MAIN

Foreword

1968-69 proved an important year in national events. Man finally attained his goal of a flight around the moon. The Pueblo crew was freed after eleven months of imprisonment.

Climaxing the year was the culmination of the political campaigns in the election and inauguration of President Richard M. Nixon. His victory slogan and inauguration theme, "Bring Us Together" and "Forward Together", vividly express the theme of this yearbook.

Underlying each activity is the search for unity, whether it be teamwork in athletics or cooperation between student and faculty. Through this quest came the presentation of such productions as the Outburst, the school plays, and Music In Review. Once again the cross country team won recognition as city champions.

This year East formed a Human Relations Council, becoming the second school in the city to do so. The purpose of this council is to improve relations between different social, racial, and religious groups. Although still in a formative stage, it is hoped that the council will help spread harmony throughout the school in future years.

All of these events and many more helped to form the 1968-69 school year. We hope you enjoy this review of these happenings and keep it as a record of many pleasant memories.

Coach Les Fields

Anyone who has ventured into the boys' gym during class can verify the presence of a permanent fixture, an integral part, no less a supporting force than the walls of the structure. Upholding, not the ceilings, but students, Coach Les Fields has for over twenty years guided their progress.

Coach Fields, a graduate of Central High School and Central Missouri State College, came to East in 1945. An outstanding track man himself in high school and college, Mr. Fields has coached football, basketball, and golf, as well as cross country and track.

Always a picture of discipline and devotedness, Coach Fields has shaped hundreds of East High students into proud athletes and upstanding young men. Under his leadership and training, East High School's cross country team has developed into one of the most respected in the state of Missouri.

Last year, Mr. Fields was presented the 1967-68 "Coach of the Year Award" by the West Central Coaches Association in recognition of the undefeated record of his city and district champion cross country team. An honor such as this can reflect only the willingness to work long and hard, which is so typical of Coach Fields.

A dedication is no more appropriate than when in the honor of one who has dedicated himself to the building and betterment of others. It is with this thought that the 1969 Eastonian has been dedicated to Coach Les Fields.

Adminis

Mr. L. Clayton Dickson

AFTER HAVING OBSERVED THE EVACUATION of the building during a fire drill, Mr. Dickson gives the signal for the students to return to their classes.

The administrative staff of East is composed of Mr. L. Clayton Dickson, Principal, Mr. E. A. Markey, Mr. William T. Ridley, Vice-Principals, and Mrs. William E. Stroud, assistant to the Principals.

Mr. Dickson, as principal, has many responsibilities which include faculty appraisal, curriculum development, inter-school liaison, Parent Teacher Association, Public Relations, and support of and cooperation with student council leaders.

Mr. Markey is in charge of the tenth, eleventh, and twelfth grades at East. He also supervises discipline on the second

floor and after school on the first floor. Mr. Markey is also in charge of locker problems, extracurricular activities, and emergency situation drills.

Mr. Ridley has been a Vice-Principal at East for the past three years. Mr. Ridley has many responsibilities among which are all enrollment, programming, scheduling, and discipline of eighth and ninth graders.

Mr. Stroud, assistant to the principals, manages discipline, aids the counselors, issues home-lunch permits and ascertains their records. He is in charge of pupils' parents waiting for conferences and of students returning for lunch.

Counselors

A low grade or a problem with a teacher can usually be solved through aid from the counseling office. Each year a counselor is assigned to the sub-freshman class and follows it through until graduation. Through this continuous attention, a closer student-counselor relationship can emerge. This aids the students in planning schedules better suited to their abilities. The counselor also assists in finding suitable colleges or occupations for the individual student to enter after graduation.

Office Staff

Working with efficiency, the ladies of the office staff perform their numerous tasks. They handle attendance, issue tardy cards, type bulletins, and keep the records of all students complete. It is only through the capable aid of this staff that East High School continues to run smoothly.

History

An understanding of our government, our history as a people, and the history of other nations are the aims of the History department. To qualify for graduation, three years of study are necessary, Civics and American History are required and one elective can be chosen from World History, World Geography, Economics and Contemporary Issues, Comparative Government and International Relations, and Current Affairs. With these three courses, a student will better know the world around him.

Common Learnings

Common Learnings classes are required for sub-freshmen. These cover a wide variety of subjects but are basically concerned with English and Social Studies. In these classes, the new students of East learn to adapt to high school life.

LITERATURE AND GRAMMAR compose sophomore English taught by Mrs. Byrd.

English

Language, English or otherwise, is a key factor of success. In English, the students of East are taught the basic parts of speech, the structure of a sentence, the interpretation of a poem or novel; each successively more difficult. In Speech, these lessons are put to use in learning to express themselves in communication. The study of English is important to each student if he is to be successful communicating with his fellowman. The knowledge of our English language is the mark of an educated individual.

Foreign Language

After the mastery of English, a foreign language may be chosen from the three taught at East—French, Latin, and Spanish—to broaden the student's outlook on the world. The study of a language teaches a student to speak and write a language and to understand the culture of the foreign country. The language lab helps the student to increase his proficiency at speaking a language.

WHAT SEEM TO BE INTRICATE AND DIFFICULT PROBLEMS are actually quite simple mathematical computations as Mr. Harry Hommes demonstrates.

Science

Science and math usually complement one another. A good background in each is desirable in many careers. Science classes range from General Science, in which the basic principles of most fields are touched upon, to Physics, in which physical causes of natural phenomena are explored. Two years of science are necessary for graduation.

PATIENCE AND PRACTICE will soon result in the learning of chemical equations, explains Mr. Stoops.

Math

Math, required only one year, is offered a total of four years. Choosing from General Math, Refresher Math, Algebra, Geometry, Advanced Algebra and Trigonometry, and Senior Advanced Math, students learn the basic fundamentals and more complex theorems. These help students to solve everyday problems and to discipline their minds to provide background for further study.

Physical Education

A well-rounded education is not complete without physical education to train the body and a fine arts class to educate the mind. Good sportsmanship, responsibility, and self-discipline are the main goals of physical education. Girls learn dance techniques—modern and folk, as well as volleyball and hockey. Boys learn the rules and regulations of football, basketball, and track, as well as other sports.

Fine Arts

Fine arts, which include music, art, speech, and drama, teaches the students appreciation of the works and accomplishments of others. They give a student a sense of culture necessary in later life. These classes broaden the students education, and give him an opportunity for self-expression.

Practical Arts

The cultivation of a skill in a student is necessary whether he goes to college or directly into a career. Practical Arts at East includes typing, stenography, accounting, drivers' education, homemaking, and industrial arts. Touch of "Potpourri" Brings Something New to Our 1968-69 Outburst

The theme of our 1968-69 Outburst, Potpourri, set the stage for a collection of East High's best talents. "Potpourri" is a French word naming a medley of music or a variety of different types of music and talent. Acts were chosen in tryouts held in the auditorium. The students worked long and hard during after-school rehearsals, directed by Mrs. Oyloe, drama, and Mr. Moore, music. This was their first year directing our annual show. The program was presented Friday, November 22, and Saturday, November 23.

SETTING A GROOVY BEAT, to "Cold Sweat" are the Judges and the "Horse."

PERFORMING A RAGGEDY ANN AND ANDY ROUTINE are Dianne Painter and Marianne Anderson.

BACKSTAGE, TENSION MOUNTS, as the rising of the curtain draws nearer.

DISCOVERING NOTES FOR THE TEST ON THE FLOOR, Miss Collins' English class discusses cheating.

Integrity Sets Theme of Fall Production, "High White Star"

On December 6, the drama department presented "The High White Star" by Tom Erhard. This comedy depicts cheating in high school and the campaigning in a class election. Also, it shows the difficulty of preserving ideals and high goals when those around are lowering theirs. In preparation for the play, early morning and late evening practices began in November, supervised by Mrs. Gary Oylor and student director Doug Stan-

ley. Many long hours were contributed by those backstage, too, to make this venture a success. The cast for "The High White Star" was: Mary Chambers, Sharon Jurd, Brenda McCoy, Roxanne Almada, Darrel Abram, Sharon Carrasco, Timmie Murphy, Mack Thomas, Gary Ballinger, Glenda Buhr, Evelyn Rodriguez, Dan Palmer, and Lynn Bisbee.

