"Behavior is a mirror, in which everyone shows his image"
—Anonymous

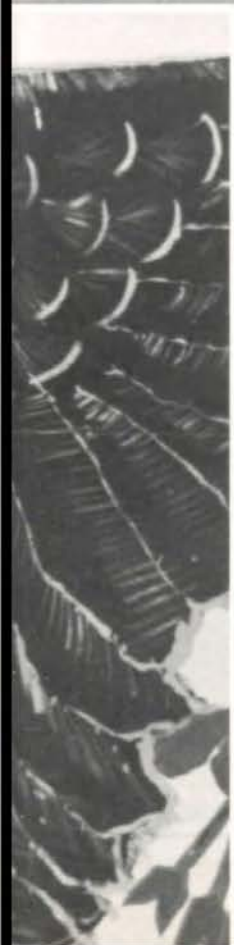

Reflecting back on what we are, in what we did, in how we acted, and what we made, touched the hearts of all Harmon students and faculty.

Our enthusiasm soared in Kansas City as the Royals disgraced the New York Yankees by defeating them 3 games to 0 in the American League Playoffs. As the race for the presidential seat in the White House became harder to grasp than what Jimmy Carter, Ronald Reagan and John Anderson

thought it would be. While on the other side of the world war was in the making as Iran and Iraq bombarded each other making gas prices dart sharply upward.

We made memories each and everyday of this school year, which will bring back flashes of feeling the closeness, the loyalty, the sportsmanship, the hard work and above all the friends and the friendships that will last and be reflected on forever.

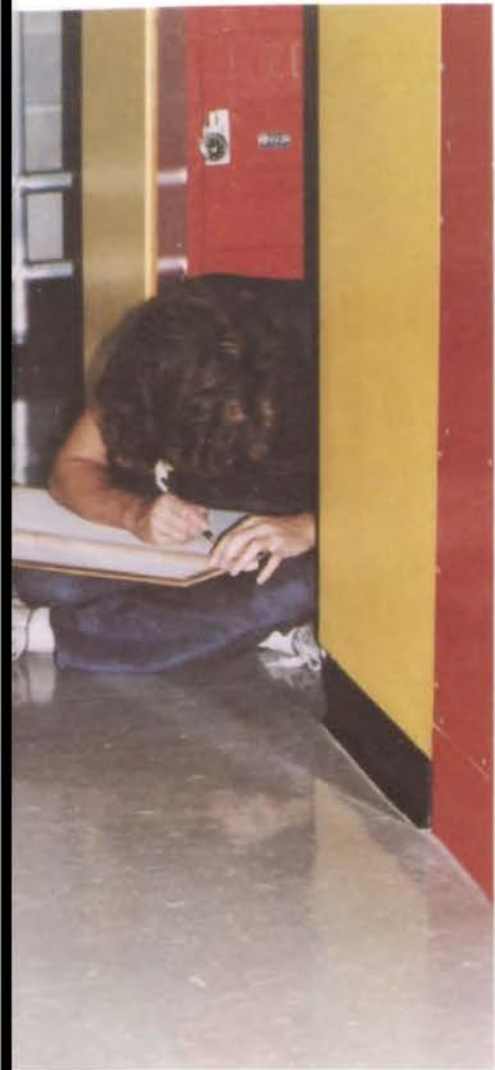

If I were to try to read much less answer all the attacks made on me, this shop might as well be closed for any other business. I do the very best I can; and I mean to keep doing so until the end. If the

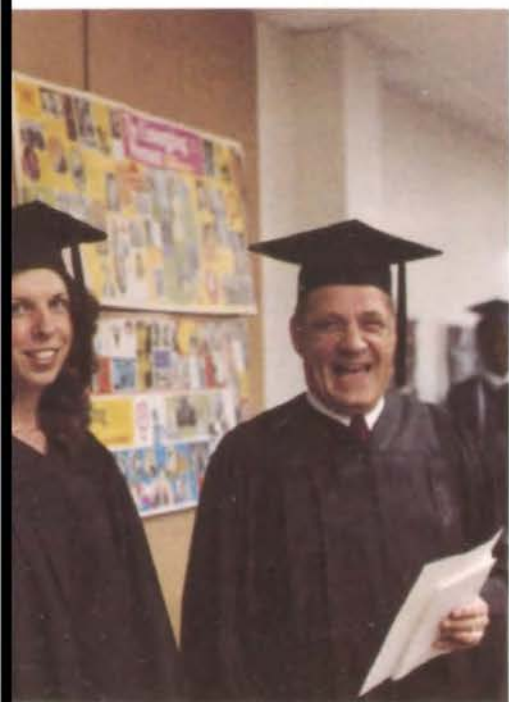

end brings me out alright, what is said against me won't amount to anything. If the end brings me out wrong, ten angels wouldn't help.

Pop Shop Reflects Change: Hawk's Nest

Not only the school experienced change, there also was a noticeable one associated with the "Pop Shop", a small business in the school run by the Student Activities Council. Since the Board of Education followed state law and made restrictions on some of the offerings in the "Pop Shop",

such as Velamints, Life Savers, root beer, and Firestix, SAC added a new variety of candy, and canned fruit juices. "Junk Food" did not meet health requirements, but it could be sold before and after school, but not before lunch. The "Pop Shop" was renamed the "Hawk's Nest."

Royals Make Series

Kansas City finally managed to get past the Yankees in the play offs erasing three years of frustration, when the Yankees topped the Royals. But in 1980, the Royals swept the Yankees in three consecutive games. They lost to the Phillies in six games, but even at that, the series appearance was a nice experience for K.C.

Pictured here is the parade honoring the Royals. Jack Quick was on hand to take pictures of the Royals at the parade.

Series heroes were George Brett, Willie Aikens, Amos Otis, while Willie Wilson sparkled in the field.

For the season, Brett hit .390, Wilson led the league in hits, Dennis Leonard had his third 20 game season, and Larry Gura won 18. Dan Quisenbury led the league in saves. Brett topped the year by winning the American league MVP. October was the best for the Royals to date. Now the only bridge left to cross is a series crown.

