Coach Charles Huhn

A PROCLAMATION

Be it acknowledged that we the members of the Student Council, acting as duly elected representatives, of the Northeast High School student body, have unanimously voted to issue the following proclamation.

That Coach Charles Huhn be given recognition for the following accomplishments:

- In 1956 he was recognized as one of the outstanding high school coaches in the nation.
- In the period from 1950-56, the Vikings won five Interscholastic League Championships in seven years.
- In 1955 his championship team came in second place in the state basketball championship losing a three point decision to Joplin for the Missouri state basketball championship.
- In completing thirty-five years of coaching, he accumulated a marvelous record. In his first eight years at Northeast, his teams won 117 games and lost only 34.
- Above all, Coach Huhn has instilled in hundred of boys the qualities of competitiveness, good sportsmanship, discipline, and a desire to be the best.

Therefore, be it resolved that the Student Council does strongly recommend that the 1967 Nor'easter be dedicated to Coach Charles Huhn.

Proclaimed this fifteenth day of November, 1966.

Seniors

What is a senior? Someone who has had the guts to stick out 720 very harrassing days which constitute four years of high school. A senior is one who can look down on the lowly freshmen, immature sophomores, and naive juniors. Being a senior in the class of 1967 was meeting Liliana, the foreign exchange student from Argentina—or possibly, as it was for many C.O.E. seniors, it was attending classes half a day and working the other half. Finally, being a senior, meant wearing the class ring, going to the Homecoming game, wearing sweatshirts on sweatshirt day, attending the prom, and, at last, the long awaited night—graduation.

Senior Class Officers

Liliana A. Gómez

To be in another country is a great experience, but the main point is to share in the daily life of the country. And this is my experience here: living with an American family, attending an American school, and participating in American activities.

I knew many things about the United States, but it is very different to live with them. When I first arrived here it was summer and the weather was very hot. I had lived on the coast in Argentina, but I adapted quickly to going to the pool instead of the beach. I learned about drive-ins; sitting in a car, asking for a hamburger and a coke was strange for me. Also all the machines fascinate me. I think it is funny when you can put a dime in a coke machine and get one instead of having to go someplace and ask for it.

I was very anxious to see school start. You can't imagine the first day here, not knowing the language very well, just going to classes and hearing the teachers talk and talk. I felt like I was in another world. I wanted to run away as fast as possible, but the understanding of the teachers and students made me feel very good. Everyone was so nice and lovely to me.

The school spirit soon made me feel as if I had been going to Northeast all my life. The football and basketball games excited me. I just loved the assemblies where everyone cheered and clapped. I think teenagers must love school time because they have so much to enjoy.

I found my American family very warm, hospitable, and ready to offer anything they had. My family is just great. They share everything and make me feel "in", like a daughter. And the dog, Arfie, understands me—even when I talk in Spanish.

This year will be unforgettable for me, because of the many new things, places, people, but most of all because I was at Northeast. This is a great school with great people. I hope in the future to see some of you in Argentina or when I come here and remember all the great moments that I have had in Northeast.

Much love and good luck in the future,

Liliana A. Gómez

"Firemen up there are ya' ready?"

"No discoloration, no rings, no smell
..."

"Trick photography eh?"

"Sally's being obvious!"

"It's not too neat but keeps you cool."

