Foreword

Another eventful year has quickly passed for the Vikings. In the classroom they have studied literature, science, languages, mathematics, music, and social studies.

In order to enlarge their outside interests, many Vikings have also participated in the activities of the numerous organizations. By taking part in the work of these varied groups at Northeast, the Vikings have learned something of the rights and responsibilities of living and working together.

The Vikings have passed through another year of preparation for whatever they choose to do after commencement. Those who are graduating will move on to new experiences—to college, employment, marriage, or military service. For them, this year has been the climax of years filled with memories.

We, the staff of the '57 Nor'easter, have done our best to record the year's events. This, however, is not merely a book of pictures and stories, but rather a catalogue of events and of friendships. We hope that as you leaf through the pages of this book in future years, you will recall with pleasure the hopes, the dreams, and wonderful days you had at Northeast High School.

Tomorrow

Mr. M. Wayne McKanna Principal

At the beginning of the school year, Mr. M. Wayne McKanna became the new principal at Northeast. Before coming to this school, he taught for thirty-one years in the public schools of Northeastern Missouri and in Kansas City. He served as principal in several of these schools.

Mr. McKanna obtained his Bachelor of Arts Degree at the Northeast Missouri State Teachers' College, his Master's Degree at the Univer-

sity of Missouri, and did further graduate work at the University of Missouri and at the University of Kansas.

Besides his school work, Mr. McKanna is very active in a number of community organizations. He takes special interest in scouting work and in traveling.

Mr. McKanna is always ready to give his time in helping students with their many problems.

Mr. J. F. Boyd Vice-Principal

For the first two months of the 1956-57 school year, Mr. J. F. Boyd again held the position of vice-principal of Northeast High School. In November of 1956 he was appointed principal of Manual High School.

Mr. Boyd was respected and well liked by both students and faculty. He possesses, to a high degree, the necessary tact, intelligence, and sense of humor for handling the problems of a vice-principal. When off duty, Mr. Boyd was always a steadfast supporter of Northeast at all athletic events.

He spends his spare time at his hobby, which is woodworking. He says that this affords him much pleasure and relaxation.

Mr. Boyd has the best wishes of all Nor'easters in his new position.

Mr. Fred Heine Succeeds Mr. J. F. Boyd

This year Northeast welcomed a new Vice-Principal, Mr. Fred Heine. Before becoming vice-principal, Mr. Heine taught physical education for two years at Elmhurst College, and Mathematics and Commerce for four years at East High School. For the last eleven years he has taught mathematics, and assisted Mr. Markey with the Northeast varsity football team. He obtained his Bachelor of Arts Degree from Baker University, his Master's Degree from the University of Kansas City, and has done additional graduate work at the University of Chicago.

Mr. Heine's life is not all work and no play, however. His outside interests lie principally in sports and in reading books about political social science. In the summer Mr. Heine is superintendent of the Swope Park Swimming Pool.

Mr. Fred Heine, Vice-Principal

Miss Margaret L. Taylor Counselor

Miss Margaret Taylor, Northeast's counselor, has many daily duties, and cheerfully performs every task. Each day many students visit her office to consult her about their school problems. Seniors go to her for advice in choosing a college and to receive help in obtaining scholarships.

Miss Taylor's outside interests lie in music, in traveling, and in collecting, cutting, and polishing rocks. Her hobby is making jewelry from stones which she has found. Also on her list of activities is belonging to an educational sorority, to the American Personnel and Guidance Association, and to church groups.

Miss Taylor endeavors to be a helpful counselor to students and encourages them to come to her with all their problems.

Miss Taylor Shows Interest in Students

SCHOLARSHIP OPPORTUNITIES ARE MANY and Miss Taylor is never too busy to discuss them with an interested student.

ON CAREERS DAY many business men and women address our students, explaining the advantages and requirements for different careers. These visitors are Mr. Ernest Adams, Examiner, Civil Service Commission; Mrs. Mary Pat Orr Gettys and Mrs. Betty Krebs, Patricia Stevens, School of Modeling; Mr. V. E. Parker and Mr. A. E. Jacobs, Kansas City Business College, and Miss Margaret L. Taylor, Northeast Counselor.

Faculty

Our Teachers Encouraged and Helped Us

The members of the Northeast High School faculty have many duties to perform during each school day. Even with a very busy teaching schedule, the instructors take time out to help a student who is behind in his work or who needs additional training in order to go on to college. There are many ways in which an idea may be expressed in order to get it across to the minds of the students, and the Northeast faculty seems to know most of them. A funny story, a laboratory experiment, or a diagram on the blackboard may be used to explain the answers to what might otherwise be perplexing problems.

The teachers support the school activities in various ways. Besides teaching classes, many of them find time to sponsor a club, society, or some other extra-curricular activity. Almost all of them could be seen lending their moral support to those who were performing in sports events and school programs.

A close relationship must be maintained between the home and the school at all times. Our faculty does a very good job of this by working with the P.T.A. and by talking to parents who inquire about their children's grades and conduct. At no time in the life of a boy or girl is there a greater need for this cooperation than during the high-school period.

Every member of the Northeast faculty has completed his requirements for being a teacher by graduating from a special school, college, or university. They are still trying to increase their knowledge, however, by doing graduate work during the summer. Many of them also avail themselves of the opportunity to study or travel during the summer.

The students at Northeast feel that our teaching staff is interested in them and that it is doing its utmost to help them obtain a good high school training.

Teachers Are Busy from Eight Till Four

BEFORE SCHOOL EACH MORNING, faculty members can be found in the office signing in, gathering up their mail, and talking to each other.

SCHOOL'S OUT AN HOUR EARLY—faculty meeting.

REFRESHMENTS AND TALK are enjoyed by our faculty after a business meeting.

Our Administrators Have a Very Busy Day

MR. M. W. McKANNA
Principal

SOMETIMES A PRINCIPAL has to sit down and think over some of the many problems that arise.