Weekends: Something we looked forward to.

Yes, weekends were something all Harmon students and faculty looked forward to. It was a time of fun and relaxation.

An exciting experience could be found just around any corner. Whether it be a stroll down the Plaza streets, a fun filled day at Worlds of Fun, or a Saturday afternoon at the Kansas City Zoo,

something intriguing would soon come about.

Football and basketball season started the weekends out with a "bang" virtually every Friday evening with home or away games. This leading into an exciting Saturday and Sunday filled with the enjoyment that only Harmon students could have.

Comely Reigns At Homecoming

Senior, Lori Comely, reigned as homecoming queen for 1980. She and her court could be seen at the game, at the crowning ceremonies which took place at half time, and the following night, at the homecoming dance.

Decorations for the homecoming dance were done by the drill team. The dance was held in the commons, and featured a disc jockey playing records. He used a blinking strobe to ad atmosphere, changing the commons into a place of enchantment. Secluded lighting helped too.

All of the queen's court were driven in corvettes.

"On Broadway": Homecoming Theme

Homecoming allows time to be spent with that special someone in an elegant setting far removed from the everyday routine of school. It is a chance to dress up, put on the dog, so to speak. While some bring that special someone, others just come with a group of friends making it more of a social gathering rather than an intimate evening.

For many, the school dance is just the beginning in a series of events that last all night; each one more informal than the last.

PERFORMING

ARTS

(LEFT) 1980-81 Acapella Choir conducted by Mr. Keith Longstaff and accompanied by Ms. Brenda Glass.

Singing: A way of life. . .

Harmon's Betty Newton made state choir this year to highlight the year. Other highlights were participating in a clinic at Kansas City Kansas Community Junior College. The Acappella choir performed with the Kansas City, Philharmonic at Wyandotte in the spring of the

year.

A special treat for singers is being picked for the chamber singers. This is a select group of Harmon's finest singers. Each member must survive two auditions to become a part of this outstanding group.

The vocal music department performs many concerts at school and out in the community. The singers also sold candy bars in order to buy tape players and speakers.

Instrumental Music Department Fills the Air With Sound

The instrumental music department performs many functions. The marching band is the most visible, performing at games and parades. The jazz and concert bands perform many concerts at school as does the orchestra. One of the big events of the year is the fine arts festival held in May at Harmon. The jazz band provides the music.

Orchestra Tunes In

Under the direction of Mr. Norman Daniels the Orchestra performed two major concerts. Their first was held in the auditorium November 20. Among their selections were: Still—by the Commodores, **IL**

RE PASTORE overture—by Mozart, and Suite from Tannhouser—by Wagner. April third and fourth the Orchestra traveled to Wichita where they participated in the State Music Festival.

"Love" western success

On October 13 and 15, the J.C. Harmon Drama department presented the play "Love Rides the Rails." An off beat melodrama set in the 1890's. The story was set around the Widow Hopewell and her lovely daughter Prudence who owned the franchise to the Walker Valley Pine Bush and Pacific Railroad. Unknown to the widow and her daughter an evil villain by

the name of Simon Darkway was plotting to steal the franchise to their railroad only to further his own greedy needs. As with every melodrama there has to be a hero, Truman Pendennis was no exception. In the end Truman saves the railroad from bankruptcy and wins the hand of Prudence Hopewell in marriage, both of them living happily ever after.

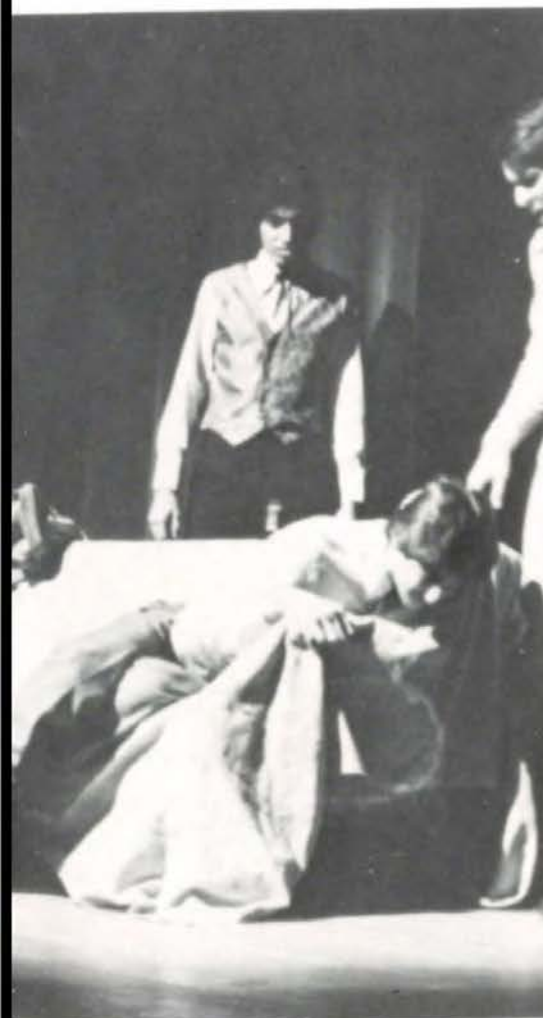

(ABOVE) The evil villains trick Prudence Hopewell and Harold Stanfast in believing there is trouble at the depot.

Screaming In the Spirit

The 1980-81 Varsity Cheerleaders were sponsored by Mrs. Linda Murray. This year the cheerleaders placed third in the 1980-81 Group Champion Competition at Summer Camp. The Varsity squad has done an outstanding job this year. Cheering their team to victory. Their Captain was Fatiyah Edwards and Co-Captain was Laurie Comely. The rest of the Varsity Cheerleaders were Shelli Haynes, Laterri Hughes, Donna Utterback, Kim Keagy, Cheryl Yule, Gina Jones, and Patty Whisler.

