School's out!

This is **Paseo High School** and the students entering are her staff of life. Proudly she stands overlooking the city; her classrooms filled with students eager to attain knowledge; her teachers prepared to meet the challenges of the day; her corridors echoing with chatter about the homecoming, the chemistry test, the senior play, or Saturday's date. A year at Paseo is a composite of activities. It is this spirit of activity which our book has attempted to preserve. The finished picture describes an education that prepares us for the further education we will receive as citizens.

FOREWORD

PASEO'S HISTORY

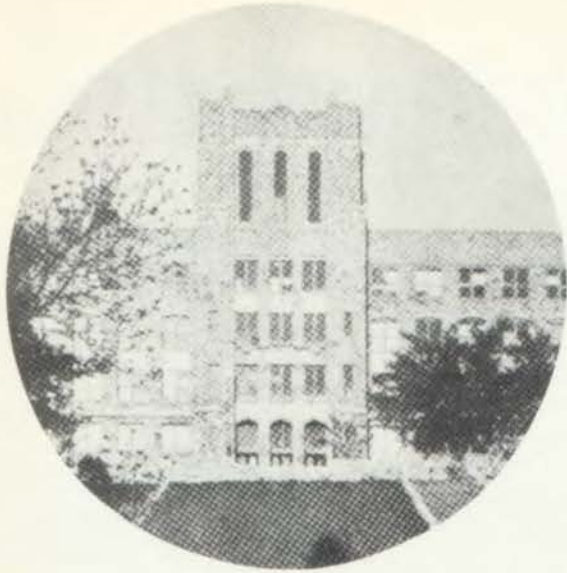

Paseo High School was opened in September of 1926 with Mr. B. M. Stigall as principal. He remained until 1945, when Mr. J. C. Bond became principal and remained until his retirement in 1958. Mr. Paul M. Marshall, formerly of Central High School, then assumed the principalship.

Approximately 1300 students attended Paseo that first year. Miss Irene Blase, Mrs. Lottie G. Reber, Mr. Paul Constant, Miss Elizabeth Minckemeyer, and Mrs. Neva Christine are the only remaining staff members who have served Paseo since it was first opened.

Before it was officially opened, Paseo was on record as the Highlands High School, but later it was changed to Paseo because of the convenient identification with Paseo Boulevard, which is directly to the west. The building was constructed of natural stone, quarried from the site, at a cost of approximately \$1,500,000. The front portion of the school, the side hall, and the boys' gym were built at that time. A girls' play-

ground and ROTC drill field were completed in 1936. The southeast side was left unfinished with the intention of later adding a wing corresponding to the one on the northeast. As a part of this plan, the girls' gymnasium, the swimming pool, and the locker rooms were added in 1939.

Student activities in the early years included special interest clubs. Each student was required to belong to at least one of these. They ranged from the Know Kansas City Club, Formal Games Club, Girls' Hiking Club, and the Speed Demons' Club, to the Hooked Rug Club, the Needlework Club, the Quilt Club, and the Ask Me Another Club. In the 1930's each homeroom had a softball team which competed with the other teams until one emerged as school champion. The school had an annual carnival to help raise money for needed equipment. Beginning in 1937, an elaborate freshman induction ceremony was held annually. These continued until 1949, when the first eighth grade class entered Paseo.

Paseo Past

Paseo Present

Mike Hadjioannou is Paseo's first foreign exchange student from Greece. Sponsored by the American Field Service, Mike flew from Athens to New York and arrived here in Kansas City on August 5, 1961, by bus. Besides his mother and father, who have an import-export office, Mike also has a fifteen year-old brother. The many television sets and cars are a few of the numerous things Mike has found distinguishing the United States from Greece. Some of his interests are sports and music — as well as eating hamburgers. Mike hopes to continue his study over here and later to become an electrical engineer. We are all indebted to Mike for a wonderful year in spreading his influence of world communication and peace.

EXCHANGE STUDENTS

MIKE HUG

Harnden, Paseo's finalist to the American Service, shows both Mikes the Pirate in front hall.

Mike Hug is Paseo's second foreign exchange from Germany but is under the sponsorship of the International Christian Youth Exchange. Born in Eisenach, East Germany, Mike fled with his family to Stuttgart in West Germany. He attended a boarding school where he first heard of the ICYE. Mike was amazed to see the numerous school activities but he soon became a major part of our school spirit. Football showed a challenging task for Mike, but he was not familiar enough with it to participate the whole season. Besides sports, he is very interested in the field of politics. We will long remember Mike for his friendliness and spirit of European people.

