"Thou Dear Northeast art the Fairest of all . . ." This year at Northeast has been a time of hard work, fun, and many memories. The exciting football season led into a victorious basketball season which brought forth the Viking spirit that seemed to have been hidden for so long. The basketball team won many victories and trophies which brought much joy and pride to the Vikings. The crowning of the queens, Viking Varieties, the Trilogy, and the Spring Play are all moments in the history of Thou Dear which will be treasured by many for years to come. If, while looking through this Nor'easter in future years, you remember these events, our job was accomplished.

Mr. Kenneth Myers

Kenneth Myers is responsible for much of the action generated around Northeast. Every year he sponsors the annual "Viking Varieties". When Mr. Myers first came to Northeast "Viking Varieties" was not as successful as it is today. He has built it up with some of the finest talent around, making it one of the major events of the school year. The 1969-70 show was an exceptionally fine one, and as a special feature, Mr. Myers wrote a song which was composed and sung by two members of the "Varieties" cast.

In addition to "Viking Varieties", Mr. Myers also produces and directs the annual spring play. The 1970 spring play, "Harvey", was almost as big a success as it was on Broadway that year.

He also enters students in state speech competitions, helps promote and organize the assemblies, assisted in getting the candy machine installed in the alcove, and worked with the student council this year on a special committee.

Mr. Myers is not required in his contract to take on these extra responsibilities; he does these on his own time. For eight years of devoted assistance to the students and faculty of Northeast, we, the Nor'Easter Staff are proud to dedicate this 1970 yearbook to him.

