The  
 Noréaster staff Wel-  
 comes you to the 1982  
 yearbook. We hope you  
 enjoy reading this book as  
 much as we have enjoyed  
 putting it together. We sincere-  
 ly hope you will treasure the  
 memories captured herein,  
 for we feel these were

# THE BEST OF TIMES

During this past year we have been through many ups and downs. Not only in school but throughout the world as well. We tend to overlook the bad times and rely on the good to ease the pressure. We have decided that this year's theme should be the song, "The Best of Times". This song, written by Styx, expresses the love and trust we can have in someone even when the world is turning upside down.

*Tonight's the night  
we'll make history  
Honey you and I  
And I'll take any risk  
To tie back the hands  
of time.  
And stay with you here  
tonight.*

*I know you feel these  
are the worst of times  
I do believe it's true  
When people lock their  
doors and hide inside.  
Rumor has it, it's the  
end of Paradise.  
But I know if the world  
just passed us by,  
Baby I know, I wouldn't  
have to cry.  
The Best of Times are  
when I'm alone with you.  
Some rain, Some shine.*

*We'll make this a world  
for two.  
Our memories of yesterday  
Will last a lifetime  
We'll take the best, forget the rest  
And someday we'll find  
These are the Best of Times.*

*The headlines read  
These are the worst of times  
I do believe it's true  
I feel so helpless like a boat  
against the tide  
I wish the summer winds  
could bring back Paradise.  
But I know  
If the world turned upside  
down  
Baby I know  
You'd always be around.*

# PRINCIPAL

## TO THE CLASS OF "82"

I am indeed proud of the many individual accomplishments made by members of your class. As a class, I am especially proud of the Class of "82" because we came together to Northeast Senior.

As you move now from the confines of this school, I sincerely hope that the educational and social experiences gained here will manifest immediately into success, regardless of your chosen field of endeavor.

On behalf of the staff, I commend you for the accomplishment of this milestone. I hope the friendships garnered will be lifelong, and that the memories reflect only the "Best of Times".

Stephen Brown Jr.  
PRINCIPAL

# VICE PRINCIPALS

Mr. Cariddi:

Wishes more students would work harder and care more for their school. He feels that you yourself, as a student, make these "The Best of Times". He wishes that every student would realize that these are your best years and that there's always a way to develop your potential to the fullest, if there is the desire.

Mr. McCormick:

"While other schools enrollments are down, Northeast's enrollment is up. The achievement level here at Northeast is improving.

While other schools need security guards and paid policeman Northeast doesn't. If he had his choice to work at any school he would still choose Northeast."

Mrs. McKinney:

In the woman's point of view, the school is very "lovely". She is disturbed about the truancy, lack of interest, and class cutting. She feels that once she learns more names the students will realize she cares. She enjoys the school thoroughly and hopes that she will be here for sometime.

**SANITARY**

It's here. This last year of high school never seemed to go that fast. Yet as we look back it seems like only yesterday. Even throughout the summer it didn't seem real. Were we really going to be "Seniors" this year, or is it a dream? Well, it wasn't a dream. It did happen.

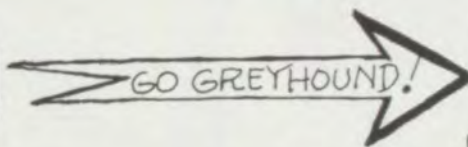

HE'S WORKING!

When we came, that first day of school, we were so cool. "Hay bud this is it! I am a Senior how about you?!" You bet we were Seniors, about to become '82' alumni. The year couldn't go by any faster. All we could think of was "Party!"

Well we did our work, like good Seniors. Gaining the remaining credits and scholarship points that we needed. While driving our counselors crazy trying to get into the right college at the right time. Studying and taking the necessary tests. We pushed all year and made our best effort. Taking the losses in stride, and extending the good times. Oh so many good times. Home Coming; the game and the dance; Senior pictures; fittings for cap & gowns the family, maybe next year And our first Senior New Valentines Day Dance with the "Sweetie"

Christmas with at college. Years Eve Party.

**FLORIDA OR BUST!**

Our Senior Trip; greyhounding it to Florida; and of course our last high school dance, PROM! A night to make lasting memories, which will never fade away.

It's time for Baccalaureat, the day before. But now it's time. And like always the Best is saved for last. GRADUATION! This year may have come and gone fast. But will never be forgotten. And surely not fast forgotton, as fast as it came. We at Nor'Easter wish to all graduating Seniors the fondest of memories, here at Northeast. And always the Best of Times throughout your years of maturity, yet to come.

If you would, for a moment. Try to summarize your high school years, but keep it simple. It's not easy is it? You start with one thought, but soon another comes to mind and clouds your thinking. With each new thought you become more and more confused about what you had originally wanted to say. It becomes complicated and you can't say what you really feel and want to say. Well, sit at ease and listen to this students summarization.

"...All & all I enjoyed the challenges I shared with my fellow classmates and friends. I will never forget all the support, small or large, they gave me all the days, weeks, months and years I spent as a student. When I was a freshman my goals were to not lose sight of my potential which was to strive to be good. Achieve success, learn from each lesson taught, using my school time wisely..."

Is this what you wanted to say, or at least close to what you would say? If only our many other fond memories would lay at rest. And wait for the conversation of reminiscence, where they all shall come to life, once more. But "all in all", I feel that this is what many of us would like to say, of these short four years of high school.

These are "The Best of Times," why? We are so fast to say, "Yah man... I heard that... Seniors are the best!" Now we are on top and most of us already have the necessary credits to graduate. We have decided to lay back and take 'easy' classes, or half a schedule, maybe even both. Allowing us the time we need, and want for Partying! "This is our last year. It's for parties, concerts and dances... extracurricular activities. 'Kansas here we come!'" Granted, that is a part, a large part of Senior life. But that shouldn't be all of it. There's so much more. This last year of high school is so confusing, and very fast. Suddenly, or so it seems, we must choose the path leading to everyone is so obliged to tell us so. College? U.S. Services? Work? or, 'bum out,' for a couple of more years. No! You see, it's so very

easy to loose track of what really are the best of times. They are not just this last year, but are all the years, the memories.

