Clubs and Organizations

This year at East High School we have had changes in clubs and organizations. Mrs. Wray now has our wonderful pep club. Mrs. Miles and Mr. Wasser have reorganized the Hiram Dixon explorer post #2909 and turned it into something functional, educational and exciting. We have had great assemblies. Over all this has been an Excellent year.

Student Council

Each 1st hour class elects one representative and one alternate to serve on the student council. The council works on current school problems, strives to improve school spirit and communicate the student body concerns to the administration. This year the sponsors Ms. Wray and Mr. Odums have established a democratic process for true representatives in student government.

Here are some of the members of the pop choir during a performance.

Here at East High School, our excellent Pop Choir has performed many times in and out of school. The Pop choir was formed two years ago, by our music instructor, Mr. Michael Davis. In the two years in which they have been together, they have performed for many local organizations, including the Internal Revenue Service, and Southwestern Bell. They have also been to different schools such as Northeast and Lincoln Academy. The twenty performers in the pop choir are also members of our 70 member concert choir. In the past we have seen many good performances, and the students at East hope to see many more.

Seniors

Countdown to Graduation

Do you remember the first day you walked through the double doors of East High School as a freshman? We unknowingly began the countdown for some of the best days' of our lives. Yes, our first year at East was one of trial and error for all of us. It seemed to pass like the wind. In fact, all of our years at East seemed to fly by so fast, its somewhat hard to believe that we're seniors. Together we struggled through chapter tests, crowded halls, and long lunch lines. We just couldn't wait for graduation day. Now its here, and as we look back, we remember the good times we've shared. As hard as we wish, we can never go back, its time to move on. So congratulations class of 1987, its our time to shine, so lets make the best of it!!

25 Years at East Ends in Tragedy

Mr. Jack Webber and his wife Jean were killed in a tragic auto accident on December 9, 1986. Mr. Webber had been a teacher and coach at East for the past 25 years. He taught industrial arts and coached football, basketball, and track. Some of his track teams were the best in the K.C. area. He served as interim director and athletic director for East. He was also director of ticket sales for the Kansas City Chiefs. Mr. Webber was an avid golfer. He and his wife were often involved in area tournaments.

There are few teachers who will ever attain the friendship of the students and the respect from their contemporaries as Jack Webber. East will never forget his contributions to the students who have passed these halls during the last quarter century.

Mr. Webber with his best friends and former Coaches at East, Mr. Roy Brown, Mr. Les Fields, and Mr. Buck Harris.

JROTC Loses SGM Gus Wilson

On January 9, 1987, SGM Gus Wilson lost his battle with cancer. SGM Gus Wilson served 27 years in the military and was honorably discharged. He was a veteran of the Korean War and the Vietnam conflict. He received many awards for his service including the purple heart and the bronze star. The SGM came to East 7 years ago and had been a positive influence on the young men and women in the JROTC program.

Few men in this world can go to their final rest being as gifted and talented as the SGM. He was a professional soldier and a gentleman.

Learning Resource Center Opens

For the first time in East's history our school library will serve only students and staff. The public library will relocate in the community to serve the needs of the public.

Thousands of new books, maps, references, and A.V. materials are being catalogued by Mrs. Jimenez and her student staff. Eventually over 12,000 books will line the shelves making the East Resource Center an AAA library, into a warm, relaxing center. She has established many ways for students, teachers, and classes to use the resource center.

Faculty

Practice What you Teach

The faculty at East High is one of a kind. As a group, I would say they are superior. Each one has that little something that makes us want to learn. They are not only our teachers, they are our friends. So if we stray from the path, we can't point the finger at our educators. They've always been there for us. All we have to do is ask. The faculty will not be forgotten after we've gone. How could you forget those bright, shining faces? They are the real bears!!!

Administration

Mr. Wesley C. Elders: Assistant Principal

Dr. Oliver W. Spencer Jr.: Principal

Dr. Janet Baird: Coordinator of Instruction

Mr. Harold L. Liggins: Assistant Principal

Dr. Spencer is completing his 2nd full year as principal of East High School. As principal he is responsible for the total operation of the school. It can easily be said that the job of High School Principal is one of the most demanding of any professions. Completing the administration team are Dr. Janet Baird, coordinator of instruction, she evaluates teacher performance, develops inservice training, and assists teachers in improving instruction. Mr. Elders reviews the 10th & 11th grade conference cards, scheduling classes, and keeps the orders for books & supplies organized. Mr. Liggins handles 9th & 12th grade discipline, all security operations, and athletic program responsibilities.

