OR' EASTER

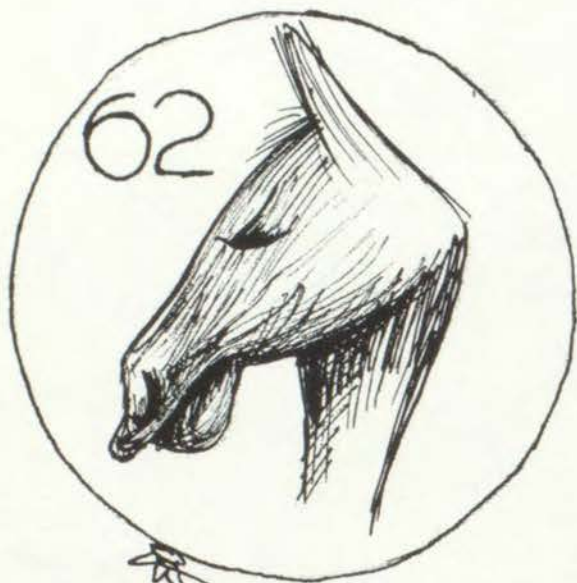

A name familiar to all Nor'easters is that of Mr. E. A. Markey. From 1937 until 1956 he coached the Northeast varsity Football team to many victories, and under his leadership the Northeast teams achieved seven city championships.

In 1956, Mr. Markey left Northeast to assume the position of Consultant of Boys' Physical Education for the Kansas City high schools. Three years later he returned to "Thou Dear" to serve as her very capable vice-principal.

Mr. Markey has indeed done a great deal to push Northeast to success athletically, socially, and scholastically. We shall always remember the loyal service and constructive guidance he so often rendered to Northeast students.

And so, it is to you, Mr. Markey, for your spirited service to our school, that we respectfully dedicate this, our 1962 Nor'easter.

MR. M. WAYNE McKANNA

PRINCIPAL

Northeast is extremely fortunate in having as her principal a man very dedicated and concerned about the many phases of high school life—Mr. Wayne McKanna. In a school as large as "Thou Dear," many situations arise which must be handled with intelligence, tact, and often a sense of humor. Mr. McKanna has certainly upheld all of these qualifications. Teachers and students feel confident that Northeast will continue to move along smoothly and efficiently under the competent leadership of Mr. McKanna.

Have a problem? Need some suggestions for future programs? Northeast has three capable counselors who are more than willing to offer their services to help you. Their friendly attitude and thoughtful consideration have brought many a confused student out of his enrollment difficulties. The counselors advise students on the selection of colleges, help many to achieve scholarships, and guide them in the choice of vocations. Northeast is proud to have such a devoted team of counselors.

The ideal of the members of our Senior Class has been to leave Northeast a better school because we have been a part of her. Never regretting or looking back, but always looking ahead with anticipation, we now stand on the top rung of the ladder we have been climbing for twelve years. Each rung represents some achievement, some task completed, and some ambition realized.

Our senior year has been filled with experiences which are now only memories. The football games, Homecoming, Lit Night, the Prom, and finally Graduation are now just a part of our past only to be relived again and again by others in years to come.

As we stand together for the last time at Graduation, we realize how very true the familiar words, "For all we know we may never meet again," have become. And so, to the underclassmen we leave behind us, we say good-bye, good luck, and take good care of "Thou Dear."

ACTIVITIES

STUDENT COUNCIL

The Student Council is a representative organization consisting of students and led by students. During the past two years, under the sponsorship of Edwin Nance, the council has become a very important function of our school. Through the process of democratic representation, student council members report and evaluate the ideas and opinions of the homerooms

they represent. These elected representatives and their officers express serious concern for the betterment of our school. This year, the council made definite preparations for the financing of a foreign exchange student for the 1962-63 school year.

Of all the organizations at Northeast the most valuable is the Student Council.

The Northeast Chapter of Y-Teens participated in many outstanding events during the 1961-62 school year. The most important of these was the Annual Sweetheart Dance held in February. This dance once again proved to be one of the most enjoyable social events of the year, and one for which the Y-Teens must receive full credit.