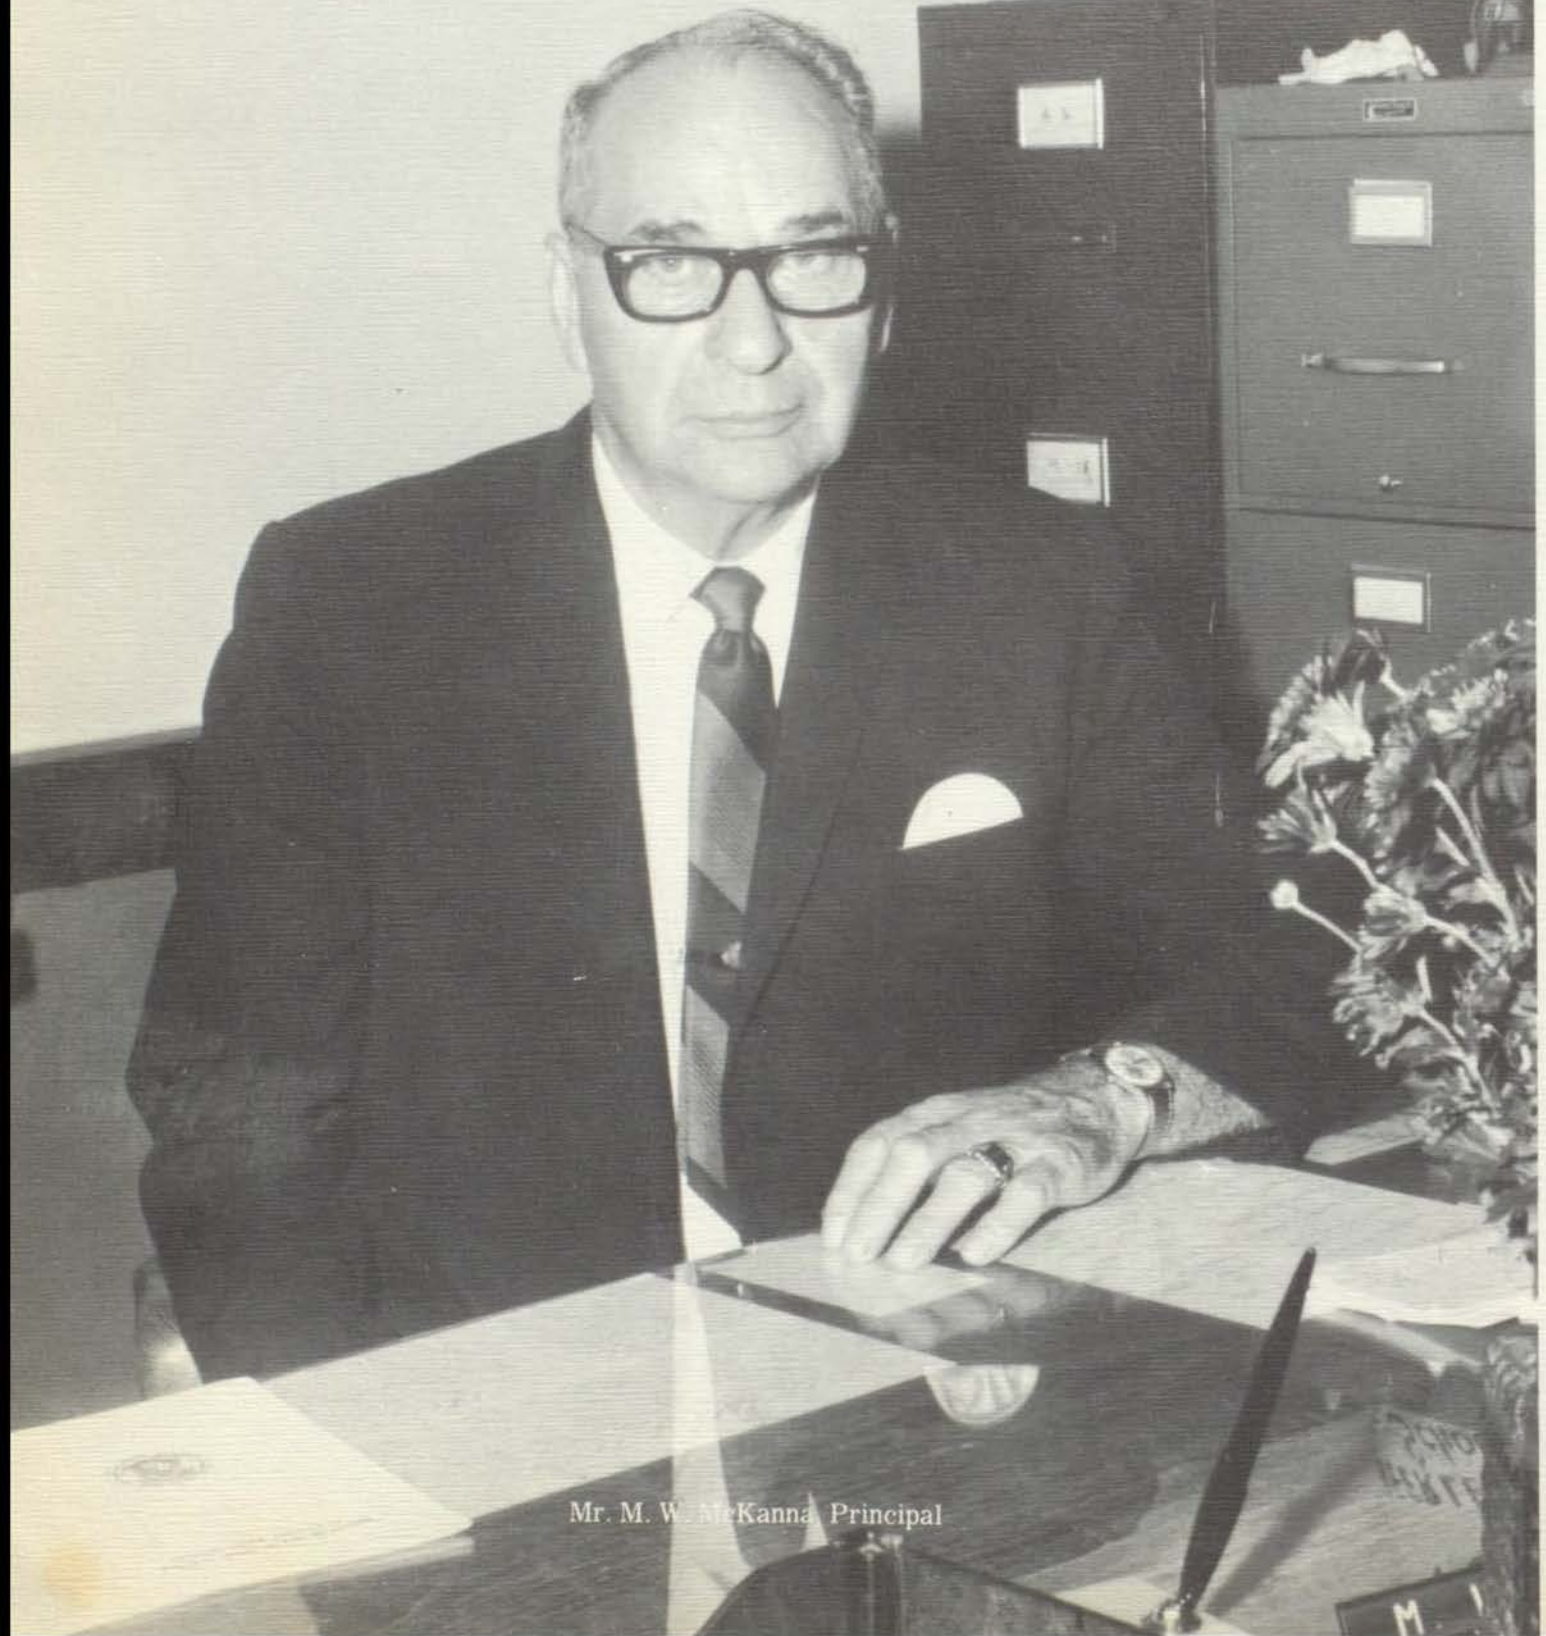

The image features a solid purple background. On the left side, there is a stylized sunburst graphic. It consists of a dark purple circular center from which several sharp, triangular rays of a lighter purple color extend outwards. One prominent ray extends diagonally upwards towards the top right. Another long, thin ray extends horizontally across the middle of the page. A shorter ray extends downwards towards the bottom left. The word "Administration" is written in a white, elegant cursive script, positioned in the upper right quadrant of the page, slightly below the top-most ray.

Mr. M. W. McKanna, Principal

Our very own Mr. McKanna, principal at "Thou Dear" has this year decided to retire from the Kansas City School System. As of September 1, 1970, Mr. McKanna will be a man of leisure. His leisure is well deserved. He has been a very busy man. He has been in the Missouri Education System for 45 years, of these 45 years, 31 have been in the Kansas City School System, and of these 31 years, he has been Principal at Northeast for 14 years.

Besides his many activities here at Northeast, he is a member of the Missouri High School Activities Association. He was elected to the Board of Control for a second 4-year term last year. He was first elected to the Board in 1965.

