Zodiac '73

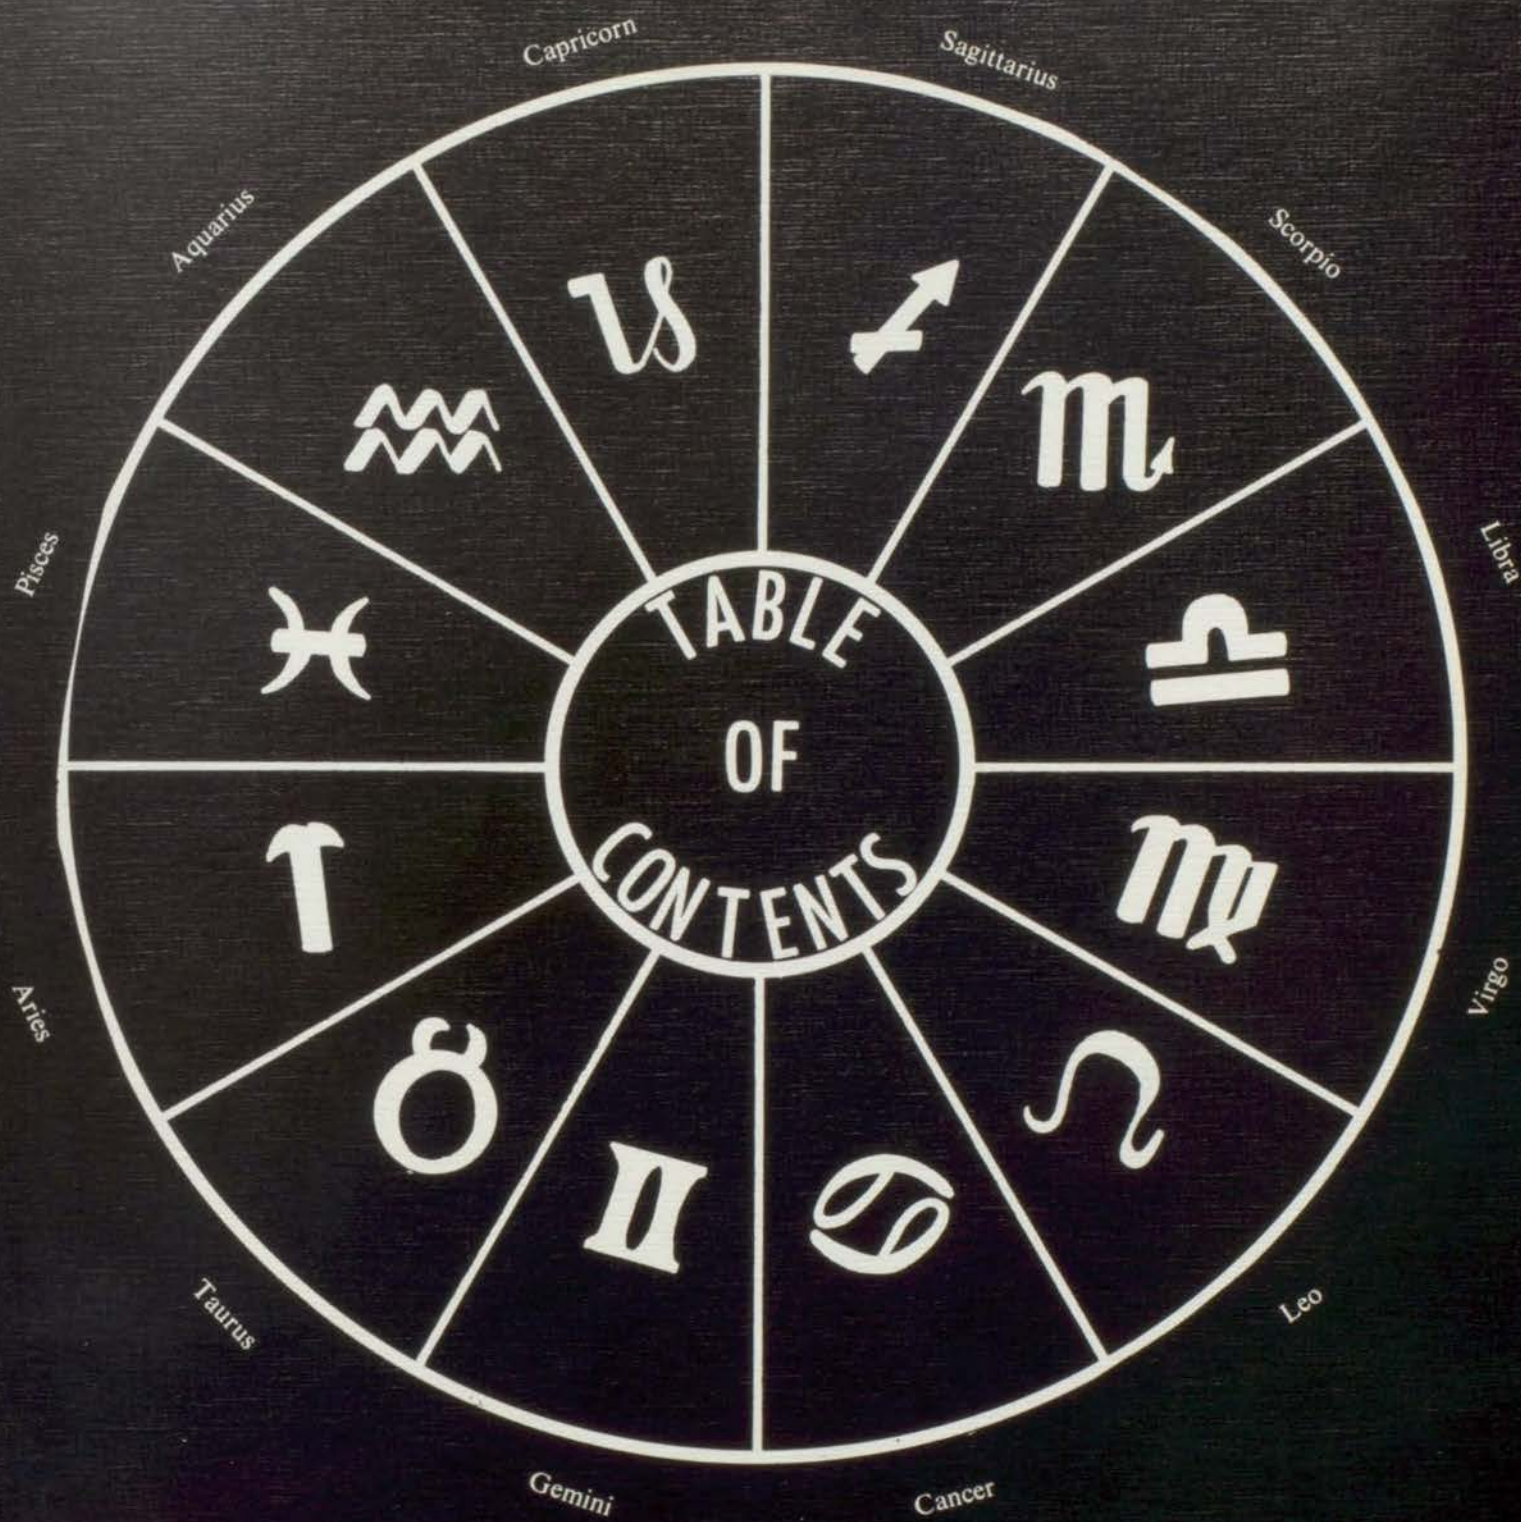

All heavenly bodies orbit a certain path in the universe. Each pattern has been guided by some mystical unknown power stronger than anything known to man. These unanswered questions which race men's imaginations make them strive to broaden their intellectual knowledge.

LINCOLNIAN '73 will describe students striving to broaden their knowledge of themselves and the world during the past school session.

Won't you join us on this pictorial tour through LINCOLNIAN-ZODIAC "73"

Marching Tigers

Drum Majors Wendell Robinson and William Hill; majorette Gail Webster.

The Mighty Tiger Band constitutes but another constellation in the mystical environment of Lincoln Senior High School. Jupiter, acting in its first house gives them the ability to make beautiful music. Saturn and Pluto in its second house gives them their marching solitude. The moon in their third house gives them bounteous opportunities. Venus in their fourth house gives them the "PRIDE" of the rare, graceful and mighty Tiger. Neptune in their fifth house gives leadership and togetherness to the Director Calvin Whitmore, who is the sonar energy of this heavenly body. He rules and controls like Zeus for he SEES all, HEARS all and KNOWS all. Together all these forces working on one heavenly body give the Lincoln High School Band the extraordinary reputation of being the BEST.