Demonstrate  
it for us  
OTTO!  
How'd it go?

Have you ever noticed...

When ever your in a hurry, that's when everyone wants to stop and chat?

The night before your, typed, book report is due there is a mandatory game?

The first time that your late for school and, "This is a hall freeze"!

Yearbook picture time, and like always, you had too much chocolate the day before.

You finally get the courage to go out for lunch, and Mr. Brown decides to watch the doors.

The day you decide to wear your old jeans and a comfortable sweat shirt, "he" comes around.

When it seems everyone is sharing your locker it's time for a locker inspectin. And to top that all off, there all absent, and the room is on the 4th floor.

It's the worst day of the year; rainy, cold, all around dreary. For the first time your glad to be in class, then Buzz...Buzz...Buzz, Fire Drill.

For once the plate lunch looks good. You hurry to get in line, still being last. Finally it's your turn, "I'd like', 'Sorry, there's no more'."

But worst of all. Time goes so fast when your having the "Best of Times". I guess that's why these high school years seem to go by so fast.

Homecoming is a fantastic time to show school spirit. It gets everyone involved, students, administrators, parents, friends, and the community.

Homecoming consisted of a spiritual parade, a world wide winning game and a romance dance.

The parade consisted of a color guard, R.O.T.C. boys, a freshman banner, the Vikettes, the Pom Pon girls, the Cheerleaders, Mr. Brown, Y-Teens, the Sophomore, Junior, and Senior floats, candidates for king and queen, and also for prince and princess, and last but not least the Clymer Center Drill Team.

After the parade, the crowd witnessed a fabulous game. Although the game was not victorious it was still exciting and well played.

At half-time, while our boys were taking a break, the gorgeous Pom Pon girls performed and the colorful parade went around the track and then the candidates were presented to the supportive crowd.

When half-time was over, our football players went back on the field and started tackling-away again.

The dance was held at the Continental Hotel after a nights rest and a day of reoperation. There was a moment of excitement, everyone was all ears and their eyes were in a daze while the candidates were crowned. The dance was a success as a whole and for most of us it was a night of fulfilled dreams and entertainment.

There's nothin' like cruisin' on a Cadillac.

# GRAFFITI

To Forgive Is Human;  
To Err Is Against School Policy

If you think education is expensive,  
try ignorance.

Finals should become an unfair  
labor practice.

Lately there has been an alarm-  
ing increase in things about  
which I know nothing.

When I think back on all  
the crap that I learned in High  
School, it's a wonder that I can  
think at all.

FINALS ARE EXCESSIVE BRAIN DAMAGE!

Keep your mouth shut and let  
them think you're stupid; no  
sense opening it and removing  
all doubt.

Just keep telling yourself, "Some  
day these will be the best years  
of my life."

Booze is fine. Sex is great.  
Finally I get to graduate!  
Weekend, where are you?!

FLUSH TWICE; it's a long  
way to the cafeteria.

Kids who eat breakfast are gen-  
erally more alert, as well as  
being more likely to throw up  
in gym class.

Save a tree; bring your own corn-cob.  
Freedom's just another word for  
nothing left, can lose.

All I really need is LOVE, but a  
little toilet paper now and then  
would be nice.

Ever have one of those days when  
even your nose hairs stab you?

How does Hitler tie his shoes?  
He uses little knotsies!

We were put on this earth  
as CARE TAKERS and I think  
it is high time we did a  
better job.

"The Boss expects us too."

# POWDER PUFF DERUFF

This years powder puff game was one of the most exciting games played in many years.

In years before, the Juniors had a hold on the Seniors and they some how would always accomplish rough victories over the Seniors.

This year the tables were turned! The Juniors consistent practices for the game still wasn't enough to over come the Seniors, who had only a few half way organized practices. The Seniors finally pulled through a victory.

It was a very close game, both teams played very well and the most important thing is that is was fun and the Seniors won.

D.B.

ATTACK!

CHARGE!

LOOK! Rhonda's rear.

Oh No! She got me.

LeAnne what happened to your arm?

What is our next killer plan?

I thought the students did an excellent job in performing the mock weddings. The classes got serious about what they were doing and it all came off extremely well. A lot of hard work was done behind the scenes by students and concerned teachers.

A very special thanks goes to Mrs. Brenda Jackson for her time and help in challenging the students to make their 1982 weddings the most memorable occasion.

Also, special thanks to Mrs. Oats from Sherri Bridals; Mr. Piver from American Formal Wear; Mr. Barbe from Barbe Florist and the Northeast Assembly of God. We were extremely pleased with their services.

## ALMOST A RAINBOW

Fill your heart with beauty, and beauty will come to you.

Fill your thoughts with love, and love surrounds you.

Seek always truth and it shall be yours.

For as you believe are all things made manifest unto you.

Walk carefully among my dreams, for they are small...and easily crushed.

How often we are listening to yesterday, when today stands ready to speak

How often we knell to our weakness... when we might rise to our strength.

Often happiness calls, but we are too busy to answer.

Love is the Rainbow of each life.

Time cannot touch two hearts that truly love.

## MARRIAGE IS...

Marriage is never having to say your sorry or regret whom you married.

It is a wonderful time in life if you choose with your heart instead of your mind.

Marriage is finding a trust worthy man whom is intelligent and a responsible person for the both of you.

Someone who takes the same oath and feels the same way about you as you do them.

Marriage is a relationship which last till eternity and the bond between the two of them will never be broken.

