Northeast High School
Kansas City, Missouri*

Mr. D. L. Deniston

It is not often that one hears of a teacher who dedicated 34 years of his life to teaching, and it is very rarely that all of those 34 years are devoted to the same school. The teacher is, of course, Mr. Deniston who started teaching at Northeast in 1930 and remained here until his retirement in June, 1964. While at Northeast, Mr. Deniston taught botany, zoology, and earth science. He was also athletic manager for a number of years, being responsible for the selling of tickets and passes to most of the school athletic activities.

To you, Mr. Deniston, for these long years of untiring service to the students of Northeast, this 1965 volume of the Nor'easter is sincerely dedicated.

Mr. J.E. Reese

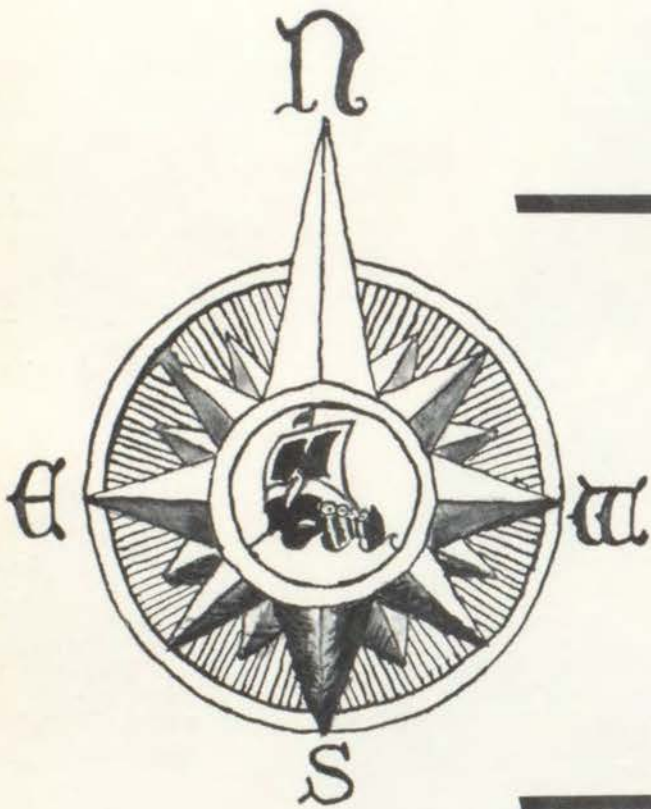

Last June, 1964, Northeast bade a fond and sad farewell to one of its most beloved teachers, Mr. Reese. After 52 years of teaching history, Mr. Reese has retired so he can travel. In his nineteen years at Northeast, Mr. Reese has taught history to 3,600 students. Those students will never forget the wise old sayings that confronted them as they walked into 201 each day, nor the teacher that wrote them on the board. The faculty will always remember Mr. Reese's statement that the "little darlings" were "the best the parents have to send us." We "little darlings," the students of Northeast, certainly hope we are the best the world had to send you, Mr. Reese, and to show our appreciation of your years of service, this 1965 Nor'easter is dedicated to you.

Log II

Mr. M. Wayne McKanna

The busiest man we know is our own Mr. M. Wayne McKanna, the principal of one of the largest schools in Kansas City. Completing his eighth year at the Viking helm, he is intimately wrapped up in the problems of his nearly 2,000 students. Yet, he still finds ample time to visit briefly and to question thoroughly the students who pass through his office.

In addition to the many nightly functions which he must attend as principal, he still finds time to take an active interest in the athletic program. A man always on the go—this is our principal, Mr. M. Wayne McKanna.

Vice-Principals

Beginning his second year at Northeast is our talented Mr. Robert Bibens. Mr. Bibens' duties are administering, scheduling, counseling, and disciplining the senior and sophomore classes. In his "spare time", our talented Mr. Bibens devotes himself to writing childrens' books, and is also working toward a Doctorate from the University of Colorado. All these consume the activities of our industrious vice-principal.

Mr. Robert Bibens

When school opened last September, the students were greeted by an additional member of the administration, Mr. Harry Cloverdyke. A 1946 graduate of Northeast, Mr. Cloverdyke has assumed a vice-principal's position. He is now Northeast's second vice-principal.

Before coming to Northeast Mr. Cloverdyke taught biology, coached athletic teams, and for the last two years counselled at Van Horn.

Thus, we would like to take this opportunity to again welcome Mr. Cloverdyke on behalf of the students of "Thou Dear".

Student Council

One of the main purposes of our Student Council this year has been to improve student morale and to build school spirit at Northeast. To do this the Student Council has sponsored many activities. Football programs were produced and were distributed free to spectators at the games, providing not only for the operating expenses of the Council, but also encouraging team support. In addition to directing the regular homecoming activities, a bonfire, the first in many years, was held at a pep rally immediately preceding the homecoming game. The Student Council also sponsored a Teacher Appreciation Day, a day set aside to promote student-faculty relations.

To provide the necessary funds to continue the foreign exchange program at Northeast the Student Council sponsored two money-raising movies. It is the hope that this increased activity on the part of the Student Council will be met by a concentrated upswing in school spirit and student morale.

American Field Service

Fred Urban: our foreign exchange student from Schweinfurt, Germany.

This year marks the third consecutive year that Northeast has had an American Field Service Foreign Exchange Student. In 1963 Selma de Andrade Lima from Reafe, Brazil was our guest. Last year Helen Hill from Auckland, New Zealand, occupied a cherished position in our senior class. This year marks our first male Foreign Exchange Student—Fred Urban from Schweinfurt, Germany.

Following in the footsteps of his predecessors, Fred has contributed his personal column to the *Courier*. Fred quickly got into the swing of things at Northeast by becoming a member of Benton Literary Society, the Youth Court and Council, and many other activities.

And with the memory of the former Foreign Exchange Students from Brazil, New Zealand and Germany, Northeast looks forward toward having students from other foreign countries.

Fred rides in the Student Council's contribution—the Foreign Exchange float.

Dressed in his Sunday best, Fred joins his fellow Vikings at the Basketball Dance.

Fred's year began with a reception at the Browning's house.

The future looks bright on the gridiron for the 1965 football season here in Vikingland. Not only did the Junior Varsity team have a winning season (they won four games; lost three), but of the three games they lost, one was lost by one point, and the other two by one touchdown. With a few breaks it could have been a perfect season for the B-team. But perhaps the most startling statistic of all is that in the seven games played, the Junior Varsity racked up a total of 109 points, holding their opponents to a meager 39. So, here's a salute to Coach Craven, Coach George, and the fighting Vikings of the Junior Varsity for a great season.

Viking Pack

ROW ONE: Jim Bryson, Treasurer; Jesus Esteban, Sgt.-at-Arms. ROW TWO: Philip Boyle, President; Ray Chandler, Vice President; Richard Jones, Secretary.

The Viking Pack, the official name of the boys' cheering section, initiated a new dimension in school spirit. Led by "The Leader of the Pack" these boys have added to all sports a new sound and a new look to the crowds in the Viking ship. By assuming that school spirit is not confined to the cheerleaders or the Pep Club, this dynamic group is filling the gap to prevent sagging school spirit.
