tennis team returns to aid the TITAN netmen to a probable successful season. Their one goal is to avenge last year's defeats.

Guided by Mr. Boland, the team started indoor practice in late February. Mr. Boland anticipated the addition of more matches to prove the ability of the team. If enthusiasm is any measure of success, they will do very well.

Gagliano returns a sizzling serve.

In the district tournament they came in third and gained a berth in the state tournament which was played in Columbia. They have proved their ability in a big way.

HOMECOMING '64

1963 HOMECOMING

Even though the spirits of an exciting week had been dampened by a Titan loss to the Rockhurst Hawkleys, a gay mood presided in the DLS gym on October 19. Dancing to the "dreamy" music of the Roland Stinston Quintet was part of the wonderful evening enjoyed by all. The Dance brought to a close a successful Homecoming which was sponsored by the Senior department.

ROSE DANCE '64

"Rose

The 1964 De La Salle Rose Dance blossomed on February 1, at the beautiful Mirror Lake Country Club in Parkville, Mo. Again the country club was the favorite choice of the Senior Department and the Senior Moderator. Well deserved credit should be attributed to the Senior class and to Brother Jude, without whose unceasing efforts the festivities would not have been possible.

Dance"

This yearly pageant is presented in honor of Our Most Blessed Virgin, The Mystical Rose—a tradition that has long been a part of De La Salle History. Rapturous themes rang throughout the clubhouse as a Toni DiPardo Orchestra serenaded the star-struck couples. The night of the Rose Dance was changed from ordinary to extraordinary, from a dream to a dream come true, by a clear, moon-lit sky, and a touch of cool weather.

VARIETIES '64

D.L.S. VARIETIES '64

The '64 Varieties, directed by the talented stage veteran, Brother Bernard, provided two nights of rollicking entertainment for the students of DLS their parents and friends. The DLS thespians spoofed everything from T.V. commercials to the Beatles with a few more serious acts thrown in.

