"Now Listen Ladies..."

To Dinisha Freeman And Jennifer Raybourn
 Few people in this world are lucky enough to find one true friend, I have been blessed with two. You have been with me through it all. You were there to force me to have fun, you fed me when by 6th hour I was starving, you made runs to the border, the golden arches or the Chinese restaurant for me, you helped me make up my mind and you listened as I babbled on and on about nothing or as I complained about all the CRAP that went on in this school. I will always remember the times we shared. (Keys locked in cars, all night girls nights, 3rd place duets, surprise Birthday Parties, Bowling-against my will, dumb and even dumber-Brady Bunch -movies with Brian, Larry's, Cappuccino's from Quiktrip, ricecakes and carrots with spreadable cheese, lunches in Dramarama, notebooks, three-way conversations and many, many more.)
 Thanks for making Highschool bearable and even fun at times
 So Long, Until Next Time, Nordia

Kizzy(Lou),
 Can't Believe we have come this far. Just think about the first fights in 8th grade in Mrs. Gardner to Freshman year in Mr. Blair. Then surprisingly we became the best of friends all though we have our differences. I still love you, stinky heffa.
 Love,
 KyraDenean Sanders C/O '95

To the remaining four: Alicia, Sophan, Cherri and Sara. The five of us should've been closer this year, or maybe further apart sometimes.
 First-Alicia, I knew we weren't that close this year. You've changed, and I couldn't handle it. But in honor of Memorias... I WILL save the world.
 Sophan, you are so goofy, so silly, and so full of it. I can't believe some of the stuff you got me to believe this year! I love your ringlets, doing, doing!
 Cherri, I don't know if you should stay away from Sara, or if she should stay away from you. I hope you guys grow old and wierd together. Keep on dreaming... but don't let it stop you from living. Tu es une amie tres bien!
 Finally -Sara. We have been through so much together. From "sooo" to Christian Slater and back. There's not enough room to fit it all in, but I'm sure most of it will cover a whole page in this book when I sign it. Simply... smile- you've given me a reason to so many times.
 Love ya, Renee

Ms. Yolanda Rollins,
 Thank you so much for encouraging me to go on with my life after I lost my father. At times when I just want to give up, it's your voice I hear and I begin to pray and ask the lord to help me. I'm glad you are there for me to talk to no matter what the situation. I love you always,
 Kyra DeNeen Sanders

To the Lorax:

Tamika,
 We had a nice little conversation that one day. Just make sure you make the right decision and I'm just a phone call away
 Love You, Kyra DeNeen

Friends are people that are hard to find. That's why I value and treasure mine. They are there with me through thick and thin. That's why I love you all - my dear friends. To Alicia J. - We've been through the years and survived this far, we must be doing something right. To Temptations and Okettes - I've went out with a bang! It was definitely a senior class of '95 thang! To Chris C., Eman, Pierra P.: You're brothers I never had and I hope that whenever you need me you know I'll be there. To Aishah: We've had attitudes. But the important thing is we understand why. To Dawud: Every year it seems we don't know whether to speak to one another or avoid one another. I hope that you know that whether you need to talk or someone to make you laugh, I'll be there. To Tameka R: Since 7th grade we have been friends. Over the years we reach shaky ground. But I am glad to say that the level we are at now seems pretty stable. I wish you and Tommy the best with all my heart. To Tumika C: My sister, best friend and partner. You were there for me when I've been down, and there when I was acting like a clown. You will never know how much I appreciate your support and how happy I am to say you're my sister. Love ya sis!
 To there I have forgotten, I am sorry but money is tight. I love you all, and will always be there for you just like you were there for me. After all true friends are hard to find! I want ya'll to know you will always been my heart and mind! Cynamon Graves.

Brech, we started out as merely acquaintances, but now our relationship has grown to such a height in such a limited amount of time that I feel our relationship will never die and I look forward to the relationship to come.
 Friends Forever Jewels

Tameka Robinson - To best friend in the whole world. Thanks for the crazy times and unforgettable memories. Although we may go our separate ways, you will always be my dog and I love you with all my heart. P.S. I don't regret hooking you and Tommy up but, why me ???
 Love ya Always,
 Christal