An organization may attribute its success to many things: ambition, loyalty, co-operation, fellowship, hard work, and a dash of fun. A group of girls has combined all these into one package, labeled the Y-Teens.

TOMORROW THE WORLD

For its fall play Northeast presented a World War II drama entitled TOMORROW THE WORLD. The play told of what happens when a Nazi indoctrinated youth from Germany, Emil Bruckner, comes to America to stay with his uncle. The uncle is doing war work for the government and the boy tries to spy on him in order to serve Hitler. After many misunderstandings and even attempted murder, Emil comes to understand that maybe democracy has something after all.

The publicity of the play served to point up the fact that a Communist youth would react in much the same way as Emil did—and this being true the play is still very timely.

DRAMATICS

The Public Speaking and Dramatics classes are the advanced speech classes at Northeast. Both classes have worked this year putting on programs for the school. The two classes put on an assembly on dictatorships versus democracy in connection with the teaser for the fall play, Tomorrow the World. The drama class showed life in a dictatorship and the public speaking class talked

about life in Nazi Germany and Communist Russia. The drama class put on an assembly play, "The Devil and Daniel Webster" in cooperation with Mrs. Roberts' seventh hour speech class.

Members of both classes participated in the Speech Festival and the Speech Contest at the University of Kansas City.

ALPHA LITERARY SOCIETY

The Alpha Literary Society was organized in 1913 and was the first society at Northeast. The motto, "Esse Quam Videri" meaning "To Be Rather Than To Seem," is our outstanding purpose. The Jonquil is our flower and the traditional colors of Alpha are gold and white. The year's activities began with Alpha's rush. This proved to be an exciting affair that left a memorable experience in the minds of all who attended. After this excitement died down the Alphas began to concentrate on Lit work.

During the year the Alphas took time out from Lit work to enjoy a few social events. At Christmas we took clothes, toys, and food to a needy family. We also purchased new "gold and white" jackets.

The climax of the year was the Farewell Banquet. Goodbyes were said and tears were shed as another eventful year for the Alphas came to a close.

BENTON LITERARY SOCIETY

In '61 & '62 the Bentons have become a leading society. We have received five positions on Senior Ballot, and have the President and Sergeant-at-Arms of the Senior Class in our ranks.

Apart from the political standpoint, the Bentons are also prospering in other ways. This year (the first in many) we have set deadlines and fines on lit-work which

our officers have enforced.

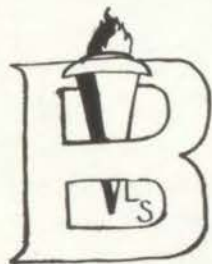

The seniors in the society bid the juniors and sophomores farewell and best wishes. We feel that we have chosen the best group of boys and now expect you to do your best and uphold the tradition of the Benton Literary Society.

CLIONIAN LITERARY SOCIETY

The most important event in the life of a Clio girl is initiation. It is at this time that each new member receives her first long-stemmed red rose which is symbolic of the scholastic achievement and high ideals of the society.

Upon receiving the red rose they are entitled to share all the wonderful experiences with their Clio sisters. First semester was typical of such experiences as slumber parties, pizza parties, and picnics with our Benton brothers.

Clios don't always look at the world through "rose-colored glasses" though. At Thanksgiving they shared their many blessings with a family less fortunate than they. Then at Christmas time they extended the Christmas

spirit through stuffed animals for children of needy families.

Second semester found all the Clios "burning the midnight oil" in order to turn in to the judges the best Lit work ever! Even with all this hard work, the Clios still found time for fun at song practices.

Then came Lit night when all the secrets were revealed and each member anxiously waited to see if the hopes and dreams of the year would become a reality.

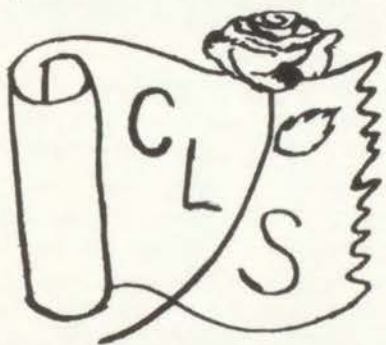

With spring came the annual Farewell Banquet. The seniors expressed their sentiments toward the society and received their last red rose; which will be a constant reminder of their wonderful years as a Clio.

