Our school is people:  
It's the principal  
Being a friend;  
It's the teachers  
Giving tirelessly to lead,  
To inspire, to open doors;  
It's the students, casual  
Or serious, avid to know,  
Eager to speak;  
It's people with hopes,  
Anxieties, dreams,  
Permanent school spirit —  
These are our school . . .  
And the spirit within it.

The student realizes that  
Education is the strongest  
Foundation of a forceful personality . . .  
If he keeps an open mind,  
Out of class and in,  
He may attain his lofty aims,  
So when summer comes  
He need not dream of what might have been.

## COUNSELORS

## FACULTY

Teachers are not people to be feared or thought of as persons so far removed from the students that it would be impossible to know or make friends with them. Similarly, counselors are not to be thought of as men and women who are there only to talk with your parents about your misbehavior in school.

They are all human beings with their likes and their dislikes, their faults, their problems, their prejudices, their conventions, and their idiosyncrasies. Long after students will have forgotten the teacher's name and what the course was about, they will remember a gesture, a pet phrase, a particular stance, or a peculiar mannerism of the instructor.

It is thus that the students will remember, probably with a longing to see them again, Northeast High School's teachers.

Graduates,

In a few days you take your leave of your High School. You are proud of your achievements here, and your school, your family, and your friends are likewise proud of you.

You are being graduated into an explosive world. What new things the decade ahead of us will bring, no one knows, but no other age has had the opportunities that will most surely be awaiting you.

But, whatever your calling is, we must all remember that the chief requisites to success are the old-fashioned virtues--accuracy, promptness, fidelity, acceptance of responsibility--the virtues which we often neglect as out of date. They will go out of date with the end of time, not before.

A true Viking believes that "The elevator to success is not running; take the stairs."

## SENIOR CLASS OFFICERS

The anticipation felt as school began anew in September . . . the roar of the crowd as the Viking teams rushed out to meet their opponents . . . the everyday classroom activities . . . the responsibilities as officers of our numerous clubs . . . the panorama of faces around us in assembly . . . the lunchroom line that seemed never to grow shorter . . . the thrill of another Lit night . . . the inevitable homework and report cards . . . the all-important Senior Prom . . . the mixed feelings at commencement time . . . the excitement of the graduation party . . . and the friendships made at Northeast — these are the things that made up our Senior year; these are the memories which will linger with us as we look to the future.

Well Juniors, you are now almost at the top, almost ready to take your place as leaders and in your senior class.

You will still reserve your common-herd freshman characteristic of doing what everyone else is doing, your sophomore characteristic of beginning to find a new door open with something intriguing just inside, and your junior characteristic of being a middle man on the totem pole.

You are looking forward to a new and final year filled with new and exciting things from crazy antics of all kinds to your solemn graduation ceremony.

But all these apprehended things will never overshadow your past wonderful year as a junior, and your even more distant years. Each year will be a lasting memory. So the future is yours junior, or is it senior now?

The Student Council of our school is our biggest class in government. Here the representatives from the various homerooms meet and discuss their individual problems. Here also the problems of the school are aired.

But discussing the problems of the school isn't the sole duty of the Student Council. They also plan many of the activities in which the school participates, such as assemblies, bandstand appearances, etc. Also many projects have been sponsored by the Council this year; these have included a Social Code and identification cards for the students.

With the co-operation of the faculty and student body, the Council will long remain one of the most constructive influences in Northeast.

## NORTHEAST YOUTH COUNCIL & COURT

In its second year of operation, the Northeast Youth Council has developed into a leading organization of the school. The Council is composed of students from Northeast and Glennon high schools and is sponsored by the Northeast Community Council.

The primary function of the Northeast Youth Council as stated in the constitution is the betterment of the Northeast area in all ways as regards its youth. The students felt that one of the best ways to improve the area was to improve the driving done by the youth. Thus, the Youth Court was formed. This Court

follows procedure exactly as an authentic court. Students from the participating schools are sent to the court if found guilty of a traffic offense. At the Youth Court there is usually set a period of voluntary license suspension. The offender signs an honor pledge if he wishes to co-operate. He may sign a work pledge if it is necessary for him to drive to or from school or work.

The Council and Court have met with the approval of both students and parents and therefore has completed another successful year.