EMBARRASSED AND ASHAMED, great reporter Scoop Cramer, played by Mack Thomas, withdraws into his sweater.

DIANA LANTRY TELLS HER FATHER that she is going to marry Richard Rockwall as Father Rockwall looks on approvingly.

MRS. PURDY SHOWS TOM CRAIG to his room while Mrs. McCool works on her knitting.

WHILE THE CLERKS DISCUSS who sold them to her, Miss Zeiss registers a complaint about a pair of gloves she purchased.

Spring Drama Production Features Three Plays of O'Henry

A group of three O'Henry short stories, an O'Henry Encore, was presented as the spring play, Friday, March 14, by the Drama department under the direction of Mrs. Charlene Oyloe.

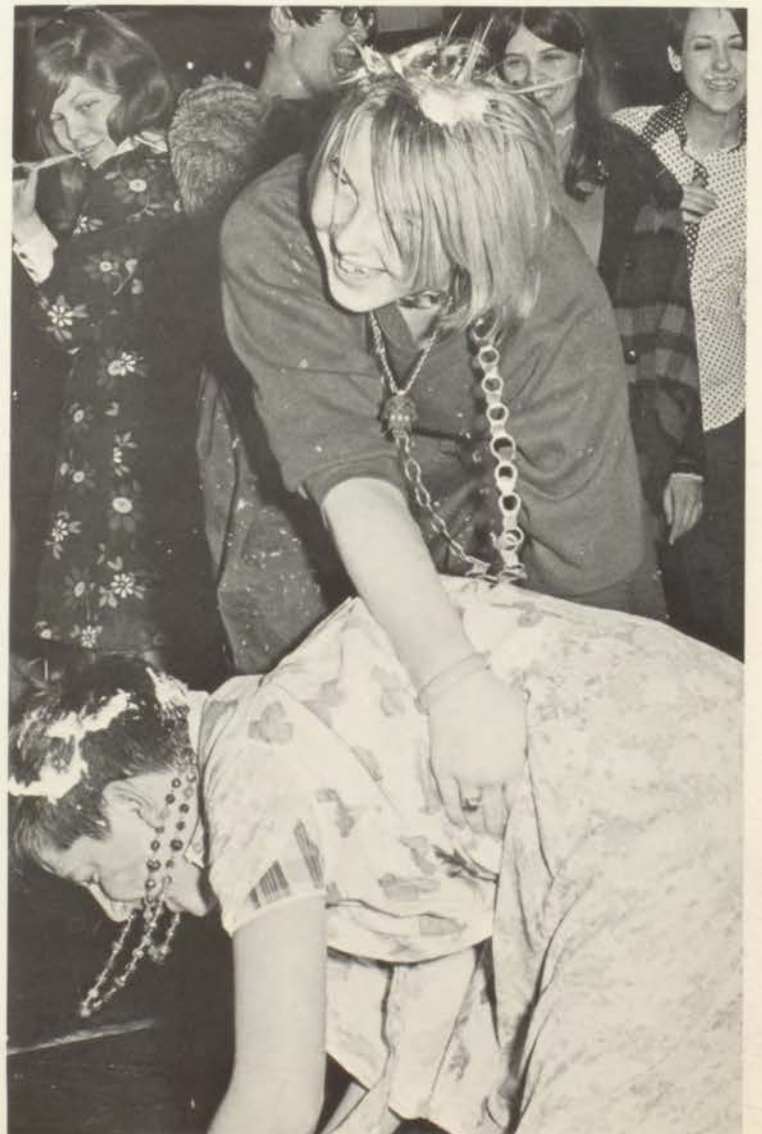

The first of these, "The Furnished Room" is a tender, but powerful, drama of a young man and his five-month search in New York for the girl who has disappeared from his life. He takes a furnished room near the music conservatory and is haunted by the scent of her perfume and the sound of her playing the piano. He is convinced that she is in the rooming house, although Mrs. Purdy, the landlady, insists that she is not there. The girl, Eloise, appears to him in a vision to tell him they can never be together again and disappears.

"Mammon and the Archer" is a delightful character comedy about a soap tycoon who lives on Fifth Avenue, smugly convinced there is nothing on this earth that money cannot buy. His sister, on the other hand does not believe in the power of money and sets out to prove him wrong.

A "Lickpenny Lover" is an account of two girl sales clerks and their romantic adventures at a Mens' glove counter in a Manhattan department store.

LICKPENNY LOVER MACK THOMAS apparently has some enthralling words for Danita Davis as the disgusted Diane Painter looks on.

Fun-Filled Week Climaxes Choice of New Members for Lit Clubs

At the beginning of each semester, forms are filled out by students who wish to join a Literary Society. On these forms they list their first, second, and third choice as to which club they want to join. The forms are then compared and new members are selected. The new members are in for a fun-filled week with such activities as joint brother-sister parties, pot luck, and a formal tea. The highlight of the second semester "Orientation Week" is the Valentine Mixer. At the mixer the orientees compete in skits and provide the entertainment. A King and Queen of Hearts is also chosen at this time.

Outstanding Performance Is Ultimate Goal of A Cappella Choir

PRACTICE AND MORE PRACTICE is the formula for an excellent musical performance.

MIKE SADDLER AND PAUL TEBBETS SHOW intense concentration as they prepare to be tested.

The A Cappella and Girl's Choirs, under the direction of Mrs. Irene LaFayette, have greatly contributed to school assemblies. Both choirs performed in the annual Christmas assembly. The A Cappella Choir also toured the elementary schools in the area. In addition to performing, the students study advanced fundamentals of music as well as composers, operas, and intricate musical pieces. Participation in the A Cappella or Girl's Choir give the students the satisfaction of knowing that they helped to produce a harmonious and beautiful performance.

WITH ACCOMPANIMENT BY DONNA BRUBECK, these girls practice harmonizing.

WITH ALL EYES ON MR. MOORE, the Freshman Chorus rehearses for their special assembly.

The Freshman Chorus, under the direction of Mr. Carl Moore, concentrates on producing a good sound. The Freshman Chorus performs in the Outburst, the Spring Music Festival, the All City Festival, and at P.T.A. meetings. This year, for the first time, the Freshman Chorus presented a special assembly to the entire student body. The Freshman Chorus is an apprenticeship for the A Cappella and Girls' Choirs.

The Eighth-Grade Chorus studies the theory of music. It is a preparation for future study in the Freshman Chorus. The members of the Eighth-Grade Chorus learn the basic format of music, such as the notes, the basic pattern of musical composition, and the use of the voice in various musical pieces.

WORKING TOGETHER TO CREATE HARMONY, Danny Cline and Johnny Sook combine their talents.

Under the direction of Mr. Marion W. Sell, the band, in their new uniforms, marched not only at the football games, but also at the Warrensburg homecoming game. Much time was spent on drilling and marching for occasions as the American Royal Parade, and the Westport Parade. After the marching season was over, practice began for the Outburst and the annual Christmas tours to the surrounding elementary schools.

Instrumental Music Blends Talent and Timing in Performances

The orchestra, again under the direction of Mr. Marion W. Sell, practiced tirelessly for such events as the Music in Review and the City Music Festival. Between programs, preparations for the district music contest take up much of the musicians' time, but it all shows up in pride when they receive their first place medals.

LEARNING THE BASIC KNOWLEDGE OF CODES as a requirement before customer credit may be authorized is Cathy Gulick, an employee of the Jones Store.