NORTHEAST SOCIETY OF DEBATE

With the opening of the 1961-62 school year the Debaters were well ahead of the other societies with the planning of their first semester rush. "This year's rush was the best ever" said N.S.D.'s sponsor, Mr. Redford.

The hopeful rushees were well entertained at the rush with skits given by our Delta sisters. Speeches and refreshments were also enjoyed at the rush.

After the hustle and all the confusion of rush had died down, came the hard task of electing new members that would do as much to promote the name of Debaters as the alumni of N.S.D. have done since it was founded in 1913.

With the second semester well in hand, Debaters received many honors to place along with the ones already in the Debater Log. The Northeast Society of Debate was proud to have chosen from members of their society the Vice-President, Reporter, and Treasurer of the Senior Class. Then came the Senior Ballot with three more honors, such as Most Popular Boy, Social Lion, and Jolly Good Fellow. Lit Night, Debaters were in full attendance and started and finished in good style.

Then, came the Farewell Banquet where every senior bades good-bye to his society brothers, telling each to always keep and place the Northeast Society of Debate in highest esteem.

DELTA LITERARY SOCIETY

This year, as years preceding, being a member of Delta has been a very rewarding experience as well as a memorable one. The year was begun by the preparation of our first semester rush. With the initiation of the new Deltas, the year began. We were kept busy by the events associated with Delta. All of our wonderful get-togethers added and reinforced the closeness for which Delta has always been known. Our brothers, the Debaters, have added a lot of fun throughout the year as they always have. As the year drew to a close, Lit Night became the

prime interest of every Delta. Our triangle which stands for character, knowledge, and stability, together with our motto, "Always Faithful" added much to the excitement of Lit Night—for we were always striving to attain these goals. With Lit Night over and the glories distributed, the Delta doors were closed for another year. But the doors she has opened in our hearts will always remain open and our minds as well as our hearts will always cherish our days as Deltas.

THETA LITERARY SOCIETY

The motto of the Theta Literary Society is "Knowledge is Power." This year, as in the past, the Thetas have strived to live up to the high ideals expressed by the motto which has been a part of Theta since the society was organized in 1921.

The Thetas started the year's activities with a rush party from "gay Paree." During the rest of the first semester we were busy with initiation, homecoming prepa-

rations, choosing new sweatshirts, and adopting a needy family for Christmas.

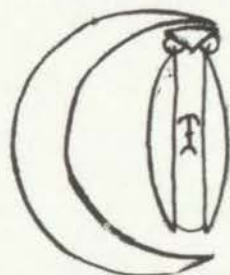

Preparations for the all important Lit Night were the main activities of the second semester. Songleader try-outs, choosing Lit Night and Oration Day outfits, song practices, and last minute corrections of Lit work were activities that will always be remembered by the members of the Theta Literary Society of 1962.

C. O. E.

The Co-operative Occupational Education program gives the high school student a chance to obtain a start in the occupation of his choice while still attending high school. These students have the opportunity to secure employment in a field which is interesting to them, and

receive credit for this work toward a high school diploma.

Through the co-operation of the school and business firms, the C.O.E. has helped many students get business experience while remaining in school.

FRENCH CLUB

Le Cercle Francais was begun in 1914 under the name of "Les Penseurs" and later became known as "Les Miserables". The *raison d'etre* of the group is to introduce to the students the language, culture, and customs of the French-speaking peoples. By gaining a better understanding of the French people whose customs differ from ours, the students could do their part for the mutual understanding among people and nations.

This year activities have consisted of attending the

classical play, *Britannicus* by Racine, participating in the Homecoming Parade, planning a trip to New Orleans and excursions to art galleries for study of French art. Aside from these activities the traditional ones of adopting a family for Thanksgiving and presenting Christmas gifts to an orphanage were also continued.

