PASEO HIGH SCHOOL
KANSAS CITY, MISSOURI

In Spanish "Paseo" means "The Way." For us it means more—it means a special kind of way—the way to fine character, the road to knowledge, the pathway to a future which none of us can foresee, but which we can approach with sure confidence because we have learned that wherever we go, whatever we do, we represent our homes, our community, and Paseo High School.

B. M. Stigall

Harry R. Shepherd

" . . . that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; that this nation, under God, shall have a new birth of freedom; and that government of the people, by the people, for the people, shall not perish from the earth."

The Student Council, the governing body of Paseo High School, sponsors activities and promotes ideas that make for a better school.

This year we are proud of our accomplishments. As in years past the Council sponsored the sale of tickets to football and basketball games; the sale of Paseo and Press subscriptions. The honor of naming the ambulance plane, "Bad Penny," was given, for outstanding work in

buying war bonds and stamps, to the Council. Delegates contributed ideas to the Community Center now under consideration for our district.

Officers for both semesters were: Bill Bowen and Bill Bowman, president; Roger Yost and Patty Piffer, vice-president; Pat Russell and Mary Rooney, secretary; Bill Bowman and Don Coleman, treasurer; Ewing Williams and Dave Schilling, sergeant-at-arms.

SAFETY SCIENCE

This year, because of war emergencies, it was necessary to modify the organization of the old Auto Club. The new organization became the Safety Science Club of the biology department and the Junior Auto Club of the general science classes. We hope that the new plan will progress further. A safety science program is under way in the biology classes, and there are periodic programs with films

and speakers. Equipment is being developed to measure the reaction times, eye-span, hearing, etc. Student advisers include Kenneth Marker, Bill Dillingham, and Betty DeJarnette. The officers are: president, Joan Elberg; vice-president, Gloria Horn; secretary, Maurine Pierson; treasurer, Jimmie Barnes; business manager, Richard Priest; art director, Phyllis Brunn. Mr. Lovejoy is the faculty adviser.

TRAFFIC SQUAD

Under the capable direction of General Bob Lettas, the Traffic Squad consisting of more than 50 junior and senior boys devoted their full attention to keeping the traffic in the halls and in the cafeteria moving in an orderly manner. Keeping the cafeteria clean proved to be the biggest of all the tasks undertaken by the

Traffic Squad this year. The other officers were: Captains, Ralph Comer, Don Coleman, George Heizman, and Don Tranin; Lieutenants, Lester Webb, Kenneth Casford, Albert Gerecht, and Jim Ekstrom. Mr. Shepherd was the faculty advisor again this year.

FRESHMEN INDUCTION

Interpreting the ideals, opportunities, and responsibilities of Paseo, the seventh annual Freshman Induction was presented last fall. This impressive and colorful ceremony, with its robed figures and vivid tableaux, was begun in 1938 and has become a part of the rich tradition of Paseo.

Helen Greenberg and Ernest Leslie, representing the Freshman class, had portrayed for them the many opportunities, in the shape of organizations, services, and honors, which exist in their school.

Patty Piffer and Roger Muir, as Senior Girl and Boy, introduced various phases of the pageantry and emphasized the meaning and

philosophy of Paseo's motto, "Remember Who You Are."

The ideals of sincerity, honor, courage, loyalty, and youth were presented by Charlene McPheeters, Silver Sincerity; Mary Lou Mathews, Gold of Honor; Jim Ekstrom, Courage Red; Don Tranin, Blue of Loyalty; and Harriet Morris, Green of Youth.

Many timely additions to the text and alterations in the tableaux were included in this year's performance. The able faculty committee deserves much credit for presenting a truly splendid spectacle that will always remain in the minds and hearts of Paseo's freshmen.

These were Press Staff members who have done exceptional work in reporting, writing, advertising, or editing. Presiding were: Don Tranin, president; Fern Rue, vice-president; Sushanah Braver, secretary; Nancy Dille, entertainment chairman.

NATIONAL HONOR SOCIETY

The National Honor Society held its annual induction ceremony April 28, ten per cent of the senior class and one per cent of the juniors being inducted. At the program, the cardinal qualities for membership—scholarship, leadership, character, and service—were interpreted by the officers: Shirley Nerman, president; Don Tranin, vice-president; Fern Rue, secretary; and Ralph Comer, sergeant-at-arms.

