# In Memoriam Gary Gasperino

Gary Gasperino, a student at Northeast was tragically killed in a car accident July 28, 1974. He was born October 8, 1957 and would have been a senior at Northeast this year. Gary was also a member of the varsity football squad.

We deeply regret this loss and will miss Gary very much, and so we leave this 1975 Nor'Easter in memoriam to him.

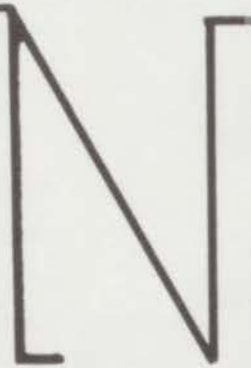

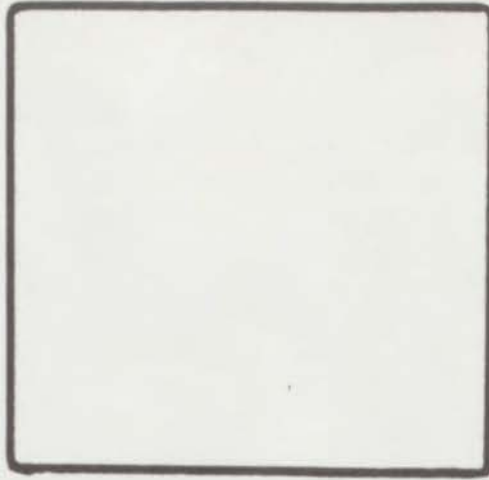

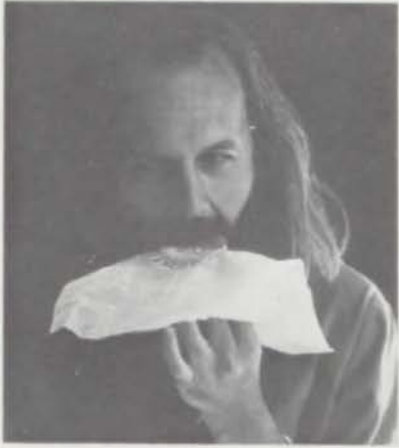

## Special Dedication Mr. James C. Reneau

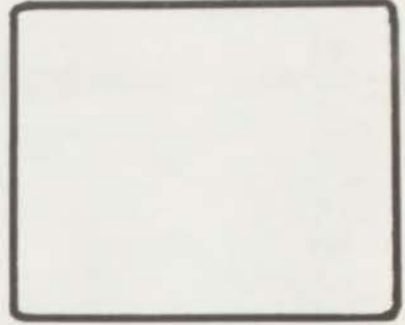

Mr. Reneau, our Former principal has left us to become principal of Paseo High School after many years of work here. Mr. Reneau came to Northeast in the fall of 1953 as a teacher for two years. Later he taught at Van Horn, was a counselor at Westport, Southwest and Central Junior High, and also served as vice principal at Bingham Junior and Southwest High before returning here to Northeast in the fall of 1965 as our vice principal. Mr. Reneau became principal at Northeast in the fall of 1971.

As our way of expressing thanks for many years of service and friendship, we dedicate the 1975 Nor'Easter to him and we wish him the best in years to come.

## Principal Mr. James Reneau

Again, the annual year at Northeast has been a significant one. Memories of ten good years overwhelm me at times. To have been a part of this school and this community has been a source of pride and personal enrichment. Hopefully I have played a major role in the growth and achievement of Northeast students that will enable them to meet the vicissitudes of life that will confront them. It has been great being a Viking!

## Comments From The Coach

The 1974 football season was a disappointing and frustrating one. Disappointing in that we won only one ball game. Frustrating in that in several others we were close to beating good teams.

Our team was predominantly sophomores and juniors. Of the four seniors with three years of experience, only 2 were able to play the entire year. Eugene Hurd and Marco Roldan, both of whom we counted on to help, were out most of the season. This lack of experience and know-how was to hurt us the entire season.

The season-ending ball game with Paseo was the climax of frustration. Northeast had set a career high in passing as well as a school record for a single game by passing for 260 yards. Northeast failed to score as penalty after penalty killed scoring drives.