Viking Varieties was a tremendous success this year despite several obstacles. This year's theme was "I'm Coming Out" and it was sung by Vivian Wilson backed up by a stunning dance, choreographed by Brenda Shepard and William Cann. The student director was Shannon Clark, the asst. director was Rosie Johnson and the tech. crew was under the directorship of Kerry Eikenberry and Shawn Geabhart.

The main problem we experienced was the lack of students with ability to play musical instruments. As a result, for the first time, we were forced to allow singing acts with records as the background music. We are hoping that since Mr. May (our band director) has arrived that this problem will be eradicated next year.

Despite heavy rain, we had a huge turn-out.

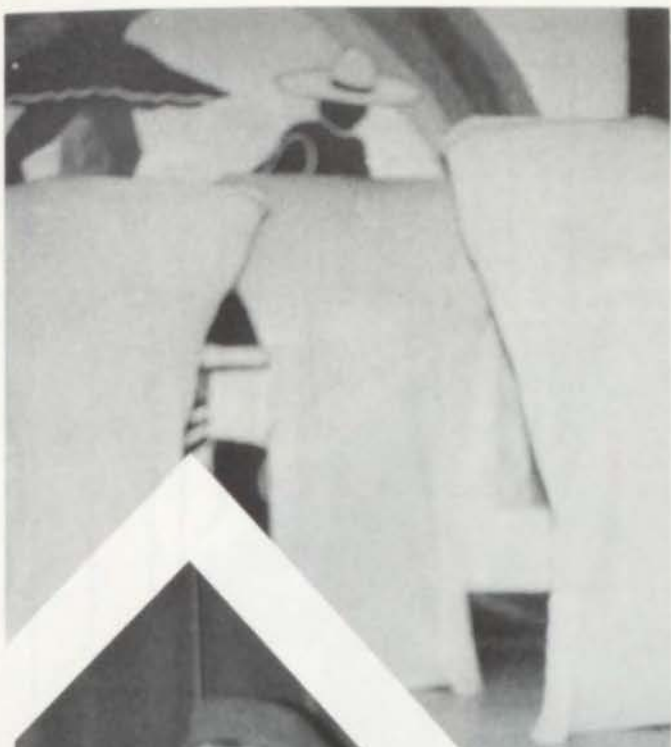

Thanks to all who supported us!

See ya next year,

Mrs. T. Gilyard.

# SWEET HEART

The Sweetheart dance seemed to be a success, for everyone enjoyed themselves once they found the place. The place being the Party House. It was a new dance room that the Y-Teens tried.

At mid-way through the dance the king and queen and princes and princesses were crowned. It was a time of surprise, fun and a few laughs.

As the night went on and the fun continued, finally everyone dispersed and went their own way.

# BOUND TO

Everyone should go on a BTW trip at least once. Hopefully as long as there are sponsors like Spillman and Kelly, students will have the chance to go camp out and get away from the crazy city. They may even see killer cows and/or copperheads.

BTW is a great way to learn to work with other people to get things done. Setting up camp, fixing and eating meals together makes it like a family group, of course we all trusted each other. When you fall backwards from a platform in a large tree and all that is between you and the ground are a dozen pair of arms, you learn to trust the owners of those arms.

I intend to go on the next Bound To Win excursion. I had a wonderful time on my virgin trip, so the next one should be even better! I hope to see more new faces along with those of us who have been.

Happy traveling,  
Shannon Clark

The Junior year is a lot of what they said it would be. You hear everybody tell you about the Junior year being the hardest and it is. Then again that depends on the person. This is the last year to buckle down before the Senior year. So you have to make the most of it. This is probably the best Junior class of Northeast history. The class of '83 are the smartest, their into sports, and school improvement. Whether you go on and further your education or become a ditch digger, good luck to the Class of "83"

On October 10, 1981, Northeast High School held its annual Homecoming Dance at the Continental Hotel. The Homecoming Royalty were crowned at the dance. The male candidates were chosen by the Volleyball team and the Girls Cross Country team. The female candidates were chosen by the Football team and by the Boys Cross Country team. Northeast is proud of the fact that all ethnic groups were represented.

The entire student body here at Northeast High voted on these candidates and are proud of the results we have achieved and chosen.

This year's Sweetheart Dance was a great success, thanks to the Y-Teens and Mrs. Gilyard. The candidates were chosen by the Y-Teens and were presented at the all school assembly the day before the Dance, they were then voted upon by the entire student body.

The Sweetheart King & Queen and their Court were crowned at the Dance and for those who attended, the crowning was a very exciting moment.

The music was provided by Sound Dynamics, featuring our theme "Sweet Dreams." LD.

This is a time for Freshman and their Best of Times. They are coming to a new school, meeting new friends, and participating in new activities. They are always scared by false hopes, but are soon relieved to find out it isn't that bad. Most freshmen are thirsty for new things so they make up most of the clubs and play an active part in them. The freshmen are at the bottom of the totem pole, but soon learn to live with being put down and look forward to moving up the pole to more of the BEST OF TIMES.

Cross-country is one of the most rewarding sports there is. It means working out twice a day in the stifling heat of summer. It means running 13 hilly miles around Lake Jacomo and then going swimming and barbecuing with the team afterwards. It means a lot of sit-ups, push-ups, hill workouts, and lonely miles, but also a lot of good times and togetherness with the team. It is the satisfaction of pushing yourself to the limit again and again, sometimes coming in 1st place and sometimes 99th, but always giving it your all.

The girls team this year was one of the most successful girls cross-country teams in the history of Northeast. Individual improvement, and all runners returning from last year's team helped to make it a good season.

The team won their first trophy this season by taking first place in the Westport Invitational. The next trophy was a second place at the Miega Invitational.

Although it was a good season, the team was plagued by many bad breaks. For instance, the Bonner Springs

Invitational. The team missed beating Ottawa, the Kansas State Champs, by one point through a tie-break decision for first place between Elise Jones and the number one Ottawa girl.

At the Interscholastic League Championship City meet N.E. came in 2nd-only two points behind Southwest, the defending champs for the past five years.