Co-operative Occupational Education is a program devised to train high school students in an occupation of their choice while they are simultaneously attending the required high school classes. Under the direction of Mr. Galler, students learn basic skills of their occupation with further aid from actual business and industrial establishments. Each week, a minimum number of hours are spent on on-the-job training. Typical of these jobs are sales clerks, clerical personnel, mechanics, dietary assistants, and hospital workers. Enrollment of this class is based upon interest, school attendance, citizenship records, and the number of credits already achieved towards graduation.

Proctors

Each year, a selected group of students are chosen to help in the various jobs at East High. Some apply their talents to control the majority, in order to give the student the longest possible lunch hour. Others sit at opposite corners of each hall to insure the smooth flow of their fellow students. There are those, however, who perform a more specialized service. While one group learns the care and operation of projectors and sound equipment, another establishes the fundamentals of secretarial work. Still a third group is concerned with the physical well-being of fellow students. Whether small or large, each proctor does his part for the betterment of East High School.

Human Relations

Early this fall, a committee of students, selected by the faculty, met under the supervision of Mr. L. Clayton Dickson to write the by-laws of a new organization, the Human Relations Council. The purpose of this council is to improve relations between different racial, social, and religious groups. The council is under the sponsorship of Mrs. Oyloe and Mrs. Barndt.

Customs and Traditions of Spanish Culture Are Enjoyed

Mexican musicians from the Casa de Montez provided entertainment for one meeting.

Members of the Spanish Club enjoy learning more about the customs and traditions of early Spain, as well as the language itself. At their annual Christmas party the members all joined in the breaking of a pinata in which they found money, candy, and other favorable treats. This year, Mrs. Donnelly, the Club's sponsor, arranged for a trip to the Casa de Montez. Here, members of the Spanish Club enjoyed an exciting evening in a delightful Spanish atmosphere.

Acting Talents Sharpen As Students Study Techniques

HEADING UP MASQUERADERS FOR THE YEAR is President, Doug Stanley.

PUBLICITY IS NO PROBLEM for Barbara Ford, as she draws a poster.

Again this year Mrs. Oylo was the sponsor of the Masqueraders Drama Club. It was the unanimous decision of the members to preserve the same officers both semesters; therefore, time consumed by the training of new officers and the settling of business was used to put on new and better productions. The Masqueraders is a "learn by doing" organization. This means one learns to act by acting, to produce by producing, and to direct by directing.

BACK ROW: Debi Kretschmer, C. S. Scott, Charles Reeves, Gary Ballinger, Dan Palmer, Doug Stanley, Kenny Williams, Darrell Abram. FRONT ROW: Darlene Frazier, Roxanne Almada, Dian Painter, Marianne Anderson, Renee Farkas, Sherry Stone, Candy Maxey.

This year the stage comes directly from the Masqueraders drama club. Mrs. Oyloe, sponsor of the Masqueraders, feels this will not only give the individual an experience in acting but will also teach him to respect the huge amount of work necessary to put on a production. However, the responsibilities do not cease with the building of sets and props; make-up artists, and costume designers are also an active part of the crew. There is a tremendous amount of learning connected with the stage crew, as well as the personal satisfaction that you had something to do with the fact that the curtain rises on time on opening night.

Bear's Den Facilities Furnish Recreation for Teenagers

If you are wondering where all the action is on Thursday nights, you will not have to look any further than 24th and Elmwood where the new Minute Circle is located. At this new Minute Circle, teentown is sponsored by the Bears' Den. The highlight of the year is the annual Snowball Dance, which was held on February 20, 1969. During the dance, the exciting and tense moment prevailed as the 1969 Snowball Queen was crowned. This year the honor was bestowed upon Miss Cathy Belke.

CLIMAXING THE EVENING was the crowning of Snowball Queen Cathy Belke.

AS THE BAND PLAYS SOFTLY, Queen Cathy Belke and escort Charlie Barry lead the dancing.

EACH THURSDAY NIGHT, Bears' Den plans the activities for Teentown.

Athenians Lead Way in Promoting Girls Sports

The Greek goddess of wisdom, Athena, has guided this club of girls who excel in athletics since 1928. To be eligible as a member one must either participate in a certain number of intramural sports, must have earned a shield, or have participated in a sports day. Athenians sponsor a variety of activities such as an eighth grade sock-hop and a Faculty-Student volleyball game to raise money. This spring they planned on a camp-out in which they had fun and relaxed from the busy schedule of athletics.

BACK ROW: Debbie Vaughn, Jane Donahue, Rita Przygocki, Carol Craft, Barbara Eli, Betty Wilkerson, Debra Green. SECOND ROW: Shelly Daniels, Becky Chrisman, Patty Lawson, Pam Vaughn, Janice Tatum, Denise Hart. FRONT ROW: Rosie Villanueva, Alice Nirschl, Susan Ekstrom, Sue Chastain, Celeste Carlson.

Competition and Practice Build Sportsmanship in Girls' Sports

The Girls' Physical Education Classes and Intramural Program develop skills through a variety of activities. Beginning the year was the Ladies Game-Field Hockey and an extensive square dance course. After the fall activities, the girls come indoors for most of the gymnastics activities. They include tumbling, balance beam, vaulting, and floor exercise. More indoor sports the girls participate in are: Table Tennis, Volleyball, Basketball, Badminton, and Aerial Darts. At the first show of spring, out they go for Track and field activities such as softball and rhythm. On rainy days rhythm games are played in the gym.

MAKING THE SIDE VAULT LOOK EASY is Marilyn Randolph.

FIGHTING FOR AN EAST FIELD GOAL, are Joyce Garrett and Carmen Frazier.

FREQUENT PRACTICE PERIODS prepare the Sea Nymphs for their annual swim show.

Precision Timing Features Work of Sea Nymphs

Every Wednesday, you can be sure that the members of Sea Nymphs are hard at work practicing numbers for their swim show. The theme of this year's swim show was "anything goes at the County Fair." It was held on March 26, 27, 28, and 29. At this annual swim show you were sure to hear music to the familiar beat of "The Good, The Bad, and The Ugly" and the "Stripper". They were under the sponsorship of Miss Small who spent many hours with the girls helping them perfect their individual numbers.

"We've Got Spirit" Is the Motto of Pep Club

This year the Pep Club wore new outfits of kelly-green jumpsuits and white turtleneck sweaters. Along with their new outfits, the Pep Club also showed new enthusiasm and spirit at football and basketball games. Pep assemblies, held in the auditorium before school, provided everyone with the chance to urge our team to victory. Their steady support of athletic events brought new hope and pride to participants and spectators alike.

AS EAST SCORES, the Varsity Cheerleaders burst into shouts of joy.

On many evenings after school, it is possible to hear shouts and cheers echoing through the halls. They are coming from a group of girls who make up the varsity and junior varsity cheerleading squads. It is their duty to come to each athletic event and lead the spectators in lending moral support to the participants. Leading the squads this year were Diana Mullins, Varsity captain, and Liz Lebioda, Junior Varsity captain.

REFERENCE BOOKS AID in broadening understanding of class assignments.

WHILE EXAMINING A MOCK-UP of the magazine, Joyce receives criticisms from her assistant editor, Marsha Williams, and Eastonian co-editors, Betty Riggs and Janice Burke.

ONE HOUR EACH DAY, Kathy serves as an audio-visual proctor, checking in and out films, projectors, record players, and televisions.

Two Staff Members Rate As Finalists in Nat. Merit

Each year the National Merit Scholarship Qualifying Test is given to selected juniors. Scores are returned that year, but semifinalists are not announced until the following fall. November 13, Mr. Dickson received the news that Kathy Jones and Joyce Huff had attained that status. Information forms and the SAT test followed. East has never had a Merit finalist before, so it was with pride that Mr. Dickson later announced that Kathy and Joyce had qualified. There are about 15,000 finalists and 3,000 scholarships. The finalists rank in the top 1/2% of all seniors in the United States.

PARENTS' FINANCIAL REPORTS and other forms required much assistance from Miss Stewart, counselor.

AS A CLASS ASSISTANT, Joyce operates the language lab and listens to the recitation of first-year French students.