Guiding the students in all phases of school life are Paseo's **Administration and Faculty**. Throughout the year they have unselfishly given their time and efforts to the further development of each student. Whether it be music or drama, mathematics or English, health tests or entrance examinations, someone has always been there to assist in every way possible and has seen that each student received adequate attention. They have prepared us for our future role as educated citizens.

ADMINISTRATION AND FACULTY

AD

Mr. Paul Marshall

In his third year as chief administrator at Paseo, Mr. Marshall has provided the leadership so necessary to maintain our school's position at the top of our educational system. Besides greeting us daily with announcements over the public address system, our principal presides over all academic functions and is responsible for all facets of activities at Paseo.

Mr. E. E. Curtis

Supervising the traffic squad and handling discipline animate Mr. Curtis's daily schedule. Vice Principal since 1959, he has been responsible for the complex task of organizing students' programs and classes for our large enrollment.

Mr. Harold Morris

Serving in his third year as Vice Principal at Paseo, Mr. Morris is in charge of fire and tornado drills and assembly seating arrangement. In addition to this, he helps with the traffic squad, discipline, management, and teacher and pupil assignments.

MINISTRATION

Miss Rose McMaster

Counseling the freshman and senior classes is Miss McMaster's task. Guiding students in their choice of courses, colleges, and professions, as well as informing and assisting Pirates with scholarship and entrance requirements makes her work at Paseo greatly appreciated.

Mr. Fred Miller

Mr. Miller's job, in his third year at Paseo, is counseling juniors and eighth graders. His duties include helping eighth graders make a good start and administering tests.

Miss Ruth Norris

Miss Norris, counselor for sophomores and incoming eighth graders, has now served seventeen years at Paseo. Advising future Paseoites on the proper subjects to take is one of her many duties.

Counselors' work is never done.

Topics as different as verb conjugation and Anglo-Saxon verse forms arise almost daily in Paseo's many English classes. Although students are required to complete only three years of English, in which they study grammar and literature, many take senior literature and composition, a course which enables serious students to gain a fuller understanding of the growth and development of the English language. Paseo's devoted English teachers use recordings, motion pictures, and slides to enrich study in this area. An important facet of Paseo's English department is the newswriting class. Here students with journalistic talent learn writing skills which help them to bring honor to Paseo at the annual Missouri Interscholastic Press Association Convention.

When they have successfully completed the study of English at Paseo, students are well prepared for college study and future life.

Paseo's math teachers instruct and train young mathematicians in reasoning and problem solving. From the simplest addition problems to the most difficult calculus problems, eager minds are constantly figuring answers. Eighth graders review mathematical fundamentals, enabling them to build a strong foundation so they can solve the difficult problems they may encounter in more advanced classes. First and second year algebra, plane and solid geometry, trigonometry, and calculus are offered to prepare students for college. With the added stress on mathematics, students at Paseo receive one of the finest mathematical backgrounds that can be obtained at this level.

Offering courses in shorthand, typing, bookkeeping, and C.O.E., Paseo's Commerce Department prepares her students for future careers in the business world. Bookkeeping stresses students to keep neat, accurate ledgers; shorthand stresses swift, exact transcriptions; and typing stresses clear, concise letters—all of utmost importance in encountering the daily duties of a clerical worker. Besides learning the importance of being a responsible, conscientious, and efficient employee, the fundamentals of becoming a good employer are also taught.

COMMERCE

SOCIAL STUDIES

Students in Paseo High School's social studies classes learn about the history of the world from the evolution of mankind to present-day problems. Students are instructed in city, state, and national history, and learn United States governmental policies as well as the history and forms of government used by other nations throughout the world. The social studies courses are designed to give the student the background necessary for good citizenship. Stimulating discussions, interesting student reports, and visiting speakers round out the interesting program of these classes.

"Pilot to co-pilot."

Paseo's Language department is noted for its high standards and accomplishments. Offering Latin, French, and Spanish, students may acquire a well rounded background in these languages. Conjugating verbs, declining nouns, and memorizing vocabulary are among the daily assignments given to the students. Most important of all, students are given the opportunity to show their advancement by writing stories or poems, using their knowledge of grammar and vocabulary. The study of languages enriches one's education not only by giving him a speaking knowledge of the subject, but also an insight into the culture of the country.

To familiarize the eighth graders for their future life in high school is the main purpose of Paseo's Common Learnings classes. Learning to work together in performing tasks and cooperating with each other democratically are other important purposes in the C-L curriculum. With English and Social Studies combined, the new students are not confronted with an abrupt change from grade-school life. Studies range from the Missouri Constitution, which is required by law, to the mastering of every-day spelling words.

