ATHLETE OF 1987-1988

Athletes come out to represent East High. They stay after school from 2:30 till 5:00 or even longer. Coaches takes pride in their team. Win or lose the team is the best as long as they give 101%. Even beyond high school coaches help their athletes in college. They help pick and get them into the college that they chose.

Completely New

The volleyball team this year had nine very athletic, very determined girls out for the sport.

They all wanted to win, but at times the concentration just wasn't there. They got behind at the beginning of the game and couldn't get it back together enough to win the competition.

One of the many problems the team had this year was that not enough girls came out for the sport. We had this year a completely new team, except for Jeanine McCormick who is a second year player, and everyone knows you can't make a varsity team out of first year players, but they got together and worked hard.

We would like to thank the volleyball players this year for participating and working hard. We would also like to encourage other girls in the student body to come out next year for volleyball. You will find it is a very rewarding experience anyone that plays can assure you of that. So come on out next year.

"Lead, Follow, or Get Out Of The Way" is the motto for this year's track program. Our coaching staff has worked hard to put pride, discipline, and a competitive spirit back into our team program, and this year will prove that hard work pays in many ways. Besides more league champions, we also should have more state qualifiers, this season. Without the support of the "East Bear Family" it would have been a hard road to travel. Thank-you all. The Track Coaching Staff.

Senior Willie Hubbard has been a four year member of the track team. Willie is hoping to attend CMSU on a Track Scholarship, but he will not know until mid-April. Good Luck!!

Counselors, How They Give Their Help

East High School counselors perform a good job in guiding and counseling the students. They orientate the new students and continue to assist the old ones. Their assistance ranges from planning to counseling students with behavioral problems.

Our Security Guards Ms. Thomas and Mr. Williams, their work is never done. They have a routine they must follow daily, starting with the arrival of the busses and ending up checking to make sure the halls are clear. We are really proud of the fantastic job they do every day.

Quiet Please! This is the most common phrase we hear in the Resource Center by Ms. Jimenez. Ms. Jimenez has been a librarian for 13 years, ten of the 13 years as a school librarian. She says there are about 14,000 books in the Resource Center at this time. Ms. Jimenez does not work alone. Mrs. Pecola Owens has been added to the staff as a library aide. Ms. Jimenez and Mrs. Owens' goal for the Resource Center is to motivate the students to use the library as a learning resource. So, hats off to Ms. Jimenez and Mrs. Owens.

Every Monday, Wednesday, Friday, Ms. Harvey is here to handle the cuts, sprains, bruises, and the pains that all of us students go through at least once a year. Not only is Ms. Harvey our school nurse but, she is our friend as well. Not only does she help our little "ouches" but, she is also there if we just need a shoulder to lean on. So, she is just one of the reasons East High School is Excellent.

Thank You For Being A Friend

The Senior class is proud to have such great sponsors as Mrs. Charlene Bledsoe and Mrs. Laresa Slater. Becoming our sponsors during the 86-87 school year, you worked hard to help our class. We all know that you two have supported us through the good times and the bad. Remember our Junior prom. You really helped get us through that financial disaster. Thank you both for all of your hard work and devotion.

We couldn't have asked for anybody better. We appreciate you, Mrs. Bledsoe and Mrs. Slater for making "88" A Year to Remember.

Sponsors of the Year

The Senior Class is proud of their class sponsors, Mrs. Slater and Mrs. Bledsoe. They became our sponsors during our Junior year. Although, they had only been with us for a short time, It was clear to us that they were going to make a difference. They worked really hard to bring our class out of the rut we were in and we owe them a lot!

This is to you, Mrs. Slater and Mrs. Bledsoe. You have made "88" a year to remember!!!

Freezin' In The Halls

Many students feel that hall freezes are a drag, embarrassing, and out of the question.

There you are standing at your locker, and all of a sudden the tardy bell rings. The P.A. system comes on filling the halls with a loud, deafening statement, "This is a Hall Freeze".

You slam your locker door and run to your class. On arrival to your favorite class, you see your teacher pointing in the opposite direction.

For instance, one student - Jon Kitchen-, who was surveyed has experienced lots of these freezes. He states that "HALL FREEZES" are fun because it is a wonderful experience of beating the bell before it rings. Another student, Andrew Urban, says that

hall freezes doesn't mean anything to him because he is always getting caught in them.

You return from your suspension, and you're at your locker repeating the same day routine, collecting your books out of your locker and you take one step backwards and before you know it . . . THIS IS A HALL FREEZE, I REPEAT, THIS IS A HALL FREEZE, ALL FREEZEES REPORT TO . . .

One student, Lanise Livingston, who has never been caught in a hall freeze says they're important because maybe it will make a person realize how important getting to class on time can really mean. But whatever the reason, hall freezes do exist.

Please don't ask me, I forgot to study!!

"What's For Lunch?"

"Hey Larry, what's for lunch?"
This is an everyday question at school.

If school lunches are as bad as we claim, then why do we have to wait in "long" lines to eat? While a lot of us laugh at those who "run" to get their trays, we are asking "Lunch-line Larry" to go get ours. Stomachs growling, mouths

watering, we get our tray, and Ugh!!! We had this yesterday!!!!!!! Not really, let's give credit where it's due. You cooks serve good hamburgers, hot dogs, pizza, and french fries.

Now, I'm going to ask the "heartburning" question, "What is Ranchero Pie?"

