## *Dedication*

We dedicate our Eastonian to the world our boys and men are fighting for, the world which it will be our duty to preserve. It will be our responsibility to rebuild what other nations have tried to tear down, and thus prove that our men have not died in vain. We must be able to profit by our experience, this experience of war, so that we may prevent it from ever happening again.

There is no night so dark, but that out of it somewhere, there will shine a star of hope, and out of this darkness we are confident that there WILL come a new birth of freedom, a world where all nations will be free and equal. That is what we are looking forward to, the postwar world, a world of happiness and peace for all!

## *Grandview*

*I looked to the west this morning,  
Upon a silver plane  
Gliding aloft like a gray hawk,  
Braving the sun and the rain.*

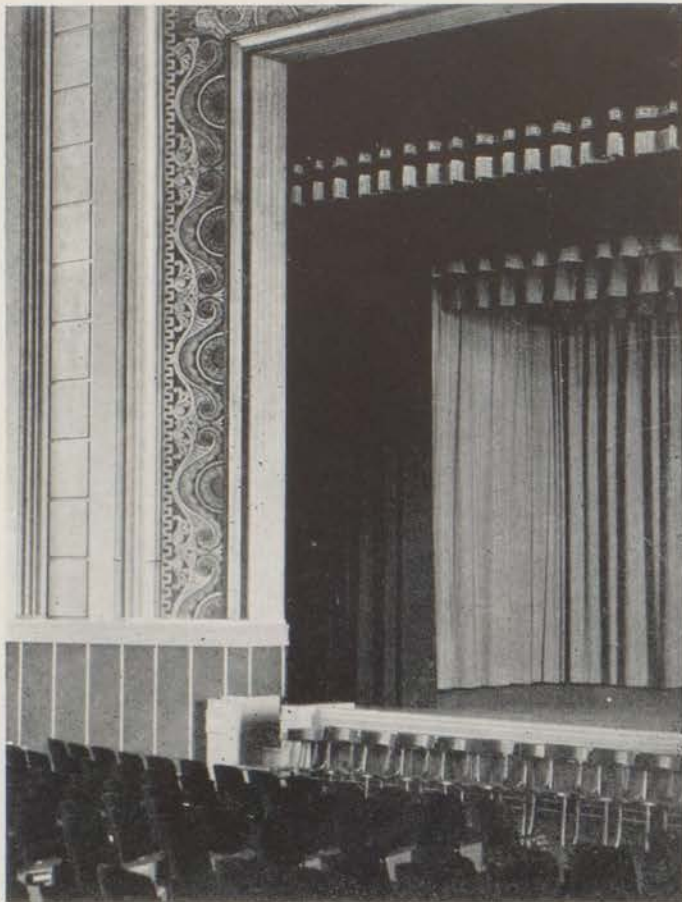

*Far to the north was the river,  
Muddy and wide and slow,  
A part of the Father of Waters,  
A gift from the lands of snow*

*To the south I gazed on a garden;  
Then I turned to the rising sun,  
And I saw our beloved flag flying,  
The flag of the Many in One;*

*It floated over a schoolhouse,  
Bravest sight of all to me,  
A school for all our children,  
Under the flag of the free!*

## To Seniors

Again it is my privilege to speak for the faculty and undergraduates a word of appreciation and farewell to the departing seniors. As you leave our halls, you will carry with you not only our warm regard as friends and companions of the recent years but our respect and admiration for the high quality of leadership you have displayed and for the very definite contribution you have made to the growth in East High School of a finer spirit of cooperation and student responsibility.

It is my considered opinion that the high school has had nothing to offer you transcending in importance the opportunity to develop the will and the capacity to assume responsibility and to carry on under your own power to a worthy goal. Whether your diplomas represent the customary degree of mastery of the course content of American history, chemistry, trigonometry or English literature the disturbed conditions under which you have worked the past year and the many distractions to which you have been subjected lead

me to doubt. But the accolade accorded our battling basketball team

of putting into every play everything they had can with equal reason be accorded the Class of '44 in its every undertaking. Thus came your success in the nation-wide paper salvage drive and in the other phases of the war effort—Red Cross, stamp and bond sales, the work program.

Your leadership in student council activities has resulted in an expansion of the faculty-sponsored student committee plan to embrace many areas of study and action. In a very real sense the decisions of these groups have reflected student viewpoint and have met with general voluntary acceptance. Student conduct in school and out has become a matter of student concern. Student initiative has been welcomed and proposals, whether emanating from home rooms or individuals, when found to be sound have been adopted. The revival of the Outburst was in considerable degree the result of student interest and effort, and the inauguration of the community center was almost wholly a student achievement.

As you go forth to assume your new obligations, many to immediate induction into the armed services of our country, we know that you can be depended upon to carry on in characteristic East High spirit. You will give a good account of yourselves. Our prayers and best wishes go with you.

## Senior Officers

On November 2, the senior class officers were elected by ballots of the senior students. During the senior year, the students are engaged in more activities than ever before in their preceding high school years. Plans for the year are prepared and developed by the senior officers. Edward Mais, president of the class, has taken part in many activities and in doing so, he has acquired the reputation of a competent leader. Ed received many other honors during his senior year such as Best Boy Student, Boy Who Has Done Most for East, president of the Student Council, and Hamiltonian.

Don Braidwood, Most Popular Boy on the Senior Ballot, was elected vice-president of the senior class. A very faithful Hamilton, he was elected treasurer, president and sergeant-at-arms, during his four years in the club. Don was also a member of the Engineer's club, Hi-Y, and was on the General Honor Roll all four years.

Shirley Coughlin, Most Popular Girl on the Senior Ballot, was elected secretary of the '44 class. Shirley has been very active in school entertainments and activities. Among her many honors she was Senior class representative of Student Council, Eulexian and president of Eulexia, recording secretary of the Commercial club, Issue Editor of Echo, and on the Eastonian staff.

Inez Lord, elected treasurer of the senior class, was also treasurer of her junior class.

Inez has been a shining figure at East and has participated in many activities. Among her honors are Best Girl Bluffer, secretary of the Student Council, treasurer of Leundis, and president of the Senior Girl Reserves.

Chosen reporter of the senior class was the very active Shirley Sims. Shirley, Girl Who Has Done Most for East, was also reporter of her junior class, president of Leundis, a star in "Black Hawk," a member of the debate team, a charity speaker, and a leader in many other school activities.

Martha Coleman was elected Giftorian of the '44 senior class among many other honors she has received. Martha has definitely been a leader during her four years at East. She was elected vice-president and secretary of Leundis, secretary of the Commercial club, Gift Receiver of the junior class, treasurer and reporter of the A Cappella Choir, and was on the General Honor Roll all four years.

Bob Baker, secretary of the junior class, was elected sergeant-at-arms on this year's senior officer ballot. Bob was elected junior representative of the Student Council, vice-president of the same organization this year, vice-president of the Hamilton Literary society, treasurer of the Hi-Y. He was also a proctor captain, a member of the Museum club, Spanish club, fullback and co-captain of the football team.

*Honor Society*

When, on April 20, the invitations for the National Honor Society were given out, thirty-five members of the senior class learned they had reached the cherished goal of every student.

Officers of the junior class presented the bids on this day, and on May 11, the seniors received their most prized possession, the small pin with four symbols inscribed on it. These four symbols represent the four ideals upon which the Society was founded: Scholarship, Leadership, Character, and Service.

To become a member of this organization, a senior must have a scholarship index that will place him in the upper one-fourth of the senior class, and he must also have activity

cards signed by the sponsor who has charge of the activity. These activity cards represent service and leadership in activities that have been satisfactorily completed as judged by the faculty sponsor of that organization. The final index is obtained by adding the scholarship points and the activity points. The names of all candidates are submitted to all members of the faculty and must be found acceptable by them.

The members of the faculty committee who aided the teachers to choose the thirty-five students are: Miss May Farr Hiatt, chairman; Mr. Ralph Tiefel, Miss Evelyn Gilchrist, Mr. James Curtis, Mr. John N. Broadlick, and Mr. W. W. Clement as an ex-officio member.

## *Student Council*

The Student Council represents the student body. Outstanding students are chosen by the home rooms to be their Council representatives. From the home room to the Council, the members take suggestion; from Council meetings to home rooms, the members report decisions and recommendations.

In the first semester, the Council sponsored a Paper Drive; East won first place in the city contest and collected 42 tons of paper worth \$285.49. Both Councils gave their plans and efforts to promoting the OUTBURST which was revived for the first time in three years. In the second semester, the Council voted to bring back the scholarship awards given to students who earn three E's in solids or the equivalent 16 honor points per semester. The awards for the first year honor roll is a bronze "E," second year is a silver "E," third year is a gold "E" and fourth year is a gold "E" and a guard if a gold 'E' has been won.

The officers of the Student Council for the first semester were: Ed Mais, president; Bob Baker, vice-president; Don England, secretary; Bill Thuston, treasurer; Bill Adkins, sergeant-at-arms. The executive board for the first semester was: senior representative, Mary Catherine Brandt; junior representative, Beverly Henson; sophomore representative, Charles Russell; freshman representative, Bob Worley.