SCIENCE

“What is the valence of copper?” “How many pounds in a kilogram?” “What is this muscle called?” From beginning eighth graders to graduating seniors, these questions arise daily in many of Paseo’s science classes. Here devoted instructors, many of them scientists in their own right, provide science-minded Pirates with information in such varied fields as chemistry, physics, biology, earth science, human science, and general science. The future of the United States may well depend upon superiority in scientific areas. When this situation arises, Paseo’s science students will be ready.

ART

Paseo's art classes motivate the expression of personal experiences and ideas. Each week, one of the showcases in Paseo's front hall displays the excellent work of some of her students as well as copies of masterpieces created by renowned artists. This enables all students to develop a further appreciation of art. During Thanksgiving, Christmas, and Easter, the halls and auditorium are decorated by the art classes in the manner appropriate to the holiday, putting all in the mood of the season. Printing, painting, sculpturing, sketching, — fields of the fine arts, are available to the students. Each pupil develops an individual style and learns to put on paper his impressions of life.

The Industrial Arts classes include drafting, printing, woodwork, and metal work. Eighth graders are given the opportunity to catch a glimpse of three of these fields. Printing and drafting give the student opportunity to create with paper and ink. The wood and metal classes build beautiful furnishings for the home. All offer an excellent opportunity to develop useful skills which bring out the initiative of the students and to create many hobbies. For the more diligent student, a background for a future prosperous trade can be acquired.

Paseo offers courses in both vocal and instrumental music. While all music students learn the basic fundamentals, those with special ability in a particular area of music are chosen for participation in such selective activities as the Orchestra and A Cappella Choir. The Girls' Choir, the Boys' Chorus, and the Band are other important activities which give Paseo students a richer appreciation of music. Paseo is indeed proud of those student musicians who annually bring her honor by performing well at the University of Missouri's state-wide vocal and instrumental contests. Music is but one of the many activities which help to make Paseo students well-rounded individuals.

One of our most valuable courses is Driver Education. Students are trained to be courteous, alert drivers and to always be mindful of others on the road. Besides learning techniques of handling an automobile, students are taught the state driving rules. The importance of driving according to weather conditions is also stressed. Courtesy and safety go hand in hand to produce good drivers.

As the **Seniors** of '62 receive their diplomas, marking the climax of five happy, busy years of hard work and overtime activities, they bid farewell to the portals of Paseo High school, their Alma Mater on the hill. Encouraged by the administration and faculty, higher goals for knowledge were set, and a deeper background for future studies and vocations was obtained. With their diplomas and the knowledge gained throughout the past five years, the Seniors of '62 are challenged with the responsibility of becoming capable leaders and adults of tomorrow.

SENIORS

Spud Thomas, Mack Harnden, Dottie Koste, Jerry Porter, Cecelia Heine.

SENIOR CLASS OFFICERS

PRESIDENT, SPUD THOMAS—As President of his Junior Class, Senior Class, and Junior Achievement; Vice President of Student Council; and a Tri-Editor of Paseon; Spud has shown his strong leadership ability. Being active in Discussion Club, Engineers, Inter Club Council, Chemistry Club, Traffic Squad, Midtown Youth Council, Boys' State, Boys' Chorus, Cross Country, the Golf Team, and football has not kept him from earning High Honor Roll grades. After obtaining a degree in Political Science, Spud plans to do graduate work at Yale.

VICE PRESIDENT, MACK HARNDEN—Serving as Vice President of his Senior Class; President of Lettermen's Club; and Secretary of his Junior Class, Student Council, and Engineers, Mack still found time to participate in other activities. These included National Honor Society, A Cappella, Paseon Staff, Boys' State, three year letterman in football and basketball, Co-Captain of the football team, track, and Fellowship of Christian Athletes. Mack hopes to attend either West Point or Abilene Christian College.

SECRETARY, DOROTHY KOSTE—Dottie was chosen as Secretary of her Senior Class, Treasurer of the Student Council, a two year Varsity Cheerleader, first page Editor of Press, President of Zetas, and a Homecoming princess.

She was also a member of Discussion Club, Y-Teens, Pep Club, Chemistry Club, Midtown Youth Council, and Quill and Scroll. After graduation Dottie will study Journalism at M. U.

TREASURER, JERRY PORTER—Popular among his fellow students, Jerry was chosen President of the Student Council and of Engineers, Vice President of his Junior Class, Treasurer of his Senior Class, a Tri-Editor of Paseon, Tri-Captain of the football team, and Captain of Traffic Squad. As a two year varsity football and track man, Jerry was active in Letterman's Club, and also National Honor Society, and Chemistry Club. Northwestern will claim this future Civil Engineer next year.