MR. FRED HEINE
Vice-Principal

NOW, I'M NOT SO SURE that you've given me all the facts. How about it?

I BELIEVE I'VE FOUND THE SOLUTION to that one. At least, I'll give it a try.

CONTINUE, LAD, I'm listening.

IT WORKED OUT even better than I hoped it would.

WELL, THAT'S BETTER. It's always best, my boy, to be frank.

WHAT'S next?

NOW THAT WE HAVE IT ALL STRAIGHTENED OUT, you and I both feel better about it. We're still friends, aren't we?

THE FOUNDERS' DAY LUNCHEON, held at Oakley Methodist Church, helped to provide an enjoyable afternoon for these P.T.A. members.

P.T.A. Sponsors Many Fine Activities

Take a common goal, a lot of good cheer, a willingness to work, a great deal of time and devoted effort, and you come up with the Northeast P.T.A.

This year the P.T.A. has spent many hours devoting their services to sponsoring polio shots, selling Easter seals to fight Tuberculosis, and sewing for Mutual Help Drives. For the enjoyment of the student body, the P.T.A. backed the annual Junior-Senior Prom and

helped with the plans for the Graduation activities.

The object of the P.T.A. is to promote the welfare of children everywhere; to secure adequate laws for their protection; to raise the standards of home life; to bring a closer relationship between their home and school, and to give their children stronger spiritual, educational, and moral advantages.

CHATTERING till the last second, these happy girls enter their classroom.

Homerooms

One of the most important periods of the day is the twenty minutes set aside for homeroom. Of the various activities which take place during this period, the reading of the bulletin ranks first. This enables the administration, organizations, and faculty to convey the news of the special activities of the day as well as coming social events, club meetings, and athletic contests.

Each group elects officers to conduct and preside over the homeroom business. This includes electing student council representatives, collecting money for various causes and electing the junior and senior class officers.

At various times throughout the year, the homerooms are visited by students selling the school paper, the yearbook, and tickets for such school events as the All-School Show, Spring Play, and athletic contests.

Taking part in the activities that are planned for the homeroom develops a sense of responsibility in the student and also promotes good citizenship.

C.O.E. Offers Work-Study Program

The purpose of the Co-operative Educational Class is to give pupils the opportunity to discover the types of work which they like best. With Mr. Sang's aid they select training employment in the field of their choice.

The pupils attend school for three hours in the morning and work at their C.O.E. jobs in the afternoon.

The student earns one unit of credit by working and one unit in C.O.E. class.

Members are selected upon the basis of past grades, attendance, attitudes, and purpose in taking the program.

The C.O.E. students held a banquet in April. Roma Hanlon and Joe Vento were chosen mistress and master of ceremonies.

By receiving experience and training while still in high school, the pupil is prepared sooner to take a full-time job.

Drivers' Ed Stresses Safe Driving

The year 1956 was a tragic year on our streets and highways, as traffic fatalities numbered 40,000, while the injured list totaled nearly two million. In spite of the bad records, the American Automobile Association points to the fact that Driver Education students have only fifty per cent as many accidents as the untrained driver.

The school year '56-'57 marks the tenth anniversary of Drivers' Education in the Kansas City Schools. The Drivers' education in-

structor, Mr. David F. Becker, tries to instill in the students a desire to drive safely at all times. The students are taught the correct way to handle a car. In the classroom an excellent course of study is followed. This course includes safety rules, the highway laws of Missouri, and the functions of the different parts of the motor.

This course trains many students to be good drivers.

Societies Work Toward Annual Contest

Friendship and competition are two important phases of school life. The literary societies foster both of these qualities in their members.

In the fall, new friends were made and old acquaintances were renewed as the societies began their long drive toward a memorable literary contest. Every member did his part by either writing a short story, an essay, a poem, or an oration, or by memorizing a declamation.

Each event was judged within the individual societies in order to determine who would represent that society in the "Lit" Contest.

During the course of the year each society took time out to have some fun. At the end of the first semester, they each had a mid-year event, which could be anything from an informal chile supper to a formal tea. The biggest event bringing the societies together is

Lit Night Climaxes an Exciting Year

the Inter-Society Dance, planned this year by the newly formed Inter-Society Cabinet. The dance was held in an atmosphere of gaiety and excellent music.

After the excitement of the dance was over, everyone went back to work, as the feeling of competition grew more keen. Stories, essays, poems, orations, and declamations were made ready for the final judging; "Lit" costumes were chosen and kept secret.

Then came the big night; the "Lit" Contest was here! After each society marched down

the aisle in historical order, a round of songs was sung. When the declamations had been given, the judges' results in, and another group of songs sung, Mr. McKanna announced the individual winners of each event and finally the winning society. Excitement, tears, and confusion followed as everyone rushed to the stage to congratulate the winners.

The last event of the year was the farewell banquets. Here the seniors said farewell to those they were leaving behind.

Latin Lives Today at Northeast

Through the Latin Club an opportunity is furnished for pleasurable learning about the Romans and their civilization. The Club is also the means of giving an outlet to dramatic instinct, thus making practical use of the Latin language.

"Latin Lives Today" in Northeast High

School, not only through regular class work, but also through practical use of the language in plays, songs, and games.

Today Latin may be termed a dead language, but it is becoming more alive as a basic help in the study of other languages and in many professions.

The main purpose of the Art Club is to develop in the students a greater interest in art.

Miss Mabel Newitt, after twenty-four years of teaching art at Northeast, retired at mid-year, Miss Charlotte Cannon taking her place.

Making a Red Cross Portfolio to send overseas ended the year successfully.

Red Cross

The Northeast Junior Red Cross works closely with the Kansas City Chapter. It is helpful in time of need, and provides pleasure and enjoyment for those who are confined in Hospitals.