The officers of the Student Council for the second semester were: Bill Gilbert, president; Don Braidwood, vice-president; Inez Lord, secretary; Noel Hughes, treasurer; Larry Seright, sergeant-at-arms. The executive board for the second semester included: senior representative, Shirley Coughlin; junior representa-

tive, Charlotte Emery; sophomore representative, Leonard O'Neal; freshman representative, Bob Worley.

The committees responsible for the many activities of the Student Council are named by the executive board and Miss Boone, faculty advisor. Mary Catherine Brandt was chairman of the courtesy committee; the other members were Bill Adkins, Richard DeShazer, Catherine Hill. Members of the paper drive committee were Bob Worley, Charles Russell, Beverly Henson, and Mary Catherine Brandt. The mixer committee's chairman was Beverly Henson; the other members were Bob Baker and Betty Farnsworth. Members of the OUTBURST committee were Maxine McMurtry, R. C. Amos, and Joyce McElroy as chairman.

There were six committees in the second semester. The members of the corridor committee were Don Braidwood, chairman; Karlin O'Neal, Inez Lord, James Seidelman, Betty Lou Miller and Mr. Dix, faculty advisor. The members of the campus committee were Bob Worley, Leonard O'Neal, John Carver, Mary Ray, Helen Glad. The members of the cafeteria committee were: Charles Russell, Charlotte Emery, Larry Seright, and Mr. Broadlick, faculty advisor. The girls' restroom committee was Shirley Coughlin and Inez Lord, Miss McClure, faculty advisor. The boys' restroom committee was Noel Hughes and Leonard O'Neal, Mr. Broadlick, faculty advisor. The assembly committee members were Shirley Coughlin, Jim Seidelman, Charlotte Emery. Beverly Henson was chairman of the mixer committee.

## *Home Rooms*

At the end of the first hour there is a period of sixteen minutes, which is called the home room period. Most students use these sixteen minutes in the first hour class room, where the period is used for the sale of tickets to school activities such as basketball and football games, and plays and contests. The home rooms elect a president for each semester. The presidents are representatives of their home rooms to the student council, which is composed of the home room presidents. It is the purpose of the student council to help the students and faculty to co-operate. Then, it is the duty of the home room president to relate what happens in student council to his home room that all the students may be kept acquainted with the affairs of the school. Those who acted as home room presidents during 1943-44 were:

Grant Emery, R. C. Amos, Bob Armstrong, Mary Ann Rodak, Wilma Mathis, Don England, Jewell Stagg, Beverly Henson, Tommy Stokes, John Soltys, Richard DeShazer, Joe Vogliardo, Norman Dennis, William Schaefer, Bill Thuston, Joyce McElroy, Helen Pierce, Cecelia McCarthy, Bill Adkins, Martha Schaefer, Betty Schupp, Catherine Hill, Jerry Griffith, Ralph Toler, Betty Farnsworth, Charles Leopold, Mary Catherine Brandt, Bob Worley, Dick Penfold, Glenn Bailey, Jack West, Jeanette Leeth, Barbara Casey, Ray Hayworth, Mary Eubank, Robert Rannabarger, Bill Swanson, Steve Ainsworth.

Those who acted as home room presidents the second semester were:

Dick Johnson, Tom Stalcup, Bob Armstrong, Shirley Coughlin, Mary Ann Rodak, Jim Seidelman, Julia Lee Nelson, John Carver, Mary Alice Ailshire, Charles Moore, Leroy Green, Karlin O'Neal, Betty Cox, Leonard O'Neal, Harry Holden, Bob Jones, Jack Delaney, Clarence Rogers, Larry Seright, Helen Glad, Avenell Feltis, Shirley Simpkins, Charles Leopold, Don Hall, Bob Graham, Inez Lord, Bob Worley, Charlotte Emery, Bill Speaks, Noel Hughes, Billy Kauffman, Betty Lou Miller, Mary Ray, Meredith Richardson, E. G. Scott.

It is through the home room period that the business of the students with the school is carried on. It consists of only sixteen minutes, yet much is accomplished in that time. The business staff under the direction of Miss Baker takes care of the money that is turned in by each home room. Those on the business staff were: Mary Francis Martin, Mary Jane Smith, Helen Purdue, Virginia Noland, Cathleen Garvey, Donald Leweeke, Jessie Mae Rockwood, Dale Burns.

A large amount of money was received from the home rooms during this year. The total of the bonds and stamps sold up to the month of April was \$10,490.44, this is the amount of money that East students and teachers have invested in their government. During the week of the Red Cross Drive, \$532.00 was collected. East spirit always aids the efficient business staff in the many essential war efforts.

## Outburst

Harmony Ranch, crowded with cowboys and cowgirls decked in full western regalia, was the setting March 17 and 18 for the thrilling comeback for the Outburst.

With an army camp situated near the Ranch, a company of ROTC cadets became the soldiers, and a group of twelve girls portrayed the WACS. The cadets' commanding officer was Robert McCorkindale.

The "Sleepy Hollow Gang," a group of rough-and-tough cowboys headed by Harold Jackson, were the "hombres" who were stealing the cattle from Harmony Ranch, and Wayne Heady, the owner of the ranch, found it necessary to round up the thieves, which he succeeded in doing "con mucho gusto."

There was a host of vocalists who lent their talents, all of whom helped to prove the East high swing orchestra was one of the best in versatile accompaniment. Those who sang were: Velma Corey, Betty Roberts, Grace Ivy, Donald Kudart, and Harold Jackson. Wadean Hayworth, Marjorie Duncan, and Marie Mistele were the featured dancers for the two evenings.

Ray Chance, in blackface, and Richard Clark, as an old settler, provided the necessary comedy to "brighten up" the show. There were also a number of special song and dance routines, a rope-twirling demonstration by Frances Heinman, impersonations of several well-known persons by Richard Clark and an accordion solo by Don Braidwood. Doris Ha-

gan, a lovely blonde, whistled a popular tune, and Anna Marie Warren played the harmonica. An accordion duet by Jean Ann Nordyke and Norma Humphry and a vocal duet by the Sieggen sisters, Margaret and Anna, brought two teams together.

Perhaps the act which received the heartiest applause was the dance by seven beautiful chorus "girls," who danced with charming "grace" to Paper Doll. The "girls" were: Bill Winders, Stumpy Shornick, Herbie Lawrence, Junior Hutton, Don England, Ray Silvey, and Bill Tarr.

With a glowing tribute to our soldiers who are dying to preserve our liberty, the Outburst closed with a reading of the "Unknown Soldier" by Robert McCorkindale. Softly colored lights glowed on the white cross, the symbol of the unknown dead, and on the American flag, the symbol for the ideals for which those thousands of unknown gave their lives, while Betty Roberts sang "God Bless America."

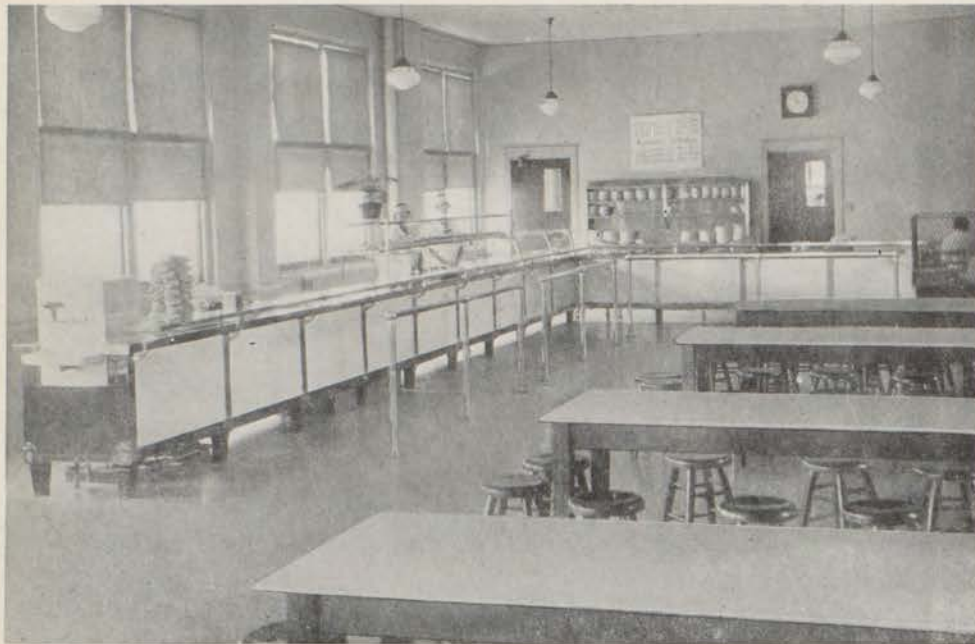

The Outburst was greeted with enthusiasm, and the students expressed their appreciation to Miss Grace Breen and to Mr. Wendell Ryder of the speech department and music department, respectively, whose kind and sincere interest made the Outburst a success.