Elise Jones won the race, but in the process received a stress fracture in her foot that put her out for the rest of the season. Suzanne Jones followed with 3rd, Denise Wheller 9th, Kitty Sayers 10th, and Leanne Spencer 11th.

Sharon Hundley won the J.V. race, leading the J.V. to victory and the first place trophy for the 2nd year in a row.

Other members of the J.V. team were Shanea Bell, Lucy Cline, Janet Miller, Ann Roberts, and Shelly Middleton.

At the District meet, the N.E. girls placed 12th out of more than 40 teams present. Although the team did not qualify for the State Meet,

Suzanne Jones qualified and place 32nd in the State Meet out of 180 runners. This was the 2nd highest finish in State Competition for a N.E. girl.

As for the boy's team five out of the seven runners on last year's Varsity team graduated, but this year's team still managed to put in a good showing. The two returning Varsity runners were Billy Forest and Danny Spencer. Billy, though plagued with many injuries, still ran some great races and placed 5th in the City Meet. Danny Spencer was in good form and won the City Meet hands down. The Varsity boys team placed second in the City Meet behind Southwest. Other team members were Darrell Salinas (7th), Darron Jacobs (8th), Pat Waller, Art Esteban.

The J.V. team placed second behind Van Horn. The members were Robert Ojeda, Joe D'Angelo, Victor Pena and Javier Fonseca.

Danny Spencer was the only Northeast boy that qualified for Regionals in the District Meet.

The Northeast Cross-country teams were represented well in the Fall Sports Banquet. Eight runners from Northeast were All-Stars, meaning they placed in the top 10 in the City Meet. Four runners were girls.

Darrell Salinas is the only Freshman from Northeast to ever be an All-Star. Danny Spencer was awarded the Most Valuable (Male) runner in the League for the second year in a row. Elise Jones was awarded the Most Valuable (Female) runner in the League. Coach Ray Wade won Coach of the Year for the second time and it was an award he really deserved. The cross-country team is really proud of their coach and is greatly indebted to him for all the time and energy he invested in them.