Miss Cannon, the faculty sponsor, and Judy Michael, student president of the organization, have worked closely with the other members to have a successful year.

Languages Are Practiced at Club Meetings

The Spanish Club is comprised of students who endeavor to become proficient in the use of the Spanish language. One purpose of the Spanish Club is to promote a better understanding of the Spanish culture. The highlights of the club's 1956-57 program were a Christmas fiesta, a spring picnic, and a Pan-American Day dinner.

When the end of the year arrived, the members of the Spanish Club felt as though they had achieved their goal for the year by learning more about the Spanish people.

Y-Teens Enjoy Year of Hard Work and Fun

The purpose of the Y-Teens is to build a fellowship of women and girls, devoted to the task of realizing in everyday life those ideals of personal and social living to which Christian faith commits one.

The only qualification for membership is the desire to accept the purpose and ideals of Y-Teens.

The girls sang Christmas Carols before and

after school in the alcove during the week before Christmas. In this way the girls felt as though they had done a small part in adding to the joy of Christmas.

Once each month a special activity was planned. These projects included hayrides, picnics, chile suppers, and selling mixed party nuts at Christmas. Profits of the sales were turned over to the World Fellowship Fund.

Y-TEEN CABINET—Hazel Gauert, Secretary; Mary Brown, Treasurer; Carolyn Reed, President; Sandra Parisi, Vice-President.

Y-Teens Had A Very Active Year

This year's annual Sweetheart Dance was held at the downtown Kansas City Y.M.C.A. Celester White and his band furnished smooth dancing music for the couples during the evening. The hall was beautifully decorated in red and white crepe paper, with various sizes of red hearts to carry out the theme of St. Valentine's Day.

Three seniors were nominated to run as queen. The princesses were chosen from the three juniors and three sophomores nominated.

The queen and her attendants were elected by those who attended the dance. Georgia Spangler, Sweetheart Queen, received a rhinestone tiara and was crowned by last year's queen, Joanne McConnell Royal. The two princesses, Sue Durham, a junior, and Joyce Goodman, a sophomore, were each given an engraved gold locket.

The girls and their sponsor, Mrs. Cahill, agree that through rich fellowship, hard work, and a lot of fun, much has been accomplished.

Hi-Y Stresses Character Building

All teen-age boys are eligible for membership in the Northeast Hi-Y Clubs. New members are usually nominated by boys who are already in the club. The purpose of the organization is to create an atmosphere of friendliness, clean speech, and good sportsmanship. It is also the purpose of the "Y" to encourage high standards of Christian conduct in the home and the community.

A typical Hi-Y meeting is opened by the chaplain, who is an integral part of every club. Following this is the business meeting, where plans for the following week are discussed. These plans often include guest speakers, who talk on a variety of subjects: educational as well as entertaining movies; tours; skating parties; and hayrides, which are frequently open to everyone.

SINCE MANY OF THESE HI-Y BOYS are also loyal Debaters, they take time out to sing their Debater theme song, "Hail to N.S.D."

Hi-Y Boys Plan Numerous Activities

One of the most important things which the Hi-Y sponsored was the annual Snow-Ball dance, held at the Downtown Y.M.C.A. A grand promenade led by the queen candidates and their escorts was followed by the crowning of the queen, Karen Tuleen.

Another major activity of the Hi-Y boys is the Youth and Government Conference held at Jefferson City, Missouri. Northeast, with eight boys, had the largest delegation from the Kansas City area. At the conference each boy took his place in the chambers of the Capitol Building as a representative or a senator. The first business of the day was the elec-

tion of a boy governor who was to preside over the whole affair. Following this, each club, many of them from far points in the state, submitted bills and resolutions which they hoped would be passed. These bills were debated in each House, and those which were passed were submitted to the governor for his approval or veto.

The boys who had the opportunity to attend this mock legislative assembly felt that they gained a great deal of knowledge about the methods which are used in running a democratic form of government.

THE NORTHEAST SEAL CLUB offers girls with superior swimming ability an opportunity to display their talent.

"Get on your mark! Get set! Go!" are orders commonly yelled to the Seals by their sponsor, Mrs. Marilyn Diester.

The purpose of the Seal Club is to develop an interest in water sports and to provide especially for participation in all types of swimming and diving. Because they have become most proficient in the art of synchronized swimming, the girls spend much of their time composing routines, studying rhythms, and perfecting their stunts. The Seal Club made many public appearances and thoroughly amazed and delighted audiences that have watched them perform in Greater Kansas City.

To qualify for membership, the future Seals must pass the required swimming tests, maintain a good grade average, and have high character ratings. Each one must also be enrolled in Physical Education. The members are selected by the vote of the entire Seal Club body.

The fall event was a big "splash party" at the Kansas City Athletic Club, and in the spring the annual picnic and swim party was held.

Olympians Practice Good Sportsmanship

The purpose of the Olympic Club is to stimulate an interest in girls' sports. To be eligible for membership a girl must maintain a strong "M" average, be enrolled in physical education, and obtain one intramural credit for each semester she remains in the club. The most important requirement, however, is a sincere desire to promote good sportsmanship and fair play among the sports participants.

The annual Fall rush party, initiation, a Christmas party, and a picnic in the spring, were just a few of the events on the fun-filled Olympic Club agenda.

Miss Lou Jean Moyer, the sponsor, added to the success of the club by lending her enthusiastic support to all its endeavors.

The Olympians have had an eventful year. Doubtless, both the graduating seniors and the returning members will remember this past year and the fun they have had together.

The Man Who Came to Dinner

Mr. Sheridan Whiteside, a famous writer and critic, while visiting Mesalia, Ohio, accidentally slipped and fell on a piece of ice and broke his hip on the sidewalk of Mr. and Mrs. Ernest Stanley. For a period of about six weeks, the Stanley household was in a state of turmoil.