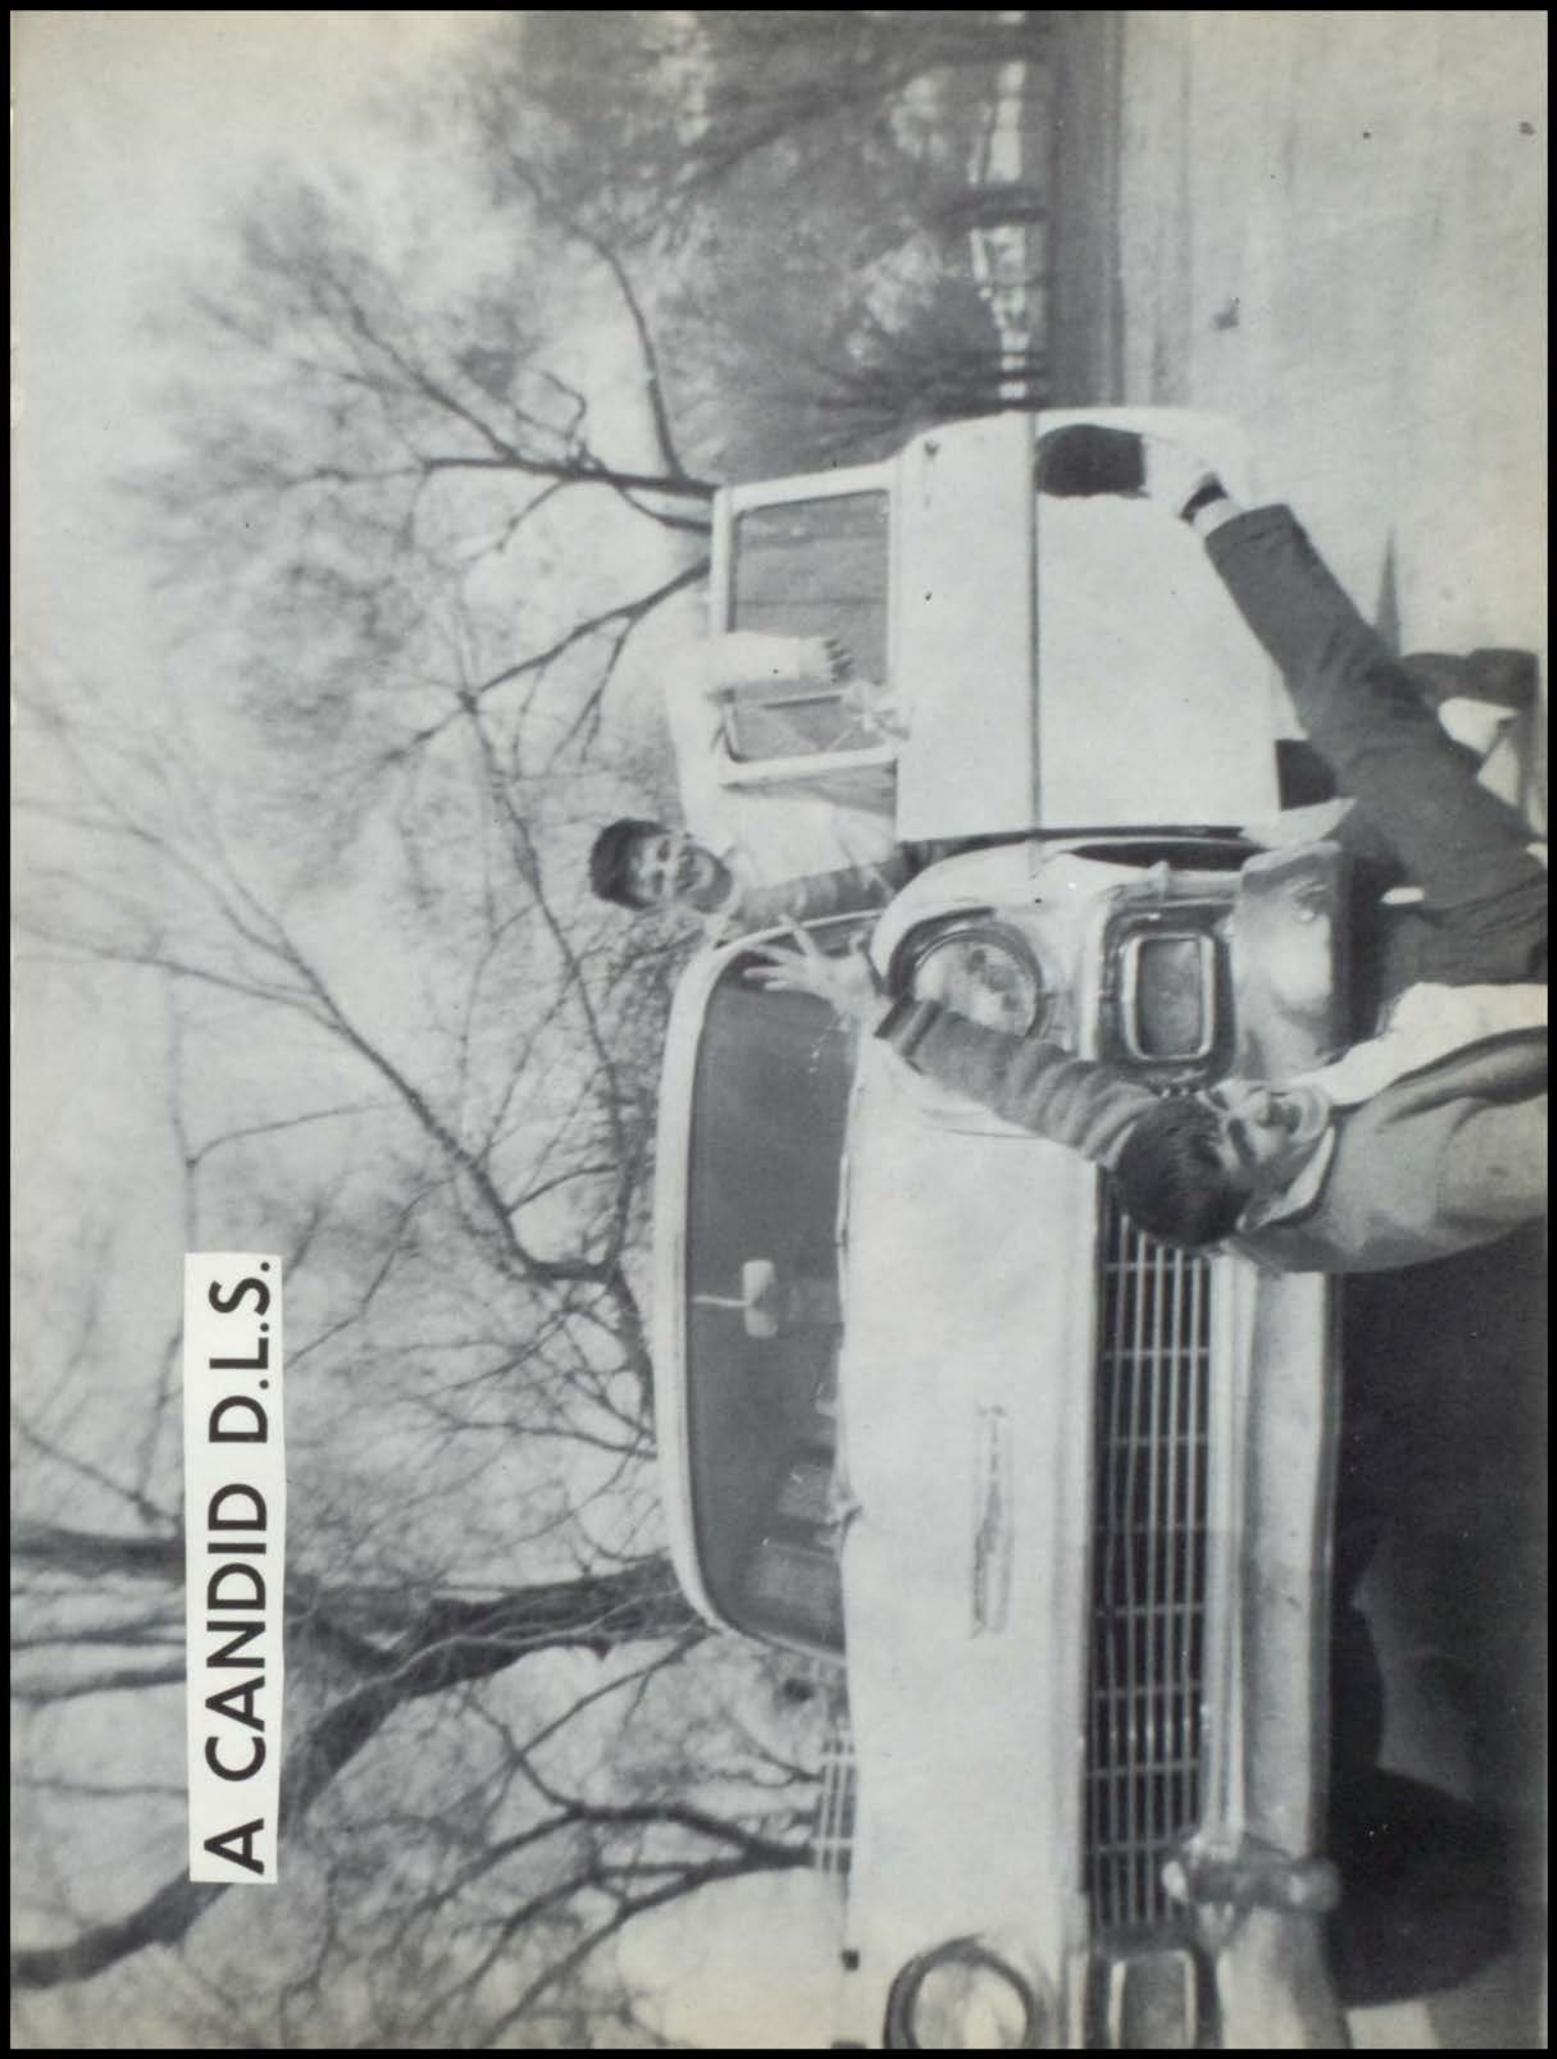

Under the trained eye of Brother Bernard, the students did all the writing of scripts, preparation of properties, and arrangement of lighting effects; but when it came to the acting out of parts the students let some of the parents join in the fun.

Due to the hard work of Brother Bernard and fine cooperation of the students, the '64 Varieties was the High Light of the school year.