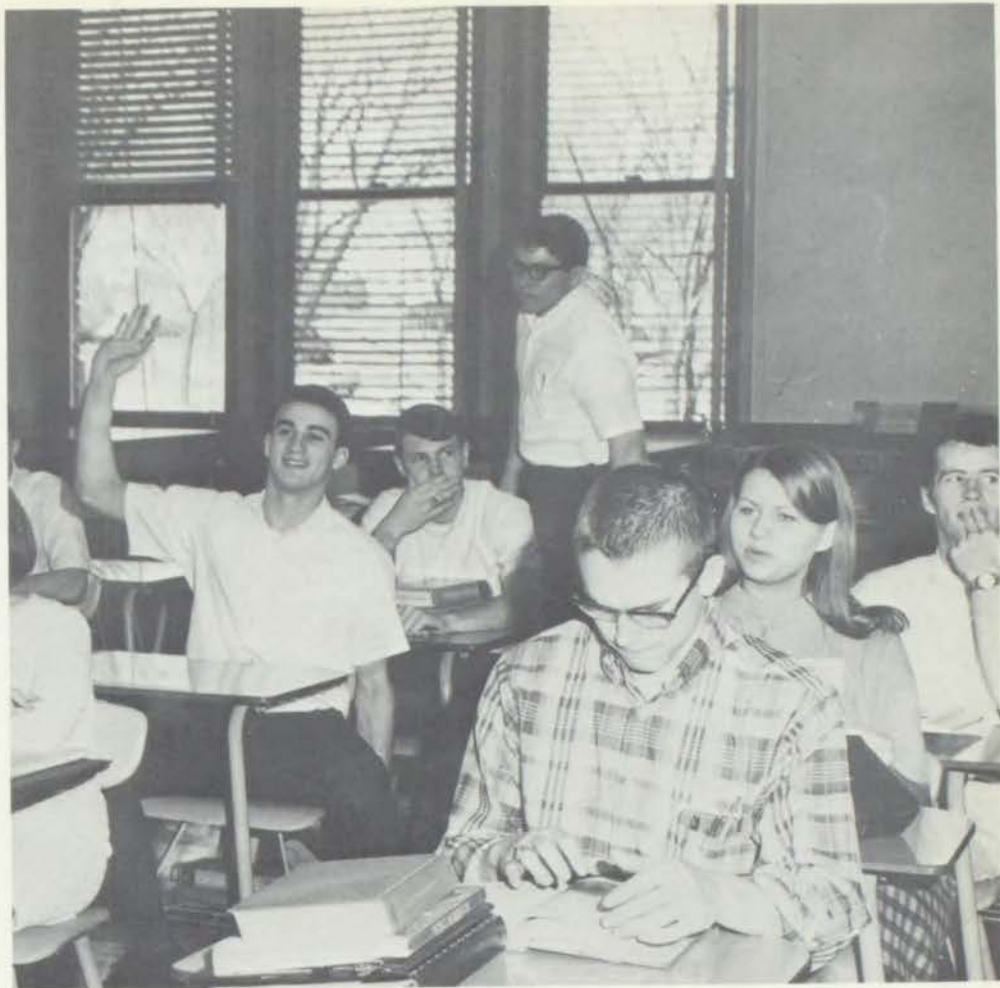

"No! It's orange marmalade on crackers."

"And my monster story for today is . . ."

"Watch this! I'll get Peggy's fingers!"

"Mr. Nelson, Bobby's telling dirty jokes!"

Things go better with 7-up.

"Pucker up, baby!"

"You photographers think you're really 'cook!'"

Olson advances!

"You better believe I wasn't ready!"

"Yes, Mrs. Jones we're really sisters!"

"I wonder what Randy's doing RIGHT now?"

"Hey Road, even black socks on the basketball court?"

Rat-a-tat-tat

Carol loves to mold and play in her wet and gooey clay.

"Mash me!"

"Our group had more cavities, so we won't smile."

"And then 5 of ya' will come in from the left . . ."

This room produces the most shocking results.

"There, now try the taste test."

In deep concentration . . . (holding hands under the table.)

"Oh, I thought these were Senior informals."

"Don't let HIM know that YOU know he's taking our picture."

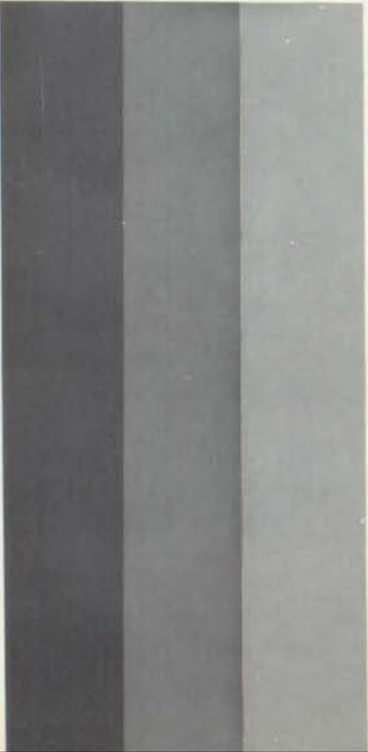

"Okay then, I'll go to Mr. McKanna!"

"Now children, today we shall re-arrange our desks."

