

Dedication

In this annual of 1946 are stored a year's activities and memories in pictures and in words. As we record these well-known facts for another Paseo year we cannot but wonder and dream about the twenty years which lie behind us and the thousands of girls and boys who have experienced perhaps the same life of basketball and football games, Friday night club meetings, marching R.O.T.C. soldiers, half-hour assemblies, home room problems and memorable senior plays, dances, and graduations. This life was ours of '46 and so it was of '26, although each year has made its contributions to that spirit which lives in the heart of our school.

Paseo has lived through a war, holding fast to its traditions and inventing new ones for those that follow. She has suffered the loss of many of her boys in four years of war, moving into the changing world with fortitude and courage.

To those who have gone before us during Paseo's twenty years—years of building and modeling, of uncertainty and risk, of experiment and discovery, of trial and error, all of which have helped to make Paseo the school it is today, we dedicate these pages.

-THE STAFF OF '46

"On her hill Paseo towers . . ."

I am happy to congratulate you on the many excellent achievements of the year. Success has come to us because of your loyalty, your enthusiasm, and your willingness to work. To all I express my grateful appreciation.

Sincerely yours,

My association with the proud and enthusiastic boys and girls of the Paseo student body makes the duties of a vice-principal a pleasure.

Sincerely,

MISS MARIE FRIEND

MISS EDNA GREENE

In Memoriam

The wise die and leave their wealth to others; their inward thoughts shall continue forever.

FOR GOD FOR COUNTRY

And into the battle they all went together, And he was among them.

Some were first and some were last.

And he was between them—for he knew that the test was great, and that so many depended upon his score.

Some were timid and cowering; and some flaunted their courage.

But he neither cowered nor flaunted.

For he marched with the steady step born of a great and brave people.

And then—he was lost in the confusion where lives are but pawns in the one great game.

And the blackness was only pierced by the sudden flashing brilliancies of fires born of hell, and the agonized screams of dying men.

He stumbled, then fell, and the past seemed so dim and the future that would have been his was so fast slipping away—and he lay still.

And the stream of men and their battle swiftly passed him, and he was but a memory.

Many years later the brilliant morning sun shone down upon a green and fertile land. The soft breeze rustled the lilacs and the little brook sent murmuring melodies through the cool woods.

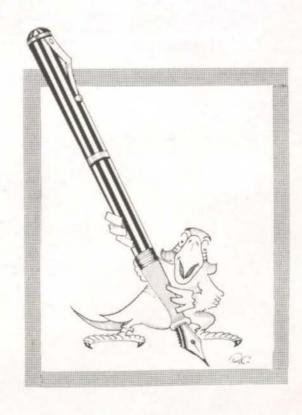

And in the winter the snow covered all with its dazzling, silent beauty.

And this was his and all earth and heaven resounded to his greatness.

For his name was Jones, Goldstein and Kelley and his spirit was America!

Student Council

Our Governing Body

With Phil O'Leary at the helm of our governing body, the Student Council was very successful in bettering the progress of our school. Keeping the cafeteria tables, and the area around the school clean were only a few of the council's projects.

and junior boys gave part of their study periods to supervise and correct traffic in and around the school. They were also called upon to help during Open House.

Each member of the squad signed a formal oath stating his loyalty to the squad. Without the fine service of these boys, the help shortage in the cafeteria could not have been alleviated and they deserve special commendation.

After much hard labor and tearing of hair -here's the Paseonl Editor Kaplan with Miner and Laue have been the executives with feet on desk as usual. Scurrying to do their bidding are the "yes men" of the seniors, Woodbury and Ogg. For any complaints of features and layouts go to Bigus and Goodfarb, respectively. They won't listen! Harold Einhorn, our business manager, counted all the money for the annuals you now hold endearingly in your hands. Is your organization represented in the right? Thank Larry Stein for that. Or can't you find your football man or basketball cutie? Ask Kupper or O'Leary where they put him, if they know! For those homerooms and that personal index, take a bow Shirley McElligott and Pat Maret. Whoever wants Louise Jacobs' worn-out typewriter, you're welcome to it.

So that's about it, we really slaved, so we hope you like it.

A hard job well done. Yes, that's what we can say about this group of newswriters who produced the Paseo Press every two weeks. Supervised by Miss Baity, in the absence of Miss Crissman, the staff chose as its editor Rose Marie Rutledge. Collecting news, writing it up, editing it, planning the layout, checking copy, getting ads, keeping books, working jointly with Mr. Barret in the printing, and finally distributing it to the 1,780 subscribers, all proved to be a man-sized job for these green journalists and their teacher who had previously had no experience in such an undertaking.

Editor Rutledge won a \$25 war bond for writing the best story, of any of the city high school writers, on her interview with the actors and actresses of "Abilene Town" when they appeared in this city.

The best stories of all types to appear on the pages during the year were sent to Missouri University for judging in the state contest. Two special editions were published. One was the enrollment issue and the last being the award issue.

Hi-y

In striving to achieve their three goals set at the beginning of the school year, the boys of the Hi-Y club had fun in doing their work. Their three goals were: To join the national organization and receive their charter, to sponsor and nurse the Freshman Hi-Y into healthy success, and to make an outstanding contribution to Hi-Y world service. With the realization of these goals the boys are confident that their club will maintain its position as the leader of Hi-Y clubs the city over.

The Paseo Safety Council Club, which is affiliated with the National Safety Council in Chicago, was directed under the able leadership of David Campbell, president; Joan Lemon, vice-president; Audery Bernstein, secretary; Donna Woolridge, treasurer; Charles Kahn, sergeant at arms; Don Jones, business manager; Malcolm Litman, technician; and Mr. O. H. Lovejoy, advisor.

With the high purpose of living wisely in

the school, street, and home, the group sought to stress its importance on the other Paseo students by the Safety Council assembly, noted speakers, general lessons, cautions, and directions, plus various activities.

The general topic was the prevention of many accidents resulting from carelessness. Special attention was given the usage and care of the automobile.

Filing, calling students to the office, checking the attendance, and other general work were the duties of the office and Miss Norris' assistants.

These girls, selected from the commercial department by their ability, citizenship, and intelligence, gained valuable practice under the supervision of Miss Adams, Mrs. Christine, and Miss Norris.

THE STAGECRAFT CLASS

"Turn on those lights, let down that curtain, fasten this, run down to B3 to get those steps and trees, get up the music shell," etc.—all are familiar remarks heard in the stagecraft class. Getting furniture, sets, and lights ready for assemblies, plays, and programs in the auditorium, helping to run the moving pictures machine and many other things around school are duties of this class.