SERGEANT-AT-ARMS, CECELIA HEINE—Being Sergeant-at-Arms of her Senior Class, Sergeant-at-Arms of the Student Council, President of Pep Club, Vice President of Discussion Club, Treasurer of Midtown Youth Council, Treasurer of her Junior Class, Sergeant-at-Arms of Pepettes, and Sergeant-at-Arms of Thicians kept Cecelia busy. She still found time to participate in Chemistry Club, Physics Club, Quill and Scroll, National Honor Society, A.A.U.W., Intramurals, Y-Teens Cabinet, Paseon Staff, and Girls' State. Cecelia also won a Hallmark Scholastic Art Award. K. U. will see her next year, where she will major in art education and interior decoration.

AKE, JANICE—Janice's favorite hobby was roller skating. She plans to attend J. C. after graduation.

ALEXOU, GREGORY—Chemistry Club, Discussion Club, Juntos, and Traffic Squad all claim Greg's membership. Next year he plans to attend Washington and Lee University.

ALLISON, SALATHIEL LEE—As a member of Engineers, Varsity football, and Captain of the basketball team, Lee showed such ability as to receive honorable mention in basketball. He plans to attend C. M. S. C.

ANDERSON, JERRY—Jerry, who liked bowling and hunting, was a part of Paseo's printing staff. After graduation, Jerry plans to attend J. C.

ARNDT, RICHARD—Richard was an officer in R.O.T.C. besides being on Traffic Squad. Either Rockhurst or J. C. will see Richard after graduation.

AUDSLEY, JUDY—Judy's main pastime was bowling. Besides this, she has time to be a member of Pep Club, Y-Teens, and Zetas Literary Society. Judy plans to go to C. M. S. C. after graduation.

AVERY, MARY—Bowling rated high on the list of hobbies of this gal. J. C. will see her next fall.

AYALA, VICTORIA—Vicki, whose main hobby is collecting records, plans to attend C. M. S. C. after graduation.

BALDERSTON, MARY LOU—Mary Lou was initiator of Patricians and a member of Paseo Staff, Mask and Wig, Chemistry Club, Y-Teens, and Quill and Scroll. After graduation she plans to go into nurses training.

BALLARD, GILBERT—Gil, who was interested in working on cars, plans to go to a body and fender school after graduation.

BARBOUR, RUTH—Ruth's main hobby was swimming. After graduation she plans to attend a business school.

BARNETT, CAROLYN SUE—Carol plans to be a beauty operator after she graduates.

BARTLETT, CYNTHIA—Cindy was active in Mask and Wig, Iotas, and Pep Club. C. M. S. C. will see this Pirate who plans to be an airline hostess.

BENNETT, WILLARD—Howard University will see Willard on campus next year.

BENSON, SANDRA—Sandy has been a member of Thicians, Pep Club, Mask and Wig, and A Cappella Choir. After graduation she plans to take nurses training at St. Luke's Hospital.

BERG, JOHN FREDERICK, JR.—Fred has served as secretary of A Cappella and Parliamentarian of Chemistry Club. He was a member of National Honor Society, Traffic Squad, Discussion Club, Book Crew, Paseon Staff, Quill and Scroll, Student Council Executive Board, and Safety Committee. After graduation Fred plans to study for a career in medicine.

BLAIR, MICHAEL—Chemistry Club, Physics Club, French Club, Engineers, and Traffic Squad claimed Mike as a member. He plans to study engineering at William Jewell.

BLAKESLEY, JOAN—Joanie was in Patricians and a majorette. She plans to attend C. M. S. C. next year.

BOSWELL, JOYCE—Joyce was President of Peppettes and a member of Pep Club and Spanish Club. K. U. will see Joyce on their campus next year.

BOUVETTE, MAX EMILE—Max spent his spare time collecting records. He enjoyed making tape recordings, too. Next year he plans to attend M. U.

BOYCE, KATHIE—Pep Club, Drill Team, Cynthians, and A Cappella all claim Kathie's membership. After graduation she will either work or attend J. C.

BRADFORD, DARLENE—Attending business college in Chicago is in the future for this Pirate.

BROWN, DOYLE—Doyle, who was an active member of J. A., is also interested in coin collecting. He plans to attend Missouri School of Mines in Rolla.

BRUNN, MARCIA—Marcia was a member of the Fall Play and a member of Pep Club, Y-Teens, and Girls' Choir. She plans to attend Baker University and become a kindergarten teacher.

BUCHANAN, MICHAEL F.—Traffic Squad, Swimming Team, Chemistry Club all claim Mike's membership. Next year Mike plans to attend Drury or M. U. where he will study for a career in Medicine.