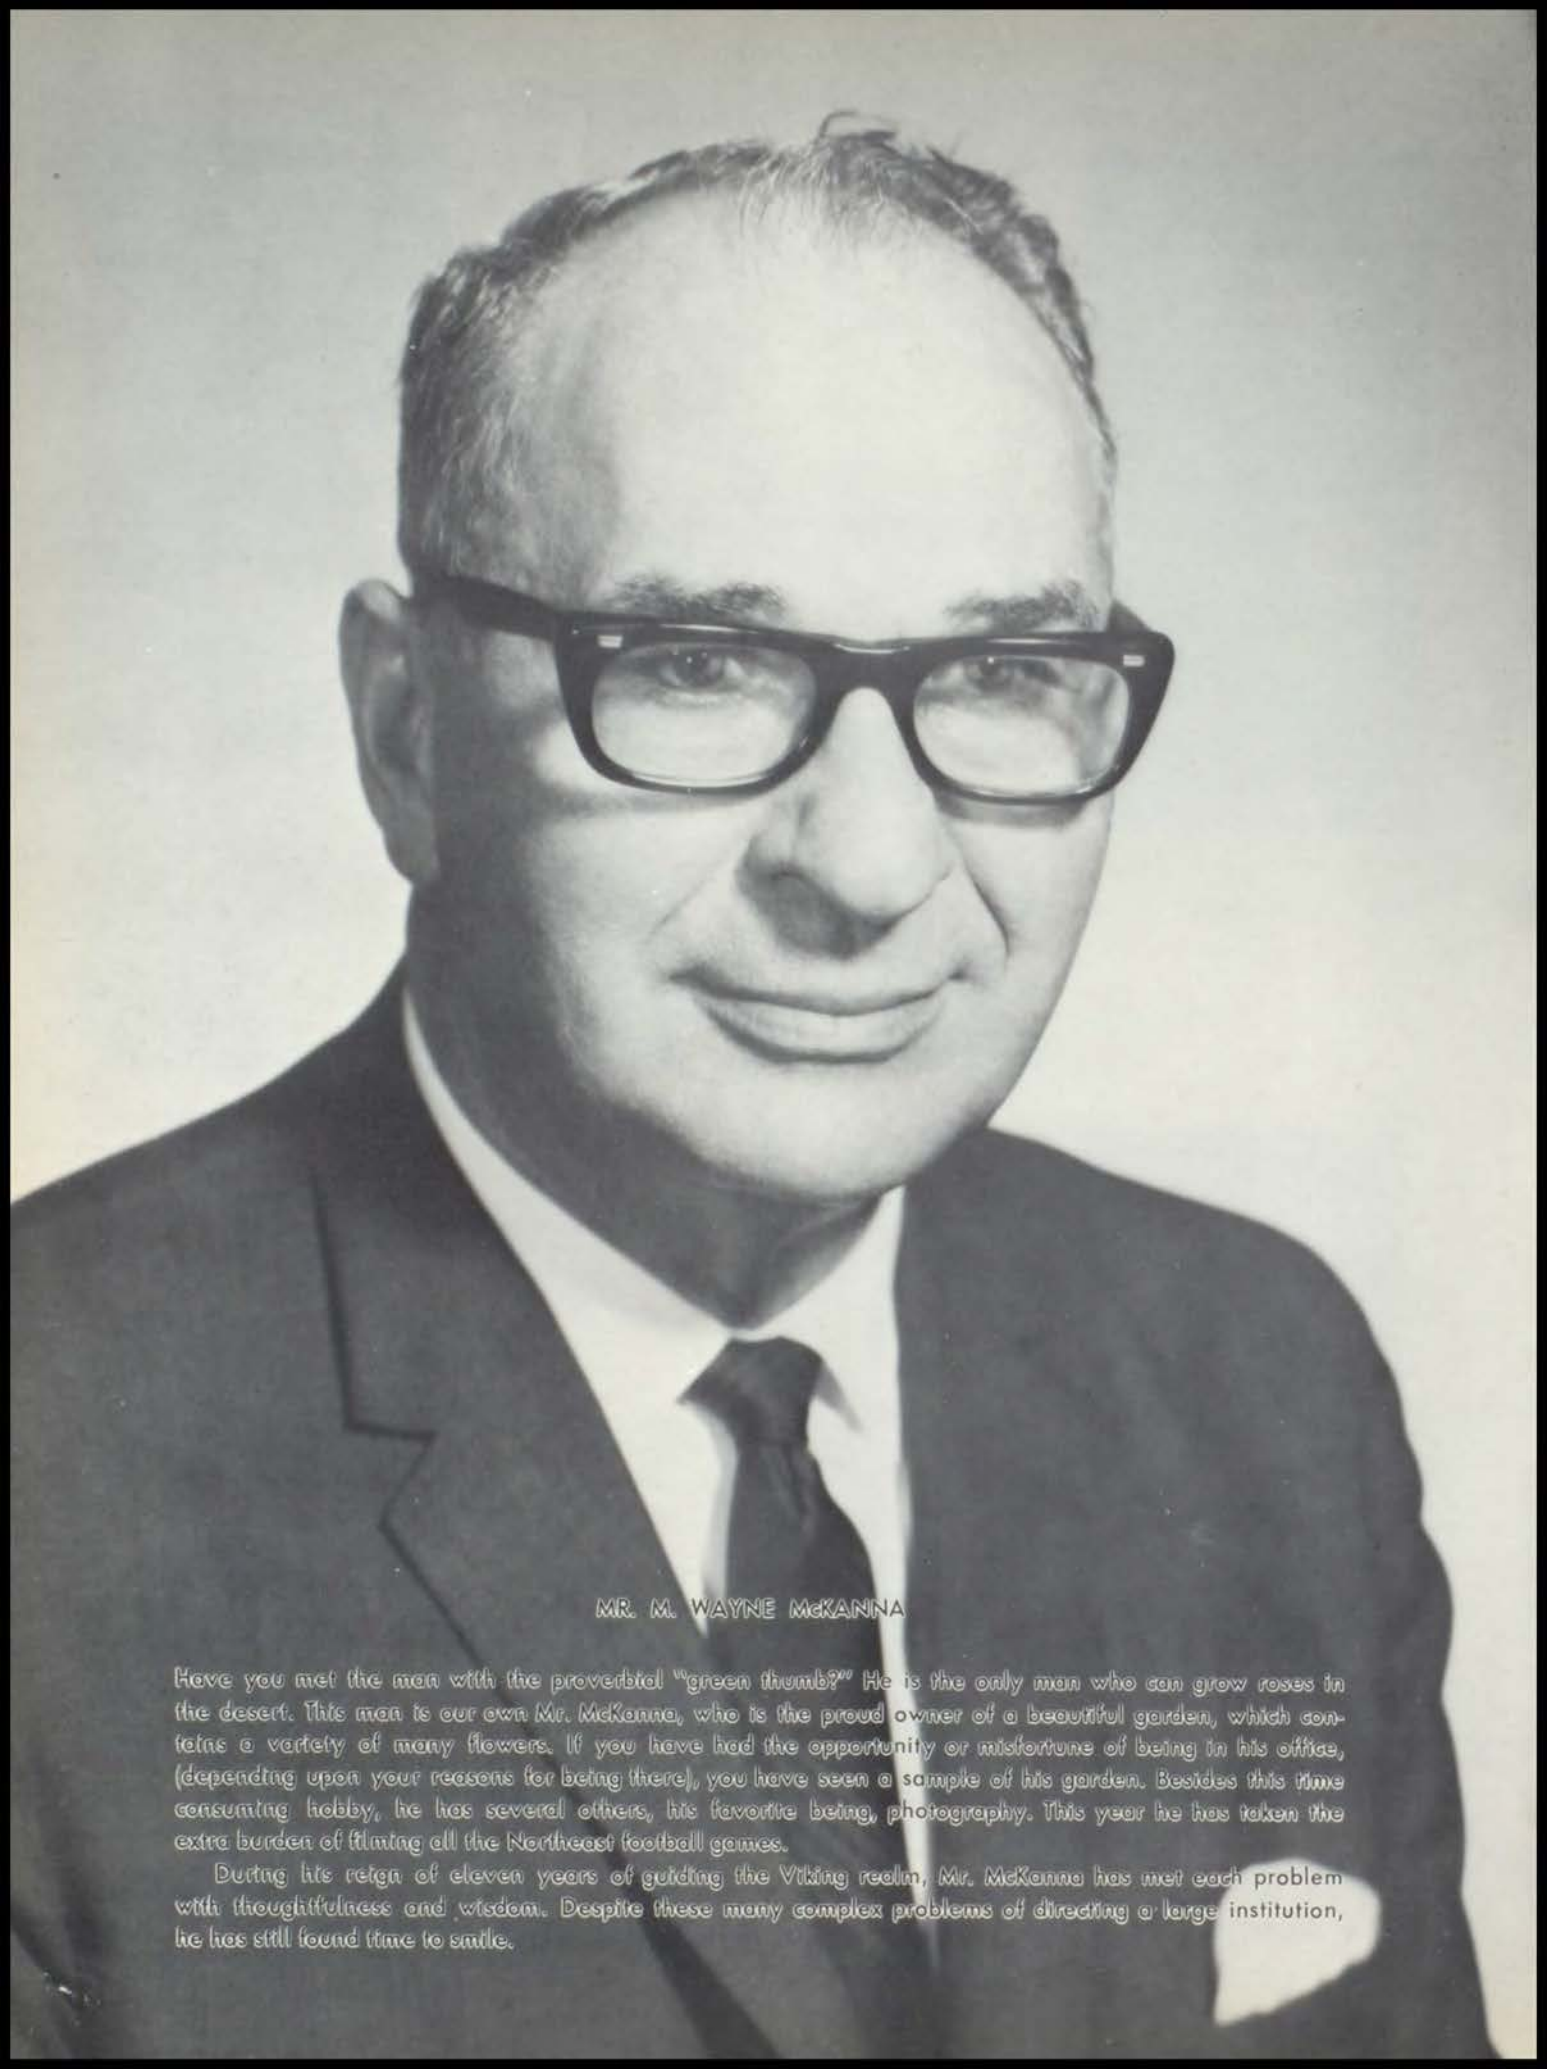

Faculty

What is a faculty? It is a couple of bright, hustling coaches that produced a winning football team at Northeast. A faculty is a chemistry teacher who has his favorite "joke" to begin the class, or a quiet, reserved physics teacher who miraculously finds time to be Athletic Manager, Student Council Sponsor, Junior Class Sponsor, and also a very fine teacher. Next a faculty is a team of teachers, the Kellys, working side-by-side, a southern accented English teacher from Big "D", or a history teacher who can put the fear of God in you or scare it out of you, or a physical education teacher who just loves to ski. This is a faculty!

MR. M. WAYNE MCKANNA

Have you met the man with the proverbial "green thumb?" He is the only man who can grow roses in the desert. This man is our own Mr. McKanna, who is the proud owner of a beautiful garden, which contains a variety of many flowers. If you have had the opportunity or misfortune of being in his office, (depending upon your reasons for being there), you have seen a sample of his garden. Besides this time consuming hobby, he has several others, his favorite being, photography. This year he has taken the extra burden of filming all the Northeast football games.

During his reign of eleven years of guiding the Viking realm, Mr. McKanna has met each problem with thoughtfulness and wisdom. Despite these many complex problems of directing a large institution, he has still found time to smile.

A Vike's Farewell

Our "Jolly Good" vice-principal