PLANNING LAYOUTS requires hours of "before 8:00" and "after 5:00", Janice and Betty can testify.

Yearbook and Magazine Editors Combine Efforts Toward Publications

In order to produce an accurate record of this school year, several members of the 69 Eastonian staff spent countless hours, as early as 7:00 in the morning and as late as 5:00 in the evening at school. The photographers worked early and late, covering assignments and printing pictures. Layouts had to be drawn, copy written, and everything had to be organized into final copy. The enjoyment and satisfaction of completing the job was ample reward.

This year, an added assignment was the production of Montage, our magazine. This was a new and different experience for those involved. Although some, as always, did more than others, the staff as a whole reflected the pride of doing what was expected and asked.

Northeast

On September 13, East opened their pre-season against Northeast on Selvidge Field. The Vikings scored the first touchdown in the second quarter, but the defense held them scoreless the rest of the game. The second half was a see-saw battle, but at the end of the fourth quarter, the Vikes were forced to kick. Larry Henderson blocked the kick and Bob Guthrie recovered the ball in the end zone for the Bears' first touchdown. Rodney Ford, a few minutes later, intercepted a pass and returned it for a 20 yard gain. The play was converted into another touchdown for the Bears. The game ended with the score 13-6 in favor of East.

Lillis

Saturday, September 21, East played their last exhibition game at Selvidge Field against Lillis. The Bears were going for two wins in a row, but the Fighting Irish thwarted their efforts. Lillis, who had strong offense, racked up 21 points in the first half. The Bears were not able to start a fire under the offense or defense to get either moving. The second half, the defense stiffened and held Lillis to three points. It was the defense who put East on the score board with a safety to give the Bears two points. The score at the end of the game was Lillis 24 and East 2.

Southwest

Saturday, October 5, East opened their league play against the Southwest Indians. Even the elements seemed to be against an East victory as there was a steady cold drizzle throughout the game. The weather was no obstacle for Southwest, however. In an overpowering array of force, the Indians delivered a sound thrashing to the Bears. The game ended with the score, Southwest 76 and East 0.

Lincoln

East played their television game on the 12th of October. The Bears played the Lincoln Tigers at Bryan Field. Lincoln was not considered a strong offensive team, but tallied 32 points in the four quarters of play. Although the Bears presented a good defensive display and made the necessary big play, this was not enough. The offense stalled in the march down field and were not able to score. They were hampered by fumbles which helped Lincoln to score most of their points. The game ended in defeat for East with the score 32-0.

Central

October 19, the East Bears faced the Central Eagles. The defensive line held Central to only 2 points in the first half. They were unable to continue this in the second half and soon the score read 25-0. Capitalizing on East's mistakes, the Eagles accumulated another 25 points through interceptions, fumble recoveries, and two safeties. The Eagles' victory of 50-0 marked the third scoreless loss for the Bears' 1968 season.

Manual

Primed for a victory, the Bears met Manual Friday, October 25. The Cardinals scored in the first quarter, but the Bears countered with a drive down the field which ended with a touchdown pass from Coleman to Cox. This marked the first touchdown of the season in league play. The score at the beginning of the second quarter was 7-7. The Bears' defense was able to contain Manual, but the offense gave up a safety, making the score at half time Manual 9, East 7. In the second half, the Bears possessed little offensive power. Although the defense did its best, the Cardinals pushed through for three additional touchdowns. The final score was Manual 30, East 7.

Van Horn

November 1, Homecoming, the Bears fought the Van Horn Falcons on Selvidge Field. The stands were packed to watch the game and the half time festivities. The Falcons began their barrage with two touchdowns in the first quarter and one in the second. The score at the end of the half showed them leading the Bears 19-0. In the second half, the Bears counterattacked with one of the strongest drives of the night to the Van Horn 20 yard line but failed to go in for the score. Van Horn scored 26 more points, and the game ended Falcons 45-Bears 0.

Paseo

Thursday, November 7, East met the Paseo Pirates on Selvidge Field. Each team's ability was limited by a wet and muddy playing field. Capitalizing on an East fumble, Paseo scored their first touchdown of the half. East's defense fought well and allowed only 13 points in the first half. Paseo scored twice in the second half. With renewed vigor, East retaliated with two touchdown passes from Coleman to Wilper. The defense held Paseo scoreless in the fourth quarter, and the game ended with Paseo 26 and East 13.

Southeast

Ending the season, East played the Southeast Knights Friday, November 15. East held the Knights to only one touchdown in the first quarter. The Bears continued fighting and were within ten yards of the goal line when the first half ended. The second half, the Bears continued to roll down the field, trying to score. The game was a well-fought game with East showing Southeast the Bears were here to play. East scored in the fourth quarter with Wisecup scoring from five-yards out. East was in scoring range several times but failed. The game ended with Southeast on top 27-7.

Season Summary

After the football season has ended, our team cannot be judged by their win-loss record. They played as a team with all they had and all they could give for our school.

There were dark and bright moments in the season, but the dark overshadowed the bright. Some criticize the team when they themselves do not care enough to sacrifice their own time to better the team with depth. Yet, there were some who were proud of the Bears and cared about their performance throughout the season. The Bears had nothing to be ashamed of this year. They fought with an inexperienced and newly designed team.

The outstanding players of the team were: Mike Wilper, Senior-Flanker, All-City First Team. Honorable Mention: Mark Davis, Rodney Ford, Bob Guthrie, Everett Owings and Mike Wisecup. There were many more—it takes each man's effort and desire to win a game.

Hard Work and Long Practices Result in Good Season

The B-Team had one of their better seasons this year with a 3-3-1 record. They were coached with new coaches with new ideas. Most of the boys playing on the team were inexperienced but proved to have the ability to play the game of football. They spent long hours of practice during the summer and after school during the fall. Some of the outstanding players on the team this year were Garry Stark, Nodie Newton, Ken Claudie, Brett Matthews, and Thad Mason. The B-Team should be congratulated for a good season of hard work.

Coordination and Ability Combine to Produce a Successful Season

The freshman team spent long hours of practice after school to improve their football ability. The Freshman coaches also spent long hours helping give the freshmen that improved ability to win games. They proved it with a 3-3-1 record, the best in years for an East freshman team. With these players rising in the ranks of East football, it is possible for our other teams to improve in the future years due to this additional talent and experience. The outstanding freshman players were Wayne Eads, Gary Yeager, Tom Robinson, and Kevin Hicks. There are many more, for a team works as a team to win.

A ST. MARY'S GUARD is halted by Mark Davis in the first quarter of play.

