Mr. J. L. Laughlin
Principal

⊙ Being the principal of a large high school presents many complex problems. But for the past twelve years, Mr. Laughlin has shown that, with patience and understanding, the job can be handled well. He has met each task with thought and wisdom, and is never too busy to smile.

One might think that his active life would leave him no time for a hobby, but our principal has several. Best of all, however, he likes to take pictures. He is proud of his fine collection of pictures which tell the story of his many automobile trips throughout the United States.

He has worked hard to build a desirable spirit of co-operation between students and faculty and to develop a fine school relationship with the community.

Mr. G. W. Davis

Vice Principal

● In his many years of serving our school, Mr. Davis has effectively carried out the requirements which go with the title of vice-principal.

Because of a proverbial "green-thumb," he is the proud owner of a beautiful garden which contains many varieties of flowers, the main ones being roses.

His like for young people makes students respect his advice and judgment, and we recognize Mr. Davis as a real asset to our school.

Miss Helen Johnson

Counselor

● Miss Johnson, our counselor, has many opportunities of helping the students of Northeast. Her friendly attitude and thoughtful suggestions have brought many a confused student out of his enrollment difficulties. She advises students on the selection of colleges, helps many to secure scholarships, and guides them in the choice of vocations. She is also cosponsor of the Student Council.

Meet Our Teachers

● Our faculty roster is one of which we can be proud. Each member has a different and individual personality, but all of them have a common drive—they go “all out” for the students.

An idea can be presented in many ways, and our faculty employs many methods of doing so. A funny story, a laboratory experiment, or a diagram on the blackboard has explained many an otherwise perplexing problem.

● We, the students at Northeast, feel that we have a wonderful staff of teachers, and that they are doing what, at times, seems like an impossible task—that of training our generation for effective living. To our loyal friends, the faculty, we'd like to say, “Hat's off to you. You're tops!”

ON BUSINESS-EDUCATION DAY inaugurated this year by the Chamber of Commerce, teachers visited many business firms in Kansas City. This helped them to understand the problems of business and thus be better qualified to give advice to students who plan a business career. These teachers spent the day at Burger-Baird's Photoengraving plant, where the Nor'easter engravings are made.

P. T. A. Creates a Co-operative Atmosphere

• Hard work and wholehearted co-operation are the bywords of the Parent-Teacher Association. This year, as in the past, it participated in many worthwhile projects, such as the

Christmas Seal Sale, sewing for Mutual Help Center, sponsoring a Junior-Senior Dance, and contributing to several funds.

A TASTY LUNCH is a welcome sight to these P.T.A. members after a busy morning of sewing. The experienced cooks who are preparing the savory dishes are (left to right) Mrs. Ray Hawthorne, Mrs. Ray Beaty, and Mrs. H. D. Williams.

MAKING CLOTHES FOR WELFARE AGENCIES is one of the numerous projects of our P.T.A. The ladies industriously working on the plan are (left to right) Mrs. H. E. Benson, Mrs. Harvard Krokstrom, Mrs. T. A. Garrison, Mrs. Arthur Bonne, Mrs. Donald Harris.

JUNIOR CLASS OFFICERS—*Back Row:* David Sano, President; Jim Loria, Giftorian; Joyce Elliott, Treasurer; Bob Nickson, Vice-President. • *Front Row:* Mary Crouch, Secretary; Jo Hartnett, Sergeant at Arms; Walt Dods, Reporter; (*Absent*) Mrs. Bell, Adviser.

The Junior Class Marches Forward

• We, the Junior Class of 1953-1954, who are five hundred sixty-four strong, shall remember this past year as a successful one. The new experiences, responsibilities, and decisions that became ours as upperclassmen will help us to make future decisions more wisely.

When once again we entered into the familiar halls of Northeast last fall, we felt a little more like school leaders. We, as juniors, knew that we could elect our own officers, perhaps attend City Hall day, and become more active in sports, clubs, and societies. We were permitted to choose more courses that particularly interested us, since we had completed many of our required subjects. We also found that hard work would be necessary in order to pass the dreaded math and English tests.

• We began to work harder on our studies because we realized more than ever the need of a good education. On Careers' Day and College Day we learned of the many opportunities awaiting us after high-school graduation. Life became more than a game, and we took responsibilities more seriously. We felt pride in a job well done, and tried to correct our mistakes when we found we had not succeeded.

On the other hand, we still had plenty of time for fun. We found ourselves making new

and stronger friendships. Our football, basket ball, and track teams were encouraged by our cheering at the games. We held our own at the Junior-Senior Prom, too.

• Now the junior year is over, but the next and even a better one awaits us—the all important year when we shall be SENIORS. As we order our senior rings, we realize that all the work and toil on studies have been worthwhile, for our dreams will soon come true. We look forward to next year, hoping that the Class of 1955 will be one of the best ever to graduate from Northeast.

Seniors '54

SENIOR CLASS OFFICERS (*Left to right*) John Neely, Giftorian; Sharon McConnell, Secretary; Jim Hawk, Vice-President; Sallie Day, Treasurer; Vic De-Mayo, Sergeant at Arms; Joe Sacamano, President; John Spanbauer, Reporter; (*Absent*) Mr. George Calvert, Adviser.