Parade Rest!

Lincoln High Concert

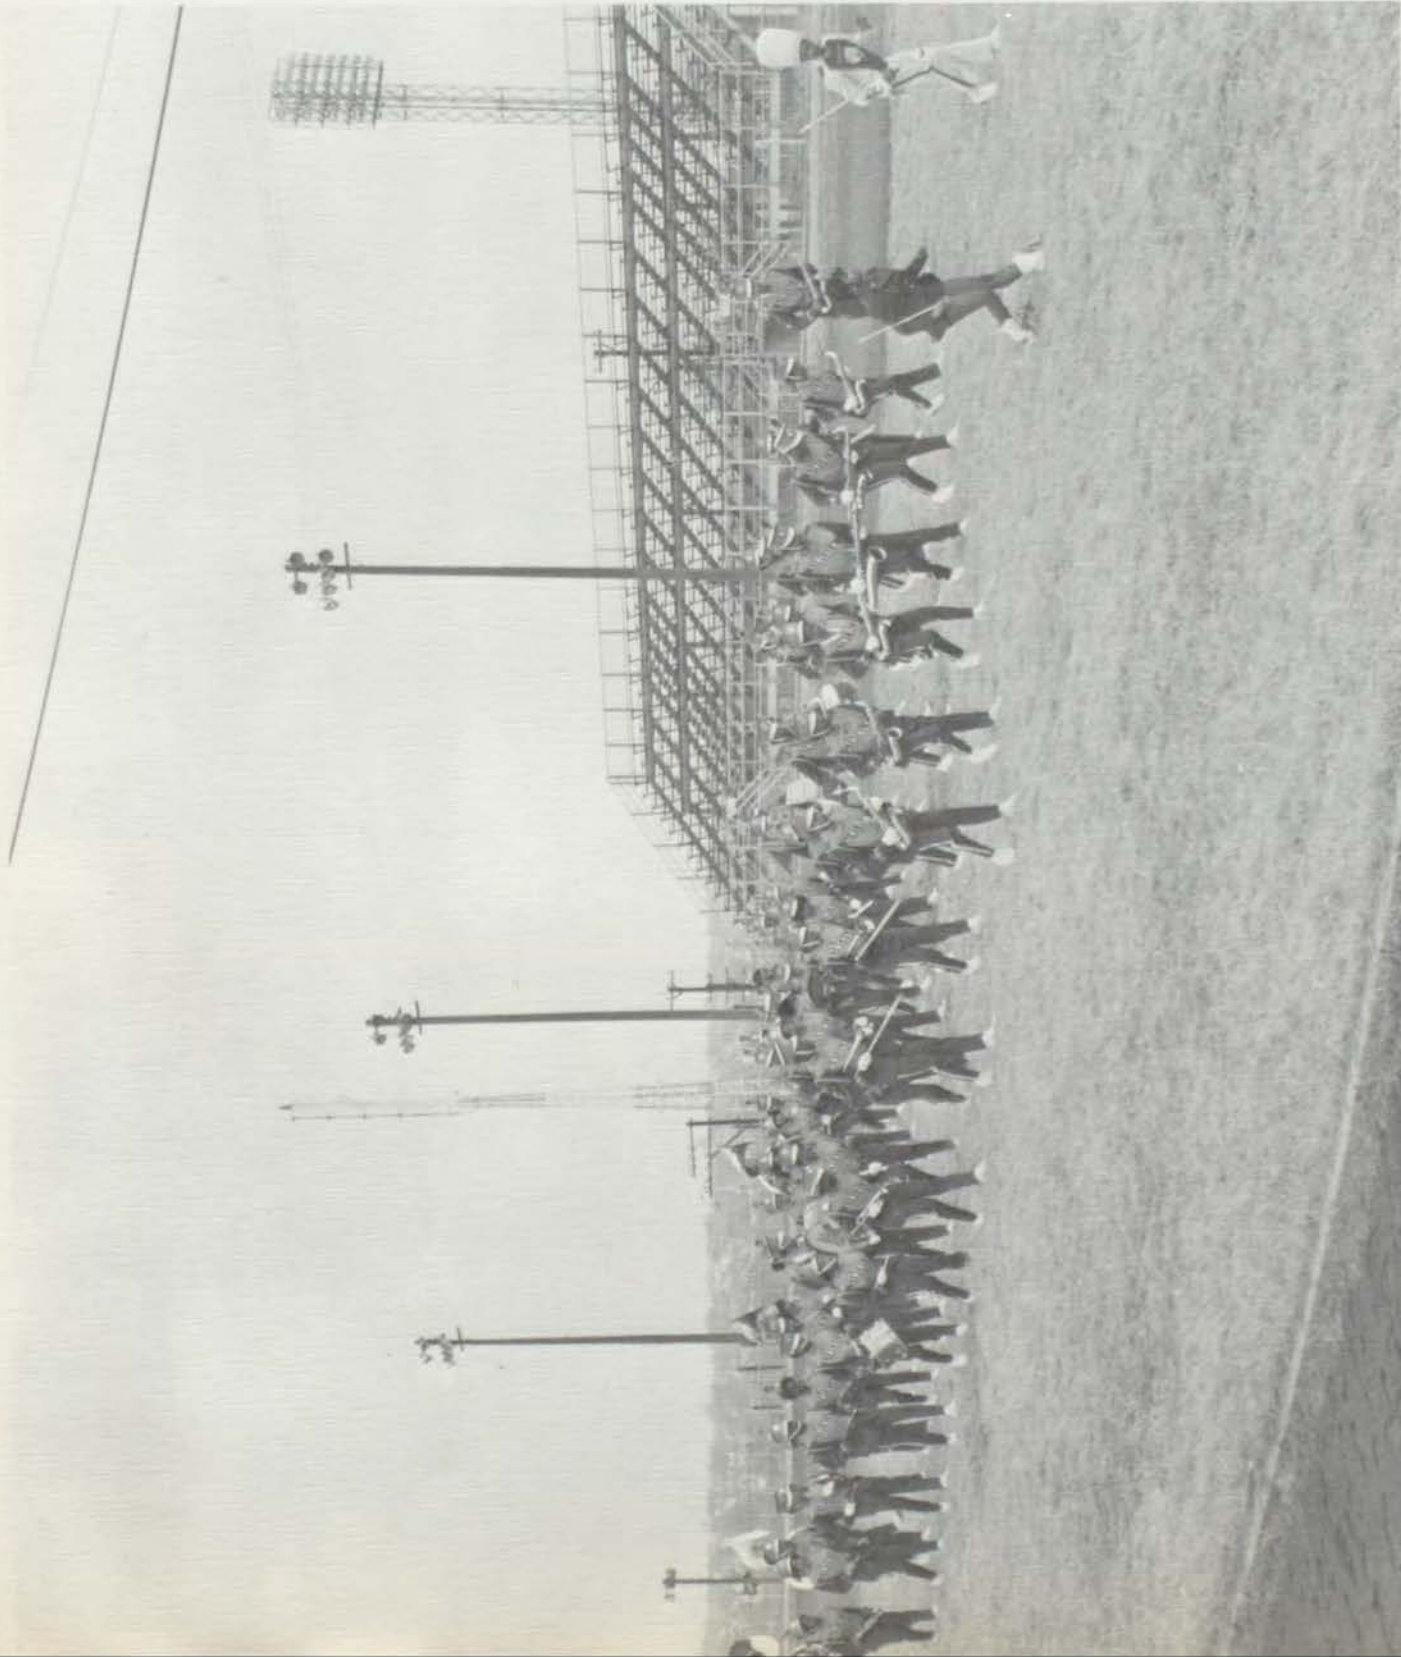

And

Lincoln Senior High School is fortunate in that it has a band that can become a concert or marching band whenever needed and perform successfully. The concert band plays a classical style of music while the Marching band combines high-stepping tunes with intricate steps and marching formation.

National Honor Society

At the end of each school year, the Honor Society presents a program in which new members are inducted. To become a member a student must maintain a 3.2 average for six semesters and be in good standing with his teachers. Throughout the year the National Honor Society works toward their annual spring induction program and luncheon.

N.H.S. members finish a Christmas display for hall bulletin board.

In Memory Of

Larry Henry Porter

One of the fathers saith...that old men go to death, and death comes to young men.

...Francis Bacon

The future holds many mysterious happenings that you will encounter during your life's span. The Zodiac holds the key to the mysteries of your life and its environment. Your desire to search for life's ultimate and inner-most goals is the task you will be faced with from this moment until eternity.

Debra Lynn Smith