Spirit Booster

The new coming sophomore cheerleaders consisted of Wendi Dunnuck, Sandee Jones, Jeannie Ussurey, Yolanda Alonzo, Veronica Taylor, and Renea Mitchell. Mrs. Linda Murray was their sponsor. The girls sold designer jeans and candy canes to

help with their financial needs. Helping them, and all other squads, the mascot (Angela Burton) accompanied them during games. She was chosen by Ms. Burch; also chosen were the J.C. Harmon letter girls which help out with spirit.

The J.C. Harmon 1980-81 Hawkettes performed eight times, each performance was filled with style. The girls attended summer camp for one week where they learned many steps for their routines. Seven of the girls went to over-night camp and the rest of the girls went to day camp. The girls had to tryout to see which camp they were to attend.

The Hawkettes fund raising projects were selling box candy, candy bars, and stuffed animals. In addition to the sales the girls held a paper drive, a skating party, and last summer the Hawkettes had a car wash. The profits from these activities contributed to the funds used for pom-poms and one of five uniforms.

The music and most of the routines that were performed during the year were specially chosen for the Hawkettes by a choreographer. For the year 1980-81 Cecila Rojas acted as the Hawkette choreographer.

Flag Girls and Dancing Dolls: Big Assets

The J. C. Harmon 1980-81 Flag Girls and Dancing Dolls performed at many of the home football games. The members sold stuffed animals and chocolate candy bars enabling them to participate in out-of-school contests and parades. The girls had the pleasure of parading through downtown Lawrence for the University of Kansas Band Day Parade.

Yearbook Records Year

Joyce Carter and Carol Batson set a precedent by becoming the first junior co-editors of the Aerie. Both Batson and Carter agreed that a change in design was necessary in order to give the book a "new look." An increased use of graphics was installed.

The yearbook staff again renewed its pledge to have the bulk of the book out in the spring. Preliminary shooting of pictures began in the spring of 1980, in order to meet deadlines for the current year.

"We wanted to be a bit more informative than last year," said Batson. "Pictures can't tell the complete story." Therefore, a stronger emphasis on copy was placed in the 81 Aerie. This change made it necessary to keep better records of school events.

Another change was creating a better balance between the main part of the book and the supplement. The supplement was increased from 16 to 24 pages.

Talon Reports The News

The Talon did not just report school events, but also reported several in depth stories. Examples were stories about activity tickets and an analysis of how the economy bit into activity ticket sales. Stories about teen-age sex, alcohol abuse, and drug abuse inform the Talon reader about real issues. Mary Ann Domico edited the newspaper this year. They published 15 issues.

Mary Ann Domico checks spelling. Delia Marin types a story.

Key Club Helps Community

Mr. Larry Salisbury sponsored the J.C. Harmon Key Club during the 1980-81 year. Acting president was Phillip Burton. Key Club is an organization which serves the school, the church, and the community. A blood mobile was brought in this year for the Red Cross calling upon Harmon students and faculty to give some of their life fluid. They also planted trees to help

improve the landscape around the school. A lot of little extra pluses were done around the school such as teacher appreciation day. The Salvation Army was also helped by this tremendous club. A convention was planned and attended on March 26, to improve the members experience in helping the community.

Clubs Promote Talent

The Drama club participated in a workshop with children directed by Wichita, University. The fall Production was **Love Rides the Rails** an old fashioned mellow-drama in which the audience hisses the villain and cheers the hero.

The Thespian society is an honorary acting society which is national in scope. Members must meet a minimum of theatre hours back stage or on the stage.

Blithe Spirit was the spring production.

The Commercial Club took a field trip to Farmer's Insurance Company, and had many speakers from the world of business acquaint them with business procedures. Specifically club members learned about accountants, bad check collectors, secretaries, and job opportunities. The club also had a Christmas party. Virginia Weidel sponsors the commercial club.

SAC SERVES STUDENTS WITH MOVIES, DANCES AND REFRESHMENTS

SAC, Student Activities Club, consisted of 25 representatives of each class and class presidents. In charge of the 80-81 SAC was Doug Banker and co-sponsor Kent Peterson. Mario Mendoza was chosen as President, followed by, Mary Aguiar vice President, Mark Gonzalés Secretary and Treasurer and Jana Holwich Parliamentarian. Some of the tasks that S.A.C. accomplished were sponsoring 4 movies (each of different variety). They also sponsored the Sweet-heart dance and put up and decorated the Christmas tree.

Clubs Enhance School Program

Two clubs that are definitely career oriented are the Explorers club and the Health Careers Club. Explorers investigate job opportunities, thus shaping their future. It is a new organization at Harmon. Health Careers Club performs the same function for students interest-

ed in health fields.

Sketch club nurtures artistic ability by showing students the world of art as divorced from the confines of the class room. Projects included painting the Hawk's Nest, and doing a mural in Whitmore Park.

PEP CLUB SPONSORS BIG EVENTS

The Pep Club is a very supportive group of students. They sponsor the buses for all of the away games, sell game tickets, sponsor all pep rallies, and work in the Hawk's Nest.

The biggest event the Pep Club took care of was the Homecoming dance. There were a lot of preparations for this event. They had a

spirit week with different activities each day to start off the event. On the actual day of the Homecoming they sold mums, decorated the Commons and stadium. The day of the Homecoming dance the Pep Club provided the D.J. and baked cookies for refreshments. The Pep Club also bought presents for the royalty.

Science Club Wins "Battle of the Clubs"

As in the past, the J.C. Harmon Science Club proved to be one of the most active clubs in the entire school. They had many fund-raising activities such as slave days and car washes. Canoe and cave trips, hay rides, and a tree planting project

were some of the activities this money went to support. The Science Club, in the years to come, will continue to be a large and prosperous club under the strong leadership of Mr. Charles Rogers and Mr. Charles Albin.

(left) J. B. Eighmey is a native Kansas City, Kansan, is married, and holds a Masters in Social Science. "Food, clothing, shelter, and transportation are the reasons I teach," said Eighmey. He likes the location of the school, but thinks Harmon has an overdose of noise pollution. Travel, reading, hunting, and fishing are his hobbies and as one might deduce, his pets are an English Setter and an English Pointer. He teaches Human Relations, Sociology, Psychology, and Innocence vs. Guilt.