BUETTNER, EMMETT—While at Paseo, Emmett enjoyed working on cars. After graduation he will join the Army.

BULAVSKY, JACK—Happy Jack was the sport's editor of the Press, a Traffic Squad lieutenant, President of Quill and Scroll, and Inter-Club Council. He was also a member of French Club, and was on the B-Team basketball squad. Next year, M. U. will welcome Jack.

BUSHAKRA, ANNETTE—Annie enjoyed sewing while at Paseo. Pep Club, and Y-Teens claimed her membership.

BYBEE, MARGARET—Margaret was Veep of Peppettes, Chemistry Club, and Cynthians; Sergeant-at-Arms of Y-Teens; and Treasurer of Pep Club. She was a member of the Paseon Staff, A.A.U.W., National Honor Society, Student Council Executive Board, Quill and Scroll, and Inter-Club. Margaret was especially active in girls' sports. K. U. will welcome her next year.

CAPOOT, SHARON—Sharon served as President of Orchestra, Secretary of Cynthians, Parliamentarian of Spanish Club, and advertising manager of the Press. A school without students is like a body without blood; neither can function without the other. The life of Paseo lies in the hands of her students. Whether handing in assigned work, participating in school government, or working on a committee, every member of the **student body** does his part in keeping Paseo alive. It is the duty of each Pirate to be a conscientious student and to perform each task to the best of his ability. Having been trained to be responsible individuals, members of Paseo's student body will be able to face the world of tomorrow.

Serving as the main governing body at Paseo is the student council. Through representatives from each homeroom, the council under the leadership of Miss Johnston, Adviser, tries to further the interests of every Pirate. To be eligible to be a representative a student must have an M grade average and high citizenship marks.

The responsibilities of the various committees are to report to the council on the different projects presented before the executive board and the stu-

dent council and to initiate new projects.

This year, as in previous years, all student body fund drives, Paseon and Press subscriptions, and mixer and game tickets have been handled by the council. With the able leadership of the officers, executive board and representatives, Paseo's Homecoming, Foreign Exchange Assembly, Junior and Senior class elections, and the issuance of student I.D. cards were planned and executed.

HOMEROOMS

Pirates study in the library . . .

attend an assembly.

Pirate life is centered around the Homeroom. During this period, tickets for football and basketball games are sold, as well as those for mixers and musical events. All school business transactions such as the distribution of the Press and Paseon take place during this period, and perhaps most important of all, representatives of the students to the Student Council are elected.

Fading back for the touchdown pass, dribbling down the court with seconds to go, straining every muscle to cut the tape—every man is fighting for victory . . . victory for Paseo. Countless hours are spent in training, but the reward is great — the confidence that comes with physical fitness, the feeling of unity with the team, the sense of achievement after a job well done. **Sports** mold character through self-discipline, teamwork, and sportsmanship into the stable and undying spirit of America. It is this spirit which the Pirates strive to continue so they may become better citizens of tomorrow.

CHEERLEADERS

Ready-O, Let's Go! The Varsity Cheerleaders, dressed in their new basketball uniforms, prepare to lead the Pep Club in a cheer.

Dressed in black and gold sweaters for football and new black croptops for basketball, Paseo's Varsity Cheerleaders performed with precision at the numerous pirate games and pep rallies. After their selection at tryouts in May these vivacious girls practiced through the summer and many long hours after school. This time was spent originating new cheers and new methods of leading them.

Paseo's fine B-Team Cheerleaders added pep and spirit to all Bucklet games. These girls too, spent many long hours at practice to perfect their cheers and to boost school morale.

Pirates zero in on S. W. Player.

PIRATES WIN OPENER

Sept. 22, '61

Paseo opened a hopeful season with an impressive 20-0 victory over Lincoln on the East field. Guided by the signal calling of spinnerback, Jerry Porter, the Pirate offense moved very well.

Paseo showed its running ability early in the first quarter by marching 56 yards in nine plays to score. Jerry Porter capped the drive on an 8 yard run around right end.

Paseo bogged down and was unable to score again until the third quarter. David McCoy then raced

13 yards on a wingback reverse for Paseo's second touchdown. Jerry Porter slipped into the end zone for the extra point. Another touchdown by McCoy was nullified because of a penalty.

In the final quarter, Laurie Carter took a Tiger fumble 34 yards to the Lincoln 5. Porter then scored the third Pirate tally. Mack Harnden scored the extra point on a pass from Leroy Tombs to complete the scoring.

VAN HORN UPSETS PASEO

Sept. 29, '61

The inspired Falcons, under the leadership of ex-Paseo coach, Bill Fessler, found their first victory since midseason, 1959, by a score of 19-12.

