Blue Tiger Football by Rshan Clark

This year's football season came to a victorious end against unranked Southwest High School in division 15 district finals. On the road to the districts, the Blue Tigers amazingly knocked off all interscholastic league teams. These teams include Central, VanHorn, Metro, Southeast, and North-east. Non-IL victories included Lee's Summit.

When asked what the key was to the Tiger's success, junior starting defensive end Ricky McDaniel said that the key was determination and hard work.

Overall, fall sports were a big success. In preparing for basketball season, defensive end/power forward Gavin Ross says that he hope that the winning trend carries over into the basketball season.

Lady Tiger Tennis
by Clarissa McDaniel

The Lincoln College Prep. tennis team had a predominance of freshmen to make up the 1995 squad. The team was able to improve their performance greatly from last year. They ended up with an overall record of 3-7 which does not show the hard work and dedication put forth by all of the girls.

The season began with a rocky start, and it seemed that there was hope. Coach Munoz solved the problems by taking everyone back to

the basics. Practices consisted of extensive workouts, grueling runs, and going over strokes numerous times.

The team was led by their key player of the year, Rebekah Smith. Rebekah competed in districts along with Sophan Khin, Jordan Conrad, and Sara Landes. Rebekah was the only Lady Tiger to advance to the second level of competition. Although she was defeated, it was a great accomplishment. "All I wanted them to do was go out and do their best," stated a proud Coach Munoz. The season ended on a high note, and the girls are looking forward to next year with hopes to reach the top.

VOLLEYBALL
by Mary Forseh

Although a lot of people do not come to support the Lady Tiger Volleyball teams, the players still work hard and do their best on the court and in practice. According to Coach Martha Brewer, the team has a lot of talent and potential. The Tigers, when focusing on the game, perform extremely well.

When asked about the most valuable players, Coach Brewer said it was a tough choice, but statistically speaking she would have to choose junior Kim Ryle as her best server and junior Rhan Cavil as the teams' best utility player.

When Rhan and Kim were asked how they felt about being the M.V.P.'s, Rhan, who has been playing since the second grade, replied, "I do not think I'm the most valuable player, I think the whole team is valuable, because without them, we won't win. I don't play by myself." Kim Ryle, who only started playing in ninth grade, remarked that, "I'm shy about it, I don't like being put in a spotlight."

The Lady Tigers' season went well. "We are had a good start ... we played better when we set the pace of the games, rather than allowing the other teams to set the pace for us," commented Rhan.

According to Kim, "I think we did pretty well. We pulled together when we had to, and make sure that we had our act together during the game."

As with any other team, the Tigers depend on each other for support and encouragement. This is needed not only during the games, but during the season as a whole. Kim feels that, "... we put everything aside and came together as one to win." As far as her feelings towards the other players, Rhan said, "I get along with everybody during school, but when it comes to game time, I play so seriously that it seems as if I do not get along with them."

The two were divided when asked which season, this or last, was the better. "Last year was the best one of all because we won third place in the J.V. Tournament," said Kim. While Rhan felt that, "... this was the best season all around."

CROSS COUNTRY: EXPOSED
by Jordan Conrad

Do you know the different between cross country and track? Not many do, cross country is not a well publicized sport. The difference between the two similar sports is that cross country consists of a longer run, 3.1 miles to be exact.

Mr. Gene Blair is the novice coach for the cross country team. The team consists of 10-12 runners, who are, in the eyes of Blair, "learning and energetic."

The team ran many successful meets this year, and to their advantage the girls finished with third in the league.

Wrestling

After a tentative start, Valley Renshaw and Stephen Moss comprised our Lincoln Prep Wrestling team for 1996. There was some question as to whether we would have a team this year, because we had trouble finding a coach. The school finally hired Coach Mackey to come in and coach the two young men who wanted to wrestle.

Valley Renshaw, the returning member of the team stated, "It was a disappointing season". The lack of participation in the sport and a novice coach were contributing factors.

Stephen Moss, a first year wrestler, had a difficult finish. Valley Renshaw finished 7-3.

