Bears on the go!!!

Day after day, we shared unforgettable experiences that will be remembered throughout our lifetimes. During the year, we made endless memories and friendships without even thinking, memories that are here recaptured in words and photographs.

You gotta love it!
 Royals champs of Missouri — and world

Do you believe in...

The Champs

It was a fall classic played in summer weather by teams, who in the spring didn't figure to get this far. It was a hitter's nightmare, a pitcher's paradise, and a second guessers delight. It was a Show-Me World Series in which both Kansas City and St. Louis showed what can make baseball both such a joy and such a bore.

The Royals pitching success was predictable. After all, the team had the second lowest earned-run average in the A.L. But who would have thought that the Royals would win with Brett having just one R.B.I. in the series? Or with Balboni, a 36-homer man in the regular season, setting for eight singles? Or with the D.H. Hal McRae, in a pinch-hitters role, not getting a hit?

The Royals, however won with a second baseman, White, hitting cleanup; with shortstop Buddy Biancalana, who hit .188 this year, out-playing Ozzie Smith and getting on base more than any one Cardinal; with game winning hits, coming from, previously unsung heroes, Motley, Biancalana and pinch-hitter Dane Iorg.

It was a classic played with "classic" underdog style. The Royals became the World champions.

WORLD SERIES '85

Jackpot "86"

The Missouri Lottery was started on January 20, at noon. Officials estimated that more than 5.6 million tickets were sold in the first 24 hours, setting a national record for Lottery ticket sales.

The income from the sale of tickets will be distributed as the following: General funds receive 45%, Prizes will get 45% and 10% go to administration.

It's possible that a large portion of the general fund will go for education. The first winner of the \$86,000 was Mr. Gary Hopson of Moberly. The 2nd winner was Mr. Antony Carrilio from Overland Park.

Since the first day of the lottery there have been prize winners anywhere from \$2.00 to \$86,000 and \$100,000 depending on which game it was.

Another way to win from the Lottery is the Entry game. In which Mr. Johnnie Magerl won 2.1 million by spinning a wheel. It will be collected over a period of 20 years.

The 2nd game of the Lottery has already started and businesses have sold millions of tickets.

Hopefully the success of the lottery wouldn't burn out. It's booming success will help improve our state and make many RICH!

Halley's Comet: The Mobile Refrigerator

After a 75-year voyage through the solar system, Halley's Comet has returned to view. This is its 30th recorded visit since Edmond Halley discovered it in 1682. With the aid of modern scientific instruments and satellites, we will learn more about all comets than in the entire history of comet science.

To astronomers a comet is a sort of flying museum stocked with precious artifacts from the very earliest moment of the solar system. These scientists hope that by peering into Halley's cold heart and sniffing out the dust and gases that stream from its surface, they can discern the conditions that existed at the birth of the sun and the nine planets some 4.5 billion years ago.

The Craft Has Exploded

Nothing seemed amiss when the Space Shuttle Challenger thundered off the launching pad and thrust itself into a cold, clear Florida sky.

In a grandstand below, jubilant third graders from Concord, N.H. hoisted a "Go Christa" banner in tribute to a classmate's mother; one of the seven crew members. In less than a minute, the space craft was 10 miles high, moving East at close to 2,000 mph. But then at "maximum Q" the moment of greatest stress the Challenger was engulfed in a roaring orange cloud. In Houston, the computer screens at mission control abruptly froze, each line of data ending in an "S" for "static" indicating that no more information was coming in, reporting everyone dead.

Aboard the Challenger were 7 astronauts, Mike Smith, El Onizaka, Dick Scohee, Greg Jarvis, Judy Resnik, Ron McNair, and Christa McAuliffe.

Space travel had become to seem so routine but whatever happened to Challenger brought an end to an age of innocence.

Tragically the odds finally caught up with the space program.

Fads and Fashion

Fads and Fashion are important to the Bears. Here at East we have many fine dressers. These are some of the most popular and least popular clothing worn at East.

Fashionable Fads

Paisley Design

Pastel colors
Guess Jeans
Flower Jeans
Stretch Pants
Stirrups
Forenza Sweaters
Big Blouses
Sweater dresses
Reeboks

vs. Timex
vs. Pearls
vs. Clutch Bag

Tylenol Firm Stop's Making All Capsules

As you know, there have been tragic events regarding Extra Strength Tylenol Capsules. A number of people have died or been severely injured by the capsules that were apparently filled with cyanide. The Tylenol Company offered, at their expense, to replace or give refunds to people who purchased the capsules. The company has announced that it will no longer produce Tylenol in capsule form. They hope to rebuild the lost capsule market with less tamper prone caplets and capsules. To think that some one would tamper with medication and endanger the lives of others is an outrageous act.

"Buck", Hangs It Up

It is an honor for the Eastonian to pay a special tribute to Mr. Harris as he begins his retirement.

Mr. Harris 1st year at East 1950

Mr. Virland (Buck) Harris, after 35 years as a teacher at East, retired in February. Mr. Harris taught math and physical education. He coached Football, Basketball, and Track during East's glory years. He was coach of the undefeated Championship football team. Many of his athletes have gone on to major Colleges and Universities. Mr. Harris has that special something that enables him to bring out the best in his students. He is loved and respected by his colleagues and friends. The students and teachers wish Buck a long and happy retirement, just like his long and successful teaching career. "They don't make them like Buck any more."

TO THE SENIORS OF EAST HIGH

Another day has ended,
the dreams we share are
Like rainbows, slowly fading
yet someday returning.

The memories that we have
Shared will last a lifetime
Now the time has come
where we must move forward
to carry on our lives.

Dedicated to the classes of 87, 88, and 89

The senior class of 1986 would like to take this time to leave you a few words of wisdom.

As you endeavor to achieve your goals in life, use your knowledge and intelligence to pursue it. Take advantage of a high school education, for it is a valuable tool. Without formal training, you cannot achieve the higher things in life.

Take pride and responsibility in yourself, and be proud of who you are.

We wish you all the best.