“May We ere Leaving but Add Just a Gem”

• Our senior class is one of the largest in the history of Northeast, numbering about four hundred and twenty, and we feel that it is one of the best. Forty-two students were elected to the National Honor Society—ten per cent of the class. Colleges and universities granted scholarships to many of our classmates, and several organizations presented special awards to other outstanding students in the fields of art, music, printing, wood and metal shops, dramatics, and home economics.

• We seniors have always gloried in the fact that the senior year is the best, and this year has been no exception. The tense excitement of electing senior officers, the thrill of receiving our senior rings, the suspense of choosing the senior ballot, and the delight in seeing or tak-

ing part in the senior assembly, were only four of the many wonderful high spots of this, our final year. As we hurried about the halls, time seemed to fly. Some were worrying about that chemistry test next hour, others anxiously waited to see if they had made spring play, and still others were fretting about whether they had received scholarships to their favorite universities.

All of us had fun ordering announcements and exchanging stamp pictures and name cards. We ate too much at the senior luncheon, felt drawn closer together at Baccalaureate, and choked back tears as we marched in our caps and gowns at Graduation. We have enjoyed three full years here at Northeast, and now it seems hard to believe that we won't be coming back next year.

SPEED AND ACCURACY, important factors for good office workers, are stressed by Mrs. Hollis, teacher of Clerical Practice.

FINANCIAL RECORDS OF ALL SCHOOL ACTIVITIES are taken care of by Miss Clough and her efficient helpers, Emma Ruth Hinton, Tom Hall, and Donna Thomas.

THE HEALTH CENTER, under Mrs. Hughes, school nurse, has the help of several girls each hour of the day. Jean Batchelor is at the file and Sue Rickety is making records at the desk.

"SAFETY MAGIC" looks dubious to Ronnie Lewis as Sgt. Pike transforms his elbow into a magic water pump during a safety assembly.

EVEN A WASTEBASKET can be a thing of beauty after a paint job by Judy Callahan and Doris Woods.

THE STAGE CREW contributes greatly to the smooth running of all stage performances. They are (left to right) Mr. Hollis, Adviser; Jerry Elliot, Lighting; Ronnie Blair, Lighting; Clark Ruhlman, Stage Manager; Harold Madra, Microphones; Vernon Brackenbury, Back Stage; Tom Colley, Lighting.

THERE IS NO MORE SATISFYING EXPERIENCE than the discovery that one can create something beautiful in art.

Visitors, and Faculty Work Together

THE SWIRL OF FORMALS, a boutonniere, and mellow music made the Intersociety Dance a delightful evening.

EXCLAMATIONS OF SURPRISE and admiration could be heard all over the auditorium when Willie Wells displayed his skill in weight lifting at the talent assembly. He has placed first in several events in the past three years.

BATON TWIRLER AND AERIAL ACROBAT, Jo Ann Nelson, State Baton Champion of 1952, demonstrates her skill to Nor'easters.

A DISTINGUISHED GUEST, Miss Billie Davis (left), author of "Hobo Kid", is seen talking to Miss Johnson (center) and DeLou Nebgen, after addressing the students at assembly.

A HAPPY DAY seems to be in store for the office staff, Mrs. Kennedy, Mrs. Coffman, and Mrs. Keirns as they start their morning conference with pleasant smiles.

SGT. ARCHIE MORRIS, who was head of the Northeast R.O.T.C. for several years, is showing Mrs. Keirns and George Perusich pictures that he brought back from Germany recently after serving there for six months in the Signal Corps.

Student Council Trains Its Members

• The threat of losing our free way of life makes it imperative that today's youth be well acquainted with the word democracy. The Northeast Student Council, under the cosponsorship of Miss Johnson and Mr. Roedl, makes democracy not just a word, but a reality for participating students.

This year, as in the past, the Red Cross committee sponsored a drive for the filling of Vet-

erans' Christmas stockings and sent a chest overseas to needy areas.

• The Safety committee presented a very worthwhile assembly, in which Sergeant Carl Pike, a police officer from Grand Rapids, Michigan, gave a show in which he demonstrated his magic skill and followed this by a speech to prove that speed does not pay. He vividly described what happens to a speeder and his vic-

tims, stressing that too often it is the innocent one who suffers or dies.

The Trophy Case committee was responsible for many attractive displays in the alcove. The Civic committee helped maintain a clean, attractive building.

The seniors took advantage of the chest X-ray campaign which the Health committee arranged. By providing a place where students

could recover lost articles, the Lost and Found committee rendered a service for which many were grateful.

• Working with the Student Council should help equip us to take a share later in the responsibilities and privileges of our government. With this idea in mind, we have a great respect for our Student Council, convinced that it is student government at its active best!

PRESIDENT OF STUDENT COUNCIL, Joe Sacamano, introduces Sgt. Carl Pike, who spoke to the students at Safety Assembly about the tragedy of speeding on our highways.