## VOCAL MUSIC

"Those who sing do not always sing correctly." This is the first lesson taught in vocal music classes each year, and to learn the correct way of singing is the goal of every student participating in these classes. With the help of capable and hard-working directors, Miss Violet Clausen and Miss Martha Cain, most are able to attain that goal.

The mixed chorus and girls' choruses provide an opportunity for development as all members strive to

increase their chances of being selected for the A Cappella Choir. It is when the choir selections are made that real work begins—constant drilling, vocal exercises, and music memorization—and just when it seems all has been accomplished, a new song is presented and another cycle begins.

The choir is rewarded, however, with every performance, as the members acknowledge with pride the appreciation of their audience.

## HARMONY

In the field of vocal music in the Kansas City School System, Northeast occupies a distinctive position. The only class in harmony in the city is taught here. This fact was publicized recently by a picture-story in the *Kansas City Star*.

The harmony class offers students the chance to write original songs, while learning the fundamentals of music and music manuscript. While the creative is stressed, the student leaves the course with a deeper understanding of vocal music.

As unbelievable as it may seem to the cautious American driver, the approximate number of fatalities on our highways due to traffic accidents is over 40,500 persons per year. Even though the automobile is thought of as a transportation asset, it may very well be considered a legalized death weapon.

To help combat the above situation, Northeast has inspired a great increase in the number of students interested in Driver Education — 280 students this year. Instructed

# NOR'EASTER

Early in September of this year, a group of determined students and faculty members met behind locked doors in room 312 to plan the 1960 Nor'easter. Despite meager equipment, cramped quarters, and a shortage of funds, we knew there was a job to be done.

With dedicated hearts our layout staff planned over 150 pages, using photographs carefully selected from over 1,000 taken. Our copy staff wrote, read, and revised over 75,000 words of copy.

To create a yearbook is not the easiest job in the world, but we all managed to have a good time in our toil. Now that it's over — well, in that little room on the third floor at Northeast High, there exists another world: a delightful combination of work and play.

The editors hold a small conference.

Why does your head hurt?

Music soothes the savage beast.

Just a helping hand.

## Social Code Project Begun By Northeast Student Council

The student council has begun work on a Youth Social Code project. Social codes have already been adopted by Southwest and Raytown High schools.

This project was started five years ago by the La Soriana Club of Kansas City. Mrs. Herman H. Fox, chair of the Social Code for youth committee, is the representative from the student council, and president of the committee. She has talked to the student council officers of each school.

## 100 Girls Club Elects

from Northeast have been elected officers of the 100 Girls Club.

# COE

The purpose of the Co-Operative Occupational Education program is to provide an opportunity for students to enter an occupation of their choice while completing high school.

Students work in offices, industry, and business. The typical C. O. E. student attends classes for three hours each morning; two of these classes are chosen to fulfill graduation requirements and to relate, if possible, to the work being done on the afternoon job. For this he will earn eight credits a year. The job training

counts as a solid and the C. O. E. class as a solid.

The program provides two kinds of material: directly related material, which specifically deals with the work being done on the job, and general related material, which is general information with which all workers should be acquainted.

Because students receive experience and training while still in high school, they are better prepared to take a full-time job upon their graduation.

# ALPHA

Front Row: Kara Jean Rogers, *President*; Linda Stamper, *Treasurer*; Linda Zink, *Secretary*; Pat Wingo, *Treasurer*; Karin Voeller, *Vice President*; Margaret Pader, *Vice President*; Donnie Dishman, *Secretary*.

The Alpha Literary Society is the oldest society of Northeast High School having been originated on October 13, 1913. The name Alpha is derived from the first letter of the Greek Alphabet. Alpha has succeeded in maintaining its traditions of high character and friendliness throughout the years since its establishment. Working and planning together is the aim of all members.

The traditional colors of Alpha are gold and white, and its flower is the jonquil. Its motto "To be rather than to seem," speaks for itself in its simple sincerity.

This year, as a special Christmas project, the Alphas sang Christmas Carols and presented gifts to an old folks home. Gold corduroy skirts and vests with matching tennis shoes identifying the Alphas looked nice as they walked the halls of Northeast. These corduroy outfits were worn on special occasions as well as regularly every two weeks at the Alpha meetings.