To my adopted Family:
 "The Looney Toon Gang"
 This goes out to - Granny, Beena, Tweetie(Little yashee), Tasmania, Woody, Raodrunner, K.D, Mickey, J.T., Shonne, IT'S BEEN GREAT!!! LOVE YA ALL! PEACE OUT. Now, for real I want you guys to know that y'all are like a family away from home, the sisters I never had (in all different shapes, sizes and colors) I will never forget all the things we have done together, all the picnics, the Bar-B-Ques, the wafer lights, slumber party, Halloween party, trying to get into parties, Applebee's, Annies Santa Fe, Christmas party, and the plain old school days. You are all unique in your own ways, and you all have great heads on your shoulders. I can't say thank you enough for every for everything that you've done for me. Y'all know we have been through it all. I will miss you all greatly, always remember I'll be here for y'all whenever you need me. Love Y'all. One more thing, May God continue to Bless each and every one of you, in everything you do. Keep God at the head of your life and you will succeed at whatever you set your mind to do.
 Bugs Bunny

Ruth thanks for being there for me.
 Dianna remember me when you are at college.
 Ryan, please never change.
 Mary, we have both shared pain and we both made it out alive.
 Mike, keep in touch.
 Greg, I will never forget you, cuile.
 Love, Kat

Susy Q: You know who you are and never let anyone tell you different. You who have made me laugh or been there with a shoulder to cry on. Luckily because of you I've had more laughs than tears. You've made my years special and I can't forget you. Though our paths split we will never be far from each other. After everything we've been through how could we?
 -Baby D.D.

Miss Mary, my dork, dusty, kat, MJA: I love you all for your own special quirks. I hate to leave you behind but I'm outta here. Hopefully I'm a better person for having known all of you. I can't forget you and this isn't goodbye. I just can't seem to get rid of you. Along the path of life pick some flowers!
 -Dopey

Cynamon- You are one of the few people I can call a friend, you understand me better than just about anyone. Thank for your caring and Advice.
 Jan- I don't know what to tell you kid. Nothin seems to matter to you anyway. All I can say is to let people understand you more. No matter what, I'll always consider you a friend, regardless of all the selfish \$#!@ that you do.
 P.S. Stay Sober.

Richardra- For the short time we were together, it was a good one. I don't regret ever being with you, and I do still consider you a close friend. No matter where you are or what you do, I'll always be here if you ever need me. You taught me alot about myself and everyone else that I know. Thanx for lookin' out for me.
 Mrs. Johnson- There is no one who has influenced me this year as much as you. You were there to point me in the right direction when I needed it, and you helped me out whenever I asked for it. You are the best mentor I could have ever had.
 -Eman

Uyless - Few have tried to break us apart, but little do they know they only bring us closer together. I'll always regret we waited so long, but I guess things happen for a reason. Regardless of what you or others might think, I do love you. Even though I'll be away my feelings for you won't change. And you definitely have earned a place in my heart w/joy-joy feelings. Mika, Where can I start? We finally made it! And out of everyone, you were a TRUE friend who has been with me thru thick-n-thin. And of course you were my favorite person to argue with and get advice from wether it helped or not. Even though we're going our separate ways, you'll always be my 'sistuh'. Keshia, Bet you don't know who dis is? Always quick with a joke. Too bad we waited till '95 to become so close. Thanks for the laughs when I was down and you make sure you watch out for mine

"Really, you guys."

Zakiyyah - You will never know how much of an inspiration you are to meD'Nisha - I love our crazy moments together, especially involving Larry's! Let's learn from the mistakes of the past. Nordia - You are THE sweetest person I know. I hope you will never forget me -- Because I will NEVER forget you. Christine K. - I can tell alot about you. You are a bom leader. Tameka R. - Send me a wedding announcement -- au francsais, of course. Mary W. - Sie hair, sie hair est magnifique! Jennifer R. - Brrr... I'm cold. Anyone that would let me paw on their neck and nose must be a good friend. All of you (and many others that I didn't list) have made a strong impact on my life. I hope that if you remember me, you'll see me as the person I truly am on the inside. And to the Class of 1996, your senior year of high school only comes around once-make the most of it.

Jason Polts.

To all my Friends:

Richard, who's my third halve and companion for life.

Jennifer, my eyes for a new reality. Dominic, for straight chirpin' all my life.

Chris L., for being lazy enough that I don't feel so bad.

Christopher, for being a friend and a punching bag when I needed one. Elaine, for coincidentally needing a hug when I needed one.

Susy, for bearing all the tickling I can do.

Michelle, for being and making me me.

And to the class of 1995, don't forget me cuz you'll see me again.