Spirit of Rivalry Produces Best Efforts

• The spirit of rivalry has always acted as a stimulus, making people want to do their best work, and so it was this year in Northeast's six literary societies. As the dream of all the members was to win a gold medal in the An-

nual Literary Contest, they began work early in the year.

On the night of the annual contest, the members of each society were woven closer together while they sang "slow" and "slam" songs, and listened to the declamations.

Spirit of Rivalry Produces Best Efforts

• The winning societies were happy when Mr. Laughlin read the results, and the losers, although greatly disappointed, resolved to work harder next year.

The Intersociety Dance, Mid-Year Events, and Farewell Banquets were the main social

events of the year. When the seniors bade farewell to society years, everyone joined with them in feeling that the joys, disappointments, and friendships experienced in society would never be forgotten.

Art Club

• Ambitious, enthusiastic members are as common to the Northeast Art Club as brushes, paints, canvas, and silk screens.

For advertising purposes, the young artists brought special events to the public eye by means of snappy, original posters. This year they did art work for the veterans' hospitals, and took a sketching trip to Jefferson City in the spring. Their many activities involved much hard work, but to these students art deadlines were a pleasure.

Art Honors

• When the Regional Scholastic Art Contest was held at Emery Bird Thayer's, there were three thousand entries. Northeast students received many gold keys and certificates of merit.

The superior work was sent to Pittsburgh, the seat of the National Contest. Here, honorable mention, cash prizes, and senior portfolio scholarships were awarded to the most talented. The contest's purpose was to encourage young artists to take up art as a career.

Seal Club

Under Miss Moyer's guidance, the Seal Club has become so active that it now has thirty members.

• A swimming party at the Continental Hotel Pool, potato races, diving practices, and water ballets were events of the first semester. The second semester was devoted to preparing a sophomore swimming demonstration for Open House. As a climax to the year, the club held a picnic honoring the seniors.

The social events of the year consisted of the breaking of the Pinata at the Christmas party and a picnic in the spring.

HOLLYWOOD, HERE THEY COME! After seeing the Speech Arts Club's presentation of "Noble David", we are convinced that these kids are headed for certain fame.

• Comedians, dramatists, and "hams" got their chance to express themselves at the regular meetings of the Speech Arts Club. One highlight of the year was a talk given by Dr. Lowell Matson of Kansas City University. Theater parties were held at the Resident Theater, William Jewell College, and the Kansas City University Playhouse.

Skits, plays, costuming, make-up, lighting—projects of all sorts were part of the year's activities. The year closed with an annual spring picnic.

BLINDMAN'S BUFF?—or could this be a "welcoming party" for the new members of the Olympic Club?

A WICKED SWAT by DeLou Nebgen sends the ball soaring in a game that is a favorite with Olympians.

• Whether they were driving downfield for a goal, taking a free throw, spiking setups at the net, or sliding into second base, the sophomore, junior, and senior Olympic Club members played side by side for the fun and sport of keen competition. They learned not only to play a game, but also to practice good sportsmanship—an important part of any game. Under the leadership of Mrs. Hensley, all members enjoyed the annual chili supper, a special Christmas meeting, open house programs, and the spring picnic.

The Y-Teens Enjoy an Eventful Year

• An organization may attribute its success to many things: Ambition, loyalty, co-operation, fellowship, hard work, and a dash of fun. A group of girls has combined all these into one package, labeled—the Y-Teens.

Planning and presenting the annual Sweet-

heart Dance took the initiative and imagination of all the members to assure its success. An eagerly anticipated event at the dance was the selection of the Sweetheart Couple, who this year were Dyvonne Miller and Ronnie Waller.

A PEACH OF A PAIR describes this year's Sweetheart Couple, Dyvonne Miller and Ronnie Waller, as they receive their royal gifts from the Y-Teen President, Carolyn DeLapp.

A HARMONIZING SESSION is being enjoyed by these girls—with cokes, of course!

A ROMANTIC SETTING, provided by soft lights and dreamy music, made the Y-Teen Annual Sweetheart Dance a tremendous success.

The Y-Teens Enjoy an Eventful Year

During the year, the girls enjoyed an all-girl dance-party at the Y-Hut and a "slumberless" slumber party at Swope Park.

At one meeting a film depicting a person excluded from social events was shown and discussed by the group. At another, Miss Anne Forbes gave a talk about the Fellowship House Dolls, which are made in the likeness of people famous because of the work they did for mankind.

- Displaying ambition and cooperation, the Y-Teens have undertaken an international project, the Penny Parade, which will last until next February. It is a drive to raise a million dollars among Y.W.C.A. members all over the world. The quota for Kansas City is six thousand dollars.

With the ending of school in sight, the Y-Teens bring to an end another eventful and successful year.

the standing members. Parents were guests at the service. Following the ceremony, the parents and the senior members were served refreshments at the Y-Hut by the Junior Chapter.

Hi-Y Boys Believe in Keeping on the Go

• The Hi-Y purpose is to create, maintain, and extend throughout the home, school, and community, high standards of character. It is international in scope, Christian in emphasis, and democratic in practice.

