Alas! how swift the moments fly!
How flash the years along!
Scarce here, yet gone already by,
The burden of a song.
See childhood, youth, and manhood pass,
And age with furrowed brow;
Time was — Time shall be — drain the
glass —
But where in Time is now?

56 PASEON

Dear Paseo, Alma Mater

To this year of Grace, 1956, we dedicate the Paseo on this our thirtieth anniversary. As we leave Paseo we see the close of three decades of fun and work and growth . . . of life in the halls of Paseo. A score and ten revolutions of the seasons; of these 1956 is the end. As the senior class of 1956 we can now only express our fervent hopes that successive years give as much to future senior classes as 1956 has given to us.

October

Football

Football Queen

Pep Club

October came and days grew shorter . . . the '56 Pirate-eleven took the field and came through with an impressive season. With their typical mighty power as shown in the above scenes, the Buccaneers again proved a threat to interscholastic league leaders.

The '55-'56 Football Season

The Pirate eleven, inspired by nine returning lettermen, started off their impressive season by downing their arch-enemy, Rockhurst, 6 to 0.

The next non-league encounter was with much favored Northeast, but the Pirates, not to be scared off by bad predictions, scored in the last quarter to tie the Vikes 7 all.

De La Salle, next Paseo victim, fell to the Pirates' feet in a 46 to 19 slaughter. Doing the scoring honors for the Pirates were Ken Lambert and

Ralph Kincaid with two TD's; Bob Coulter, Bob Haubein, and Bud Clark with one apiece.

The first league encounter found the Pirates on the tail end of a 7 to 20 loss at the hands of Southwest. Scoring Paseo's lone touchdown in the second quarter was Lambert.

Lincoln, a new team in the Interscholastic league, ended up on the top of a close, hard fought battle, downing the Pirates 6 to 7.

A well-trained East team was the next to hand

the Pirates their third straight loss. Lambert scored the Pirate's only 6 points to East's 33.

The Pirates determined to get back on the right track went all out to tromp the Manual Redbirds 50 to 13. The Pirates started early by scoring 21 points in the first quarter, 7 in the second, 9 in the third, and 13 in the fourth.

A surprised Southeast crew was the next to feel the stings of a victory-minded Paseo team, as the Knights were conquered 20 to 14.

Deciding to finish the season in high glory, the Pirates led by Haubein, Kincaid, Miner, and Coulter, defeated the Tigers of Westport 38 to 6. Westport was held scoreless until late in the last quarter.

At the end of the '55-'56 football season we found the Pirates in fifth place. Not only did this hustling team score 108 points in the last three games of play, but also had five boys on the All Star Team.

Clubs Reach Peak in March

March came and found the activities of the various clubs well under way. . . . The radio class students, composing the Radio Club limited themselves not only to the mechanics of a radio, but also extended their work into the field of television. The girls working as Office Assistants spent an hour each day helping with various jobs

in the office. Providing entertainment at veterans' hospitals during the year was a project of the Junior Red Cross. Also in their charge was the distribution of Christmas stockings to nearby hospitals. The Projection crew undertakes the task of showing educational movies to both classes and clubs. . . .

. . . French club pins were available for its members for the first time this year. A French dinner proved one of the year's most interesting and entertaining activities. These "shutter-bugs" kept a tight schedule snapping pictures for both the Press and Paseon staffs. The correct techniques of photography were constantly pursued by the members of the Camera club. . . . Yes, March was a busy month.

This year the English assembly was highlighted by the poetry reading contest. The winners of the respective divisions were: Gayle French, dramatic; Marilyn Jacobs, lyric; Harvey Gilbert, narrative; and Barry Kaplan, song. Harvey Gilbert won the contest reading "Danny Dever."

A debate was presented in an assembly for the first time in several years by members of the debate team. The question debated was, "Resolved: That governmental subsidies should be granted according to need to high school graduates who qualify for additional training." Teams were exchanged between Paseo and Southwest. Paseo's coach was Mr. A. B. Richmond.

The book crew under the competent direction of Miss Ruth Mary Weeks took care of Paseo's English library. Distributing and picking up the books from the English classes was their largest job.

Leadership, character, scholarship and service are the basis for membership in National Honor Society.

Each year, 3% of the junior class, and 10% of the senior class are elected by a faculty committee for membership. Scholastic qualifications for junior membership include a 3.6 grade average. Senior membership requires being in the upper 25% of the class.

This year 28 seniors and 9 juniors were elected. The annual induction assembly was held on April 4.

The officers are: president, Dave Brunn; vice-president, Gary Ashcraft; secretary, Audrey Shapiro; treasurer, Carl Neidert. Miss Irene Blase served as chairman of the faculty committee.