This fall Northeast bade a sad farewell to Mr. Harry Cloverdyke, our vice-principal for two years. During this short two years, he became known for his strong voice and his strict disciplinarian procedure. But those who knew him personally found him to be a capable, enthusiastic, and humorous man who was devoted in working for the school.

Would you believe that this staunch disciplinarian in his senior year at Northeast was voted "Jolly Good Boy" for the senior ballot? In fact, Mr. Cloverdyke was an all around student. He was a member of the varsity basketball team (which, incidently, was co-champions of the city that year) a member of the track team, student council, and Courier.

Thus, it is with sad regrets that we say goodbye to Mr. Cloverdyke. As a student at Northeast, he was an all-around boy; as a member of the faculty, he was an efficient, well-liked administrator.

Mr. James Reneau

Mr. Dewight Heath

Vice-Principal

Would you like to go a few rounds with our vice-principal, Mr. Reneau? Our advice is: "don't!" As a youth he proved himself physically fit by both boxing in the Golden Gloves tournament and wrestling on a high school team. Now he shows himself to be fit by camping with his family in the mountains every spring and fall. But our vice-principal's time is not entirely devoted to conditioning himself. Besides putting in many long hours for Northeast, he is a member of Phi Del Kappa and the School Master's Club. Next time you stay late after school, look into the gym and there you will probably find Mr. Reneau working out so he may be able to tackle any problem.