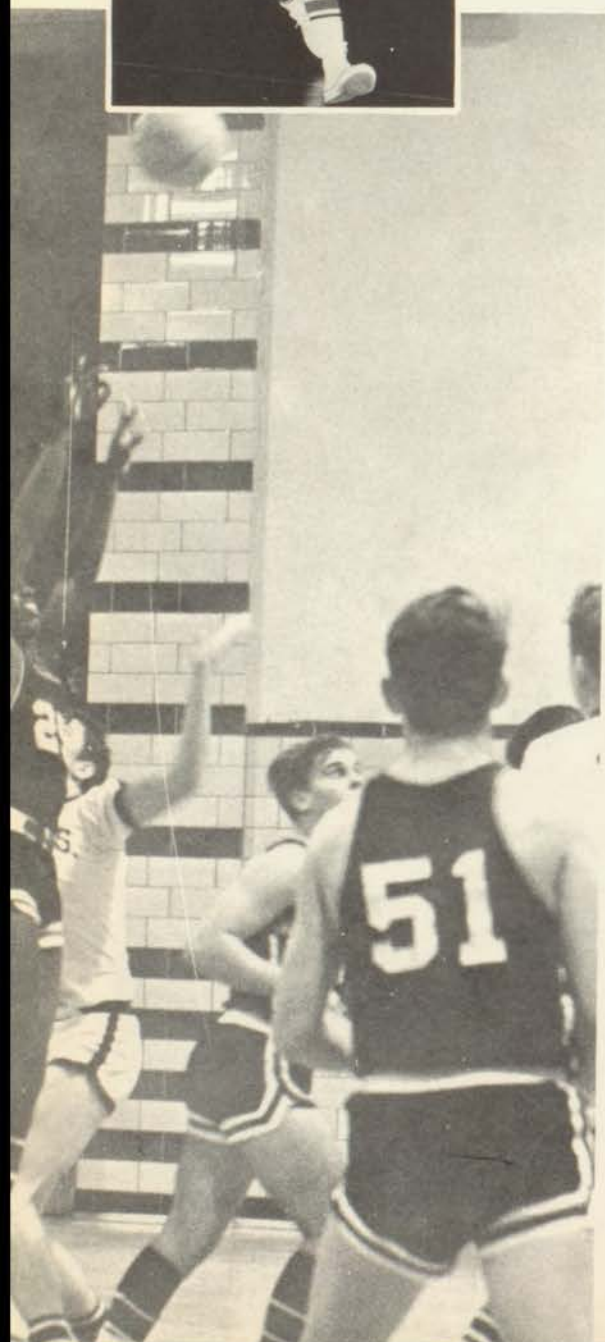

Saint Mary

The Bears opened the 1968-69 basketball season with an exciting conquest of the Trojans from Saint Mary's. The first half was a see-saw battle which saw the Bears going to their locker room with a one point advantage. In the second half, however, the Bruins took a commanding six point lead and held it for the remainder of the game. The Bears won 47-41.

Hogan

After their conquest of St. Mary's, the Bears ventured to Hogan to play a non-league game with the Rams. Hogan, the Catholic-league champs, were barely able to manage the Bears and escaped by the skin of their teeth with a 47-41 victory.

William Chrisman

On December 6, the Bears of East High met the Bears of William Chrisman at William Chrisman. Unmanned by Chrisman's pressing man-to-man defense, the Bruins were unable to surmount the suburban team. Although Rodney Ford scored nine points, East High fell 77-37.

Tournament

Paseo, ranked second in the league, was the Bears first opponent in the Interscholastic league tournament. The Pirates, sparked by a blazing fast break and a stiff defense stifled the Bears throughout the first two quarters and by half time had amassed a 46-18 lead. The intermission proved beneficial to Paseo as they romped on to a 96-34 win.

In the consolation bracket, the Bears faced their traditional rivals, the Vikings of Northeast High School. The two teams traded baskets for most of the first three quarters; Northeast leading steadily by four or five points. A flurry of scores by the Vikings in the last quarter put the lead out of reach and the Vikes emerged on top 75-37.

Pem Day

Following the Christmas vacation, East played the Pembroke Country Day school in a non-league game at the fieldhouse. The Raiders, powered by their rebounding strength, held off a late surge by the Bears and pulled out a 56-40 triumph.

Saint Pius

On January 4, the Bears traveled to North Kansas City to oppose the Saint Pius Warriors. Determined to win, the Bears fought tooth and nail, going down at half time tied up 21-21. However, the second half again proved disastrous to East as Saint Pius rode on to a 66-44 win.

WITH THE BALL IN MID-AIR, Bob Taylor and Rodney Ford jump against Pem-Day.

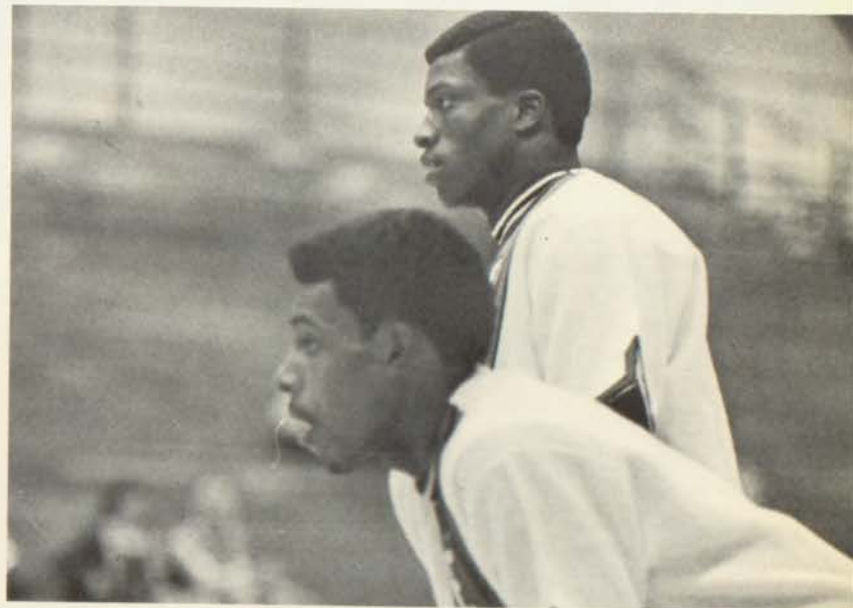

WITH INDIANS AROUND HIM, Charles Laury tries for two.

Westport

Westport provided the competition for the Bears in their first conference game of the season. The Tigers, picked up by their speed and rebounding, built up a commanding lead early in the game. Although Robert Taylor threw in 10 points and Bob Guthrie hit for nine more, Westport pinned a 68-42 setback on the Bears.

Southwest

The Bears met the Southwest Indians for their second league game on Saturday morning, January 18. With both teams fighting for their first conference win, the first three quarters proved to be evenly played. In the last quarter, however, the Indians pulled out a late 59-41 victory.

Paseo, ranked fifth in the city, took advantage of their height and dominated the boards. East, having the shorter team had a bit of trouble staying in step with the Pirates, but played their best. Bob Taylor led the scoring for East with nine points. The Paseo Pirates handed the Bears another loss by the score of 63-33.

