BACCALAUREATE

G raduation

Graduation was a time of happiness, and a time of sorrow; a time to look forward to the future, and a time to look back to the past, and a time to evaluate the present.

Commencement exercises for the Class of 1974 were held Tuesday evening, May 28, 1974, at 8:00 P.M. in the Municipal Auditorium Arena. The candidates for graduation came in to the processional of "Pomp and Circumstance" and were seated after Michael Kullman gave the invocation. The concert choir sang followed by student addresses by the valedictorian, David Adair; the salutatorian, William Crook; and two more speeches from Kevin Gragg and Michael Estrada. Connie Hicks, senior class giftorian, presented the class gift, a bulletin board, to the school, and it was accepted by Bruce Hosman, junior class giftorian.

Mr. Campbell announced the scholarships, and Mr. Cariddi presented the Viking Award to Connie Hicks.

Mr. Campbell then presented the candidates for graduation, and Mr. Reneau presented diplomas to the graduates as they came across the stage.

The exercise ended with singing the school song, "Thou Dear Northeast" and the graduates went out to the recessional "Trumpet Voluntary".

A frustrating season; the Vikings won only two games while losing eight games. The coaches felt that the talent was there for at least a .500 season. There were good individual efforts in every ball game. It wasn't until the Paseo game that we played as I felt we could all along.

Next year we will be young, mostly sophomores and juniors. It could be a promising year if we accept and meet the challenge.