Paseo opened the scoring early in the first quarter when Leroy Tombs connected with end Mack Harnden from eighteen yards out. Van Horn managed to hit pay dirt before half time, tying the score at 6-6.

The second half was dominated by the Falcons with a tough defense and determined offense. Gerald Johnson put the Falcons ahead on runs of 51 and 2 yards. Paseo's final touchdown came on a 3 yard run by Jim Davis with one minute remaining.

The Pirate offense was led by Leroy Tombs and David McCoy while the defense was led by Doug Dubin.

EAGLES CRIPPLE PIRATES

Oct. 6, '61

Central ended Paseo's hope of an Inter-scholastic league title by downing the Pirates 18-6. The Pirate injury list grew as three more players were injured. Jerry Porter received a slight concussion in the closing seconds of the first half, Mack Harnden suffered a knee injury late in the fourth quarter, and Bob Davis received a broken leg on the next-to-last play of the game.

The Pirate offense had little success against the stubborn Central defensive squad. Paseo finally managed to tally in the fourth quarter on a 7 yard touchdown run by Leroy Tombs.

Paseo could not contain the quick Eagle backs as Robert Wright scored Central's first two touchdowns of 53 and 56 yards.

PIRATES DOWN VIKINGS

Oct. 14, '61

Paseo exploded for three touchdowns late in the game to overcome Northeast 18-6. Paseo trailed 6-0, and had only one net yard rushing, when the fireworks started late in the third quarter.

After Northeast had bogged down on the Pirates 20, Dave McCoy swept around end and dashed 80 yards to deadlock the score.

Early in the fourth quarter, Leroy Tombs went up the middle on a fake reverse for a 68 yard touchdown sprint. The Pirates completed the scoring when Laurie Carter intercepted a pass and went 33 yards to score.

The victory was credited to the whole team as the Pirate spirit never died down.

WESTPORT RIPS PASEO

Oct. 21, '61

The Westport Tigers boosted their league record to five wins with a 52-0 bruising of the Pirates. Westport picked up 258 yards on the ground and 238 yards in the air for a total of 496 yards, while holding Paseo to a total of 72 yards. The Tigers showed no signs of letting up, scoring 26 points in both halves.

Despite the score, Laurie Carter, Joel Dukes, and Tom Ruark stood out on defense while Leroy Tombs led the offense.

KNIGHTS SINK PIRATES

Oct. 28, '61

Southeast partially spoiled Paseo's Homecoming by dumping the Pirates 43-14. Dick Warren led the Knight attack with touchdown runs of 12, 25, and 35 yards.

Paseo, limited to a net rushing total of two yards, scored both of its touchdowns in the second quarter. Jerry Porter hit Laurie Carter with a pass from 3 yards out for the first tally. Porter scored the extra point on a run. Paseo's second score was a 35-yard pass from Leroy Tombs to David McCoy. The extra point was made on a pass from Porter to Norman Jones.

The Paseo-Southeast grid rivalry has long been one of the keenest in the league. This game had added importance since it was the Pirate's first televised game. Despite the loss there were several bright points for the Bucs. Leroy Tombs and Tom Ruark were outstanding on defense. David McCoy sparked the offense with his fine running.

INDIANS EDGE BUCS

Nov. 11, '61

Southwest blew a 13-point lead, then came back in the fourth quarter with a safety and touchdown to nudge Paseo, 28-19.

After Southwest swept to a 19-6 half time lead, the Pirates then came back on a pair of touchdown runs by Dave McCoy to tie it up. The Pirates stopped Southwest within inches of the goal in the fourth quarter, but on Paseo's first play Leroy Tombs was downed in the end zone. The Indians then scored their final touchdown on a 13 yard run.

All Stars

Laurie Carter, senior, was honored on the second team all-city for his fine offensive and defensive play. Laurie received recognition at the end position even though he played at tackle much of the season.

Mack Harnden, senior, received honorable mention all-city and honorable mention all-district for his outstanding play at end. Mack was honored even though an injury prevented him from playing in many of the games.

Jerry Porter, senior, was chosen honorable mention all-city for his offensive ability and defensive skill. Jerry, who was spinner-back in the single-wing offense, was an outstanding team leader.

Leroy Tombs, junior, received honorable mention all-city as a back. Leroy was recognized for his tremendous running at the tail-back position. Leroy was also one of the key men in the Pirate defense.

HOMECOMING

Linda Leonard crowned as Paseo's first Homecoming queen.

October 26th marked the start of Paseo's gala Homecoming weekend. The activities were launched at a pep rally after school where Jerry Porter announced the three finalists for homecoming queen. The cheerleaders led the student body in cheers and Rick Martin, representing the team, boosted the Pirates spirit with a rousing pep talk.