CHEERLEADING by Tashonna Williams

The Lincoln Prep cheerleaders psyched up for the '95-'96 school year by attending summer camp at CMSU.

Our cheerleaders have started off well by showing their spirit for the undefeated Blue Tigers. They will also cheer for selected volleyball games.

Returning varsity cheerleaders include: seniors Tiffany Dial and Rochelle Owens, junior Nichelle Reed. Moving up from JV are: Senior Nicole Harris, juniors Tashonna Williams and Tina Hinds, and sophomores Tynisha Andrews, Janille Brooks, Tateasha Davis, Nicole Griffith, Janel Howard and Patricia Smith.

The sponsors for this year are Ms. Coogan and Ms. Skillman. Many of the members of the cheerleading squad were asked why they became cheerleaders. It was stated very clearly there was no better way to show their school spirit than to be a cheerleader. The question was asked whether cheerleading was a sport or not. According to varsity cheerleader Tiffany Dial, "Cheerleading is definitely a sport. We have to eat right and stay in shape in order to perform well."

Cheerleaders must also practice sufficiently in order to avoid injuries.

Cheerleaders serve an important purpose.

BASKETBALL

Even though they did not live up to their own expectation, The Lincoln Prep. Boys Basketball Program is definitely on the upswing. Under first year head coach Greg Stevens, the varsity finished 6-14, and 3-5 in Interscholastic League play. The Blue Tigers, leading at halftime in 9 games, had trouble finishing off opponents. There was no lack of effort though, as the Tigers were competitive in all their games. At times, the varsity team looked as though it could do no wrong, especially in a 102-48 blowout of Kemper and a 72-48 victory over Northeast. The season ended on a down note, though, with a 60-52 loss to O'Hara at districts.

This year saw the close of seven seniors' Lincoln basketball careers, including two year co-captains Shaun Ross and Tim Campbell. Although the varsity squad will lose its most productive players, in Campbell and Ross, and also in Tyler Hicks, Chris Odam, Lee Allen, Seb Morgan and Uyless Dewberry, the Tigers will return at least five players with varsity experience in '96-97.

The freshman and junior varsity teams both had extremely good seasons, blowing through opponents with ease, and leaving Lincoln with promising thoughts for years to come. Congratulations to all Lincoln Boys Basketball players on a great 1995-96 season.

Tigers Kick It!

Heather Arney-Most valuable runner
Cross Country

At Lincoln Prep, there is one sport which seems almost completely neglected. Despite the lack of credit given to its' team members, success has again found its way to their ranks. This sport is cross country.

One successful runner this year is Heather Arney. Heather, one of two seniors on the team, has fought through adversity, overcoming a serious knee injury in order to participate again this season.

When asked what her goals were this year, she modestly stated, "... complete rehab on my knee and to regain my athleticism." With the addition of a new coach, the team "... shows potential to be successful this year."

Heather's expectations for this season were not great, because she was recovering from her knee operation. And yet, her success as a senior compares favorably with her junior year.

The cross-country team lacks participation and Heather thinks, "... we need more runners. The sport is a good way to get in shape and have fun while you're doing it."

Jordan Conrad
Girls Tennis-Most Valuable Player

The 1995 Lincoln Prep girls tennis team has grown this year in both participation and in competition. Two of the upcoming stars and leaders of this squad are juniors Rebekah Smith and Jordan Conrad.

Thanks to the addition of a girls team to Lincoln Prep last year, Rebekah Smith has been able to experience being part of a team. Her feelings on her individual play were very modest. Seeded # 1, Rebekah proved to be a wise choice for the position. Although her ability took her to a higher level than some, her main goal was still just to have fun. Rebekah was pleased with her play in districts, advancing to the 2nd round. Overall, Rebekah's 10-3 record was very impressive, but you won't catch her saying that. Rebekah hopes to advance farther at districts next year, and improve her overall game.

Junior Jordan Conrad is also a 2 year member of the tennis team. She joined the team because, "... I had played before and liked it, so when I heard Lincoln was getting a team I decided to join."

Jordan also plays soccer and basketball. She brings excitement, determination, and leadership to the young program.