Mr. McKanna is a graduate of Northeast Missouri State College. He was a four-year letterman in football and track. He did his graduate work at the University of Missouri at Columbia. He is also a member of the Missouri State Teachers Association, National Education Association, Phi Delta Kappa, and Inter-city Kiwanis Club. He was president of the Kansas City Club of Presidents Round Table in 1953.

After he retires this year, Mr. McKanna plans to do some traveling. He and his wife plan to spend some time in Seattle, Washinton. Travel in Europe also seems to be on their agenda. Besides traveling, Mr. McKanna plans to spend a great deal of time on his two main hobbies: cabinetry and flower growing.

To Mr. McKanna, we the faculty and students of Northeast, extend our deepest gratitude and appreciation for his outstanding service here at "Thou Dear". We wish him all the best of luck in the future.

Mr. Jim Reneau

Our smiling, jovial, boy scout leader, Mr. Reneau, was back with us again; haunting the halls of "Thou Dear". Mr. Reneau, whose job it is to watch over the thoughts and deeds of all the sophomore and SENIOR students, has a variety of extra-curricular activities. He is very interested in scouting and has leadership of a boy scout troop where he lives in Independence, Missouri. He also helps with the coaching of one of the football and basketball teams in the Junior Chamber of Commerce League. His football team took first place in their league last year.