During the first semester, the Senior Chapter held a formal Induction and Rededication service, the seventh annual Hi-Y Snowball Dance, a Christmas Party, and various other social affairs and programs. The second semester continued at the same pace with fellowship breakfasts and potlucks.

The Junior Chapter also enjoyed a lively year of social, recreational, and personal programs and were consolation champions of the Christmas Hi-Y basketball tournament.

A new Sophomore Chapter was organized in January and soon got the club into full swing with plenty of personal and social programs.

• All the chapters participated in the Youth and Government program, a Hi-Y family picnic at Camp Santosage, and a camping trip to Camp Gravois in the Ozarks.

A ROYAL SMILE from Her Majesty, Sylvia McCaugh, climaxes a wonderful evening at the Snowball Dance. The lucky fellows beside her are Ray Howe, Hi-Y sponsor, and Jack Harrington, the queen's date.

"BYE, BYE, BLUES," accompanied by the ever-popular uke, could be heard coming from the Y-Hut, where a group of fellows and gals got together for some good old barber-shop harmony.

Pepperettes Contribute Greatly

• Braving rain, cold, and snow, the Pepperettes were at every game, ringing the rafters with their resounding cheers, and adding color to all the contests with their purple and white attire.

Although they were organized into senior, junior, and sophomore groups, the members had one common interest—the spirit and de-

sire to help our teams win. And win they did!

The football team tied for second place in the Interscholastic League, the basketball team came through with a three-way tie for another championship, while the Pep Club helped furnish the valuable support the teams needed.

Several skits by members of the club added color to the pep assemblies. A mock football

game, showing Northeast defeating Southeast, and a tiger hunt, ending with the Westport tiger in the pot, are only two examples.

• As the main social event of the year, a Pep Club Dance was held at the Village on March 12. Enthusiastic Pepperettes and their dates packed the place, enjoying the good music and refreshments. As a new twist, the

club members elected a Pep Club King, who was crowned at the Dance. His majesty, Herman Neiderland, received the crown, a gift, and a kiss; then he thanked everyone with a smile and a king-sized blush.

• When remembering our victories of the '54 season, give some of the credit to the loyal girls who made up the Northeast Pep Club.

Dear Kids: Here's hoping You like the

● The people pictured on these two pages are the ones whose combined efforts produced the 1954 Nor'easter.

And what a job it was! Pencil after pencil wore away in the hands of the writers; click after click of the shutter recorded school life on film; hour after hour droned by to the dull hum of industrious workers; month after month slipped away as our goal slowly began to take shape.

● We then began to dream ahead when we could sigh with relief and enjoy life again, forgetting the worries and problems that had been with us all year, and seeing our books with their shiny pages and gleaming covers.

'54 Nor'easter. It was fun! Yours truly.

We would then sit down with a satisfied smile, the finished product in our hands, knowing that we had done our best. We had met that ominous deadline and delivered the yearbooks.

We hope the Vikings will think it is a fitting climax and a lasting reminder of a pleasant year at Northeast.

AFTER A HARD DAY ON THE STAFF, our adviser, Mr. Kresse, relaxes by reading poetry to his pet parakeet, Skippy, who is one of his most attentive students, he says.

Courier Staff's Busy Bee Reporters

• What could have been more interesting to Northeast students than to read of the happenings that they had witnessed—the news as told in the Northeast Courier.

One needed only to open his eyes this year to see reporters buzzing about the halls busily collecting the news. There were the customary editors, which included the editor in chief, first-, second-, third-, and fourth-page editors, business manager, and art editor. These editors tore their hair as they awaited last-minute copy from the reporters, but under the supervision of Mr. Thomas Ditmars and with the

help of Mr. Kunz and his printing department, the presses soon rolled.

Two staffs, one each semester, published the four-page newspaper every two weeks. Each student spent half the year in newswriting before he was eligible for work on the staff.

• Cartoons by the art department lent a touch of humor to each issue; however, for the art editor there was the job of planning, selecting prints, discarding, and replanning.

Each literary society had its own column in the paper; after Lit Night, the paper car-

ried the story, the poem, and the essay which took first place.

The assemblies were described as to their content and purpose. Sports, jokes, girl-and-boy-of-the-week, girl and boy athlete—all played a large part in the final set-up before the printing of the Courier.

• Into every issue went the story of the life of some teacher. Special recognition was given to those graduates who had become successful in their professions throughout the world and also to those who, upon graduation, showed promise of a bright future. Pictures of the

football and basketball queens were printed on the front page at the time of their selection.

There were feature articles for the special events, editorials for those who wished to express their views, and holiday issues to start Thanksgiving, Christmas, and Easter vacations in the appropriate spirit.

• Prospective journalists should have gained valuable experience as they worked to create interesting and factual articles, and on Courier Day the student body read and enjoyed this newspaper with apparent eagerness.