Standing out in the long list of activities of this club, made up of members chosen from the Spanish classes, was the annual Christmas party held at Guadalupe Center in the Mexican district and the annual Pan American Banquet held this year at the Continental Hotel. Many prominent guests, both of the U. S. and of Latin American countries watched as Gloria Horn was crowned queen of the banquet while her attendants, Norma Courtney and Datha Robinson flanked her. Speeches, a Spanish play, and a Mexican

mariachi completed a great evening for the 175 that attended.

A Capella

The A Cappella Choir under the able direction of Miss Marguarite Zimmerman has again this year earned high praise from many sources, for their outstanding work at outside engagements as well as at school. They sang at various churches throughout the city, at the Art Gallery, and participated in a musical festival in May. Their music for the Easter and Christmas assemblies was very impressive.

Their final contribution to top another successful year was the music for graduation.

The officers chosen to guide the choir through the year were: Leon Flappan, president; Sally Purtzer, vice-president; Cleone O'Dell and Marian Sorg, secretaries; Gloria Edison, Jean Boyd, Joan Elberg, Wardrobe girls. Lee Rue and Marian Sorg did a splendid job as accompanists.

Orchestra

The orchestra and band of the red, gold, and black, under the able direction of Mr. Beeman will long be remembered for the outstanding tunes they sent floating out through the air shafts brightening the grudge of the higher mathematics or lower R.O.T.C. maneuvers.

The orchestra performed before neighboring grade schools, open House, Home and School night, City Orchestra Festival, and the Spring Concert. Playing a part of importance in the group is the String Quartet whose members consist of Jack Herriman, first violin; Charles Gatschet, second violin; Roger Abington, viola; and Joyce Cowling, violoncello.

Mr. Beeman has put into action this year a new idea of a solo and ensemble festival which he intends to make an annual event. This year's contest winners were: Carolyn Moore, violin; Jack Herriman, violin; Leona Peltzman, piano; John Jordan, tenor saxophone; Jim Curtis, snare drum; Evan Hammett, alto saxophone; Eldan Smith, alto saxophone; Richard Selley, clarinet; Henry Dewey, clarinet; Harold Friedman, basoon; Diane Vigdor, piano; Ejner Peterson, snare drum.

Football, basketball, civic parades, fall and spring concerts were just a few of the band's many activities this year.

The goal has been reached after a campaign of a year and a half and now there is enough money in the treasury for 60 new uniforms for the marching band. So when next you see Paseo's band on the field, the spirit will be higher as they march in their new adornment.

Freshman

Induction

"On her hill, Paseo towers, fair and strong and high—." A slow humming of the Alma Mater by the Verse Speaking choir begins the impressive ceremony to present Paseo to incoming freshmen.

As the bugle announces their entrance, the figures of Gold, Silver, Red, and Blue step upon the threshold of Paseo's door to proclaim for all freshmen the standards of richness, sincerity, courage, and loyalty. The activities of Paseo are beautifully illustrated in tableaux and the spirit of youth dances as a climax to the induction. Having seen a picture of their school, the freshman boy and girl now fully understand the meaning of "Remember Who You Are." The Senior boy and girl look on with pride for their young friends as the inspiring Alma Mater is sung in unison.

Those having speaking parts were, Mary Miner, Martha Laue, Jerry Kaplan, Bud Kellmer, Dick White, Joan Baker, Lester Cunningham, and Shirlee Bagdanoff. Joanne Buglewicz was the dancer. Much credit is to be given to Miss Mary Agnes Swinney and her committee who worked relentlessly so that this, the last induction for five years, be of lasting inspiration.

English Assembly

An audience was literally sitting on the edges of their seats waiting anxiously for the results of the famous poetry contest which climaxed this year's English Assembly. Shakespeare was present this year to shape together the never-dying works of English literature of which he is master through song and poem. Multicolored Shakespearean costumes were worn by the three contestants of the poetry contest, Harriet Bigus, Emily Cassidy and Mary Miner.

A satirical play, "City Frolic" lent a delightful air to the program. Shirley Zito and Johnny Larberg portraying vivacious youth were but two of many students of Senior literature who were members of the cast.

Prizes were awarded to Howard Naster for the best comic portrayal, Joan Elberg, winner of the song contest and the poetry loving cup was given to Mary Miner.

"Fighting all the way" is a good way to sum up the Pirates' football season. Coach Mount E. Davis, aided by six returning lettermen, moulded a scrappy eleven that placed

fifth in league play.

In the first game of the season the Bucs met Rockhurst, the undefeated Catholic league champions. The Hawklets proved rough and ready and set the Pirates back

with a 14-6 defeat. The Bucs licked their wounds, and settled down to rugged scrimmage in preparation for their league opener with Central. The Pirates had gained experience in the Hawklet game, and gave the Central boys plenty of trouble until the Eagles took to the air. The Pirate pass defense was weak and the Kingbirds scored three times for a 21-6 triumph.

Scoring in the last thirty seconds, Paseo was able to tie the East Bears in a hard fought game. The score came on a pass from Izard to Phillips. Line-men, Dallam, Stockley and Zimmerman play a good de-

fensive game for the Pirates.

Paseo's hopes rose with the defeat of Manual for our first victory of the year. Our boys scored 25 points and held the Redbirds scoreless. A 25-0 victory over the Westport Tigers followed the next week. In this game the Bengals were definitely outclassed and the Pirates controlled the play for most of

An inspired Pirate crew invaded Viking territory with the hope of downing the highly touted league leaders. The Bucs outclassed their more experienced rival the entire first half, but the Vikings, playing the kind of game that made them Interscholastic league champions, rallied and scored three touchdowns in the last half, ending the Bucs hardest fought game 22-7.

The Southwest Indians sporting the lightest team in their school history out-sparked our Bucks to the tune of 19-6. Phil Klein and, Chaney Klose shone for the Redskins while Jim Flanagan was the only Buc to hit the Indian end-zone.

The Bucs met the Southeast Knights for

their last game of the season. In the first half the Southeast Gridsters rolled over the Bucs 20-0, but the tables turned in the last half and the Pirates hit pay dirt twice. Klein, Kennard, Izard, and Phillips sparked the Bucs in this game, but even so the final game found Southeast ahead 27-13.

John Stockley, 140-pound Pirate guard, earned a position on the first team all-stars. Bob Phillips, lanky Buc end, achieved a second team all-star berth. Larry Dallam, Bob Zimmerman and George Kennard won honorable mention for their fine play.

