foreword

In this, the 1951 EASTONIAN, we of the staff have tried to capture the highlights of the year and compress them into the pages of this book.

We have used the modernistic motif to better present the steps of advancement this school has made in its past twenty-five years and the forward steps it will make in the next twenty-five.

With the thought in mind that aspirations of today will be the memories of tomorrow, we present this book for your approval and hope it will help recall some of those precious memories in future years.

Here, at the close of our twenty-fifth year, we pause for a moment, glance backward, and experience a thrill of pride for a task well begun. We see years heightened by achievement and growth, brightened by glamour and fun, sobered by experience and maturity. Not all pleasure, not all work—some time just for thinking, planning, dreaming dreams for the future. We are now, through education, more prepared and able to justify the faith and trust that rests solely on us in these troubled times.

With that great characteristic of youth, hope—hope without prejudice, without fear—we welcome the challenge of the future. We race to meet it. To this future — to the clean, unwritten pages of the next chapter of our history, we dedicate our 1951 EASTONIAN.

dedication

presenting

An abstract geometric composition featuring several overlapping lines. A prominent line runs diagonally from the top center towards the bottom right. Another line runs horizontally across the middle, crossing the diagonal line. A third line runs diagonally from the bottom right towards the middle left, crossing the horizontal line. The background is split into two main areas: a light grey textured area on the right and a plain white area on the left. The word "faculty" is printed in a bold, black, sans-serif font in the bottom left corner.

principal

The friendly face of Mr. C. O. Williams is well known through the halls of dear East High, and will always be remembered by the graduates of 1951 for his wonderful cooperation with the students and faculty. From the time you begin as a sub-freshman till you graduate, you'll see his smiling face and hear his ready "Hello" for everybody. The interesting assemblies arranged by Mr. Williams will also be held high in the memories of each senior.

Mr. Williams is not only well-known at East but throughout the city for making many public appearances with clever and interesting speeches.

vice-principal

John N. Broadlick

Admits to be signed, official okays on activities, and arrangements of assemblies, come from all corners of the school to Mr. Broadlick and his help is appreciated by all.

Anna C. Stewart

Problems of all sorts and descriptions are carried in large numbers to Miss Stewart who takes them all in her stride. Besides sponsoring student council, she is a busy woman advising on student schedules.

The faculty picnic is an annual affair at East High. It is held in the fall of every year for the purpose of renewing old friendships and meeting new members of the faculty, their wives and children.

Several past faculty members, including Mr. Nowlin, the first principal of East High, and Miss Emma Gilliland, teacher, were present to add to the evening's enjoyment.

Mr. Cummins had charge of the food. Fried chicken seemed to be one of the evening's highlights.

This year's picnic was held at the home of Mr. C. O. Williams, principal. Here we see Mr. Williams and Mr. Broadlick away from the continuous bustle of ringing telephones, of students needing excuse cards signed, enjoying a delightful evening and delicious food.

Row One — Katherine B. Miller, Commerce, Mathematics; Clark B. McClure, Wood Shop; Ota C. Crosthwait, Common Learnings.

Row Two—Helen M. Lapsley (Mrs.), Common Learnings; Donovan M. Mabbott, Music, Arithmetic; Elenore Kathryn Canny, Human Science, Girls Physical Education.

Row Three—Carol Winton, Girls Physical Education; Les Fields, Boys Physical Education; Henrietta Woodburn (Mrs.), Girls Physical Education.

Row Four — Genevieve A. Nowlin, Foods; F. N. Cummins, Spanish, English; C. Ruth Miller, Mathematics, Civics.

Row Five—Agnes K. Crawford, Art; L. A. Priefert, Metal Shop; Mabel Mary Cobb, Commerce.

The Nurse Proctors, under the direction of Miss Alice Walton, are chosen from among the students who offer to serve. Scholastic rating and ability to assume responsibility are two of the outstanding requirements.

Mrs. Hoover, Mrs. Sinclair, and Mrs. Staves compose our very efficient office staff. In addition to their many duties they always find time to give courteous assistance to the students and their many problems.

“A Room without Books is a Body without Soul.”

The East Branch Library is very efficiently run by Miss Bower and her assistants, Mrs. Calvert and Mrs. Leavitt. They are always willing to give their time to help the students find books, articles, and magazines.

The senior officers of '51 had the opportunity to plan for the first time, a Senior Prom held out of school. The Prom was held on April 28 at the Sky Roof of the Hotel Aladdin. A committee was chosen from the senior class to select an orchestra. Music was furnished by Les Copley's aggregation. The backdrop for the orchestra was a drapery of gold cloth. Refreshment was obtained at a coke bar set up especially for the Prom.

Guests of the Senior Class were Mr. Williams, Mr. Broadlick, members of the faculty, and a committee of parents who were chosen to chaperone the Prom.

The Commercial Club is composed of students interested in the commercial subjects.