This new 1944 Outburst truly proved that "East Can, if East Must, and East Will," Once again East's school spirit was on the very top.

MRS. ROMINE

## *Cafeteria*

One of East's proudest possessions is her fine cafeteria which has furnished well-balanced meals and wholesome food for students and faculty despite rationing and high prices.

Directed by Mrs. Romine, supervisor for many years, the East cafeteria has been considered one of the most efficient of the Kansas

City school cafeterias. Total sales have surpassed all previous years.

The cafeteria staff members are: Jane Furness, Mamie Davis, Mary Audsley, Myrtle Townsend, Claudie Dalton, Christiana Stucker, Flora Howe, Florence Hale, Oma Brummell, Mamie Burger, Elise Mcguire, Mildred Stark, Fred Clark, and Irene Jones.

## *Stage Crew*

Under the direction of Mr. J. C. Michaels, general science and chemistry teacher, the stage crew members perform many important duties.

Among these are arrangement of stage settings, taking care of all sound effects, lights and the microphone. This demands very exacting work. The stage crew had a large part in the success of the mid-year play, outburst and the assemblies.

East students are grateful to Mr. Michaels and the boys for their many hours of overtime work.

The stage crew members are: Jack Knapp, first semester captain, Wayne Heady, second semester capatin, Eddie Mais, co-captain both semesters, Grant Emery, Dick DeShazer, Fred Duncan, John Krohn, Richard Nichols, Karlin O'Neil, Leonard O'Neil, Gene Quinn, Kenneth Rudeen, Charles Russell, Ralph Tiefel, and Robert Werning.

## Industrial Arts

The industrial arts classes have been very busy at East the past year, taking part in contests and going "all out" in the war effort.

The wood shop under the direction of Mr. McClure, has built many projects for the Red Cross including hospital wagons, canes and game boards. Also, a one-passenger glider is being assembled under the supervision of Mr. McClure. Probably the most popular projects made are the cedar chests and small tables of which many are now in construction. Several boys have made model airplanes, but not on such a large scale as last year.

The metal shop, under the supervision of Mr. Cessna has been going "full blast" this year. The boys have been learning forging, welding, and all the fundamentals of metal work. A few cars have been repaired or

overhauled and the importance of safe driving and maintenance has been stressed. The boys learn a great deal in a year of metal and many take up metal work as a hobby or vocation.

Under the direction of Mr. Tiefel, the drafting department has been doing exceptionally good work this year and placed high in the regional contest. In the senior division, Don Braidwood received second place and Robert Nelson an honorable mention. In the sophomore-junior division, John Krohn received first place, Bob Humphrey second place, Dick DeShazer third place and Don Trail an honorable mention.

The drawings are to be entered in a national contest in Pittsburgh in May. Besides this the boys have been making drawings for the glider now in construction.

## Commercial Department

Members of the Commercial department have acquired their knowledge of office training not only from books, but also from actual practice.

During the contests, the Bookkeeping classes gain practical experience by handling funds and balancing the books. The classes have received approximately \$18,000 this school year.

In the typing and shorthand classes, there are many students who gain experience by serving as secretaries to members of the faculty.

Those receiving awards in the first year typing classes are:

*Sixty Words*—Meredith Richardson.

*Fifty Words*—Margaret Ballou, Dorothy Dixon, Doris Johnston, Darline Bell, Marilyn

Coonrod, Nita Cline, Peggy Baker, Virginia Coppedge.

Awards in second year typing:

*Seventy Words*—Gerald Stanton, Vivian Wood.

*Sixty Words*—Agnes Hawn, Shirley Simpkins, Vivian Scott, Elsie Lewis, Sophie Marek, Lois Jean Hall, Helen Green, Gloria Collins, Irene Tohline, Wilma Parker, Jean Glathaar, Martha Coleman.

Second year shorthand merits:

Mary Catherine Brandt, Gloria Collins, Shirley Coughlin, Lois Jean Hall, Elsie Lewis, Inez Lord, Opal Mashburn, Virginia Lee Noland, Betty Jo Pace, Mary Ray, Shirley Dean Rose, Jane Rudeen, Martha Schaeffer, Shirley Simpkins, Irene Tohline, Betty McComas, Naomi Mathews, Cathleen Garvey, Martha Coleman, Nita Eldridge, Vivian Wood.

## *Student Employment*

For the first time in the history of East High there were approximately two hundred students who were excused from classes for part time and full day work during the Christmas season this year. Due to the man-power shortage the high school students felt it their duty to help as much as possible by taking work with the Kansas City firms and business centers.

The most popular places of employment during the pre-holiday season were Sears, Post Office, Kresges, Telephone Company, Wards, Hall Brothers, and National Bellas Hess. Wards display advertising, called for students to work two or more hours before school or after school work. For the first time many inches of display advertising in The Echo brought the message "help wanted" to students. Wards has had the total amount of twenty-four inches this year. Sears and Hall Brothers have topped the list by using the largest amount of space having thirty and forty-three inches respectively. The Bell Telephone Company called for seniors to train for work after graduation, using twenty-four or more inches for advertising. The following firms have also used Echo display advertising for students to work: National Bellas Hess, six inches; Western Union, eight inches; and the Forum Cafeteria, twelve inches.

The seniors had an advantage due to the nearness of graduation. Anyone over sixteen could obtain work early in the season.

Many students who were under sixteen were able to work a few hours after school in small shops in the neighborhood.

Miss Crow, Mr. Broadlick, and Mr. Clement visited every firm where pupils were employed and interviewed all the employers. Each employer rated all the students as to the quality of their work. The value of the training in school, attitude toward other students, courtesy practiced in the halls and respect for the teachers, when put to the test in the business world proved profitable for many students.

Since Christmas a demand for employees has increased and many students spend several hours each week earning extra money; this has proved advantageous to the seniors, giving them an opportunity to earn money for dues and other senior activities.

Questionnaires were sent out from the office to obtain a general idea of those who worked during Christmas season; this was done in the fall and the names listed below are the ones that were returned to the office during this canvassing.

Lilburn Tice, Bob Tucker, Jack West, Ray Scarce, Jim Seidelman, Ferdinand Shore, Gordan Sparks, Gerald Stanton, Jack Landingham, Jack Lassiter, Don Leweke, James Morgan, Donald Gibson, Bill Gilbert, Donald Hall, Virgil Harrison, Frank Hays, Bob Jones, Gordan Jones, Don De Pew, Bob Edmondson,

*East Students At Work in Classroom and Laboratory*

## *The East Echo Staff*

The East Echo Staff, as in previous years, began working several weeks before school started to prepare the first and extra copy that is given to each student on the first day of school.

The Echo is published bi-weekly at a subscription rate of \$.65 per year. It is distributed on Thursdays during home room time.

Because of the large number of pupils enrolled in newswriting, a somewhat different procedure was followed this year. The second hour news class made up the staff the first semester, while the fifth hour class studied the principles of newspaper writing, and the outstanding persons in that field. The last semester, this arrangement was reversed.

Each time the Echo comes out, two issue editors are chosen. The assignment list is composed of many lists of possible stories, compiled by each member of the class. The issue editors give out the assignments and check the copy as it comes in.

As soon as the galley strips, which are printed on different colored strips of paper, return from the printer, they are cut and arranged for print. This is called "making the dummy." The following day, the page proof is proofread and corrected, if necessary.

The students enrolled in the news classes are given every chance to write varied types of stories. For example, editorials, feature stories, news items, columns, sports write-ups, etc., are all included in the publications.

Those assigned to football, basketball, or track stories are required to attend the event, write an eye-witness account of it, and compare their copy with the review in The Kansas City Star. In this way, the amateur reporter gains valuable experience in writing first accounts of action stories and discovering his weak points by comparison.

The classes were required to keep notebooks containing examples of different types of stories, headline styles, news articles about prominent news writers, typographical errors, and also, the amount of copy they had printed in the paper.

Two of the Echo reporters, Inez Lord and Shirley Simpkins, were unusually fortunate in interviewing the noted Associated Press war correspondent, Hal Boyle. The press conference took place March 14, at Central High School. Mr. Boyle had just returned from sixteen months overseas. The interview appeared in the Echo in the form of a feature story. Mr. Boyle had previously attended Central, and was listed as the "best feature writer the school ever had."

## *The Eastonian*

The annual is perhaps the most treasured reminder of school life to the graduate. Most important as a storehouse for future memories, the yearbook represents a complete diary of the school year. This memory book will recall many pleasant and happy adventures. In future years the photographs will take on new meaning and the autographs will recall old friends and experiences. Partly forgotten activities will be re-enacted in each student's imagination and the dreams of his colorful youth re-lived. After a few years, graduates will look back and again marvel at the speed with which the world progresses, because the once new styles will look so out of date. But though the photographs may offer a source of amusement, this book will be cherished in the hearts of all.