The celebrity dominated the living room, which was his office for transacting all his business during his entire stay. It didn't seem to matter that the Stanleys were intimidated into living upstairs, not using the phone, although the bill was seven hundred and eighty-four dollars, and using the back entrance to their rooms.

Presents galore were sent to the ailing critic, such as penguins, which he kept in the library; an octopus, which he kept in the cellar; and cockroaches, which just happened (?) to escape in the kitchen.

Believing his hip broken, Mr. Whiteside is confined to a wheelchair. Dr. Bradley, his doctor, suddenly discovers that Mr. Whiteside doesn't have a broken hip; he had been looking at the wrong X-rays. Mr. Whiteside, wishing to stay and *stir up* things a little farther, makes the doctor promise he won't tell their secret to a soul.

When Maggie Cutler, Mr. Whitesides' personal secretary falls in love with Bert Jefferson, the owner of the Mesalia Journal, the local newspaper, Mr. Whiteside seems to believe it

to be puppy love. When it becomes serious, Sherry summons the glamorous actress Lorraine Sheldon, to win the affections of the young man and bring Maggie back to her senses.

Maggie catches on to Whitesides' skullduggery and has Beverly Carlton, a friend of hers, call Lorraine and impersonate Lord Bottomley, Lorraine's fiancée, and ask her to return promptly to London and marry him. The plan worked perfectly until Sheridan found out that there had been no phone calls from London on the phone. That blew the lid off of everything. Revengefully, Lorraine suggested a three-week vacation to rewrite a play of Bert's in which she pretended great interest. Unsuspectingly Bert agreed to the plan of going with her to Lake Placid to work on his manuscript.

Whiteside finally saw that Maggie and Bert were really in love and felt bad about his sordid actions. A mummy case miraculously arrives from the Khadive of Egypt, just as he was frantically seeking a way to get rid of Lorraine. Tricking her into stepping into the case, it was a simple matter to lock the door and get rid of her. By this time Whiteside was ready to leave the so-called mortuary. As he left, he again slipped on that piece of ice, breaking his hip. This time for real.

Cast Has Fun at Spring Play Practice

"OH, GOOD MORNING, LADIES," says Mr. Ernest Stanley to two old cronies, Mrs. Dexter and Mrs. McCutcheon. Also seen in the picture are Mrs. Ernest Stanley and June Stanley.

"WHAT AM I TO DO?" sings the incomparable Beverly Carleton as Maggie Cutler and Sheridan Whiteside look on attentively.

"BEHOLD I BRING YOU ROACH CITY!" exclaims the incredible Metz as Mr. Whiteside and other members of the cast look on gleefully.

"I'VE GOT A FRIEND that doesn't believe in Santa Claus," says Bert Jefferson, the newspaper man, as he enters the scene.

Speech Arts Club Studies Dramatics

"You're on now!" is a sentence that everyone in the Speech Arts Club longs to hear. A gold star on a stage door is, of course, everyone's dream. Since, however, not all students in Speech Arts have the ability to become great actors or actresses, these people take care of the "behind the scenes" work of putting on make-up, arranging proper lighting, and planning effective costuming. By promoting further interests in drama and speech and giving experience by actual participation

in various activities of the theater, the Speech Arts Club fulfills its purpose.

Many of the members of the club participated in the fall show, "Star Trails," which was sponsored by the speech department. The theme centered around student activity on a college campus involving the preparation of a hayride.

Several assemblies were sponsored by the speech department. These were the humorous plays, "Desperate Desmond's Dastardly Deed,"

The club took many trips to Kansas University to see plays presented by the students. Some of the students in the casts were Northeast alumni.

The Enthusiasm of the Attractive

"Yea, Northeast! Fight! Fight!" is a cheer always yelled by the Northeast Pep Club at pep assemblies and when the club is cheering Northeast on to victory.

This Pep Club has long been a part of our fighting school spirit. It was organized to arouse enthusiasm at all games and to promote a sense of loyalty to the athletic teams. The club feels that it has achieved its purpose.

There is no limit to the membership of the Pep Club and anyone may join; but to remain in the club, each student must pay semester dues and attend all interscholastic league games.

This is the first year that the girls have dressed uniformly. They chose a new name which connects them more closely to the Vikings. The Vikettes, as they are now called,

The group also sponsored many assemblies throughout the sports season. The cheerleaders, who were Judy Morlan, Pat Feagans, Elaine Morlan, Barbara Hill, Judy Elledge, and Sally Pugh, led these meetings. At one pep rally they gave a skit

Council Exerted Themselves Making Village Tops

The dreamy music of the Celester White Band successfully ushered in the 1956-57 season with a semi-formal dance.

The purpose of the Viking Village is to provide social activities on Friday nights for Northeast High School students and their guests.

This year, Northeast added a homecoming to their many events. The football team nominated five candidates, one of whom would be selected by the student body for Homecoming Queen. Judy Michael won the election and was later crowned the first Homecoming Queen by Ray Ricono, the football captain. She reigned over the football game and the Homecoming Dance, which was held at Viking Village.

At the Village many activities such as dancing, playing table tennis, or gathering around the snack bar to discuss the latest games, the newest fashions, a coming social event, the current gossip, or school life in general seem to head the list of favorites with the students.

The Viking Village depends on the sale of season passes and single admission tickets to meet its expenses. Viking Village is open every Friday night from 7:30 to 11:30, but on the

nights when a basketball or football game is played, the Village is open from 9:00 to 11:00 o'clock. People from other schools are admitted only if they are with a person who has a pass.

The Viking Village Council, which consists of members from all four high school classes, is selected for the coming year by its present members. In May, John Porter, the 1956 mayor, handed over the responsibilities of this office to Nancy Keirns, his successor. The mayor presides over the council, which meets once a week at the City Hall to discuss plans for the following week. They try to make the Village as interesting as possible and to have seasonal dances such as the Football Dance and a Halloween Dance. A Hobo Dance, a Soda Pop Hop, and a "Women Pay All" Dance added variety to the weekly mixers. The choice of a popular band is one item always coming up at the council meetings. They also have many duties, such as ordering refreshments for the snack bar, planning talent shows, and decorating the gym for special occasions.