The players winning a first team football letter were: Leonard Caskey, Ed Cleary, Larry Dallam, Nunzio De Marea, Jim Flanagan, Leon Flappan, Nierman Gregory, Ernie Holzapfel, Bob Izard, Jim Johnson, George Kennard, Bob Klein, Horace Lansdon, Neil Meltzer, John Miller, Dick Mossie, Bob Phillips, Bill Schmuck, Jim Shay, Don Smith, Jerry Strader, John Stockley, Darwin Sum-mers, Jack West, and Bob Zimmerman.

Managers for this year's team were Al Thalman and Jerry Hill.

Carrying the Pigskin

WITH THE SECOND TEAM

Coached by Pat Bradshaw, the Paseo Buclets were led through a fine football season, winning five, tieing one, and losing only two games. The power of the Bucs' offensive was great and it is better shown in comparative scores of its own team, 265, and our opponents 87.

Sparking this unusually large team of 31 players were four boys, Bill Creavy, Tom Cook, Al Berger, and Dale Thorpe, whose pass plays and long runs thrilled everyone.

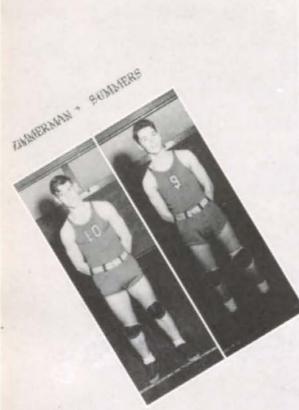

Bill Creavy, who captained the Corsair Reserves had a punting average of 36 yards and 65 per cent of his passes were completed, while Tom Cook was high point man with 90 points.

The Corsair machine was taken by the Southeast reserves, 7 to 20, but this only angered them and on a rampage they went. The first victim was the Central Eaglets, 31 to 0, who just couldn't click and were literally overrun in this one-sided fracas. Another victory was chalked up when East was whipped, 46 to 7, and the

Manual Crimson Seconds being outclassed from the start, were trounced to the tune of 54 to 0. Then came confident Rockhurst who fell before an onslaught of Paseo power, 51 to 0.

A thriller of a game was with the reserves of Westport who were eked out by an 18 to 14 score. A 97-yard run by Westport sparked this game, but failed to bring triumph for the Tigers. In the next encounter the Northeast Vikings were fought to a 12-all deadlock, and in the Southwest game the Bucs were stopped dead, 26 to 12, ending the grid season for Paseo in third place in second team league play.

Besides playing their regular league games the reserves kept the first team boys in the best of trim and always on their toes by practice scrimmage together. This is next year's team in the making, and it'll be a well-balanced one at that, shown by the fine record made this year and the hard work and high spirit which made the team the fine one it is.

"One of the finest teams I have ever coached, is the high praise paid by Mentor Bob Armour to Paseo's basketball squad, and a deserving tribute it is, for the Pirate quintet finished a very successful season, winning 9 games out of 12 starts, placing third behind co-champions Southwest and Northeast.

Great tidings were brought on Paseo by Bob Phillips, who not only captained our team and the 1946 All-Star five, but who broke the Interscholastic League scoring record with 107 tallies. Also outstanding were Johnny Miller, who gained a berth on the 2nd team All-Stars and Bob Zimmerman who received honorable mention.

Opening the court season was a non-league tilt with Olathe, Paseo emerging victorious, 38-18, and a sparkling zone defense was immediately noticed in this first encounter. The defeat for the Catholic League Champions of Lillis was next on the list for the Pirates, who took the Irish for a 29-20 ride.

A one-sided victory over Glennon was an easy matter for the bucking Buccaneers who felled this five 45-19 and went on to outclass our old rivals of Rockhurst. The scoring power of the Paseo crew could not be stopped and the Hawklets were felled, 40-18.

Overconfidence caused a heart-breaker with the Southeast Knights in the league opener. The 27-26 defeat came as a surprise to everyone as the Pirates were highly favored to win and in the next game we were again dealt a fatal blow by the lofty Ward Cyclones who felled the Corsairs in the closing seconds of the tilt, 31-29. Paseo came to life, though, the next week and provided the only blot on the season record of the Southwest Indians, when victory was chalked up to the tune of 34-31.

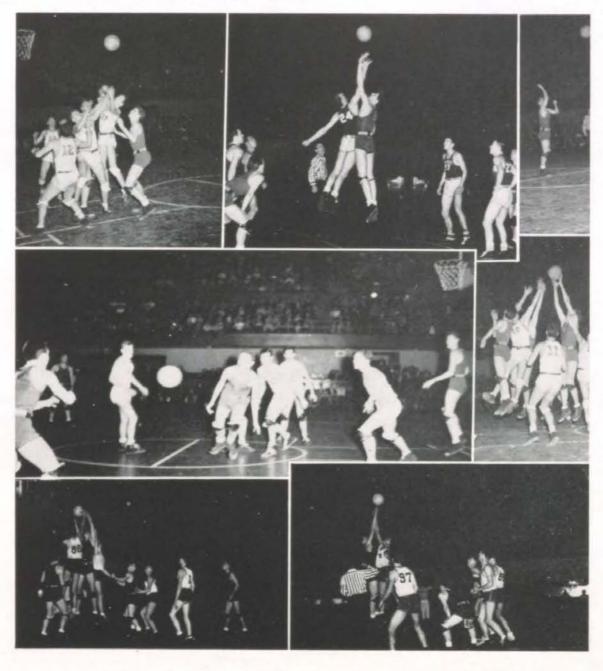

Manual, a contender for the crown, lell next to our Armourmen, 41-38, but not before putting up a stiff battle all the way. The fate of the cellar-holders, East, was never in doubt and the Bears were completely overwhelmed, 45-18. Still rolling strong the Pirate crew next met the Central Eagles and brought them to their knees like all the rest, 41-30.

Once again Paseo had hard luck when they encountered Northeast, the defending title-holders. A great court game was witnessed by fans who saw two evenly matched teams battle back an forth, but a one-point deficit again lost us this game, 41-40. In the final tilt, the season was ended in a winning way when the Corsairs defeated Westport easily, 42-19.

Those always talked about "flunkies," or managers, who do a lot of work they don't get credit for were Harry Eastham and Jim Shay, who did a grand job this year.

Bottom Row: John Miller, Duane Nelson, Darwin Summers, Bob Zimmerman, Charles Lancaster, Dale Thorp, Coach Armour. Second Row: Barton Hoglund, George Kennard, Charles Willingham, Jim Johnson, Larry Dallam, Leon Flappan. Third Row: Jim Shay, Bob Phillips, Fred McClure, Leonard Caskey, Harry Eastham.

Second Jeam Dribblers DOWN THE COURT

Paseo's second team basketball squad played eleven games this year, winning seven and losing four.

Coach Davis' boys won all four of their non-league tilts, defeating Olathe, Glennon, Ward, and Rockhurst, in that order.