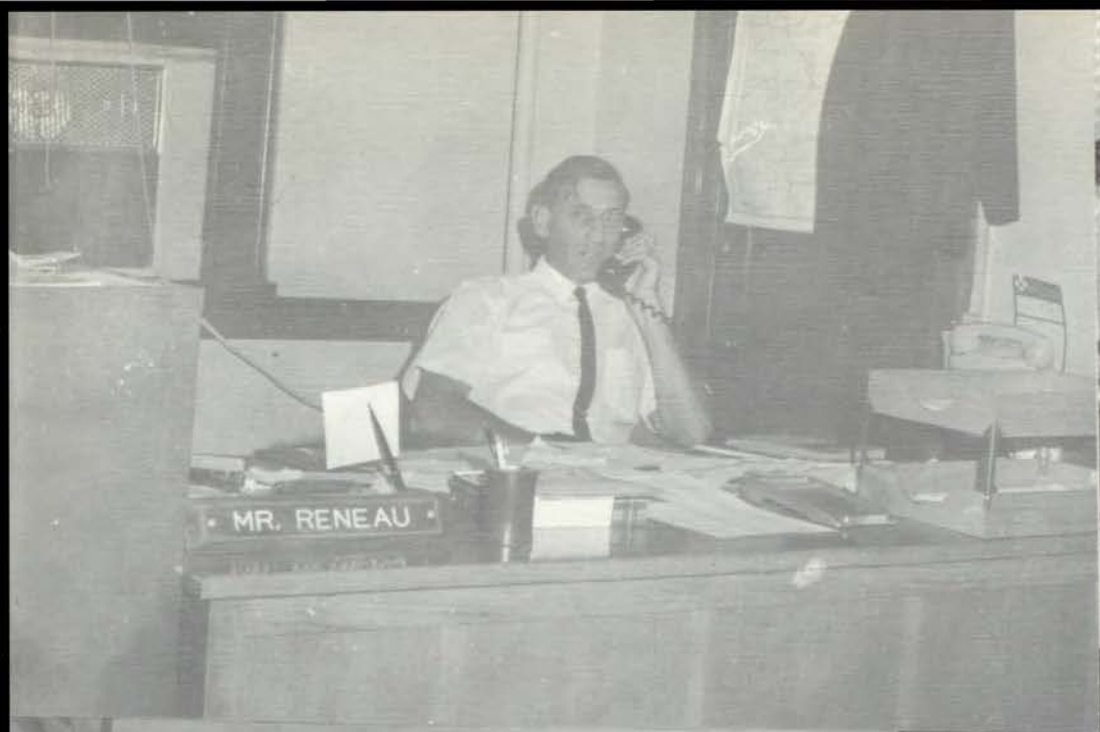

The SENIORS would like to say "thanks" to Mr. Reneau for all his help in getting us through our SENIOR year with as little trouble as possible. We would like to leave Mr. Reneau with these parting words, "Absence makes the heart grow fonder, so remember the class of 1970!"

Mr. Dwight Heath

Pitter-Patter, Pitter-Patter; Does this sound familiar to the ears of the students who wander through the halls of "Thou Dear"? It should, because if you were to turn around on your journey through the halls you would encounter the amazing ever-surprizing, muscle-bound, super sluthe of Northeast High, our very own Mr. Heath. Besides being able to keep track of every student and his whereabouts during every hour of the day (which is an amazing feat!), he manages to take time out to solve the world shattering problems of the Freshman and Junior students. His other main job here at N.E. is guarding and caring for the candy machine door with his life!! Besides all of this, his extra-curricular activities include being a ham radio operator and a lay minister for the R.L.D.S. church. In parting, the Nor'Easter Staff would like to wish Mr. Heath the best of luck with his next Volkswagen.

The Desperado

Misery is when it starts to snow in the middle of the day and your mother brings your galoshes to school.

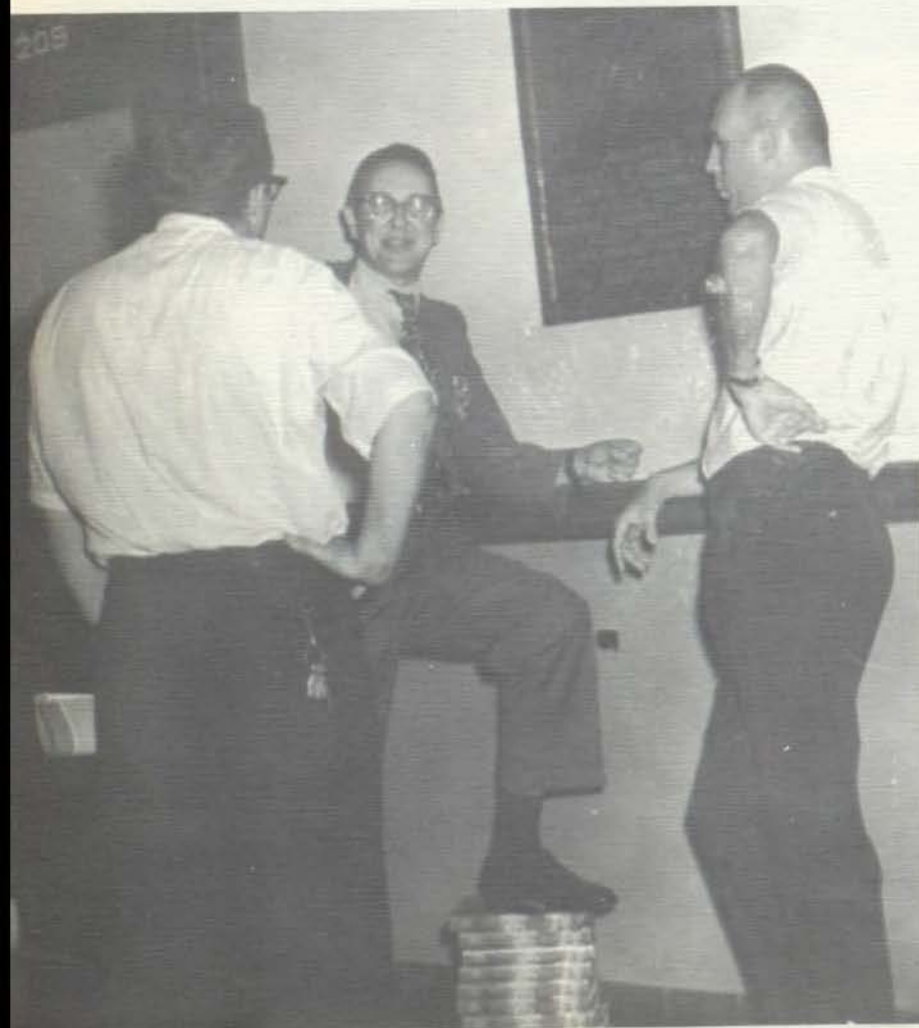

Misery is when your teacher finds out your transistor radio isn't a hearing aid.