Ron Graham

(right) Mr. Graham, Biology teacher and basketball coach, comes from Arkansas and now lives in Wyandotte County. He is married. He studied at the College of the Ozarks and at Emporia State. A desire to work with young people led him to teaching. He likes the friendly staff and administration and like so many other teachers believes that student apathy is the worst feature of his job. Golf, fishing, and tennis are his favorite pastimes.

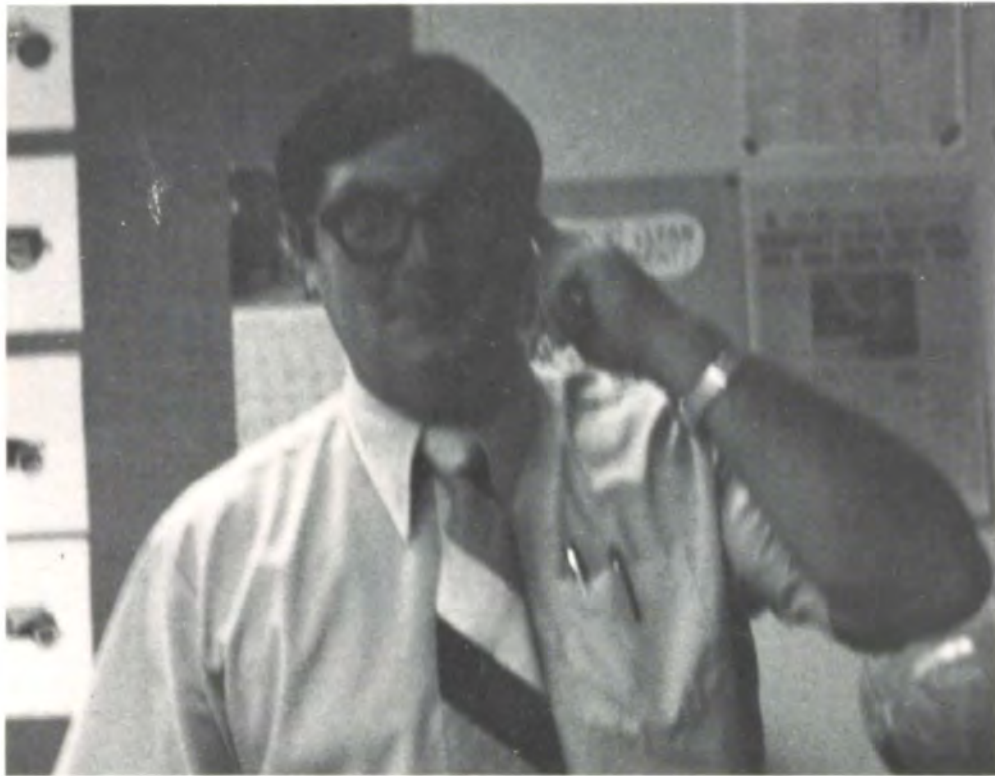

Norvan Daniels

(below) Mr. Daniels teaches instrumental music. He is in charge of the pep band, marching band, jazz band, orchestra, and flag girls. Daniels puts in many long hours at the school.

Charlotte Jean Davis

(above) Mrs. Davis was born in Kansas City, Kansas and lives in Argentine. Married, she studied at Emporia State, and Kansas University. She is currently working on a masters degree. Teacher influence helped her choose teaching as an occupation. She teaches P.E. and first aid, and coaches volleyball, and basketball. She thinks the faculty is very co-operative, but thinks the school lacks spirit. Sports, needlework, and macrame are hobbies. She has a dog named Mandy.

James Jenkins

(above) James Jenkins teaches American History. A native Kansas City, Kansan, he makes his home in Armourdale. He is married, and has two children. He holds a BSE from Emporia. He likes to work with kids and that is his reason for teaching. Absences and tardies he sees as the two biggest problems to teaching. He collects coins, stamps and likes to fish and hunt. He has two daughters.

Troy Hodges

(right) Troy Hodges teaches math and coaches football. He holds a BSE and has studied at Emporia State and Kansas State. He chose teaching because he likes to work with young people and enjoys helping them become better people. Fishing and hunting are his hobbies and he can get steamed up over a good game of cards. He has a dog for a pet.

Jo Ann Hendrickson

(left) Jo Ann Hendrickson was born in Winfield, Kansas. She now lives in Shawnee Mission. She is married, and holds a Masters degree from Kansas State. She teaches English, Government, and History. She enjoys working with kids and enjoys the subjects she teaches. She likes sailing, swimming, reading, and working with stained glass.

Roy Hicks

(below) Roy Hicks teaches Materials and Processes, Woodworking, and Weightlifting. He is married and has three children ages 21, 19, 17. He has a Masters from Emporia State. Influences from high school teachers and coaches made him choose teaching. He likes the new building and staff members, but he would like improved facilities and wishes students were not so apathetic. Hobbies are golf and being a sports spectator. The Hicks family has a pet cat.

