Dedicated to
Cathy Ann Jones

On April 18, 1986, Cathy Ann Jones, a senior, went into the hospital for a simple operation due to what the doctors thought was a heart murmur. Some complications occurred and she was never able to return back to school. The senior class thought that this book should be dedicated to a very brave and strong girl. If anyone knew Cathy, they knew that she was always happy, cheerful and a carefree person! At the age of 17 Cathy had a very rare heart cancer. It hit everyone very hard and unexpectedly. On May 28, Cathy would have said her last good-bye to Northeast, but instead it's Northeast that says good-bye to Cathy. No one will forget what a special person she was, especially her family and close friends. We love you Cathy and you will always have a place in our hearts!!

Dedicated
to
Tommy
Allman

Richard Alleman (1969-1986)

Richard Alleman was a terrific guy;
He died Friday, I'm still asking myself why,
He was a very sweet person to all of us;
He was someone we knew, loved, and trusted.

He was always there when you needed him;
He was better than any kind of precious gem.
He could get along with anyone;
He was the kind of person who was a lot of fun.

Richard wouldn't let anything get him down;
He was so much fun to be around,
There were many people who Richard cared about;
He was a very special person to many, there is no doubt.

Why do some people only notice a person when he or she dies?
They hardly ever say a word to the person when he or she is alive.
Richard's death has touched us in a painful way;
I personally will be mourning for many days.

Richard was involved in many activities at school;
He was in the Student Response Team with me and I thought he was very cool.
It's just not fair to anyone;
Especially his parents because he was their youngest son.