This club is one of the most active and interesting in school. During the year, speakers from various manufacturing and business concerns, tours through offices, demonstrations of office equipment, a tour through the police station, and initiation parties for new members all went into making this last year an exciting and informative year for all concerned.

Miss Mabel Mary Cobb, shorthand and typewriting instructor, is the able sponsor.

“Art is anything made or done by man that creates emotion” is a familiar quotation to students of art. It is the purpose of the Art Club to promote the enjoyment of art through a better understanding of it.

Some of the highlights of the year included a talk from a former Stephens College art instructor, the annual Art Club picnic, contests for the best contour drawing and silhouette cutting, and a number of films chosen to illustrate the importance of art in everyday life.

The activities of the Art Club are supervised by Miss Agnes Crawford and Miss May Farr Hiatt.

The purpose of the Engineer's Club of East High School is to foster the interest of engineering and mechanics. Through the use of field trips and motion pictures this interest has been firmly established. Under the able leadership of Mr. Tiefel and Mr. McClure, there has been embedded in the minds of its members a deeper appreciation of the industrial developments of today. Though small in size, it has done much to encourage careers in engineering.

If you were to wander past room 303 on some Tuesday afternoon, you would no doubt be curious about what was going on inside.

You may hear a speaker from the Crime Bureau, an Atom Bomb scientist, or a speaker from the zoo. These speakers explain their subjects, and therefore create a better understanding in the fields of science of which they represent.

For the first time in the history of the Science Club, the members have purchased jackets. They are yellow and green. A picnic was planned for the main activity of the year. The Science Club is sponsored by Miss Anna McGloin and Miss Elenore Canny.

Anyone interested in our south-of-the-border neighbors would certainly find friends in the Spanish Club. Organized for the purpose of stimulating interest in the Spanish language, and knowledge of the southern countries, this club's activities are planned in an effort to reach this end.

The energetic members of the Latin Club have meetings each month with programs planned to entertain as well as to teach the customs and language of ancient Romans. They had a picnic last fall that was thoroughly enjoyed by all, but their main highlight of the year was a play and program presented in the auditorium for the student body. This has become an annual event. Its purpose is to stimulate more interest in Latin.

The Latin Club and Latin classes are closely related, as only members of the classes are eligible for membership in the club. Miss Virginia M. McClure sponsors the Latin Club.

The members of this club are all proud to say they are members of the "Masqueraders". The look of pride on their faces can certainly be understood when you realize how much they have done this year.

They presented three one-act comedies in assembly, helped produce the Outburst, and Senior Assemblies—the most important project being the Spring Play which was entitled, "Our Miss Brooks".

This energetic club also learned the art of behind-the-scene jobs such as costuming, make-up, lighting, sound effects, etc. so they could present their plays more professionally.

The very capable leader of this group is Miss Viona Ewalt.

East won a great victory over Northeast and Southeast in the annual "Sports Day," but lost to Westport. The team, with its captain, Edith Kline, was composed of: Shirley Kelley, Toni Welden, Alletta Hudgens, Joyce Cockell, Joyce Weaver, Martha Rupp, Jane Biggs, Georgiann Nie, Shirley Shepherd, Dorla Durosette, Jane Buehlig, Doris Hammond, Barbara Amlin, Wilma Breeding, and Trudie Mistele. Basketball Tournaments were held at Westport. Manual and Southeast were both defeated, while Central won over East. The basketball team was composed of Shirley Shepherd, Captain, Alletta Hudgens, Joyce Weaver, Edith Kline, Joanne Little, Wilma Breeding, Martha Rupp, Connie Shepherd, Jane Biggs, Jane Buehlig, Jean Buehlig, and Annette Kurtz.

To obtain a small shield is the goal of many girls in the Physical Education Department. This may be

done by participating in three team games and one individual sport played in after-school intramurals. Some of the team games are: hockey, basketball, volleyball, and softball. Some of the individual sports are: aerial darts, badminton, table tennis, bowling, and ice skating.

The next award that hard-working girls can receive is the large shield. It has the same requirements except one more individual sport must be added to the list.

For a girl who really loves sports, a school letter is a satisfactory award for her time and effort put in although it was a pleasure to be working in the athletic department. A girl must participate in four team games, two individual sports, and get four other credits in either sports day, being an umpire or referee, sports manager, or Jr. or Sr. life saving.

sports days

The Athenian Club was organized with the idea of promoting better sportsmanship, building strong bodies, and creating friendly social relations. A girl is eligible if she has obtained an "S" grade in Girls Physical Education, and small shield. Some of the big events for the Athenian Club are their rush teas and potlucks. These girls make a vivid impression in their new jackets of royal blue and silver.

This club gives its members training in cooperation and a chance to discover and develop traits of leadership.

Wearing their flashy green and black uniforms, the East High Band was heard at Interscholastic League football and basketball games throughout the season. They also played at the Big Seven Indoor Track Meet, besides many assemblies. The band marched in two parades during the year, the American Royal parade, and the one on Armistice Day.