All in all, the 1961-62 school year has been a successful one for the French Club.

SPANISH CLUB

This year, the second in the life of the reorganized Spanish club, "La Charlita," has been very profitable to its members. Under the direction and able assistance of its sponsor, Miss Nellie Cody, it has contributed greatly to Northeast.

The purpose of "La Charlita" is that all Spanish students may grow in their ability to use the language and in their understanding of the Spanish-speaking peoples of the world. In order to accomplish this purpose, the members elected the charming Mr. Julio Silva from Michuacán, México, as their foreign chaperone.

SEAL CLUB

The year 1961-1962 brought the Seal Club lots of hard work but fun too. The year started off with the hilarious informal initiation and slumber party extending into the wee hours.

In anticipation of the ski trip to Winter Park, the Seals worked hard raising money. Candy, anyone?

To the tune of "Point Those Toes" and "Scull

Harder" the Seals practiced long and hard for their annual Swim Show. In the event of the City Wide Sports Day, the Seals worked hard on their racing forms.

The year proved to be an unforgettable one for the Seals under the guiding hand of their sponsor, Mrs. Owens.

OLYMPIC CLUB

A rummage sale? A spaghetti dinner? Of course! The Olympic Club girls were always thinking of ways to earn money to go on that fabulous ski trip at Loveland Basin, Colorado. Not only did the girls have a ball earning the money, but the trip itself was just the most!

At Christmas the girls adopted a needy family and

supplied them with a delicious Christmas dinner, clothes and toys for the children.

This club, sponsored by Miss Moyer, has put into effect a try-out system for the girls to fulfill before becoming a member, which is making Olympic Club a very successful organization.

RED CROSS

The High School Red Cross is a part of the Nation-wide organization of Red Cross. Its purpose is to develop in its high school members, ideals of helping and aiding those in sickness or in need.

Once again Northeast's chapter of the High School Red Cross is one of the finest in Kansas City. Northeast has had the good fortune of having for its President, John Jenkins, who also gave a fine representation as President of the All-City High School Red Cross Council.

Under the guidance of its sponsor, Miss Cannon, the Northeast Chapter of Red Cross participated in many important projects which made this one of the finest years for Red Cross of Northeast.

We're all so proud of our banner!

Shake my paw.

F.T.A. CLUB

The Gertrude Bell Club was chartered October 1, 1957, with the idea of helping the interested pupils of Northeast High School who wish to become teachers.

Having its charter from the National Education Association in Washington, D.C., a great deal of written material is available which answers questions about the

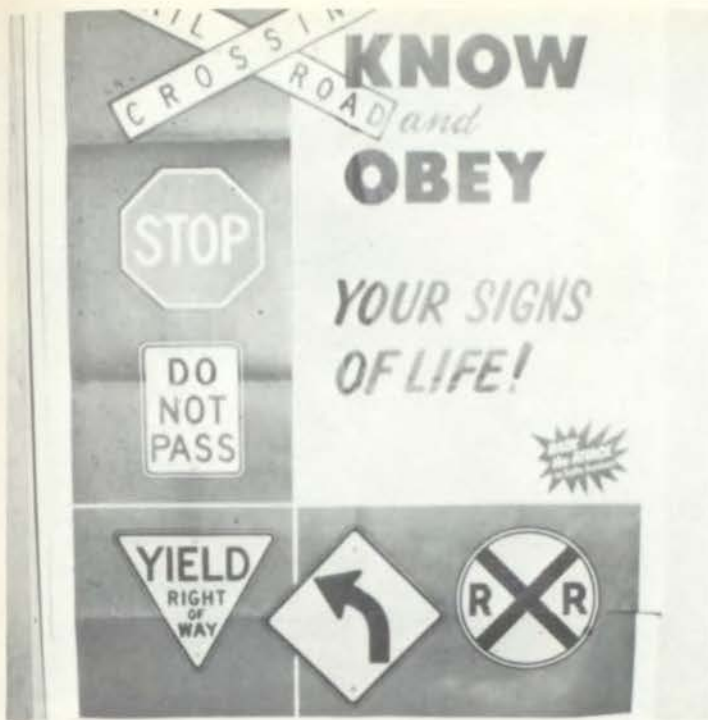

teaching field such as college training, personal qualities, and financial remuneration.