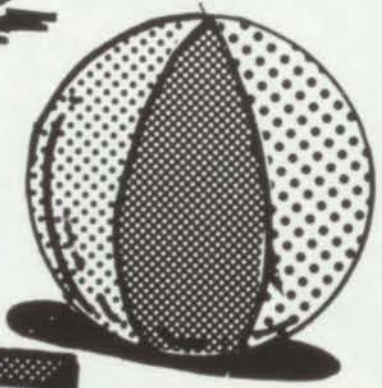

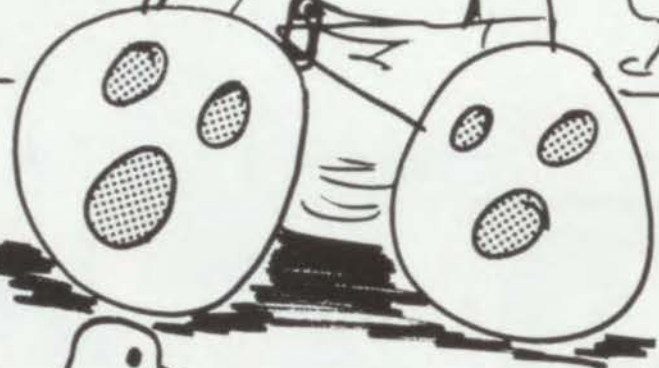

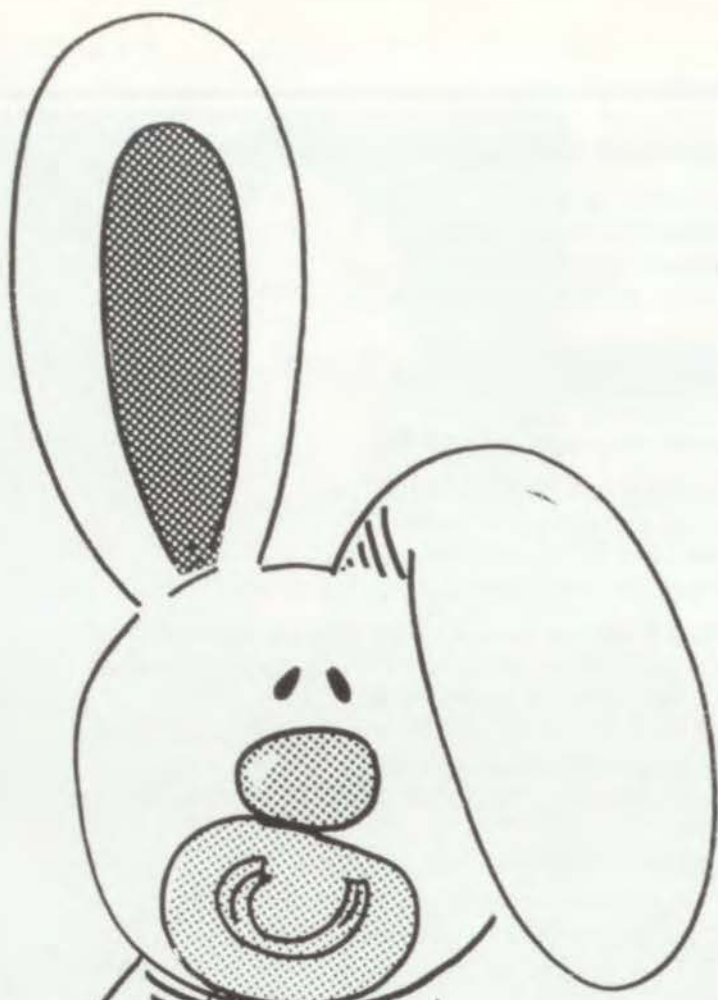

I can only remember Richard with a smile on his face;
and him playing around and getting on everyone's case.
Richard was a very intelligent guy;
He was a person who would always try.

I prayed for Richard of the class of "87";
That he will be waiting for the rest of us in heaven.
Richard came from a big family who loved him very much;
Everyone at school loved him a whole bunch.

We've lived the past years in a world of fun and games, but now it's time to realize we must get out of this maze. We walked the halls and disturbed the classes, and often bugged the teachers for passes. We listened to gossip and contributed our share of spreading the word, and without delay it was often heard. We ditched and we ditched and we thought we were slick, but now that we're Seniors it just doesn't mix. Friends were here and friends were there but when you needed them where... Oh where??? We may not be large in size but we're huge in spirit and in pride. It's been a long road and no free ride, hopefully success will be our prize. It's been a fantasy until now we can't believe that it's real but we do have to admit, We're Lovin' Every Minute Of It!!!!

Even though this year's squad consisted of mainly new, inexperienced, girls, we had a successful squad. We attended camp at Iowa State in Aimes and we received a red ribbon, second place, on our Home Routine. We participated in a league competition and we are happy to say that we brought home the 1st place Trophy!!

Of course we had our difficult times, but we always seem to come out with flying colors.

IN

This year's Northeast Senior High Concert Choir is a group of rejuvenated musicians, dedicated towards bringing a positive attitude to our school and community. During the holiday season, in 10 days we performed 6 (six) concerts, all receiving rave reviews from our sponsors and hosts. We performed Dec. 10 at University Hospital, Dec. 17 on the Country Club Plaza, Dec. 20 at Macy's Downtown.

Last semester, our biggest performance was May 10 & 11 at the 12th Annual Choral Festival at Worlds of Fun. We solicit the support of the administration, faculty, parents, student body, and the Northeast community.

This was the choir's first full year under the direction of Mr. Lindsey, we the members of the choir feel that he has done a remarkable job.

The Marching Purple Pride

The 1985-86 Marching Purple Pride had a productive year. The year began with a devoted band, drill team and flag girls working at Worlds of Fun to help raise money for new shoes, boots, hats, flags, etc., and did their hard work pay off? According to Mr. May, this year was the first time all marching units were in uniform all together from bottom to top.

The N.E. Band is one of the most active bands in the interscholastic league. Mr. May and students take great pride in their accomplishment. For the first time, under the direction of Mr. May, the band went to district contest in Liberty, Missouri.

The Marching Purple Pride is truly a credit to our school and community.

SRT - Student Response Team has been very successful this year. This organization was established, in the spring of 1985, when Joe Rodriguez from the Department of Justice did the initial training. The purposes of the SRT is to try and come to some agreement between two conflicting parties. The second purpose of the SRT is to try and work on school problems. The SRT also serves as an advisory committee to the administration. The 1985-86 Student Response Team hopes that it will continue to be successful in the years to come.

ACTIVITIES

This year all activities were well noticed. All dances were attended by several dozen and the Homecoming parade was the biggest in a long time. The teachers played basketball and what a game that was..... Each student did a great job in participating in each activity that took place. The school year 1985-86 has been a memorable year.