Bottom Row, left to right: Jack Hirsekorn, Jenny Lea McGowan, Joyce Comer, Pat Piffer, Russell Mesler, Ann Harper, Marvin Dunn. Top Row: Elizabeth Banner, Pat Sholders, George Lieberman, Blakely Bush, Albert Gerecht, Russell Tischer, Bill Bowen.

THE PASEO PRESS

This year the Press had a different form of management by having two complete staffs elected in the fall that operated on alternate publications. Patty Piffer and Russell Mesler were the two editors in charge.

Keeping the students informed of interesting happenings and up to the minute news of Paseo was the goal successfully achieved by this year's staff.

Off The Chartered Course and In the Know How were two new headings adopted while favorite features of former years were again used. Paseo students can be proud of their school paper and Press day will continue to be one anticipated by the school at large.

The club's activities ranged from teas to picnics. Some clubs held parties for the rushees, others had luncheons, but the best times of all were the two initiations. The Inter-club Council sponsored a spring and fall dance

this year, both being very successful. The clubs collected all types of books or made scrapbooks for the service men for their part in the war effort.

Again this year, as in previous years, the A Cappella Choir has continued to furnish music for many outside places, as well as for the school. Among the outstanding events on the Choir's calendar were when they appeared at Open House, the memorial service at University Heights Christian Church, the Linwood Presbyterian Church, the Schoolmasters' Club, the University Women's Club, the Fashion Show, the Spanish and History broadcast, and graduation. Under the able leadership of Miss Marguerite Zimmerman, an especially beautiful rendition of "Why The Chimes Rang" was

portrayed at Christmas-time and was conducted solely by the music department. Some of the better known selections the choir sang were: "Dark Water," "This Is My Country," "Give Peace In Our Time," "Oh Blest Are They" and "Roll, Chariot, Roll."

Serving as officers for the Choir this year were: Don Coleman, president; Virginia Graham, vice-president; Don Boucher, secretary; Blakely Bush, treasurer; Mary Frances Collins, reporter. Jeannette Stahl and Fern Rue were accompanists.

Under Miss Zimmerman's direction, the students of the Mixed Chorus received their preliminary training to form the nucleus of next year's A Cappella Choir. As in years past they were able to learn beautiful and difficult arrangements of musical classics that proved a delight to music lovers.

Miss Zimmerman's talents in training musical voices was again in evidence when the Girls' Chorus displayed their training in the singing of beautiful Christmas carols during the holiday season. The vested choir made a lovely picture as they slowly marched through the halls singing the beautiful songs that we associate with the Yuletide season.

"MY SISTER EILEEN"

After many weeks of rehearsals and hard work, the Senior Class presented, on May 19th, the highly entertaining play "My Sister Eileen," before a packed house. All who saw the play will agree that it was the finest play ever presented at Paseo. Pat Bales and Mary Lou Mathews starred in the roles of Eileen and Ruth, respectively. With much vim and vitality, Don Tranin portrayed the role of Mr. Appopolous, the overbearing landlord. Supporting roles were held by Jeanne Turner, George Heizman, Roger Muir, Jack Busby, Bob Conley, Ralph Comer, Kenneth Casford, Bill Bowen, Robert Lettas, Carole Nellis, Judy Droskin, Virginia Stoner, Bob and Dick Kelley, Don Watson, Lester Webb, Paul Morgenroth, Charles Schmidt, Russel Mesler, Adele Block, Don Kester and Dick Ebbert.

ENGLISH DEPARTMENT ASSEMBLY

The English Assembly was a double feature program, of which the first part was a presentation of the play "Altruism." It is by a German author and describes the cynical selfishness and disbelief of brotherly love which exists under Nazi domination.

Rumor has it that offers have been dribbling in from Hollywood, especially for Molly, the dog. Others taking part were: Donald Tranin, the Beggar; Roger Muir, American; Maybelle Nohden, Townsman's wife; Elwyn Donovity, Townsman; Doris Allen, child; all being members of the Senior Literature Classes.

The second feature of the program was in sharp contrast with the theme of the play, for the readings of the winners of the tenth annual Poetry Reading Contest resounded with American idealism. A new division in the contest was the singing of poetic classics given beautiful musical settings. Prizes were given to Mary Miner, Narrative winner; Don Tranin, Lyric winner; Lenore Eisner, Dramatic winner. The Poetry Reading Cup was awarded to Donald Tranin.