The fall of 1966 brought a change in Northeast's administration. Replacing Mr. Harry Cloverdyke, as vice-principal, was Mr. Dwight Heath. Since students have a way of dubbing all teachers, Mr. Heath has become "Dick Tracy" of Northeast. Before coming to Northeast he was vice-principal at Lincoln Junior and had taught math at East for five years before going to Lincoln. He is well qualified for the position at Northeast, having his Bachelor of Science degree from C.M.S.C. and a Master's degree and teaching certificate from U.N.K.C. We of Nor'easter staff are pleased to welcome Mr. Heath to "Thou Dear".

Underclassmen

What is an underclassman? To the Sophomores it is the frightening newness of the Senior Building, added freedom, more responsibility, mountains of homework, and monstrous teachers. Along with a few scattered Freshmen, it is being the "underdogs" of the school. To the Juniors it is the jolliest high school year. There is no newness to scare them or responsibility to load them down. It is having American History with Mr. Day, and chemistry with Mr. Calvert. It is electing class officers, ordering Senior rings, and going to the Junior-Senior Prom. An underclassman is going through the awkward stage one travels before becoming an upperclassman.

Sports

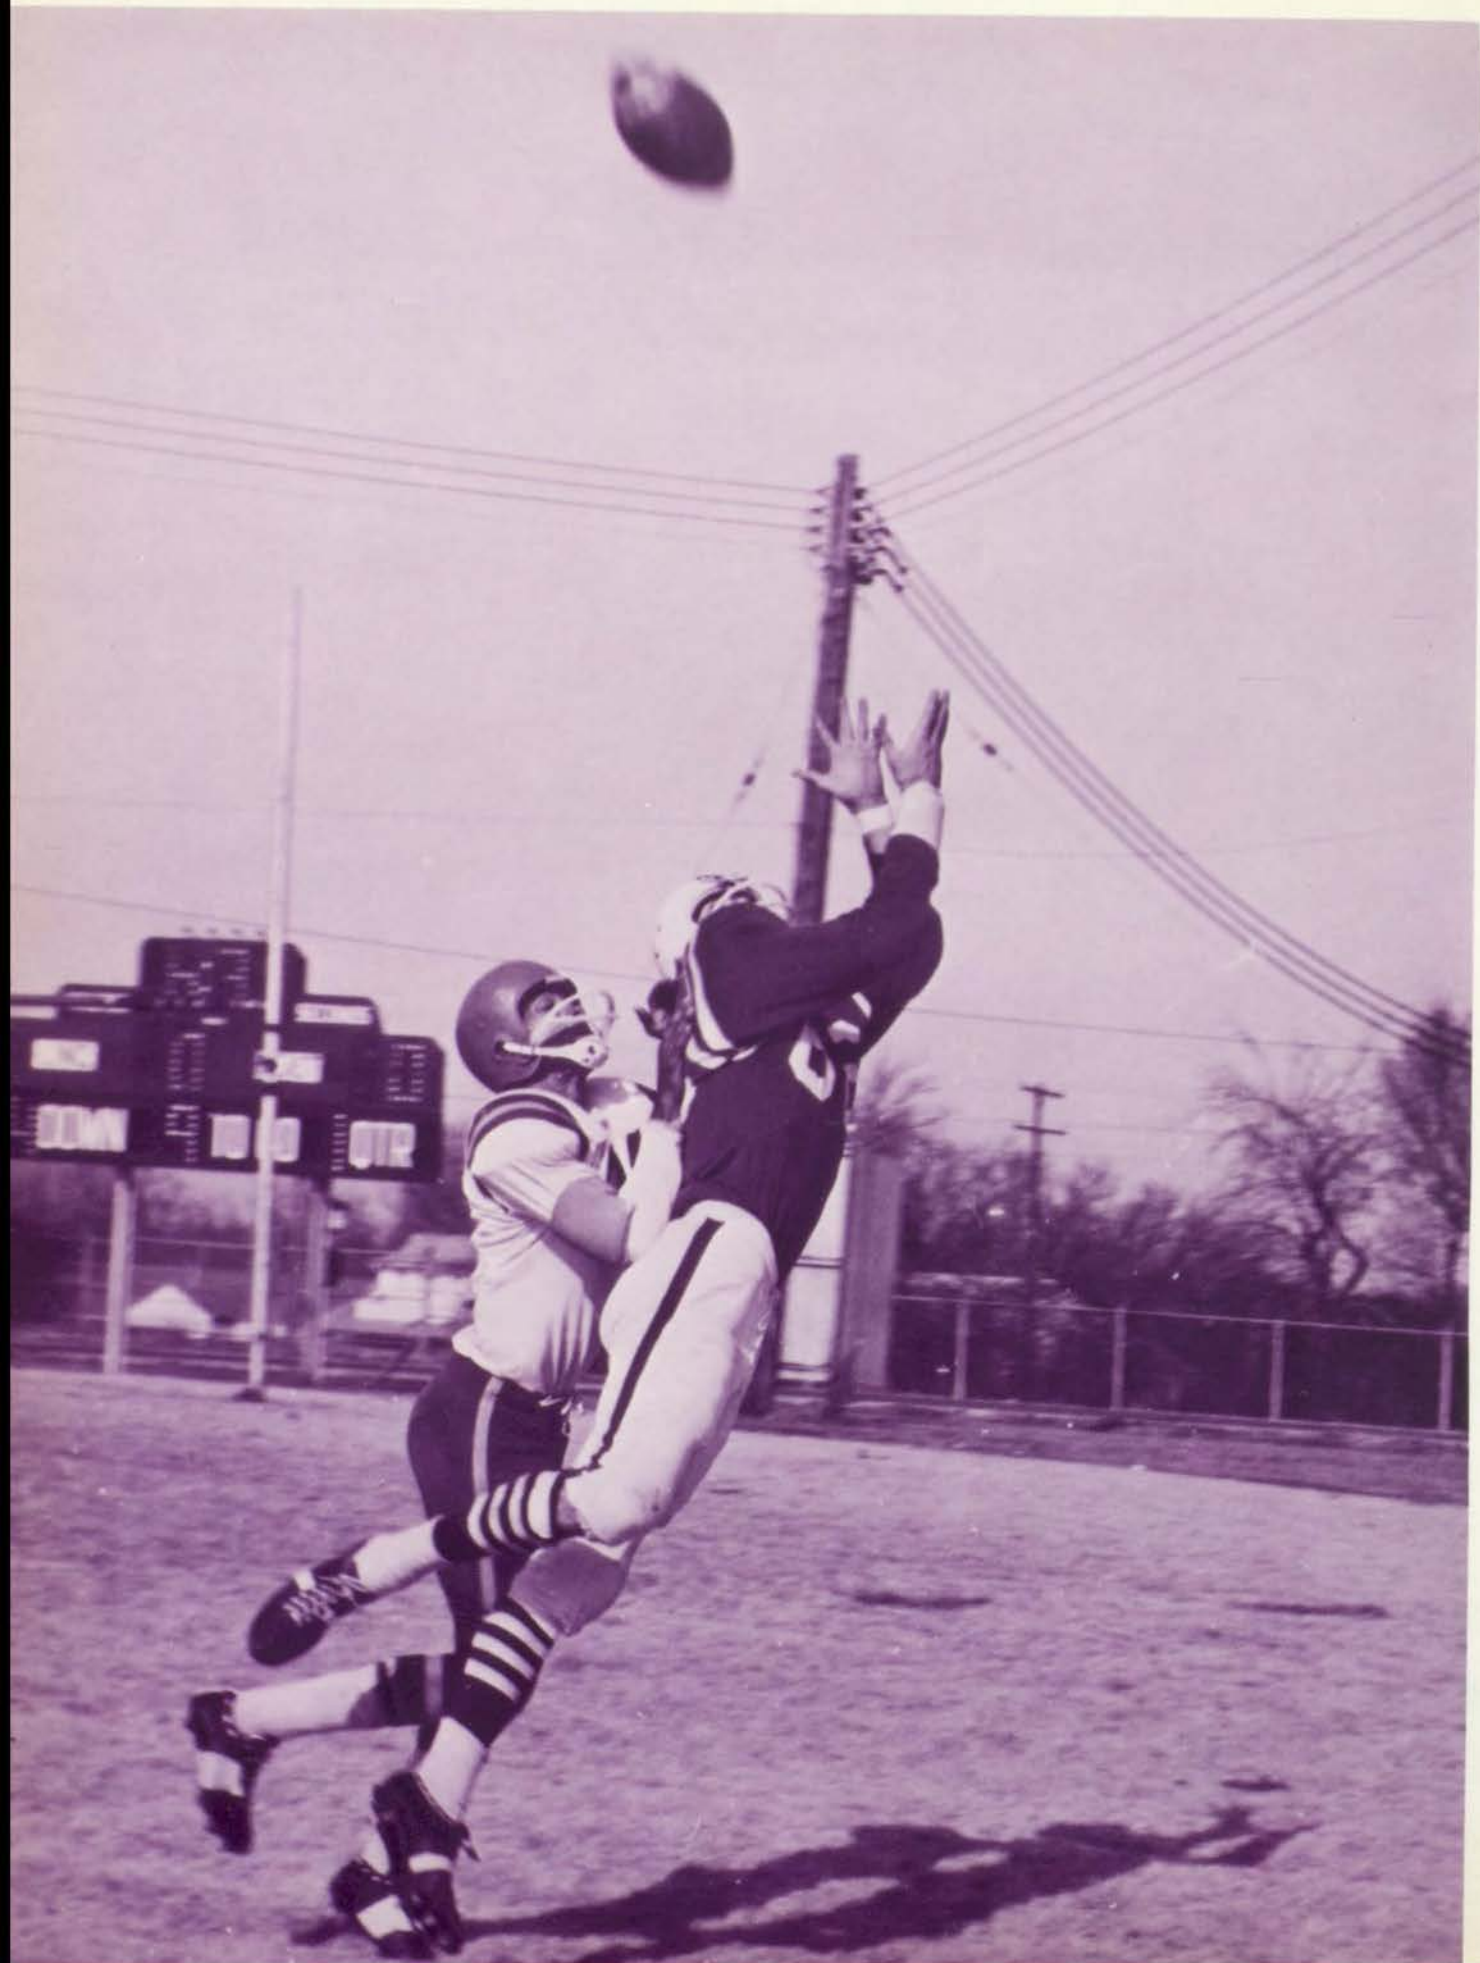

What is a sport? To Nor'easters this year it meant having the best football and basketball teams Northeast has had in years and a revival of school spirit. In the fall Northeast experienced a topnotch football team under Coach Don Cobb. Winter and early spring brought Coach Bill Durham and the basketball team many startling victories. Placing third in football interscholastic league play and second in the Park Hill Basketball Tournament made school spirit soar to heights previously unknown. We want to express our appreciation to each of the coaches and every boy who participated in football, basketball, track, swimming, golf, or tennis. "Thank you" for doing an excellent job.

