NOR'EASTER 1984 VOL. LXX

THE NOR'EASTER STAFF DEDICATES THIS BOOK TO YOU!!!

Maybe you have just finished your high school years or maybe you are just starting them, but basically we all go through the same things. We all have our ups and downs throughout high school, but when we look back it will seem like a carefree time compared to what the future holds.

The Seniors, who have just finished high school, have a whole new life ahead of them. The memories of Northeast are all they have to take with them. Hopefully, these memories will last a lifetime.

The freshman, who are just starting high school, have a lot of good times ahead of them here at Northeast. We hope that they will enjoy them as much as we have enjoyed our four years here at Northeast.

As you go through this book we hope it reminds you of yourself going "through the years".

NORTHEAST SENIOR HIGH SCHOOL  
415 South Van Brunt  
Kansas City, Missouri  
Principal--Stephen Brown, Jr.

Hi I'm Nor'man and I'm going to be your guide through the pages of this book. The Nor'easter Staff asked me to do this. And since they're such good friends of mine I'd like to introduce you to them. First of all there's the co-editors or the Janet's (as they are sometimes called), Janet Miller and Janet Chandler. They are also responsible along with Charla Taibi, for the Senior section. Charla is the business manager too. Now the Junior section was done by Johanna Hohensinner and Chris Garcia. And Rachelle Middleton and Regina Santellan worked on Sophomores. To finish up the classes, Pam Beam and Denise Wheeler had the job of putting together the Freshmen section. The Faculty and administration section was the responsibility of Pat Green and David Boley. Lucy Cline, Francis Bishop, and Renee Middleton were the ones who made the Activities section work. Clubs and Organizations was worked on by Tammy Cox, Stefanie Williams and Jenny Zito. And Tammy worked on Sports too, along with Bobby Cohens and Ginger Wilson. Lastly, but certainly not leastly, is our chief photographer David Canzonere. Everybody did a really great job! So now let's get this show on the road.

W Your Freshman year is the year everybody made fun of you, pushed you around and called you little kids. Remember the first day of school as a Freshman? You didn't quite know what to expect. The school was big, confusing and the upperclassmen sure didn't seem to help. You did really stupid things like scream, yell and giggle that really brought out your age. You did all kinds of things to impress the upperclassmen and now your beginning to realize how childish you really were. But your Freshman year is important, its building a base to the future. Its the change from children to young adults. The years will go fast so enjoy them and just remember the Class of 84 will always have more!!!! Good luck Class of 87!!!!!!

Well this is it. . . our Senior year! We've nearly sweat blood to make it here. We are all ready to don our gowns and caps with tassels. We walk and talk with pride of being graduating Seniors; but, more than just once in a while we look back and realize that school had come and gone so quick. All those years of fun and of worry, of just plain growing up are behind us. We can't see it now, but we will miss those years. Those were the years of real freedom. We will soon understand what our elders meant by "these are the best years of your life"

Hopefully, we won't forget the friends and the good times we've made here at Northeast. Don't forget that we've helped to "build" this school and the memories will forever echo through the halls.

We have alot of living left to do. While these may have been the "best years of our lives", we here at Nor'easter wish you better than the best "through the years" to come.

GOOD LUCK!!

# SENIOR WILL

I, Velma Abston, leave my fantastic sight to Linda Loper and my sweet personality to Laticia Davis.

I, Tammy Lynne Akers being of sound mind, do hereby leave my Drum Major title to the one who succeeds me, my looks and personality to my twin brother Phillip Suber, my music abilities to Charles McDonald, my ability to smile and be happy all the time to Donnie Wilson and to Tony Alexander I leave my friendship.

I, Karen Marie Batton, will my smarts, luck, and height to Rachael Turner, and my luck with grades to Tina Powell.

I, Shanea Bell, leave my acne free skin to Richard Calohan.

I, Eunice Butler, leave my silky black hair to Linda Loper, my super dancing talents to Waquita Norman, and my intelligence to Renita Mott.

I, Janet Chandler, leave my school spirit and dance experience to the 1984-85 Pom-Pon Squad, my Co-captain position to Stefanie Williams, and my Nor'easter Co-editor position to any Junior who loves a challenge.

I, Lucy Cline, will Matt Letourneau the ability to not take no for an answer from Renee Middleton.

I, Miss Tonya Collier, leave my former Saxophone crew members, Tomie Freeman and Tracy Dunlap, all of my "musicianship" talent to carry on our name in '85.