-Jason

To the O.B.'s "Original Borderstars"

Sonya, Fred, Devin, Jan, Jessena, Alicia, Nikki, Tamika C., Tamika W., Jessica, D'Nisha, Angie and Rolanda. We have been together since 4th grade. Now we're Seniors. I have one thing to say to you all. STOP FOLLOWING ME!

Ms. Richandra Myles "BraveStarr" To my Bestest Friends:

Danielle, Kizzy, Rana, Sonya, and Tomika C. It took us seven years to get our friendships where they are now. Promise me that you'll let nothing come between our friendships. Tomika, stay strong and keep on keepin' on. Rana, you become that doctor. Kizzy, be the best nurse you can be. Danielle be sure to say "hi!" to me on T.V. when you get your first broadcasting job. Sonya, sing your way to the top! No matter where life takes you, never forget me or our friendship! Love, Richandra Myles

This Dedication is to Angel, Angie and Krystal. First of all how did you win homecoming. Haha. The other two I have nothing to say to, but you need to get a life. Straight from the whole entire DGF crew.

Mom and Dad, Thanks for doing such a great job these past 18 years. thanks for the attitude adjustments and the looks, but mot of all thanks for the hugs and kisses and love and understanding.

Mom: I apologize for all those times I have been disrespectful (just immaturity) Just remember that I'll always have a running tab!

Dad: Thanks for the father-daughter lunches & talks, those times we worked on the car together, thanks for making me change all four tires. Above all thanks for the zurbets every night! I LOVE YOU GUYS

Your daughter, Casey

My girl Dana Lashelle,

Thanks for helping me through these last few years- all that stupid stuff. I know that you'll just be a phone call away so this certainly not good-bye. Stay tuned into the next stupid thing. I'll see ya this summer. Oh, and in 10yrs. you'll see me and little madison? at your office. thanks so much for being there for me. Loveya!! Casey Dawn

Mika we have been through so much together and have had so much fun together. from 7th gr. th 12th. We often went from tears to laughs. I just want you to know that your friendship will never be forgotten. Love Ya. Yolanda

I, ABRAM JOHNSON DO HEREBY DEDICATE THIS YEARBOOK TO ALL THOSE WHO DO NOT EVER GET, THE YEARBOOK DEDICATED TO THEM, SO IF YOU DO NOT SEE YOUR NAME IN HERE THEN WRITE YOUR NAME IN THE BLANK BELOW. (), THANK 4 TIMES. LOVE YA BUD, ABRAM

Zo and Scottie,

Well, it's the end of the line Stairwell Twins. Hopefully, when you two get to college you'll find better places to "express" yourselves. That's alright; from floor to floor and wandering the halls from year to year you two have become good friends. In the future try to be more respectable.

Dale Armstrong

Rolo: We've survived Jumpy, Blinky, Boring, and the New One. There's no reason why college should be any different. C-Ya!

Shonne: You're finally gettin' your wish, for once we'll be separated since our days at Korte. It's about time! I won't have to deal with your "mouth" on a full time basis. -Thank God for small favors. Love Ya!

Danielle: You're finally settled down; please stay that way! Your relationships are harder on me than they are on you.

Filippy: We've been together too long to let college get in the way! Besides one always needs a brutally honest confident around. Just keep your flock of male associates in tow while I'm away.

Cynamon/Tumika: Our little excursions to the mall, Central, and Jeff City have been fun. You two are the best- don't ever change.

G. Hill

To my sisters at LCPA, Alicia and Cheri you guys have put up with me and I love you for that. Thanks for always being there for me through thick and thin, especially through the C. times We've got to stop liking the same guys. Friends 4Ever Joe, Candice C/o 9B

Ms. Rollins- Thanks for puttin' up with all our little mishaps and accidents. Couldn't have done it without you!

Luv Ya, Ree

I dedicate this to the love of my life. You know who you are so I won't say Nikkie Findley. I look forward to spending more time with you and creating more memories than we already have. I love You, Zeb

To "Gonzo" Jones and "Dale" Jackson, It's been too fun! Gonzo - Watch who you give mouth2mouth resuscitation to on the stairway (first steps a Doozey!). Dale- remember "saint Cloud 9", Mary J's interlude, and don't molest B.J.! Remember my song by Shai-- and my favorite part of it...

To Dawud and Chris, "Mr. Faithful", you know what they say about dead-men-- AND I DON'T GET NERVOUS!! "Mr. Speed-demon", you know you liked my tap dancing and you still need an exorcism! but ya'll always be my boyz!