Preparations for the '44 Eastonian began during the first weeks of the school year. While the art staff planned the general layout of the book, Mr. Grube spent many tedious hours behind the camera trying to catch just the right smile on each student's face to be recorded. With the main photographs out of the way, the art staff really got down to work. Many sketches were drawn and car-

toons designed before it was decided that the theme of this year's book would be post-war world or future life. The East Bear was drawn representing many different caricatures before the sketches were finally approved. The size of the book differs from that of previous years being 1" longer and 1" wider. There was some question as to whether the students could have the annual, but by careful economizing the business staff managed to give them a yearbook for \$1.50 an increase of only \$0.40 in price. The Eastonian budget and subscription lists were also the jobs of the business staff.

The completion of the book and the final compilation of material was left to the editorial staff. These staff members were chosen from the two newswriting classes. The assignments were made during the second semester and the stories were completed as the activities took place. "Copy" was checked and re-checked, sent to the printer and the returning "proof pages" were again checked. Preparation for this book has been in progress since the second week of school. It is a lasting record of your high school days.

Aviation at East holds a great interest with many of the students.

This year, under the joined forces of the drafting department and the wood shop, a full scale training glider has been made.

Mr. Ralph Tiefel and Mr. Clark B. McClure, have supervised the boys in its construction.

The aeronautics classes, under the leadership of Mr. W. S. Esther, have procured an aircraft engine for class time work and study.

## School News

September 8! The East Echo greeted the students on the first day of school. Complimentary to the students of a small staff of enthusiastic news students, the Echo discussed teachers' varied activities during the vacation, faculty changes, Third War Loan Drive, and Bales Park.

On alternate Thursdays, for the entire school year, The Echo has appeared after members have scouted about the school for front page stories, interviews, gossip, and athletic material.

"Names make news" and the Echo has maintained the tradition. From time to time lists of names of persons in departmental clubs, literary clubs, home room officers, honor roll, senior ballot, senior upper quartile, athletic teams, and Christmas vacation positions, have appeared to give recognition to various activities.

A forecast story showed six letter men returning to play football. Cheerleaders were named in the first assembly. Mais was elected student council head for the first semester. A feature story told of Miss Edith Tarbet's enlistment in the WAC. On October 14, the Echo recorded bond and stamp sales of \$4,168.05. Three Echo reporters interviewed Chief Foster on juvenile delinquency. "Open House!" Mothers and fathers viewed work education was doing for the war effort.

"Home Rooms Pose for Eastonian!" Mr. Grube's camera photographed hundreds of smiling faces—and thus began work on the Eastonian. Drama students presented three one-act plays and the A Cappella Choir made its first appearance in November. Twenty-two students were chosen for the Senior Ballot. "East Takes First in Paper Drive!" As a result of long hours of hard work, East students

placed their school on top in the paper drive with a collection of 82,710 pounds.

"Black Hawk Cast Is Chosen!" The drama class presented a mystery play December 3 entitled "The Black Hawk" which received several feature stories.

"Ellis and Burgard Make Second Team." Adkins, Mais, Arnall, given honorable mentions among the League All Stars for '43. East Bears placed fifth in Football after a close combat with other highs in the Interscholastic League having two triumphs, three losses, and a tie. R.O.T.C. promotions were given! The R.O.T.C. made news with their "Hop," appearance in the Armistice parade, and officers rankings.

"Basketball Season Begins!" Before the football players received letters and had their annual dinner January 6, the basketball team was training for a colorful season. A column in the Star was quoted that East's basketball team had "more hustle, spark, and color than any team in the league." East defeated Manual, with a one point margin of 37 to 36. Manual remained undefeated by any other school, winning first in the league.

"Gilbert Heads Student Council Second Semester!" "Outburst Makes Its Debut After Two Years!" "Army-Navy Test Given!" "East Contributes \$500 to Red Cross!" "Kensington Opens!"

"East Defeats Chrisman Bears!" "Bears Beat Pirates on Track!" "East Wins First Interscholastic Meet Ever Held on Our Field, Defeating the Indians."

The foregoing represent some of the headlines that have attracted students attention in the issues of the Echo.

The business staff, art staff, and literary staff, combine their efforts to produce the 1944 Eastonian.

The lower photograph shows the Echo staff reading copy, checking proof, and making the dummy which will be sent to the printer.

## Boy's Athletics

Mr. Esther, Mr. Heine, Mr. Brown and Mr. Heischman are the "big four" of athletics at East.

Coach Brown serves as head mentor for football and track, while the basketball squad is coached by Mr. Heine.

The gym classes are under the supervision of Mr. "Doc" Heischman. The financial and business management of the teams are the burdens of Mr. Esther.

The student managers, Ralph Toler, Karlin O'Neal, Grant Emery and John Soltys, the "little four," take care of, and are responsible

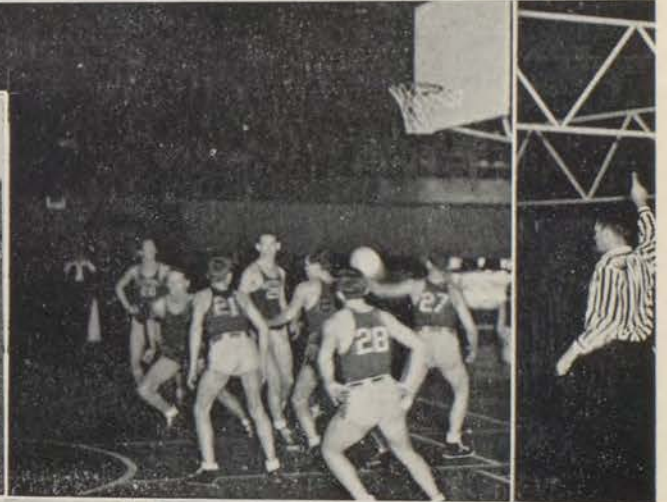

for all the equipment, and see that it is kept in usable condition.

Together, the "big four" and the "little four" co-operate to make matters easier for the teams.

The cheerleaders, Ray Silvey, Don Braidwood, Bill Winders, and R. C. Amos (not pictured) attended all athletic events and put the fans "into the mood" to win and generate the East fighting spirit. East's "skyrocket" has attained popularity in Kansas City and was complimented in the "About Town" column of the Star, written by Landon Laird.

# Football

The Bears of this year made an even break with their opponents, winning and losing three and tying two, a good record for a light team with plenty of junior material especially at the close of the season. The Bears finished in fifth place in the Interscholastic league.

The first game was with Ward High School of Kansas City, Kansas, a non-league tilt. In this game, Bob Burgard recovered a fumble behind the Cyclone goal line to make the only touchdown of the game, which ended in the Bear's favor, 6 to 0.

The Bears made their debut in the Interscholastic league by defeating Southwest 12 to 6. The Indians scored early in the first period, but in the second quarter, the Bears crossed the stripe twice to win the game.

The second game of the season ended in a 7 to 7 tie with the Westport Tigers. Both teams fought throughout the entire first half without scoring. In the third period a pass from Forrest Arnall to Eddie Mais gave the Bears a goal and the lead, but in the remaining three minutes of the game, the Tigers crossed the chalk to tie the score 7 all.

Northeast downed the Bears 14 to 0 in the third league game. The only players to stop the Viking rampage of this season were the Indians.

The fourth game was under the lights at Independence with William Chrisman. The tilt ended in a 0 to 0 tie.

The Bears overcame the Southeast Knights 7 to 0 in the fifth tussle. The highlight of this game occurred when Bob Baker intercepted a Southeast pass and sprinted twenty-five yards to make the initial touchdown.

The next to the last game of the season was to be with Central, but due to weather conditions this grid event was delayed two weeks, with the Paseo game being played in the meantime. Paseo won, 13 to 0. The Bears held the Pirate line the entire first half,

but in the third and fourth periods, their defense crumpled and the Knights scored twice.

The Bears lost their final game to the Central Eagles 13 to 7. Although this tilt proved to be a defeat for them, the Bears probably did their most outstanding playing of the season, especially in the last half. Bob Baker was the spark-plug of the team.

Bill Gilbert and Steve Ainsworth were forced out of play early in the season due to serious heart conditions. Later in the season, Dick Penfold was put out when he sustained an injury.

The annual football banquet was held January 6, at the East cafeteria. Co-captains, Bob Baker and Bill Gilbert presented gifts to Coaches Brown and Heine, in behalf of the team.

These boys received first team letters: Bill Adkins, Steve Ainsworth, Forrest Arnall, Bob Baker, Bob Burgard, Glenn Ellis, Bill Gilbert, Bob Johnson, Ed Mais, Ray Mais, John Neville, Dick Penfold, John Reardon, Kenneth Rudeen, Ronald Ryder, Clarence Schmitt, E. G. Scott, Bill Thuston, Bob West, Ray Harper. These boys received first team reserve letters: Bill Gish, James Morgan and Robert Pounds. These boys received second team letters: Richard G. Nichols, Wade O'Neil, Don Trail and Oren Kilkenny.

Glen Ellis and Bob Burgard made the second all-star team and Bill Adkins, Eddie Mais, and Forrest Arnall rated honorable mention.

The Cubs did not play any football games this season because of the lack of transportation facilities, but second team letters were awarded those who played in league games.

For the first time in seventeen years, all of the Interscholastic games were held at Rupert Stadium.