For the fifth year, the band performed under the very capable direction of Mr. Marion W. Sell.

Completing another successful year is the East High Orchestra, under the able direction of Mr. Marion W. Sell. Playing classical numbers or more modern tunes with equal ease, the talented members of the orchestra contribute a great deal of the school's musical entertainment. Participating in the annual Outburst, Spring Play, playing at assemblies, and the Orchestra Festival, held this year at Paseo, are only a few of the orchestra's many activities.

Sacred music, negro spirituals, popular songs, and novelty numbers were presented at various times during the year by the East High A Capella Choir, which includes students with two years or more of vocal music. During the year 1950-51, the choir sang at Open House, the Christmas and Easter programs, the Missouri State Teachers' Convention, the Choir Festival, and gave a special night program including all types of music for the school and community. Besides singing at school programs, the choir was invited to sing at many of the churches throughout the city.

This past year, the choir was directed by Mrs. Irene LaFayette. Their accompanist was Miss Edythe Sandercock.

The Y-Teens, an inter-denominational, inter-racial club was organized in 1926. As a school member of the Young Womens Christian Association its membership is open to all girls in East High.

During the year a candlelighting ceremony for new members, the beautiful Easter program, and a World Fellowship project highlight their more serious side.

Not all seriousness, however, these young ladies have many social events during the year such as square dances, pot-lucks, get-acquainted mixers, and the king of them all, the annual "Sweetheart Ball".

To guide and help the girls with their many plans are Miss Virginia McClure, Miss Nora Boone, Miss Cosby Harrison, Miss Winifred Young, and Miss Nell Wells.

Any East High boy is eligible for membership in this school branch of the Y. M. C. A. and any East High boy will tell you that this is the club he has gotten the most knowledge, the most fun, the most friendship and fellowship from.

It was organized in September, 1926 to "create, maintain, and extend high standards of Christian character throughout the school and community."

During the year social life in the form of hayrides, learn-to-dance sessions, movies, and swimming parties all go into making the fellows feel they want to stay a part of this vital activity. Mr. John Murrow is their able adviser.

drumm farm institute

In order that boys of good moral character could receive a normal education and good citizenship training, Andrew Drumm, in 1928, founded the Andrew Drumm Institute. An endowed institution, the present superintendent is H. R. Nelson.

Forty-two boys live on the sprawling three hundred seventy acre farm, which lies two miles southeast of Independence, Missouri.

Thirty-six boys are of high school age, and all attended East this year. They were: John Bailey, Seth Eberhardt, Robert Martin, Dale Wall, Dean Linebaugh, John Ickes, John Willson, Jimmy Elliott, Jimmy Howell, David Dye, Ray Groves, Arthur Kelley, Earl Kelley, Joe Morris, Charles Miller, Paul Stroth, Loren Crain, Harley Creek, Ronald Lynch, Stanley Rhodes, Kenneth Rutherford, Benny Morris, Sherman Jones, Billy Joe Haun, Rex Mayes, Ronald Hisetrote, Eugene Brimer, Dick Figgins, Richard Rhodes, Delton Bean, Billy Wall, Kenny Wall, David Davidson, Glen Dawson, James Smith.

These boys receive three-fourths of the regular high school course. They go to East in the morning and attend vocational agriculture courses at Drumm during the afternoon. As a part of their training, the boys have individual projects. The first year, each boy is given a selection of one crop to grow. After the first year, they raise chickens, sheep, or hogs. During their last year at Drumm, boys may raise calves and enter them in livestock shows. At the American Royal last fall, calves belonging to Seth Eberhardt, Dean Linebaugh, and Robert Martin won blue ribbons.

Drumm Institute boys of high school age are enrolled in the Drumm Farm Chapter of the Future Farmers of America, where they have won much favorable recognition for the Institute among

high schools in Missouri. Clubs compete against each other in many different events. In the District Finals held at Warrensburg, Missouri, on April 16, Seth Eberhardt placed first in Public Speaking, while the Farm placed first in Radio, second in Meat Judging, and third in Dairy Products, and became eligible to compete in the State Finals held later at Columbia, Missouri.

The boys also belong to the Drumm Farm Chapter of the Independence Pioneers 4-H Club, one of the largest in the county. Arthur Kelley was president last year, and this year's president was Russell Wall. Arthur Kelley was also president of the 4-H Club Junior Council, composed of representatives from different clubs in the county.

Each day, some time is spent in wholesome recreation. The Drumm football team held their opponents scoreless in fourteen of their fifteen games played during last season. Other activities included baseball, basketball, and swimming, while during the winter months, they enjoyed skating, coasting, and even skiing.

The boys also gave parties, hayrides, and dances for their friends.