Chief Corp Steadily Growing
Originating with an idea of Theotis Brown, Chiefs' player, the Chiefs' Corp program began in 1985. This is a terrific program that has had a big impact on promoting students' staying in school, achieving goals, and having a high self image.

Nick Lowery is our school year representative. Nick visits our school approximately 6 times a year and gives the sophomore classes pep talks on public speaking, college plans, and goal setting.

The Kansas City Chiefs make it possible for 40 students, nominated by their teachers, to go to the Arrowhead Stadium, to talk, to tour the Stadium, and to talk to other football stars.

The program provides tickets and transportation from the school to the stadium for the students to see a homegame. "It is an honor to be a part of the Chiefs' Corp program," says one student.

Nick says that he hopes to be East High School's representative throughout his football career. He feels that staying in one school gives the students a chance to get to know him better and vice versa.

This program is getting bigger and better every year.

The students would like to thank the Kansas City Chiefs, the school District, and Mrs. Means, Sponsor, for all of the time and effort in organizing the personal visits and interviews.

To Nick, the students say a special, "Thanks a lot, and we love you!"

Sophomores on the Move

Taking a second step up the high school ladder is both exciting and challenging. Everyone knows that becoming a Freshman isn't the greatest thing to be, so, when you become a Sophomore, you feel bigger, stronger and a lot more confident. The class of '90' has certainly expressed confidence in them-

selves this year and we hope they continue to be as energetic in the years to come.

We wish you lots of success!!!!

THE "FROSH" YEAR

The first day of school every year is a unique experience. Freshmen have lots of mixed emotions. Nervousness and excitement all at the same time. The class of 1991 are suffering these same anxieties. As your social life grows, and months pass, you realize that you can survive

through your freshman year.

High school is definitely a place that you can take charge of your own life long goals.

Keep your chins up class of "91", with enough effort you can outshine them all.

4. Our Cheerleaders are, "Taking It To The Top"!!

How To Be A Cheerleader For East High

First of all, before you ever think about becoming a Cheerleader for any school, you must be prepared to really be dedicated to the cheerleading squad. You might be saying, "Oh there's nothing to being a cheerleader, all you have to do is look cute and smile alot." Little do you know that cheerleaders go through training first like athletes do.

Our cheerleaders go to DCA camp over the summer. They also go to clinics in the Kansas City area to prepare themselves for the long hard school year to come. When it's time for football and basketball season, they put everything they've learned over the summer into action.

The cheerleaders have a big responsibility. They have to keep the crowd motivated; then the players can stay hyped up and play a better game.

This year we've added yell leaders on our squad to give us a more professional look. Maybe one year you might want to take on this new and exciting challenge.

National Honor Society

The National Honor Society is the front runner of organizations and societies that promote appropriate recognition for students who reflect outstanding accomplishments in areas of academics, character, leadership, and service.

College admissions officers often look for Honor Society membership as a valid indicator of whether the applicant will succeed at the collegiate level of post-secondary education. The Honor Society member has already proven that he or she is able to achieve in a cross-section of endeavors and is of high moral character.

This year the National Honor Society has begun to function as a year-round organization. The membership is composed of 10 seniors who were inducted into the society as juniors last year. Future activities are being planned.

Music Please!

This School year started with a new music instructor, Mr. James Duncan. Mr. Duncan took on the responsibility of being director of the music department here at East High.

Mr. Duncan has started reconstructing the band. He has added ten flag girls, and hopes to increase the number of band members. With adequate attention to both the band and the choir,

Mr. Duncan plans to make them both the best in the district.

Mr. Duncan feels that with an enthusiastic instructor, the musically inclined students will get more involved in their study of music. Mr. Duncan Welcome Aboard to East High and keep up the good work.

Colophon

This is volume 62 of East High Schools Eastonian. It is entitled, "The Year to Remember is 88" and is edited by Souphaphone Nonthaveth. The book was published by the Walsworth Publishing Company, 306 Marceline, Missouri, 64658. Our sales representative was Mr. Jim Reed. Then after Mr. Reed left the company in January, Mrs. Johnna Tupper became our representative.

There were 400 copies of the '88 Eastonian printed. Each of these copies contained 144 pages. Eight of these pages were in color, which can be found in the senior section of the book.

Headlines were printed in 36 point in Coronet lettering. Subheadlines were in 18 point in Coronet lettering also. Body copy sizes were either 8 or 10 point in Times Roman Italic lettering. The page numbers and photo bylines were in 8 and 6 point in Times Roman Italic lettering.

The cover was chosen by the staff members. The idea came from The Walsworth Gallery of Covers pamphlet. The paper is in 80# enamel. The cover is designed in two color with plastic lamination.

Joining the photography staff second semester: Mark Compton.

I would like to take this opportunity to thank all of the staff members. Mostly to the ones that gave their extra time and effort in order for us to make our deadlines. Making the deadlines, that was our priority and I'm happy to say that we have lived up to it.

Through the time of putting this book together, we have surely had our share of problems. They range from lack of communication among staff members to lack of pictures for our pages. Despite these complications the staff can be commended for pulling together to make sure that the pages due for each deadline is completed that day.

This yearbook could not have been completed without the dedicated members of our staff. They are the upper class members of our staff. But the underclass is showing great potential that they are ready to take over the next Eastonian. Most of all, I cannot close without thanking our advisor, Mr. Tom Mallot, for his help and guidance. THANK YOU!!!

1988 Editor,
Souphaphone Nonthaveth