The Band's Music Adds Life to Many Events

• The Northeast Band made an impressive picture with its purple and gray uniforms and shining brass instruments. Whether the background was a downtown parade, a football game, an all-city band festival, or the school stage, we soon caught the mood of the event

as the band's music filled the air.

Under the expert leadership of Mr. Nevin E. Wasson, this organization, composed of 75 talented members, received a hearty reception wherever it went.

Orchestra Gives Impressive Performances

• This year the Northeast Orchestra had forty-one members, making it somewhat larger than last year. Mr. Keenan, with his music knowledge and professional experience, has been largely responsible for the orchestra's growth and improvement.

Displaying its talents this year, the group performed in assemblies at both Senior and

Junior High Schools, at the Annual Spring Concert, and in the All-City Orchestra Festival. The P. T. A. enjoyed a special concert given at one of its meetings.

• Four of the advanced students participated in the All-City Orchestra Concert, which was given in our auditorium.

Choir Continues Outstanding Choral Work

• One of our outstanding entertainment groups at Northeast this year was the hundred-voiced a cappella choir.

Members were chosen on a competitive basis and must have taken at least one year of vocal music. Some of the factors considered were poise, tone quality, ability to read music and carry a part, and character traits. Complete loyalty and attendance at all performances were required of the members.

• In four- to eight-part harmony, the choir drilled, rehearsed, and performed some of the world's greatest choral music, both traditional and modern. The final and polished products were sung for several assemblies, the Sertoma Club, Junior High, and at Christmas Vespers, the Spring Music Festival, the All-City Choir Festival, the Baccalaureate service, and graduation exercises. Warm and appreciative were the welcomes of the audiences as the choir continued to sing in the good style for which it is known.

Several times during the year, each member

was called upon to sing a solo, so that Miss Clausen could judge the improvement of the individual voices.

• The seniors who leave the choir this year feel confident that the new group entering will continue to make the choir a favorite with all audiences.

Forty-two Seniors Elected to National Honor Society

• Not long after the end of the first semester, the seniors began to wonder who would be elected to the National Honor Society. They eagerly awaited the posting of grade indexes, and finally, on April 9, the new members of the Northeast High School Chapter of the National Honor Society were announced. Forty-two students were elected by the principal and a faculty committee on the basis of scholarship, leadership, character, and service to the school.

• To be eligible for membership, a student must have spent at least one year in Northeast, and must have maintained a 3.25 scholarship index, which is an average of a strong "S." The faculty committee, Mrs. Bell, Mr. Ditmars, Miss Gaylord, Mr. Wasson, Miss Gherring, Miss Gregory, and Mr. Calvert, chairman, consulted the other faculty mem-

bers as to the traits of leadership, character, service of each candidate, and then checked the citizenship records in the office. This method of selection was based on the idea that a line, such as the 3.25 index, should be drawn, and all those students above it, with the faculty's approval, would become Society members. The committee believed that this method was fair and objective, since the standards were fixed before the selection of members took place.

• The idea of honor societies is not new, for ancient and medieval universities established them to honor outstanding students. Today the National Honor Society is as important to the high school as Phi Beta Kappa is to the university, and probably no honor conferred by the school is more desired than the privilege of wearing the N.H.S. pin.

Village Adds Extra Spark to School Life

A BIRD'S-EYE VIEW of a group of gabbing girls is a cause for wonder to the boy standing; however, the other two fellows seem to be quite amused by the meaningless chatter.

THE COLD CASH or a village pass is all these kids need to enjoy an evening of premium fun at Viking Village.

THE VILLAGE SNACK BAR, with its coke and chewing gum, is a popular place after an hour of dancing, basketball, and ping-pong.

THE VILLAGE ROCKS with rhythm when a popular platter goes on the turntable and everyone begins to spin.

Variety Makes Viking Village Popular

● When Friday night rolls around, the lights flash on at Northeast Junior, and the welcome mat is spread at Viking Village. The gang rushes in, rosy cheeked and laughing. Soon greetings and comments on the game can be heard. Coats are checked, the girls hurriedly run a comb through their hair, and then away they go to the gymnasium.

● Viking Village offers a variety of activities, such as dancing to the newest records, playing basketball or Ping-pong, or just a friendly gathering around the snack bar for a casual conversation over a coke.

This year's Viking Village Council, which meets every Monday night at the City Hall, is a very active one, as they strive for something new and interesting each week. Just one of the many occasions enjoyed by everyone was the Blue Denim Dance. This brought

one of the largest crowds of the year. Everyone donned blue jeans and sports shirts, and the building rang with the calls of square dances.

● Twice during the school year formal dances are held. These are always considered very special occasions, since the gymnasium is cleverly decorated, an orchestra plays smooth music, and the Villagers wear formal attire. The annual football and basketball dances are two of the other gala events. At each, a queen, elected by the members of the team, reigns supreme, and the Village becomes a royal court for the evening.

Viking Village is sponsored by the City Welfare Department, and its success or failure depends on us—the Vikings; so in the years to come, we'll be hoping to see you at the Village.