Each year, four girls are chosen from the sophomore class for membership in A. A. U. W. by Miss Ruth Norris. They are chosen on the basis of their scholastic record at Paseo. Katherine Nelson served as chairman this year.

Track*

With the first day of April, Pirate cinder-men hailed the coming of the 1956 track season. Strengthening their threat to the interscholastic league crown for another year, hard hours of practice were spent in an effort to improve previous performances. . . . On April 27 and 28 the annual senior play, "Girl Crazy" was presented, thus marking the end of the "Month of Showers."

Athletic Award Winners

A Letter from the Coaches

Dear Student Body,

Every year the Athletic Department consisting of the coaching staff makes four trophy awards to four members of the athletic teams that more nearly represent the qualifications and standards designated by the awards given. The oldest trophy is the Shivers cup given by Mrs. C. E. Shivers in memory of her son, Bernard, who participated in basketball and later died as a junior on May 14, 1929. This trophy is awarded to the basketball player who stands for the highest in scholarship, citizenship, and sportsmanship.

The Mount Davis trophy is given in memory of Coach Davis, who was a member of the Kansas City school system for 22 years, and who served as varsity football and track coach at Paseo from 1943 until 1948 at the time of his death.

In memory of Jack Davenport, a member of Paseo's football team and the class of 1949, a trophy is given to an outstanding football player each year. Jack, a member of the Marine Corps, died in 1952 in combat during the Korean conflict and was awarded the Congressional Medal of Honor.

Mr. Thomas Jay, a sports-minded patron of the Paseo district, presented the school with the Jay Trophy in 1953 to be presented each year to the outstanding athlete.

It is indeed a pleasure for the coaching staff to make their presentations in 1956 to the following four athletes who so well deserve the honor that these names represent.

Bernard Shivers — Kenneth Lambert

Mount Davis — Bob Coulter

Jack Davenport — Ralph Kincaid

Thomas Jay — Art Davis

Sincerely,
Nelson Dwight, Football Coach
Larry Bates, Basketball Coach
Bob Gauldin, Track Coach

Paseo's 1956 track team, defending city champions, with eleven returning lettermen; Vernon Jones, Herb Kohn, Ralph Kincaid, Hugh Baysinger, Ronnie Bilyeu, Ken Lambert, Dick Webster, Eddie Miner, Shelton Gallas, and Howard Shoup all worked hard to make this one of the biggest and best years in Paseo's track history.

With the season only about half over this ambitious team had already broken school, city, and state records. The mile relay team of Jones, Baysinger, Kohn, and Gallas winning the State-Indoor Track meet two years in succession this year, set a new state record of 3:38.6. This same team came back from the Missouri Valley Relays with a new meet record of 3:37.9, only to top it again by taking first place in the Shawnee Mission Relays and setting a new meet record of 3:26.8.

Ralph Kincaid also returned from the Shawnee Mission Relays with a new school record in the pole vault of 11' 10 $\frac{3}{4}$ ".

Also in the Missouri Valley Relays another school record was broken in the shot-put by junior, Art Davis, with a put of 51' 3".

In both the State Indoor and Shawnee Mission Relays, Vernon Jones has tied the school record of 15.0 in the high hurdles. As the season progresses Paseo will undoubtedly see many more records set and bettered as a result of this hard-working team.

ROTC

As the school year 1955-'56 entered its last full month, the blacktop reverberated to the cadence of marching cadets. The height of the R.O.T.C. year was the annual Ball which saw the crowning of her highness, Judy Royse. Lockers were cleaned, corsages were bought for the night of the twelfth, the Junior-Senior Prom and finally the senior flag rose mightily as the year drew to a close. . . .

R. O. T. C.

R.O.T.C. Queen 1956

Judy Royse was the Paseo Reserve Officer Training Corp's Queen for the year '56. Escorted by the Battalion Commander, Phil Cooke, she represented Paseo at the R.O.T.C. Ball and participated in Paseo's Circus Act as the bride in a military wedding.

Queen Judy Royse, honorary Lt. Colonel, and Princess Judy Winn, honorary Major, received crests as tokens of their positions.

Unit History

Col. James Endicott, after strict competition, was this year's Division Commander. He commanded all of the city's R.O.T.C. units. Phil Cooke commanded Paseo's Battalion. Last year Paseo again captured Field Day and with it the Kansas City Star Trophy, given to the city's first place unit, as it had the year before. The unit hopes to again repeat its previous performances. The rifle team got the project started in the right direction by placing second in the interscholastic league and taking first in the city matches.