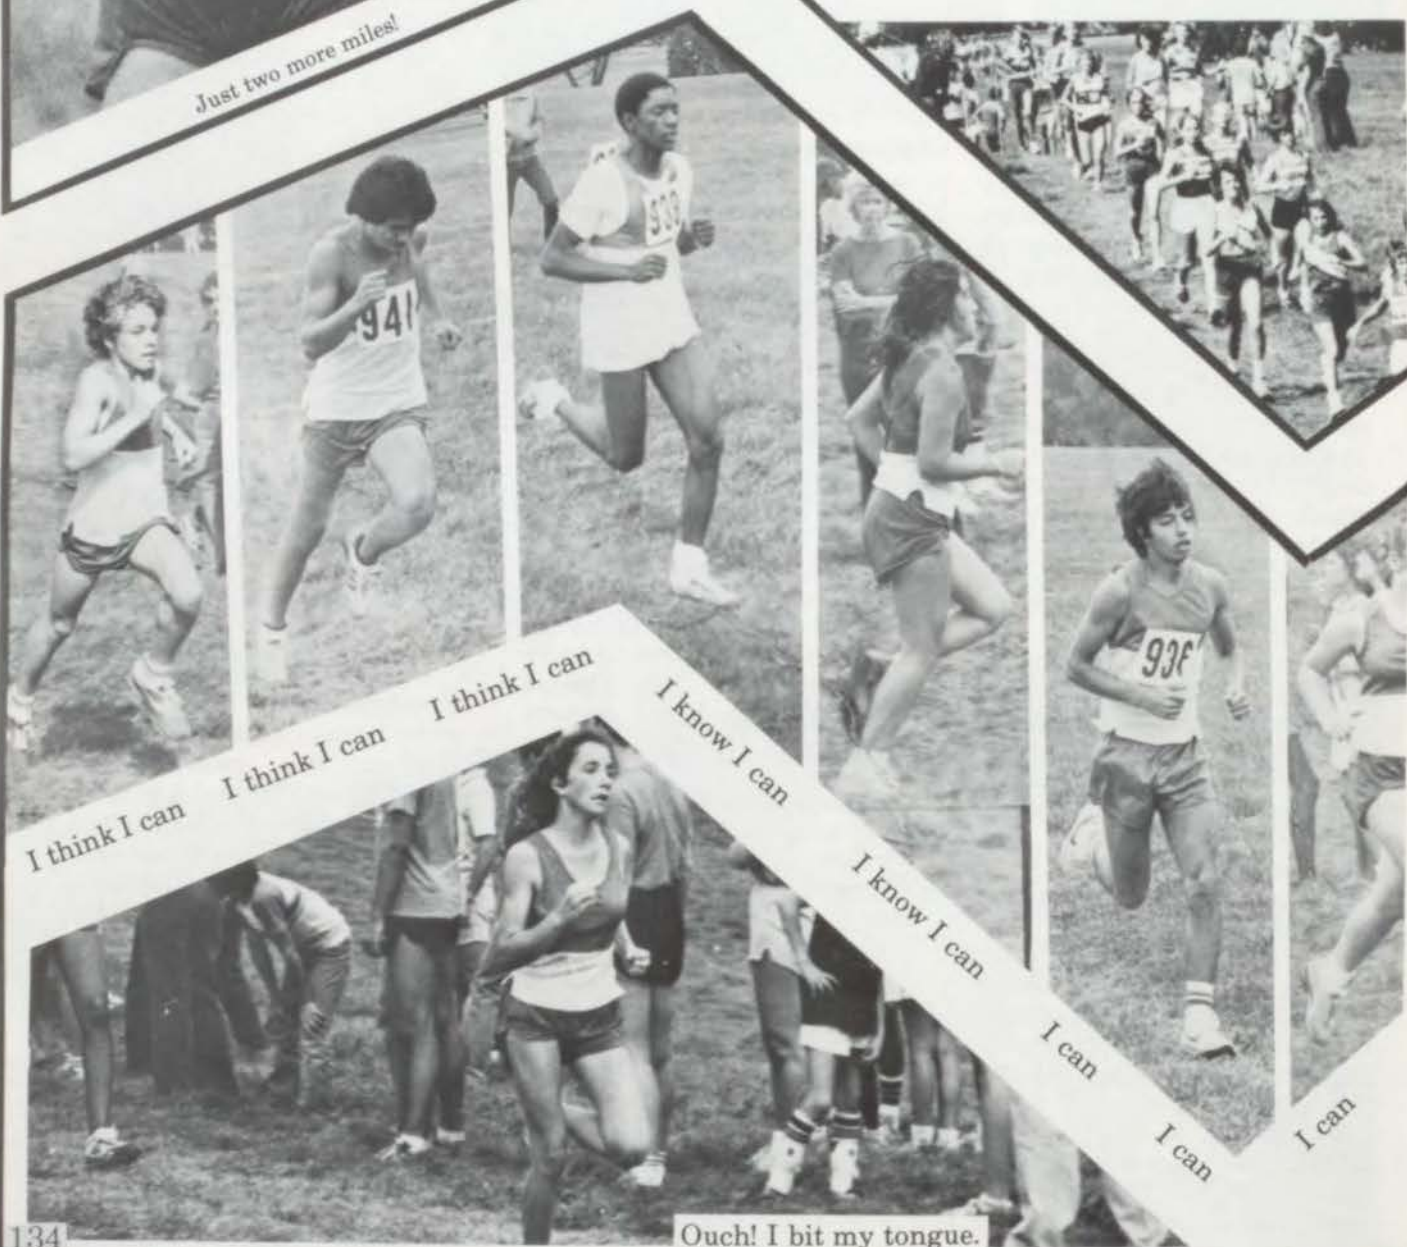

Just two more miles!

We were successful in 1981 because we developed a consistent offensive attack. Senior All-Star Chris Garrett developed into the best spiker in the League. Junior All-Star Teresa Rojas established a new school record and added offensive punch to the viking attack as our 2nd spiker. The viking net defense was exciting with fine play from Senior Tamara Freeman a League Honorable Mention and Junior Sharon DeShazer. The spark plug of the Northeast offense was Sr. All-Star Andrea Hernandez, the quickest setter in the League. Linda Lopez and Thelma Baskin were top reserves. This talented group of Athletes were lead admirably by Junior Captain Donna Cox.

Captain Donna Cox.

"The Best of Times." Yes, that was what the Northeast Sr. High Volleyball Team had this year. The Best of Times. This year the final record was 16 and 2. This is the best record that a Northeast volleyball team has ever had. Captain Donna Cox and Co-captain Andrea Hernandez stated that "With coach pushing us we learned to work for what we wanted and still have fun." She showed us how to come together, unite as a team, so that everyone was not out for themselves, but we were for each other.

The team is very proud of their accomplishments. They

took 1st place in the Interscholastic League Tournament; 3rd place in the UMKC Tournament; they were co-champions of the Interscholastic League; and last of all, the team won 1st place in the district rounds.

District was something special for the team. Northeast appears to be the only volleyball team to ever win a district championship in the history of the Interscholastic League. To many of the girls on the team, this was a great accomplishment and they deserve to feel proud of themselves.

D.C.

Co-Captain  
Andrea Hernandez

The Northeast Volleyball Team sure has something to be proud of. Just look at the trophies! One for 1st place in the Interscholastic League Tournament, another for 3rd place in the UMKC Tournament, and yet another for co-champions of the League and another for the great accomplishment of winning the 1st place plaque in district and finally one of the most honorable ones, the Coach of the Year Award, which was received by coach Rita L. Mabin for her outstanding work with the team.

The team worked very hard to earn these trophies and they enjoyed doing it. There are not many teams who can say that they went 14 and 0 before losing a game.

In winning the trophies, many things were accomplished that are not visible. The team met every team goal

set before the season began. Three members of the Viking Volleyball team were chosen

