

THE LINCOLNIAN

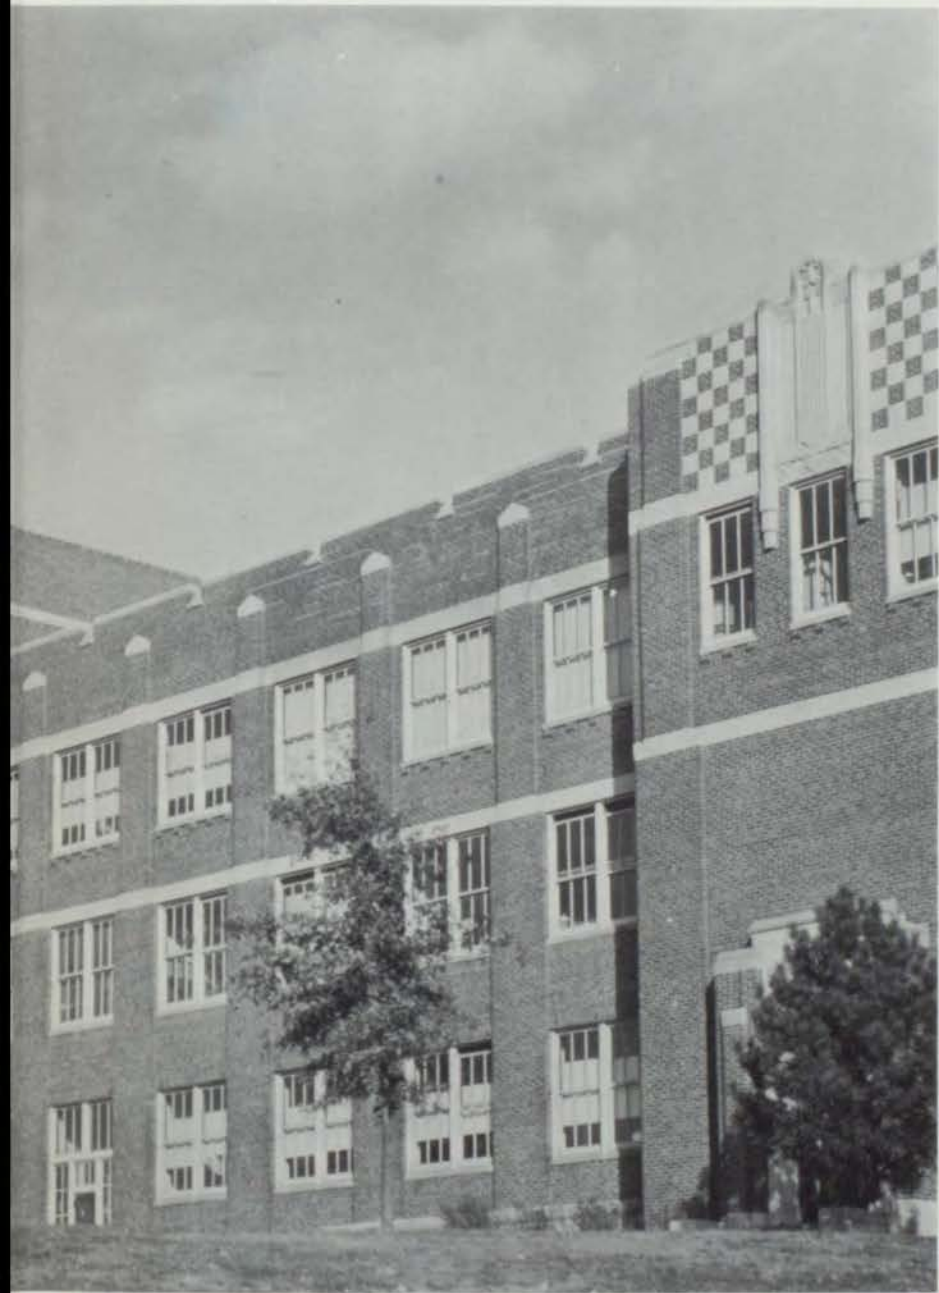

THE LINCOLNIAN

LINCOLN HIGH SCHOOL
KANSAS CITY, MISSOURI

The Story of Sixty-Three

The story of Sixty-Three, like preceding stories, is the story of a school with deep, strong, and productive roots. More important, it is the story of boys and girls proud of the depth, strength and productiveness of their roots; secure in the knowledge that as they have nurtured so will they nurture them. It is, also, the story of dedicated and inspired teachers and administrators, who give of their time and energies freely and enthusiastically. For they are motivated by love for and devotion to duty.

Adventures in learning and growing up took up the greater part of the time. Concentrated study was provided to develop our minds; desirable play activities were provided to develop our bodies; worthwhile leisure time activities were provided to develop our spiritual, esthetic and moral being.

A peek in the classrooms shows some of us busily engaged in reading, writing and arithmetic. Another peek will show study on a more advanced level--in the science laboratory, in the language laboratory, in the homemaking laboratory, in the photographic dark room or in the drafting room.

Clubs of various kinds complement work in the classroom and make adventures in learning and growing-up pleasant and enjoyable.

All good things must come to an end and so it is with our high school education. But this is not the end of our story. Graduation marks the end of childhood and adolescence and signals the beginning of adulthood. We are certain that the nature of adulthood will be influenced greatly by the experiences of our childhood and adolescence. We do not fear the future; we welcome it with courage and enthusiasm.

ADMINIST

RATION AND FACULTY

This, my last message to you, through the pages of the Lincolnian, is one of hope and challenge for the future.

At no time in the history of civilization has there been more opportunity for work for men and women of competence and integrity. Any person who does his job well with efficiency and skill can find employment, provided he has the personal qualifications to merit selection by an employer. This is particularly true of jobs requiring intelligence and/or skill.