The Northeast Vikings won the league championship this season, winning five and tying one.

## Basketball

### FIRST TEAM:

HUGHES  
E. MAIS  
R. MAIS  
BUELL  
BRUNS

THUSTON  
TRAIL  
NEVILLE  
BURGARD  
ADKINS

The first game of the season was with the De La Salle Cadets. East was turned away by a score of 16 to 13. The next three games were with three strong Kansas teams, Turner, Olathe, and Shawnee Mission, respectively. East lost to all three teams but the experience was good for them and it developed ability for competition in the Interscholastic league.

The first game of the Interscholastic league was with Paseo, defending champion of last year. East defeated them in an overtime game, which was the first overtime in the interscholastic league in two years, by a score of 28 to 25.

Central was next on the list. With Ed Mais sparking the team, the Bears defeated the Eagles 28 to 21. In this game East trailed during most of the game. In the last quarter Ed Mais lead the team and with the help of Thuston and several others brought the team from behind to win the game.

East was defeated in the third game by the Vikings. Dick Soper, star player for Northeast, was ill with the flu at the time of the game and was unable to play. But his team mates played excellent ball to win from East, 22 to 19.

In the fourth game, the Southwest Indians scalped the Bears, 23 to 19. Southwest lead through the entire game and although Ed Mais led the attack and made four goals, East still lost a hard fought battle.

The next game was a surprise to many. Manual, who had not been defeated up to that time, was upset by the East cagers when Thuston made the winning basket in the final ten seconds of the game. Although East was behind nine points at the half-way mark they came up to beat the new champions, 37 to 36.

The tall Westport cagers defeated East in the next to last game of the season by a score of 43 to 31. The Bears looked small against the Tigers. East took the lead and held it during most of the first half but the Tigers forged to the lead at the half and held it during the rest of the game.

The last game of the season was another disappointment to the Bear fans when the Southeast Knights turned away the Bears 27 to 24. East took an early lead but the Knights recaptured it and held it through the rest of the four quarters.

In the Will-Bees, Has-Beens game the Has-Beens won by an overwhelming score of 66 to 31. This was a sad game for the Seniors for it was their last game for East.

East was honored by having little Ed Mais as captain of the second team all-stars. Thuston and Burgard were given honorable mention.

## Track

Preliminary training for the track season began before the snow was off the ground. The usual routine of hardening the muscles and gaining endurance was given to the boys. On the inside track, distance runners worked up their wind and stamina, hurdlers got their form and timing perfected, and the sprinters were working on coordination and the "take-off."

The regular track season was begun on March 27, when East met Ruskin High School. The Bears won the meet 87-14. A week later the Bears from William Chrisman journeyed to East and were beaten decisively.

After defeating these two schools, East continued the rivalry with last year's champions, the Paseo Pirates. Scoring six firsts, seven seconds, and sweeps in four events, East defeated them with a score of 54-37.

Bob Burgard was an outstanding East trackster. His time for the half-mile was 2:8:8, which is unusually fast for this early in the season. Both the high and low hurdles were taken by Don Buell with Bob Wall placing second. The time for the two races were :17 flat and 25:8, respectively. In the pole vault, the Bears had a monopoly with Arnall, Morgan, and Gillham tying for first at 9'. Rolland Barron, the East

flash, had little difficulty in taking the 100 yard dash. The time for the event was 10:5. Rounding out the East victories, Bill Thuston and Dick Penfold controlled the shotput, with Thuston winning with a put of 39'6".

Having defeated the Pirates, East tackled the Indians, and on the first track meet ever held on the East field, the Bears splashed to a well earned victory, 50-41.

Despite the heavy footing there were some exceptionally good times in the Southwest meet. Because of the intermittent showers, the high jump had to be halted three times before Green and Gilbert finished one-two for East at 5'4". Forrest Arnall's pole vault was made from a runway submerged in several inches of water at the take-off. Rolland Barron, of East, improved his time over the Paseo meet, by running the 100 yard dash in 10.3. He also took the 220 yard dash.

Both Paseo and Southwest were considered very worthy foes, and by defeating these two teams, East established themselves as a likely successor to the title held by Paseo. At Eastonian press time the Bears were looking forward to the city meet with an undefeated track squad.

## The Three Bears

The East Bears have not won championships this year, but a championship team has been defeated by East's fighting squads.

On the grid iron, the Bears fought with all they had and made an excellent record. Ward High School of Kansas felt the might of the Bears' paw.

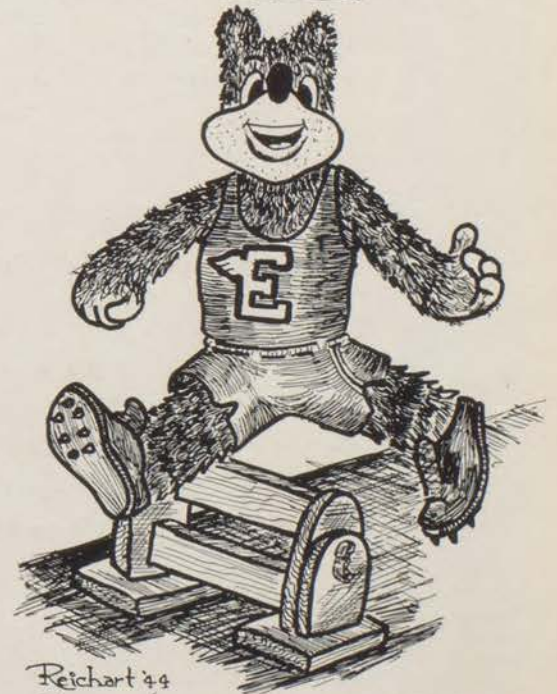

On the basketball court, the "fightin' five" turned the table on Manual and defeated them, and later Manual was crowned league basketball champion of the season.

The track artists, in the initial meet of the season, defeated a strong Paseo team 54 to 37.

Football, basketball and track now have a new and serious meaning. They not only serve as competitive sports, but as physical training that will be needed when the competitors report for military duty.

The ability to think fast in emergencies, endurance, stamina, strong minds and strong bodies are developed. Physical fitness is playing an important role in the world today and will continue to do so in the world of the future.

The post-war world will develop new ideas of commerce, industry and travel. Able young men will be needed to foster these ideas, and they will be those who developed leadership in competitive sports.

# Intramural Sports

In the fall the intramural sports began with touch football. Those who participated were called together; captains were chosen and the captains chose their teams.

Table tennis is a good game to be run on an intramural basis but due to inadequate room to place the tables in the gym and also the danger of the high school basketball players running into the edges of the tables, the tournaments were not held this year.

After Christmas holidays, the intramural basketball tournaments were started. The tournaments were played on the same basis as in touch football; captains were chosen and then they chose their teams. There were four freshmen teams, two sophomore teams, two junior teams and two senior teams.

All boys interested in track were given an opportunity in the inter-class track meet. All ten events included in the regular track meets were used and medals were given to first, second and third place winners. All members of the winning relay teams were given medals also.

After the inter-class track meet, a softball tournament was held. This tournament was in the making at the time the Eastonian went to press. It was played on the same basis as football and basketball.

The captains of the four freshmen basketball teams were: Jack Evans, team 1; Edgar

Sayles, team 2; Tommy Vincent, team 3; John Perry, team 4. Members of team 1 were: Evans, Hall, Dorrell, Ashinhurst and Carter. Members of team 2 were: Sayles, Griffith, Reed, Jackson, Walker and Roberts. Members of team 3 were: Vincent, A. Duncan, Dozier, Raney, Huggins, Trayford, and F. Krohn. Members of team 4 were: J. Perry, Maynard, Shaeffer, Speak, Overcast and Worley.

The captains of the two sophomore teams were: Fred Duncan and Joe Button. Members of Duncan's team were Ray Lord, Carver, Patterson, Nash, Ruddell and Alexander. Members of Button's team were Anderson, Tuleen, Shields, Rose, Chambers, and Plisowski.

The two junior teams were captained by Don Netherton and Joe Short. Members of Netherton's team were Robinson, Fuller, Winslow, Campbell and John Krohn. Members of Short's team were Simmons, Burns, J. Hyatt, and Powell.

The two senior teams were captained by Forest Arnall and Jimmy Morgan. Members of Arnall's team were Don England, Ray Searce, Philip Brown, and Bob Baker. Members of Morgan's team were Bob Norton, Bob Tucker, Gene Smith, Junior Hutton, Herbie Lawrence, Larry Seright and Wayne Heady. Substitutes were Bill Winders and Bill Tarr.

## Girls' Intramural Activities

MISS CANNY

MISS CANHAM

Intramural activities are divided among four sports and are played in eight week periods. On Mondays and Tuesdays the upperclass girls play and on Wednesdays and Thursdays the underclass girls play.

The hockey play day was held October 30 at Southeast. East was represented by fifteen girls:

Louise Perry, Frances Pence, Madeline Hobdy, Wilma Mathis, Mary Frances Settle, Charlene Huggins, Buelah Huggins, Jean Phillips, Jean Neff, Clara Murray, Doris Hagan, Wilma Parker, Anna Marie Warren, Rose Stave, Becky Bowman.