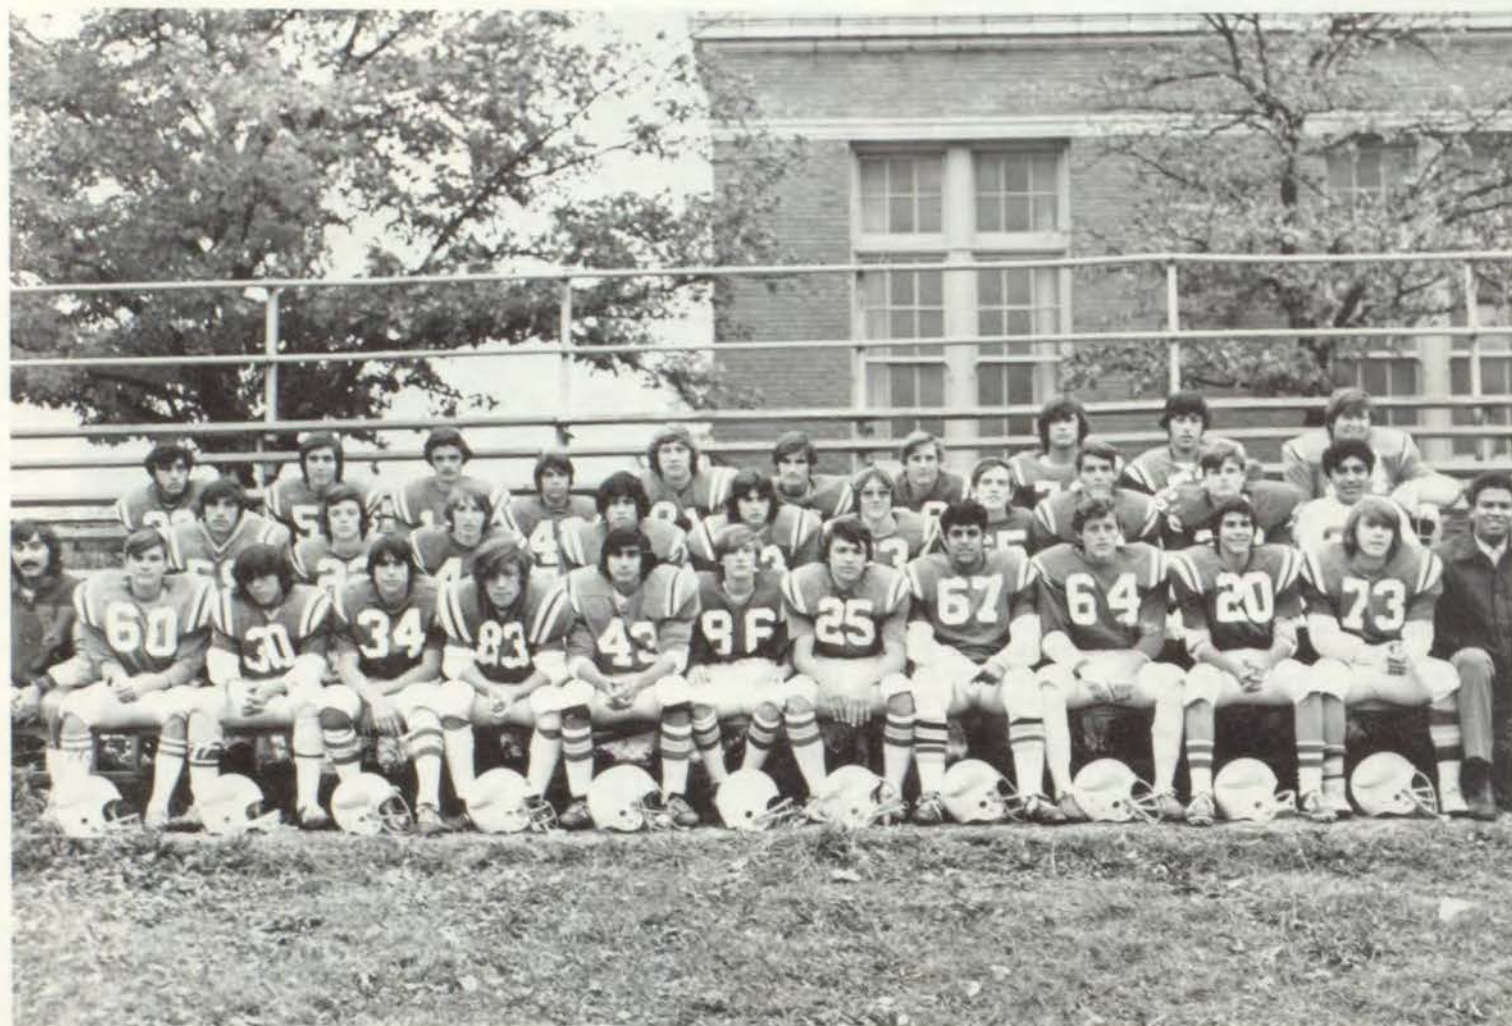

The Vikings had several players receiving all-League recognition. They are: Jeff Bartolotta-First Team Defense. Honorable Mention, Defense: Joe Barfoot, Angelo Christiano, Louis Sola, and John Meyers. Honorable Mention, Offense: Joe Barfoot, Eugene Hurd and Phil Leon.

Northeast also placed several among the league leaders in statistics: Jeff Bartolotta, eighth in rushing, John Meyers, second in punting, Steve Neale, ninth in passing, John Meyers, tenth in passing, Eugene Hurd, fourth in punt returns and seventh in pass receptions, and Bruce Snyder, tying for third in pass interceptions with four.

The 1973-74 J. V. Football Season was a season for rebuilding at Northeast for most of the freshmen team did not participate in football this year. Our squad consisted primarily of first year players but these fellows displayed 100% of the true spirit, "All for Northeast," and above all, pride in themselves.

Although our seasons' record was not very impressive, the caliber of athletes returning to the Varsity team next year will prove that Northeast Vikings can and will be a winner in '74-'75. They learned fundamentals this season to play to perfect them next. We are very proud of a determined group of young men for they always exhibited spirit and enthusiasm on and off the field.