Situation of Play—Normal but Hilarious

● *Snafu* opens in the Stevens' home in California. Their son Ronald has just been discharged from the army after a distinguished career overseas. The boy got into the army by falsifying his age. When he is finally located, his parents "let the cat out of the bag," and the youngster returns home disgruntled. But the Ronald who returns is found to be a boy no longer. He upsets the family and appears to

his parents to be more a problem child than a self-assured man. A buddy turns up and a local coed mistakes him for Ronald. Amusing complications follow when the soldier, who is supposed to be Ronald, is discovered in the girls' dormitory out of hours. A rumpus ensues, which is ultimately settled, but not until the entire town is aroused.

Gym Classes Provide a Pleasant

● The gym classes provided a pleasant "break" in the routine of a school day. Sports such as hockey, basketball, volleyball, and softball enabled the girls to practice good sportsmanship, teamwork, and individual skills, while modern dancing and swimming developed coordination and grace.

September saw hockey season start with a bang—right on some poor girl's shins! In the Northeast Dust Bowl, the girls participated in many rough hockey games, but fortu-

nately suffered no crippling injuries. Climaxing the season was hockey sportsday, held at Central. Sixteen girls represented Northeast in two fast-moving games.

The shrill whistles, the bounce of the ball, the swish of the basket, and skinned knees came along with the beginning of basketball season. Although there was no basketball sportsday, a high point of the season was the junior-senior game. The spirited contest ended with the seniors on top, 31 to 26.

A GOOD SPIKE by the girl on the front line starts off a game of volleyball—one of the most popular sports of the winter season.

"MAN OVERBOARD," shout these future lifesavers as Joyce Colyer demonstrates the proper way to plunge into the water without upsetting the canoe.

Break in the Day's Routine

The volleyball season was next and the girls concentrated on serving, returning, and spiking the ball. A team composed of the better players was picked for volleyball sportsday at Manual.

• Then followed one of the favorite seasons of all—softball. The girls enjoyed getting out of doors again and playing the good old game. Soon the crack of the bat and cheers of the girls were familiar sounds.

At the last big event of the year, Northeast girls were hostesses for individual sportsday. It consisted of events in swimming, bowling, badminton, tennis, and Ping-pong.

• During the year, all girls interested were able to participate in the intramural program. They were rewarded with intramural letters and girls' athletic pins when they had earned enough credits.

WITH ONE HIGH LEAP, Genevieve Cholak sends the ball soaring toward the basket during the Junior-Senior Basketball Game, while Eva Needham wishes she were a wee bit taller.

Vikes Win Four, Lose Two in League Play

● Playing one of the toughest schedules in the history of the school, the Vike Eleven finished the season in second place with four wins and two losses. The team, tabbed early in the season by rival coaches as the "dark horse," again brought honors to the school. Although short on offensive punch, they left little to be desired on the defensive. This may be proved by the fact that the team won five out of nine games while scoring a total of only seventy-five points.

● The opening kickoff found the Vikes launching their ship on rough waters as they ran into a tough Raytown aggregation. The final gun found Raytown the victors.

The following week, the coaches worked hard to repair the damages inflicted by the Blue Jays. The results were rewarding, as the Norsemen opened their league play with a triumph over East. In the following game the Vikings took the measure of Central. Next came the scalping of the Indians from Southwest.

The next game, which was with Southeast, was likely to be the deciding encounter in determining the league champions. After an evenly fought first half, the Knights' overall bench strength began to take its toll; the

game ended in favor of Southeast. The week following, the Pirates from Paseo looted the "Viking Ship" and escaped with nothing less than a victory. This proved to be the upset of the year.

● After two successive losses by the Vikings, came the Westport game, the most exciting and evenly fought contest of the season. Late in the fourth quarter, with the score tied, Northeast made a fifteen-yard field goal. This not only gave the Vikes a win, but also made a record, as the field goal was the first to be made in the history of the league. For the thirteenth consecutive year, the Vikes defeated William Chrisman. This marked the final victory of the season for the Vikes. In the closing encounter of the season, the Vikes were defeated by a powerful Wyandotte.

● In the post season polls, Northeast placed John Calia on first team all-stars. Vic DeMayo and Bob Plumlee won berths on the second team, while Ross Arnold, Ed Lynn, Gene George, and Gene Kuhn received honorable mention.

The fans should be pleased with next year's prospects, for there are enough good players left to provide the nucleus of a championship team.

HALF-TIME STRATEGY, mapped out by an expert, can be the determining factor in many a close ball game. This was demonstrated by Coach Markey in the Westport game, which the Vikes won 9 to 6.

IN THE WESTPORT GAME, Ross Arnold (No. 26) gives the "old college try" as a Tiger struggles in vain to elude his tacklers.

An Outstanding Second Team

• Seven wins, two losses, and one tie were the record of the Junior Vikes. The second squad developed a good team, seeming to pick up momentum as it gained in experience, and by the end of the season they were almost invincible. A fine second team is an indication that the Vikes will be ready to roll again next year.

