

#2002-35

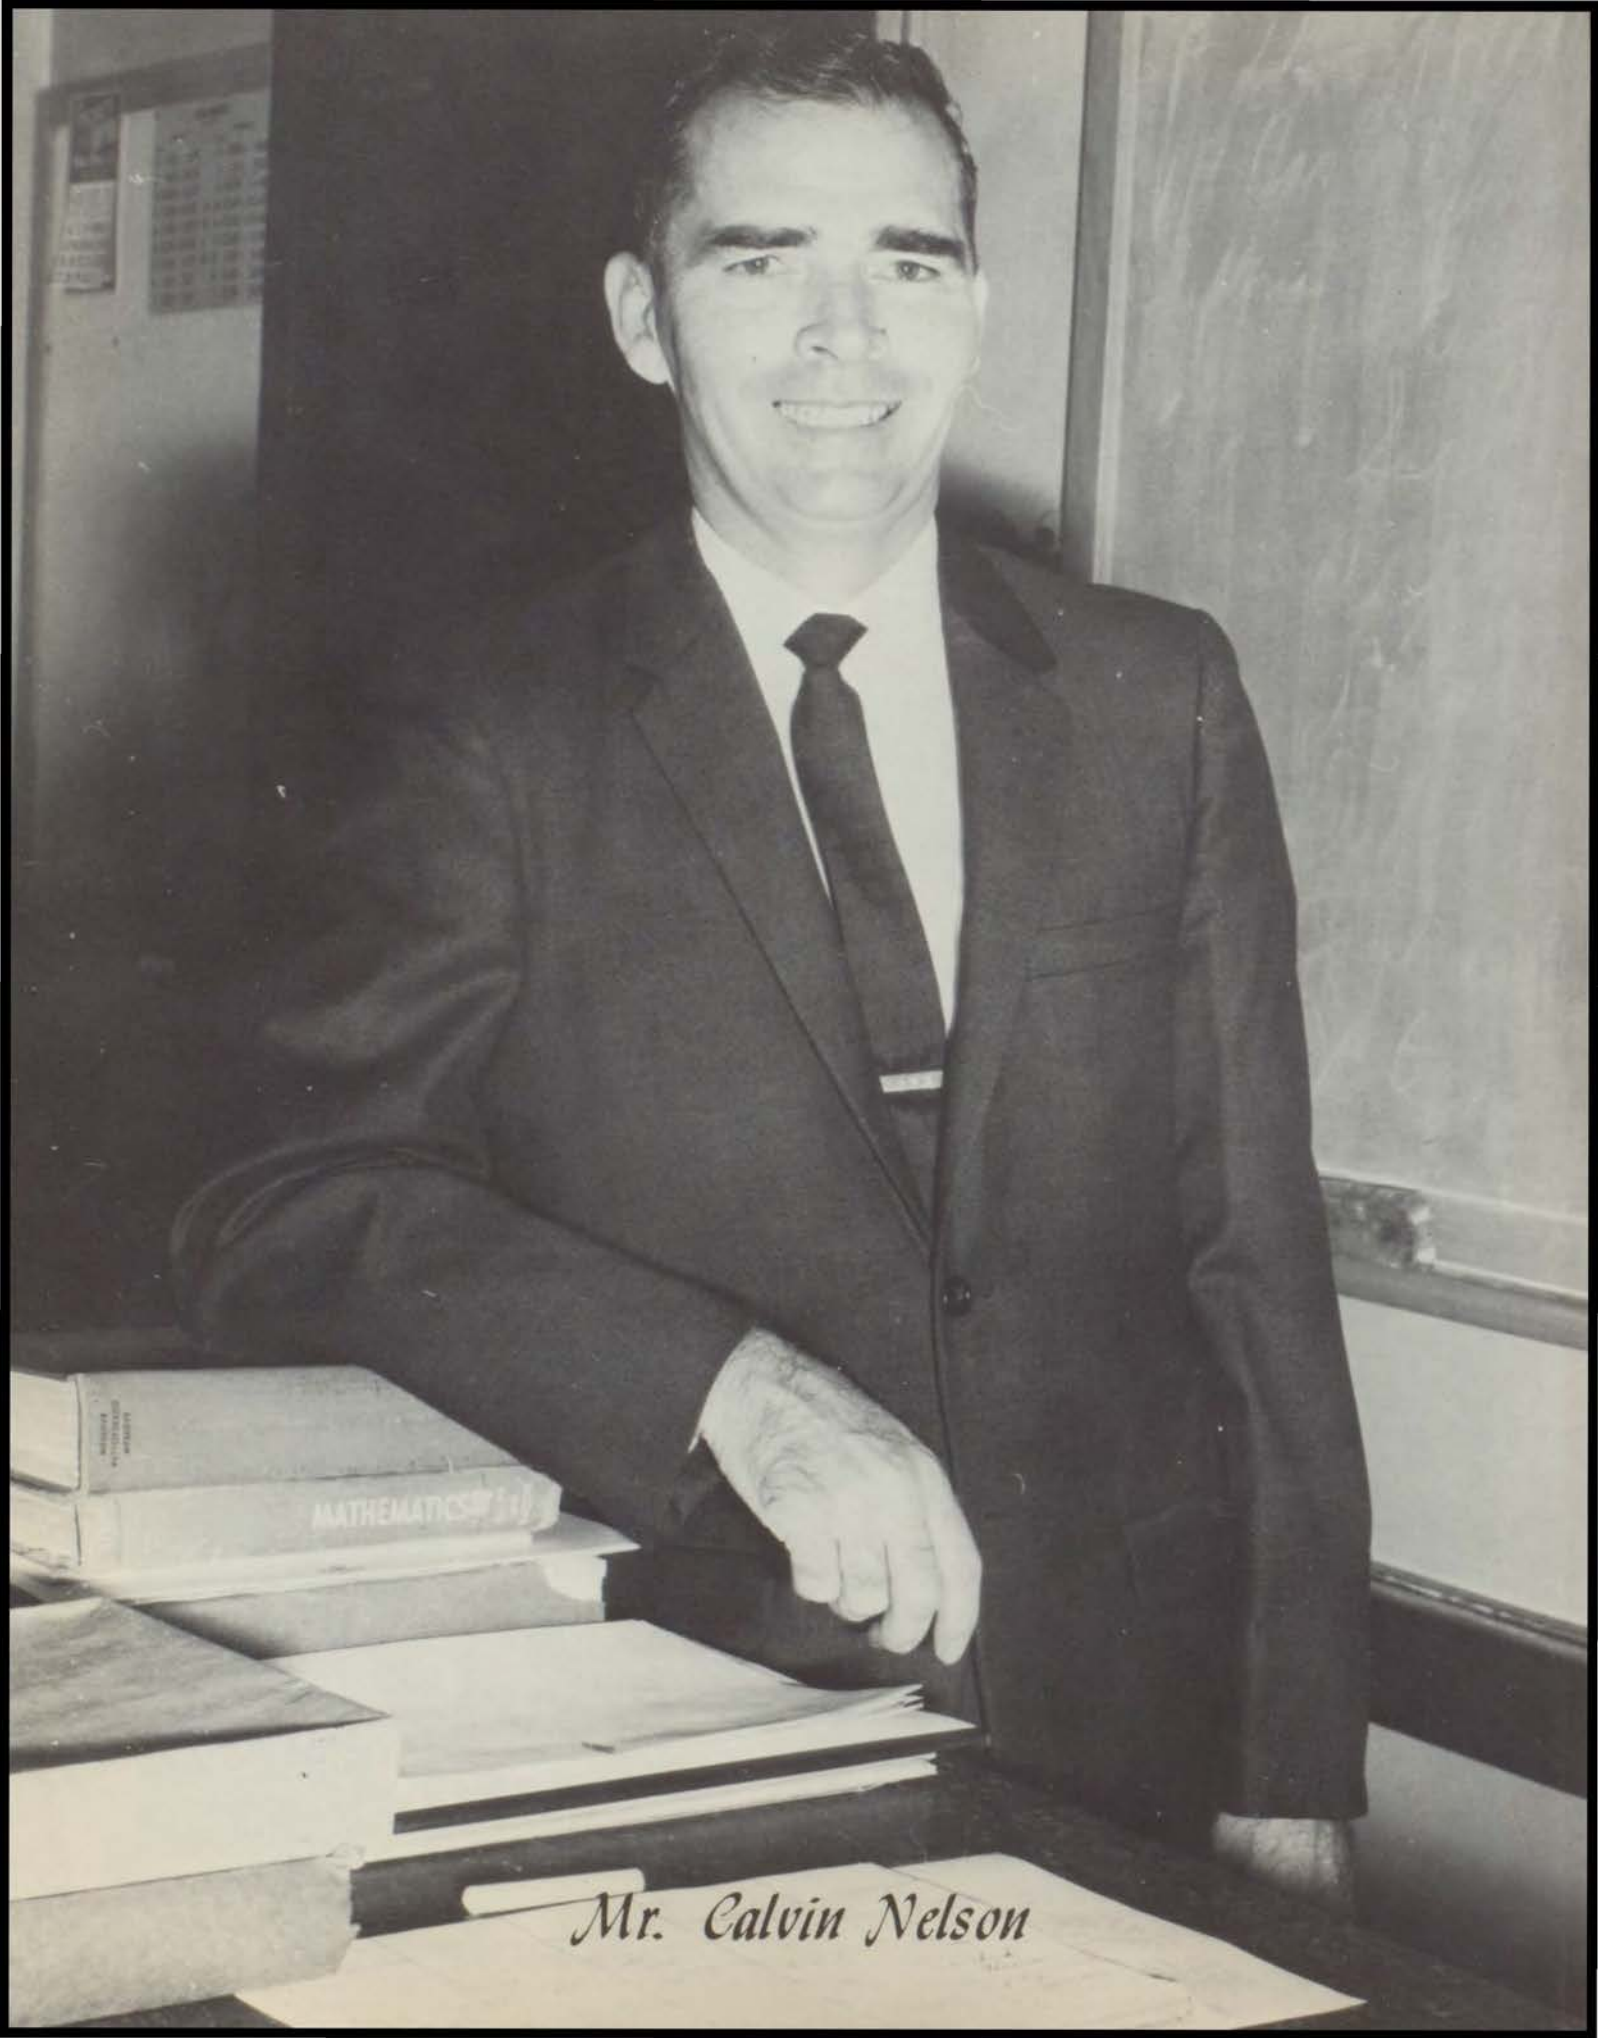

To us Northeast High School . . . A busy world of students seeking to learn thoughts of the immortal and pondering within ourselves the ideas of things to come . . . A center where the traditional and modern meet to challenge individuals to enter paths of adventureful thought. Our school is an abstract, a spirit, a force, which becomes personal only as we come to know the people who comprise it and as we learn what they think and do. In the following pages we have attempted to capture the growth and the life of our school and the individuals who have passed through its doors.

*Mr. Calvin Nelson*

## A Proclamation

It is hereby acknowledged that Mr. Calvin Nelson has led many students of Northeast to meet the challenges presented and to comprehend those enigmas of life.

We feel Mr. Nelson deserves recognition for his following accomplishments:

~~He served as a past advisor for the Student Council.~~

He also served as an advisor for the Foreign Exchange Committee.

He handles all athletics season tickets, and also takes tickets at admission counters at Athletic events.

He takes care of the scheduling of all buses for athletic events for players.