The next afternoon the Pirates battled the Southeast Knights on a televised program which featured Paseo. The halftime ceremonies were begun by a parade led by the pirate ship and cheerleaders, followed by convertibles bearing the finalists. The Peppettes marched onto the field and formed two columns through which the three finalists were escorted. Forming a block at the end of the columns, the band provided the music. The ceremonies were climaxed by the crowning of Linda Leonard as Homecoming queen, while Sandy Hughes and Dottie Koste were announced as her attendants.

A fitting close to an exciting day was the Coronation Ball which was highlighted by the formal crowning of the queen.

The three finalists and their escorts: Linda Leonard and Rick Martin, Sandy Hughes and Kelly Sandy, Dottie Koste and Bill Fredrick.

The five candidates: Marilyn Rittman, Linda Leonard, Linda Stolzer, Sandy Hughes and Dottie Koste.

The 1961-62 Varsity Basketball season showed an improved record over the preceding seasons. Although the record wasn't extraordinarily good, the Bucs fought hard down to the finish of every game. This was illustrated when Paseo fought back in the final seconds to defeat Southwest and Lincoln. The season reached a climax in the Rockhurst State Regionals when Paseo as a dark horse, upset Lincoln and St. Johns. Captain Lee Allison hit a 25 foot set shot with 3 seconds remaining to drop fourth seeded St. Johns. Coach Ross' second year at Paseo exemplifies much determination to build strong basketball teams.

Larry Phillips, in his first year of varsity play at Paseo proved to be a strong offensive player as well as a leading rebounder. His election to Honorable Mention climaxed Larry's season. He is expected to lead a strong experienced team next year.

Bill Boykin was one of the few sophomores in Paseo's history to be selected to All-City Honorable Mention. Contributing close to fifteen points per game, Bill was consistently a deadly outside shooter. He is expected to play an important role in Paseo's future basketball seasons.

Bradley Trophy Winner

Kathie Boyce

GIRLS SPORTS

Originally presented by the special gym class of 1955 in memory of Miss Bradley, gym teacher, the Bradley Memorial Trophy was presented to Kathie Boyce at the annual Sports Award Party. This award is given each year to the most outstanding all-around girl athlete of the Senior Class, after being judged best in character, leadership, and above all, sportsmanship. The Senior Pin is the highest award that is offered in girls' athletics. Those receiving the pin must have earned the Small Shield, the Large Shield, and the Paseo P. They must have participated in at least fourteen team sports, seven individual sports, and must have been a member of a hockey, basketball, softball, or individual sports-day team, or have served as a manager in after-school sports.

As students raise their eyes and pause to pay tribute to the flag each morning and afternoon, Paseo's **R.O.T.C.** is seen and heard playing to the colors. To help guide its cadets in learning good leadership is the paramount goal of the Reserve Officers Training Corps. Learning to give and obey orders, clean and assemble arms, and take criticism all demand equal attention. By constant drilling and improvement of marksmanship, R.O.T.C. also molds its members into competent followers who will, in the future, be active in the armed forces of the United States.

R.O.T.C. QUEEN
Jan Rudolph

Roses are presented to the Queen.

The first annual Paseo-Southeast R.O.T.C. Ball was held at the Student Union of the University of Kansas City on the evening of February 21, 1962. Highlighting the festivities was the crowning of Jan Rudolph as Paseo's R.O.T.C. Queen. Mr. Paul Marshall, principal, presented her with a large bouquet of American Beauty roses. The Queen's escort was Jim Williams the top ranked R.O.T.C. cadet at Paseo. Jan and her attendants Lora Lea Scott, Shirley Ann Koch, and Pat Glassner reigned over the gala event, which marked the top social event on the R.O.T.C. calendar.

Every school day is the meeting date for one of Paseo's many **chartered clubs**. They provide an outlet for students with an inclination for everything from discussing current world problems or listening to a top scientist, to planning a formal dance or cheering the athletic teams on to victory. There isn't a single person at Paseo who isn't eligible for participation in some club. Through these clubs, students are able to balance their school life so that they will become well-rounded students. It is these students who will become up-standing citizens of tomorrow.

CHARTERED CLUBS

LITERARY SOCIETIES

INTERCLUB

The Club activities of Paseo High School are centered around the seven literary societies. To be eligible for the one of your choice, you must have a 2.5 grade average and be a sophomore. During the year, the literary societies sponsor two dances; a formal one in the fall and an informal one in the spring. Besides being all social, each club usually has several charity projects during the year. At the end of the year, a cup is presented to the club having the highest grade points. The backbone of the literary societies is the Inter-Club. Their job is to regulate the literary societies so they will be uniform in their pledging and order of business.