The success or failure of the Village depends on the interest and enthusiasm of the students of Northeast. Thanks to the Vikings, the Village has had a very good year.

Staff Enjoyed Their Busy Year

Sighs of relief are being released by the members of the Nor'easter staff as they receive the printer's proofs of their year-long efforts on the '57 Nor'easter.

The staff has had a busy year recording Northeast's many events. Typewriters clicked steadily preparing the index, typing many drafts of the stories, and making ready the final material for the printer.

Mr. Kresse's cold camera eye recorded hundreds of pictures of students and faculty at sports events, dances, club meetings, and in the classroom. The writers used up many pencils in producing the stories for the Nor'easter.

Linda Fornelli, the editor-in-chief, and Lor-

etta Steers, her assistant, began planning the yearbook in the fall. They worked diligently throughout the year to carry out these plans.

The senior editor, Carol Wansing, devoted many hours to her job. She finally received all the senior pictures and arranged them properly for her section of the book.

In early fall, Joan Bethke, homeroom editor, was quickly set to work having all the homeroom pictures taken and prepared for the engraver. After the idents were sent to the printer, she took a short vacation!

John Porter, sports and R.O.T.C. editor, was responsible for all football, basketball, track, and R.O.T.C. pictures and stories.

It Was a Great Fight, Kids, but We Won (?)

Business Manager Georgia Spangler was in charge of the sales campaign and the collection of money. This work kept her very busy.

Always there, taking and printing pictures, polishing stories, and guiding the efforts of the staff was Mr. Kresse, the yearbook adviser. He put in many extra hours to make this year's book a worthy successor to the thirteen preceding Nor'easters he has directed.

The staff hopes that you will be as proud of your 1957 yearbook as they are to deliver it to you.

The Courier Staff Reports the News

"We have a deadline to meet! If you don't meet it, you are the ones who will be embarrassed!" is the well-known warning given every Courier Staff by Mr. Thomas Ditmars, faculty instructor in charge of the Courier.

The purpose of the Northeast Courier Staff is to publish a school newspaper which will report all the news-worthy activities of the school, and to produce articles and editorials which will reflect the best features of the school.

To qualify for membership on the staff, each

person has to have good citizenship ratings, above average grades in English, and one semester of Newswriting the preceding semester. Only juniors and seniors may be on the Courier Staff.

During the semester of Newswriting, every student learns the essentials that go into publishing a newspaper; the proper way to write news stories, editorials, headlines, and feature articles; and the proper way to read proof and copy, which is very important in every type of publication.

of Important School Happenings

At the beginning of the second semester, Mr. Ditmars appoints students to their staff positions.

Each member of the staff, regardless of his position, has the responsibility of covering all the school activities from formal dances and banquets to informals initiations and sports events.

During special holidays or events, an extra page is added to the regular four-page paper. The paper is published by-weekly and all of

the printing is done by the printing department, under the direction of Mr. O. W. Kunz.

The Editor-in-chiefs were Mary Lou Kropf first semester, and Karol Soldanels second semester.

The Courier Staff did an excellent job of covering the news events during the year. Each member who contributed to the paper certainly earned the right to be proud of their finished products.

Student Council Achieves Better

The first homecoming Northeast has had in many years was one of the activities sponsored by the Student Council and its coordinator, Mr. Herbert Sang. Writing a new constitution, publishing a student handbook, sponsoring a foreign exchange assembly, and participating in the High School City Hall Day were a few of the other activities carried on for the betterment of the school and the welfare of the students.

The members of the council are made up of representatives elected from each homeroom,

the only requirement being the student have at least average grades and a good citizenship record.

The whole council was divided into eight committees which set up and carried out the various activities for the year. Each committee was sponsored by a member of the faculty. The Student Welfare Committee, sponsored by Mr. Fred Heine, planned the social program of the council. Mr. Leonard Western, Publications sponsor, published, besides the minutes of the meetings, many other things helpful to the

The Election Committee, under the direction of Mr. Clifton Johnson, had supervision over all main elections held in the school. Miss Margaret Taylor, counselor, sponsored the Courtesy Committee, which maintained the Information Desk in the alcove during each hour of the day. The Legislative Committee,

sponsored by Mr. Herbert Sang, was responsible for granting charters to clubs and societies.

The Civic Committee, sponsored by Miss Mable Newitt, was in charge of the charity drive campaigns.

The Student Council has planned and carried out many activities, but the main purpose of this organization is to secure a closer co-operation between the faculty and the student body, thus providing a common ground for discussing problems concerning the school.

The Northeast Band Delights Audiences

This year Northeast boasted a fine band consisting of seventy members. Each member is required to have played an instrument for at least two years and be able to read Class A and B music.

The band displayed its talent when marching in the American Royal Parade, the Westport Day Parade, the first annual Homecoming game, and by playing before school assem-

blies. During the Thanksgiving season, the band gave a concert at which time they introduced their newly acquired chimes. On February 14, the band went to the Municipal Airport to play for Mr. Clifford Nowlin, who was presented with a gold key by General Maxwell Taylor.

The experience gained by playing before the school and community was doubtless a very great factor in their success.

Orchestra Displays Outstanding Talent

In the years ahead, our thoughts will turn back to Northeast High days; perhaps a melody will evoke a memory. The present members of our orchestra will think back to the fun they had in playing together and of the great enjoyment they brought to the whole student body.

The highlight of the year was the annual Music Festival, given in cooperation with the band during the spring. Both groups also played in the All-City Orchestra Festival, which was held at Northeast Junior. All the

orchestras of the city participated in this event; Northeast compared very favorably with the others. Northeast was honored by having two members chosen for the All-City Orchestra. This specially selected group played in the All-City Music Festival.