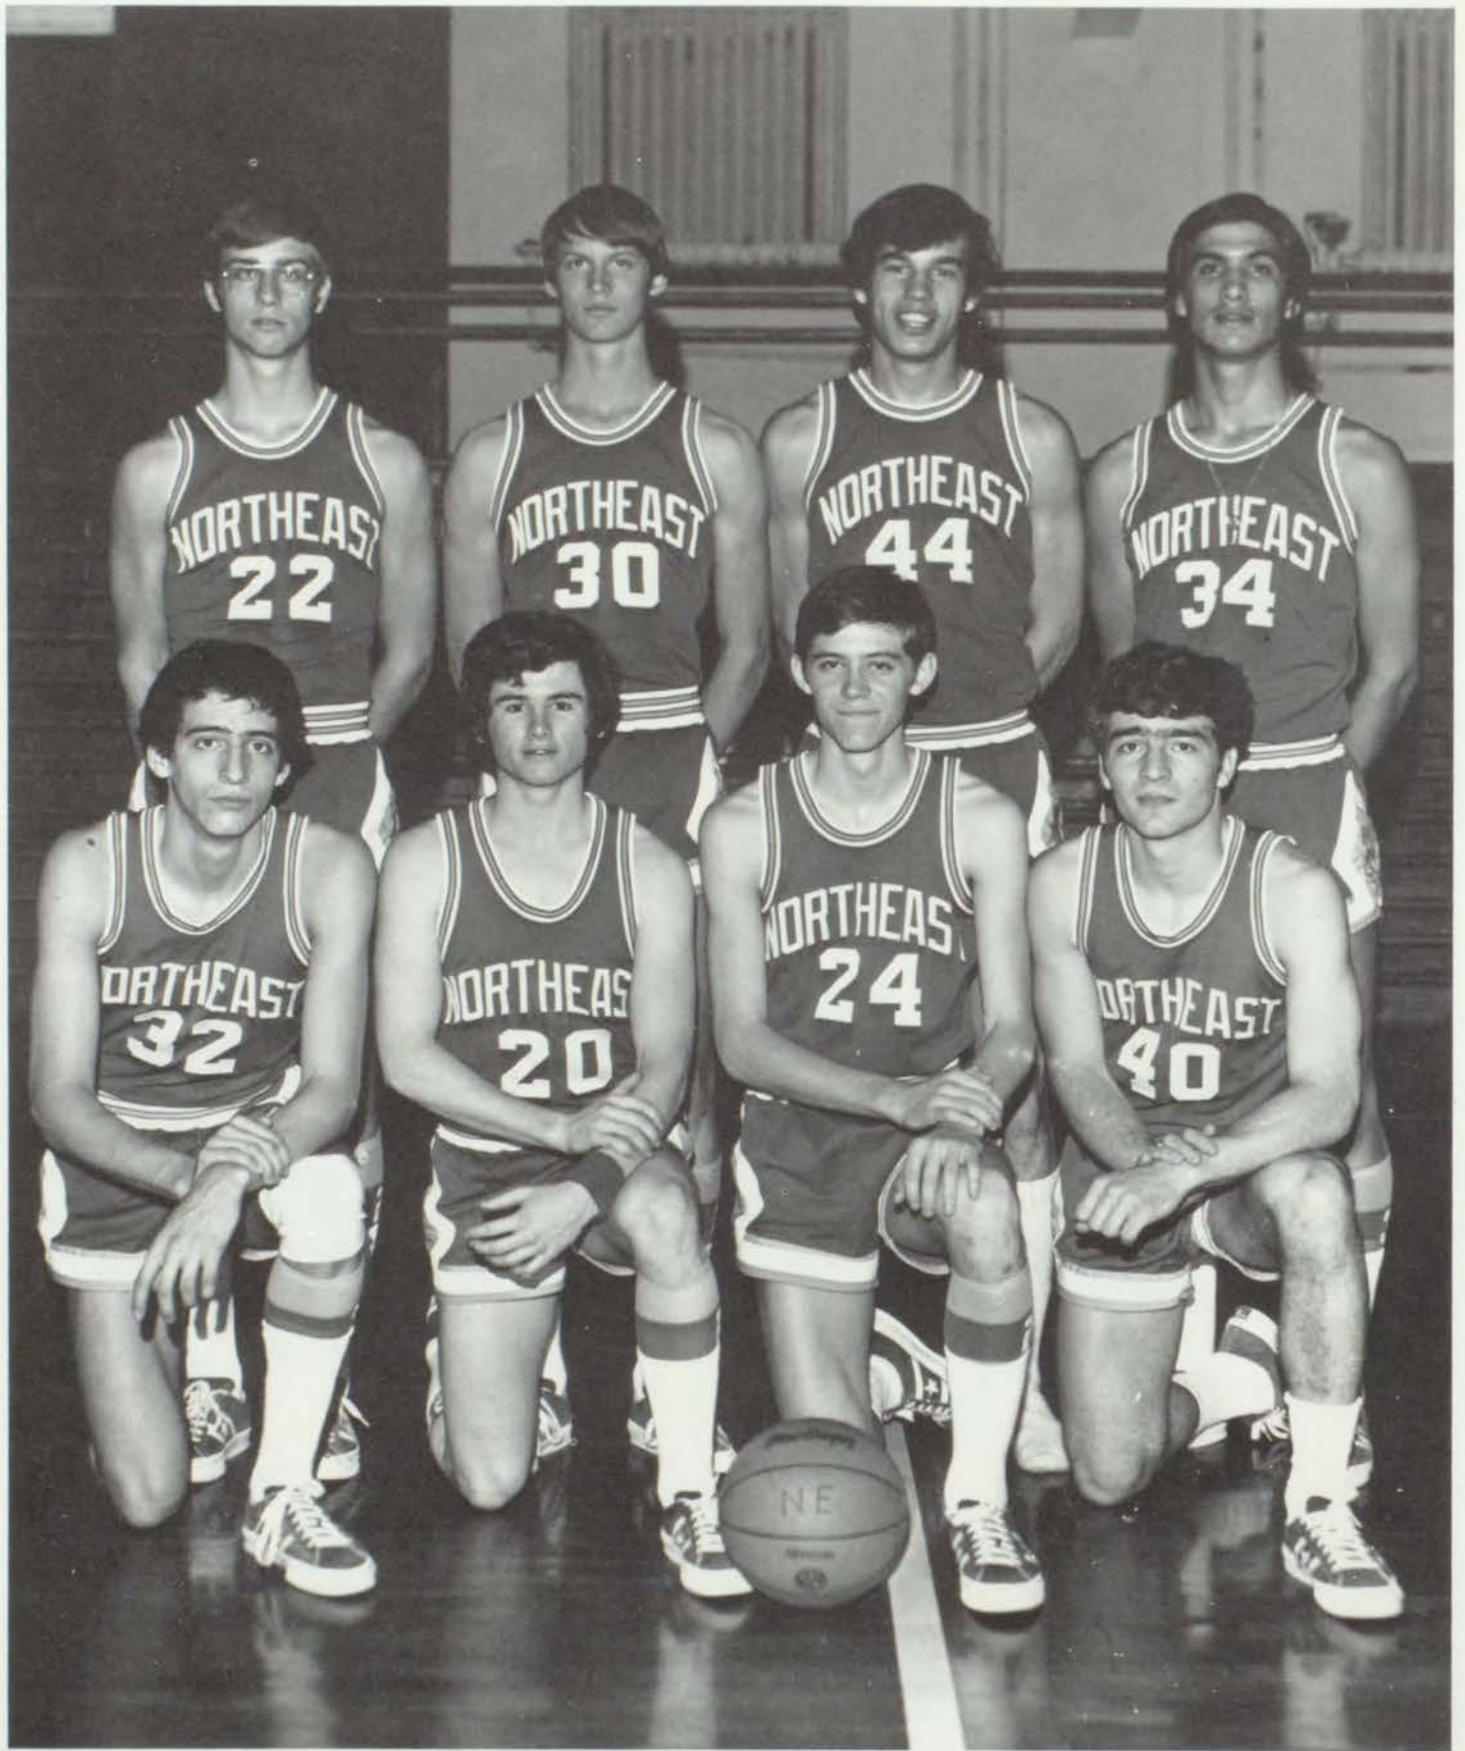

It's "autograph my underwear" season again.

They'll do anything to get their pictures in the yearbook.

VARSITY BASKETBALL

Comments From The Coach

If you enjoy suspense and exciting basketball games, this year the Vikings certainly left nothing to be desired. Although the team finished the season with a seven won, sixteen lost record, they were right up to the closing minutes, in all but a couple of ball games.

There were several things that characterized the team: plenty of depth, plenty of hustle and aggressive play, tough competition, and most important, the team continued to improve throughout the season.

Finishing strong, winning three of their last four games, allowed them to tie with Van Horn and Lincoln, (both of whom they defeated) with a four win, five loss record. Three of the teams league losses were by margins of three points, two of the wins were by two and one points, respectively. Consider the caliber of competition the Vikings played all season long and it all adds up to one thing; this years team was highly under-rated and very competitive.

With the close of the season, two players were honored by the league coaches and players, being selected for honorable mention on the All-City Team. They were: Mike Schmidt, senior, guard; and Jeff Johnson, junior, center.

Physical Education is for both guys and gals who, through sports, build and further develop body coordination and skills by learning coordination of the body and mind. You can learn this through football, basketball, field hockey, soccer, tumbling and many other sports.

Fine Arts is broken down into 3 main fields at Northeast; music, speech and drama, and art. Music is divided into 2 parts; Vocal and instrumental. People enrolled in vocal music also participate in Girl's Choir and Concert Choir. The people in instrumental music make up the orchestra, band and stage band. They also play at pep assemblies and other events around the school. Speech and drama help a person gain confidence and poise in front of an audience. Art is a field for people with creativity and talent in the areas of sculpture, graphics, photography and many others.

Letty Altamirano, our foreign exchange student, receiving her National Honor Society awards.

Miss Leticia Altamirano

TO MY FRIENDS AT NORTHEAST

It has been a pleasure for me to spend my senior year at Northeast. The experiences I have had, the new friends I have made, and the ideas we have exchanged all are memories I will treasure forever. I hope you have learned something from me, as I have from you.

My fondest memory of Northeast was the generosity you showed at Christmas time. It brought me closer to home, even though I was far away.

I would like to thank you, the students, along with teachers, administrators, and the Northeast community for making this year one of the most beautiful of my life.

Your friend,
Letty
