HARRY I. HARWELL

YEARBOOK GREETING TO CLASS OF 1968

This year the Kansas City School District is observing the 100th Anniversary of the establishment of the Kansas City School System. Lincoln High School at the same time, is observing the 83rd Anniversary of its opening and the dedication of the new "Towers" on the south side of the present structure - a symbol of progress.

I congratulate the seniors who have had some part in creating a good image of Lincoln High and have had some experience in the new area of the "Castle On The Hill."

Many changes have taken place in education to make quality education possible for all pupils. You have been the recipients of the benefits of the Elementary and Secondary School Acts, which has made it possible to receive equipment and materials of learning which are used to make the obtaining of knowledge easier and raise the cultural level of our school group.

As you browse through the 1968 Lincolnian in the years ahead, many memories of activities here at Lincoln High will be recalled as great moments that will live in your lives forever.

Each area of activities in the 1968 Yearbook will hold special interest for those students who make this year's Annual a historical document. Here in the pages of this book will be found the summaries of many events and activities of this Centennial year in the 83rd year of Lincoln High School.

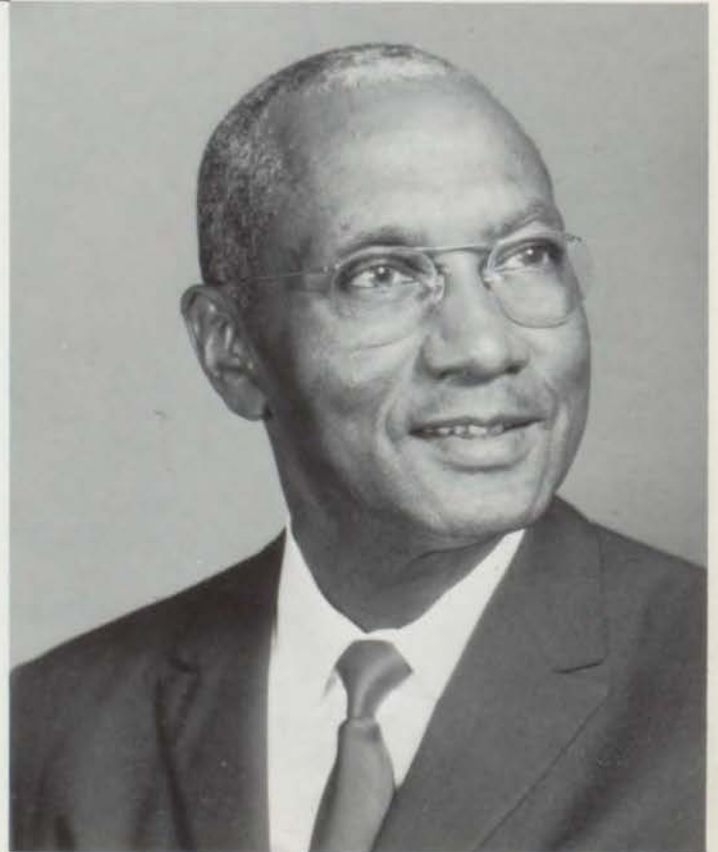

To this end, we dedicate the new "Towers" of "The Castle On The Hill" with the hope that all will look with admiration and respect on this institution of learning which is dedicated to the future progress in the arena of educational activity.

Best of luck in the years that lie ahead.

THROUGH THESE DOORS

Through these doors of "The Castle" so many have come,
Each hearing the beat of a far-distant drum,
Each listening to voices that never grow old,
Each hearing that books hold more wealth than gold.

"What are the answers?" "Just where will this lead?"
"What are the solutions?" "How cope with this need?"
Will life be a series of questions like these?
Will it always be toil with few moments of ease?

The wise ones will nod and say, "Life is no game.
There's no simple pattern for vict'ry or fame;
These words may be trite but despite that they're true -
The key to success is somewhere within you."

Through these doors of "The Castle" they come and they go;
Some fall by the wayside, steps faltering and slow;
Others climb to the summit, from afar comes the cry
"Here's glory for us and for old Lincoln High!"

O, LINCOLN HIGH

-1-

*Oh, that some angels voice was near,
To sing these notes of gladness,
To chase all silence from the air
That fills our hearts with sadness;
For gladsome notes our lips would breathe of
Lincoln, dear old Lincoln,
For gladsome notes our lips would breathe of
Lincoln*

-2-

*In fancy's light we see thy walks,
Her sunshine plays upon you,
Her vapors linger 'round thy walls,
Like ghosts of love so true;
Like treasured dreams of times long past at
Lincoln, dear old Lincoln,
Like treasured dreams of times long past at
Lincoln*

-Chorus-

*O, Lincoln High, O, Lincoln High,
Tho' from thy guiding hand we stray,
Thy memories will cheer the way;
O, Lincoln High, O, Lincoln High
O, Lincoln High, O, Lincoln High.*

"The Castle on the Hill" will long be remembered,
Even after we've passed through these doors - tall and timbered.

The school year 1968 was a great year.
For the seniors - graduation was always near.
But thinking of leaving always brought a tear.
For it was Lincoln they loved very dear.

For the juniors it was always hip-hip hooray!
They knew they would become seniors some day.
Always cheerful, happy, and gay,
They knew their big chance was only one year away.

The sophomores seemed the jolliest of all,
As you saw them walking down the hall.
They always seemed to have a ball,
Especially when they heard the mighty sophomore call.

The freshmen were the silliest of them yet.
They all tried to be the teachers pet.
They ran through the halls like a flying jet.
Not realizing they had a long way yet.