Spirit week was so fun and exciting for the students this year. A lot of the students participated and were all worked up for Homecoming which took place that weekend. Spirit week brings out happiness in everyone and it also shows the students creativeness. Although we've yet to see our school as the most-spirited, we do come up with our purple and white pride. This year we held Bum day, Baby day, Music day, Beach day, and Class day. Our morale for this tradition is to show our school spirit, to act a fool, and to break the dress code for a week!!

The Homecoming assembly consisted of candidates for the dance and the football team. The assembly went very smoothly and the students did a good job showing their spirit.

Homecoming Parade & Assembly

This year's Homecoming parade turned out to be a great success. It was well organized by the student council and each student that participated should be proud of themselves in proving that Northeast is #1.....

Don't just stand there.....DANCE!!!!!!!!!!!!

Cute, aren't we?

Our 1985-86 Homcoming dance turned out to be a great success. The event took place on Oct. 26th at Adam's Mark Hotel. What made it perfect was the 6th game of the World Series which the Royals tied it up for World Champions (mind you) right across the highway.

Much effort was put into this dance sponsored by Student Council members. We all had a great time. Our homecoming queen was Kelly Dorcy and King was Danny Hudson. It was a memorable night for all of us to cherish.

1986 Weddings

On Jan. 17, 1986 four couples from Family Relations were married. The much tradition but successful as well. These weddings did there part in keeping up with the tradition and each wedding was well put together by the students.

The couples that were married were Roy Wilmore & Sheila Johnson, Anthony Bruno & Stacy Boley, Henry Martinez & Denise Kierman, Anthony Roulette & Bottie Gomez, Congratulations!!!!

SLAVE TO THE RHYTHM

We all put in many hours to present our annual Viking Varieties. Much effort and hard work (along with valuable time)...was spent in rehearsals. This years theme was Slave to the Rythm, which opened the show with a rhapsody of slaves worshipping their master in a dungey-smokey atmosphere. The students who participated gave their best talents to entertain the student body, faculty, and parents. The participants gave a special thanks to Theresa Gilyard (sponsor), Lynne Newton (student director), and Gary Thomas (choreographer). It was a learning experience for some and a challenge for others in hope to motivate spectators of our ethnical background activities. We hope to see the tradition of Viking Varieties in years to come.

ASSEMBLIES

Ed Rudine says "STOP SMOKING".

I have a problem with that

Get it Juniors!

1985-86 ASSEMBLIES

The assemblies consisted of every event that has taken place this year. The students that commented each assembly did a wonderful job and the students participated well in giving their attention. Some assemblies were well remembered because of the guest speakers that spoke. For instance, one assembly the student response team and the student council had Ed Rudine come and talk to the students about smoking. Ed Rudine, by the way, lost his voice due to smoking. The students were great in being silent for him to speak with his device that he uses. Then for Ethnic Awareness Day, Sandra McFadden Winfield spoke to the students about everyone working together no matter what race he or she is. The rest of the assemblies were the traditional pep, sport, and honor roll assemblies. Northeast isn't known for all of it's spirit but we do have what it takes!!!!!!

Let me have it!

CROSS COUNTRY

The 1985 Cross Country team was very well balanced between seasoned veterans and eager newcomers. During the first week of practice - The season didn't look very encouraging, however, as the runners got into condition things began to change.

Jerome Gusman and Valerie Gusman teamed up to be the most valuable runners in the interscholastic league. This was the 2nd year for Valerie to receive this honor. She has one more year and will be shooting for 3 in a row. Jerome a senior, was selected as an all-metro all star for his second straight year by the Kansas City Star. Jerome finished 6th in the state cross country finals in Jefferson City, Missouri.

Sophomore Ronnie Bolanos finished 16th in the state championships. The only sophomore finishing higher was in 15th place from southwest. We are looking forward to the 1986 season. We hope to build off the excellent 1985 team.

VARSITY

Coach. Charles Sanger

1985-86

The over all season from the Freshman team, the Junior-Varsity, to the Varsity level was a very rewarding experience for all involved. The freshman team had 8 wins and two losses with the losses being by a total of only 3 points. The junior varsity started slow winning only one of their first four games. Then they won 13 of their next 14 games, winning the league championship going undefeated.

Although the varsity did not have a winning record, they played excellent and exciting basketball. They were 4 and 4 in the league finishing in a tie for fourth place. So in the league the combined record of all three levels was 18 wins and 6 losses. So things are looking up and the team is looking forward to next year.