Meetings are held regularly with speeches and demonstrations making up the very profitable programs.

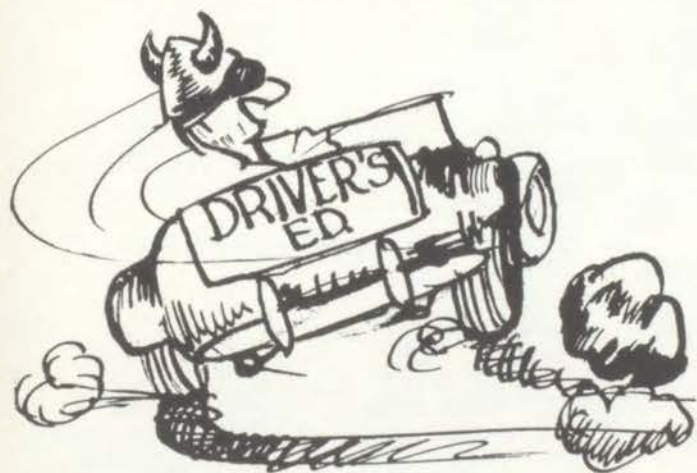

Any pupil who has an inclination for teaching as a career is welcomed into the F.T.A. Club.

ART CLUB

The Art Club has shown a new interest this year under the capable direction of Miss Cannon and Mr. Directo. We have had a lot of fun while accomplishing many worthwhile tasks. We worked hard on our Homecoming float which consisted of a papier-mache artist

painting on his canvas. The members of the club also added some seasonal cheer to the halls of Thou Dear by decorating them for Christmas.

The club had a Hawaiian Luau which brought to a close a very eventful year.

VARSITY CHEERLEADERS

The 1961-1962 Varsity Cheerleaders created a new enthusiasm for school spirit. Many of their new cheers and ideas were brought back from a cheerleader's clinic held at Missouri Valley June 13-17. They had previously held a car wash to help finance the trip. They were well rewarded for their work and diligence as they returned with a white megaphone, given to them for taking first place in competitive cheering. Thus, with hard practice and the help of their sponsor, Miss Lou Jean Moyer, the cheerleaders vivaciously lead the crowds in peppy new cheers.

The junior varsity teams have their cheerleaders too—and very enthusiastic ones at that. The B-Team cheerleaders are chosen by faculty members early in the fall after competing in a series of cheers and acrobatics. To promote more concern and enthusiasm for the B-Team games is the aim of these girls.

As a result, competition is tough and enthusiasm is high among these girls. So keep an eye on them because next year you'll most likely be seeing many of them as your varsity cheerleaders.

IN MEMORIAM

On November 21, 1961, Northeast was saddened by the sudden death of Mrs. Frances Pickens. Mrs. Pickens became a member of our faculty in 1956 as a teacher of mathematics. Her death brought an immeasurable loss to Northeast. She will always be remembered by her students for her devotion to her subject and her ability to make it live. She enriched the lives of her students both by teaching them and inspiring them to reach higher ideals. Through her life she set an example for others. Her philosophy of life can best be summarized by one of her favorite lines of poetry: "O, Earth, I cannot hold thee close enough."

IN MEMORIAM

As the year draws to a close and we review the numerous events of this past year, we are reminded of the sudden death of our beloved custodian, Mr. Lloyd Blair. His willingness to help and his sincere concern for our school made him a familiar and respected figure at Northeast.

Mr. Blair will always be remembered as a faithful friend and associate of all who knew him.

IN MEMORIAM

Lester Hall Fleming III, fifteen-year-old sophomore at Northeast, died unexpectedly last February of spinal meningitis. He was a member of the junior varsity basketball team and also played in a 3 & 2 baseball league. He had many friends at Northeast, all of whom were deeply saddened by his death. Hall was loyal to his school and classmates, and his memory will always remain with us.