This is a fake cover. Actually I'm looking at a fold-out.

"Good Heavens! I can't find my Tootsie Roll."

Stamp out education.

"NO I'm not wearing a Polish pickle!  
This is my nose."

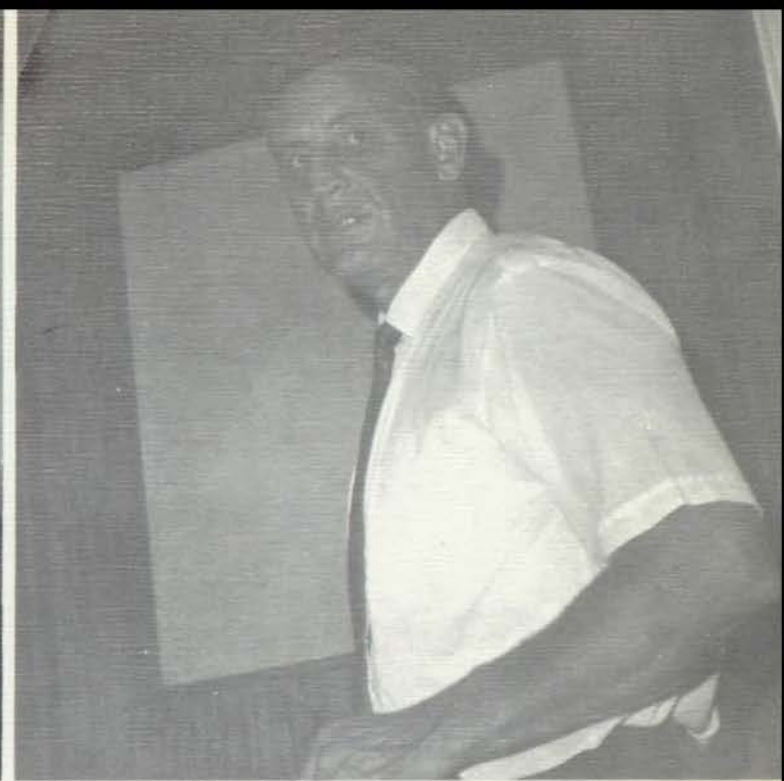

I didn't sleep a wink last night, Nellie threw away my  
Teddy Bear.

One kiss and he turned to stone.

"I can ditch ANY time I want to."

"Oh no you don't. NOBODY gets out of this class!"

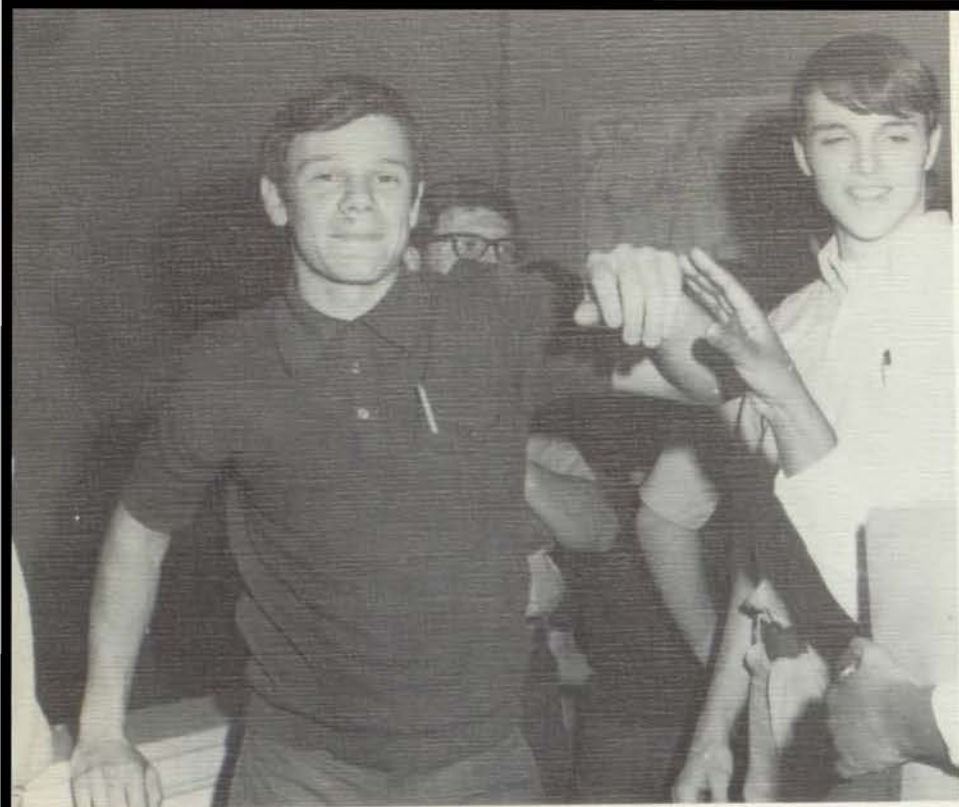

"These late classes are getting me down!"