For nearly 45 years it has been my joy and pleasure to serve the youth and their parents of this community. I shall miss the challenge of helping young minds and personalities grow and develop. I leave the schoolroom for a new challenge and an opportunity to serve. I shall miss the bright eyes and eager faces of youth, but I sincerely believe the new challenge I now have accepted will be beneficial to a larger segment of our city. So while I regret leaving close friends, I am intrigued and challenged by a new and greater opportunity. I also look forward to an even greater Lincoln High School under a new administrator.

Seniors Bid Adieu to Lincoln

Four years have rolled by and now we stand on the threshold of graduation. However, it seems only yesterday that we entered the doors of the Castle on the Hill. While we look forward to commencement with eagerness, we look backward with nostalgia.

Memories of frightened, bewildered freshmen still remain with us. We, like all new freshmen everywhere, found it difficult to adjust to new surroundings in a large high school. This natural state passed quickly because our teachers were friendly and helpful.

Adaptation paved the way for whole-hearted participation in school activities outside the classroom. As sophomores we joined clubs, played sports and won honors for ourselves and Lincoln. We inaugurated the "Sophomore Hop".

During our junior and senior years

we increased participation in clubs, organizations, sports and cultural activities. Judy House won an excellent award in the annual Science Fair. And for two consecutive years, Patricia Patrick won first place in the American Legion Oratorical Contest. Five girls became members of the 110 Girls Club; eleven of us were inducted into the National Honor Society. The Junior-Senior play was exceptionally good and the Junior-Senior prom was unforgettable. Seniors played an important part in defeating Rosedale High School on the televised program "Categories". We could go on and on but we have learned to be modest.

Modesty does not prevent our giving "fifteen cheers" for the class of '63, "fifteen cheers" for the faculty and "fifteen cheers" for Lincoln High School.

VOLUME XXXIX

LINCOLN HIGH SCHOOL

Number 6

SIX KEYS TO STUDENTS

Four students received a total of six keys and a large number of merits in the recent Scholastic Art Contest sponsored by Emery Bird and Thayer Co. Three other students received merits.