A general diffusion of knowledge and intelligence being essential to the preservation of the rights and liberties of the people, the General Assembly shall establish and maintain free public schools for the gratuitous instruction of all persons in this State between the ages of six and twenty years."

R. O. T. C.

The Paseo Battalion, under its new instructor, Sergeant K. E. Horsefield, started the year with the largest unit in the history of our school. Sergeant Horsefield brought many new methods and courses of study with him. The Sergeant's close association with his cadets made a well knit unit for the school.

Cadet Major Ralph Comer took command of the battalion in December. He placed third in the city wide examination for the regimental commander, and has been an outstanding success in all of his three years of R. O. T. C., winning a second star for scholarship this year.

The battalion adjutant for this year is Captain Donald Boucher. He won the new 160 rifle team ribbon. The job of making daily schedules and plans for battalion maneuvers went to Captain Donald Tranin, the fourth winner of the scholarship palm at Paseo. First Lieutenant Paul Morgenroth is the ordnance and supply officer. The battalion records are kept by Sergeant Major James Donovan. David Stockwell is the supply sergeant.

March 3rd, Miss Donna Chapman and Major Comer led the grand march at the annual ball. Miss Virginia Stoner was crowned queen, with Misses Ann Huddleston and Virginia Woodburn as attendants. During intermission, Lieutenant Donald Watson was awarded the Swem Saber by Captain Little. This saber is awarded to the outstanding second lieutenant of the year.

Captain Harold Gray is the third year man who won proficiency honors, Staff Sergeant

Wayne Spilker is second year man, and Stanford Katz is first year man. Cadet Katz also won a scholarship ribbon. First year cadets winning semester inspection honors are Dwight Dedman, Albert Thalman, and Gerald Feldman. Staff Sergeant Richard Haggard, Sergeant Henry McDonald, and Sergeant John Comley were second year cadets taking these honors. Captain Gray also won the new 160 rifle team ribbon.

Federal Inspection will be held May 9th and Field Day May 16th.

FIRST TEAM FOOTBALL

This year the football season opened with 76 men reporting to our new football coach, Mount E. Davis, who comes to us from Southwest. With the help of four returning lettermen, Bob Henley, Ben Danley, Captain Roger Yost, and Manuel Present, the Pirates were put to seasoning up and making ready for the first game. The season opened September 25 with a hard fighting Pirate crew ending up with a 12-12 tie with Rockhurst. A rainy night found the Bucs battling to a 7-7 tie with Ward. In the first league game, the Pirates went down to a 14-0 defeat at the hands of Central. The battle with Westport proved to be another matter as the Tigers went down fighting to a

superior Buc aggregation, 19-0. Southeast proved to be easy, as the Knights fell, 18-0. The Pirates had their hopes scuttled when a strong Northeast bunch sank them 14-0. A 13-0 score proved to be East's undoing as the Pirates put on the steam and came out victorious. In the last game of the season, an underdog Southwest team gave the Bucs quite a scalping when they handed us the short end of a 21-13 score. From the Buc crew, Arthur Bell, Manuel Present, and Jim Solsky received positions on the All-Star team. Ben Danley also received the center position on the second team while Honorable Mention was bestowed on Tom Mainey and Roger Yost.

Top Row: Horace Lansdon, George Kennard, Don Shumate, Nierman Gregory, Glen Shore, Bill Marvin, Bill Bowman.

SECOND TEAMS

Again this year, the second teams had an irregular playing schedule due to transportation difficulties. However, the second team managed to take on four opponents. The winning scores were: Westport 6—Paseo 20; Southeast 6—Paseo 12. While we won these two games, we lost 13-12 to Central and 34-0 to Southwest. Coach Armour put the boys through the paces with the able assistance of Norman Fabes.

The second team basketball team played four games and came out with one win and three losses. They lost to Wyandotte 40-18. In the only league contest, the Bucs defeated Westport 24 to 17.

With this valuable training behind them, these boys should be the ones to watch for in next year's games. Much credit is due these boys because they are the ones that put in long hours and receive no credit or glory.

FIRST TEAM BASKETBALL

Basketball started with a rush at Paseo this year with approximately 90 eager candidates, including three lettermen, reporting to Coach Bob Armour for practice on November 15. Of this large number, 30 were retained to form the first and second teams for this year.