Lillis

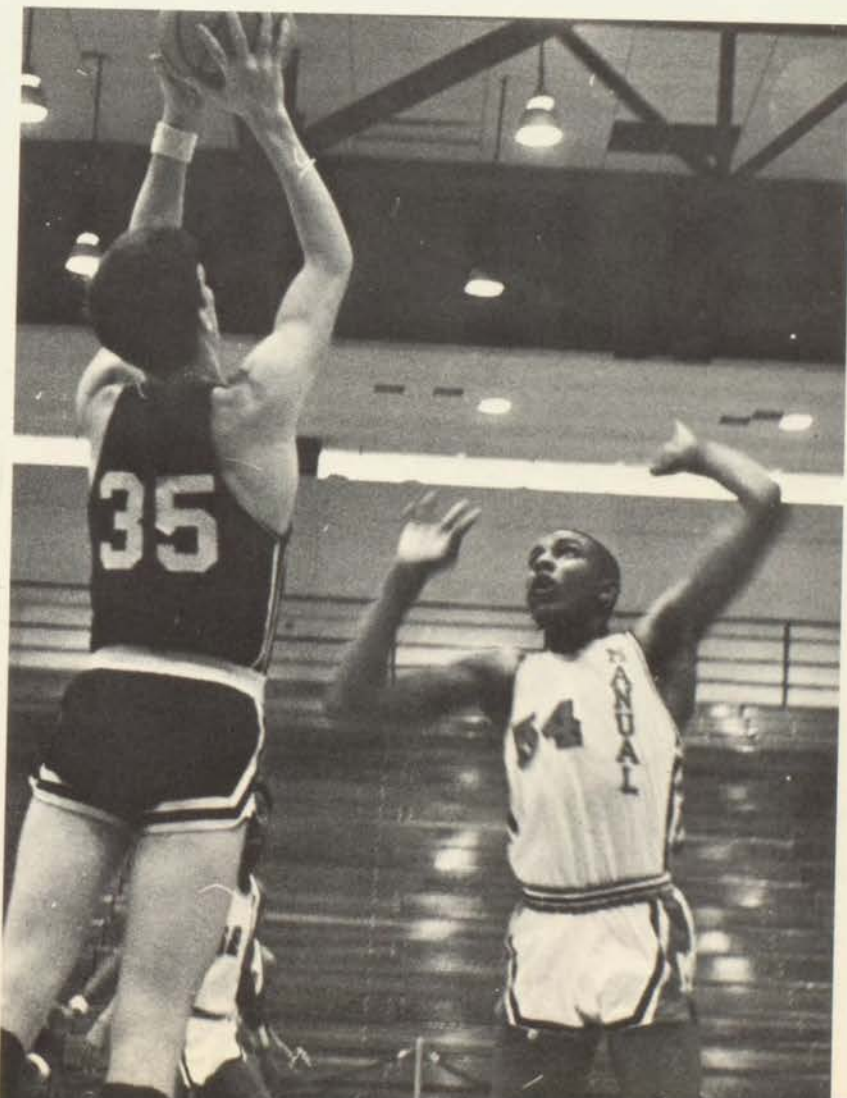

In a non-league game at Southeast High School, the Bears met the Irish of Lillis. East, playing without center, Bob Taylor, was hampered by cold shooting through most of the first half and by the half time break, was down 45-20. The Bears came back, however, and played even basketball throughout the second half, but were unable to penetrate the huge lead and lost 84-49.

Lincoln

On January 30, East took on the powerful Blue Tigers of Lincoln High School. The Tigers, rated first in the league and third in the area, lived up to their status and applied steady pressure throughout all four quarters. With a fantastic 47 point effort by Martiney Denmon of Lincoln, the Tigers probed their score over the century mark and smothered the Bears 108-53. Bob Taylor led the East lineup in scoring with a season high of 24 points.

Manual

The Manual Cardinals, considered one of the better teams in the league, provided opposition to the Bears in their fifth league game. The use of the fast break and control of the backboards were the two main ingredients in Manual's attack. Although East played a steady game, the Cardinals started off quick and slowly padded their lead, turning back the Bears 79-45.

Central

The Bears won their only league game of the season against the Central Eagles. The Eagles, playing with an ineligible man, out-scored the Bruins 75-45, but had to forfeit the game to East because of the use of that ineligible player. Central had to forfeit four league games this way, losing the League title to Lincoln.

Van Horn

The Bears Valentine's Day opponents were the Falcons of Van Horn. Fresh from a victory over Northeast, the Falcs were in winning spirits. The lead traded hands throughout the first half and it appeared that the Bears were on the road to victory. However, in the second half, Van Horn applied a full-court, man-to-man press which, although it failed to stop the Bears, picked up their momentum and dashed the Bears' hopes, 62-47.

Southeast

On Saturday morning, February 22, the Bears met the Knights of Southeast. The Knights, using a half-court zone press on defense, while utilizing their rebounding strength to get them the ball on offense, kept the pressure on the Bears for the entire game and won 95-52. Curtis Washington scored 50 points for Southeast.

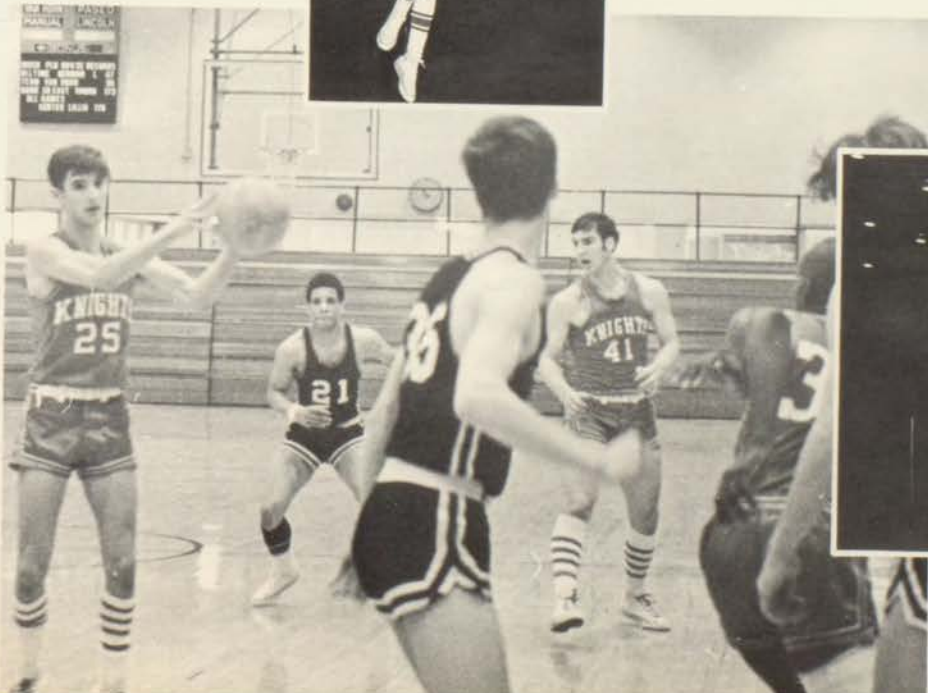

Northeast

East's Homecoming game this year was played against Northeast. Although the lead was exchanged frequently during the first period, Northeast exploded for 27 points in the third quarter, leaving the Bears down by 30 at half time. The Bears came back in the second half to out-score Northeast but fell short 79-51.

Long hours of dedicated practice and a true desire to win were the ingredients of the 1968-69 basketball season. Although East High's basketball record is not a winning one, it does in many ways reflect a series of improvements as the season progressed.

At no time did the members of the basketball team express a lack-of-confidence attitude or a sense of dividedness. When they won, they won as a team.

Basketball has a promising future at East. This year three juniors: Willard Burns, Vernon Welchen, and William Reynolds, and sophomore, Walter Graves, had experience on the Varsity. Also the Freshman squad had a winning season for the first time in seven years. The students of East need not look back on basketball with disappointment, but instead, to the future with pride.

WITH A SMILE OF RELIEF AND DELIGHT, Debbie Olsen is crowned Basketball Queen, 1968-69 by Mr. Dickson.

CONGRATULATIONS FROM THE PEP CLUB AND FRIENDS are in order for Queen Debbie.

The Junior-Varsity Basketball Bears started their season off with back-to-back victories over Hogan and St. Mary's. Coached by Jack Smart, the B-Team improved greatly through the season and went on to knock off Westport and St. John's in the remainder of the season. Because the varsity this year is made up mostly of Seniors, the Junior Varsity will form a strong nucleus for next year's team.

Coached by Robert Nelson, a new teacher at East this year, the Freshman squad opened their action in the Northeast Invitational Tournament. Defeating Van Horn in the semi-finals and St. Pius in the finals, the Cubs captured the first-place trophy. With Coach Nelson's excellent coaching and the team's determination to win, they went on to finish the season with a 5-4 league record and a 8-4 record overall. Congratulations to Coach Nelson and his Freshman squad.

The 1968 Cross Country Team, under the rigid training of Coach Les Fields, began workouts last summer at Blue Valley Park as soon as school was out. Two workout sessions were held each day, so that the men who were working summer jobs could make it either in the morning or the evening. Starting in the first week in August, a series of three city-wide open cross-country meets were held at Swope Park on Saturday mornings. East High was well represented in these meets and picked up several medals.

Ruskin Invitational

The Ben Ervin farm in Raytown, Missouri, is the annual site for the Ruskin Invitational Cross Country meet. On Saturday morning, October 4, 1968, East High's cross country team ventured to the Ervin farm with the 1967 Ruskin Invitation championship resting on their shoulders. The cold, rainy day proved fruitless to the Varsity harriers, however, as the rain-slicked course caused several accidents and bad luck. The Varsity team finished fourth in the meet. There was a bright spot in the meet for East, however. All seven of East's runners in the Junior Varsity meet picked up medals, the first time it had ever happened to us in an invitational track meet.

