At The Helm

CAPTAIN Mr. Marshall

This is Captain Marshall's first year aboard the S.S. Pirate. Prior to this new command, he served as principal at Central High School for 12 years. Captain Marshall completed his undergraduate work at Central Missouri State College in Warrensburg and secured his Master's Degree from Columbia University in New York. Spectator sports and travel head the list of the Captain's hobbies.

Welcome aboard, Captain Marshall! We wish you many pleasant voyages.

Mr. Curtis is serving as vice-principal for the second year.

The extremely large number of additional students this year posed two major problems for Mr. Curtis: maintenance of an efficient and smoothly operating cafeteria, and the organization of many new classes in addition to personal attention to practically every student's program. Mr. Curtis is also in charge of the Traffic Squad.

FIRST MATE Mr. Curtis

We are proud to claim Mr. Hazlett as a former Pirate ('33) in the distinction that he is the only Superintendent of the Kansas City school system to have graduated from any school in this area. Mr. Hazlett has been superintendent for five years.

Mr. Stigall was Captain of our ship on her first voyage in 1926 and remained at the helm until 1945. Mr. Stigall wrote our school motto, "Remember Who You Are". Mr. Bond still remains in the hearts of many Pirates. Last year he ended his command of 15 years as principal at Paseo. His loyalty, dedicated service and warm friendship have lingered on in the form of inspiration to hundreds of Pirates as they walk along the halls he loved so well.

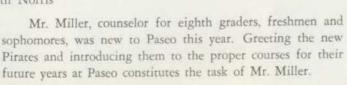

Miss Ruth Norris

Miss Norris is in her 15th year as counselor to junior and senior Pirates. Her enormous task includes advice in the selection of colleges and professions, encouragement in the application of scholarships, and taking charge of the testing program.

Traffic Squad

OFFICERS

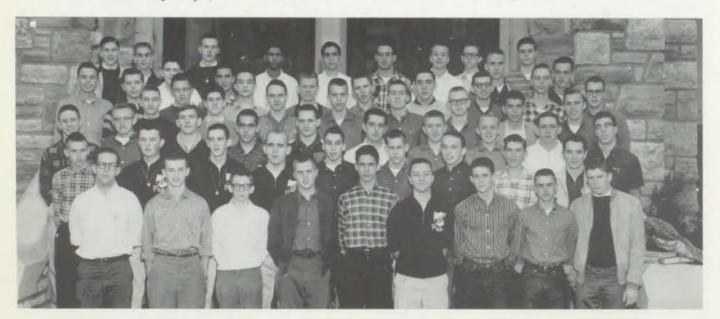

Larry DeMarea, General; Steve Barid, Lieut.; Charles Paddack, Lieut.; Stanley Schlozman, Captain; Jeff Harryman, Lieut; Joe Lappin, Lieut.

"Go to the end of the line!" unmistakenly identifies the most frequently used order by our Traffic Squad members. Patrolling the halls, keeping order in the cafeteria, and guarding the doors rank high on the enforcements carried out by the "long arm of the law!"

Mr. Curtis, vice-principal, serves as co-ordinator

of the Traffic Squad. Before their procurement to a post, these junior and senior boys are nominated in the homerooms, screened by the faculty, the organization's officers, and Mr. Curtis.

Pirates consider the election to Traffic Squad an honor, and their trust is well repaid by this efficient and helpful organization.

Homerooms

The force that drives the S.S. Pirate - the student body.

Each morning in the homerooms, the captain "pipes" the orders of the day to the leaders of these classes; they, in turn, conduct class meetings, help in the promotion of ticket sales, student publications, encourage contributions to charity, promote participation in student activities, and elect their fellow students to the governing body of Paseo, the Student Council.

These homerooms constitute the strong core which serves as the liaison between the pirate and his ship.

You need speed and accuracy.

A friendly class discussion.

National Honor Society

Election to National Honor Society is based upon recognition of superior standing in scholarship, character, leadership and service. Each year the faculty votes upon ten per cent of the seniors, who stand in the upper one-fourth of their class, and all juniors having a 3.6 average. The induction ceremony and presentation of pins for those who are finally accepted takes place in a special assembly in the spring.

"Come on boys, we're with you," might well be the motto of the Pirate's Pep Club as they give their enthusiastic support to our teams during football, basketball and track seasons.

At football and basketball games, the presence of the Pep Club was easily felt as they sat together in their reserved section, wearing red sweaters or Pep Club sweatshirts, cheering the team on. Sponsoring the annual Sadie Hawkins Mixer is another large job done by the Club every year.

Linda Weed presided over Pep Club this year, assisted by Mary Reiff, Vice-President; Pat Murnan, Secretary; Valerie Ward, Treasurer, and Donna Thomas, Sergeant-at-Arms. Miss Nell Mitchell, Mrs. Eva Borgstrom and Miss Margot Walker, physical education instructors, served as advisors.

59-Football

The old adage, "You can't judge a book by its cover," proves wrong in some instances, but in the case of the Pirates' '59 football team it holds true. Our team, although its record was unsuccessful, showed great spirit, determination, and courage in all of its games.

Plagued with injuries during the entire season, the Pirates at many times had to shift a boy to a totally new position. The team had only four returning lettermen and therefore was inexperienced.