Vikes Roll Over Opponents in Quest of Crown

• The Viking quintet of '54 compiled an outstanding record in Northeast basketball history. While racking up a total of sixteen wins and only three losses, the Vikes scored an average of 56 points per game, holding their opponents to an average of 45 points.

After losing the season's opener to Topeka, the Vikes won from Glennon, Wentworth, Atchison, Excelsior Springs, Ward, East, Southwest, Pem-Day, North Kansas City, Central, Southeast and Manual. Next came the unexpected, a heart-breaking loss at the hands of the Westport Tigers. The Norsemen then concluded their regular season by winning the

remaining two games, finishing in a three-way tie for first place. This is the first time since 1936 that three teams have finished in a deadlock for the crown. One of the highlights of an exciting season was the win from Southeast.

• In the Rockhurst regionals, Northeast humbled East and Southwest, and then were confronted with the problem of having to defeat Westport, who had hung the only loss on the Vikes in league play. This game was a thriller all the way and the victor was not decided until the final minutes of play.

With five experienced lettermen returning, next year should prove to be very interesting.

“B” Team Receives Valuable Training

• Even though the Rinky Dinks did not win many games this season, they gained much valuable training. The purpose of any second team is to develop varsity material, give game experience to the players, and also instill in the young hopefuls a certain degree of poise and self-confidence. It was towards this end that the coaches worked faithfully each night.

While the players were tall and loaded with material, they suffered from inexperience, something that can be corrected only by actual combat with opposing teams. However,

the Vikes fared fairly well, as they won all but two of their non-league games and added two more triumphs in league play.

A First and Third Place in the City Meet

● Finishing the 1953 season, the Vikes found themselves in a most enviable position, for their senior team finished in third place and the junior team ran away with the championship in their division.

The fleet-footed men of the cinders also placed sixth in the State Indoor and then came back in the State Outdoor to finish fifth. Aside from the City and State meets, there were many invitational meets along with the dual encounters. This season, the Vikes entered a team in the Big Seven Indoor, St. Joseph Relays, and the Shawnee Mission Relays with very gratifying results.

● In the City meet, the final engagement of the season, Coach Markey pulled one of the finest bits of strategy ever seen in this area. Seeing that a victory in the Senior Division was im-

ON CAREERS' DAY, a representative from the Journalism School of Kansas University talked to a group of Northeast students about the educational requirements

for entering the field of journalism and the rewards that they could expect.

The Day's Business Conducted in Homerooms

• With the publication of a daily homeroom bulletin, the administration, organizations, and faculty convey the day's news to the student body and other faculty members. "Olympic Club meeting after school Monday," or "Final rehearsal for talent assembly immediately after school today" are typical announcements read in the bulletin each day.

The homerooms elect officers to conduct and preside over the homeroom business, which ranges from choosing student council representatives, or collecting money for United Funds, to filling stockings for veterans at Christmas time. Safety slogan and pledge contests, and Nor'easter, Courier, and ticket sales campaigns are added to complete the busy schedule.

• The homerooms constitute a very important part of school life by being something in which every student can participate.

Careful Training Improves Voice Quality

● Divided into the Boys' Chorus, Voice Class, A Cappella Choir, and Girls' Treble Clef Club, Miss Clausen's music students numbered over two hundred. They had a full year of rehearsals, drills, and performances, and constantly worked to build breath pressure and to mature their singing tones.

During the year the girls in seventh-hour Treble Clef Club sang three-part numbers and many unison songs. They were well accepted and were praised for fine work at the Spring Music and All-City Girls' Chorus Festivals.

● Four-part male harmony and barbershop quartettes developed voices and increased mu-

sic reading knowledge in Boys' Chorus. The boys gave a concert at the Junior Building and took part in the Music Festival.

The voice class concentrated on the problems and development of the individual voice. As it was a small group, the singers found it was easier to progress in the vocal clinic. Their part in the Music Festival was a scene depicting the Metropolitan Opera tryouts, and many students sang arias from famous operas.

● To the students enrolled in the classes, this year of vocal music has been a profitable experience, for it has taught them to value and appreciate good music.

Harmony Requires Training and Practice

• There is more to vocal chorus than mere singing. Expert training and hours of practice are the fundamental steps toward true harmony. Through these means, Miss Cain's music classes have helped students develop an appreciation for good music and an "ear" for professional performances.

The election of officers has helped establish a

Vikes Help Make Highways "Happy Ways"

● With the increasing number of automobile accidents being blamed on people of teen age, it is imperative that they learn the safe way to drive.

The Driver Training course at Northeast is offered to students over sixteen years of age. They enroll for one semester, and during this time they study traffic rules and regulations, and the correct way to handle a car. Driving

with one hand, speeding, and reckless driving are forbidden in this class.

The automobile used for instruction purposes is built with a special dual control, so that the instructor may be able to stop the car if an emergency arises.

● After a semester of Drivers' Training, these students feel that they can do their part to help make the highways of America safer.

Careers Class Concentrates on the Future

• The question of choosing a vocation is a perplexing problem to most students. The Careers course enables these students to become familiar with different fields of work. Each student selects and studies the advantages

of three possible vocations, and by means of carefully selected achievement tests, he discovers the one for which he seems best suited. The student's school subjects are then chosen in accordance with the results of the tests.