City Meet

On Friday afternoon, October 11, the East High Bears carried their city championship status to Swope Park and once again put it on the line, available for any one of the nine other Interscholastic League teams to pick it up and take it home. This sounds easy enough, but the victory-minded Bruins were not quite ready to hang up their spikes and go home empty-handed. With the excellent training of Coach Fields and a pre-meet pep talk by former track coach Roy F. Brown, the Junior Varsity, followed by the Varsity, went out and swallowed up all competition to retain their domination over the Interscholastic League.

Central Invitational

Every year, the Central Eagles Cross Country Team sponsors an invitational cross country meet for area high schools. East was invited for the first time this year and made a very fine showing in its debut. The Junior Varsity, led by Joe Brown, Bernard Moore, and Virgil Randolph, powered their way to victory and a first place trophy over highly-favored Shawnee Mission West. The Varsity team, slightly outdistanced by Shawnee Mission West and Raytown South, finished third in the running, only one point out of second place. With the entire Junior Varsity returning next year, East holds a firm hand in capturing the 1969 Central Invitational Varsity championship.

Carl Ellis, Louis Jones, Gary Guthrie, and John Colle lead the pack for East.

District Meet

This year, East's Cross Country Team ran in the North District at Oak Park for the first time. The Bears were transferred to this district, upon the request of Coach Fields, because of the stiffer competition. The Bears, running with a sick man, stood up to the greater competition and finished second next to a strong Central squad.

State Meet

On October 26, the Bears journeyed to Columbia, Missouri, to participate in the State cross country meet. The Bears, outdone only by the tough teams of the St. Louis area, managed to finish in 10th place. This marked the end of a very prosperous cross country season; one that East High School can be very proud of.

Low Score Wins

Late in January every evening after school, the halls resound with the patter of little feet as Coach Webber's eager cinder-men anxiously await the approaching track season. The close of roundball sees the arrival of the Big Eight, the first big meet of the year. Prior to this, dual meets are held on Saturday mornings at the American Royal with area schools pairing off against one another.

In spite of shin splints and sore feet from pounding the pavement, bruises from rough hard landings while high jumping and pole vaulting, and other disadvantages, preparations for the coming outdoor season continue until the first warm days in March when it is possible to get outside.