ROW ONE: Dave Busch, Carl Piper, Marty McCollum, John Deatherage, Tony Ciccio, Steve Myers, Tom Gialde, Ron Snyder. ROW TWO: Ben Hart, Joe Passantino, Steve Edwards, Ron King, Dwayne Milligan, Jim Allinder, Bub Barnes, Rick Finter. ROW THREE: Doug Walter, Eddie Coates, Bill Brohman,

Zane Zuber, Curt McDaniels, Jim Atkinson, Danny McMahon. ROW FOUR: Assistant Coach Durham, Mike Martin, Robert Collins, Steve Mizer, Pat Manard, John Noret, Eddie Saunders, Coach Cobb.

Varsity Football

Magic words, such as Coach Cobb and Coach Durham, floated around Northeast as the 1966 football machine prepared for a highly questionable season. This duo of magicians produced a winning football team which tied for fourth place in the interscholastic conference.

As the season opened, the machine recovered a fumble and was able to score on the first play of the game. Northeast started its attack and never let it slacken throughout the four quarters of play. When the rampage was complete, the Vikes had scored six touchdowns and one touchback to lash St. Pius, 40 to 0, in a non-conference game.

The victory-minded Viking ship flattened the Paseo Pirates with a score of 7 to 0. The Vikings were riding high as the third game of the season came. Northeast held up well, but the Southwest Indians played for keeps as they unloaded their heavy artillery in the final minutes of play to overcome Northeast, 20 to 17.

Being beaten by the inter-scholastic champions, Southwest, in the final minutes of play didn't detour the Vikings from bouncing back soundly defeating the Southeast Knights, 31 to 19. Due to injuries from previous games, the mighty Central Eagles defeated us, 52 to 13.

The highlight of any football season is homecoming. The Vikes rose to this occasion by skinning the East Bears, 56 to 0. With this overwhelming victory behind them, the Vikes declared open war on Manuel, defeating them, 26 to 0. In the next game, Northeast fought hard to record the fourth shut-out of the season against Westport, with the final score of 41 to 0.

Northeast's powerful threat was stopped in the last two games by Van Horn and Lincoln. Because of the depleted squad due to injuries to such key men as Steve Mizer, Tom Gialde, Jim Atkinson, Dwayne Milligan, and Dave Busch, Northeast was badly lacking the reserve power needed to defeat these two teams. Northeast fought hard, despite the injuries, holding Van Horn to 26 points; Lincoln to 41.

From all sides of the picture the support has improved and this has done much to raise the spirit that was lacking in the past. That dark cloud that once lurked over Northeast has faded off into the distance and a bright outlook is forecast for the Vikings.

Viking Harriers

Running in seven cross country meets the Vikes, led by co-captain Don Earnest, won three. In big competition Northeast Harriers placed 2nd in the Northeast Invitational, 3rd in the City and 6th in the State District. On the individual side Don Earnest won six first places breaking one course record. At the Northeast Invitational Cross Country Meet held at Budd Park, senior standout Don Earnest broke his meet record of 1965 by 11 seconds with a time of 10:52. Other standouts in hill-and-dale running are junior John Tusa, junior Mike Boyle, senior co-captain Paul Welsch, senior David Ramey, junior Andrew Shelton and senior Richard Mason.

The Northeast Vikings opened the 1966-67 basketball with three returning lettermen, one being a starter from the year before. The Vikes were short on size, experience, and overall speed but they were long on desire and pride.

Northeast lost their opening game to NKC but bounced back the next week to place third in the William Jewell Tournament by defeating Lee's Summit and Liberty. Following the Jewell Tourney the team lost their next three games in succession to Liberty, Lillis and Paseo. After the Paseo defeat the Vikes wheeled to five straight victories which gave them a fourth place finish in the Interscholastic League Tournament and a 2-0 record in league play at the time. After four successive losses to league teams the Vikes knocked off highly favored Southeast 54-48 in one of the key games of the year. From this game on the team seemed to jell-playing their best basketball of the season. During this span the Vikes knocked off Fort Osage (66-48) in a non-league game. Very little attention was given the Vikes as they entered the Oak Park Regional, but things happened. First, the Suburban Seven Champs, Park Hill, met defeat at the hands of the Vikes by a score of (56-53). Next the Vikes knocked off Lincoln, who had previously defeated Northeast in League play and who ceded second in the Tourney, 65-64 in a thrilling come-from-behind victory. The upset-minded Vikes were thwarted in their attempt for the Regional Championship, losing to De La Salle 53-78. This second place finish was the climax of a successful basketball campaign.

Thus ended a highly successful season for Northeast. The Vikes tied for sixth in League play (3-6) and ended the season with 11 wins and 12 losses. Highlights of the season were (1) knocking off Southeast (2) third place finish in the William Jewell Tourney (3) fourth place finish Interscholastic League Tourney and (4) a surprising second place finish in the Oak Park Regional.

"I was proud to be a part of the basketball program at Northeast. The determination, desire, and pride exhibited during this season are something I will long remember. I only hope this is just the beginning and not the end of this new found pride and school spirit."

Clubs

What is a club? Clubs are for Nor'easters who want to enrich their education in various fields. You can learn more about Spanish, or French by joining these respective clubs. If you are interested in a career as a secretary, you can learn some secrets of the trade by joining Future Secretaries of America. Maybe you enjoy entertaining others, if so, you can always join the Drama Club. Finally, for those girls interested in swimming or sports, Northeast offers Seal and Olympic Clubs.