Under the direction of Mr. Harry J. Bianco, the orchestra contributed in great measure to the cultural advancement of our school. In his classes at the Junior building, Mr. Bianco worked hard to prepare the students for their future participation in the Senior High groups.

Choir's Performances Are an Inspiration

The A Cappella Choir, composed of eighty-eight carefully selected students, is directed by Miss Violet Clausen and accompanied by Mrs. Margaret Flagg. The choir worked hard throughout the year to perfect its perform-

ances.

It opened the State Teachers Convention, sang at the Christmas and Easter Assemblies, took part in the All-City Music Festival, and gave a farewell performance to the students.

Mixed Chorus Is Stepping-Stone To Choir

The goal of Miss Violet Clausen's Mixed Chorus is to learn to read and hold a part in harmony and to learn more about correct vocal production. In order to achieve this goal the students listened to symphonies and many other kinds of music, practiced sightreading, and did vocal exercises, which included contracting and relaxing the vocal cords, deep breathing, and the singing of scales.

Girls Provide Musical Performances

Miss Cain's girls' chorus learned how to develop their voices and skill in reading music. They practiced solos and three-to-six-part harmony.

To celebrate the Golden Anniversary of The Music Educators National Conference, all the girls choruses of the city sang in the All-

City Music Festival. The six hundred girls, dressed in pastel colors, presented a lovely sight as they sang four selections. The Northeast Girls' Chorus also sang in the Christmas assembly.

The girls exhibited talent that showed they had accomplished much during the year.

Training Improves Voice Qualities

BOYS' CHORUS

The main goal of the boys' chorus is to develop a love for music. The boys learn how to improve their voices and obtain a better understanding of the essential symbols used in the reading and singing of music.

The boys' chorus, led by Miss Martha Lee Cain, joined other music classes in singing in the Christmas assembly. It was a fine performance, which displayed much preparatory work.

VOICE CLASS

About twenty students were asked to participate in Miss Violet Clausen's second-hour Voice Class this year. The purpose of this special group is to improve the voices of the students and give them experience in singing solo parts.

The results of their many hours of practice were shown during a special Christmas assembly, which proved that they had indeed gained much from the careful training under Miss Clausen's expert direction.

The Girls at Northeast Have

The girls' sports department had a varied program of events. Among the most important were the Sportsdays, which provide an opportunity for the Northeast all-girl team to compete with other high school girl teams in a supervised one-day tournament.

Hockey Sportsday, which was the first contest of the year, was held at Northeast. The competition was stiff, but the well-coached Northeast team defeated both East High and Southeast High by a score of 3-0.

The Basketball Sportsday was held at Van

Horn High School. The Viking girls first met the Paseo team and easily trounced them with a final score of 13-3. In their second game, which was against Lincoln, Northeast was at a great disadvantage as far as height was concerned. However, the Vikes had almost overcome that height handicap, when time ran out, leaving the score 24-22 in favor of Lincoln.

Northeast displayed fine training and sportsmanship in the Softball Sportsday, as in all the others.

THE ANNUAL Junior-Senior basketball game is on! It's always exciting. The seniors won by a score of 17 to 13.

"WATCH FOR THE BIRDIE!" A game of badminton in the girls' gym is lots of fun and affords healthful exercise.

an Excellent Sports Program

The girls' sports department has only one money-making project a year, which is the Junior-Senior Basketball game held in the boys' gym at the school. A contest was held between the juniors and seniors to help the sale of tickets to the game. The game proved to be a thriller, for the teams were evenly matched. The Juniors held a good lead at the half, but in the fourth quarter, the Seniors began scoring rapidly, and won the game by a score of 17-13.

Every year, the girls who display better than

average ability in sports are selected for one of the special seventh-hour gym classes. Mrs. Marilyn Deister's special class consists of the best swimmers in the school. This special hour of the day gives the girls the opportunity to practice and perfect their strokes and water ballet stunts. Miss Lou Jean Moyer's class is made up of the most promising hockey, basketball, volleyball, softball, and badminton players. The sportsday teams are usually chosen from these two special classes.

Vikes Finish With 2-2-2 League Record

The Northeast Vikings started out the 1956-57 football season with a new head coach, Mr. Kenneth Hawthorne. Although there were but two returning lettermen, Coach Hawthorne, with the skillful assistance of Line Coach Fred Heine, directed the Vikings through a season in which they suffered only two defeats at the hands of Interscholastic League opponents.

In nonleague tilts, Northeast started off slowly, dropping the first two games of the season to Raytown and William Chrisman.

At the first league game, Southwest held Northeast to a 6-6 tie, the Indians stubbornly denying the Norsemen the right to cross the Southwest goal line more than once.

In the second league game Northeast, with many players already sidelined by injuries, was defeated by a strong Central team, 13-6.

Northeast next took spectators completely by surprise, with a 33-7 rout of East High School, defenders of last year's title. North-

east thus dealt the Bears their first league loss since 1953.

Then came the Southeast Knights, chosen by many of the high-school coaches as the team most likely to take this year's Interscholastic League title. Northeast, following in the footsteps of all of Southeast's opponents, was overpowered, and lost by the score of 34-7. The Vikes scored their lone touchdown on what was possibly the most exciting play of the evening—an 86-yard kick-off return during the second quarter.

The following week the Westport Tigers sadly watched their 13-6 lead vanish when Northeast tied up the game with only a little over a minute remaining. The Vikings almost added a winning score, but were stopped on the 3-yard line as the game ended.

In the last two games of the season, Northeast switched, for the first time in fifteen years, from a split T formation to a single wing. Perhaps owing to this change in of-

fense, the Vikings rolled over the Van Horn team, not yet in the league, by a score of 19-6, and then ended the football year by soundly drubbing the Paseo Pirates, 24-0.