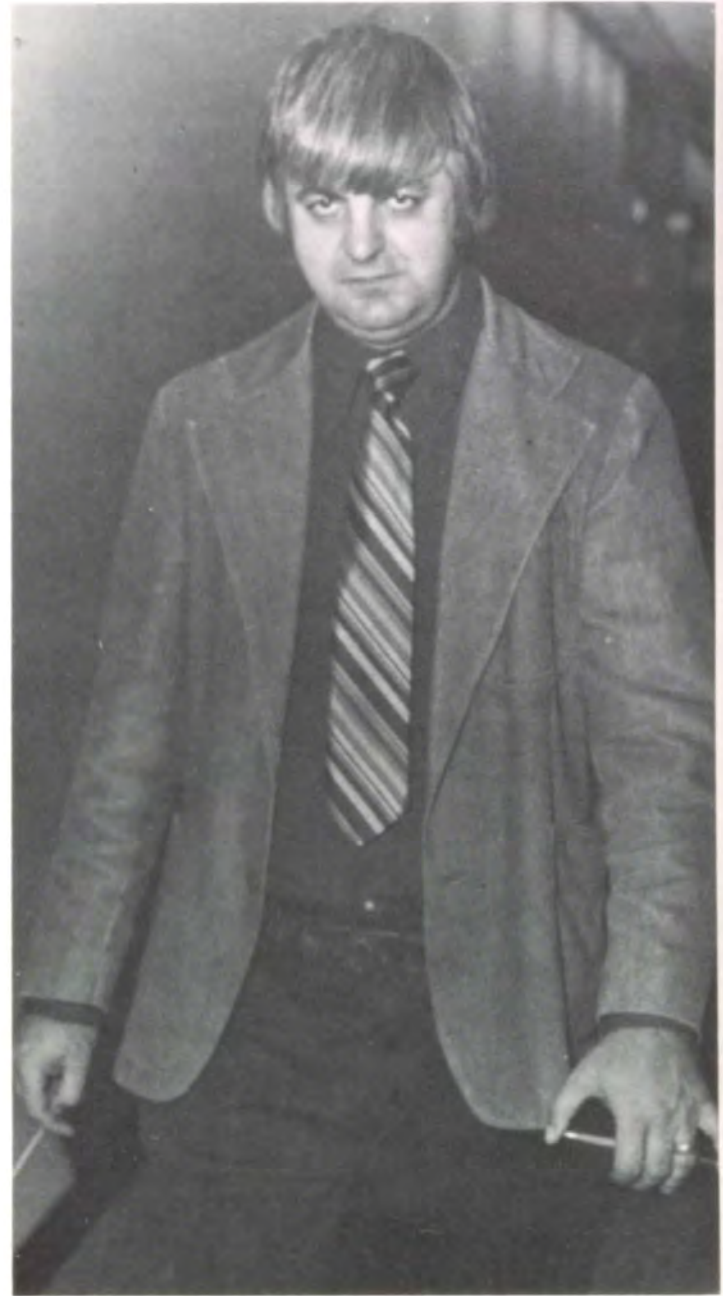

Pat Hunt

(bottom) Pat Hunt was born in Hutchinson, Kansas. She resides in Johnson County's only "urban" renewal area. She is married and has a degree from Kansas University. Discussing ideas and reading helped her choose teaching. She teaches composition, Humanities and sponsors the literary magazine. She likes student creativity, but thinks they exhibit a "play-time" attitude too often. She has a hamster, a guinea pig, and a dog for pets.

Wallace Leighton

(right) Wallace Leighton was born in Houlton, Maine and lives in Kansas City, Missouri. He has a Masters in English. He likes school and the faculty but deadlines drive him nuts. He plays the guitar and has three cats. He teaches English and Yearbook.

Don KuKuk

(above) Don KuKuk was born in Emporia, Kansas and lives in Shawnee Mission. He has a Masters in History. His father and mother were teachers and that influenced him in choosing his profession. He teaches history and coaches girl's basketball. Lack of parent concern is a problem; tennis is a hobby. He has one cat.

Richard Kohler

(left) Richard Kohler, born in Kansas City, Kansas, living in Turner, teaches Power/Energy and auto. He likes the people he works with; he dislikes the small shop area. He has a Masters and he says "you have to be nuts to teach." Bingo is the family dog. He likes hunting and fishing.

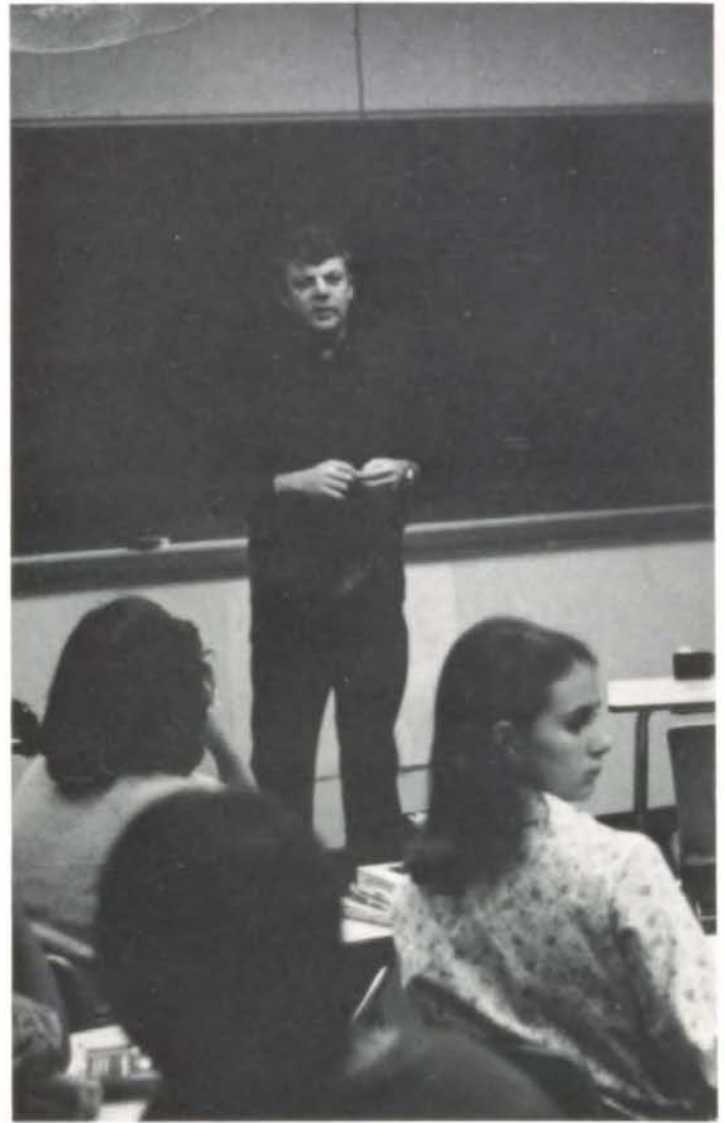

Janet Kurtz

(below) Janet Kurtz is single, has a Masters degree and has studied at Kansas State. She likes Theatre and teaches acting, FLA, and Bible as Literature.