Meeting Southeast in their first league game, Paseo set the Knights' reserves down with a 35-29 defeat. Dick Ward and Maurice Johnson paced the Buclet attack.

Southwest, using first team reserves, downed the Buclets, 23-19, for the team's first loss. Ray Koenig was high point man in this game.

The Buclets went all out to beat the Manual reserves, 26-23. Maurice Johnson sparked his team in a brilliant fourth quarter rally. Manual, with a 6-ft. 6-in. center and a 4-ft. 10-in. guard was quite a team.

East was conquered in a thrilling game that finally ended, 28-20, with Bucs ahead. Trailing at the end of the third quarter,

Johnson and Owen Dahlor poured in buckets to cinch the game.

Two fast goals in the closing seconds of a hotly contested hardwood game, cost the Pirate seconds their second league loss, this time to the Central Eaglets. Ward and Johnson were high for Paseo, with 8 points each.

Northeast took a close battle from the Bucs, and Westport's Cubs nosed out our reserves in an overtime battle to complete the season.

George Satterlee, Dick Ward, Maurice Johnson, Bill Schmuck and Ray Koenig composed the usual starting five for the Buclets.

The other seven letter winners were: Bob Arnold, Dick Cummings, Owen Dahlor, Dave Schmidt, Bob Sloan, Leslie Snodgrass, and Jack Waller. George Satterlee was elected honorary captain.

Martin Davis and John Hughes served as second team managers.

Bottom Row: Bill Schmuck, Maurice Johnson, Bob Sloan, George Satterlee, Jack Lilla, Ray Koenig. Second Row: Bob Norris, Dick Cummings, Bob Arnold, Leslie Snodgrass, Herb Knapp, Dave Schmidt. Third Row: Martin Davis, Owen Dahlor, John Rutledge, Jack Waller, Dick Ward, John Hughes.

Track Jeam

Bob Nilson, Coach Bradshaw, Jess Harrison.

As the 1946 Paseon is going to press, Coach Bradshaw's cindermen, with six veteran lettermen comprising the backbone of the squad, have gotten into full swing in the track season.

Starting off the cinder season was the annual Interclass track and field meet in which the Senior class triumphed easily with 54.8 points to the Juniors 24.5 and the Sophomore's and Freshmen's, 18.75 and .75, respectively. Many boys were outstanding

PACING THE CINDERS

besides lettermen Bob Phillips, Jesse Harrison, Duane Nelson, Bill Schmuck and Bob Zimmerman, who could not compete in the event which they lettered in.

The Bucs met the Northeast Vikings in the first league dual. Paseo was strong in field events with Phillips and Bob Nilson outstanding, but were weak in the running events and lost to the Vikings. East and Southeast both dominated over the Corsair crew in the next two encounters again taking advantage of Buc sprint and run weaknesses.

For the first time in many years the Pirates were host to Liberty and Excelsior Springs in a Tri-meet, which Paseo literally ran away with. Since only four meets have been held this year, it is still hard to predict what is in store for Paseo in the city and state meets, but Buc chances are brightened by the high spirit that is always ours.

Bottom Row: Al Berger, Lee Flappan, Owen Dahlor, Jess Harrison, Bob Nilson, Bob Phillips, Bob Zimmerman, Duane Nelson, Chuck Lancaster, Johnny Miller. Second Row: Don Jones, Dale Thorpe, Gene Farber, George Satterlee, Dick Ward, Nierman Gregory, Ortho King, E. C. Leslie, Jack Botteron, Ray Koenig, Bill Schmuck. Coached by Pat Bradshaw and sparked by the Pirate star swimmer, Don Byers, Paseo placed second behind the Southwest Indians in the Interscholastic tank meet. Even though the Bucs lost their tank crown to the Tepee Men by 3 points, due recognition was gained by the Corsair fishmen by the new records made.

Byers, besides setting a new all-city time in the 100-yd. free style, broke the K.C.A.C. pool record in the 50-yd. free style. Lanky Herb Martin also clipped the tank record in the 100-yd. back stroke by 2.1 seconds.

Opening their dual season, the Pirate tankmen outswam the Manual team, 45-12, capturing six out of seven firsts. The next two meets proved disastrous when the Bucs first invaded the Northeast pool and were turned back 35-22. The encounter with Southwest was closely contested but Paseo was scalped 30-27.

In return clashes with Manual and Northeast, the Corsair crew downed the Crimsons easily, 38-19, but were again scuttled at the hands of the Vikings, 32-25, to end a season of two wins and four losses.

The lettermen and their point totals are: Don Byers, 553/4; Kenny Grim, 41; Herb Martin, 341/2; Martin Fox, 282/3; Karl Davenport, 13; Jerry Epstein, 123/4; Jack Fingerish, 91/3; Neil Meltzer, 83/4; Fred Hicken, 8; Don Ebbert, 7; Gerald Hodgins, 13/4. Manager for the team was Chuck Owens.

TENNIS

One of the best teams in recent years represented Paseo in the Interscholastic Tennis Tournament.

Four players from the six-man team reached the semi-finals, Jack Fingersh, Bernard Huhn, Joe Proctor and Jerry Kaplan received tennis letters as the result of winning.

Dick Lapides and Phil O'Leary, doubles team, lost a heartbreaker to the city doubles champions and did not win letters.

Joe Proctor and Phil O'Leary were elected co-captains of the team.

CHEERLEADERS

For the first time since 1942, Paseo had girl cheerleaders besides its usual three boys to help spur the teams on to victory.

Headed by veteran Phil O'Leary, the cheerleaders introduced new yells which were taken up readily by students. Besides leading cheers at games, they introduced and led yells at new pep assemblies which were held every week before each contest.

No high school girl's day is quite complete without an hour of gym. That enthusiasm, that get-up-and-go feeling, that straight, wet hair that was curly, those skinned knees, and forgetting your clean gym suit every week was all a part of the hour of gym that I struggled through.

Starting the year out with a bang or should I say bangs—remembering all those black and blue marks from hockey sticks which fairly ruined my gym career, we played that "dead eye" game of hockey. The he-man game of basketball came along next. Say—I'll never forget that one basket I made, that one handed push—oh, brother. Finally when my basketball plays did get perfected our teacher decided it was high time we started a different sport—volley ball that is. Volley ball—you know, that's the game in which two teams bat the ball across the net to each other-no future? That's what I thought too! Then badminton arrived and that was the sport for the next few weeks. Spring has sprung, well not quite, but anyway it was time for us to go out and try our luck at baseball. (Our teacher called it softball but I don't suppose she ever got hit with one—anyway, after that little knot on my head appeared I called it hardball.) Our final sport of the year was tennis.