ROW ONE: Janet Bethke, Sharon Calef, Sandy Ross, Karen Adkins, Judy Zaun, Judy Jackson, Suzie Rowe, Robbie Barr, Archie Wilson, Scott Fleming.

100 Girls' Club

At Northeast there is a club of which little is known. It is composed of five senior girls and five junior girls. The One-Hundred Girls' Club is so named because it consists of ten girls from ten high schools in the Kansas City area. The girls are chosen on a basis of class rank, participation in school activities, and leadership. The members from Northeast are: Linda Anderson, Judy Jackson, Cheryl McElhose, Donna Miller and Judy Zaun, seniors. The juniors are Terry Cover, Paula Holler, Kathy Ramey, Mary Row, and Eldonna Sides. Although they have no school activities the club sponsors several city-wide meetings. The first is a brunch held during the Christmas vacation. Usually the club visits one college a year. This year the trip was to the University of Kansas. The tour included lunch in the Student Union, a trip through the three freshman dorm, and a bus tour of the campus. These girls will still be members of the Association of University Women after graduation.

Activities

Northeast offers a variety of activities. There is a club or an activity to suit your interests. If you are interested in helping your fellowman, join the Red Cross. Or if you want a strict, disciplined military life, Northeast has a fine ROTC program. Excited by the prospect of working while attending school? The COE is for you. Or if your life's work will deal with journalism or publications, the *Courier* or the *Nor'easter* will start you on your way. Or does your curiosity move you into politics? If so, by being a member of the Student Council, you will learn the basic rules and procedures used in this profession. Where ever your interests lie, you are sure to find the right activity to help you develop it.

Red Cross

The Red Cross was very active during the school year of 1966-67. The year began with "Project Thanksgiving." The student body raised enough money to fill a chest with school and health supplies for Vietnamese orphaned refugee children. The Christmas Stocking drive followed this project. The students raised enough money to fill twenty-five stockings for the Veterans' Hospitals with health and luxury items. An extra project of filling 15 stockings for the active service men in the Richard Gebaur Air Base Hospital was given to Northeast when we asked to do more. The Red Cross Council at Northeast finished the school year with the annual Enrollment and Membership Drive, and Summer Recruitment for Volunteers.

Hoe the Happy Hunter.

Photographers At Work

A typical day in the darkroom.

Mr. Robert Swoboda

"Our Fearless Leader," "The Great White Hunter," "Harry Honda," "Bobby Boy." These are all terms which show our great affection and esteem for Mr. Robert Swoboda, former teacher and NOR'EASTER sponsor here at "Thou Dear" since 1961. He took leave of the Viking Ship at the end of the first semester this year to accept a position in Wisconsin.

In his teaching, which was his prime objective, he was first-rate. His leadership shown brightest when he obtained enviable results through his methods of using student faith, trust, and self-direction.

It was not with jubilation that we watched "Our Fearless Leader" depart. We were sad at his leaving, but with him went our most sincere wishes for success in his new occupation—the success we know he will attain.

We of the 1966-67 NOR'EASTER STAFF feel proud to have had the opportunity to work with Mr. Swoboda during the first part of this year. Behind our yearbook stands many hours of our sponsor's work and planning, a sponsor to whom we send many "thank yous" for simply being himself.

"My sob-provoking farewell address . . . this oughta' shed a tear!"

Music

Music is a small word which covers a lot of ground. This year it ranges from being a majorette to a cast member of the famous Broadway musical, *South Pacific*. Or it can mean Mr. Pinnel's Girl's Choir or Mr. Bianco's band or orchestra. This word does cover all the aspects of both instrumental and vocal music. If you have the ability to sing or play an instrument, there is a program at Northeast for you.

Societies

What is a Society? A society is rush, informal and formal initiation. It is Mid-Year Event in which last year's members renew old friendships. It is the Inter-Society Dance. A society is picking Lit outfits, song practices, and preparing written and oral Lit work for representation. A society is most of all Lit Night, when tension, excitement, and suspension reach a peak. And last, a society is the farewell banquet and election of next year's officers.

"We are, we are Debater Men."

Look at that chest!

"Now if anybody says I said this, I didn't say it, but"

"Try to hit the owl's eye."

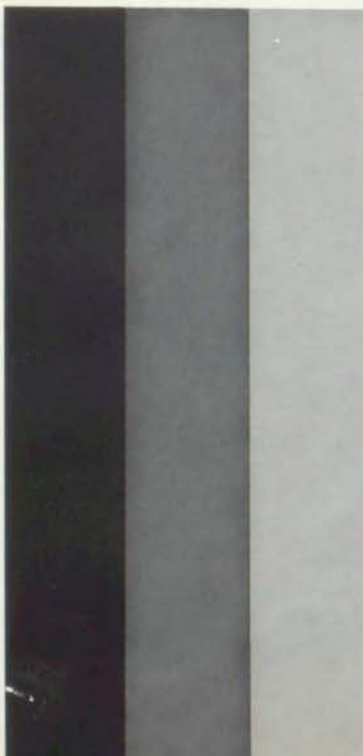

These many have learned about Secret.

"That is not a triangular target!"

Queens

What is a Queen? A Queen is being selected from a large group of Senior girls to represent an idea. It is the mounting tension before her name is announced. A Queen is congratulations, hugs, and kisses. A Queen is being presented the traditional dozen red roses, and being crowned by last year's Queen. Her duties include reigning over a dance of happy couples. And last, a Queen is happiness, tears, and memories.