Three Vikings received individual honors as Tony Calorosso was named to the Second Team All-Star and Cliff Nixon and Tony Pace received Honorable Mention.

The Vikings will return 19 lettermen for the 1975 season. With this group, they should have a successful season. Much will depend on attitude, willingness to work hard, self-discipline and the desire to improve and do the best they can.

Coach Thomas F. Myers

## Coach Sanger's Comments

The 1974-75 basketball team enjoyed a winning season for the first time in five years. This winning season was reflected on all levels. Varsity was bolstered with eight seniors playing their final year. The team came away from the early season league tournament winning the consolation trophy. At the holiday break, the record was six wins and five losses before entering the North Kansas City Tournament. But then while playing some of the finer teams in the Kansas City area, including five of the top ten teams, the team slumped to ten wins and eleven losses. At this point, they bounced back, beating Lincoln who had been undefeated in league play. The team then defeated Van Horn to end the season and finish in a tie with Southwest for third place in the Interscholastic League. The League record was six wins and three losses, and the overall record was twelve wins and eleven losses.

The Junior Varsity, for the first time, was able to win six and loose twelve. The sophomore team played an eight game schedule and went undefeated winning all eight of their games.

Probably the most encouraging aspect of the season was enjoying a rejuvenation in school spirit, which saw a big increase in attendance and enthusiasm among the student body.

#### NORTHEAST BASKETBALL

The gun goes off, and the game begins;  
Now it's your guess as to who wins—  
"Jump, jump, jump," the Cheerleaders holler,  
The fans in the stands wonder which center is taller.

Johnson may shoot, and the ball comes back down;  
Both sides will be shouting, "Rebound, rebound!"  
Sharp may be setting up another long shot;  
Alaniz will be sweating, "This gym's too darn hot!"

Stasi, as always, will be gritting his teeth;  
As he shoots for a basket from underneath;  
Floyd will be jumping high in the air,  
Though he runs into the wall, he doesn't seem to care.

Windham soon comes running down the court;  
He's a good player, though he may be short.  
And Roldan is always determined to win;  
Though he may drop the ball, he still keeps a grin.

Sanger, of course, cheers his team on;  
"Come on boys, play-this game's not far gone!

So let other schools think as they would;  
We Nor'Easters know our team is more than good.  
In fact, at the game, at the sound of the gun,  
Nor'Easters shout, "Our team's Number One!!"

Competitive Olympic Weightlifting came to Northeast last year. Last years team was composed of mostly Seniors and a few Underclassmen. During the first year of competition the team was defeated only once. The team went on to capture the 1st Interscholastic League Olympic Weightlifting Championship and also crowned the 1st High School National Championship in Competitive Olympic lifting.

This years team was a young team consisting of only five returning Lettermen. The team was defeated once and tied once. Then proceeded to continue its' winning tradition at

Northeast by defending its' Interscholastic League title successfully and its' National Team Championship crown.

Northeast's' overall record for the two seasons is 14-2-1. The team will be returning next year with an experienced group of young men determined to continue the tradition of winning scores of meets for the two years and the teams opposing and returning people.

# Carnival

The 1974 edition of the Northeast Sr. High Carnival was held on October 28 from five to ten p.m. The hard work and preparations which took up most of the regular school day resulted in a carnival representative of more than 15 clubs and organizations.

The carnival is Northeast Senior's first main project of the school year. The students always look forward to "Carnival Season" because it provides a 'slackening off' period from the strenuous studying and homework of the average Northeast student.

Club Participation Makes This  
Years Carnival A Success!

## Spirit Week

Spirit week attracts the attention of the Student Body! Northeast's students really showed their enthusiasm and spirit!

# Homecoming '74

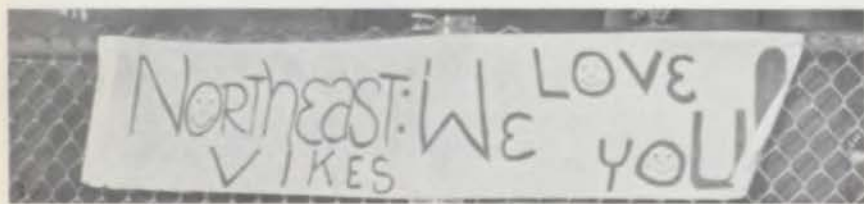

On October 24, 1974, Northeast played Manual for their homecoming game. It was a hard fought game, but the final score was 15 to 50.