The season opened officially with the Pirates downing the Argentine Mustangs, 33-27, on December 10. In the next tussle, the Bulldogs of Wyandotte nosed out the Pirates 27-20. In the first league game of the season, East turned back the Bucs in one of the most thrilling games on record with a score of 26-25. With the score tied most of the game, Paseo managed to sink a goal that tied the score just as the gun sounded ending the game. In an overtime period, the Bucs managed to get a 25 to 22 lead only to have East make a goal and two free throws in the final seconds of the overtime period. A strong Manual crew turned back Paseo 26-17 in the second league game.

The Pirates' losing streak went to three as the Tigers of Westport paced by O'Brien gave them the short end of a 23-19 score. The Pirates fell to the speedy Knights of Southeast with the game ending Southeast 27, Paseo 16. Using sophomores and juniors, Coach Bob Armour's team showed great improvement but lost to a scalping party from Southwest, 35-20.

Traveling over to Kansas, the Pirates undertook to deflate the Cyclones of Ward, only to have the storm come back in all its fury to win by a large margin. The final score was Ward 50, Paseo 31. The Pirates showed some real strength in the annual battle with Rockhurst, only to have a goal in the closing minutes of the game by Rockhurst put them out on top 30-29. Paseo fell to Central in the next to the last game, 47-36. Northeast won the final game of the season by a score of 34 to 14. Jim Arnold received honorable mention on the All-Star Team.

TRACK TEAM

Since the 1943 Paseon went to press before May 15, we would like to enter here the accounts of last year's track meet when the Pirates walked off with the city championship. This was Coach Armour's first track title and Paseo's third. The battle was a close one all the way with the visitors rolling up 32 points to second place East's 23. Outstanding among the winning Bucs were Kenny Garret, Dick Fuller, Jim Solsky, and Bob Schuster. Paseo won four firsts, a second, and a third.

Starting out this year with a bang, Paseo's team won the 1944 championship at the Inter-

scholastic League Meet held at the Municipal Auditorium. Bob Schuster and Blake Bush were the outstanding contestants for Paseo. Schuster won the 60-yard dash and the 440-yard dash, while Bush later went on to win the 880-yard dash. With this fine record, we should expect our team to win the city championship again this year.

Due to bad weather conditions, practice was limited to indoor activities. The weather cleared enough to have the meet with East which we lost 54 to 37. This is the only meet that has been held up to this time.

FRESHMAN CLASS

With their heads high and their hearts full, a new crop of freshmen made their first appearance at Paseo. They were awed by the spacious halls and bewildered by the hurly burly noise, but it did not take them long to fit into the routine.

Many took an active interest in such organizations as the Hi-Y, the Pan-American League, and the Girl Reserves. Beverly Schmidt led the Freshman Triangle of the Girl Reserves. Other officers were: vice-president, Dorothy Kilb; secretary, Margaret Dickenson; song leader, Cleone O'Dell; pianist, Lee Rue. Serving on the committees were: Service, Rose Marie Rutledge; Devotional, Barbara Harvey.

The class was officially welcomed to the school by the Freshman Induction in which Helen Greenberg and Ernest Leslie represented the Freshman Girl and Freshman Boy respectively.

At the freshman mixers, where a good time was had by all, Lee Rue acted as hostess while Carl Williams served as host.

A number of freshmen represented their home rooms on the Student Council. On the Executive Board were Dick Cummings and Gene Droskin, first semester; Lee Rue and Bill Schmuck, second semester.

The winners of the Freshman Poetry Reading Contest were Cleone O'Dell and Carol Merrit.

SOPHOMORE CLASS

Already familiar with Paseo the sophomore class picked up where they left off last June.

Among the geniuses of the class were Leona Rae Peltzman, Arthea North, Amelia White, and Nadyne Johnson who attained the Highest Honor Roll.

The chairmen of the various committees were: Devotional, Nadyne Johnson; Service, Julia Leslie and Mary Miner; Social, Gloria Horn; Publicity, Donna Chapman; Music, Joan Emert.

Ruby Carlson, Ruth Kaufman, Patricia Lear, Arthea North, Jo Ann Ogg, Leona Peltzman, and Sarah Purtzer were the lucky girls whom the A. A. U. W. chose to sponsor.

A prospective actor was found in Dick Lapidus who literally stole the show in Junction Jubilee.

Jim Case officiated as sophomore host at the mixers.