Both girls love the sport of tennis, and have helped a program to develop into a long lasting sport at Lincoln Prep.

FALL HOMECOMING SHOW THAT TIGER SPIRIT

by Jordan Conrad and Sally Wright

The Lincoln Tigers have definitely given us something to be spirited about. The majority of the school decked out in their funky apparel to pep up the Tigers.

Monday was Pajama day. Some people wore flannel pajamas, some wore sweats, others wore nightgowns from Victoria's Secrets. "I didn't have anything to wear. It's all about that Lincoln pride. Oh Yeah!" commented junior Jewel Thomas.

Tuesday was "Alternative" day. Participants wore totally different clothing that they would ever imagine wearing. Freshman Samantha Vignaturo and sophomore Tom Lynch went all out to be quite the opposite of their norms.

Wednesday was cross-dressing day, this was a favorite for many. It was quite interesting to see studly young men as dashing young women, and lovely young women as masculine men. There were wigs, dresses, mustaches, purses, and even heels. "People from the football team," influenced Craig Byers to sport the feminine look.

Thursday was Spirit Day. Many students wore their blue and gold to get the Tigers hyped for their big night.

The Tigers went on to have a 26-16 victory over the Northeast Vikings. Congratulations, Tigers. Grrrrr!!

Tigers Bring Home Homecoming Victory
 by Clarissa McDaniel

It's the game of the year that everyone has been waiting for, Football Homecoming 1995.

The game started with a kick off to the Northeast Vikings. On their opening drive, the Viking's quarterback was intercepted by senior Ulyess Dewberry, which proved to be a costly mistake. The turnover led to a 40 yd. touchdown pass from senior quarterback Shaun Ross to Ulyess Dewberry. Ross led the Tigers by escaping what appeared to be the entire Northeast defense. This score put the Tigers up 6-0, early in the 1st quarter.

The momentum swung back in Northeast's favor, as they managed to run through the Tiger defense for a touchdown and 2 point conversion, leaving the score 8-6 in Northeast's favor late in the 1st quarter.

In the 2nd quarter, Shaun Ross fumbled as he was hit fighting for a first down. Northeast was unable to capitalize on the turnover, and they would pay for it.

Lincoln took over with a no huddle offense, and Shaun Ross hit senior Lee Allen with a touchdown pass with 1:42 left until halftime. Lincoln regained the lead, 14-8. Going into halftime with the lead, junior Gavin Ross commented, "Beware of the second half, bet on the true blue Tigers."

The Tigers opened the 2nd half with a touchdown run by senior tailback Maurice Wah, pushing Lincoln's lead to 20-8. In the last minutes of the 3rd quarter, it looked as though the Tigers would record a blowout, as Gavin Ross blocked a punt in the end zone and the Tigers recovered for a touch down and a 26-8 lead.

The Viking fought right back though. With 1:02 remaining in the 3rd quarter, the Viking scored on a 85 yard kick off return, cutting the Tiger lead to 26-16.

The Tigers needed a strong, time consuming fourth quarter finish. They did just that. The Tigers controlled the Vikings on offense and defense in the 4th quarter, winning the game 26-16, to the delight of the packed Lincoln cheering section.

The Tigers are predicting wins for the remainder of their league games, and they are preparing to go undefeated in districts.

Homecoming Game

by Kisie Davidson and Rhan Cavil

The Lincoln Tigers played our Homecoming game against the Central Eagles on Friday, February 16, 1996 at the Southeast Fieldhouse. The Tigers got off to a good start in the first quarter, the score was 6-0, with the Tigers leading. But the Tigers got into foul trouble and that gave Central a chance to catch up, take the lead, and hold on to it. From there, it went downhill for the Tigers, as the Eagles kept the lead for the remainder of the game, and won, 71-58. The highlight of the game for both schools were the dunks by the super fresh junior Gavin Ross. "Good going Gavin!"

Homecoming Dance

by Kisie Davidson

Lincoln Prep had its second Homecoming dance Saturday, February 17th. Even though the game was a flop, the party came out on top.