During half time festivities the parade consisted of many floats for the different organizations in the school. The queen and her attendants rode in style in beautiful Corvettes. The cheerleaders, and pom-pom girls were at the head of the pack. What can you say about that, except WOW!

Saturday night, the Homecoming Dance was held at the Executive Motor Hotel. The band was Slaughterhouse. Everyone reminisced and enjoyed themselves. Toni Cardarella was excited because she was Homecoming Queen. Fun was intended that night, and fun it was!

AFS students visit Northeast High . . .

You set my heart on fire . . .

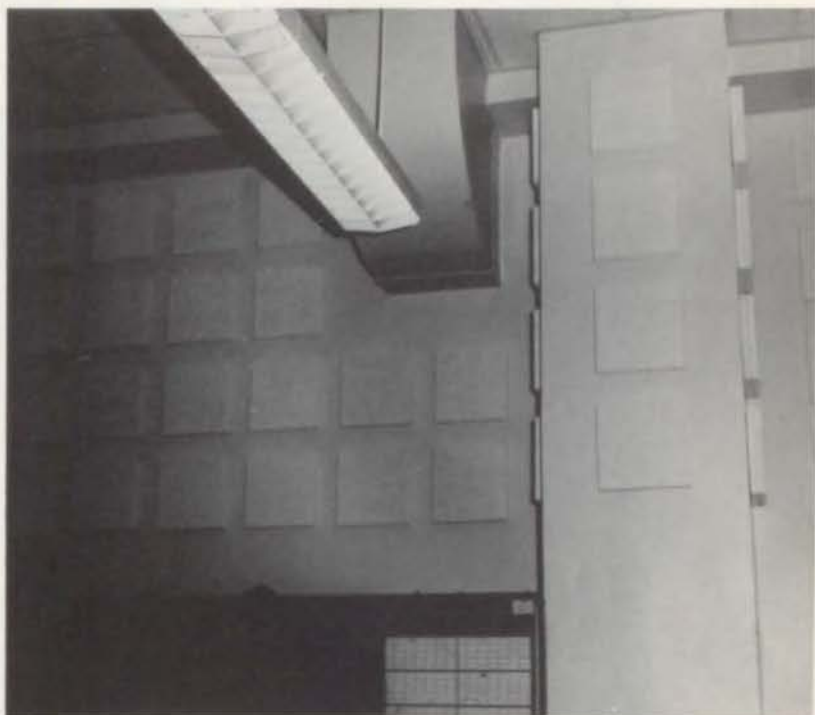

Let me make this perfectly clear . . .

Northeast takes part in American Royal. Here the Pom-Pon girls and band in the background are shown. A well-done job!!!

There has been a new "addition" to the function of musical students. A new bandroom has been created for their specific need. With a bandroom to practice in, we can expect great music from Northeast.

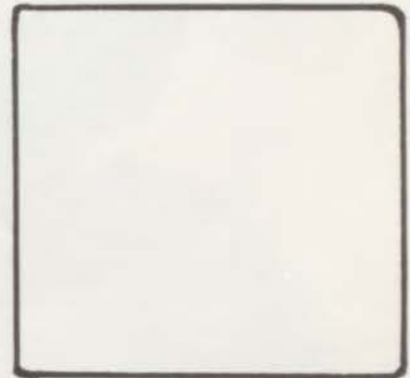

Rock-a-bye baby, on a tree top ...

Dear  
Deb,  
I've felt  
closer to you  
this year than ever  
before. You've really  
helped me out a lot this  
year. You're a super gal and  
if Craig ever gives you any trouble  
let me know!! Thanks for all the  
help in my classes. I probably would've  
failed if it hadn't been for you. Next year  
will be a blast with cheerleading, Junior,  
see ya this summer. You're a super gal and  
you know I mean that!! I'll  
see you in a round.

Love,  
Pat