That's not all we did in that gym class. We also went swimming and had classroom discussions once a week and something new was added this year, modern dance, that's what they called it at least. Here I was all excited; maybe finally I would learn how to "dance on a penny" instead of my usual style, only to find out that it was "leap, run, run;"—say it was a lot of fun, but I'll never

forget my disappointment.

We also had an after school program which included hockey, basketball, volleyball, and baseball. The girls that stayed for these activities were chosen to be on the playday teams. After hundreds of splashes Betty Barker, Martha Stout, Betty Peterson, Ruth Butler, Dorothy Ross, Rose Lee Miller, Ruth Livinson, Virginia Jeter, Pat Daniels and Patty Young passed the Red Cross Life Saving Test. We had a new addition to our regular after school swimming activities this year. Miss Bradley directed a class in precision swimming. Precision swimming-you know that's all the pretty designs that the swimmers in the movies make on the water.

That's not all the things we did in gym as I remember: those swimming suits we sewed up and the many times we tried to get into the swimming pool chewing gum, but no kidding, Miss Bradley, Miss Mitchell, and Miss Klemp, we really did love it all and we wouldn't trade the memories of that hour of gym for anything else.

Reserve Officers Training Corps

FORWARD MARCH....

The Paseo Battalion this year was at different times under the jurisdiction of two sergeant instructors, a situation never before witnessed at Paseo. Breaking in the unit, the cadets were fortunate in having Staff Sgt. Charles Hebert, a veteran of the European theater of war and winner of six ribbons. While the cadets were undergoing expert training by Sgt. Hebert, he received discharge papers and was replaced by Technical Sgt. Enmon Dorsey. Also a veteran of the war in Europe and the holder of various ribbons and medals, Sgt. Dorsey took over with his nine years of army instruction and training backing him up.

Last year, under the guidance of Sgt. Robert Davidson, the battalion placed first in the City Federal Inspection and third in Field Day, a splendid record to look up to and keep. Though this was the first peace year after World War II, R.O.T.C. training was not mitigated. Officers were selected on the qualifications of leadership, proficiency, and discipline; enrollment was up to last year's enthusiastic quota.

The Kansas City regiment as a whole undertook many changes also. Captain Clarence V. Herndon replaced Col. C. Bondy as Professor of Military Science and Tactics for the Kansas City R.O.T.C. units bringing in to wide and extensive use restricted armed forces films for instructionary purposes.

The Twenty-First Regimental R.O.T.C. Circus, which had been discontinued for five years, was presented April 12 at the Municipal Auditorium. Paseo marched first in the parade, took part in retreat, and was featured with exact precision in silent drill and manual of arms.

The results of the Regimental Colonel's test announced February 1st placed Lt. Colonel Stanford Katz who ranked third, adjutant on the Regimental Staff. Assuming his position on that date, also as the Paseo battalion commander, was Major Frederick Gibson. His battalion staff included Major George Edwards, executive officer; Captain Robert Wolf, adjutant; Cap-

tain Raleigh Fleming, Plans and Training officer; Lt. Ted Gastman, Supply; Lt. Jerry Feldman, Intelligence; and Staff Sergeant Paul Fritts, Sgt. Major in charge of daily schedules and records.

On March 1st the annual Military Ball echoed through the Paseo halls with an enjoying success. Mr. and Mrs. J. C. Bond, Mr. L. C. Cannon, Paseo faculty and high ranking officers from other schools were special quests. The Grand March preceded the crowning of Miss Norma Jones as queen of the 1946 R.O.T.C. ball. Miss Audrev Bernstein and Miss Judy Leslie were the queen's attendants as selected by a vote of the cadets of the school. During intermission, the Swem Saber, awarded to the best second Lt. of the year, was presented to Lt. Lee Hutchison of Company C. The finale of the evening was the presentation of the Tabolsky Memorial Cup to PFC, James Mohrbacher of Company A as the best First vear cadet holding the rank of private first class.

The Sabers and Stripes was organized under Captain Leon Kupper, president, for officers and senior non-commissioned officers. All R.O.T.C. activities were supervised by this unit and its following officers: Vice-President, John Edsell; secretary-treasurer, George Edwards; representative to city officers club, Fred Gibson.

This year's rifle team was inexperienced in that most of its members were new material. The team, nevertheless, gained excellent practice and learned new and improved methods for rifle marksmanship through its new instructor. This factor predicts a fine squad for next year.

Captain William Lacy was commanding officer of "A" company with 1st Lt. Bruce Wimer as second-in-command. 2nd Lts. William Heitzman and Howard Nastor were platoon leaders and James Mohrbacher, First Sqt.

Company "B" was commanded by Captain Leon Kupper assisted by 1st Lt. John Edsell. 2nd Lts. Ray Gill and Jerry Strader commanded platoons and records were kept by First Sqt. John Krisko.

Commanding officer of "C" company was Captain Richard Scritchfield. 1st Lt. Jerry Connolly was second-in-command, and platoon leaders were 2nd Lts. Lee Hutchison and Richard Lapides. Gene Burgess held the position of First Sgt.

MISS NORRIS

Since Miss Ruth Norris, counselor, has been at Paseo her genuine friendliness has reached the heart of many a student. She has gloried in her work with students for quite a few years being a former counselor at Northeast Jr. and Examiner for Psychological Clinic for school children previous to her position as counselor at Paseo. She finds it most interesting to guide students in their choice of careers and hopes to spend many more years doing so. The students of Paseo are indeed privileged to have such a fine counselor and friend as Miss Norris.

CLASS OF '49

Early last Fall 450 Freshmen trudged up those long, steep steps for their first Freshman days at Paseo. This group of "eager beavers" swung into activities with Henry Wurst, Bill Fessler, Dophene Suggs, and Eunice Miller on the Freshman Mixer committee.

They were represented in Hi-Y, Girl Reserves, El Ateneo, and other organizations. The Freshman Girl Reserve Triangle held their Charm School and elected the following officers: President, Phoebe Ann Wolfe; vice-president, Sadako Matsushita; secretary, Patty Spensley; devotional, June Johnson; social, Edwina Shock; membership, Norma Branham; service, Barbara Haskin; publicity, Norma Beaver; song leader, Ida Miller.

The Freshman homerooms were represented on the Student Council and the members of the executive board the first semester were Charles Garney and Betty Cave and the second semester Henry Wurst and Mary Alice Henel.

The Freshmen were welcomed to Paseo by the annual Freshman Induction with Shirlee Bogdanoff and Lester Cunningham as Freshman Girl and Boy. Liza Gruen was the single proud Freshman who achieved the Highest Honor Roll. The winner of the Freshman Poetry Reading Contest was Donna Tranin.