Enthusiastic Students Take Great Interest in Wrestling

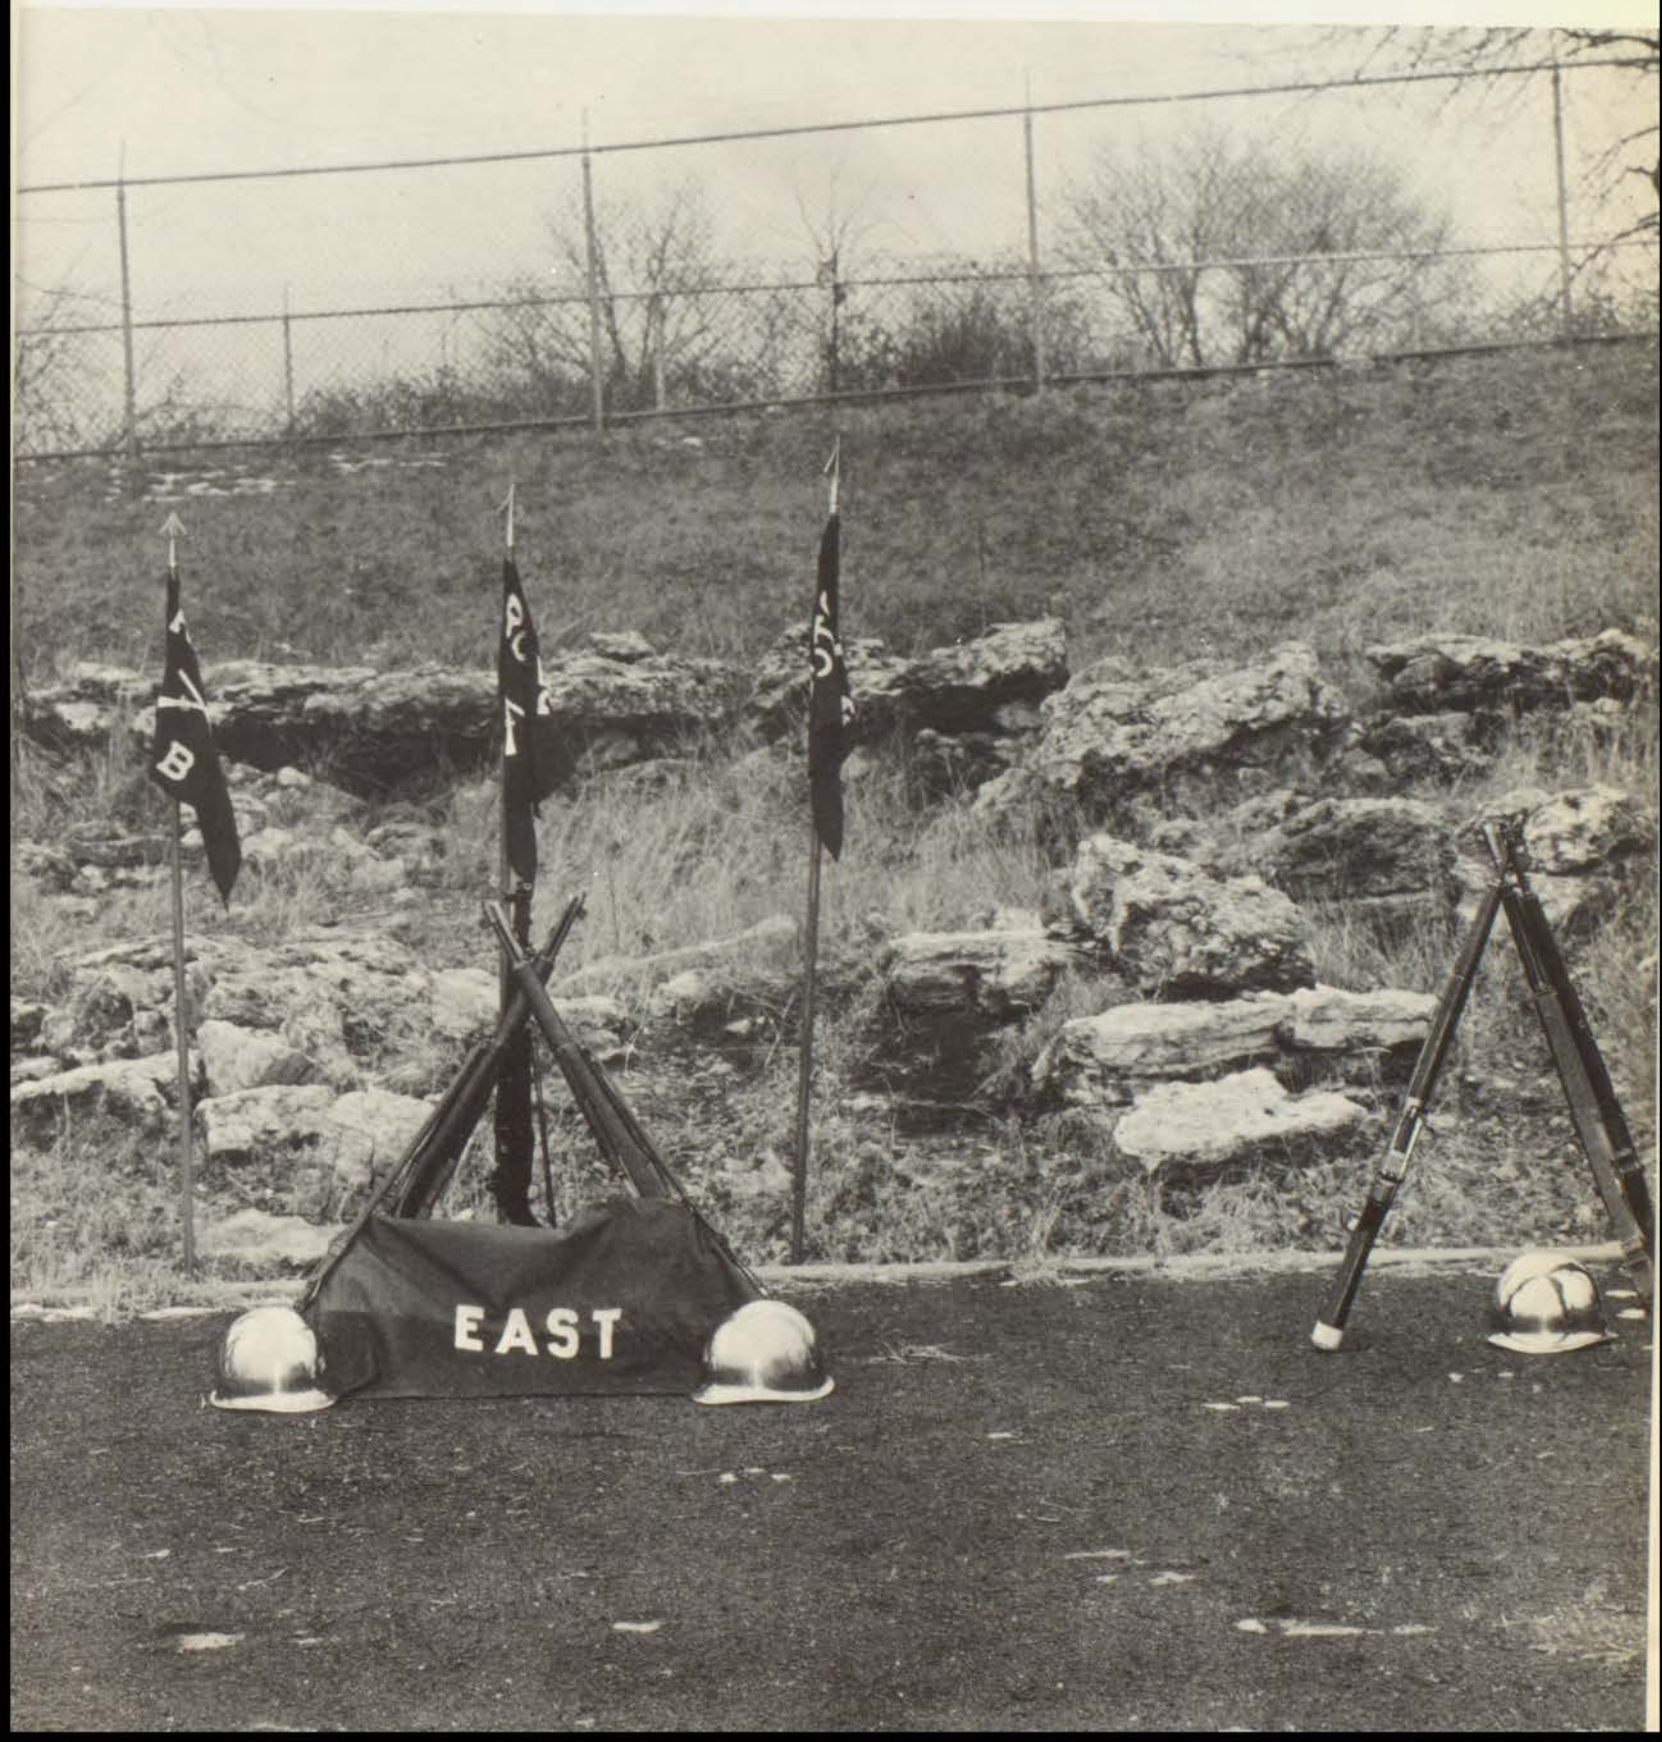

IN THE 112 WEIGHT CLASS, Larry Langston strains to break his opponent's hold.

The wrestling team had a successful season with a 6-4 record in dual meets, a second place finish in the Southwest Quad, a fifth place finish in the city tournament, and a fourth place finish in the district tournament. In the city tournament, there were some outstanding efforts by Ed Smith, Larry Smith, Gary Toombs, Larry Langston, Charlie Barry, and John Mangum. Three wrestlers qualified for the Regional tournament by placing in the top two of the district.

Top Cadets Are Honored with Appointments and Awards

After three competitive years in the R.O.T.C. program at East, Ernest J. Echols was selected to fill the top position within the battalion, that of Battalion Commander. Also, this is his second year in command of the Drill Team. Because of his interest in a military career, it was suggested that he apply for appointment to West Point Military Academy. After a series of tests and interviews with Congressman William Randall, he was selected as an alternate to West Point.

Young men of fairly high academic standing interested in pursuing a military career may receive their college education while preparing for military service through the 4-year Army R.O.T.C. scholarship program. Competition is nationwide. Selection is based on results of aptitude tests. After physical examinations and personal interviews conducted by Army officers; the scholarships are awarded. John Smith received East's highest rank and is being considered for an R.O.T.C. scholarship.

Mr. Taylor came to East High School at the beginning of the 1966-67 school year. He took charge of a Corps of Cadets that barely numbered sixty-five cadets. The minimum number of cadets allowed to maintain an R.O.T.C. battalion at any high school is one hundred. During his first year here, the Instructor Group of R.O.T.C. in the Kansas City school put East on probation for a period of one year. The very existence of East's R.O.T.C. unit was hanging in the balance. Then in 1967-68, Mr. Taylor relaxed his efforts not in the slightest. By the time of the Federal Inspection in the spring of 1968, East High School's R.O.T.C. battalion numbered approximately one hundred and twenty.

Lt. Col. Jerry Weimer, winner of Chicago Tribune twice, and holder of 3 shooting medals, was recently awarded the position of Chief of Staff on the City Staff. The City Staff has the responsibility of planning all R.O.T.C. functions, such as the R.O.T.C. Ball and Field Day. City Staff is the highest organization in R.O.T.C. One cadet is sent from each school to compete for City commander. The position on City Staff is determined by the outcome of this competition.

The Battalion Staff is the governing body of the R.O.T.C. Battalion. The members are the limbs and senses of the Battalion Commander. They assist him in his duties and advise him in important decisions. They also help him in control of his unit.

An example is the Sergeant-Major. Being the Senior non-commissioned officer and enlisted cadet in the Battalion Reserves as a liaison between the non-coms and enlisted men and the Battalion Commander.

Rifle Team Maintains High Standards of Proficiency

Jerry Weimer
Captain

Representing East High School in rifle matches throughout the area, those cadets chosen for this honor must demonstrate proficiency and accuracy in the use of a rifle.

This year's team participated in a round-robin series with the other units of Kansas City schools over a period of several months; then came the all-city match, and as a climax, the national match held at Boonville on March 8. At Boonville, two of the team, Jerry Weimer and Terry Fowler, placed in the top ten nationally.

Acknowledgments

The 1969 Eastonian could not have been made possible if it were not for the co-operation of certain people. We were able to produce a yearbook of which we hope you can be proud because of their time and effort. The Eastonian staff wishes to offer our deepest thanks to . . .

. . . Mr. L. Clayton Dickson, Mr. E. A. Markey, Mr. William T. Ridley, and Mr. William E. Stroud for their patience with staff activities . . .

. . . the office staff, for their invaluable aid . . .

. . . Mrs. Sarah Schmalz, and the bank proctors, who devote much of their time in managing our financial records . . .

. . . the custodians, who were so understanding with the staff's long and unusual hours . . .

. . . Rolland Studio and Mrs. DeLois Thomas, for their co-operative service with our pictures . . .

. . . Inter-Collegiate Press and Mr. Alden Tilberg, our publisher, who gave us special advice . . .

. . . Mr. William Prewitt and Mr. Tom Mallot, for their countless hours, needed guidance, advice, and encouragement. We wish to extend our most sincere thanks.

Finally, we wish to thank you, the student body and faculty, for your enthusiastic support of this Eastonian and activities the staff sponsored. We hope that we have given you a yearbook that you will forever cherish as a memory of East High School.