Georgiana Abrought won two keys. Jacquelyne Andrews won two keys and six merits. Alan Ford received two keys and five merits. All of the work of these students will go to New York for the finals.

Three other students received merits for their work. Howard Mickles received three merits, George Suggs one merit and Beverly Warrick, one merit.

The students received their awards last night at the Hallmark Company. Georgiana and Beverly are students of Mr. James Long; other winners are enrolled with Mr. Leonard Pryor.

ART TEACHER COMMENDED

On February 11, 1963, Mr. Leonard Pryor, who was in charge of the Scholastic Art Exhibit at Lincoln, received a letter from the Emery Bird Thayer Company expressing appreciation to him for the "effort and cooperation" he had given in their 21st Annual Regional Scholastic Art Exhibition.

TWO STUDENTS SEE LAWRENCE OF ARABIA

On February 22, two members of the newswriting class Howard Mickles and Wanda McClean were guests at a showing of Lawrence of Arabia at the Saxon Theater.

The students along with other high school representatives in the area took part in a discussion of the background of the picture, were guests for lunch and previewed the picture.

YEARBOOK CONTEST ENDS

The Yearbook contest ended last Monday, March 4. Results of it have not been announced.

TEAM WINS ON CATEGORIES

The Lincoln High School Team in the televised program, "Categories," won 15-8 in competition with Rosedale on February 23.

The group answered questions about music, art, literature, science and sports.

Members of the team, coached by Mr. Neal Herriford, were Bari Robinson, Patricia Patrick, Ronald Horn, Arrelita Vonleggett and Evelyn Price.

PRESENT INVASION FROM THE STRATOSPHERE

Lincoln joined thirteen other high school Speech Departments in the area in the annual Speech Festival which was presented at Westport High School on February 15; the skit *Invasion From the Stratosphere* was presented by Janie Woodard, Janie Crooms, Ruby Fobbs, and Frances Thornton.

Mrs. Mildred Pennington was the director.

TEN IN JUNIOR ACHIEVEMENT

Ten Lincoln High students are participating in the Junior Achievement program this year. They are as follows: Bobette Caple, Ernestine Gilbert, Jewel Hogan, Joyceeten Mitchem, Nathan Nash, Jackie Nolen, Kenneth Paige, Norma Savage, Michael Weddington, and Shirley Wilburns.

The Junior Achievement Company activity may be observed in the business centers on week nights between the hours of 7 and 8.

The current program will continue until May.

NEW RECORD FOR SCHOOL YEAR SET

Students set a new record—one not particularly to cause pride.

One Monday, March 4, when rain was pouring down at the opening of the school day, there were more students absent than on the coldest days in January. Approximately 221 pupils stayed at home.

SCIENCE FAIR AGAIN

The Twelfth Annual Greater Kansas City Science Fair is sponsored by Science Pioneers Inc. again this year.

The exhibits will be on display for three days in the Municipal Auditorium Exhibition Hall, April 17-20.

Students interested in entering may consult the science teachers at Lincoln.

MARCH OF DIMES

The annual March of Dimes drive held during the study classes has brought in the incomplete total of \$65.17 so far.

Leading the drive was Miss Mayfield's class with \$6.00, Mrs. Moore's group with \$4.18, and Miss Henry's study with \$3.69.

Mr. Ponder, who is in charge of the drive, states this is the lowest amount in years, but also confirms that it's because of the other fund raising activities at Lincoln.

ESSAY CONTEST COMING UP

The National Association for the Advancement of Colored People is sponsoring a contest as a part of the celebration in observing the one-hundredth anniversary of the Emancipation Proclamation.

The contest which is open to senior and junior high school students has a subject for each division. Senior high students write on the subject "America, One-Hundred Years After the Emancipation Proclamation." The topic for junior high students is "What the Emancipation Proclamation has Meant to America." The required length of the essay for junior high students is not less than 500 nor more than 1000 words; the required length of the composition for senior high students is not less than 1200 nor more than 1500 words.