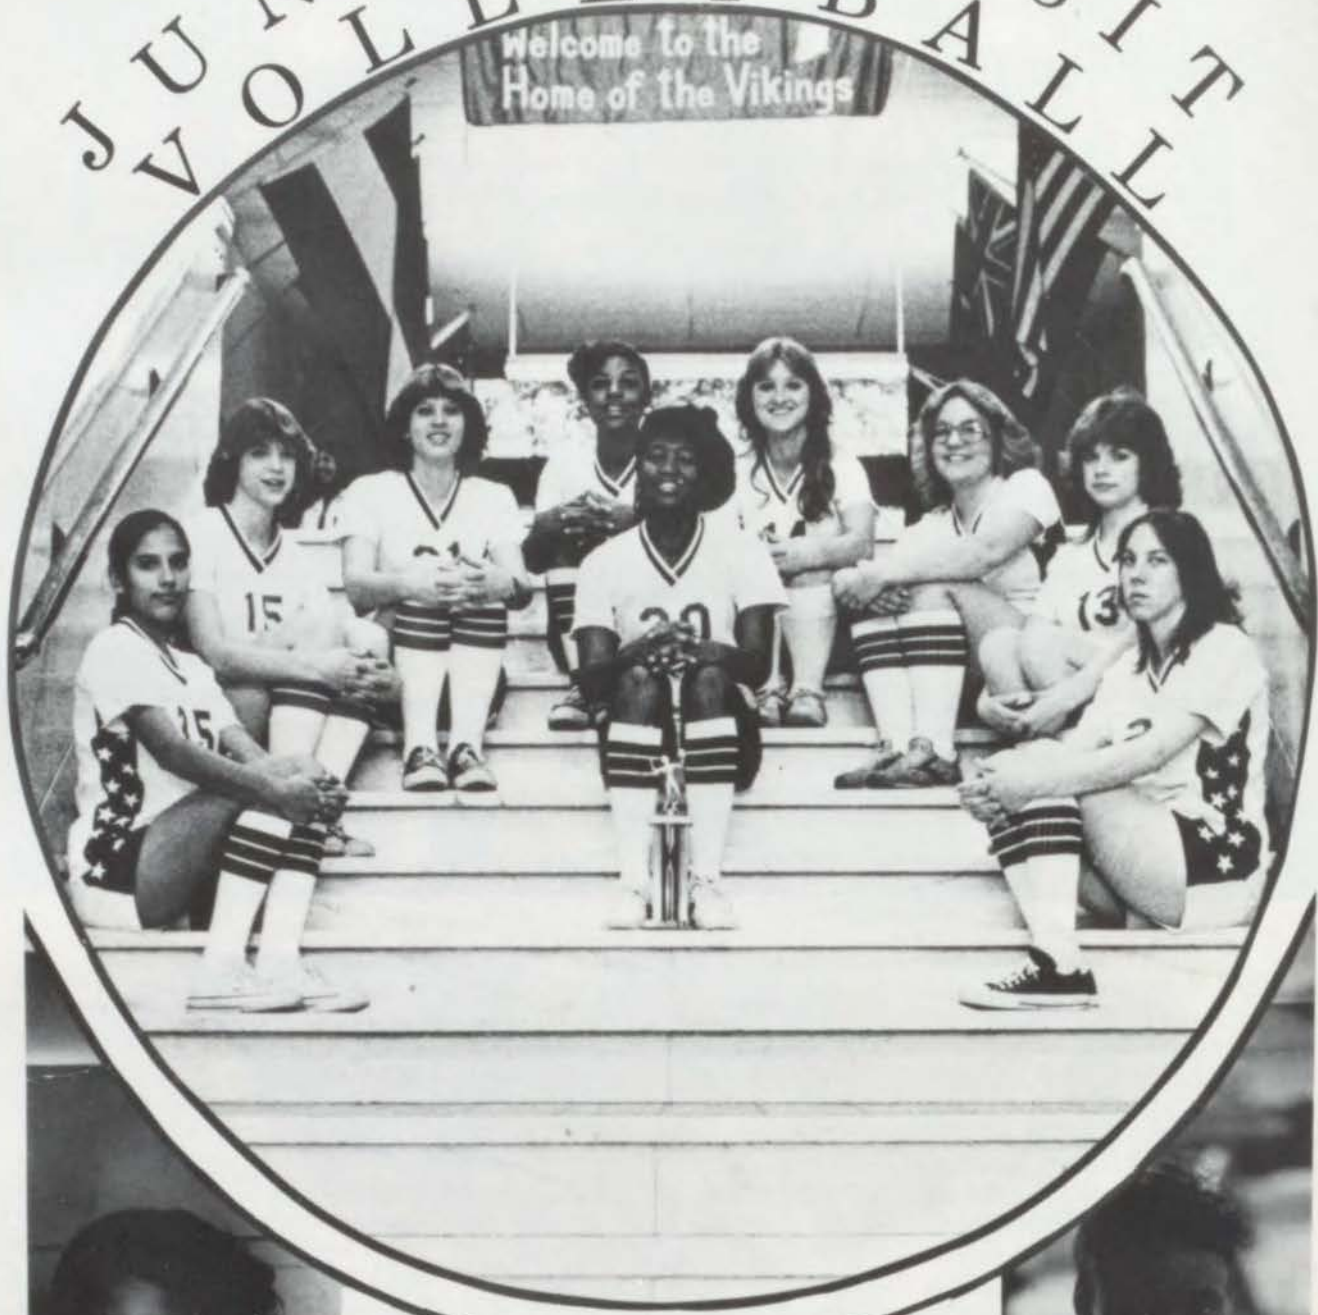

for the Interscholastic League All-Star Team (Teresa Rojas, Chris Garrett, and Andrea Hernandez). Records were also broken as we accomplished these goals. Teresa Rojas broke many of the old records to set new ones and this made the team feel good.

The team started practice on August 17th to prepare themselves for the up-coming season. In their record, it can be seen that they worked hard and that is how they became successful. Coach Mabin told the team repeatedly throughout the summer and season, "It takes practice to make perfect and the more practice you can get the better you are." It really appears to have paid off for the volleyball team.

The junior varsity volleyball team had a rather good season this past year. They finished with a record of 4 wins and 4 losses. They played in the Junior Varsity Interscholastic

League Tournament. They captured second place after playing many

games.

Being coached by Rita L. Mabin the girls learned to work together as a team. Many are looking forward to playing for the team next year.

The 1981 football season could have been considered a fairly mediocre season. Although our record would indicate that we had a poor season, we played well in the majority of our games and were rarely beaten bad. We had a tough defense, and offense that played together until the end. Our new head coach and staff helped, to the best of their ability, the performance of our team.

The 1981 season saw a number of new faces, the majority underclassmen, contribute to the team. Although we did not have a Freshman program, most of the underclassmen played on the junior varsity team. The underclassmen are the building blocks of a future successful team. Thus they are encouraged to come out in their Freshman year to gain as much experience as possible to later benefit the Northeast football team.

Support is essential in any sport to promote a team's victory. Support this year for our football team was pretty good. Many students and faculty members attended the games and supported the team whether we won or lost. This kind of support is much needed when we play powerhouses that have a large number of fans.

No one should judge the vikings by their past records or teams and say "Well, they always lose." This sometimes may be true but is contrary to school spirit which is needed at Northeast to encourage and support all athletic activities to fine and successful seasons.

Danny King, Kenny Johnson, and Reggie Mott were voted Honorable Mention in the Interscholastic League. Kenny Johnson was also voted All Metro. Congratulations to all three of them!