Ray Ricono, Northeast's outstanding back, won a place on the Kansas City All-Star Team for the second year in succession.

Also bringing high esteem to Northeast were Chuck Harmon, Jim Ferro, John Croucher, and Larry Terry, all of whom received Honorable Mention in the post-season polls.

Since almost half of this year's team was composed of juniors and sophomores, Northeast can expect to place high in league standings again next year.

Viking Second Team Gains Experience

Northeast's regular second team football boys were joined by a hard-working freshman squad last fall in their steady practice each afternoon.

Both the freshmen and second team played a full schedule of games during the 1956-57

season.

Under the direction of Coach Charles Huhn and Coach Lloyd McFerren, the boys on these teams gained the experience necessary to help lead Northeast to future championships.

Viking Cagers Surprise Many N. E. Fans

For the first time in eight years, the Northeast basketball team did without the services of a big man at the center position. In spite of this handicap, this Viking team surprised many by zooming into league play with five pre-season wins and only one setback.

Their first league game was a thrilling tilt with Central, in which the Vikes managed to emerge on top by a score of 47-43.

After next defeating Rockhurst, the Vikings came up against a tall Paseo crew, who handed the Norsemen their second loss, 39-36.

After easy wins over Manual and De La Salle, Northeast was surprised by a determined team from East High School, which gave the Vikes their third loss in eleven starts.

Bouncing back from this one-point loss to East, Northeast ran over Van Horn, 66-43, and trounced Southeast 51-43.

The next week the Norsemen met the league-leading Lincoln Tigers and played a great ball game. They kept within striking

distance of the Tigers for 28 minutes, but in the last four minutes of the game Lincoln ran up a 59-43 score.

A defeat by Westport and a ten-point win over Raytown left Northeast with one more league opponent—Southwest. With two of the regular starters out with sickness, Northeast could not quite come through, and Southwest defeated the Vikes, 64-60.

Northeast's first foe in the regional tournament was Van Horn. The Vikes ran up a 25-4 first-quarter score against the Falcons, and then went on to win the game, 65-46.

In their second game the Vikings were defeated by North Kansas City. However, Northeast had already earned the right to play in the consolation game the following night. Their opponent in this tilt was De La Salle, whom the Vikings easily overcame, 44-31. Northeast thus closed another successful season by taking third place in the North Kansas City regional tournament.

Fleet-Footed Vikes Have Good Season

The Northeast Track Team started working out soon after the close of the football season. This early conditioning proved to be beneficial, as was evidenced by the fact that the boys outran the Haskell Indians of Lawrence, Kansas, in their first meet of the year. They also did well at the Big-7 Indoor Track Meet in Kansas City, and at the State Indoor, held at Columbia, Missouri.

In their first meet with league opponents, the fleet-footed Vikes breezed by Westport and Lincoln. Another triangular meet followed

at which the Southeast Knights took first place, followed by Northeast and Van Horn.

The Norsemen participated in the K.U. Relays, Shawnee Mission Relays, and the East High Invitational. They also went to the St. Joseph Relays and the State Outdoor Track Meet. They completed the season at the Kansas City Meet, which was between the Inter-scholastic League teams.

The fine record compiled by this year's Viking track squad shows that the competitive spirit is still high here at Northeast.

Northeast Cadets Have a Superior Year

Sergeant Eugene M. Ruch and Captain W. Daniel supervised the instruction of the one hundred and thirty cadets who enrolled in R. O. T. C. last fall. These boys took R. O. T. C. to prepare themselves to meet the problems of citizenship by providing a groundwork for intelligent and unselfish leadership.

To enroll in R. O. T. C. a student must be a citizen of the United States, at least fourteen years of age, and in good physical condition. Qualifications for enrollment are also based on a student's grades in school and his moral character.

Assisting Sergeant Ruch and Captain Daniel in their instruction were cadets Harold Fuller, Battalion Commander, and Fred Zaman, Battalion Executive.

Competing with other Battalion Commanders from Kansas City, Cadet Major Harold Fuller went before the Cadet Colonel Board and managed to bring honor to himself and Northeast by achieving the status of officer in charge of Plans and Operations on the Divisional Staff.

At the R. O. T. C. Circus, the Northeast cadets staged a spectacular tumbling act.

Northeast also placed in the Federal Inspection in which all Kansas City R. O. T. C.'s competed, and actively participated in the Field Day. The cadets look forward to the Summer Camp which will be held at Fort Leavenworth in early June.

Through the R. O. T. C. training, the cadets have learned much about army life, especially the importance of discipline and teamwork.

Picked Cadets Take Part in These Two Units

R. O. T. C. RIFLE TEAM

This year, as in the past, Northeast had another crack rifle team. Larry Anderson, Larry Gillen, Bill Kelly, Jack Link, and Howard Downing, the cadets on the team, won third place in the Inter-scholastic matches by defeating East, Southeast, Manual, Lincoln, and Central.

They next competed in an unofficial match at Wentworth, and on the last day of February they fired in the Little Camp Perry Matches, which were held at Boonville.

As a climax to a superior year, the Northeast Rifle Team had the honor of being invited to fire on the 5th and 6th of April at the Wichita matches, sponsored by the Army R. O. T. C. of the University of Wichita.

R. O. T. C. DRUM AND BUGLE CORPS

The fact that the Drum and Bugle Corps practices regularly every Monday, Wednesday, and Friday, must be the reason that it does so well.

The Drum and Bugle Corps began the year by participating in a composite unit which played in the Veterans Day Parade. They also took part in honoring a former vice-principal of Northeast, Mr. Clifford H. Nowlin, as he started his journey to Atlantic City, New Jersey, where he was to be presented an award by a former student, General Maxwell D. Taylor.

Since many members of last year's outstanding corps have returned to add their experience to this specialized unit, the Drum and Bugle Corps looks forward to placing high in the Field Day competition this spring.