I, Tammy Cox, will all my great Pom-Pon memories to Gina McMurray, and to the rest of the girls in the Class of '85 I will my innocence.

I, Abbey Eddings, leave to Pam Snowden all my great Senior memories, and hope that her's are as great as mine.

I, Rosie Johnson, leave my clothes to Beverly Wilson.

I, Dana Martin, will to Matt Anderson our friendship that has lasted for 10 years.

I, Teresa Rojas, leave my volleyball talents to Leah Banks, my brightness to all the fellows, my craziness Ms. Brenda Wilson, my eating to Ms. Paula Eason, and last but not least, I leave all the jealous girls common sense and growing up to those who need it.

I, Robinetta Smith, being in a generous frame of mind, leave Beatrice Hupp ADAM ANT, U2, & BILLY IDOL, but not DURAN DURAN!

I, Melinda Taylor, leave my strong pride to those that have weak ability, my touch of class to Brenda Wilson and my mind technique to Beverly Wilson.

I, Karen Thompson, leave to Paul Newman my lunch card. (Remember you can only eat on one lunch period)

I, Ginger Wilson, will my softball days to Cammie (Momma) Dorrell, my country music to Robin Mills and Gail Dunn, and all my craziness to all the Juniors who like to have fun.

# FACULTY

The 1983-84 school year has brought with it profound interest in public education due to several national reports including, A Nation at Risk, which was presented to President Ronald Reagan by Secretary of Education, Terrel Bell. This report highlighted many areas which are considered to be deficient.

However, in spite of a very clear shortage of supportive personnel and the unavailability of some very significant resources, I feel our staff has done an outstanding job. We are producing many outstanding students who we feel are competitive and will move on to become highly productive citizens.

We have made great strides and have done a highly effective job of serving all students regardless of their ability level or their prior achievement level.

I have been particularly proud of our staff's commitment to you, which is one based upon a desire to challenge you to the limits of your abilities.

On behalf of the staff, I wish you success through the years, and urge you to continue the process of education.

Be ever mindful of the economic, social, and world events that will impact upon your lives.

Congratulations!

  
Stephen Brown, Jr.

The English Department is interested in meeting the needs of individual students and recognizes the wide variance in ability levels, backgrounds, and interests of our students. The teachers attempt to meet these needs by offering three courses of varying difficulty for the 9th, 10th, and 11th grade students. These courses are called Language Lab, Language Development, and Language Dynamics, respectively. The courses for the 12th grade includes a Language Development course and a Refresher English Course.

*Lydia E. Mercer*

English as a Second Language (ESL) is an instructional approach designed to systematically teach English to children from other language backgrounds. The ESL students enrolled at Northeast speak either Vietnamese, Cambodian, Laotian, Chinese, or Spanish.

It is incredible to think how these students have learned to adjust to a new culture, as well as learning to speak a new language.

The mathematics department offers a wide range of educational backgrounds and expertise. We agree on one goal for our students-to help them achieve a better understanding of the world around them through an understanding of the mathematical principles in life. Each teacher tries to help the individuals reach his full potential.

It may seem to some students that math is difficult or boring, but one cannot escape math in life-in the Arts, Sciences, Business, or Homemaking. Mathematics is essential. The more you learn about it, the better equipped you will be for life in general. *Kara Hawthorne*

Our primary concern here at Northeast is to develop the strongest possible pupil centered program that will allow the students to progress at a rate commensurate with their personal abilities.

The general goal of our department is to help the students improve in reading, critical thinking, writing, speaking, and listening. The primary goal of the Social Studies program is to help the student become thoughtful, active citizens who can function in a multicultural, rapidly changing society.

We feel that science is for all students. It must serve equally well those who will never be formally exposed to science again, as well as those who will become professional engineers and scientists. These demands make it necessary to do as we are attempting to do, realign our requirements to meet both the needs of the individual, and the needs of society.

We, the art staff at Northeast, have the intention and purpose to direct the students in creative and cultural growth. We strive to supply each student with the opportunity of discovering and a better understanding of himself and the world through the visual arts. Our endeavor is to construct an atmosphere where creative response may be individually structured in both two and three dimensional work.

# ACTIVITIES

# HOMECOMING '83'

This year unfortunately we didn't have a homecoming parade. However we did have floats that paraded around the field at halftime.