So as the year ends the Senior Class wishes you luck in the rest of your years at Paseo and we have confidence that you will carry on the traditions of Paseo.

CLASS OF '48

When it comes to ambition we can't forget the Sophomores as they begin another year at Paseo. Already familiar with many of the organizations they joined the chartered clubs, R.O.T.C., and basketball and football teams.

The Highest Honor Roll claimed many Sophomores; Marjean Phillips, Sally Richardson, Esther Schaefer, Joan Schindler, Virginia Taylor, Elizabeth Wolfe, Pat Wondraska, Donna Woolridge, and Janice Zitron. But where are the boys? The lucky girls whom the A.A.U.W. chose to sponsor were Ann Eylar, Marjean Phillips, Sally Richardson, and Donna Woolridge.

The Sophomore Class was represented on the Executive Board of the Student Council by Eldon Smith and Virginia Ross the first semester and by Raymond Gould and Elaine Lewis the second semester.

The Sophomore Triangle of Girl Reserves did their part in upholding the three corners of the Girl Reserve Triangle under the leadership of the president, Sally Richardson; vice-president, Jacqueline Jacobson; secretary, Dotty Shepp; treasurer, Barbara Filson; social, Marilyn Treadway; membership, Barbara Davis; service, Evelyn Brunn; devotional Elizabeth Wolfe; song leader, Marjorie Phillips; pianist, Nancy Niemeyer.

Louise Warner, Ernest Leslie, Dave Schmidt, Bill Schmuck, Dale Thorp, John Wurst, Katie Keller.

Junior Officers

Bill Schmuck—The president of his Junior Class, Bill has many other accomplishments to his credit. He fought for the black, gold, and red on the football field, and played on the second basketball team. He was vice-president of Keats, a member of El Ateneo, and served on the Traffic Squad and Student Council.

Louise Warner—Louise's sweet, swell, happy personality, and popularity will help her go even further next year. She was Inter-Club Council representative of Cynthians, on the Mixer Committee, Student Council, and the junior continuity officer on the All-City Student Council the first semester. She was gift-receiver of class.

Katie Keller—This cute redhead seems to be well on the road to setting the world on fire. She represented Zetas on the Inter-Club Council, was a Junior Triangle officer of Girl Reserves, and helped make the mixers a success while on the Mixer Committee. She was elected vice-president of the Junior Class.

Ernest Leslie—The Leslie's seem to make a tamily affair of cheerleading, for E. C. led cheers at the games, too. He was sergeant-at-

arms of Engineers, a member of the Traffic Squad, Mixer Committee, and is in Discussion Club and Hi-Y. He also lettered in Track and was secretary of the Junior Class.

Dale Thorpe—Dale is another athlete, having played on the first basketball team and second football team. He seems to live a well-rounded life for he has many other activities. He was on the Student Council, Traffic Squad, secretary of Juntos, treasurer of the Junior Class, and particularly likes red hair.

John Wurst—Buddy has been entrusted with the job of sergeant-at-arms by his class-mates. He is interested in sports, and plays on a baseball team. He was treasurer of Engineers, on the Mixer Committee, Traffic Squad, and in Discussion Club. This last semester he served as junior continuity officer on the All-City Student Council.

Dave Schmidt—Dave's main interest is sports, as he was on the second teams in football and basketball. He is a member of Juntos, and Hi-Y, was on the Traffic Squad and Student Council. He was also reporter of the Junior Class. Any spare time he spent singing—usually "You Are My Sunshine," his favorite.

SENIORS

As Percy Saw It?

Pirate Pete settled down in his special rubber easy chair, complete with dehydrated fire place, and plastic foot stool strictly ala 1976 and began to tell his grandchildren about "Cinderella and the Seven Wolves" but alas—a rumble of continuous snores ended the story. So his friend Percy the Parrot began to tell them a much better story about his latest adventure(?).

"Last year as I started on my adventure who should I see but Phil O'Leary campaigning for his fifth term in the White House. That O'Leary's never satisfied! Leaving the capitol, we rocketed to Radio City, and there in studio QQQ was that well known couple of stage, screen, radio, and atomvision, Kaplan and Bigus. They had just replaced those amateurs Burns and Allen. What a show! After that, it was no surprise to me to find John Larberg and Martha Woodbury, chief custodian and station caller, respectively, at the Atom Rocket Station in the Empire State Building. Stopping at Madison Round Gardens to see the annual national spitball play-offs, there was coach J. "Killer" Miller with his starting three from Vassar, opposing Coach "Skyscraper" Phillips' team from Stephens. Vassar's team was Georgia Kennard, Captain, Nancy Major II, and "Muscles" Barker. Evana Hammett, Patty Maret, and All-Star Sally Purtzer, I, represented Stephens. Straining to hear the announcer, I recognized the voice of Shirley Zito.

After a good night's sleep I rocketed to P. I. T.—that's Priest Institute of Technology, in case you're interested. Among the deans I saw were none other than Prof. "Moose" Lansdon, dean of the Department of Mathematics and Ditchology, and Prof. "Boots" Van Velzer, dean of Chemistry, Laffology and Voice Control. Dean Priest sold us a bushel of cracked atoms before we left for the midwest.

At Fort Leavenworth we sam Stan Katz happier than ever. Guess what? He just received his Pfc. stripe. Then we went to number seven and eleven Nursery Nook and saw Mike and Dewey and Ruthie and Bob. Their next door neighbor, Harold Einhorn, had just given them baby bulldogs. Visiting the Women's Club I saw Don Smith crawling in the back window as Nancy Lucas, gray hair and all, was going out of the front door.

Down in Oklahoma's oil fields I saw America's famous business typhoons, Phil Johnson and Larry McPherron. They just hit another gusher. Riding cattle down in the Southwest, the deep Southwest, that is, we saw "Six-gun" Kupper and "Shot-gun" Cannon. Picking cowboys in a nearby state were those joyful Joes—Ogg, Emert, Cunningham, Winn, Buglewicz, and Epstein, by name. In Hollywood, Pete took me to Wimer and White productions. Starring in "The Lost Leap Year" were Judy Leslie, Bob Wolfe, Chuck Lancaster, and academy award winner, Mary the Miner. By the way—Pete sure got a good shave at Luther's Beauty Saloon. My! but that guy looked familiar. Then suddenly from out of nowhere it hit me, me that is, a sign, three stories high reading, "Dallam's back and you can have him, Signed, Margie."