THIS GRAND MARCH of three hundred couples was a highlight of the Military Ball.

The Military Ball Was Enjoyed by Many

The Eighth Annual Military Ball, held at the Pla-Mor Ballroom, was the highlight of this year's R. O. T. C. activities. Lovely girls in swirling formals, and handsome cadets in olive-drab uniforms created that certain air of festivity present at all successful formal dances. Nearly eight hundred couples danced to the music furnished by Les Copley's popular thirteen-piece band.

Judy Michael, the Northeast Queen, and one of the eight co-queens of the ball, was

crowned by Charles S. Stevenson, civilian aide to the secretary of defense of Missouri. Following this ceremony the queens and their escorts led a grand march of three hundred! The principals of each high school opened the dancing, having as partners the queens of their respective schools.

After several hours of pleasant dancing, the hundreds of cadets and their dates left the Pla-Mor Ballroom highly delighted with the success of the 1957 R. O. T. C. Ball.

QUEEN OF NORTHEAST R. O. T. C., Miss Judy Michael, smiles happily at Charles Stevenson, Civilian Aide to the Secretary of Defense of Missouri, as he congratulates her.

Cadets Study the Routine of Army Life

BEAMING OVER A DRUM AND BUGLE CORPS TROPHY are Captain William Daniels, Master Sergeant E. M. Ruch, and Cadet Major Harold Fuller. This second-place trophy was won for Northeast on Field Day.

WENTWORTH AND NORTHEAST met to test their skill and accuracy by competing in a rifle match. Ten such matches are held each year.

THIS MAP READING CLASS, led by their instructor, Captain Howard Downing and assistant instructor, Jay Carper, is receiving instruction in map reading.

Junior Class Looks to the Future

The Junior Class of 1956-57 will remember the past year as a very successful one. They encountered new ideas and assumed new responsibilities, gaining strength from these experiences.

As juniors they began to feel that they, too, were important in the various school activities. They knew then that they were now leaders, to a certain extent, in school. They could become officers in some of the clubs and organizations, or even hold an office on City Hall Day. These things and many more went into making their junior year more pleasant.

Studies were chosen more carefully to fit the field in which the students plan to enter upon leaving school. They began to see the need of a good education. On Careers' Day and College Day, they learned of the many opportunities lying ahead for them after high-school graduation. They started to take more pride in all their work and made sure that their mistakes were corrected. Grades became of more importance to each junior as the thought of being on the Honor Roll or in the National Honor Society. School life became a

challenge rather than merely a time for continual play.

The year was not all work and no play for the juniors, however. Some of the boys were on the football, basketball, or track team. A few of the girls also participated in sports at such times as the Junior-Senior basketball game. Everyone had a chance to have fun cheering for the Northeast teams at all their games. Besides sports, they joined societies and clubs, and had a great deal of fun working together and making new friends. Students who were theatrically inclined had the thrill of helping produce the all-school show and the annual spring play. Those with an interest in music found that they could try for the honor of being a member of the A Cappella Choir. The climax of the year came with the musical, magical night of the Junior-Senior Prom.

When all of the exciting happenings of their junior year have passed into the realm of memories, the 1956-57 juniors will realize that as seniors they will have an even more wonderful year.

Officers Lead Students Toward High Goals

Every senior class has its own special talents, and this year has been no exception. Each senior has tried to do his part to make Northeast a better school.

The seniors have followed the path of learning through grade school, junior high, and now have completed the first half of the long journey by graduating from high school. Some will leave the halls of Northeast to continue their education at their favorite college or university. A few will enter the armed services upon graduation, while many more will enter the world of business.

Through all the years to come, no memories will be quite the same to them as those of their senior year. The 1956-57 seniors will have much to remember, as they have completed a very busy and exciting year. They will not readily forget when they received their senior rings, and soon afterward, exchanged their stamp pictures. As the months passed, they

chose their class officers, ordered and received their graduation announcements, eagerly awaited the outcome of the senior ballot, and had the thrill of the last dance at the Prom. When the last week of school came, the tension mounted as many obligations were yet to be fulfilled. There was the banquet, held at school, the reverent Baccalaureate service, and finally the long-awaited thrill of graduation. On that night every senior was filled with the pride of now being a high-school graduate.

They have now finished the year with a lot to look back to, and even more to look forward to. This last year has been spent in happiness, glory, and some disappointments.

The seniors will go on their chosen fields, eventually being prepared for what the future holds in store. They will cherish these memories and many more, the fun they have had, and the work they have done will always be remembered as the happiest times of their lives.

Forty-one Make National Honor Society

The highest scholastic honor that it is possible for a student to receive during his four years in high school is to be elected to the National Honor Society.

Only the students who are in the upper fifteen per cent of the senior class, and about two per cent of the junior class, are eligible for membership. Those who are chosen must have a grade average of at least "S" plus.

Leadership, service and character are also very important. The final decision of who

shall become a member is left to the judgment of a faculty council. The teachers who served in this group this year were Mrs. Gertrude Bell, Mr. Ellis Babbit, Miss Aileen Cady, Mrs. Gladys Gaylord, Mrs. Annabelle Bailey, Mr. Thomas Ditmars, and Mr. George Calvert, chairman.

The honor of being in the National Honor Society is one that will not be readily forgotten by any of the students who have been elected to its membership.

Seniors Plan Their Future

DAY DREAMS? No, it is merely Wanda Bond dreaming of her approaching wedding.

"LOOK AT THOSE MEDALS!" I surely hope I'll have that many by the time I'm out of the service," Ralph Redenbaugh tells Bill Kidwell as they think of their futures in the Army.

"THIS COLLEGE looks good to me!" exclaims Larry Cammack to Anna Jank and Jim Ferro as they leaf through many college yearbooks.

CONTINUAL PRACTICE on the typewriter prepares Pat Gibbs, Sandra Nichols, and Beverly McElmurry for their jobs after graduation.