The essays for the contest must be postmarked not later than March 15, 1963. On July 4, 1963, the names of winning contestants will be announced in Chicago, Illinois during the 54th Annual Convention of the NAACP.

NINETEEN MAKE HONOR ROLL

Nineteen students were named to the First Semester Honor Roll which was recently released by the counselors; of this number three received highest honor by receiving a scholarship index of 4.0 or over.

Dorsey Blake, a junior, led the school in honors with a scholarship index of 4.2. Charles McTyre, also a junior, was second highest with 4.1 and Nevada Harris, a freshman, was third with 4.0.

A significant fact is that all honor roll members in the Junior Class are boys.

Following is the complete roll:

SENIOR CLASS	
Edmund Hughes	3.80
Vernice Murray	3.80
Judy House	3.79
Patricia Patrick	3.79
Hazel Boykin	3.50
Celia Page	3.50

RIFLE TEAM WINS ALL CITY RIFLE MEET

The Lincoln High School Rifle Team won the All City Rifle Match Friday, February 22, with a score of 1618; this is the fifth straight year that the team has taken top honors.

In addition to this, three members of the team were named to the All City Rifle Team. They are Stephen Hodges, James Bolden and Frederick Flowers.

Other members of the team are Edward Mitchell, Cecil Stovall and Edmund Hughes.

Paseo High placed second with a score of 1601.

A class in advanced Spanish enjoys individualized activity.

Language Laboratory

The language laboratory provides individual instruction for students interested in learning to understand and speak a foreign language. The student hears the language spoken by native speakers and repeats the sounds exactly as he hears them. He is able to advance at his own rate of speed. The language is used almost exclusively in the classroom. Additional practice is provided through language club activities. The primary goals of the laboratory program are understanding and speaking.

Language booths provide practice and privacy.

Commercial Arts

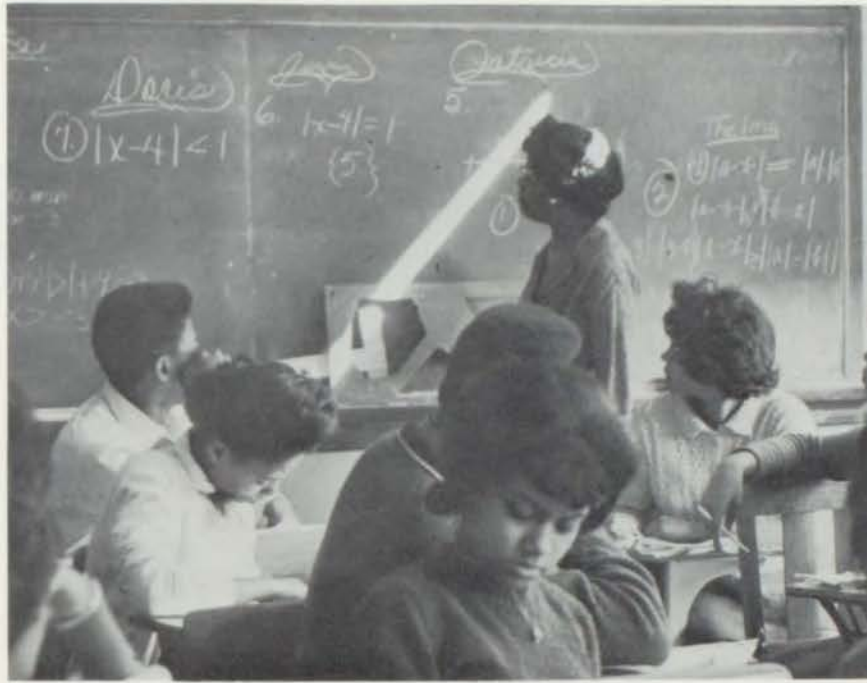

Commercial Arts prepare students for working in the business world. All students are encouraged to take typing. Students interested in becoming gainfully employed after high school study shorthand, bookkeeping and business machines, also.

These boys operate a mimeograph machine.

Skill in using business machines is stressed in commercial subjects.

Math is made easier and more understandable.