ROGER H. YOST was president of the senior class and Juntos and vice-president of the All-City Student Council and our Student Council here at Paseo. He was well known for his work in football and track. Roger made friends left and right with his friendly personality and ever-ready grin. It seems he has made a wise choice for the future. Roger wants to be a football coach, and we'll bet he makes a super-duper one.

PATRICIA JOANN PIFFER was always on the Honor Roll and was a member of the Discussion Club and the Pan-American League. Her duties as president of Zetas, vice-president of the Student Council, critic of El Ateneo, editor of the Press, senior editor of the Paseo, and as a health room assistant kept her busy. Patty's sweet mannerisms and wonderful way of always saying the right thing won the admiration of all. She was elected giftorian of the senior class.

DON COLEMAN is an old hand at being a class officer, for he was president of the junior class last year. He was also president of the Hi-Y and the A Cappella Choir and vice-president of the senior class, Engineers and the Inter-club Council. Unusually talented in the musical field, Don spends his leisure hours making those ivories give out.

CHARLENE McPHEETERS was elected secretary of the senior class. She was also president of Cynthians, vice-president of the senior Girl Reserves, a member of the Pan-American League, El Ateneo, Discussion Club and the A. A. U. W. girls. She was regularly on the Honor Roll and took part in the Freshman Induction and, last

but far from least, she was editor of the Paseo. Charlene's personality and sense of humor were responsible for her being so well liked during her years at Paseo.

JOYCE ELAINE PALMER is another veteran class officer, having been secretary of the junior class last year. She was a member of Cynthians, the A Cappella Choir, Girl Reserves, the Student Council, and this year she was treasurer of the senior class. Her sweet personality and temperament were the reasons for her popularity here. Joyce will attend Junior College next year.

DONALD H. TRANIN was a member of the Honor Roll each year, president of Quill and Scroll, and vice-president of the National Honor Society. Being vice-president of Keats and Hi-Y, a member of Mask and Wig, Pan-American League and El Ateneo kept him busy. He was also known as sergeant-at-arms of the senior class, captain in R. O. T. C. and editor of the Press. With all this he still pursues his favorite recreation, laughing. Don plans to go to Cornell next year.

FERN RUE was a regular member of the Highest Honor Roll, Cynthians, and the Discussion Club. She was the reporter of her senior and junior classes, secretary of the National Honor Society, vice-president of Girl Reserves, Quill and Scroll, All-City Red Cross Council (whew—this goes on forever!), president of the A. A. U. W. girls and on the Press Staff. Though it seems impossible, Fern did find time to have fun and enjoy herself thoroughly in her days at Paseo.

She will take up nursing as a career and attend Baker next year. . . . MARTHA LYNELLE WAGGENER possesses a "sweet as sugar" personality and has a smile to match. Her "favorites" were shorthand and sewing. She's going into nurse's training where she'll learn to be an Army Nurse.

"Wintertime" held sway over the Inter-society Dance.
Ambitious? No, just money-mad! Everyone works over holidays.

1944 comes in with a crash! And so do the Gorgeous Gargoyles of '44!
Senior girls drool as Comer goes by with major's diamond on his shoulder.
Casford rated in twelfth grade in math when he was a freshman, but when the math scores came back this year, he jumped down to the sixth grade. Tough!

FEBRUARY

Valentine's Day came rolling by, and the girls took advantage of leap year and the

manpower shortage. Bet Daisy Mae could learn a lot from their technique.

Bill Bowman heads new Student Council.

MARCH

Aptitude scores out—oh horrors. Well, nothing like digging ditches! Anyway the R. O. T. C. ball helped brighten the spirits—Virginia Stoner crowned queen!

That Bowman boy gets around—now he's president of the Junior Class.

We went over the top in the Red Cross Drive!

"Bad Penny" chosen as name for the ambulance plane.

APRIL

"Sprig has cub."

Many people out of school with a new disease—called "hooky."

Semi-formal Inter-society was a great success.

National Honor Society inducts a new crop of "intelligencia."

MAY

"The month of pure delight"—lots happened.

"My Sister Eileen" visited Paseo and caused quite a commotion.

Throwing pop bottles and baseball bats, and munching potato chips and hot dogs, everyone enjoyed themselves at the R. O. T. C. picnic.

Red letter day—the Paseo comes out (so it says here), and with it is a sigh of relief by all harrassed staff members.

Climax of the year—Junior-Senior Prom held at the Little Theater. A perfect ending to a perfect month.