Gazing in a pool hall in Frisco I saw—oh, oh, your grandpappy Pete is waking—Oh, hello—Petel

SENIOR OFFICERS

LARRY DALLAM—Larry's record proves him to be an all-around fellow. He was president of the Senior Class, secretary of Keats, a Student Council representative, in El Ateneo, and a Traffic Squad lieutenant. "Tillie's" hobbies are sports and loafing, but he didn't have time for much loafing while earning his honorable mention on the all-star football team and place on the basketball team. J. C. next.

MARY ELLEN MINER—Her work as president of Girl Reserves, Quill and Scroll, and the Discussion Club, treasurer of the Student Council and Cynthians, member of Mask and Wig, and associate editor of the Paseon and Press kept Mary busy. She also appeared in several assemblies and plays, and won the Poetry Reading cup. Her favorite subject, speech, will serve her well as Giftorian. K. C. U. comes next.

JUDY LESLIE—Judy's friendly smile and sweet ways won her many friends. She was president of Cynthians, devotional leader of Girl Reserves, homeroom officer, member of Discussion Club and Mask and Wig, on the Paseon staff, a cheerleader, in the Freshman Induction, and a Nurse's assistant. This Senior Class vice-president hasn't chosen her college yet.

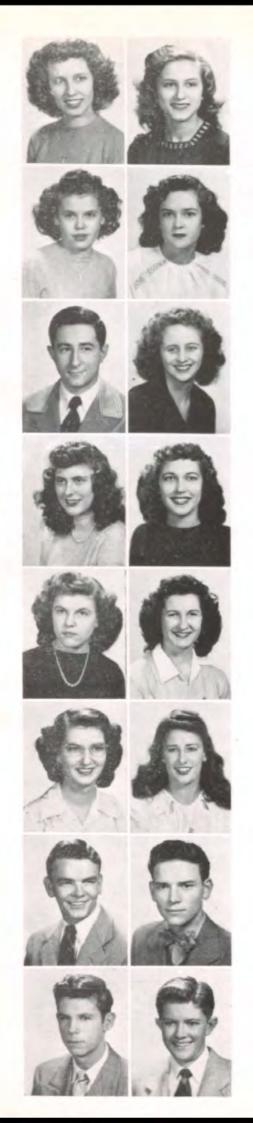

JO ANN EMERT—Who's the gal with the sweet voice who sings in A Cappella and the Mixer Band? Why that's Jol She was in Zetas, Mask and Wig, and Rainbow, an office assistant, and on the Student

Council. She served as secretary of her Junior and Senior Class and was on the Press staff. She's interested in chemistry, and after studying at K. C. U. will become a laboratory technician.

JOE ANN OGG—Holding office is nothing new to our Senior Class treasurer, who practiced up as reporter of her Junior Class, treasurer of Zetas, officer of Girl Reserve Triangles, sergeant-at-arms of the Student Council, and a war-stamp treasurer, Joe was in El Ateneo, Discussion Club, A.A.U.W., and the Freshman Induction, on the Paseon and Press stalls, and on the honor roll. This gal is headed for J. C.

SARAH PURTZER—Sally's happy-go-lucky spirit and charming ways made everyone like her. A member of Mask and Wig, Discussion Club, and A.A.U.W. she was on the honor roll, president of Zetas, reporter of the Senior Class, on the Student Council, and Press and Paseon statis, social chairman of Girl Reserves, in A Cappella, and in the Freshman Induction. It's J. C. or K. U. for Sally.

SHIRLEY ANN ZITO—Shirley was perfect as a cheerleader, possessing loads of pep, personality, and pulchritude. Her duties included being secretary of Cynthians, vice-president of her homeroom, Student Council member, A Cappella singer, song-leader and membership chairman of Girl Reserves, and sergeantat-arms of the Senior Class. She'll go to business college.

IT HAPPENED

September—The distinction of being the first one tardy went to Jack Waller. Good way to start the year. With the Freshmen we saw Dick Staab, one of those under five feet fellows walking around. All month everyone was busy organizing and settling down to work all year (who do I think I'm kidding?). Anyway the Paseon and Press, traffic squad, Girl Reserves, and Hi-Y went into action.

October—Putting their noses to the grindstone or should we say mother earth our football heroes did a lot of kicking! The school was open one night, it's called open house when the parents and teachers had a little talk. Yes, we know things are tough all over now. Quote Dave Schmidt. Senior pictures gave everyone that pale look. Could have been that pan cake make-up? A sharp night mixer, too.

November—This seemed to be test month; histoplasmosis, tuberculin, and aptitude tests. How trying! Rutledge, editor of Press and Kaplan of Paseon. Ye ole school Band Boosters gave a concert. We had some "zoot" football games and assemblies.

December — Good month! "The swimming team was organized after many splashes," says Kenny Grim, and the basketball team was chosen. Kaplan, Norma Jones, and Wolf star in "Clarence," Good one! Christmas vacation gave us a lot of good times and a chance for rest.(?)

January—In school again with new resolutions; hope they last. Exciting basketball games, too, as I saw John Wurst, Bev Slater and hundreds of others sitting on the edge

ON THE HILL

of their chairs. New pep yells were introduced in assembly. Senior officers in a senior meeting were introduced with Dallam at the head. Stanford Katz is Lt. Col. of the R.O.T.C.

February—Pep assembly before that unforgetable Northeast game. Junior officers presented. The Play Matinee let us out of sixth and seventh hour and picture shows during lunch study hall. With hearts as the theme, the Inter-Society Dance went at top steam. Purtzer and Cooper are poets.

March—What happened in March? Oh, the English department had an assembly which was very well done. That same night Norma Jones reigned as queen over the R.O.T.C. ball. Our cinder team has really been working hard. We saw Jack Botteron, Alan Berger, and lots more out on the trackfield. Red Cross Drive, too.

April—Lots happened! There was the Pan American Banquet at the Continental Hotel and the National Honor Society took in a new group of scholars (?). Mr. Stigall was back with us for this occasion. Two diseases again cause many absentees, measles and hookey. This month we had an Inter-Society picnic. Hot dogs, too!!

May—Picnics every place and we'll never forget Junior-Senior Day and that Senior day assembly. The senior play under the direction of Miss Wolfe was a big sell out. We had a double cast and gave "George Washington Slept Here." The Junior-Senior Prom really left many sweet memories for a long time.

June-Whewl! It's all over.