Mathematics

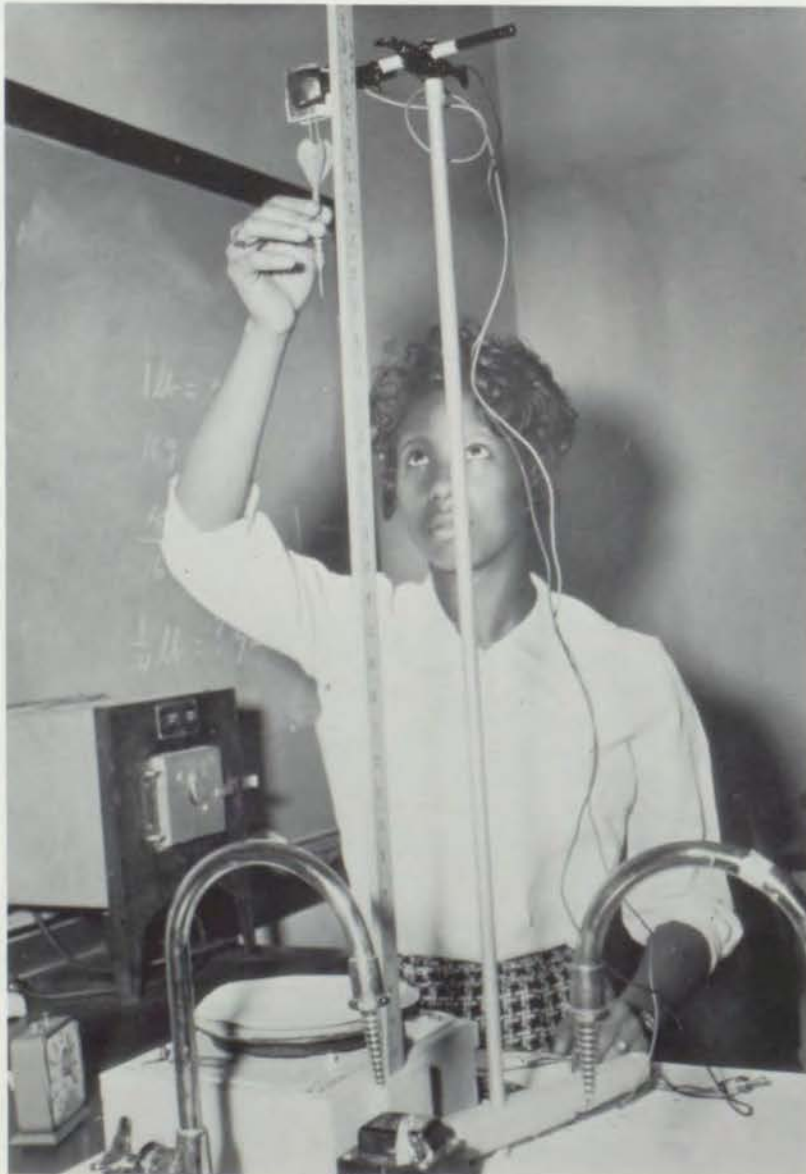

Math Club gets a lesson in the odds in "betting."

Science Stressed

Students enrolled in science classes enjoy the inspiring atmosphere of modern classrooms and up-to-date scientific equipment. All students are required to take one or two courses of science and promising students are urged to take chemistry and physics. Students who work on special projects for the annual Science Fair spend many long hours in research and experimentation. Many completed projects often win recognition.

Vernice Murray adds finishing touches to her Science Fair project which won a First Place Award in both the Kansas City Science Fair and the International Science Fair held in Albuquerque, New Mexico.