The Institute is not connected with any religion; four denominations are represented. The boys attend churches in Independence. Some take active part in church activities, such as evening meetings and singing in choirs.

As this article goes to press, word has just been received that Seth Eberhardt went to Columbia and won the state public speaking title of the F. F. A., after which he was elected president of the Missouri Future Farmers of America for the coming year. The Drumm radio skit and meat judging teams also earned One ranking at the state meet. All of us at East are proud to claim Seth and the rest of the Drumm Institute boys as our own.

Although the work was hard and the hours long, not a member of the staff regrets the time he spent on the book.

Not one—not two—but three staffs worked hard all year long. The photography staff was never seen without their cameras and flash bulbs ready to record on film at a moment's notice some scene that would long be cherished in someone's heart. Their associate and teacher was Mr. Grube who spent many weary hours taking group snaps of impatient, busy students.

Financially, it was feared we would "go in the red" but thanks to Miss Minnie Baker and her able staff who kept the records so straight and accurate, we not only stayed within our budget but have a little to save for next year.

staff

Last, but certainly not least is the Literary Staff. A larger, but certainly not less competent staff worked hard and eagerly all year on division pages, layout, writing, and the other things that constitute this staff's duties. The Eastonian Staff was headed this year by two editors-in-chief—Carol Austin and Mary Werning. We didn't always agree—everyone has his own idea—but with a little compromising here and a little there we ironed all troubles out in the end. At times the "man behind it all"—Mr. Prewitt—felt like we were more trouble than we were worth but even he got over it when the finished copies were delivered.

To Anita Miles, who drew the division pages, and Shirley Nystrom, who put across a successful sales campaign, much credit is due.

Now, all staffs accounted for, it is for you, the reader, to approve our work as a whole and commit us to your memory as "The Eastonian Staff of 1951".

“News-Hungry” is about the best adjective available to describe the 1951 Echo staff. The hard-working staff, under the sponsorship of Mrs. Gladys H. Papas, turned out sixteen issues of the East Echo filled with the usual great variety of features, editorials, news stories, and columns.

Most people will never know about all those behind-the-scenes happenings that go on before the appearance of the Echo—the writer tearing out his hair for a humorous column, the news editors busying hopefully over a scoop, a circulation manager completely stuck up with glue, and a photographer searching frantically for his flashbulbs. Yes, room 106 is an interesting place any time of the day.

The goal of all the members of the Echo staff is to get on Quill and Scroll. To be a member of this international organization, one must have at least fifty inches in print, sell at least one ad, and be recommended by his teacher in news. Eight persons became members of Quill and Scroll at the end of the first semester.

Even though it was hard work, all the fun will never be forgotten.

junior red cross

This year we were especially proud of our Junior Red Cross contribution. East was the first school in Kansas City to reach its goal, and then took the lead urging other schools to do the same.

Everyone worked hard on this important project but a few put in longer hours and gave added service which we think is worthy of special mention.

Mr. McClure and his helpers donated the beautiful chest that held the gifts, and Miss Reid's sewing classes hemmed forty-eight towels that were given by people especially interested in this work. Miss Rose Martin, who is in charge of this activity, sent two boys, Earl Richards and Donald Turrentine out to make speeches at the Chapter House, describing our progress. Also, her sixth hour speech class made speeches to the school introducing the idea of one box instead of having individual boxes for each homeroom.

East 6 - Ward 6

The East Bears opened their 1951 season against a scrappy and alert Ward Cyclone team. The game was played under lights and was the first game to be played in the new Ward stadium. The first half was a see-saw affair, with both squads showing a stout line and an alert backfield. East scored first in the third quarter on an off tackle smash by Bob Pryor. No sooner had the Bears kicked off, than Eldon Zelder, the fleet-footed Ward back, ran the kickoff back 80 yards to score for the Cyclones. Both teams missed the extra point as the game ended in a 6-6 tie.

East 7 - Westport 34

East opened its league season against a powerful Westport eleven, which wasted no time in showing its scoring ability to the strong but unpredictable East Bears. The

Bears didn't have the defense to throw up against the tricky plays of Westport. Bob Pryor scored on a dash through the line, and the extra point was added.

East 6 - Southwest 7

When the squads of Southwest and East came together, it was a determined East Bear defense line against the fleet-footed backs of Southwest. The first half was a show of excellent defense, as neither team was able to push across a score. East scored in the third quarter on an off tackle smash by their leading scorer Bob Pryor. As the last quarter started, the tired but fighting East line tried everything to stop the on-charging attack of the Southwest backfield. A pass caught by a fleet footed Southwest halfback behind the East safety man resulted in a quick scamper to pay dirt. The all important point was added and the Bears had tasted another defeat 7-6.