JUNE

Although the seniors weren't around, the happy day finally came—the poor underclassmen got out. Short year, wasn't it?

Too bad we seniors won't see you all around next year, but we reckon you can "carry on."

TURN THE PAGE IF YOU'VE HEARD THIS ---

3:50—there goes the bell. And here come all the ambitious studes dashing madly from their seventh hour classes. Ho hum, life begins at 50—3:50. Around these halls doth all the gossip circulate so let's put our ears to the ground and listen in on what's cookin'!

Pausing on the first floor we find those brainy characters, Paul Morgenroth and Kenny Casford.

"What are you doing this afternoon, Kenny?"

"Well, kiddo, I'm either going to get a haircut or join a musicians' union."

After that remark, we'd better continue to travel. Oops. What was that? Oh, just Shirley Grigsby wheezing down the bannister. No, we don't know about the moron who slept all night in front of a stable and woke up the next morning a little hoarse. Ooohh! After we found out we'd rather not have known.

Making our way up the steps we come upon Pat Bales and Don Tranin gazing deeply into each other's eyes. Enough of that for now!

Everyone and their dog have congregated smack dab in the front hall, second floor. And there's—oh no, it can't be—Donna Hibbeler cleaning out her locker. We could have won the paper drive single-handed if she'd cleaned house before this.

Further on down the hall we hear the gentle voices of Albert Gerecht and Russell Mesler drifting our way.

"Now look here, Russell! If you cerebat of the prerequisite in an unmitigated rationality, then—"

"But Albert, you don't comprehend the copiousness of the configuration that I profound we adhibit, because—"

Oh well, that takes too much concentration. We didn't want to understand Einstein's theory anyhow!

Nonchalantly parking on the steps getting tomorrow's Spanish homework, we discover Lester Webb and Barbara Loren. "Yo te amo."

Now isn't that tender? Amazing to find what little friendships spring up in our language classes.

Continuing on up the stairway we peek into the foods room, from whence a masculine voice is bellowing—

"Hey, Joe, how did these eggshells get in the cake?"

"Well, the receipt said to divide the eggs so I just put one egg in one corner of the cake and one in the other corner."

Now we know why all our BEST cooks are women.

Still meandering down the hall, our next surprise is to find Mary Lou Mathews serenading no one in particular—everyone in general. Gonna join the "opry," Mary Lou?

Being a trifle hungry let's adjourn to the cafeteria to indulge in some subsistence.

Leisurely munching along, we are literally knocked for a loop by burly Bill Huffman dashing hurriedly around the corner. Where could he be rushing but to Martha Farrington's locker? "—'cuse me, but there's a fire—a wastebasket—er something—you know?"

Yes, Bill, we know!

How's about riding down in the elevator? We were always going to do that before we graduated, so here's our chance.

Now let's see, how does this thing work? Maybe we shoulda tried Shirley's way—the bannister! No, here it goes—now, to stop it. Well, here we are on the first floor. And there's the newswriting room—with all the news-hungry reporters standing around. There's Pat Piffer assembling copy for the next Squeeze—oops, I mean Press. Gathered around criticizing much, working little we find Mary Kay Van Velzer, Mary Collins, Bill Bowen, Marvin Dunn, and Lenore Eisner. No wonder we have neither quantity nor quality in our Press. (No hard feelings.)

As we leave the Press room a faint odor of

H₂S (hydrogen sulfide or rotten eggs to you) comes to meet us. Careful! Geniuses at work in the chemistry lab!

Let's cautiously peek in and see what's "in the air."

Here we find Harold Gray, Don Coleman, and George Heizman happily stirring and messing in some harmless chemicals. Boom! Did I say harmless?

Much to our amazement we find the gay boys have escaped any serious injury but are a trifle scared by the explosion. But then, we would be too, I reckon.

Further on down the hall we come upon ambitious Nancy Dille persuading some unsuspecting freshmen to buy her Latin book. H. P. S. (High Pressure Salesgirl!)—you know?

Having hit most of the high spots in the school, our trip is about at an end! One more place to go—let's end up in that cozy little cubbyhole, the Paseon office.

Here unknown to many, some of the rarest happenings in the school take place.