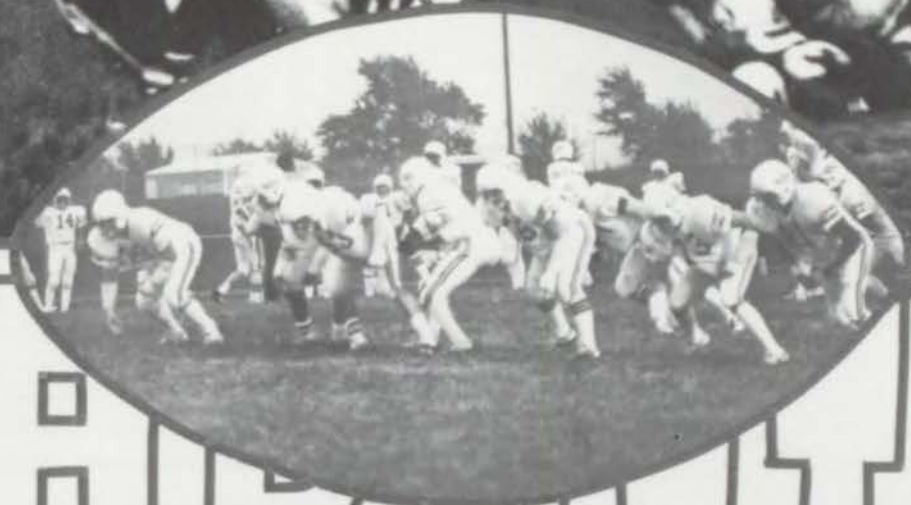

The program as a whole is starting to improve. Despite the win-loss record, the team had a pretty good year. They were very competitive in all of their games and the offense was very good. Coach Harris did a good job working with the team, and if more people turn out for the team next year we will have a winning program. School spirit is a major aspect in the enthusiasm of the team, and more students and faculty should become more involved with the team.

They practiced very hard and if more people realized this and supported the team, who knows what could happen.

The fifteenth of July saw Northeast footballers on the green practice fields for the first time of the season. The vikings worked hard for four hot weeks. The highlights of the summer practice were: intra-squad, scrimmage and the watermelon feast. After the long hard summer there were practices where the intricacies of the I formation were learned. The workouts were applied in games with these fundamentals in mind.

Under the guidance of Coach Charles Harris the team toughed hard through every match on the grid iron win or lose.

The 1981-82 viking basketball team finished the season by defeating North Kansas City and placing second to Central in the STATE DISTRICT TOURNAMENT. The season was characterized by many close and exciting games.

The team entered the league tournament, lost the opening game to Central, then defeated Westport, East, and Southwest to gain the fifth place trophy in the consolation bracket.

The team feature balanced scoring among six players, and usually had at least three or four players of the six scoring in double figures.

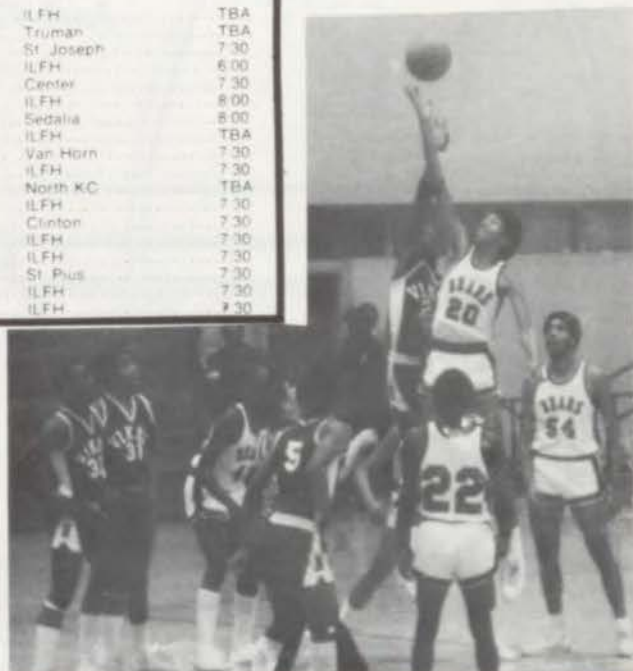

In league competition the team had a four win, four loss record leaving them in a tie with Paseo for second place.

There were only a couple of games in which the team was blown out. In most every game, the final outcome was not decided until the very last.

Under the direction of Coach Sanger the boys played a very outstanding season.

The Junior Varsity basketball team had an outstanding season, Coach Russ and his team held practices at 6:00 a.m. and 2:30 p.m.

He felt the team needed the additional practices because, out of the eleven men on the team only one had interscholastic basketball experience.

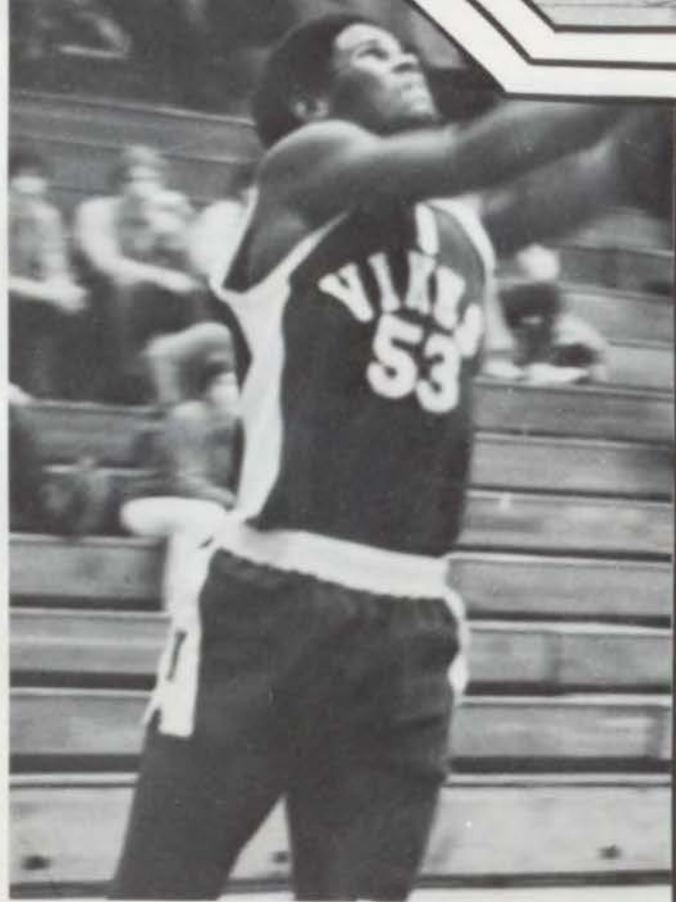

After winning only

one of their first seven games the team came on strong at the end of the season to win their last five (5) games and finish the season with a 4-4 league record and 8-9 overall.