As the excitement of "Lit" draws near, the enthusiasm is shared by every member. Last minute preparations are made, then the big night finally arrives, leaving a thrilling and unforgettable memory.

# BENTONS

**CABINET** — *Front Row: Art Allen, Treasurer 1, President 2; Doug Boyd, Vice President 1, Sergeant-at-Arms 2. Back Row: Bill McLaughlin, Chaplain 1, Treasurer 2; Densel Wilks, Secretary 1; Ronald Sherpy, Secretary 2. Absent: George Wisdom, President 1, Vice President 2.*

Initiation held the spotlight for the Bentons during this school year.

The blue and gold, traditional colors of the Bentons, are well known throughout the school.

On Lit Night each Benton receives the traditional flower, the white carnation.

Elections, the choosing of Lit Night outfits, the

buying of jackets, song practices, and parties add to the fun of being a Benton and help to make the excitement of Lit more enjoyable for each member.

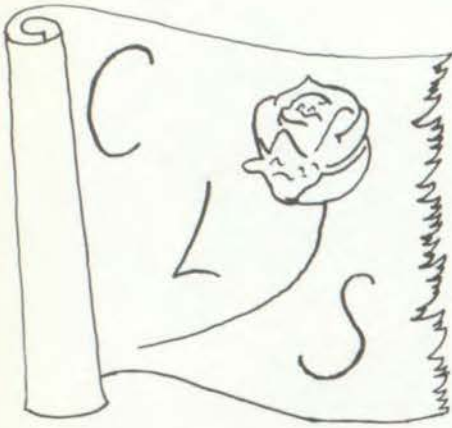

Each one lives up to the name of the society so he can be a credit to Northeast High School and the Benton Literary Society.

The first important event of the literary year for Clios was the initiation of new members. These new members each received a single, long-stemmed red rose — the traditional Clio flower. After the fun of initiation was over, the whole society was reminded that Lit was the climax of the year and that they should start their Lit work. Not forgetting the lighter side, however, Clios all adorned the halls of Thou Dear in their new red and white sweatshirts. At Thanksgiving, a family was adopted and toys were given to needy children at Christmas.

The second semester officers again urged every-

one to do her best on Lit work; and drafts, drafts, and more drafts were turned in. About this time of year it seemed as if everything was secret — dresses, songs, etc. The three song leaders were kept busy making actions to the songs and keeping everyone on tune.

After Lit night, the last event of the year was the farewell banquet. There were the usual tears and goodbye speeches and the seniors received another red rose. Each year every Clio knows that no matter who wins Lit, she still has forty-four sisters and many memories that she will never forget.

# DEBATERS

CABINET: John Ibarra, Vice President; Jerry Misner, Reporter; John Hawthorne, Secretary-Treasurer; Joe Thacker, Chaplain; Gordon Stevens, Reporter; Jim Gray, Sergeant-at-Arms; Larry Blair, President; Dick Shores, President.

The Northeast Society of Debate was founded in 1913 and is the second oldest extracurricular organization at Northeast. Leadership, service, and all around "good guys" are the characteristic Debater markings. Alumni include such prominent men as General Maxwell Taylor.

Through the years the Debaters have been an

outstanding and zenith group. This year promises to add another to the successful series. Activities, including two Delta-Debater parties, two rush parties, a food basket for a needy family at Christmas, and, of course, the big event, the literary contest, have kept everyone busy the second semester.

First Row: Joe Brown, Doug Richardson, Charlie Rucker, John Hawthorne, Jerry Miser, John Ibarra, Jim Calef, Mr. Redford. Second Row: Keith Schweer, Dan Longstreth, Mike Blair, Art Lujin, Garry Blatt, Joe Tamborella, Bob Ross, Charlie Annis. # DELTA

CABINET — *Front Row:* Karen McKee, Vice President 2; Helen Kuhr, President 2; Margaret Dethlefsen, President 1; Marilyn Coe, Vice President 1. *Back Row:* Jo Ann Allen, Treasurer 2; Linda Provance, Secretary 1 and 2; Beverly Howard, Sergeant-at-Arms 1 and 2; Janice Clevenger, Treasurer 1.

Since only one initiation was held by the Delta Literary Society it was one of the most exciting events held. The girls initiated were each given a corsage of white chrysanthemum, the traditional Delta flower.