Phillis Jones-Williams

(left) Phillis Jean Jones-Williams teaches office machines, clerical training, and general business. She has a Masters and has studied at Emporia State. She likes to help students learn skills and she thinks most students are well disciplined. Reading a sewing are hobbies. She keeps tropical fish.

(above) Richard Martin was born in Kansas City, Kansas and lives in Wyandotte County. He has attended Iowa, and Emporia State University and has a Masters. He says he chose teaching of his own free will but sometimes wishes he had done otherwise. He teaches current history. He thinks that some students are worth teaching and that gives him his greatest pleasure but cites teacher attitudes as a less desirable aspect of his job. His hobbies include a large record collection.

(center) Susanne Lenahan lives in Lenexa, Kansas and is single. She holds a Masters from Kansas State. She chose teaching because she wanted to work with high school students and enjoys all phases of home economics. She teaches Interior Decorating, Independent Living, Engagement and Marriage, Needlecraft. She likes working with students but dislikes student apathy. Sewing, needlework, and reading are hobbies.

Jerry McCloud Ruth Majors

(left) Jerry McCloud was born in Lyons, Kansas and now resides in Kansas City, Kansas. He is married and has attended Emporia State, Pittsburg, and Kansas University. He has a Masters. He states that he chose teaching because 25 years ago teaching was a "respectable choice." The cross section of students McCloud thinks is the best thing about Harmon, but thinks teachers have to put up with a lot of disrespect. Upholstering is a hobby.

(below) Ruth Majors is from Winfield, Kansas and now lives in Shawnee Mission. She is married and holds a degree from Colorado State College. She teaches accounting. Working with students who want to learn is her greatest joy, and high absenteeism is the biggest problem. Music and sewing she finds enjoyable.

Lola Perkins

(above left) Lola Perkins is a native Kansas City, Kansas. She lives in Overland Park. She has studied at Kansas and Colorado Universities. She has a MS in English education. She hopes to teach things that will be helpful, and necessary to students. She teaches Death in Literature, Love and Loneliness, and likes the students "100%". Lack of storage space is a definite problem according to her. She likes reading and fishing.

Charles Rogers

(far above) Charles Rogers was born in the motor city: Detroit. He lives in Shawnee Mission. He is married and has two children. He went to Emporia State University and has a Masters in Biology. He teaches Biology 1 and LL. He likes most of the students and the early hours, and states that a lack of discipline is his biggest dislike. Coin collecting, girl watching, and traveling are nice ways to spend spare time he reports. Pets include dogs, snakes, lizards, and a wapiti.

Mary Jo Patten

(above) Mary Jo Patten was born in Emmetsburg Iowa. She lives in Shawnee and is single. She has a BSE from Iowa State University in Home Economics. Because she wanted to work with young people, she chose teaching. She teaches foods and clothing. She likes the faculty and enjoys sewing and crafts, and outdoor sports.

Barbara Salisbury

(below) Barbara Salisbury comes from Lawton Oklahoma and lives in Spring Hill, Kansas. She is married to Larry Salisbury's brother. She has studied at Emporia State and Kansas State. According to her, teaching as a career was a tough choice. "Actually, they wanted me for the United Nations, but my heart belongs to pedagogy," she said. She teaches German, I, II, III. She likes the faculty planning room and students who don't give up. Not being able to open a window for a breath of fresh air is a let down she says. Cooking and eating are hobbies and she owns one fat cat.

Lisa D. Schatter

(right) Lisa D. Schlatter was born in Kansas City, Kansas. She is married, has attended Kansas University and Kansas State. She teaches basic biology. Swimming and sewing are hobbies. The family dog named Clyde is part husky and part German Sheperd.

Connie Chanay

(RIGHT) Mrs. Chanay is Mr. McGregor's personal secretary. Though tending to Mr. McGregor is specifically her job, Mrs. Chanay never delays when a student or faculty member can use her assistance. She has attended Emporia Park High School in Topeka and also Emporia State Teacher's College for two years.

Donna Berry

(MIDDLE) Harmon's treasurer is Mrs. Berry. She has been living in Kansas City since birth and is a former Argentine Mustang. Not only does Mrs. Berry handle school funds but she also makes change for students, which is highly appreciated since the 'Hawk's Nest' accepts nothing but correct change during ten minute break.

Sherry Edwards

(BOTTOM LEFT) Mrs. Edwards is Harmon's library clerk. She can usually be found in the satellite resource center helping a teacher locate a video tape or demonstrating to a student how to operate the xerox machine.

Ethel Peugeot

(BOTTOM RIGHT) Mrs. Peugeot takes care of attendance. She is a resident of the Turner area. And to the students who seem to find activities other than coming to school intriguing, Mrs. Peugeot calls their parents. But, students all know this is her duty—so they put it behind them. Mrs. Peugeot is one of the many favorite personalities in the office.

Secretaries add Organization

Evelyn Larson

(ABOVE LEFT) Most Hawks know Mrs. Larson as the "Lady of the airwaves." Actually, there's much more to her duties than just relaying information over the intercom. Mrs. Larson, like many of the other secretaries, is also a former Argentine Mustang. Later she attended Kansas City Business College.

Mary Wing

(ABOVE RIGHT) Mrs. Wing is a native of Kansas City. She was an Argentine Mustang in her high school days; and enjoys singing, handwork, and sewing in her spare time. Mrs. Wing is the school registrar and offers new registering students her courtesy and warm smile.

Workers Provide a variety of Special Services

(BELOW) Norma Hammer slices cheese that will later be placed on lasagne.

The cafeteria workers provided a much needed break in the day for students and staff with nourishing meals at economical prices. Students and staff could purchase full lunches or go to the snack bar if they wished for sandwiches, deserts and milk or fruit drinks.

The custodial staff worked behind the scenes to keep the building running smoothly. The staff did a number of repair jobs as well as kept Harmon clean. The custodial staff had someone on duty 24 hours a day.

