Paseo's JROTC Classes

The JROTC objectives are to develop, in each cadet, good citizenship, patriotism, self-confidence, leadership and responsiveness to authority. Cadets are also taught to communicate effectively, both orally and in writing, and to appreciate the importance of physical fitness. The major subjects studied are: leadership, military drills, ceremonies, first aid, CPR, map reading, marksmanship and safety. Four activities that highlight the year are: The Veteran's Day Parade, JROTC Military Ball, the map-reading field trip, and Field Day competitions. Under the leadership of Colonel Ballard, Paseo's JROTC is always a strong competitor.

Learning to be the best.

Whether is studies, proper dress, lifesaving or patriotism, JROTC provides us with the best possible training for real life or defense.

Paseo JROTC

The Battalion's Command Sergeant Major is Ryan Mott. He is also the All City CSM.

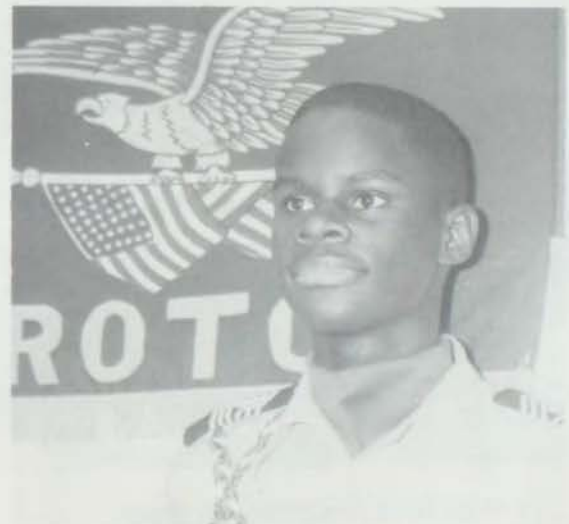

The JROTC unit was formed at Paseo High School in 1927, with only Male Cadets.

In 1973 Congress changed the law to allow females to be enrolled as Cadets. At present there are 208 Cadets (137 males and 71 females) enrolled in our JROTC unit.

We learn
by doing.

Paseo Pirates are still on top. While we have two seniors, Fred May and Larry Lewis making an average of 13pts per game, Derrick Clopton making the best passes, and Fred May getting the rebounds, we'll always be on top.

Our players are good at what they do, and they do it together as a team. As long as Paseo keeps the "Pirate Spirit", and coach Bowie keeps up the good work, the Field House will always be "Our House".

In Loving Memory Of Leo Rainy

We, the students of Paseo High school, dedicate this page in remembrance of Leo Rainy, and his family members who have suffered much grief at his early passing. He was only a junior and in the prime of life at the time he left us. Those of us who knew him well miss him dearly.

Senior Farewell

The 61st class of Paseo High School will be leaving these high stone walls and venturing out into another world. We will leave behind good friends and unforgettable memories. Goodbyes never come easy, but there comes a time when we all must move on, and that time has come for the class of 1989. To the under classmen of Paseo, we wish you luck for a prosperous future.

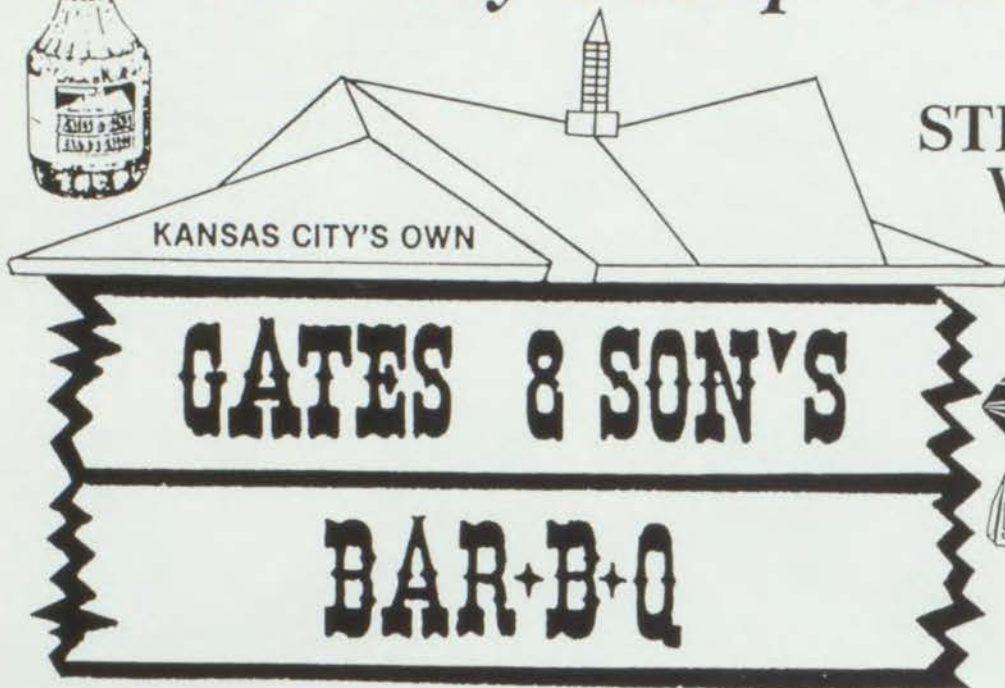

Senior Class President,
Nicole Williams