The second intramural game is basketball. The basketball playday was held February

15 at Manual. The twelve girls from East were: Frances Pence, Charlene Huggins, Jean Phillips, Jean Neff, Doris Hagan, Wilma Parker, Becky Bowman, Barbara Hanna, Katherine Hancock, Mary Sullivan, Mary Frances Settle, Clara Murray. Both Miss Canny and Miss Canham were on hand to give the girls advice and encouragement.

The next eight week period was devoted to volleyball. An interclass volleyball tournament was scheduled.

The last eight week period was given over to individual sports and baseball. An individual sports day was planned for May 6 at Paseo. The events will be tennis, badminton, table tennis, hand tennis, swimming.

## *Health Center*

East High school is fortunate in having at the head of her health department, a competent and efficient nurse, Miss Alice A. Walton, who has been at East several years.

Miss Walton is a friend to all who know her. Her purpose is to help people solve their health problems and to help make them conscious of the things they can do to safeguard themselves against disease.

Miss Walton has tried to do all she can in aiding the war effort. Examinations in the army have revealed a need for more effort in care of the eyes and teeth. Conducting the Red Cross home nursing classes in the home making department, helping with physical inspections of both boys and girls in the physical education department twice a year and giving all seniors a physical inspection to prepare for military service, are a few of her many duties. The need for nurses has

been presented to the girls who are interested. She leads health discussions in the civics classes, gives instructions to the human science classes and checks students for visual, dental or other physical defects. Periodic checks are made on former open-air pupils and people who have proved positive on tuberculin skin tests. In general, most health problems that may come to the Health Center are solved.

One of the important tests given during every year, is the tuberculin skin test. East mothers, the faculty, and officers from the R. O. T. C. help to prepare the students for the test.

Miss Walton is an effective advocate of good health habits in order to build a body that will serve to insure happiness and success in the future.

# ROTC

The leaders whose guidance has made the ROTC cadets a well-trained battalion this year are Sgt. John J. Mansour and Cadet Major Merwin Peake. Through their efforts the ROTC battalion has become a well-trained, soldierly unit.

Sgt. Mansour

## Rifle Team

The rifle team this year has been very successful, and has managed to capture fourth place in city competition.

Major Peake

### RIFLE TEAM MEMBERS ARE:

*Standing:* Thomas McCully, Ivan Hickerson, Merwin Peake, Jack Rollins, Charles J. Moore, Ermal Miller.

*Kneeling:* Howard Heckart, Harold Mayes, Frank Diecidue, Douglas Horner, Gordon Sparks.

### OFFICERS:

*Back Row:* Lieutenant Robert McCorkindale, Lieutenant Harold Mayes, Lieutenant Ronald Langdon, Captain Ray Silvey, Captain Douglas Horner, Captain Cyrus Dopp.

*Front Row:* Major Merwin Peake, Captain Jack Landingham, Major Charles Moore, Lieutenant Jack Rollins, Captain Ermal Miller. Lieutenant Frank Diecidue is not in the picture.

# R.O.T.C.

Now that our country is engaged in a great World War and everyone is trying to do his or her part in the war effort, the ROTC is earnestly trying to improve its cadets and to acquaint them with military subjects. These subjects will be of great use to them in future service to their country. The ROTC has emphasized the importance of military training before entering the service. This training will not only advance the cadets to higher positions but will also prepare their minds for what they will encounter while in the service.

The ROTC, this past year, has participated in many events. The first event that they participated in each year, is the Armistice Day Parade. This is a big day in the lives of the cadets because for most of them it is their first parade while to others it is an annual affair. After the day of the parade until federal inspection, the cadets are drilled with and without arms until they know how to march correctly and the procedure of marching. They are then thoroughly trained in the manual of arms. When this training is finished, the two are put together and after a few weeks of drill the cadets are then ready to compete in any test.

As the weather gets warmer battalion parades are held in the mornings on the front campus; the purpose of this is to get the cadets

ready for federal inspection. At one of these parades this year the battalion honored Cadet Captain Ermal Miller by expressing their appreciation and gratitude for the outstanding military leadership of Captain Miller.

The big event that appears next in the log of the ROTC is the federal inspection. The principal interest in this inspection is whether or not East gets honor school, a rank that is given to the outstanding school. East won this honor last year.

Another event that is long awaited is the annual ROTC Ball. This "hop" as it is called by the cadets, is a gala affair. The morning before the "hop" the cadets and officers assemble in the gym to decorate it. That evening in formal dresses and newly pressed uniforms, polished buttons, and gleaming shoes, the cadets and their dates assemble in the gym for a joyful evening of dancing and entertainment.

The last event in the log of the cadets is the annual field day which is held at Gillham Field. The importance of this day is the competition for individual and unit awards, which are cups and medals. After this event, the battalion is turned over to the officers of next year. They will have to lead in the same procedure the officers of this year have accomplished.

*In Action*

The officers and cadets of the ROTC this year have been working very hard preparing themselves for future service to their country. The classes this year have been on military subjects and military training stressing the manual of arms. The military subjects are for the purpose of bettering the cadets and getting them acquainted with objectives that they will meet while in the service. Physical training is a major part of these subjects teaching the cadets the use and care of their bodies. These subjects are taught by the third year cadets and officers for they too,

have gone through the same procedure. The next step that is important to a cadet is the manual of arms and the procedure of marching. It is very important that a cadet know how to march, not only now, but for his future service. The manual of arms is another important phase of training for if a cadet does not know the drill with a rifle; he is less useful to himself and to his country. As the weather gets warmer greater precision in drill is developed by direction of officers, and efforts of the cadets, in preparation for the annual field day.

## *Band and Orchestra*

The assemblies, mid-year play, Christmas and Easter concerts, graduation, and the Outburst, are just a few of the occasions in which either the band or orchestra furnishes the atmosphere and harmony. Mr. Wendell M. Ryder is the director of both band and orchestra, having held that position for many years.

The band furnishes the pep music for the football and basketball games throughout the year. The band is always eager to play whenever asked, whether it be rain or shine.

The band is noted for its faithfulness in being the first at the games and the last to leave.

Uniforms are furnished to the members of the band by the R. O. T. C. These uniforms are issued at the beginning of the year and returned at the end of the season for use by future band members.

This basketball season was marked as one of the very fine appearances by the band. The band received many compliments from various officials, other band directors, and the Kansas City Star.

### *Second Semester*

The a capella choir is composed of the advanced students of Miss Clausen's music classes. It consists of both boys and girls who sing in four part

harmony. For years the a capella has prepared an annual Christmas, Easter, and Open House program. The choir also has many outstanding engagements. This year, they sang at the Canteen twice, once in the fall and again just before Christmas. During Christmas some of its members went to Kensington and McCoy grade schools and put on their program, they also went to the Linwood Baptist Church.

In March, the choir had the privilege of singing with the other a capella choirs of the city at the Red Cross rally, which opened a Red Cross Drive. At graduation the choir always sings a few numbers which are usually of the romantic or poetic type.

The Christmas and Easter programs were enjoyed by all this year, and especially the Hallelujah Chorus, which was given an encore at Christmas.

The a capella now has its own special pin, and the members of the choir consider it a special privilege to wear one of these pins.

Miss Clausen

## The Boys Chorus

The Boys Chorus, directed by Miss Clausen, is made up of all boys who are taking music for the first time at East. They are trained to sing various parts as the voice changes. Four part harmony songs as well as male harmony quartets in the bass cleff are learned. Every boy can sing in a quartet and keep his part by the end of the year.

A tour of the surrounding grade schools is sometimes made in the spring of the year, as well as singing at the Christmas concert and assembly performances. Music listening and song writing are included in the year's program. The boys also make chorus recordings by the class. This chorus gives the boys a basis for their future music classes.

## The Girls Chorus

The Girls' Chorus was so large this year that it had to be broken into three groups—two of which Miss Davidson directs, and the third, Miss Clausen directs. The combined groups sang Christmas songs from the balcony for the Christmas program.

The girls learn to sing in three part harmony and become proficient in note reading. They usually

have an assembly appearance in the spring, which consists of many beautiful chorus numbers as well as trios, duets, and solos. They are trained in the fundamentals of music, and music history. A whole course of music listening to records is included, for a good singer must be a good listener. Experience in creative song writing is provided.

## Voice Class

Individual attention is given each student in the development of his voice, and this helps to overcome his own personal faults and difficulties. Courage is stimulated for public per-

formances and experience is provided. Many classic Italian songs are learned as well as a great many English songs and great arias.

## Mixed Chorus

This is a training ground for the a capella choir. Mostly a capella numbers are learned and many beautiful accompanied choruses, boys and girls sing in the soprano, alto, tenor,

and bass parts. This class joins the a capella choir on the stage at Christmas to sing the hallelujah chorus.

## Midyear Play

A drab, dusty castle was the setting for a three-act mystery comedy "The Black Hawk" presented December 3, 1943 in the East auditorium under the direction of Miss Grace Breen.