East 0 - Northeast 0

In the first quarter of play, the Bears' line playing a wideawake game, stopped thrust after thrust by the powerful and favored Vikings. Although the Bears couldn't score, they held their ground and the first half ended 0-0. As the second half started, the Bears were again putting up a stout defense which the unbelieving Vikings could see as well as feel. Northeast tried everything to score against this surprising squad, but the alert backfield of the Bears were just too worked up to lose this game, as they knocked desperation passes down. The game ended in a scoreless tie as the East line held against this stout opponent.

East 0 - Central 22

Entering the game without half of their starting eleven who were out with injuries, the East Bears were upset by Central 22-0. The Bears couldn't seem to get their offense to click as they were turned back time after time by the Central line, but the Eagles found no trouble as they tore through the East squad to rack up enough points to pull an upset.

East 22 - Manual 6

The Bears finally won their first game of the season as they defeated the Manual Redbirds. After a slow first half, the Bears came

to life as their high scorer, Bob Pryor, began breaking away for long touchdown runs. Pryor scored eighteen points to lead the Bears to their first victory.

East 0 - Southeast 33

The Bears had nothing with which to stop the Knights as they plowed their way to victory. The Bears were out-played all the way, as they again couldn't seem to get that scoring punch.

East 7 - Paseo 14

The last game of the season proved to be another defeat to the Bears. The Bear's one score was on a 62 yard pass play from Pryor to Cross. The Pirates racked up fourteen points to win.

second team

The East Cubs ended the season with four wins and three losses, taking third place in the league. They were coached by Mr. J. L. Fields. The scores were:

Westport13	East.....18	Southwest 7	East.....20
Northeast12	East..... 0	Central12	East.....18
Southeast18	East..... 6	Manual 0	East..... 6
Paseo19	East..... 0		

The East Cubs got off to a good start by defeating Westport 18-13. Quarterbacking the team were Ronnie Toman and Sherman Roark who showed a good deal of promise.

The East eleven defeated a strong Southwest team by the safe margin of 20-7. In the line, Gary Allen, guard; C. L. Apple, tackle, and Ronnie Jacks and Jerry Prewitt, ends, were outstanding.

On October 16, the breaks were against the Green and Black at Northeast and the Cubs lost 0-12.

The Cubs defeated Central 18-12 in a close and well-played game. Johnny Walton, playing his first game was outstanding on running and tackling. Ronnie Toman scored the winning touchdown in the final seconds of the game.

A week later, the Cubs ran into trouble with the Southeast gridders and were defeated 18-6. Bob Dowdy made the Cub's only touchdown. This was the Cub's second defeat.

The East Cubs obtained a well-earned victory from the Manual Cardinals 6-0. The only score of the game came in the second quarter on a pass from Sherman Roark to Jerry Prewitt.

The East gridsters were handed a defeat in their final game of the season. Paseo scored in the second, third, and fourth quarters making the final score 19-0 in favor of Paseo.

East 40 North Kansas City 36

The first game of the basketball season went to the fighting Bears of East as they out-shot a game opponent. The score in the first half was close. Patterson came through in the last half to spark the team on to a victory.

East 31 Lillis 22

East triumphed again against The Lillis fighting Irish. An East victory seemed doubtful until the final quarter when East's long shots and powerful defense brought about the second win for the Bears.

East 40 William Chrisman 42

East bowed to William Chrisman in the first loss of the season, as the Green and Black staged a hard-fought battle, only to lose in the final minute of play.

East 58 Hogan 26

The Hogan team seemed easy prey as the mighty Bears surged ahead. East gathered a margin of 32 points at the end of the game.

East 48 Glennon 22

The Bears marked down another victory as they out-played Glennon for a 43-22 win. Patterson and Lyon led the scoring as they hit for 23 of the total points.

East 57 Pem-Day 27

Like a powerful machine, the East Bruins rolled on to another victory against Pembroke Country Day. Aided by the splendid rebounding of Fair, Pryor, and Patterson, the Bears controlled the court throughout the game.

East 45 Ward 37

Twenty-two points were credited to Lyon, the high point man of the game, as he drove through for another lay-up for the final push and a deserved win over the Ward five.

East 57 Turner 27

The East defense paid off as the game went into the second quarter before Turner scored. This was the seventh win for the mighty Green and Black.

East 62 De La Salle 44

The game with De La Salle was almost no contest at all for the Bruins as Bob Patterson and Dave Lyon hit early for the Bears.

East 53 Southeast 34

Southeast, the first opponent of the Interscholastic League, just couldn't jump high enough to protect their goal from the rain of jump shots made by Wyman Fair and Bob Patterson. The Bears came forward in leaps and bounds in the last half to make the score 53-34.

East 58 Manual 33

Thirty-seven points and a new record was made by Bob Patterson. After the Red Birds were left far enough behind to be safe from recovery, Patterson started the big push as team mates fed him the ball.

East 46 Southwest 31

Good teamwork and control of the ball netted another win for East, as Southwest yielded to the Bruins, 46-31. A seven point scoring advance by Dave Lyon before the opposition could hit their stride, gave the Bears a good start, and some hard playing in the third quarter clenched the victory.