The candidates, for homecoming Queen were Pam Beam, Alice Martinez, Denise Wheeler, LaTonya Judan, and Tammy Cox. The candidates for King were Steve Roberts, Damon Carter, Chris Cornelison, Eric Schaeffer, and Bobby Cohens. The Homecoming Dance was a smash! It was the most successful Homecoming Dance in several years. Everybody was waiting for the big announcement. Who would become the Homecoming Queen and King? Finally, the moments that we all had been waiting for arrived. Alice Martinez and Steve Roberts were Crowned 1983-84 Homecoming King and Queen.

O can you see.

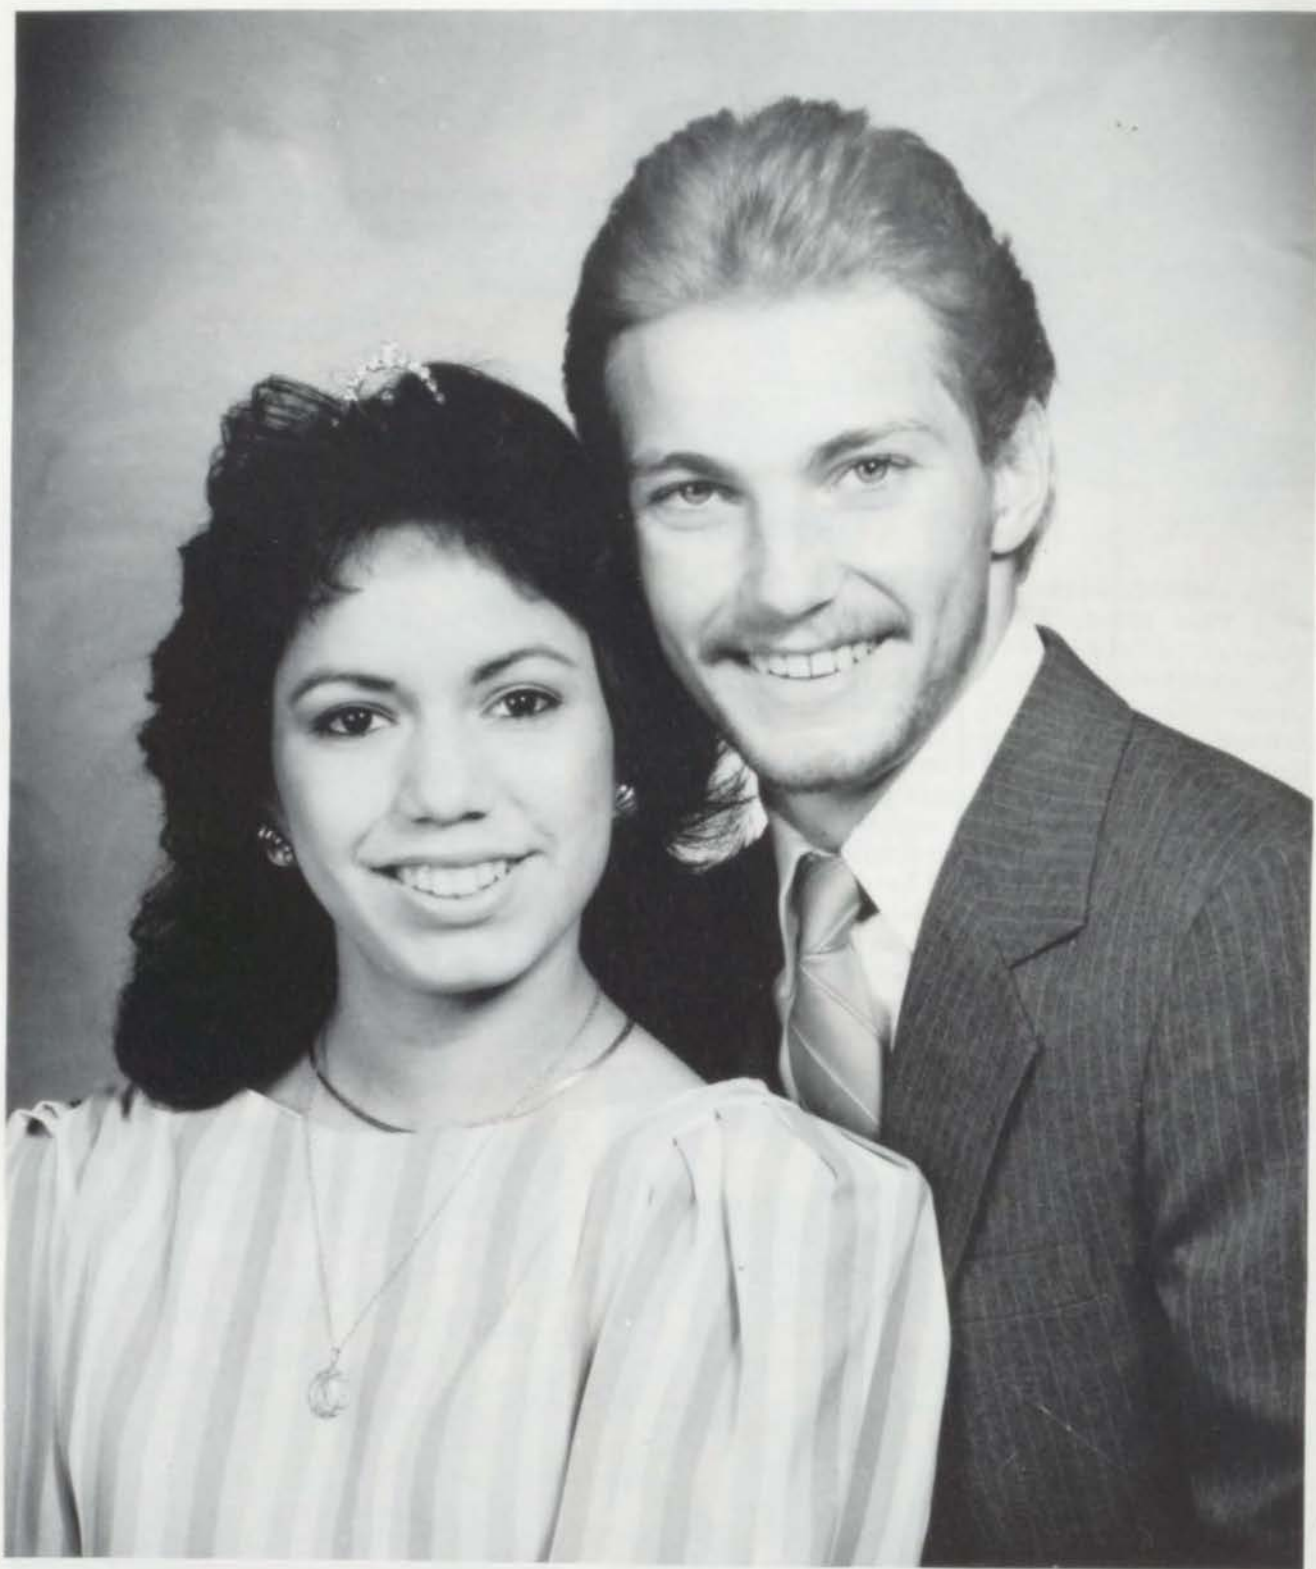

Quick get some oil!

This years 1983-84 Cross-Country season was a very tough and hard one. This years girls and boys teams worked very hard and long to become very competative. The girls team lead by Senior, Elizabeth Johnston did well despite the lack of girls on the team.

The boys team lead by Junior, Pete Gusman had a very strong squad. Four of the Varsity boys finished in the top ten at the I.L. League Meet Championships.

The Varsity boys team also qualified for regional competition and were able to qualify Pete Gusman for the State Championships, that was held in Jefferson City, Mo. Pete finished in 24th place. Elizabeth Johnston was able to qualify for regional competition from the girls team.

Head Coach Steve Scroggins

For the first time in the history of Northeast Sr. High School, a long needed spring sport has arrived at the school. Baseball! That's right Baseball!

Coach Steve Scroggins former founder and coach of the Central High School Baseball team, presented the idea to the young men and the administrative staff, whom thought the idea could work. But, money became the major issue and it was solved with great fund raising

ideas and funds from the community and other sources!

Now we're rolling and our season could be a bright one, because we have a great group of guys with good attitudes. We seem solid with such players as Seniors, Chris Cornelison, Tyrone Smith, and Paul Sharp. With the Super Seniors, we have a solid group of Juniors and Sophmores whom will help carry the load.

As coach, I want to thank everyone for the strong support.

# Six reasons why high school seniors should graduate to Guarding.

You can give your seniors a good start into the future by steering them to the Army National Guard.

The Guard offers, in addition to long-term benefits, six immediate values: a paycheck every month; tuition assistance; training in leadership and technical skills which can contribute to civilian careers; part-time service compatible with other job or school requirements; a close-to-home location; and the satisfaction of being "on guard" to help in any local or national emergency.

For more information on career opportunities available in the Army Guard **please call**