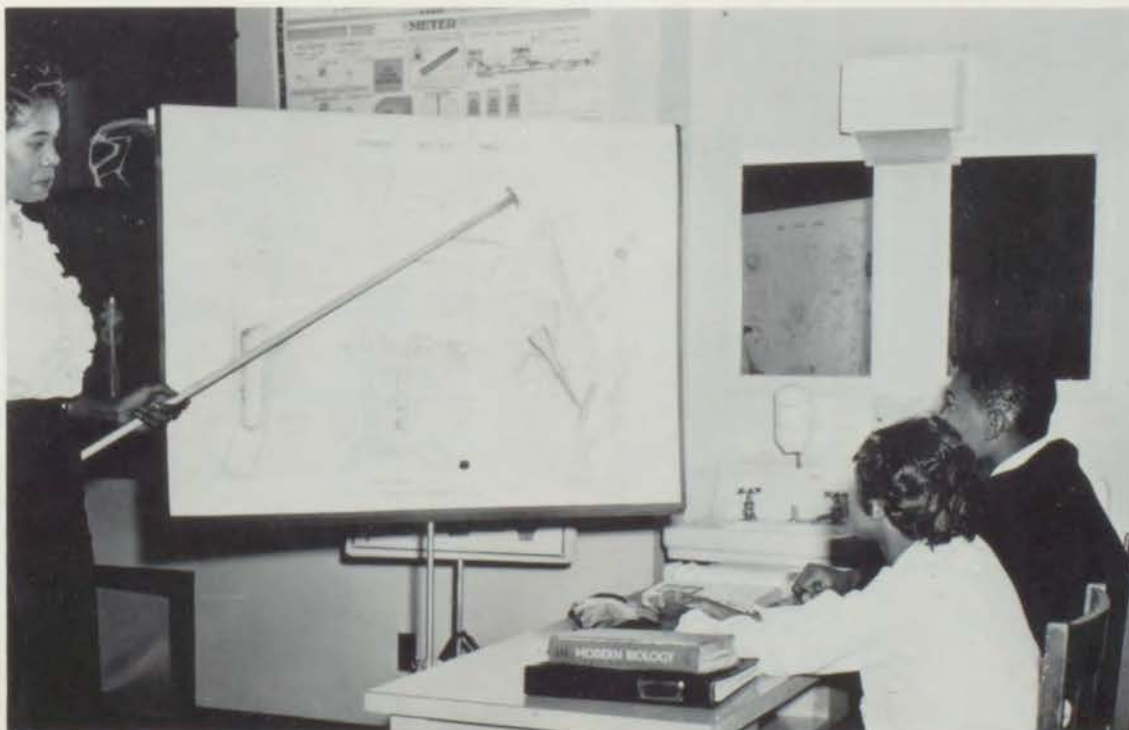

Judy House works on a Science Fair project.

On the Job Training

Students enrolled in COE--Cooperative Occupational Education program--earn while they learn. One half of each day is devoted to on-the-job training, and the other half is spent in academic classes. This program is becoming increasingly important to young people interested in becoming gainfully employed after high school.

ROTC Championship Rifle Team

The Reserve Officers' Training Corps has a broad and comprehensive program which begins with basic orientation in September and ends with summer camp in June. From a study of eleven basic subjects the cadets learn such things as military courtesy, discipline, rank of insignia orders, commands, first aid, personal hygiene, military organization and weapons.

One of the outstanding segments of the ROTC is its award winning Rifle Team. For the fourth time in the last five years the Rifle Team has won the All-City Rifle Championship Match. With superb team effort, Lincoln defeated all other teams in Round Robin shooting twice during the year. The team's captain, Cadet/Captain Stephen Hodges, was the top shooter in the city. Three members made the All-Star Rifle Team--Stephen Hodges, James Bolden and Frederick Flowers. Other members of the "crack" team are Cecil Stovall, Edward Mitchell and Edmund Hughes.

The team made trips to Joplin, Missouri, Boonville, Missouri, and the University of Wichita, Wichita, Kansas.

Band, Orchestra and Chorus Develop Talents

Musically talented students are able to pursue this interest through membership in the Band, Orchestra, and Chorus.

The Band and Orchestra are often called upon to perform at assemblies and special programs. This year the Orchestra is especially proud of Nevada Harris who is a first violinist in the all-city Orchestra.