East 43 Central 20

The Bears hitting average more than doubled that of Central as they led all the way to an easy victory. Gaining a 10-2 lead in the first quarter, the Bears maintained the margin throughout the game, surrendering their positions to the reserves in the final minute of play.

East 43 Northeast 56

In the biggest upset of the Interscholastic League, the Northeast Vikings handed the Bears their first loss in league play. With an almost super-human power, the Vikings swept over the favored Bears.

East 35 Westport 41

With a second loss, the East Bears bowed out of the league race, as a powerful Westport team outplayed and out-hustled the Bears. The Bears fought valiantly, but Westport pulled out in front in the closing minutes of the game.

East 56 Paseo 44

The Bears defeated Paseo to clench the tie for second place in the final game of the Interscholastic League play. Good hitting by Patterson, Lyon, and Bandy, proved too much for the weaker opponent and their loss upped the Bears in a two-way tie with Northeast for second place.

East 59 Manual 32

In the regionals, East again met Manual, and once more came out on top. Bob Patterson set a record in the tournament, with 31 points. Patterson, Lyon, and Cross consistently scored, and gradually left Manual trailing in the distance.

East 50 Paseo 40

East won the semi-finals in the regional tournament by a 50-40 victory over Paseo. A neck and neck battle during the first half, East pulled ahead in the second half to a ten point victory.

East 52 William Chrisman 39

The Bears met Chrisman's Bears in another battle, and this time defeated the favored regional champions to gain the opportunity to meet Buffalo, Missouri in the state tourney. With a fast offense and accurate scoring eye, the Bears revenged Chrisman for their earlier two point win.

East 42 Buffalo 45

The Bears just couldn't get through the defense set up by the Buffalo boys. Herb Morgan and Paul Bandy did their share of hitting from the field, but the team lacked those vital points to push them ahead.

Coach Harris, a newcomer this year, handled second team basketball, in addition to helping in first team football and track.

Although the East Cubs did not win a large number of their games, the players received the experience and skill that tends to brighten East's basketball future. Arthur Root and Ronald Bales carried a large share of the offensive work, while Ed Eubanks and Bill Raup were outstanding on the defense.

The scores of the league games were:

The East cindermen opened their 1951 track season at the annual Big Seven meet, which is held in the Municipal Auditorium. Donald Bersuch, an outstanding 440 man, led the Bears to a tie for second place as he was clocked around the track in a record-breaking time of 53:8 seconds in the 440 dash.

The track squad then journeyed to Central College at Fayette, Missouri, where they placed third behind William Chrisman, and Maplewood. Jerry Frazier, 880 runner for the Bears, placed first in his race as he won by a wide margin. The relay team composed of Marvin Smith, Ainis Leggett, Quinn Duffy, and anchorman Don Bersuch, set a record of 2:04 in this event.

Coach Brown and five runners then went to the Indoor State Meet at Columbia. The 880 relay team placed fourth and was barely nosed out of first place as the winning time was 1:39:7 while the Bears ran it in 1:40. The Medley Relay had more success as they placed third. The boys making the trip were: Bob Pryor, Don Bersuch, Fred Slocum, Marvin Smith, Ed Eubanks, and Quinn Duffy.

Our first outdoor meet resulted in a victory by Southwest over us by a margin of 57 to 45. However, our squad showed great promise in most events. In the mile run we took first, second, and third. Leggett won both hurdles, Frazure, the half-mile, Bersuch, second in the 440, Grasher, with a jump of 20 ft. 4 in., won the broad jump, with Spears in second place, and Pryor placed second in the 100 and 220 yd. dashes. We also won the mile relay.

At the Kansas University relays, our 880 yd. relay team placed fourth.

Since the year book goes to press, we are not able to give the outcome of the remaining meets. Following is a list of the lettermen and their events and also some outstanding prospects for this year's squad. They are as follows: Bob Pryor, 100 and 220 dash, broad jump, shot put, and 880 and mile relay. Don Bersuch, 440 dash, low hurdles, 100 yard dash, and 880 and mile relay. Quinn Duffy, 440 dash, 880 and mile relay. Fred Slocum, 100 yard dash, broad jump, 880 and mile relay. Ainis Leggett, high and low hurdles. Jerry Frazier, 880 and two mile relay. Melvin Thursby, mile run, and two mile relay. David Lyon, 220 dash, and high jump. Don Grasher, broad jump, high hurdles, and 880 and mile relay.

Marvin Smith, dashes and relays. Ed Eubank, high jump and 880 run. Arthur Spears, broad jump and dashes. Jerry Swanson, dashes and relays. Kenneth Simpson, high jump. Uel Snyder, mile run. Lawrence Dysert, 880 and mile run. Ed Elkins, 880 yard run.