Mr. Judson Delray, a famous scientist, left town taking his daughter Kitty with him to reside in old "Mann's Castle". There with the helpful assistance of Bertha Stine they hope to finish a formula for explosive which will be turned over to the government when completed. During the night many unexpected guests arrive making it very difficult for Mr. Delray to work. Among the guests are spies and fifth columnists. The formula is completed and stolen. It passes through many hands but the Black Hawk finally gains possession of it. As the story develops, two murders are committed. The Black Hawk is unmasked and falls into the hands of Lieutenant Clark Anthony and his assistant, Buck McGinnis.

### Cast of Characters:

Judson Delray, a famous scientist. He is a courtly man of good breeding, intelligent, but a little shy.—*Bill Winders.*

Bertha Stine, is intelligent but rather old fashioned with a very sarcastic tongue. She is Mr. Delray's assistant.—*Shirley Coughlin.*

Kitty Delray, is a girl of 21 and quite attractive. She is quiet, dignified.—*Shirley Sims.*

Mrs. Gordon, is a robust, pleasant housekeeper for the Delray's home.—*Carolyn Schmitt.*

Clark Anthony, plain clothes detective, has an authoritative manner.—*Wayne Heady.*

Buck McGinnis, is a colleague of Clark Anthony's. His witty remarks and actions constitute the comedy of the play.—*Richard Clark.*

Paul Gordon, son of Mrs. Gordon, has a blank look on his face and walks with a heavy shuffle. Paul is the mysterious Black Hawk.—*Harry Holden.*

Dr. Beasley, is a well known physician, comes to the Delray's home in search of the formula.—*Harold Jackson.*

Mrs. Suydam, acts as Dr. Beasley's sick patient, but really is helping him with his work of getting the formula.—*Dolores Swearingen.*

Julia Carter, wears a nurse's uniform. She is also working for the doctor.—*Inez Lord.*

Teddy Delray, is a young man of 23, but acts a little childish, the son of Mr. Delray.—*Ray Chance.*

Steve Mercer, a tennis professional is rather quiet and gives you the impression that he is holding something back.—*Gene Smith.*

Ginger Mercer, Teddy's fiance, has a self-assured manner and a good sense of humor, but is very uninterested in the Delray's troubles.—*Joyce McElroy.*

Winnie, is a young woman of 25, rather a mystery throughout the play.—*Pat Hubler.*

*Richard Nichols* plays the mysterious, silent and exciting double for the Black Hawk.

Other members of the drama class were indispensable aids working on the production staff.

*Mary Catherine Brandt* did excellent work as student assistant. *Maxine McMurtry* and *Nita Eldridge* were the efficient prompters. The publicity committee consisted of the following students: *Juanita Gray, Andree Woods, Eira Thomas, Shirley Simpkins, John Snyder, Frank O'Connell, Joyce Owens.* They publicized the play by making bulletins to be passed out in the home rooms and wrote clever rhymes on the blackboards.

The properties were taken care of by *Alma Jane Moberly* and *Maxine Virden.* *Elizabeth Schupp* and *Norma Chester* had charge of the make-up.

Under the direction of *Miss Agnes Crawford* the art department painted the appropriate scenery which added mystery to the play. The business manager was *Miss Minnie Baker.*

The stage crew headed by *Mr. J. C. Michaels* added excitement and suspense with roaring thunder, effective lightning and rain. *Fred Duncan* was in charge of the sound effects.

The beautiful music before the rise of the curtain and during intermission was under the direction of *Mr. Wendell M. Ryder.*

All but one of the above scenes portray moments of suspense from the mystifying comedy "THE BLACK HAWK." The picture in the lower right shows the student production staff.

## Drama and Public Speaking

The members of the drama and public speaking classes participated in various speaking activities throughout the year.

In assembly November 5 the drama class presented three one act plays, "Wildcat Willie Buys a Bond," "Miss Sally and the Home Front," "Six Cups of Chocolate." The country wide paper drive was promoted by skits given in assembly November 10 by the drama class. The highlight of speaking events was December 3, 1943 when the drama class presented "The Black Hawk," a mystery comedy in three acts.

Throughout the year the public speaking class worked on orations and debates. On January 26 and 27 East met Central in debate. The question for debate was a national high school question: "Resolved that the United States should join in the reconstruction of the League of Nations." The debaters were Betty Williams, Beverly Henson, Patricia Adamson, Jane Coffey.

Those who represented East during the Charity Campaign were: Shirley Sims, Wayne Heady, Velma

Corey, Joyce McElroy, who spoke to various P. T. A. meetings at neighboring grade schools.

East students during American Education Week, November 7-14, spoke for various clubs and organizations. Joyce McElroy spoke to the American Legion Auxiliary. Jane Coffey delivered her message to the P.T.A. at Manchester school. Velma Corey appeared at the Kansas City Club where she spoke to the wives of Rotarians. She also spoke for open house, November 7. Wayne Heady spoke for the Advertising Club at the Hotel President, Optimist Club at the Muehlebach, and the Blue Valley Business Men's Club.

On March 21, one of the series of Town Hall Meetings was held in the East auditorium. Shirley Sims introduced Mr. Williams, who directed while the following students presented their ideas on the question, "Should the United States join in the reconstruction of a League of Nations," Wayne Heady, Edward Mais, Don Braidwood, Patricia Adamson.

## *English Literature*

English Literature is organized on the well-founded assumption that reading should be a constructive habit flexible enough to meet all situations in the life of an individual, in school and out. Some people read primarily for the immediate pleasure to be found in books, for relief from the day's cares, and for the refreshment of tired nerves. Others read chiefly for information and for deeper insight into the practical problems of daily life. Still others read for cultural development to know the best that has happened in the world and to make it prevail in their lives. All of these purposes are good; but the best achievement is, a merging of these aims—pleasure, information, and culture—into a reading program that makes the full man or woman.

English Literature covers adequately the various college entrance requirements as well as the most important courses of study. English Literature will provide the reader with complete survey of American and English Literature.

English Literature makes more clear the relationship between it and the other arts, in the expression of social, political, and economic trends. It gives the brief, readable accounts of the social, economic and political development of each age and their effects upon live literature. It is an expression of ideas, the ways of living, and the customs of a period.

English Literature is not an isolated subject, but an interweaving one of many strands of interest. Literature includes references to art, architecture, costume and music. Literature also plays an important part in the interpretation of social studies.

History and English literature are linked. The dependence of one period upon preceding periods is made clear. Presented in this fashion as a living, growing thing, literature becomes an exciting study, filled with adventure and romance. . . . Literature is a "time machine;" through it we can go back to the manners, customs, conversation, letters of the time of Elizabeth, and forward, though less surely, to "the shape of things to come."

## Art

The art department plays a major role in the everyday life of the school. This department aids in the beautification of the school and helps advertise mixers, plays, ticket sales, and other activities.

Four years of art are offered to the students of East. In the first year students learn to master the basic fundamentals of creative art. In the following three years the pupil does work in the fields of art he is most talented and interested in.

This year, as in years past, the art department has been of great service to the school, the community and the nation. Greeting and holiday cards were made in great numbers for the American Red Cross to give to servicemen. Posters for the sale of war bonds were also made as well as posters for patriotic occasions and pageants. Second year classes have produced artistic toys for invalid children. Many advanced students helped in the illustration of a textbook on the history of Kansas City. Wall murals, and hall displays have been made, which help beautify the school. Five art stu-

dents designed and painted the stage scenery for the mid-year play.

The annual Scholastic Art Exhibit and Contest is one of the big events of the year for all art students here at East. At the regional exhibit held in March at Emery Bird and Thayer Store, the following awards were made to East students: Jim Seidelman first in water color, second in design, third in chalk, nine honorable mentions; Fred Reichart, third in chalk, honorable mention in cartoon and water color; Ronald Ryder, honorable mention in pen drawing; Ralph Tiefel, honorable mention in pen drawing and lettering; Beverly Canine, honorable mention in design for fabric.

In the Drafting division, senior division, Don Braidwood received second place and Robert Nelson honorable mention. In the sophomore-junior division John Krohn received first place; Bob Humphrey second; Richard DeShazer third and Don Trail honorable mention. The winning pieces were sent to the National Contest in Pittsburgh, Pennsylvania.

## The National Art Honor Society

The National Art Honor Society is an organization for the purpose of recognizing high school students who are outstanding in art accomplishments in school. To gain membership in the Society one must have completed at least one year of high school art, and display some of his work. Membership is one of the highest honors that can be bestowed upon the art student.

The members are selected by means of a "one man show" exhibition in which each exhibitor's work is assembled. It must consist of ten pieces and represent at least four different types of work, or media, as water color, pencil, ink, ceramics, design, etc. The work is then judged by three competent

judges and membership is awarded to those who win approval.

