# THE FAMILY

The Family-The sisters and brothers, the fathers and mothers united. They form the nucleus of each activity-laughing, walking, learning and talking with each other. Without each of these individuals, there could be no family and none of the joys and sorrows that go along with it.

Paseo is The Family.

The Troupe was instrumental in attaining a radio program featuring Paseo High School and the Black Arts Troupe. They taped four shows entitled "Express Yourself" which aired on KUDL-FM until the DJ moved. One show featured a teacher poll which ended with the popular song, "Family Affair."

The 1971-72 Chess Club, saw an increase in membership as well as understanding of the game. Under the sponsorship of Mr. Kaffenberger, the members learned the fundamentals of the game, as well as a new way to have some fun.

Youth for Christ came to Paseo for the first time this year. It started with three sponsors, four students and a prayer. The membership later increased to twenty, making Y. F. C. one of Paseo's largest clubs.

With Senior Billy Haynes returning, Paseo's Varsity track team possesses the potential to go to the top! Even though the season started off with a 55-50 loss to Southeast, this defeat only inspired the team to try a little bit harder. With all of the team working together the track team took a giant step-past last years team.

Coach Thompson became head coach of the team after assisting last year. He stated, "We want to show the other schools that we can compete in something besides basketball!"

The Boy's Pep Club, Section Number 1, is in it's first year at Paseo. Composed mainly of athletes, the club sits together at basketball games and enthusiastically yells the team on to victory with their "homemade cheers."

# GIRL'S SPORTS

Juniors and Seniors, working towards their Paseo "P", led the team this year, with seniors, Linda Spencer and Sharol Aubrey, standing out as the only seniors returning to the team this year.

Money, or the lack of it, was the true story of the Girl's Hockey Sportsday Team. Because of this lack of funds, the team was only able to play two games, but the girls worked just as hard as if they'd played a full season.

A "Blanked" Block .

The Pirates began their 1972 season by winning the Interscholastic League Tournament. The excitement and pride was shared by all the Paseo Family.

# NEW PRINCIPAL GETS FAMILY TOGETHER

Mr. Willie A. Giles

Mr. Willie Giles is in his first year at Paseo, but already he is working to make our family at Paseo what it really is -- Number One! Coming to us from Humbolt High School, Mr. Giles is accustomed to hard work and has met this challenge with great enthusiasm. He is truly the head of our "Family".

"What should we DO with them?"

Mr. Giles helps Deborah Henderson to get "fully awake" to what's happening.

# FAMILY HEADS

Mr. William Prewitt

Mr. William Prewitt is in his second year as Vice-Principal at Paseo. As head of all activities, Mr. Prewitt is very enthusiastic, but he is never too busy to help out a student with a problem. Advocating our theme, he's really helping us "do the do in '72".

Mr. Harold Liggins

Mr. Harold Liggins is serving his first year as Assistant to the Principal in charge of Student Control. His experience working at juvenile court teamed with his knowledge of Paseo students helps him deal successfully with our problems.

Mr. William Tillmon

Mr. William Tillmon is in his second year as Vice-Principal at Paseo. Working with the others on the Administrative Team, Mr. Tillmon is helping to keep the Family together.

Mr. Edgar VanFleet

Mr. Edgar VanFleet is in his seventh year at Paseo. He serves as Vice-Principal in charge of Scheduling, one of the most important jobs at our school. Mr. VanFleet is the only administrator to be in on the ground work of the modular programing. His experience and hard work is most beneficial to all at Paseo.

## IN '72 - THEY'VE DONE THEIR DO

Underclassmen anxiously await the day when they will lead Paseo on to better things, while the seniors glance back at the five long years that have finally passed. With each day comes a new beginning, and although the seniors are leaving, the spirit, the traditions and the thrill of the hard-fought victory continues with each class that follows. For Paseo is unique. Paseo is The Family. And Paseo is number one.