East's Pepsters

Pat Fredrick, Irene Sevier, Dorla Durosette, Joyce Cokkell, Jean Buehlig, Jerry Adams, Jimmy Vaughn, Harry Mullins.

Cooperative Occupational Education is an educational training course provided by high schools in cooperation with business and industrial employers. A student may select the type of work in which he is interested. Then with the help of the coordinator, he will be given a job that satisfies him. The student spends approximately half of each day in school pursuing his regular high school courses. The other half day is devoted to direct on-the-job training. School credit is awarded for this as in any other course.

All students who take C. O. E. must also enroll in R. T. I. or Related Trade Information. This class consists of two studies. First; general information which includes the study of laws, insurance, credit, and the managing of money. Second; the student is taught individually pertaining to his job.

This year's C. O. E. class consists of fifty-eight people, all receiving a satisfactory salary with jobs ranging from nursing to clerking. This gives the students a chance to earn money while attending school and also assures them of a position after graduation.

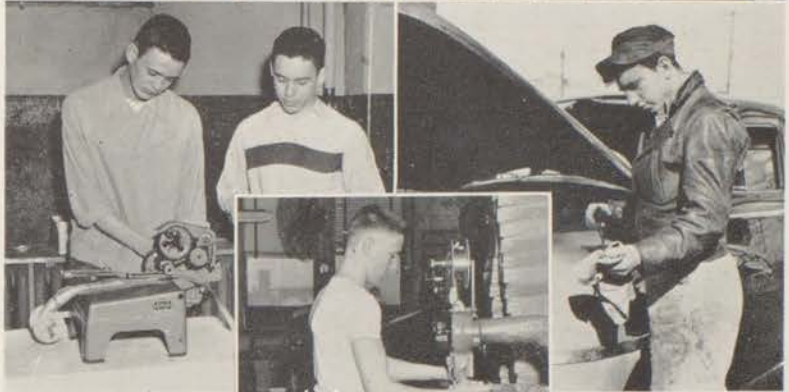

Beverly Taylor and Harold Moore learn some new pointers in selling at Parkview.

outburst

With the strains of "Put Another Nickel In" and a line of dancing girls providing the huge nickels, the 1951 Outburst, "Jukebox Fantasy" began. The dialogue, presented on a small platform just off-stage, carried the viewer back through the years with the help of the jukebox.

First, College Days appeared, then the never-quite-dying glamour of Vaudeville. Blackface, canes, and spanking white gloves brought the Minstrel Days in review, followed by School Days, and, finally, by a preview of the future, Stage Shows.

Several outstanding highlights of the performance included the only production number of the evening, "Where Did You Get That Girl?" which featured a line dance, a male chorus, a vocal duet, a trick car which almost completely collapsed, yet still ran, and a black-faced minstrel singing the ever-popular "Shadrack."

School days depicted "In a Little Red Schoolhouse" and sung by the boys' quartet, and the Charleston dance provided happy reminiscing for every member of the audience.

Added to this, were a variety of vocal solos and duets, dance numbers, and instrumental music to provide a fully rounded and thoroughly enjoyable evening's entertainment. The spectacular finale, "Waltz of the Flowers," enhanced by special costumes and fluorescent lighting provided a fitting climax to the Jukebox Fantasy.

Left to right: "Waitin' for the Robert E. Lee"; "Put another nickel in, in the nickelodeon"; "Carolina in the morning"; "School days, school days"; "Where did you get that girl? Oh, you lucky devil"; "Nevertheless, I'm in love with you"; "Play a simple melody"; "The Charleston"; "Cincinnati Dancing Pig"; "Why is it I spend the day?"; "Places, girls!"; "This is the way we go to school—with our books and slate"; "Repairs"; "Tell me tonight"; "Some of those old tunes are being revived now, Daddy. I'll find one on the juke box"; "I wanna be loved by you, just you"; "Hark to the waltz of the flowers—Finale."

junior officers

Left to right, seated—Pat Kenepaske, Treasurer; Betty Berry, Secretary; Standing—Chet Snyder, Sgt-at-Arms; Charles Huffman, President; Sharon Adair, Vice-President; Evelyn Martin, Reporter; not pictured, Rosemary Jones, Gift Receiver.

The chief duty of the officers was to plan a beautiful dance which the class of '52 would remember as their Junior Prom. Dance committees were selected from the Junior class by the officers who served as chairmen of these committees along with a chairman selected from the class at large.

The dreamy mood of the dancers was due to the lovely effects created by sparkling stars, delicate roses, and highlighted with a beautiful archway which was the entrance to the "Moon Light Gardens". The music and tasty refreshments all added to the enjoyment of the ninety-five couples.

stage crew

The able-bodied members of the stage crew are the ones responsible for the perfection of our productions at East such as the Outburst and the spring play. Not only are they responsible for the stage settings, but they have charge of the lighting effects, sound effects and the public address system.