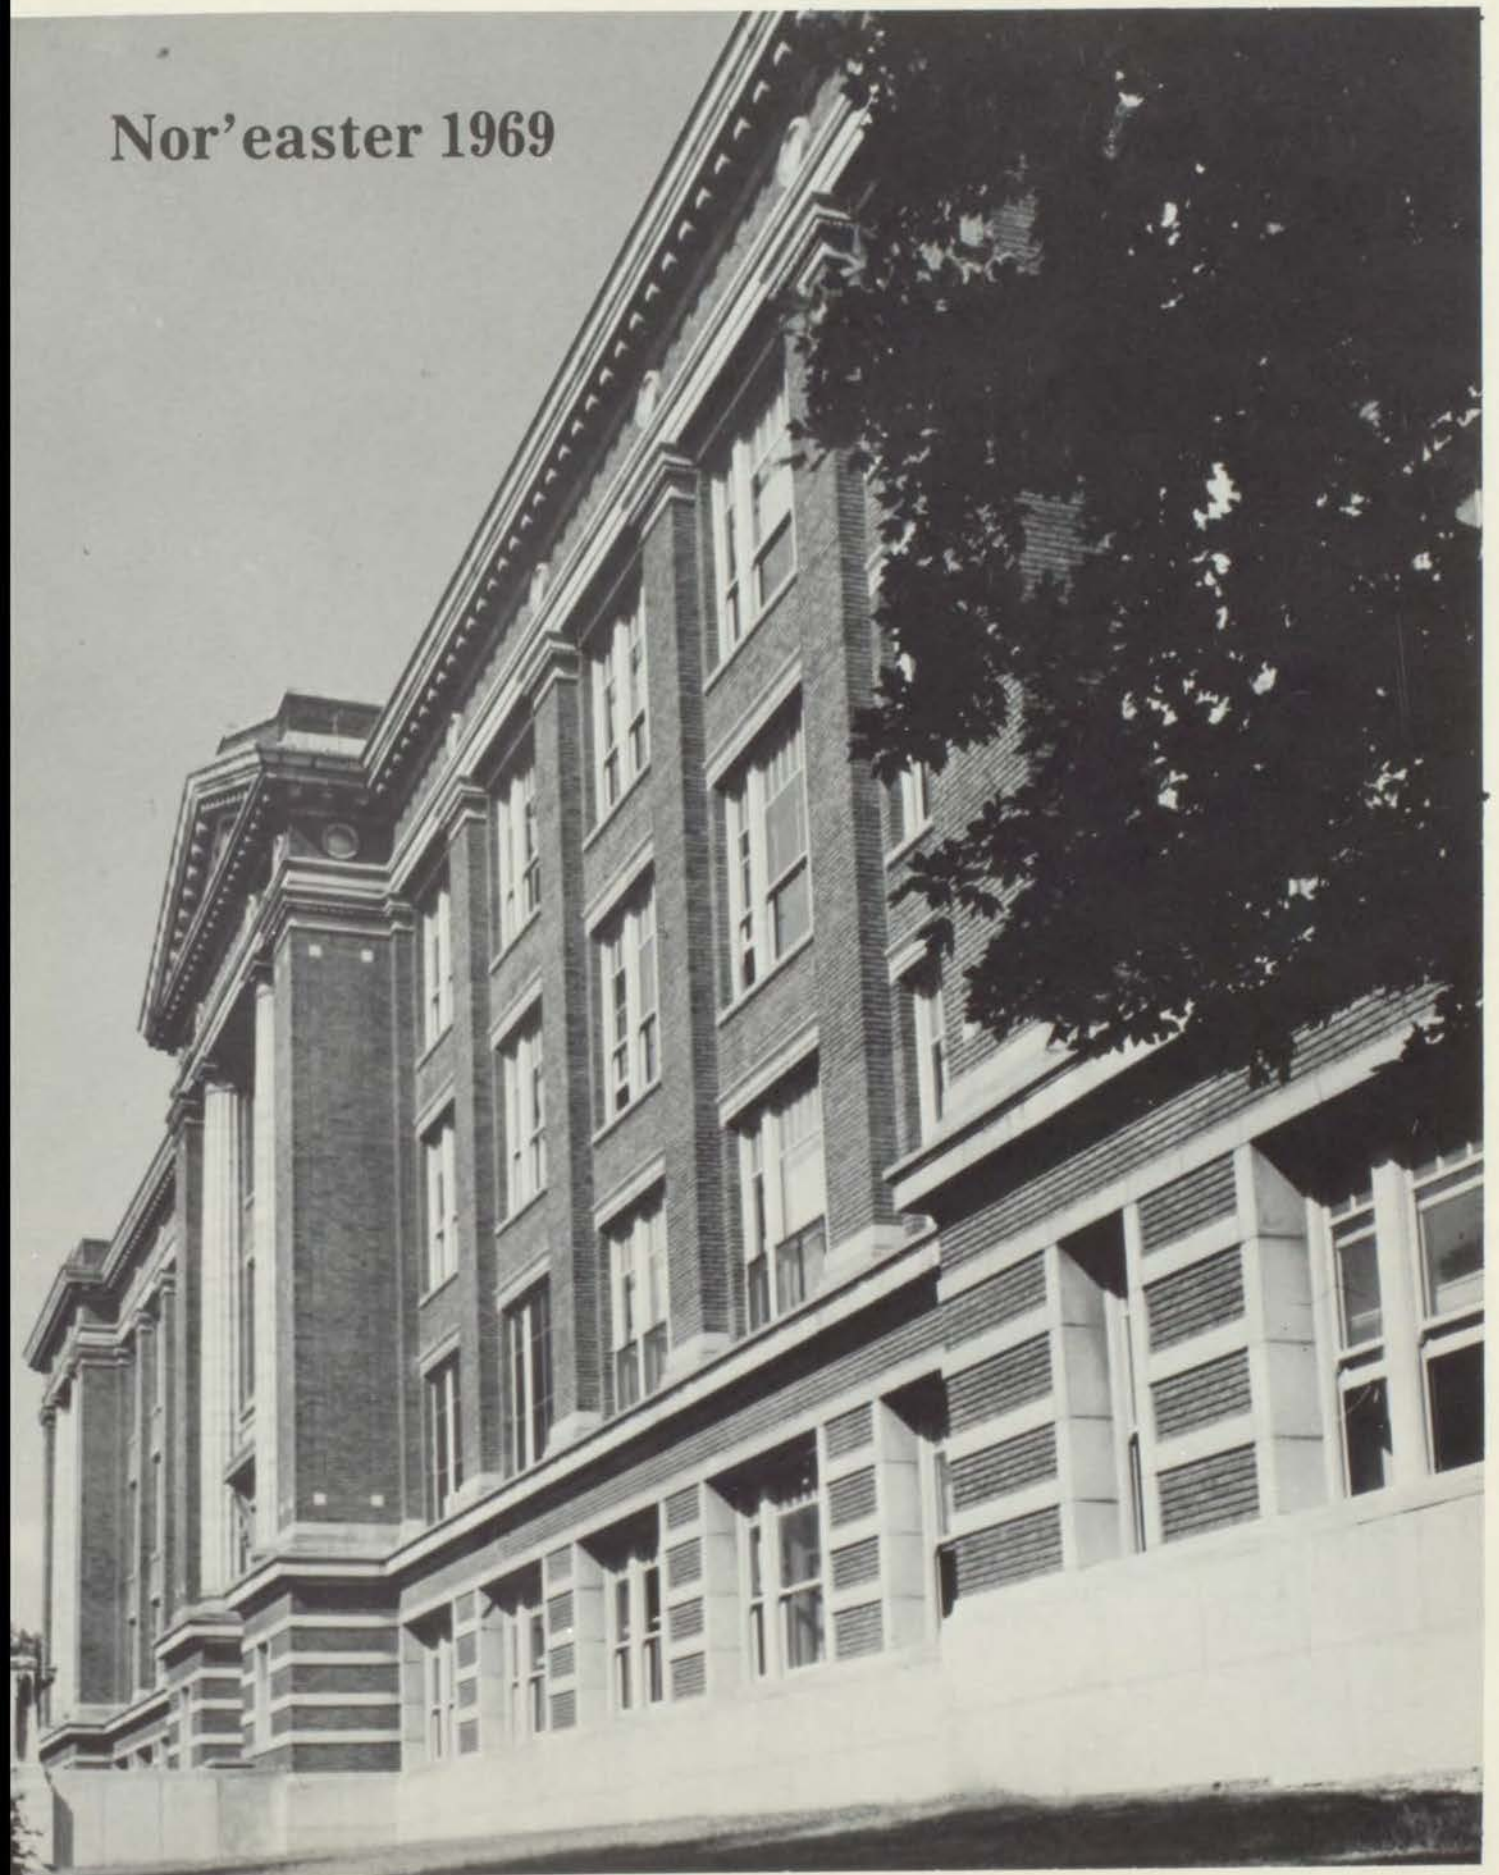

Thus in gratitude and friendship, we dedicate this 1969 Nor'Easter to you, Mr. Nelson.

# Principal

There is an able and very versatile man heading the faculty here at Northeast. Ending his 13th year as principal, Mr. Wayne McKanna, is a man of many talents. He not only devotes a great deal of time to the students at Thou Dear, but he a master craftsman at making cabinetry for such things as grandfather clocks. An avid M. U. football fan, member of the board of control of the MHSAA, and a member of the honorary fraternity Phi Delta Kappa.

# Vice-Principals

The favorite boy scout of yours and mine is Mr. Reneau, the vice-principal for the Senior and Sophomore Classes. Mr. Reneau is a Scout Leader for a Boy Scout troop, he also coached a Little League Baseball team during the summer. Our pied piper of Northeast is completing his fifth year as a vice-principal.