# Live a little.

*Foreign Exchange Student*

Yada Visuthikulpanich

Attending school at Northeast as a foreign exchange student was the greatest experience that has ever happened to me. This year will be kept in my mind and I will never forget it.

At first everything was so different. I didn't understand a word of English, nor did anybody understand me. When I pronounced words or said something wrong you always laughed at me, but you said it was just what you called "teasing". I really had a hard time pronouncing "thr". I can pronounce it now but still not quite right. Anyway, it was your friendliness which helped me to become used to all the differences and made me feel at home.

I had to get used to many things, like: walking to school on snow which I had never done before, going from class to class all day, and wearing a dress to school instead of a uniform. But now everything seems as normal as if I had lived here all my life.

I don't know how I can thank all of you enough for all you have done for me and for making this year a most wonderful experience. I want to especially thank my great American family who made me feel like I was really a part of their family.

Yada's Homeland.

A stylized sunburst graphic in a light yellow-green color is positioned on the left side of the page. Our Mighty Vikes started the season with an explosive burst of team effort by taking 1st in the Thanksgiving Tournament. They went on to take 3rd in the annual Interscholastic League Tournament. During this tournament our mighty Vikes received the 1st Sportsmanship Award ever given. We're mighty proud of this. Three boys on the team also received awards: Kenny Mattson, 1st team all tourney; Rick Soligo, and Gary Weis, 2nd team all tourney. Our Vikes furthered their winning record by taking 1st in the annual Belton Tournament. The Nor'Easter Staff wishes to congratulate the Mighty VIKES for their fine team effort and enthusiasm. We think you're great!

Vickie, Rick, Mr. Heath, and Jackie work hard to keep the coke machine in working order.

This year the Foreign Exchange Committee, with the help of Mrs. Kelly, the Foreign Exchange Advisor, has made possible a coke machine for the students here at Northeast. This, along with the candy machine, courtesy of the Student Council, have helped tremendously in keeping the students at Northeast in great spirit.

The Foreign Exchange Committee would like to express special thanks to Mr. Heath for his hard work and effort in keeping both the coke and candy machines in good working condition. Without Mr. Heath's help and cooperation, these two facilities would not have been available to the students here at "Thou Dear."

Nor'easter Staff  
Northeast High School  
415 Van Brunt Blvd.  
Kansas City, Missouri 64124

Dear Nor'easter Staff:

On behalf of the Scourier Staff, I would like to thank you for the hard work and effort that you have put out to make this year's Nor'easter a great success. It's the best yearbook in years. We feel the Nor'easter Staff deserves a giant pat on the back for producing a book of such excellent quality.

We the Scourier Staff feel the Nor'easter Staff deserves the Sportsmanship award of the year for its stamina and good sense of humor. We salute you! We sincerely apologize for all the dirty bits and rude remarks we've made about you during the year. None of it is true. We think you're really great. You, the Nor'easter Staff, have come out on top again as usual, 70 - 19. We're very proud of you and your sponsor, Mr. Woodard. You have earned our congratulations.

Very Sincerely yours,

A handwritten signature in cursive script that reads "Mrs. Mary Jane Gredes". The signature is written in dark ink and is positioned above the typed name.

Mrs. Mary Jane Gredes

P.S. Enclosed is the picture we stole from you at the beginning of the year. Our pictures didn't turn out nearly as good.

A student council can never do enough for their school. However, a council is usually judged by what it leaves undone. The year 1969-70 has been more active than it may appear. At the year's beginning there were to be no movies; the council rented projection equipment and Northeast had movies. The council strove to have as many mixers as financially possible. The dress code banned the wearing of slacks by girls. The council met with the administration and the code was liberalized. The sincere hope of the 1969-70 student council is that the students and council of next year will build and expand on the accomplishments we have tried to bring about.

Our sponsor gives us some words of wisdom.

Students air their problems in a meeting with parents.

"Yes Ed!"

## Varsity Cheerleaders

The 1969 - 1970 Varsity Cheerleaders have created a new enthusiasm for school spirit. Many of their new cheers and ideas were brought back from a cheerleading clinic held at Missouri Valley. For their hard work they received four excellent ribbons and one superior ribbon. The most important honor they received was permanent position of the Spirit Stick. Better school spirit and larger attendance at the games were successfully achieved by these enthusiastic cheerleaders.