The triangle, the emblem, is characterized by three guiding words, these being; character, knowledge, and stability. Each Delta works hard to let these words guide her in her Lit work.

Elections; adoption of families; parties, both alone and with our brothers, the Northeast Society of Debate; song practices and the purchasing of sweat-shirts, Oration Day outfits, and Lit Night dresses all add to our list of memories and the fun of being a member of the Delta Literary Society.

# THETA

CABINET — Judy Parisi, Vice President; Judy Lusk, Treasurer; Ruth Brockman, Secretary; Joyce Mizer, Secretary; Georgia Bailey, Initiator; Anna Jane Hunt, President; Judibeth Cravens, Chaplain.

The Theta Literary Society was organized in 1921 and has continued since then to lead the school. As Thetas we always try to develop school spirit and pride. We are known for our friendliness and for our high scholastic standards which are shown every year on Lit Night.

"Knowledge is Power," our motto supplies us

with the inspiration needed to lead us to victory.

Theta's symbol is a crescent moon containing an owl, representing wisdom.

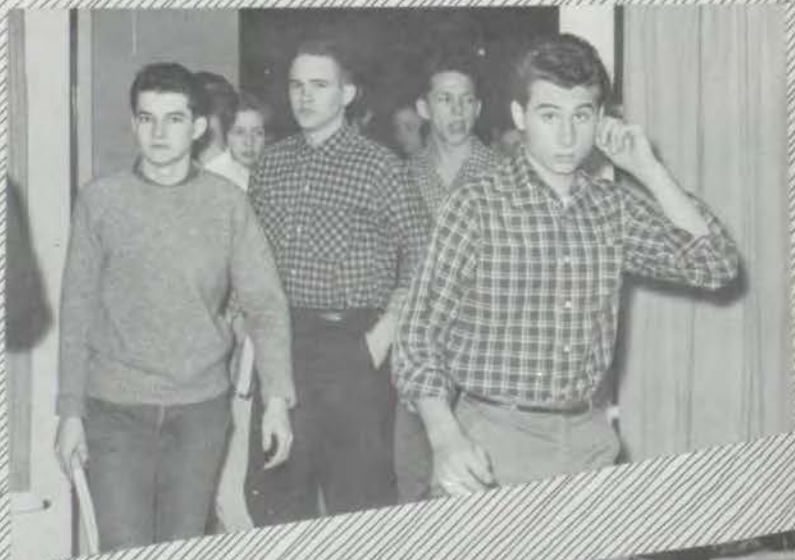

The purpose of our society is to develop literary abilities and leadership which we feel we have accomplished this year as in the past.

## JUNIOR RED CROSS

The Junior Red Cross is composed of representatives from each home room elected to represent them in the best way possible through the Red Cross activities.

You may often see members of the Junior Red Cross selling candy around our school, stuffing stockings for the veterans and filling overseas chests for needy areas. All these projects are directed for the purpose of not only promoting the worthwhile activities of the Red Cross but also to instill in the students of Northeast the sense of responsibility to others.

## F.T.A.

The F.T.A. Club was organized in 1957 and was called the Gertrude Bell Club of Northeast. The honor was bestowed upon Gertrude Bell in memory of her forty-four years devotion to the teaching profession. The club has a charter and is affiliated with the National Education Association.

During the year its members have attended programs and receptions for instruction on the possibilities of teaching as a career. The University of

Kansas City, the Junior College, and Park College has such meetings. A visit to the Northeast Junior High to observe teaching methods marked another event.

Meetings were held regularly and talks and demonstrations made up the program. A question and answer method is also used to find out information for future teachers. If one is planning a career in teaching, then the club benefits are worthwhile and the knowledge gained a guide to further learning and training.

## THEATRE ARTS

This has been a year for alterations in the Theatre Arts Club. Not only have they changed their name from Speech Arts to Theatre Arts, but they have had a shift of sponsorship from Mrs. Murrish to a new speech and drama teacher at Northeast, Mr. Bergfeldt. Finally the members adopted the colors of silver and blue to symbolize their club.

But throughout all this they have retained the same purpose — that being to encourage appreciation and participation in the fine arts among the students of Northeast. Through their many activities they continue to be an organization of which our school may be proud.