To Yolanda, You've been one of my closest friends! Don't forget the party w/C.W and Vineto. And going bowling with you know who! Never loose touch!!!

Luv Always, "Scottie" Howard

Chrikkie, Nikkie, Billie, Mookie and the "Ike Dancers" Now, we are going our separate ways and I want to know that I am always here for you. Love Landa

To Fred, Devin, Sonya, Jan, and Jessena,

Nedra- You will never be forgotten, how could you, I still have the scar from the spiral to remind me. Thanks for being there. Love Ya, Ree

Christal, Somehow "best friend" doesn't seem fitting for you. You are more like a sister - always there for me (and armed with plenty of advice-smile). I knew you and I would be great friends when we met in 7th grade and you were wearing mizzou tennis shoes.

Jessica, you offered me friendship when I least expected it, but needed it most. Even though our friendship bloomed late in our time at LCPA, it is certian to last a lifetime.

Cynamon, Even though the course of our lives have taken different paths, the memories that we share are invaluable to me- Blessed is the friendship that has survived the changes that ours has.

D'Nisha Remember to always play it safe and watch out for those whips (and people at Larry's) - you could get burned! Chris C you think your bad, but I know you're a sweetheart.

Kristine - I don't know where I would be with out you. You have been there for me through everything. Even when I thought I was crazy; and when people thought that the differences among us would keep us from being the best of friends. Thanks for seeing the beauty that comes from within. No goodbyes are needed; 'cause we have the type of friendship that will last... Even through the Alzheimers and canes. Kisha - Well tweety we have been through alot of scares and a few close calls, but this year has been the best. Thank for all of the Good times. Anytime you are ready to have another BBQ I'll be more than happy to help; even if we are the only ones who show up. Kyra- You have what it takes to be a true friend to the heart. Thank for always makin' the best out of hard times. You're the type of person that deserves the "best" in life. Lashonne- camp was the best -- I guess it gave us a chance to become "true friends"; and no matter how wet we were when we got off the bumper boats we still kicked butt. Tamika - There was not alot said but none needed either. Thanks for being a real friend. Quetta - Thanks for bein' so honest. We have stepped on the other side of things, "hair that stinks when it's wet" or one that "needs a max strength perm" (no explanation needed). But we always seemed to settle disputes by a hug or just draggin' you down the stairs. Shanna - sweetie your a comfort from above. Thanks for always bein' there with a smile. And as long as we are friends we'll always have the other to kick it wit'. Thanks Stinker!!! Jamica - A CRAAAZZZY and wild cat. Thanx fr showin' me the lighter side of Life. Don't ever lose that touch "Twinkle Toes" Jessica-Applebee's was the best "How old are you again?" ha ha. Thanks for bein' real.

Ms. Danille C. Jerrells, it's been 6 years. We've been best friends for 3 years. It seems like a decade. We are truly like sisters inside and out. Don't know what I'd do without you. We have had some times. Good and bad. You and your relationships. From Micheal(Jordan) to Langton Hughes and now the Starter. I guess the starter won the coin toss. Me and Miguel preferred Langston. But if you're happy I'm happy.
Love Ya Little Sister, Richandra Myles

Kindergarten Babies, The freshest two homeboys around. Lee, your my best homeboy and the past couple years we have only gotten tighter. We will always be the greatest bad kids in spanish. Texas A&M is coming for us, and colling to us for greatness. Let the kindergarten babies love forever. Chico

You have always made me feel on top of the world no matter what. Thanks for sticking by me and being patient with me the many times I've been indecisive & selfish. I only hope that I can be as good to you as you have always been to me. I sincerely wish you well in your future endeavors and hope that we keep in touch for years to come. Love Always, Casey

Years to remember, The times we've shared have been the best and the worst. We've cried together and laughed together & held one another above the water (or at least tossed in a float to keep us from sinking.) It takes special people to share the type of friendship that we do. So no matter the time or distance, I know I'll never be able to replace a friend as great as you. Love you, Best Friend Biscuit

To Zakiyyah, Jaillah and Ebony Time is not measured in minutes but in moments and even the shortest moment can make a lifetime memories. Trying to stay away from sentiments I just wanted to let you know that you three are my close friends. Throughout the past two years our friendship has consisted of laughter and smiles, hurt feelings and anger, but through it all we remain friends. So no matter what path our lives may take us, our friendship will always be thought of as "Time well spent" Always Malleka