Several of the players were recognized individually for outstanding play, and three of the Pirates were selected as all-stars.

Pirates Spirit High, Rank Low

As the 1959-60 basketball season came to a close, our Pirates finished with a 5-14 record. These highly spirited Bucs, who played with only seven players most of the season, always made it a tough game because they never gave up till the final buzzer sounded.

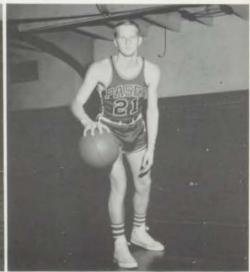

Paseo had two outstanding players this year. Bob Kedigh, senior, finished eleventh in the league and 27th in the city in scoring. Bruce Knight, senior, the team's second high scorer, had the best free throw average in the league, an outstanding 37-43 or 87%. Richard Jackson and Scott Spaulding, seniors, also contributed to the spirit and fight of the team.

Pirates 9th in League

VIKINGS SINK PIRATES . . . Pirates opened their 1960 Interscholastic League play by dropping a hard-fought decision to highly rated Northeast. Much improvement was shown by the Bucs over their previous encounter with the Vikings. An outstanding showing was made by Bob Kedigh, senior, with 12 points and Richard Jackson, senior, with 8 points and his fine rebounding . . .

KNIGHTS BEAT PASEO AT THE LINE . . . Paseo took its second league loss, in as many attempts, from Southeast. It was a game which was decided at the free throw line, because a total of 45 personal fouls were committed. The Pirates were beaten because the Knights hit 7 straight free throws in the last three hectic minutes. Bruce Knight and Arnold Caviar were high scorers for the team with 14 and 11 points, respectively . . .

LINCOLN RALLIES TO OVERCOME PASEO . . . Paseo playing in one of its best games of the season, was beaten again, this time by the Lincoln Tigers. The Pirates who were many times within 1 or 2 points, lost the game in the fourth quarter when they missed 10 shots out of 11 from around the free throw lane. Bob Kedigh's 11 points was high for the Pirates.

PIRATES FIRST COMES FROM WESTPORT . . . The Pirates broke into the winning column on January 23, by downing Westport 49 to 47. Paseo, leading all the way, nearly lost it in the last 4 minutes but held on to win. Bob Kedigh was high scorer, with 16 points and Bruce Knight followed closely, with 15 . . .

INDIANS EARLY LEAD, ENOUGH TO WIN . . . Southwest Indians got off to an early lead in the first quarter, and then were equalized the rest of the way by the Pirates. Bruce Knight led the team with 11 points, in one of the fastest games of the season . . .

CENTRAL HANDS PASEO ITS 4TH DEFEAT . . .

Scott Spaulding, senior Forward

Paseo made its record 1-4 by losing a tough decision to Central in the fourth quarter when Central outscored the Pirates 20-7. Paseo's outstanding feature in the game was a 17-point performance from Joe Alexander, junior . . . REDBIRDS PERCENT FROM FLOOR TOO MUCH FOR PIRATES . . . It seemed as though the Manual Redbirds couldn't miss as they hit 55% of their shots from the floor. The 13-point lead Manual built up in the second quarter proved to be the decider. Bob Kedigh was high with 14 points but Scott Spaulding, in his first starting role scored 10 points.

PIRATES LOSE IT EARLY . . . East quickly built up a 17-6 lead in the first quarter and Paseo couldn't make it up. Forty fouls were committed in this game and both teams seemed to hit their free throws. Bob Kedigh hit 17 points and Bruce Knight had 10 as highs for Paseo . . . PASEO ENDS SEASON BY WHIPPING FALCONS . . . Paseo and Van Horn fought an even game all the way until the 4th quarter when Paseo scored 14 points to Van Horn 3. The Pirates got outstanding play from Bob Kedigh who scored 15 points, Scott Spaulding and Dick Jackson, with 10 and 9 points respectively.

BOB KEDIGH -- For the second year in a row this hustling senior was rewarded for his fine play on the basketball court by being named honorable mention All City. Bob was the team's leading scorer and rebounder, and finished 10th in the league in scoring with a 12 point average. Bob's high for one game was 19 points and total for the season was 215 points.

SCOTT SPAULDING - Because of his fine defensive play and offensive ability, Scott was named as honorable mention All City. Scott, who received a knee injury in football season and had to miss the last 3 games wasn't given a chance as a starter until the Manual game. He averaged 8 points a game from then on and also did a fine job of guarding some of the best players in the league.

Driven by strength and determination, Paseo's 1960 Varsity track team has the potential to be one of the city's top teams. The Pirates, who are strong in nearly every event should be strongest in their relays. Second only to the relays should be the dashes, which include Tom Ruark, city champ in the 440 yard run. Our field events should do a little better than average with Steve Barid and Don Eisenman leading the way in the

shot put and broad jump respectively. The pole vault and high jump should be average as we have no returning lettermen in either. In the hurdles 2 Sophomores should provide us with our strength and in distances, the mile and 880 yard run, our possibilities are great with returning lettermen in each. Altogether with 10 returning lettermen, our team should give an outstanding showing.