Joan Lefholtz is the school nurse. She kept health records on students, and was on hand to take care of student needs if a Harmonite should get the "creeping crud" while at school.

Aiding students with term papers and general research are librarians, Bruce Yang and Thelma Braswell. Not only do they monitor checkout procedures for students but they have a large collection of records, films, film strips, tape recorders and tapes to help students and teachers with the business of education.

These individuals are extremely helpful in keeping the daily routine on course.

Cross Country Team First Year For All Men.

The 1980 Hawk's Cross Country team was young but competitive. Claude Watson, sophomore, was Harmon's leading medalist; medaling in all meets with the exception of the Regionals. The rest of the field was up for grabs. In every meet at least one place changed in the Varsity squad.

(BELOW) Being a good runner takes all of the power you have. You can tell by looking at the face of Claude Watson.

"We will have the whole team returning next year, and with a lot of practice and patience I think we will be in the running for the league title."

—Coach Mark Bussen

This years Cross Country Team, though exceptionally small, competed well against many of the larger district teams. The highlight of the season came when the Hawks beat the Schlagle Stallions in a dual for the first time in five years.

Three honors were awarded at the end of the season: the "Guts Award"—most improved and competitive—was given to sophomore, Robert Starks; the "Outstanding Sophomore Award" was received by Claude Watson; and Gerald Harris, junior, was chosen for the "Outstanding Athlete Award."

Varsity League Champs

Harmon's volleyball team took first in the KCK league winning 6 and losing one. The team's over-all record was 9-8. The team hit its stride in the middle of the season when the Hawks rolled off six consecutive wins, beating Sumner, Wyandotte, Turner twice, Wyandotte again, and Bonner Springs. The team also captured the Turner tournament topping Schlagle in the finals.

Junior Varsity Has 2-7 Mark

The junior varsity was 2-7 at the end, but during the season it still didn't keep them from pushing on. J. V. team was mostly made up of sophomores preparing for next year's team in which some of them may return at varsity level. "All in all it was a good season that was full of new experiences and fun," said Angela Burton.

HAWKS Concerned With World Affairs

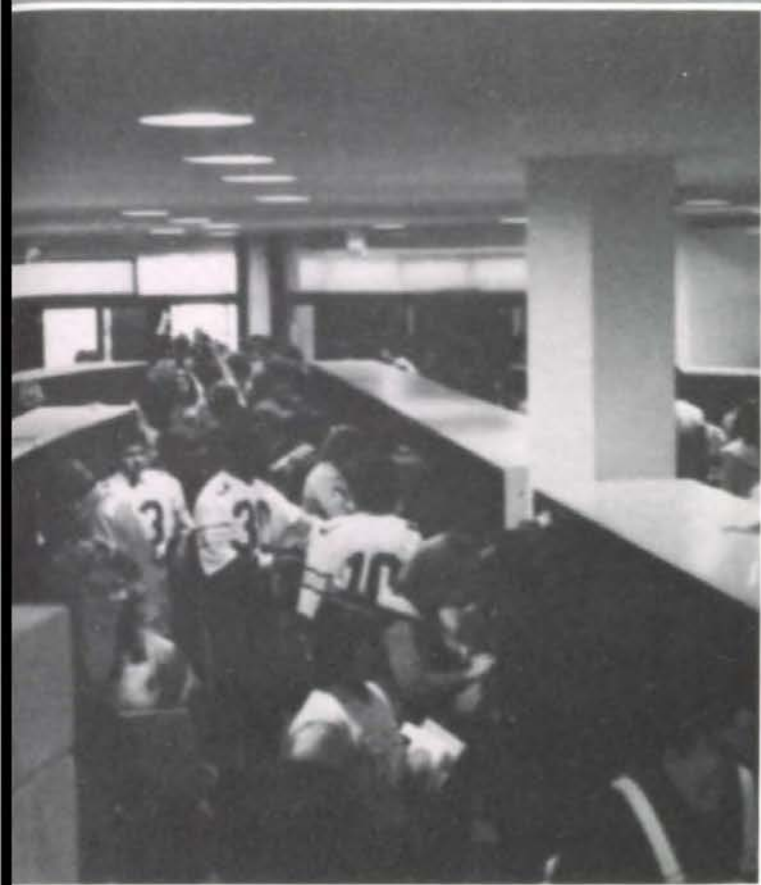

Most Hawks responded to the Hostage problem, marking it as the biggest event of the year. Judging from graffiti on walls and elsewhere, Iran took a lot of abuse from Harmon students. While it gave the custodians headaches, it was an indication that the Iran crisis was a unifying force in the country and Harmon followed that trend. The return of the hostages was welcomed by everyone.

On the local scene, the Royals finally got past the Yankees in the American league playoffs. They lost

to the Phillies in the World Series. George Brett hit .390, Willie Nelson lead the league in hits, Willie Aikens hit four World Series homers, Larry Gura was the Royal stopper, and Dennis Leonard won 20 games. Dan Quisenberry had 33 saves and 12 victories in relief.

School brought more relief than usual in that it signaled the end of one of the hottest summers on record. Seventeen consecutive days of over 105 degrees overloaded hospitals and made life miserable for all.