At the last dance, there were plenty of complaints about the D.J., so Lincoln granted the request of many students and hired James Willis to be the D.J. There was a big crowd, but it seemed to be a little young. So the Freshmen and Sophomores had a pretty good time. Junior Rhan Cavil stated, "... I had fun chillin' with my friends." Clarissa McDaniel commented, "... ooh, juniors are the bomb!" And Gavin Ross said, "I thought the party was hype because the music was good." Senior Keisha Sanders had this to say: "Well, it was better than the first one." And fellow senior Aretha McKay remarked, "... it was cool, except when some of those juniors wanted to trip [argue]."

Osceola,
All the trips to Applebees last year and all the many boys we've gone through in the past years have affected us, yet we've always remained strong black women. Even though senior year, we kind of grew apart you're always one of by best friends. You were there in the begining (Marlow) and hopefully you'll be there for me in the end.
Much luv,
Dre'

Uyless,
Thanks for changing my tire for me. I know now that you are a good person. I hope that you find the right woman.
Anndrea

I've finally reached the end. I couldn't have done it without the help of my teachers, my mother, and my friends. You all deserve much thank. I'll miss all of you. To all, thanks for all of the memories, both good and bad. Look for me on television. In a few years I plan to be Miss America or Miss USA!
Tiffany Dial

To LeTanya, Rochelle, Nicole H., Raina, Theresa, and Sarah
It truly has been an experience knowing all of you and I hope that one day we will meet again.
Dre'

Michael Lamont Herron - You are the most brutally honest person I know. Even though you keep saying "No. Dude Uyless is." That is what I love about ya..You're not a BS artist! Thanx for the truth..even if it's your own version. Forveles' sister
Jaime

Just remeber that after the class of 1996 walks, that the K-Town Playas Crew represents more than you...foe life! To my partnaz LeAnn, Marques, Whitt - dogg, Alex, Leban, Anndrea, Polk, Kenyan, 2DG, Delhalle - Ritzka, Mahl, and Rollins.
Love ya,
Holly (O.O.G. Malik)

To Osceola: I still remember all those times when I would ask you to tell me a secret and you'd say "No..no, I'm not going to tell you so stop wasting your breath." I refuse to get sappy. I'll just call you later. Adios.
Jaime Mitchell

Much love to Big Bird, Dr. Kohl, and Ms. Clizer. We owe our sanity to you. Many thanks to Major (dude). The memories of Ft.Leonardwood 94 & 95 will stay with us forever. We are out of here!
With love & respect,
G.I.Jennifers
(Gregory and Moulder)
Seniors 1996

LeTanya,
What can I say. We see things totally different sometimes but you have been there for me unfailingly. Through the years, trips, drinks, tears, and boys...you've been there.
Jaime

To Erica H. For being there through the good & bad times. We have done some major kickin' it. Having fun at the Bakery. You are a true friend & let's make June 3, 1996 the beginning of the rest of life.
-Osceola

Elan - It's been nice knowin' ya even though I always seemed to fall a step behind you.
Areia - Thank your "U.D." urges (by this I mean everyone).
Tiffany - You'll probably get to Clark and forget all about Brandon; Morehouse is only a yard away!
LeTanya - Live for yourself and not the expectations of others.
I know that y'all will never forget me because of the bad memories I have left with you all!
Love,
Tisha

Lee Allen and James Trigg - We've shared alot of stories(some that will remain untold) and had a lot of experiences with our "loved ones." Lee-Do what you got to do for yourself. Worry about settling down when you are ready. James-Don't rush things but if you're sure "it" is what you want to do, go for it! My love and part of my heart (the rest goes to Ricky) will be with you always.
Love, Tisha

To Rhan
I love you. Alot!
From Your Baby

Michael Poke - I would like to dedicate my heart, my love, and all my good spirits to you as you take the next big step in your life; college. I wish I could physically take the step with you, but since I can't I'll leave all my love to you to take on the way.
Eres mi amor,
Rhanleigh Cavil

This dedication goes to me and those who made it in the struggle. I'm proud of you and I wish you the best of success in the future.
LeTanya