Capable officers and co-operative members have made the 1959-1960 Spanish Club a tremendous success. Learning of the ancient cultures and interesting customs of Spanish speaking peoples was but one of the enjoyable things in which the members participated.

One of the most successful projects was the joint French-Spanish Club project of presenting a program and Christmas party to the children of a Menonite Orphanage. Many beautiful gifts totaling around one hundred dollars were contributed to the children from members of the clubs and many warmhearted merchants.

During the first semester, the Spanish Club Constitution was adopted. This document contains the principles, goals, and by-laws of the Spanish Club; while also stating the correct procedure for electing officers and amending the Constitution.

After many full and rewarding experiences, we are now looking forward to the coming year, when more new activities will be enjoyed.

Hasta el ano que viene!

One hundred and thirteen students were enrolled in either first or second year Latin during the past year. This enrollment shows the increasing interest in the culture and basis of the Latin language. It is felt by all that they have gained a better understanding of their own language through Latin.

The activities during the year included such things as a Roman Banquet in which they all dressed as gods, goddesses, slaves or just as people of old Rome.

At Thanksgiving the students brought food for a needy family and a group of officers delivered it. They also participated in the Junior Classical League Convention which was hosted by Southeast. During the convention they were served a meal which was in accordance with the tradition of everything "From Eggs to Apples." These many activities show that for the Latin Advocati, Latin lives today.

## SEAL CLUB

Feel really clean.

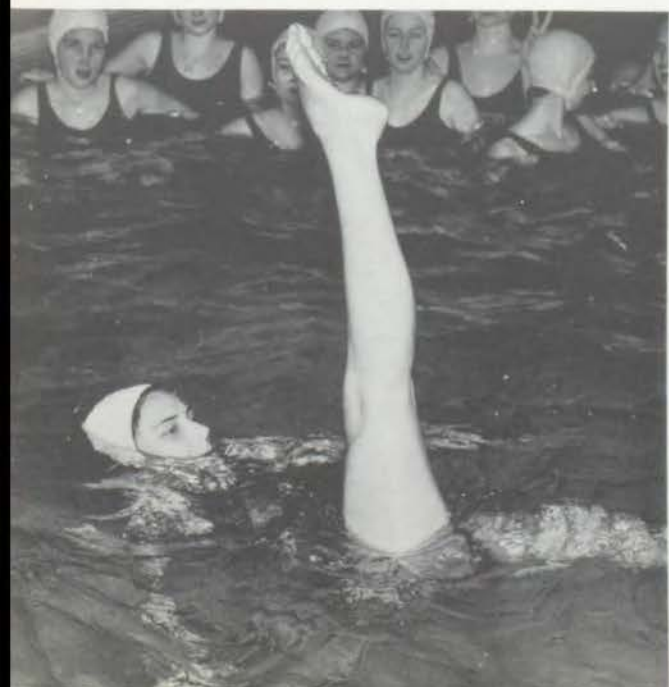

The Seal Club members this year have worked hard to perfect their synchronized swimming ability. Also practicing racing for the swimming sports day has kept them very busy. This year the Seal Club has worked with the Physical Education Department in producing a school swimming show, which they hope will become an annual event.

## OLYMPIC CLUB

Initiation fun!

Beginning the year with another hilarious initiation and chili supper, the Olympic Club members, under the guidance of their sponsor, Miss Moyer, worked hard to make this the best year ever.

Highlighting the year was the Junior-Senior Building Men's Faculty Basketball game. The Olympic Club sponsored the game, making the tickets, programs, and selling souvenirs. \$161.50 was raised, \$75.50 going to the Dean-Smith Memorial Fund, which the Olympians help in some way each year.

At Thanksgiving the members were busy adopting a needy family and supplying them with a turkey dinner. With Christmas came caroling at Rest Haven Old Folk's Home and taking toys to children at Mercy Hospital.

For the future, the Olympians hope to better their club by having requirements to fulfill before becoming a member. The girls now are still the best in sports Northeast has to offer, making the Olympic Club as successful as it is.

Who are the girls in purple and white? They are Vikettes, members of the Northeast Vikette Pep Club. The purpose of this organization is to promote wholesome school spirit and to promote, along with the student body, a sense of loyalty to the athletic teams.