MRS. BERGSTROM — ADVISER

Besides sponsoring the very popular Sadie Hawkins Dance, the Pep Club is the core of Paseo's cheering section at all athletic contests. Though members were bundled in heavy coats during the football season, they could be easily distinguished from the crowd by their red sweaters or Drill Team uniforms. Participation in the club is open to any girl student at Paseo. The meetings, at which new cheers are learned, are held on the second and fourth Wednesdays of the month.

Though doing school work is the main time-consumer of the average Paseo student, participating in the many **activities** which Paseo offers occupies the hours of many Pirates. Whether filling Christmas stockings, controlling lunchlines, or performing in a school assembly, much effort must be put forth by each student if he wishes to retain membership in his chosen activity. Being a part is recognition in itself of that effort—recognition that these students will put forth the effort of molding the community of tomorrow.

ACTIVITIES

A CAPPELLA CHOIR

Mr. La Verne Cable

Paseo's selective vocal groups are composed of A Cappella Choir, Girls' Choir, and Boys' Chorus, all under the direction of Mr. La Verne Cable.

The A Cappella Choir again this year performed in the Christmas Assembly, Easter Assembly, All-City Choir Festival and Commencement. The choir was honored in presenting a Christmas program on the KMBC and KCMO television stations as well as in the broadcast of the re-dedication of the Liberty Memorial. The officers of the choir are: president, Kelly Sandy; vice-president, Bobby Davis; secretary, Fred Berg; treasurer, Mack Harnden.

The Girls' Choir sang in the Christmas Assembly, Spring Concert, and the All-City Choir Festival.

Boys' Chorus, a voluntary group of male voices, performed for the P.T.A. and in the Spring Concert.

PASEO'S

Mr. M. L. Cater
Director

Paseo's orchestra practices for the All-City Orchestra Festival.

Under the direction of Mr. Maurice Cater, the orchestra completed another very fine year. Performances ranging from classical stanzas to breezy contemporary music were given by the various stringed instruments and selected woodwinds. The orchestra included in its schedule the fall Sunday Concert, the National Honor Society Assembly, the Orchestra Festival, and Commencement. Through many hours of hard work, Paseo's orchestra has represented our school well.

The officers for the past year were: president, Sharon Capoot; vice-president, Roni Wechsler; secretary-treasurer, Judy Johnson; librarian, Tom Hearn.

Front Row: Sharon Capoot, Bonnie Trimmer, Steven Rodabaugh, Patti Quick. *Second Row:* Anne Swafford, Larry Banning, Joan Feuerstein, Susan Paynter, Regina Warshawski, Marian Boyce,

Mr. M. L. Cater
Director

This year, under the direction of Mr. Maurice Cater, the band played at most school assemblies, football games, and pep rallies. However, this was only a small part of its many activities. On the agenda for the past year was the Fall Concert, the band assembly, the All-City Band Festival, and the Spring Concert. Paseo's band program builds a foundation for a possible musical career and promotes the enjoyment of music.

All seniors who are in the upper fourth of their class and all juniors who have a 3.6 grade index or better are eligible for National Honor Society. They are rated on the qualifications of leadership, character, scholarship, and service. Finally, ten per cent of the senior class and three per cent of the junior class receive membership and pins.

Members of Paseo's chapter of Quill and Scroll are selected from the Newswriting class and staff, and the Paseon class. All members must have a recommendation by their adviser, display superior work in some phase of journalism or school publication, and must rank in the upper third of their class in general scholastic standing.

Participating in the Midtown Youth Council are Paseo, Westport, Lillis, Redemptorist, and Loretto Academy. In 1959, the Midtown Youth Council was formed following eight successful years of operation of the Southwest Youth Council and one year's operation of the Northeast Council. Meetings are held every third Wednesday of each month, and court sessions are held on those Wednesdays in which there is a case to be tried. Again this year Paseo was honored to have two Council officers, Kelly Sandy, President and Cecelia Heine, Treasurer.

This is **Paseo High School** and the students, who are her staff of life, are now leaving—some for the summer vacation . . . some forever. You have seen the school, the faculty, the students, and the life they lead at Paseo. That life is an experience unlike any other, past or present; in the future it may be recalled and relived in memory, but it will never be repeated. Following Paseo's motto, her alumni will be able to contribute to the life of tomorrow:

REMEMBER WHO YOU ARE!

WHEREVER YOU GO
YOU REPRESENT
WHETHER YOU WANT TO OR NOT

YOUR FAMILY
YOUR CLAN
YOUR NEIGHBORHOOD