The Haunt for the Senior Will

Once upon a year, when men were men and Seniors were (?) there haunted the air shaft of Paseo's famous Study Hole No. 109 the rollicking spirit of a mischievous old Pirate, Puffin by name. Puffy it was who benevolently erased names from the absentee list, who rang for fire drills at crucial exam moments, who beat out a mean boogie by knocking his head against the radiator pipes, Puffy it was who climaxed his eventful career with the discovery of the carefully concealed Senior Will . . . But harken to his sad story:

One day while riding through the pipes, an unexpected detour caused Puffy to shoot through the Auditorium loud speaker. "Ahal Ha-hal" he chuckled. "The Seniors are meeting." And he cocked his ear toward the platform where he heard "—therefore, fellow class members, let me assure you that the Senior Will is well hidden and far from the clutches of underclassmen unduly anxious for the spoils they are to receive." Thus spake Dallam, little knowing the inquisitive ears tuned in.

"So-so," muttered Puffy, "I'll teach them to hide things from me—as swashbuckling an old Pirate as any of them. I'm off to sail the Seven Pipes , , . let me see, Mr. Cannon's office—there's been a suspicious number of Seniors called down there lately; and at the very least, I should find a clue or two." But although he searched most diligently, all that came to light were two copies of Superman (confiscated, of course), a few dozen water squirters, an oversized wad of bubble gum, and a memo to hire an extra janitor for the second floor hall.

"THAT'S IT—the only place for the Senior Will—the second floor trashcan!" And sliding up the banister, he quickly removed a stray splinter, leaped across the floor, and hastily kicked the bottom out of the strategic container. Out flew piles of trash, among which he found:

A note to the Senior Class Treasurer.

"Dear Joe Ann,

Please lend me a quarter . . . Cunningham took my last cent. . . .

Yours in bankruptcy, STOCKLEY.

The crumpled manuscript of an ode to Brush Creek. . . .

"Breathes there the stude with nose so dead, Who never to himself hath said— That 'certain something's' in the air I'd know that Brush Creek anywhere. . . ."

Betty Cooper's outline for the 1946 Paseon, including plans for:

Technicolor pictures of Seniors;

Complete biographical sketches of Paseon staff, with full-page portraits;

Minute pictures of faculty, easily removable.

And another touching bit of sentiment:

"Dear Emert,

Will you go to the night mixer with me? The night will be beautiful, the stars dancing in the sky as clouds sway soothingly, and we embrace—the plans to Keep The Cafeteria Clean.

Love,

JOE.

An old interview:

Name: Mel and Lou Rozier.

Permanent Address: 4747 Flora.

Favorite Sport: Are you kiddin', chum?

Favorite Woman: You name her.

Favorite Food: Your father's mustachel

What do you admire most in a girl?—A fine spirit of cooperation with mankind.

What do you admire most in a boy?

(The rest of the page was missing.)

Impatiently tossing this last aside, Puffy buried wearily through the remaining papers, and then, disappointed and hopeless, he lay back and pulling a handy ice-cream wrapper over him, began to doze. . . .

But even as he slept, the walls of the trashcan began to fade; papers and apple cores turned into clouds and dew drops . . . he rolled dreamily over, and came face to face with a beautiful manuscript of gold emblazoned large in black and crimson . . . it was so high that he must have floated through a dozen clouds before he reached the top and began to read. . . .

THE SENIOR WILL

There comes a time in every Senior's life when he must gather up his hard-earned diploma and trudge away. But the class accumulation of four years is not to be so lightly disposed of, and so it is with a fond farewell and malice toward none that we bestow the following on our dear little pals, the Juniors:

First of all, how's for filling O'Leary's friendly traits? We're not parting with them, mind (Huddleston wouldn't let us anyway), but we understand that the Juniors are coaching E. C. Leslie real hard for '47. Rumors have it that they're also counting on Louise Warner to take over for Yvonne Eastham when "Yvonney doesn't live here any more." . . . what's this? It seems Bill Schmuck is staggering a bit under the load of responsibility just shifted from Larry Dallam's shoulder (the other is reserved for Margie), but straightens up in time to eye Mary Miner's diary as she hands it over to Beverly Schmidt, with best wishes and a few handy hints. . . . A class without love is like strawberries without shortcake. So let's hope Mike Sorg and Dewey Nelson can continue to convince Katie Keller and Dale Thorpe that a young man's fancy should turn to love all year round.... Shirley McElligott and Bill Lacy, our "cute as a Coca-Cola ad" kids agree that the only way to keep the country's billboards happy is to recognize Anna Lee Holloway and Stan Lettas as runners-up. . . . Textbooks simply haven't the appeal of good looks, so to ease the Juniors' life we'll let Gene Farber and Norma Jones take over where Jimmie Barnes and Georgia Harrington left off. . . .

Boots VanVelzer and Phil Johnson have consented to sell their book "How To Make Cornies in Twelve Easy Pops" to Shirley Jones and Dave Schmidt for only a slight fine—er, charge.

. . "A smile a day wins them all, they say" is the good word the ever-friendly George Kennard passes on to his successor, Johnny Wurst.

. . Sighs of the male population are to be left to Barbara Esterle with a good-bye kiss from Mary Ellen Whitney . . . since Gloria Horn

decided to graduate, she sold Doris Smith her lifetime subscription to Vogue . . . and Winthrop Wyman obliges by taking over Johnny Larberg's willingness to oblige. . . Flash! Jerry Kaplan and Mary Goodfarb leave their ghosts to haunt the '47 Paseon staff, shrieking "Get The Annual Out On Time" . . . while Judy Leslie's sweetness teams up with Sally Purtzer's spice to be delivered to Gayle Day and Joan Fish, respectively. Martha Laue and Arthea North announced that they're handing over some intellect and a year's supply of big red apples to Rose Marie Rutledge and Kay Gregory, who in return promise to tutor the Juniors just before aptitude tests. . . . The feminine hearts begin to flutter as Earl Miller hands over his line, whistle and "Oh, you kid" to Bob Klein, red-headed king of the Pack. . . . There really ought to be somebody to replace Bob Zimmerman, but-suppose we just leave him to Ruthie Donavan. . . . The Ogg brains and personality are not to be missed as they go to Jody Waters, while Shirley Zito's vivacity is transferred to Jean Proctor. . . . We point with pride to Johnny Miller, and hope brother Jimmy will keep Paseo from missing him too much. . . . Phillips, Phillips, he's our man; but Dale Thorpe is training up for next year. . . . Nancy Lucas' wisecracks are in a class by themselves, but Helen Lou Carter will try her best to keep 'em laughing . . . and Chuck Lancaster's special build-up for the feminine morale goes to Jim Flanagan . . . Man-about-town Kenny Grim urges Dick Cummings to grow into his position,

Puffy gave a quick jolt as a tube of lipstick poked him in the ribs. Waking up was tough, but the crowning blow was yet to come . . . wrapped in the tube was a tiny scrap of paper, and with bitterness in his heart, Puffy read. . . .

THE SENIOR WILL

I. O. U. one Senior Will. Better luck next yearl

The Seniors, '46.