The Varsity Cheerleaders plant spirit at Northeast.

I think we better stick to the pyramid.

Varsity Cheerleaders got a "Behind the Scene" view of football boys.

# Junior Varsity Cheerleaders - Make It!!

The Junior Varsity Cheerleaders went to cheer-leading clinic at Marshall Mo. for the first time in N.E. history. During their time at clinic they took 4 excellent ribbons and 1 superior ribbon in competition. We're proud of their accomplishments and the spirit they have brought back with them to N.E. We hope the J.V. Cheerleaders in years to come will keep up the good work they have started this year.

An extensive study of French Music; including Christmas carols and French traditional songs, and feeding and clothing a needy family for Thanksgiving and Christmas. The French Club wanted to, "Make this family know a little of the joy and happiness of Thanksgiving and Christmas."

Second Semester the French Club plans to continue their research of French Music, and for a real treat, they are planning a dinner in a completely French atmosphere.

Congratulations to the French Club for their fine work.

Being a literary sponsor has taught me: keep your chin up and smile!

A little here and a little there and she's ready for the prom.

"Now, girls, if we do it like this Mr. Reneau will never know. . ."

. . . and along came Prince Charming and kissed her on the cheek.

"Don't worry girls. If Clio can get away with losing money, so can we."

"You can stop showing off Margie, we all know you wear a living bra."

"Yes, I know this is a picture of you and Pat, but Chris, which one is Pat?"

"Just because you're our Theta sister doesn't mean you're beautiful."

Just for a one night slumber party you need a lot of stuff.

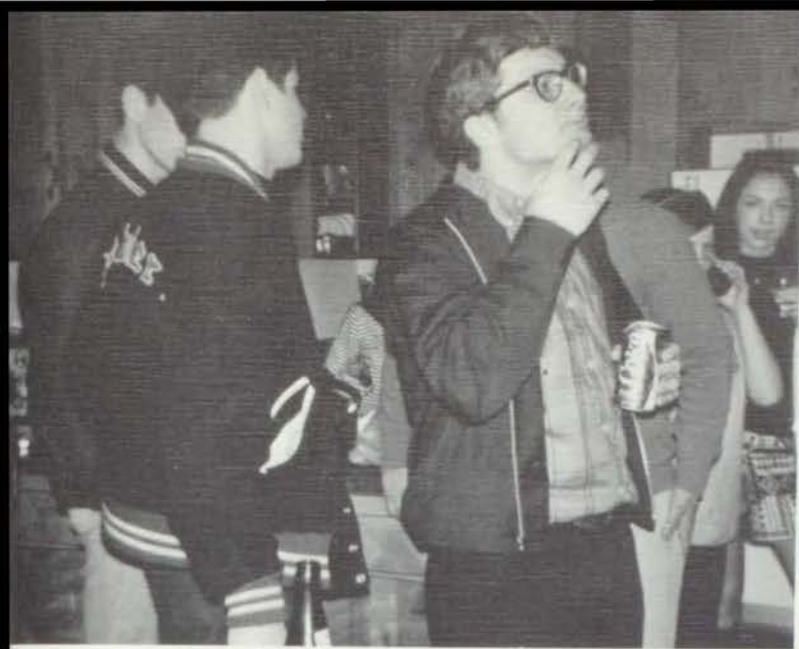

Clio Songleaders

Delta Songleaders

Delta's rushies smile now, not knowing what evil lies ahead of them.

What's a slumber party without Coke, Seven-Up, . . . . !

Theta Songleaders

Hope we never see another EGG.

Wish the boys would hurry up and come!