Lincoln has always had a very fine Chorus. Each year this group presents a Thanksgiving, Christmas, and Easter assembly.

110 Girls

This group of very active young ladies is composed of ten outstanding junior and senior students from eleven high schools. They are sponsored by the American Association of University Women, a professional organization. The purpose of the group is to inspire the girls to continue their education after high school. Activities include an annual spring tea and award program, trips to various colleges and numerous get-togethers.

Ambitious member, Vernice Murray, studies scholarship opportunities.

NATIONAL HONOR SOCIETY

Members of this society are selected on the basis of outstanding character, scholarship, leadership, and service. Prospective members are voted on by the faculty and become full pledged members in an impressive ceremony.

Future Teachers

The F.T.A., a nationwide organization devoted to promoting an interest in the teaching profession, is composed of juniors and seniors. The members invite teachers in to talk and take trips to area colleges in order to learn more about the profession. Representatives from the club recently attended a conference on teaching held at Westport High School.

F.T.A. member, Patricia Patrick, wins American Legion Oratorical Contest.

Y-Teens and Tri-Hi-Y

Y-Teens and Tri-Hi-Y clubs are offsprings of the young Women's Christian Association and the Young Men's Christian Association. The girls and boys join the clubs seeking friendship, adventure, recreation and inspiration. They seek to make living better for themselves, for their friends, and for their community. Each club has an adult advisor whose responsibility is to help members select goals for positive personal and group living.

Miss Cherot is sponsor of the Y-Teens and Mrs. Briggs is sponsor of Tri-Hi-Y.

FHA

Future Homemakers of America is a national organization of girls studying home economics in junior and senior high school. The girls engage in activities which foster and promote good home and family life. Members of the groups attended the Missouri State Convention of FHA at Warrensburg, Mo., and the National and Southern Region Conventions in Kansas City. They participated in the annual Kansas City Home Show and the Jefferson Home project. The Jefferson Home is a home for the aged. The girls entertained the aged and took them gifts and food.

The colors of the FHA are red and white--red, for strength; white, for sincerity. The flower is a rose representing beauty in every day living. The motto--"Toward New Horizons." Mrs. Dunlap is sponsor of the Lincoln Chapter and Mrs. Briggs is Co-Sponsor. Wilhelmena Dickson is the president.

High School Red Cross

The high school Red Cross gives teen-agers an opportunity to render service to their fellowmen. During the summer months many members serve as Candy Strippers in area hospitals. They also fill Christmas stockings for hospitalized veterans. Last summer Red Cross officers attended Operation V.I.S.T.A., Visitation of International Students to America, which was held at the University of Kansas City. In October several members attended the Red Cross Training Center at Unity Village.

Red Cross president, Michael Weddington, is active in ROTC.

Bad Luck Stalks Tigers

Loyal Lincolniters rooted as usual but the rooting had little or no effect on the Tigers. Just recently out of the cellar, the boys lost three game before winning a 13-7 victory over Paseo. This bit of luck was reversed the following week and thereafter four consecutive games ended in defeat. The season closed with a 7-0 victory over Sumner.

Tigers will play next year without Melvin Stewart, Kenneth Speese, Jay Butts, Gene Clay, Curtis Burton, Jerome Fields, Jewell Hogan and Charles Breckenridge.

In spite of the over all standing of the team, four men finished with honor. Melvin Stewart and Kenneth Speese made the All-City Team--Stewart, 1st Team; Speese, 2nd Team. Butts and Young made Honorable Mention.

Courtmen Falter

Tigers on the court won some tough games but lost too many that were not so tough. Thus they failed to live up to expectations. Coach Rowan believes that the boys could have played better ball. However, they made a definite improvement over last year's record. In spite of outstanding performance by Young, Vanoy, Moore, Garrett, and Butts, courtmen suffered from a lack of poise and "seasoning."

Several good men will bid "adieu" to the "gold and blue" in June. They are Carl Garrett, Kenneth Speece, Ronald Horn, Jewell Hogan.