The following were awarded membership last May, too late for publication in the annual. James Seidelman was awarded first place; Fred Reichart and Donald Stevens were jointly awarded second place; Ronald Ryder third; Beverly Canine, Earl Harris and Phyllis Sparks received honorable mention. Others who were awarded membership in the Art Honor Society were: Bruce Graves, Pearl Harris, Shirley Hiestand, Richard Johnson, Florine Jones, Betty Lawler, Jeanette Leeth, Dorothy Marye, Dorothy Molder, Anna Lee Milligan, Wilma Mathis, Bob Pounds, Mary Lou Smith, Aldine Sleyster, Delores Tibbs, Ralph Tiefel, and Bill Thuston.

## *The Library*

East's Branch Library is in constant use from nine to nine on Mondays, Tuesdays, Wednesdays and Saturdays, and from nine to six on Thursdays and Fridays in every manner which the students find necessary in preparing assignments and also in giving them recreational reading. The competent work of our librarians, who also add a feeling of

liberty, are always ready to help in any way they may. The photographer just happened to catch Gene Feagles, Margaret Gimarro, Ervin Enke, Joyce Ann Owens, Wilma Mathis, Jeanette Leeth, Don Bauerle, Hoyt Shields, Leonard O'Neil, Bob Werning, Manford DeNoyer, Bob Dolson, and Virgil DeWalt in the actual use of the Library's varied and adequate material.

## *The Librarians*

Our friends, the Librarians are pictured below and they are, left to right: Miss Sarah

Bower, Miss Hazel Marie Peek, Miss Isabelle Prugh, and Miss Jean Merrill.

Fine Arts include activities in music, drama, art and English.

One of the musical highlights of the year is the Christmas program.

The stage offers opportunities to both players and decorators. The band supports the games by its lively music. Speech students gain actual experience in use of the microphone.

The Kalailu Literary Society, established in October, 1926, is the oldest society in East High School. It also holds the distinction of being the only boy and girl club at East. The name Kalailu is a Hawaiian word which means friendship. The club was founded to "create a greater interest in literary work, to further study of parliamentary law, and to foster a finer spirit of friendship among its members."

The outstanding event of the year, the literary contest, is anticipated and worked for by all the members. The inter-society dance,

the slumber party, and the rush parties are all eagerly awaited as the social events of the year.

Kalailu's motto "True Friendship Conquers All" is one that its members will remember and apply throughout their lives.

Miss Bereniece Cannon has been the sponsor for two years.

The club colors are red and white, and the flower is the red rose. The club song, "The Hawaiian War Chant," is appropriate to the Hawaiian name, Kalailu.

The Leundis Literary Society, the second such organization at East High School, was founded in 1926. Miss Burrus was one of the first advisers of Leundis. Miss Flinn is the present sponsor, this being her second year.

The name Leundis, signifying the principles for which it stands, is derived from the three words LEarning, UNderstanding and DIScernment. The purpose of the club is to further the literary appreciation of its members, to encourage high ideals in social life, and to strive for the mutual improvement of the members.

The Hamilton Literary Society is the brother club of Leundis. Throughout the year, Leundians and Hams enjoy many pleasant social activities together. Other social events of the year enjoyed by the girls of Leundis are the rush teas, potlucks, the inter-society dance and the literary contest, which is followed by a slumber party and sunrise breakfast.

Leundis has won nine of the fifteen annual literary contests held at East. The club colors are rose and gray; the flower, sweet pea; and the emblem, a flaming torch. A thought cherished by all Leundians is, "Once a Leundian, always a Leundian."

The Hamilton Literary Society, first all-boy club to be organized at East, was formed in 1928. The club name was chosen in honor of Alexander Hamilton, brilliant American statesman. The purpose of the club is to bring together a group of boys who wish to further their literary interests, to study parliamentary law, and to strengthen their ties with other boys. However, for added sparkle, there are many social activities in which the Hamiltons participate as a body. The highlight of the year is the Literary contest, but its brilliance does not completely overshadow that of the club dances,

football games, parties, and the chili supper which is given in honor of the new members.

The Hamiltons proudly admit that a majority of the senior offices are held by brother members. Another point for pride is the large number of their alumni who are in the armed forces.

Miss Neva Adams, the present sponsor, is the first woman to hold that honor and to show their appreciation of her fine guidance, the club presented a pie-server which has "Hamiltons '44" engraved upon the handle.

The Hamilton club colors are blue and white.

The Eulexia Literary Society was organized in December, 1929, for the purpose of interesting girls in literature, standards of scholarship and high ideals.

Social events of the year include the annual founders' day banquet and ball, held at the Newbern hotel, potlucks, the inter-society dance, and the literary contest.

The club has three high ideals set as their goal, which are leadership, scholarship, and service.

The club colors are pink and blue and the flower is the delphinium.

The letters in Eulexia each stand for a certain ideal. They stand for: E, for Earnestness; U, for Understanding; L, for Leadership; E, for Excellency; X, for X-traordinary; I, for the Ideal girls; A, for Ability.

The present sponsor is Miss Miller. In her two years as sponsor, Miss Miller has proven herself a good leader and a true "Eulexian Girl."

Eulexia won first place in the Literary Contest last year and second place the year before.

The Webster Literary Society, youngest "lit" society at East, is an all boys club. The purpose of the society is to create an interest in literature

and speech and to promote better fellowship among its members.

The organization was founded in the spring of 1937 under the leadership of Mr. James N. Curtis, and later under the co-leadership of Miss Vee Flinn. The first president of the club was Arthur Rathbur.

The Webster colors are black, gold and crimson. For the first time in its history, the Websters have purchased club pins this year. The organization was named for Daniel Webster, the great orator.

The highlights of the year are the rush-parties, pot luck suppers, the annual "Webster-Ham" football game and the literary contest. The Eulexia Literary Society is the sister club of the Websters.

Miss Eva Van Natta, the present sponsor, is serving her second year in that capacity.

## *Literary Contest*

After days of vigorous rehearsal and nights of enthusiastic song practices, the five Literary Societies met for the eighteenth annual Literary Contest, April 21, 1944.

Webster Literary Society won first place with a score of 12 points. Miss Van Natta is the club sponsor. Second place was achieved by Hamilton Literary Society, and third place, Kalailu Literary Society.

## *Blitzkrieg*

*Shrieking and screaming, stumbling and falling  
Fleeing from tortures of oncoming hordes  
Leaving behind one's treasured possessions  
Cowering in dread of Nazi war lords  
Refugees—hiding in darkness and terror,  
Starving because of invaders' fierce greed  
Wandering—hopelessly dazed in confusion,  
Praying for aid in their piteous need  
Shrill city sirens wailing and moaning  
Dark deadly war planes roaring o'erhead  
Leaving behind them destruction and ruin  
And war-weary citizens mourning their dead—  
Yes, —this is War with its carnage and slaughter  
War—with its worship of power and might—  
War—with its pillage and chaos and bloodshed  
Till God in His heaven shall set all things right.*

—ROBERT WHITTINGTON, Kalailu

The Art Club, first departmental club at East, was organized September 29, 1926. The club colors are orange and blue and the emblem is a tube of paint with the letter "E" on it, and a brush crossing the tube.

Art Club members are required to exhibit ten pic-

tures in at least four media. This exhibit is called a "one man show," and judged by three competent judges.

The members make trips to the Nelson Art Gallery, Kansas City Museum, and have speakers on special art subjects.

The purpose of Hi-Y is to bring boys together into fellowship which will create throughout the school and community, high standards of Christian ideals.

Among the activities of the year there were: swimming on Saturdays, a basketball team, regular meetings Monday evenings which brought outside speak-

ers, student discussions, moving pictures and student talent programs. Special programs were held for Christmas and Easter.

Mr. Fred P. Veith came to East, replacing Mr. Kessler, now in the armed forces, in the middle of the year, as executive secretary. Up to that time Mr. Waterhouse had taken charge of all Hi-Y activities.

## *Memorial*

"Fourscore and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal." These words were delivered by Abraham Lincoln at the dedication of the National Cemetery at Gettysburg for the dead of the Civil War, eighty years ago. Today this continent is again fighting for the same ideals and the same freedom.

Many a man has tried to compromise principles to avoid war. Great nations have sought peace at any price to preserve property and lives. "Is life so precious, or peace so sweet as to be purchased at the price of chains and slavery?" For the true answers, look to the tomb of the unknown American soldier in Arlington, to the white crosses lining the green hill tops on foreign fields, or to the rusted bayonet and rifle thrust into the tough coral of Tarawa.

Our dead have fought for their ideals, and ours. They have fought the good fight without blinding hate, without selfish objects, and they sought nothing for themselves but what they would gladly share with all free peoples of the world. "Greater love hath no man than this, that he lay down his life for his friends."

The torch thrown to us from their loyal hands, is one of new faith, new hope, and new courage. Their dreams of a bright new world leave us the duty to make life better.

## *Acknowledgements*

The Eastonian Staff of 1944 wishes to extend its profound gratitude to those who have helped to make this Eastonian a success. It was only through the co-operation of the faculty, teachers, and student body that this publication was made possible. Our sincerest thanks go to: Mr. Harold Dew of the Holland Engraving Company; Mr. Robert A. Shelton of the National Printing & Lithographing Company; Miss Helen Bauer of the Photography department of John Taylor's and all members of the faculty and students who so graciously supported our Eastonian.