Tim C., Andy B., and Chris O. : All I can say is I love you guys. You made me laugh even when I didn't want to. I'm gonna miss you.
Osceola

To Jaime M.: For making me laugh at you not with you. Anyways we've been good friends since 6th grade and I plan to stay friends w/you until forever. Peace to you.
To Seb: Honesty is the best policy.
To Mrs. Zaner: Thank you for putting up with me when I could barely put up with myself. There is no Calculus teacher that is as ZANEY as you.
Osceola

Darryl, I've gone from obsessing over you, to considering you a brother, to hating you, and now I'm back to loving you.. AS A Brother. You have always made me laugh. Thanx for 7 yrs. Mr. Da Bomb.
Jaime

Kareem, I remember when I first noticed you... You Were Staring...and you still are. Even though you put in a **Kareem plug** for yourself everytime we talk...I can overlook that. You have a beautiful spirit and NEVER become a Puffer. We'll talk when you stop rolling with Martin Atwell. -Jaime

To Rhan, Clarissa, Kisie, Tasha B., CoCo, and Tina-I'll miss punking you juniors the way I do everyday. Also, Rhan I'm gonna miss the fights in the hall and beating you up.
Sarah

To my kickin' it partner Nashira (NaStinka)-I can't believe this is our last year together. We've had a lot of fun these past few years. I now you will succeed in whatever you do in life. Always keep in touch and never get too busy to kick it.
Love,
Ronica(Stinka Lady)

J. Litthong,
Even though you were scared of me last year it's been fun meeting on the 3rd floor & going to lunch. I hope that you do major kickin' it this summer. See you in the future.
Love always,
Osceola

To my brother Tyler-You always kept me laughing through good times and bad. You always made me feel like I was your real sister. You will always have a place in my heart. Keep being sweet.
Love,
Your Sister Ronica

To all my girls of the 2 Tight Crew, You know we've had problems with jealousy of girls in other classes but we're still the tightest of them all. Keep your heads up and keep them n***** in line. Next year is our year and we're coming straight tight. C-ya.
Roadrunner c/o 97

2 Ronica-1 of my closest friends and my dog for life that I have grown to love. We have been through so much together and experienced many things. We have shared our tears, laughter, and partied till we passed out. Through all this we still stand as 1. Many say that we are just alike and are spoiled brats, but to all you player haters step back and give us space because were doin this thing for the*9-6*
Ya girl and sister 4-life
Love always,
Nashira "Angel" Duley
"NaStinka"

2 Maria: The lil Miss Innocent everyone proclaims to be*NOT*
I wish you much success in life.
Your friend,
Nashira

For Jaime
All the laughs we've had(and still have) keep me from losing my mind. I don't think we've ever been mad at one another. You deserve the happiness and success you want.
LeTanya

Memo-Te quiero mi hermano. Recuerdas la raza. Chandra, Jaime, & LeTanya. Viva Mexico!
To all my friends-Thanks-You know who you are.
Tom & Nick-Write me in Mexico. Lequent-I'll talk to you later- yin-yang
To the class of '96-I wish you the best in life. I'll see you at the top.
To all unmentioned-All my love.
Kim

For Tanya
Since 7th grade we've been hangin' tight. Besides my mama and God your one of the few I can count on. You were there for me when I wasn't there for myself. I'm proud to have you as my daughters' Godmother.
LeTanya

LaKeshia-Maybe if you look hard enough and stop jeffing long enough you will find some true friends. You were dissed by the Sr's, turned to the Jr's, and found out a Soph. you are not, and finally realized the freshman were all you got. I thought you learned your lesson but I see you have not. You were obsessed and blind to the fact that we almost fought. Remember a dude or \$10 is not worth a possible friend. P.S.No one can take away something you never had.
From Ronica and Aretha
Tiffany-You are a princess in Deborah Locke's eyes, but too bad not to LCPA's Areia-the friendship is only temporary. If you don't believe me ask Elan.
Cassandra-921-HAIR
The Queen

Erick,
You are a very special person to me. Remember fate brought us together and fate will keep us together. We'll make more memories in the future.
Love always,
Kiani

Anndrea,
I love you with all my heart, and no one not even the crew can make me stop loving you.
Dante'
If you need me, call!