After the season Coach Russ stated "He was very delighted with the way the team played and wished the season was just beginning."

Being involved in these organizations may seem like all fun and games, but only to those not involved in extracurricular activities. Granted, a lot of attention is drawn toward these energetic people, for they are the ones who either help make special events take place or who perform for you on stage or at games or other special events.

But before these events can take place many hours of hard work must be put in. Many of these clubs meet twice a week. Some even begin during the summer. You must remember that these meetings take place outside of school hours. Many hours are spent perfecting the programs that these clubs produce.

Not only does it take time and effort, but some involve physical practice. Yes, plenty of sore muscles and sweat have been poured out for your viewing entertainment. As the Poms, Cheerleaders, and Vikettes begin getting their muscles limbered and in shape throughout the summer and they must stay in shape all year.

The Band members are constantly trying to improve on their musical talents, sometimes accompanying the choir who not only perform for our pleasure, but also for the public's pleasure as well.

There are still other groups who are not interested in entertaining for a moment, but they have a long term effect on the students. Their purpose seems to involve making school conditions more tolerable for the students. And some where down the line releasing some of the tension placed on the teachers. These organizations would include the Student Council and Round Ball.

Then there's the National Honor Society which is more interested in individuals getting themselves prepared for higher education, and a fulfilling life. But then, what is wrong with that?

And after you know how to take care of yourself, you can join Mr. Kelly and help the environment by joining the Ecology Club.

But if you're one for sentiment, Mrs. Gilyard and her gang will take care of you. They are constantly keeping couples together during the holidays whether it be Halloween or Christmas.

Oh, but don't be fooled. These kids don't do all of this alone, they've got help. So let us not forget them, the sponsors. Nor all of the time, money and work that they give. Many times there are late hours, weekends, and the relentless abuse of their followers. Now let's give them a little of the recognition which they truly deserve. For without them none of this would be possible. Mrs. Gilyard-Tech. Crew, Y-Teens, and Drama Club; Mrs. Don Carlos-National Honor Society; Miss Coffman-Pom-pom squad; Mr. Kelly-Ecology Club, and the Student Council; Mr. Roberts-Vikettes; Mr. May-Band; Sgt. Varsity, remember our "Car Wash", this summer? What Car Wash! And, "the apology"? How about our paper drive and our big check for all of those papers? All of us swore up and down that the next time we would contribute in a paper drive it would have to snow in July! Our early morning round-up in front of school. And the sisterly love of Julie & Tressa. Tressa chasing Julie, laughing at her etc... Well we finally made it to camp. And what an experience. All of the tolerance and patience which many of us lost at one time or another. But in the end it seemed to bring us closer. The headaches we got from trying to remember everything, and the aching bones and muscles. Taking turns giving messages, and later freezing at night. Being late because of braiding certain people's long hair. We had tuff competition but we brought home some accomplishments. We didn't work as hard as we did for nothing. If only things could have stayed instead of slip away. Though it may be disappointing at times hopefully our pages will bring back happy memories when we were together, and when all of us cared. We were one "Heck of a Squad!"

# SPECIALTY SQUAD

This year is the first year in many that Northeast has had a specialty squad. Just what is a Specialty Squad? Well, the Specialty Squad is a division of the Cheerleaders that is designed to represent the school, and help promote, and show spirit at all girls athletic events.

A Specialty Squad has been needed desperately here at Northeast for some time. Especially, since girls sports has become more popular.

The Cheerleaders have always been required to go to all boys athletic events. Although, it may be difficult for some to understand, cheerleaders, like everyone else, have homework and other obligations. Which make it very hard to attend all boys, and girls events.

This years Specialty Squad has proven successful in relieving some of this pressure. These girls have put in many hours of effort. Practicing constantly to learn the cheers, and to keep improving themselves. The squad was a great success and has done an excellent job in representing the school and promoting school spirit.

The Vikette Drill Team is sponsored by: James Roberts, & Directed & Choreographed by Gary E. Thomas.

# 8 1 VIKETTES 2 8

1st row: Todd Green, Johnnie Cohens, Sheila Rogers, Regina Thomas, Earnest Beeks; 2nd row: Linda Lopez, Marie Butler, Tonya Collier; 3rd row: Mary Taylor, Linda Loper, Andrenette Carter, Vonzell Ross, Renita Mott.

Attention--Northeast Atease-Vikettes, Hit it 2, 3, 4.

This has been one of the most productive years for the Vikettes Drill team. Since its beginning in 1978.

The Vikettes have marched in several area parades. Such as the American Royal Parade, St. Patricks Day Parade, and the Raytown Annual-Round up Parade. And have competed in several Drill Team competitions around the Kansas City area.

In which they have received several first place and several second place trophies.

This is a great accomplishment for a Drill Team that is only 4 years old. This 1982 Drill Team will be remembered as one of the most enthusiastic and talented groups.

We, on the Nor'easter Staff, feel that this entire yearbook should be on display at the Nelson Art Gallery. Since it is the best piece of art work which has been accomplished, at North-east, in many years.