MOTHERS CLUB

The Mothers' Club, Moderated by Brother Bernard, is an organization of the mothers whose sons attend De La Salle High School. This organization promotes a number of projects each year for the financial benefit of the school. These include a rummage sale, luncheons and card parties, the Alumni Banquet, and the Father and Son Banquet. At Christmas the Mothers join the Fathers' Club, Chapel Guild, and Glencoe Club, for a gala party that offers fun and fraternization. The proceeds derived from these events are used to make repairs and improvements around the school.

FATHER'S CLUB

The Fathers' Club of De La Salle, under the experienced and able moderatorship of Brother Joel, has attained new heights in leadership and sponsorship of important activities here at De La Salle. The Fathers' Club handled all home games for the football and basketball teams. The attendance and concession receipts went toward making these two seasonal sports a financial success in addition to the athletic success. The Fathers' Club has also sponsored the stamp drive through which new football helmets were gained.

The D.L.S. Fathers' Club has been working earnestly throughout the entire year for the benefit of their sons and De La Salle. Among the Club's accomplishments can be listed the complete paneling of the audio-visual room, the purchase of a projector and screen for the A-V room, the tiling of the hallway from the gym to the cafeteria, and the remodeling of the hereto unused firing range into a phys-ed locker-room and coach's office. The students of De La Salle will always be indebted to these men for the many things they have given to De La Salle.

Brother Bede; Mr. Norman Coakley, Jr., Vice-President; Mrs. Mary Ann Glick, Secretary; Mr. Bernard Sullivan, President; Mr. Richard Anderson, Treasurer.

GLENCOE CLUB

The Glencoe Club of Greater Kansas City is composed of the families and friends of the Christian Brothers. The function of the Club is the spiritual and temporal encouragement of students in the Houses of Formation, as well as all Christian Brothers. The Club is under the guidance of Brother Bede.

The most important activity of the Club is the Quarterly Mass and Communion offered for the intention of the Christian Brothers. The Mass is offered at various parishes

throughout the City and is followed by a breakfast at De La Salle. The one fund-raising project is the annual Card Party, the proceeds from which are donated to the various Houses of Formation and to De La Salle High School. In addition to the regular monthly meetings there are social activities such as the annual spring picnic for the Brothers, the Pot Luck Dinner, the annual installation of new officers, and the joint Christmas Party of all De La Salle Clubs.

Mrs. Helen Mahoney, Historian; Mrs. A. F. Lynn, Secretary; Mrs. A. P. Staab, Vice-President; Mrs. E. J. Lamb, President; Mrs. John Swanson, Treasurer.

CHAPEL GUILD

The De La Salle Chapel Guild, organized in 1950 with 16 Charter Members by Brother Josephus Michael, has a prominent place in the social curriculum of the school. Brother I. Norbert is the Spiritual Director of the Guild, which has a present membership of Their very important work is the maintenance of the chapel, caring for the vestments, pro-

viding hosts, candles, flowers, etc. With funds they have raised by an annual Card Party and other activities, they have provided the modern new Altar for the Brothers Chapel.

The Chapel Guild meets every second Tuesday of the month. Members of the Guild share in a spiritual remembrance, for deceased members, which is offered in a mass once a month.

THE ALUMNI BANQUET 1964

ALUMNI ASSOCIATION

The De La Salle Alumni Association is, as we grads think, the oldest and most important organization at De La Salle. We are proud to be "Brothers' Boys" and are always striving to bring all "Brothers' Boys" into the Alumni.

Brother Joel, class of '43, is truly the inspiration and guiding hand for the Alumni. The activities are well attended and is definitely the place to renew old acquaintances.

The Alumni banquet is the event of the year. This year the attendance was tremendous and it was increasing year after year. At this ban-

quet, the graduating class is welcomed to join the Alumni and urged to participate in all endeavors. We are always most grateful to the De La Salle Mothers' Club as they serve the delicious meal. The Silver and Golden Anniversary classes are honored at these banquets.

The Alumni are always ready and willing to help De La Salle and the Brothers.

It is always an inspiration to us and we feel a sense of accomplishment to the Brothers to see so many of the older alumni who have never lost their loyalty to fine dedicated Brothers who started them on the road to life.

STUDENT COUNCIL

At the beginning of the school year not much was heard of the Student Council, because no one was interested in having a school government. Just prior to the end of the first semester several students, particularly Sam Grisafe and Steve Bax started the ball rolling. Brother Peter was consulted and a meeting was called.