Because of this increase, the work of two co-ordinators, Mr. Roedl and Mr. Sang, has been required this year for the first time.

• On April 6 the C. O. E. classes held a banquet at the Rockwood Country Club. Myrna Lain emceed the affair, which consisted of musical entertainment, after dinner speeches, and food galore. Mr. Hollis Dahlor, director of Vocational Education for the Kansas City School District, was the principal speaker of the evening.

EXPLAINING THE FUNCTIONING of a Browning Automatic Rifle to an R.O.T.C. class is a difficult job in itself. But the new cadets must study the weapon thoroughly, so that it may be used safely and accurately.

The R. O. T. C. Training Battalion Provides

● This year the R. O. T. C. Training Battalion at Northeast started with an opening enrollment of 148 cadets, working under the direction of Master Sergeants E. M. Ruch and Frank Ferguson, both new instructors at Northeast.

The Rifle Team opened its season with the usual bang in their dual meets against the other local teams and managed to capture third place in the All-City Meet. They next entered the William Randolph Hearst National R. O. T. C. Rifle Competition and

again captured a third place. This is even more significant when it is realized that over 1,600 teams were entered in this competition.

Cadets Maj. Rollin Allen and Lt. Robert Heibert were selected as outstanding riflemen and placed on the All-City Rifle Team. For this achievement, they were presented medals by Lt. Col. George Brittingham.

● On the second of April, the Northeast Cadets took part in the R. O. T. C. Circus, which was held in the arena of the Municipal

Auditorium. As their part on the program, the Vikes staged a mock battle with a platoon attacking Heartbreak Ridge. After a fierce battle, with blanks and exploding firecrackers simulating a realistic battle scene, the objective was taken.

• This year Sgt. (1st cl.) Jerry Colliver, Sgt. Robert Watkins, Corp. Robert Dover, and Corp. Emmett Plimmer were awarded the Chicago Tribune awards. These awards are

given each year for outstanding accomplishments in the field of Military Science.

• Again, in accord with tradition, the Northeast Cadets elected a queen to reign at the Annual R. O. T. C. Ball. Their choice was JoAnn Urton, who was escorted to the Ball by 1st Lt. Kenneth Anderson.

• Northeast's outstanding cadet of the year was Cadet Lt. Col. Raymond Agler, who was selected to be on the Kansas City R. O. T. C.

Year Closes with Federal Inspection Day

Regimental Staff as S-3, Operations and Training Officer.

Other events slated for the year include the National Rifle Association Tournament at Nevada, Missouri; the Cadet Officers' field trip to Ft. Leavenworth; Field Day for the Kansas City R. O. T. C. units, and Federal Inspection Day, which will determine how successful the training of the Northeast R. O. T. C. Battalion has been this year. This is done by testing all of the cadets in various phases of R. O. T. C. duty.

Respect for the Flag Is Taught Cadets

Top Picture—THE R.O.T.C. DRILL TEAM takes time out from a busy day's work to pose for the camera in a V-formation.

RESPECT FOR THE FLAG is stressed in the training of R.O.T.C. cadets.

Cadets Take Part in a Varied Program

THESE PROUD CADETS, Emmett Plimmer (left) and Robert Watkins have just been given the Chicago Tribune Award for their superior knowledge of military strategy. Master Sergeant E. M. Ruch is congratulating them.

SPOTTING THE TARGET, Sergeant Ferguson coaches the members of the rifle team as they practice for an important meet. They are (left to right) Rollin Allen, Phillip Bouldin, Robert Hiebert, and Neil Gallamore.

ATTENTION! The command rings out, and these cadets stand silent while they listen to the National Anthem.

R.O.T.C. QUEEN, Joann Urton (center), discusses the highlights of the R.O.T.C. Ball with her attendants, Mary Eagle (left) and Hazel Henrickson (right).

THESE PARENTS LEARN the inside story of a 60-millimeter mortar from Sgt. Ruch at Open House.

THE SOUND OF MARCHING FEET and of clear commands is heard as these R.O.T.C. boys march in a familiar practice drill.

In Memoriam

Miss Marie Wasson was a teacher of social science at Northeast for more than twenty years. Miss Wasson was born in Kokomo, Indiana, was graduated from William Penn College, and received her Master's Degree from the University of Iowa. She began teaching in the Sanford B. Ladd Elementary School in 1914, and on January 19, 1931, came to Northeast. She remained here until March, 1953, when illness caused her retirement. She died at the home of her only sister on July 3, 1953.

Dean Stanley was a Senior at Northeast. He previously had attended Assumption and Garfield grade schools, and Northeast Junior High School. Woodwork seemed to be his favorite subject, as he planned to continue that type of work in college. The day before his tragic death in an automobile accident in November 1953, he was promoted to seaman first class in the United States Naval Reserves. He served as City Counselor at City-Hall Day during his sophomore year. He is survived by his mother, Mrs. Minnie Strada.