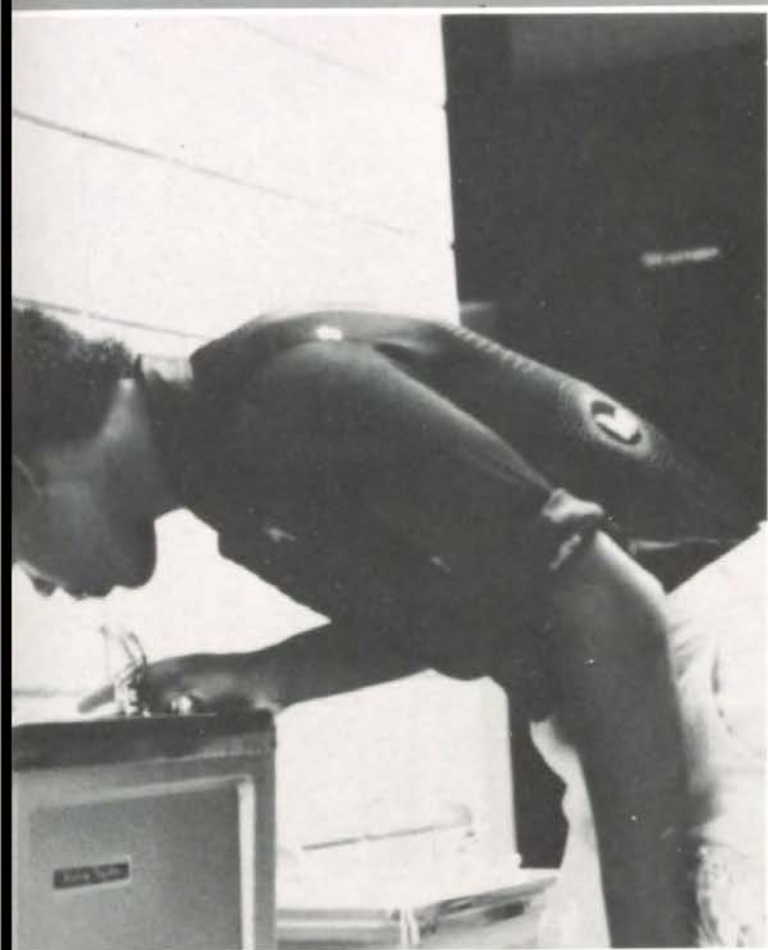

The learn'd
reflect on
what before
they knew . . .
—pope

Dark-heaving . . .
boundless, endless,
and sublime,
The image of eternity.

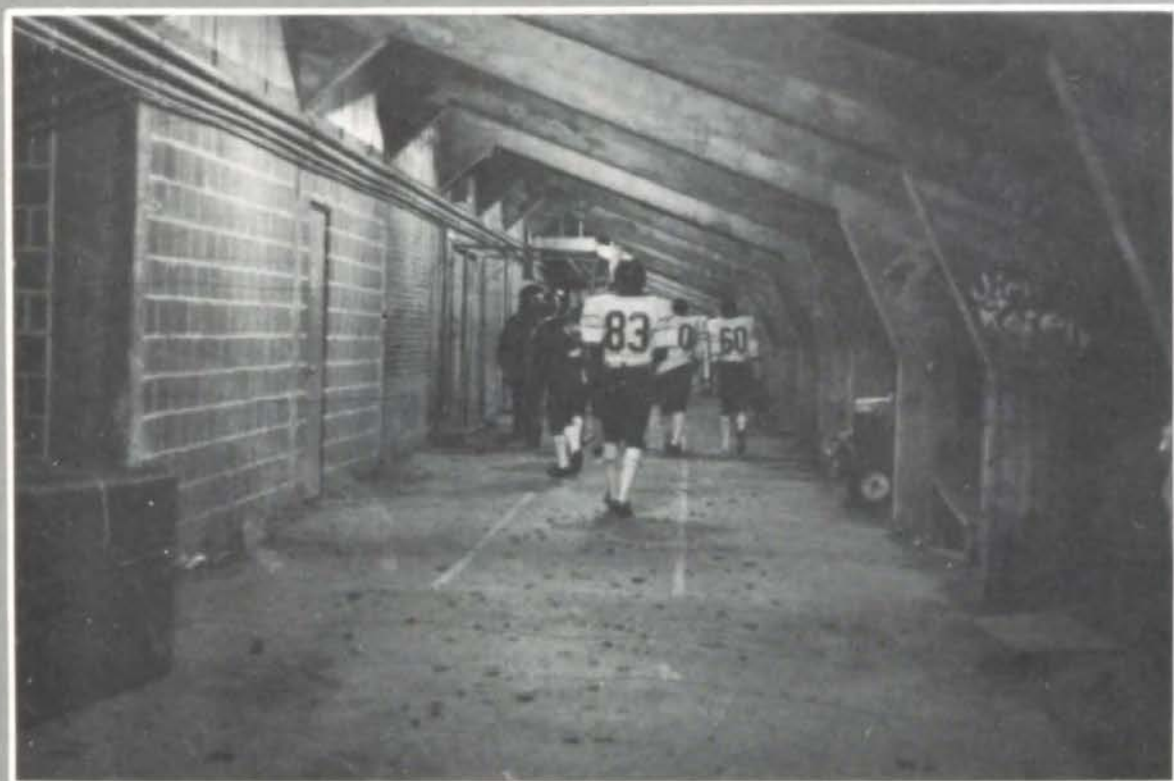

Everyman who rises above the common level has received two educations: the first from his teachers; the second, more personal and important, from himself.

— Edward Gibbons

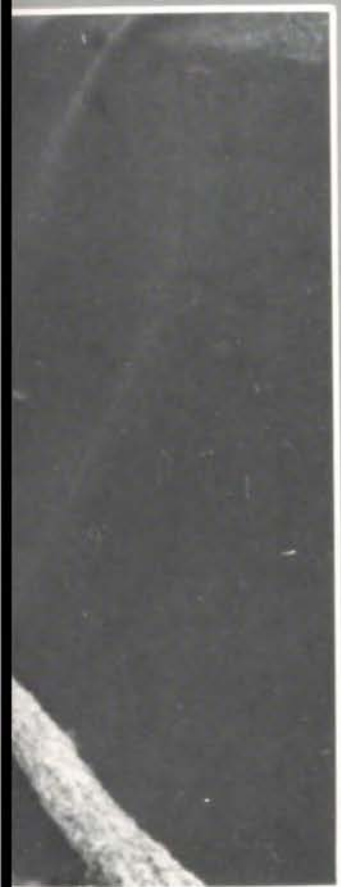

You may give them your love
but not your thoughts,
For they have their own thoughts.
You may house their bodies
but not their souls.
For their souls dwell in the
house of tomorrow,

Which you cannot visit, not
even in your dreams.
You may strive to be like them,
but seek not to make them like
you.
For life goes not backward
nor taries with yesterday.
—Kahlil Gibran