Perched on top of the radiator throwing out general directions to everyone is Editor Mc-Pheeters. Jeanne McIlrath and Margaret McDowell seem to be quite happy as they paste

pictures, and Mary Lou Roberson has a contented look on her face when she dabs a little of the paste on anyone within three inches of her. Just 'cause the senior write-ups are all done is no reason why you should loaf. Egad—what's that awful noise? It can't just be Shirley Nerman and Evelyn Forbes banging away on the typewriter. No, it's "Robert A." Lettas ready to tear someone's hair—it seems after he finished the names of boys in service, a few more names have come in to upset his list. Such is life, Bob! Jenny Lea McGowan and Bob Schuster are finishing up the artistic part of the annual (while Bob often casts a longing eye in the direction of the Varga calendar on the bulletin board) —very artistic indeed.

Joan Dexter has that greedy gleam in her eye as she counts the money which has poured in from the trusting student body—little do they know! What's that huddled in the corner over there? It looks like Fern Rue trying to think of something clever for a feature—it's a hopeless case, Rue; better give it up.

Since the noise is about to get us down, we'd better leave this "two by four." Anyway it was a nice trip—come back again when you can't stay so long. Who knows, we might end up on top of the flagpole!

SENIOR WILL

Much to the relief of both the faculty and underclassmen, the class of '44 is on the verge of leaving fair Paseo's halls. But before departing, the seniors would like to confer on the helpless unsuspecting junior class a few "somethings to remember them by." The seniors in general leave the first table in the cafeteria to stand around, and knowing just how long to linger in the halls between classes before dashing madly in.

Roger Yost and Mary Lou Mathews would like to hand their popularity title over to Bill Bowman and Betty DeJarnette. Bob Ahlvin gets Bill Bowen's personality, and Pat Russell gives her job of "keeping the boys happy" to Shirley Bennett. Ann Harper will take over Girl Reserve affairs and give Pat Bales a change of atmosphere. Charlene McPheeters pokes her job as "big boss" on any poor moron who will take it!—

Roger Muir and Mary Rooney hope that Pat Walden and Larry Blanton's friendship will continue. Shirley Nerman is counting on Betty Schmuck to pull the next year's seniors along the road to graduation. Virginia Graham wills her golden voiced warble to Mary Lou Evans and Mary Lou Roberson gladly offers her antics to Daisy Houston. Jack Hirsekorn gets Don Tranin's ability to edit the Press—if he wants it. Joyce Palmer leaves her sweet disposition to Louise Huffman and Larry Bratchie can have anything of Bob Henley's that he wants. Happy-go-lucky Bill Huffman makes a present of his carefree spirit to Jim Silvius. Russell Mesler leaves his "Frankie Sinatra walk" to Ewing Williams and Jack Lynn can have Paul Morgenroth's "cornability!" Gloria Harris leaves Shirley Ralls her handbook on "Getting Around," and Jo Ann Davis gets Pat Piffer's

"strawberry blonde locks" tied with a big red bow!

Mary Kay Van Velzer leaves her Ipana smile to Helen Hoare with no obligations to buy said toothpaste. Jeanne McIlrath gives her ability to get along with people to Olivene Sharts, and Sally Hawkins might be able to add to her own sweetness that of Evelyn Forbes. Jim Ross gains access to Bob Lettas' ability to work. Who's going to fill Lester Webb's place next year—let's just leave it vacant, shall we? Roberta Coldsnow inherits Virginia Stoner's looks, and Dean Lueking can have whatever Kenny Casford's got that would do him any good (which doesn't include Shirley). Harold Gray gladly leaves all the overtime he's been too busy to take to Norman Fabes. Bob Doudrick leaves that rare ol' line of his to Gene Weir, who will make good use of it. How about that swell disposition of Dave Schilling's—do you want it, Jerry Brietag?—then it's all yours for the taking.

Dorothy Dubach will carry on Zeta affairs after Nancy Hunt leaves and Martha Huff can look after the Cynthians in Donna Hibbeler's absence. Blake Bush can take over Don Coleman's prominent place in the A Cappella. Shirley Grigsby sells her place on the honor roll to Pat Sholders, and Oscar Kastner may take all of Ralph Comer's brain power that he wants. Dorothy Shields we expect to carry on the family crest proudly, and to Janet Seiter. Wanda Lee Martin gives her so-called "efficiency girl" title—Joan Dexter leaves her nurse's cap and technique to match to Marion Edwards. To Jeannine Kahn, Virginia Woodburn leaves her sophisticated line—if she'll have it.

Well, we saw our duty, and we did it. So, we'll be seein' you!