One of the main activities of the year was marching during half time at the homecoming game. The Pep Club led the parade around the field, then marched onto the field forming an E for East, and an N for Northeast. Other activities included making posters and banners for the halls, and cheering the Vikings on to victory.

This year saw many changes and new ideas in the Pep Club. The uniforms now sport white collars, a buzz book named the Viking Crew was published, and a new award given. Joyce Orlando was presented with the new award for Outstanding Pep Club Member of the Year. She was chosen from two other candidates nominated by the cabinet, on her past achievements in Vikette activities. She was awarded a plaque in a pep assembly. A Pep King was crowned at the annual pep dance of the year. So through their various activities the Vikettes led their Viking teams to victory.

#### OUTSTANDING PEP CLUB MEMBER OF THE YEAR.

Joyce Orlando, Outstanding Vikette of the year was chosen by the Vikettes to represent the type of enthusiastic persons who founded the Northeast Pep Club.

The Viking gridmen turned in another successful season after starting slowly. League play opened against the eventual champs, Westport. The strong Vike defense held the Tigers on the ground but a weak pass defense and a blocked punt accounted for the two Westport touchdowns. Final score 14-0 Tigers.

The Norsemen sought revenge and found it plentiful. Paseo ended up two yards in the hole in their rushing attempts as the powerful Northeast defense held the first of four teams scoreless, winning 14-0. Central felt the wrath at its strongest as the Purple and White swept over them 22-0. Northeast stubbornly held on to a two point advantage until the last minutes of

the Lincoln game before pushing across a touchdown. Final score, 9-0 Northeast.

Homecoming Game with Van Horn provided another thriller as the Vikes defense held again, giving Northeast a 6-0 victory. The potent Southeast Knights found the Vikes still stalwart and came very lucky to retain a 6-6 stalemate. The season final, with our arch rival East, on the Bear's field provided an exciting, but not too fitting, conclusion. Northeast jumped to an early lead but two Vike fumbles in the second half gave East the ball and thirteen points, final score, East 13, Vikings 7, placing Northeast fourth in league competition with a 4-2-1 record.

Zuber breaks loose against Lincoln.

Nelson is stopped by Southeast.

Through the years, Northeast has maintained a superior record in the Interscholastic Football League. One factor which is certainly deserving of recognition is the B-team football program, where the individual skills of each boy are developed. It is here that the boys master the techniques and gain the experience necessary to produce a championship Varsity team.

The Vikings had a rugged and shaky pre-league schedule but still exhibited the best won-lost record among the interscholastic teams. Termination of league play found the Northeast crew on top, tied with Lincoln and East, with a 6-3 record. This is the first time in three years that Lincoln has not been the monopossessor of the crown. Two of the outstanding games were both very close losses to perennially area dominators Pem Day and Rockhurst.

Vikes began loop play with two quick victories then a setback by the East Bears. Three easy conquests plus a close win over Central put Northeast alone at the top. But the Viking's collapse during their last two games caused the tri-shared league lead at the close of the season. The Norsemen sailed past their first two challengers in the State Regional Tournament only to drop a hard fought contest to the number one ranked team in the area, North Kansas City.

The potential of our spring, outdoor track team was shown in our earlier meets as an indoor competing team. All dual meets were won: Northeast vs. Van Horn — 45 to 11; N.E. vs. Wyandotte — 56 to 32; N.E. vs. Central — 25 to 17. And the Vikings took fourth at both the Big 8 meet at the Municipal Auditorium and the Central Relays.

With the Nor'easter deadline set at so early a date, it is regrettable that the spring track team's standings are necessarily left out of this book. It is especially disappointing since such a good season is expected and cannot be recorded herein.

Girls' sports this year have ranged from bowling to basketball; from hockey to tennis. Miss Moyer's and Mrs. Deister's 7th hour classes are a special part of girls' sports. They delve into the more intricate parts of the various sports. They work mainly on technique and improvement rather than just learning the sport.

Northeast attended Hockey, Volleyball, and Individual Sportsday.

## In Memoriam

*Thomas Korte Jr., who died on November 7, 1959 of asphyxiation, was a sophomore at Northeast. He previously attended Rockcreek School and Pitcher Fairview. Tom enjoyed working with model cars and his hobbies were collecting records and tapes. He had not yet decided on a career, but seemed especially interested in flying.*