To The "Queen",
I'm not going to stoop to your level but what I will say is #1 the friendship that me and Areia have is real but you wouldn't know anything about that.#2 Your ugly ways show who the real Queen is. You have the title but we all know the truth, it's not you, #3 Next time you try to clown somebody try another way, that just made you look stupid.It's okay to envy 2DG, we know you're jealous.
The Real Queen - TD

To Seb, Andy and Tim- Jaime,
We are the true remaining homies and we always will be.
To O.C.-We made it two years in a row and I grew to love you. Thanks to the class of '96 for all memories.
Chris

You don't have to tell me that friendship is a two-way street. I know. It's funny that analyzing the simple-minded male can bring friends together, but I'm happy it did. I know you'll be successful in whatever you do, so don't stop till you reach the top.
Your friend,
Kiani

To Aretha-My closest friend
All those silly arguments we had and still no one would have thought that we would become the friends that we are today. I will never forget you. Thanx for listening and guiding. I'll miss you.
Love,
Ronica

To Ronica (The Queen)
Thanks for always being there for me when I needed a friend. Friendship takes time to grow and become true and the last three years has become true. I hope you do well in whatever you do. We have had our fair share of problems with the Senior girls, but when it all comes down you, me, and Nashira will always be friends. A certain group of females thought I cheated for Queen, but I didn't, so Seniors jealousy will get you nowhere.
Love,
Aretha McKay

I'd like to thank my parents for being good parents. I thank my friends especially Rhoda, for being the best of friends. Good friendships are priceless. Kenneth, you've been very special. I hope nothing ever comes between us.
Love,
Shannon

Hey Daimon & Kendall,
My friends of 9-8 I once heard of a girl Daimon took on a date. She said you are cheap so I guess you aren't the baller that you claim to be. But on a serious note, I wish you all the best of luck in everything you do.
Love Always,
Nashira Duley
c/o 96 nothing but class

This goes out to the 2 Tight Crew, (Tashonna, Rhan, Kisie, Anna & Kathy)
See all you lady gamers in the 9-7 when we'll be getting up out this B*****!
CAB

To Nashira,
What's up party animal? When I first came to LCPA as a freshman you were my only true friend. Even though I'm a good girl and couldn't kick it every weekend with you and Ronica, you still treated me equal. I have no doubt whatsoever that you will make it so good luck and I will see you in ten years.
Love,
Aretha McKay

Ronica & Nicole,
I never knew how cool yall were till we were thrown together with the Deltas. It's been fun. Yall are good friends. We'll see each other in the future at some Delta function.
Kiani

To "CREW"
To all my boys, I'll miss yall as we part. Wish you the best wherever you end up. Stay up fool!
Dewble

To all them bucks Kenneth, Stan, Karl, and Tommy, try not to miss me next year. To Tommy and Kenneth, remember I am Mrs. Hardaway. And also to the #1 baller Kristen May and Shanel C-ya.
Sarah

It's been fun in 4th & 7th hour havin fun talkin about different stuff. I'M CLASS CLOWN and you of all people know why. Lots of laughs, lots of fun, and lots of luck. See ya later alligator.
Osceola

To my girl Trina-We have done the d*** thing the whole way through. And I thank you very much for everything you have done for me. We have two minds that were inseperable through school but now its time for us to move on and I will miss you much. But keep up the good work. Oh yea! For the future I still got 5 on it.
Love always, Nashira Duley c/o '96 P.S. Wooh!

Aretha-I'm sad that U R clueless.
Love, Areia

To Aretha-1 of my good friends I have learned to get along with. Even though we've had our ups and downs I will always be there for you girl.
Love always,
Nashira Duley (NaStinka)
To Jennifer-It has been great being friends these last four years. It has been my pleasure clownin around and carrying on all that nonsense in Earl's class.
Whomp here I am-Nashira Duley