Mr. Dwight Heath, the Junior class vice-principal, returned to Northeast again for the third year after a serious car accident. We missed seeing him haunting the halls of Thou Dear for quite awhile. However our little Dick Tracy is as handsome and efficient as ever. We were all glad to see him back.

We have a new member of the Administrative Staff, Mrs. Bernice King. Mrs. King comes to us a graduate of Langston University, Langston, Oklahoma. As an Assistant to the Principal, Mrs. King is responsible for freshman students. She is also the coordinator and advisor for bussed students. We are looking forward to having her with us again next year.

# American Field Service

To be a foreign exchange student is the most important thing that ever happened to me. Everything was so different here when I first came that I thought I would never get use to it.

At first I didn't understand a word just walking around smiling at all of you like a dummy. When I didn't understand the question instead of answering, I smiled. But now I can even use some of your slang words. The first slang word I learned was "groovy" and I still don't know what it means. But it's a good word; I guess.

I had to get use to the many differences between Northeast and my old school, but I can truly say Northeast is "my kind of school".

I really like Northeast; but I'll never forget the first day walking into the drafting class with thirty boys looking at me like I was from a different planet. But now everything is as normal to me like if I have lived here all my life.

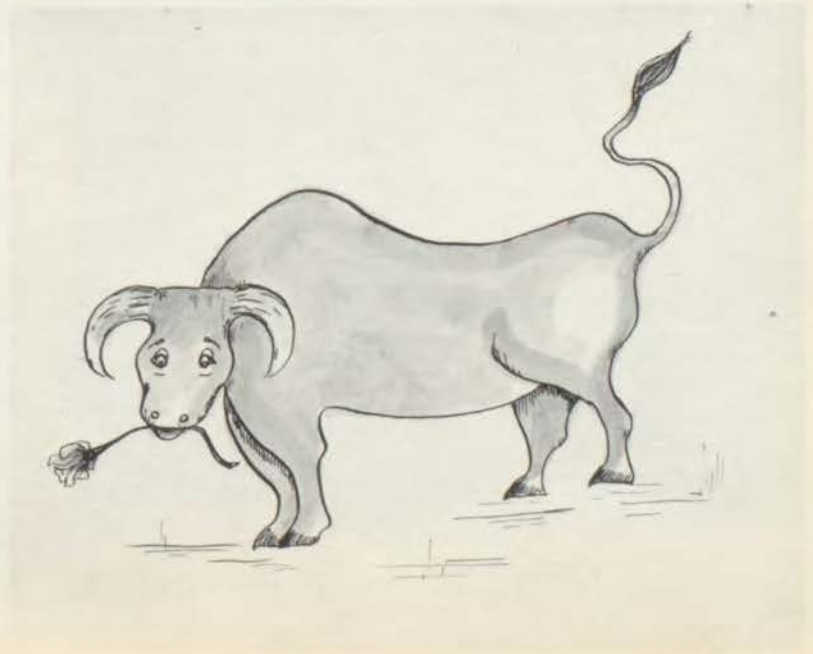

I want to thank everybody who did so much for me and who made this year the most wonderful of my life, especially my American family who substituted my own one so well that I can honestly say "I hardly ever had occasion to miss my real family."

I am sure I will never forget all of you and all the friends I leave behind, and all the wonderful memories I take back home with me.

Northeast is a great school and I want you to work and keep her on top like she has been to me.

I will miss you all.  
Much love, Always

The French Club was created at Northeast High School in order to provide French students with a better understanding of the French people and culture.

Members of the Club are interested in the contributions which France has made to the various arts and sciences. Guest speakers have lectured on these subjects at several club meetings.

Plans have been made during the year to visit the Art Gallery and also to attend a presentation of "Antigone" by a French theatrical company. Plans also have been made to present a French musical program.

The French Club expresses sincere thanks to Mrs. Berger for her guidance as sponsor this year.

Although the Northeast Vikings began their season with a narrow and heartbreaking defeat, they showed considerable amount of team work and aggressive scoring ability. At the end of the 1969 Basketball season we had compiled an impressive list of victories over North Kansas City, Liberty, East and Westport twice, Lexington, Southwest, and Lincoln.