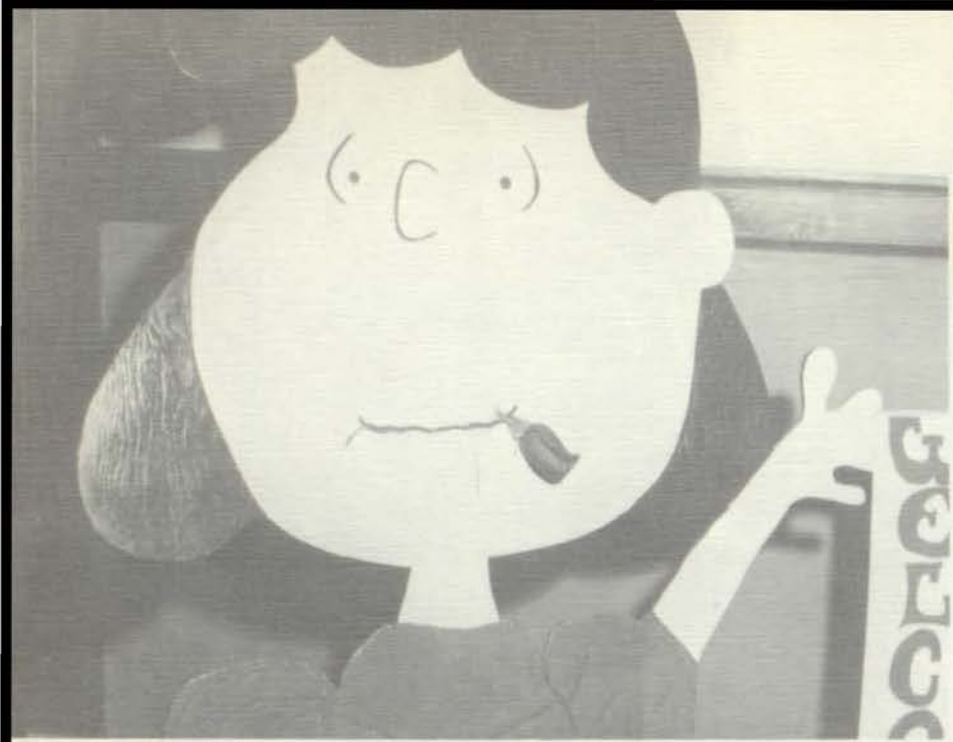

Delta's pose for a picture after the mid-year meeting.

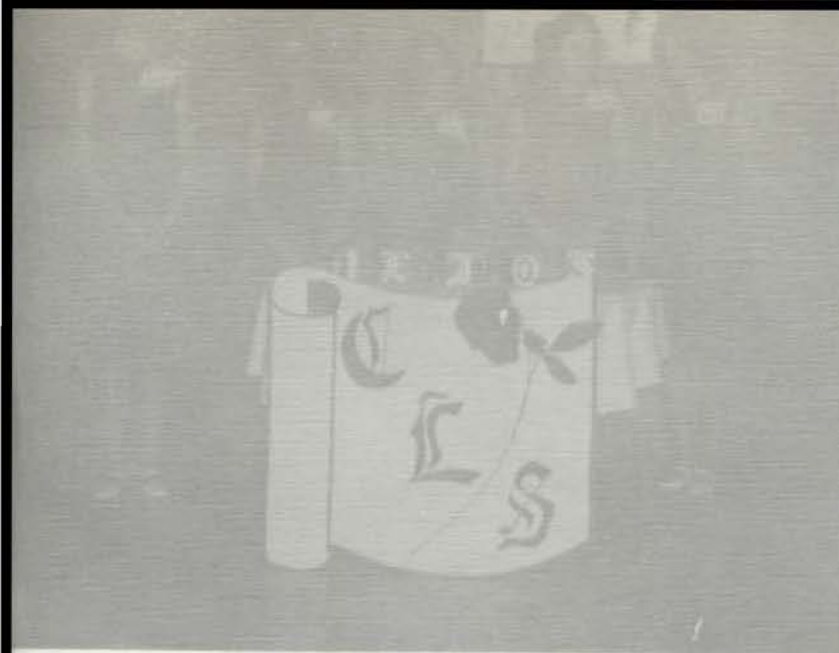

Wish Steve was here.

Delta girls rockin' out!

D-Delta Delta

Having the Delta slumber party at your house wears you out!

Come closer and tell me again.

This year Courier sponsored a Fun Festival Dance benefit for Miss Nicki Sarro, a 1969 graduate of Northeast High School. Nicki is living by the help of a kidney machine. The dance took place at Holy Cross Parish Hall on January 24. Dave Hill of the Kansas City Chiefs was present to crown the Fun Festival Queen, Miss Linda Larson. The music was provided by the "Flying Circus." The dance was a big success as \$425 was raised for Nicki.

Go Joe, a very  
nice friend and  
neighbor. You're  
really something. I  
hope you had a good  
year even though you were  
a little "mess" and have a  
great quality. This year has been a great  
one and you helped it that way.  
Good luck in all you do! Have a  
nice summer and come around sometime.  
Be good.

I always  
Sharon (your long time  
friend & neighbor)

The Great Year

Joe,  
 Its been  
 great knowing  
 you! Like every  
 thing else, people  
 have to change too!  
 too bad! Maybe  
 the world would be a  
 better place if people  
 just wouldn't change!  
 I hope you one of  
 those people who change  
 back to who they used  
 to be. You more fun  
 then!

Good Luck  
 in the future!

Sharon "73"  
 (hope)

Good luck for  
Cora.

Yours an O.K. Guy  
know in math but I don't  
thing about your learning any  
thing. Hope to see you next year