Secretaries

On December 5, Mr. Roosevelt Grier, ex-professional football player, member of the "FEARSOME" Los Angeles Rams visited East High School. He gave a high spirited lecture to the student body. The main theme of his speech was "BE WHAT YOU WANT TO BE!" Dr. Spencer played an important role in getting Mr. Grier to take a few minutes out of his busy schedule to come to East High School. Mr. Grier was in town promoting The Fellowship Of Christian Athletes. Who's national headquarters is located near the Sports Complex. East High School has a F.C.A. Huddle Group, and was delighted to receive a special lecture from Mr. Grier. THANKS, MR. GRIER.

Security

Have you ever walked through the halls, and peeped around the corner, and "ah!" there's someone staring in your face? Well, bears, meet the SECURITY GUARDS! They are the "strange" voices that ask you "Where's your pass?", and "Where are you going young people?" Hopefully everyone knows who they are, because believe it or not, they're here to help us. Just think, what would East do without Ms. Thomas and Mr. Williams?

Anna Urban

Lunchroom Bears

Our cafeteria staff is often forgotten as the school years go by. Very seldom are the "Lunchroom Bears" ever thanked, or are told to "have a nice day". Even though we may not always thank them, and tell them that they are appreciated, they are as important to us any one of our friends, because they are our friends. "Thank you Lunchroom Bears".

Custodian

Do you ever wonder who keeps the halls of East High clean? These people are the fearless ones who aren't afraid to get their hands a little dirty to keep us looking good. Some of us never see the custodians but they are most definitely there, cleaning up the little notes, and things that we so unthoughtfully thrown on the floor. So, next time you see a custodian, say thank you, for all of us!

Athletics

Athletes and their teams. It's a common bond. That common bond among East athletics is defined as achievement through competition. Each team strived to reach its goals: some personal, others school wide. Each team also worked their best, which gave the other teams the desire to give it their all too. It wasn't whether we won or lost, it was how East played the game. Sports were an important part of life, but not only for the athletes. Dedicated fans followed their teams progress throughout the season.

Superstars were few and far between, but everyone who did participate was truly a "star" at heart.

Chief Corps

East High School students were honored to have Mr. Nick Lowery as our 1986-87 Chief Corps representative. Nick Lowery is the place kicker for the Kansas City Chiefs. He visited some of our sophomore English classes. There were 40 lucky students chosen by a committee of teachers for their improvements, good attendance, scholarship, and citizenship. The 40 students and their parents had the opportunity to watch the Chiefs practice. They were also given a tour of Arrowhead Stadium. They were given tickets and transportation to a game. They received gifts such as dufflebags, hats, notebooks, and pens. We want to say, "Thanks Nick!"

Colophon

Volume 61 of East High Schools Eastonian, entitled "Our Time to Shine", edited by Anna Urban, was published by the Walsworth Publishing Company, 306 Marceline, Missouri. 64658. Our sales representative was Jim Reed.

Three hundred copies of the '87 Eastonian were printed and each contained 144 pages. Four more than last year. Sixteen of these pages were in color.

All photographs were taken by staff photographers: Jerry Cloe, Sherry Deperalta, Kelly Dryden, Robert Gloner, Eric McMillian, Brenda Thompson, Michelle Vierow, Michael Villanueva, and Carol Wilburn. Underclass and Senior Portraits were taken by Tom Mallot and Staff.

Headline sizes were varied from 18 to 42 point in Brush lettering. Body copy sizes were 10 and 12 point in Lydian Bold type. Page numbers and photo bylines were 8 point in Lydian bold.

The cover was designed by our staff, and Mr. Reed.

This year I had the pleasure of working with a wonderful yearbook staff. Despite our many problems and conflicting personalities, we successfully completed the 1987 Eastonian. We had good times and we had bad times, and even times when we thought that we weren't going to make our deadlines. Thanks to a handful of "dedicated" yearbook staff members we pulled through.

I can honestly say that I'm going to miss the deadlines, and the little disagreements that we had. Most of all I'm going to miss East High School. I hope that this feeling is shared by all of the SENIOR staff members. I also hope that the future "yearbookees" can live up to our standards. "Thank Mr. Mallot".