Senior officers Bob Meller, Ron DeAngelo, Mike McGuire, Ron Doumitt, as well as other representatives present at the meeting decided that officers should be elected as soon as possible to draw up a constitution but as it turned out the senior officers were willing to take the responsibility upon themselves to hasten the process. Therefore the Student Council finally went into operation to repair the faculty-student

relations that were previously a great detriment to the school activities. Brother Peter has generously contributed his assistance in aiding the young politicians. However, the officers themselves have given much toil and sweat for the betterment of the school in general and the entire student body. These officers exercise their power in a republican manner, with the majority vote being the final judge. Reasoning and common sense produce the decisions made by the council. The Student Council is an important school activity although it doesn't command as much interest as sports. Like any other activity, it will only be as effective as the students make it.

NATIONAL HONOR SOCIETY — DE LA SALLE CHAPTER

The National Honor Society, under the direction of Brother Leonard Peter, is designed to honor the outstanding Juniors and Seniors in scholarship, leadership, service, character, and religion. This year there are four members, all of which are seniors (the juniors had not yet been selected when the above picture was taken). To become a member, a person must be nominated by a faculty member and be approved by the entire faculty. He must also exhibit leadership qualities and have at least a "B" scholastic average.

The founders of this movement originally established the National Honor Society to stimulate scholarship, leadership, service, and character of students in the secondary schools of the country. As it has grown in the number of chapters and has extended its scope, its ultimate objective has become that of raising the scholastic level of the secondary schools in the United States to a higher plane.

It is the present hope of the founders to direct and to center the enthusiasm of the youth of this land, as they take their place in the life of our nation, to the end that they will raise our secondary schools to the standard of more effective service in the young people within the sphere of their influence.

In pursuing its objectives, the National Honor Society has encouraged the establishment of chapters in secondary schools. These local chapters have, as members, students upon their merits. The National Honor Society has increased

steadily. Today, there are over 6,000 senior chapters and about 1,000 junior chapters in all of the United States and her territories and possessions, and in American schools in foreign countries.

The chief advantages of having a chapter of the National Honor Society or the National Junior Honor Society as the representative honor group are:

1. It creates an enthusiasm for scholarship throughout the school.
2. It encourages a desire on the part of the students to render service to the school and to the community.
3. It causes the student to evaluate himself and to see if he has potential elements of leadership.
4. It is a stimulus to the student to observe those acts by others that develop strong character.
5. It encourages students to continue their education.
6. It defines and marks high standards for the ideal secondary school student.
7. Its national scope gives it high significance and unusual prestige. The emblems are more and more in evidence, and this augments the desire on the part of students to become members of this widespread organization.

MISSION CLUB

The De La Salle Mission Club, under the inspirational guidance of Mr. Kobets, has continued its purpose of developing in the student body a better understanding of the place of the Lay Apostolate in the Church, and a Missionary spirit built upon love. The Mission Club has four objectives: 1) personal sanctification of the individual members, 2) to develop an attitude of love, not pity, for the destitute people of the world, 3) to provide practical training for the parish workers of the future, and 4) to co-operate with the organi-

zations already set up for mission work within the diocese.

Under the leadership of the Mission Club has attained its aims through a number of successful projects during the past year: weekly collections from the students for the missions; Bishops Thanksgiving Day clothing drive, Christmas baskets for 100 needy families; the Bishops Relief Fund collection; and, supporting the education of a Brother in Guatamala.

CATHOLIC TEENAGE APOSTOLATE

The C. T. A. — Catholic Teenage Apostolate — is a central organization of all religious organizations existing within a particular school. Since each religious organization has the same general aim — apostolic action enriched with some form of prayer or mental meditation — they have the same problems. These include the realization of the aims of the organization. These aims present several problems, the most basic of which is the method of approach. Many organizations try panel discussions, hospital visitations and, other forms of Catholic Action such as the teaching of retarded children. Which is the best? Another problem is that of personnel

and leadership. How can the feeling of loneliness be destroyed in one who strives to be an active, vital, and dynamic force in an organization.

To solve these problems it has been concluded that a central organization such as the C. T. A. could be a workshop for spiritual moderator and the youth of the organization whereby the common differences could be better understood, all problems be discussed and logical solutions to them be found through experimentation.