At our mixers, whether they be day or night, the stage crew members take care of the setting up of the microphone and the playing of records. At all the

dances, including the Junior Prom, the stage crew was asked to perform duties in helping decorate the gym.

Members of the stage crew must be "jack-of-all-trades" with a complete knowledge of electrical equipment, sound equipment, and be able to use various tools in helping to construct scenery for stage settings. Much of this knowledge is gained from experience, but a great deal more comes from the able teaching of Mr. Michaels, the director of the group.

assemblies

The assembly programs this year have been both entertaining and informative. They have ranged in interest from the Outburst Teaser to a serious discourse on traffic safety. Some of the outstanding assemblies were:

Better Driving Assembly—October 12, 1950

Officer George Vernon of the city police force presented the film, "And Then There Were Four", on traffic safety. It was the story of five drivers, including a teen-age hot-rodder, and the effect of an announcement of an unidentified victim of a wreck upon their families. The surprise ending left a terrific impact upon the audience.

Choir Assemblies

November 10, 1950 marked the first appearance of the East A Capella Choir in their new robes. Mr. C. S. Robinson, Assistant Superintendent of Kansas City Schools, gave a short speech after a special program of music.

The A Capella Choir of Kansas City University, under the direction of Dr. Everett Hendricks, presented a program of music in regular assembly, November 29, 1950.

Before a setting of stained glass windows, the music department presented the traditional Christmas Assembly, December 22, 1950. It featured the girls chorus, three mixed choruses, the A Capella Choir, and several soloists.

In a traditional setting of palms and Easter lilies, the Easter program was presented on March 22, 1951. The program consisted of numbers by the girls chorus, mixed chorus, A Capella Choir, girls octette, soloists, and a large combined chorus.

On, April 2 the Baker University choir, under the direction of Professor William C. Rice, presented a fine program of music. Special selections were provided by Miss Jean Armour, an instructor at the university, and the Baker Men's Quartet.

Teasers

Outburst ticket sales were boosted by the teaser December 6, 1951, which presented a preview of the show to come.

Selected scenes from the Spring Play "Our Miss Brooks" were presented in an assembly March 14, to give the students a glimpse of the coming production.

One Act Play

Three one-act plays were presented in assembly this year. The first, "Noble David", presented January 8, 1951, was the story of a sophomore boy, David, his endeavor to win a declamation contest, and his efforts to get an older (junior) girl to notice him.

An all-girl cast presented the comedy "Make-up and Live" on January 12. Things began happening when two clients of the Guinivere Beauty Salon each tried to bribe the operator to "fix" the other so that she would be unable to meet a certain man.

She obliged and surprised both of them when she walked off with the man they were interested in.

The third play "Paul Wrecks The Car" was presented January 18. The plot involved a teen-age boy, Paul, and the family car, which he borrowed without his parents consent and brought back in very bad condition.

Campaign Speeches

In a regular assembly January 18, the three candidates for Student Council President presented their campaign speeches. The three candidates stating their platforms were Joyce Cockell, Gail Dull, and Bob Diekman.

On February 8, the three candidates for Mayor of City Hall Day were presented in assembly. Dick Smith, John Sabin, and Stanley Levin, of Southwest, Central, and Paseo respectively, each presented his platform in a brief speech.

Civilian Defense—January 19, 1950

Practical and highly useful information on what to do in case of Atomic attack was presented in the Civilian Defense Assembly. Slides and motion pictures were used to help us understand the subject.

"It Pays To Be Smart"

The radio program "It Pays To Be Smart" was transcribed in a special assembly on February 15. The contestants were Joann Rinkenbaugh, John Harrison, John Bradley, John Anthuis, Harold Willis, and Melvin Thursby.

Speech Assembly

A drama entitled "The Bomb That Fell on America" was presented by the second year speech classes on March 2. The plot involved the atomic explosion on Hiroshima and its effect upon the entire world.

House of Magic

In the General Electric Show, March 20, scientific phenomena and unusual effects produced by chemicals and electricity were brought together under the heading of "The House of Magic".

Band Concert

The East High Band took over the stage to present a program of band music on April 6. The program was concluded with John Phillip Sousa's stirring "Stars and Stripes Forever".

Seniors Take Over

For the last three assemblies of the year, the Seniors literally take over, beginning with the National Honor Society Assembly on May 10, on through the Award Assembly May 14, and ending with the Senior Assembly, May 17.

The entire assembly program this year has been outstanding. These are only a few of the highlights, for space will not permit telling about all the wonderful assemblies of the year 1950-51.

acknowledgements

To the following people goes our sincere appreciation for their splendid co-operation in producing the Eastonian.

Mr. Stanley R. Fike of the Inter-City Press.
 Mr. Garratt Holland of Holland Engraving.
 Mr. A. C. Weyersberg of Rolland Studios.

To all members of the Senior Class for their loyal support and to all members of the faculty and student body who purchased a copy of the 1951 Eastonian.
