Through the years old traditions became new traditions. SHS students took old traditions and remade them with a twist for the 'now showing' events you will see in this book. "Tradition simply means that we need to end what began well and continue what is worth continuing," said Jose Bergamin.

# Jungle Rumble

Students spirit rises...

By Sandra Falter

"Rumble in the Jungle" brought a whole new meaning to Smithville students after Homecoming 2006. Students participated in the traditional homecoming rituals of class competitions, games, class code days, and of course, the dance. Much to the senior's dismay, the sophomores won the class decoration with their wooden trees and vines hanging from the walls.

The tradition of powder-puff was left behind, and instead, each grade and the faculty came together to compete in a tribal class competition. The competition consisted of games including an egg toss, water balloons, sack relay races, free throw, volleyball serve, human abc's, kangaroo relay, football throw, and tug of war. The faculty won the games overall.

The parade, Friday afternoon, consisted of a variety of floats, including the FFA float which won the float competition.

...Continued

Jacob Roland was announced homecoming king at the pep rally and McKynlee Westman was crowned queen later that night at the football game. Following past traditions the king and queen candidates were also driven to the pep-rally by convertible. Also during the pep-rally, Mr. Hinnenkamp was the lucky faculty member who was selected by the student body to kiss the donkey. "It is a homecoming at SHS when the halls are decorated and people are kissing donkeys" said Sophomore Shelby Heckman. Despite all odds the seniors were declared the winners of the eating contest followed closely by the Juniors.

The football game Friday night was a victory for Smithville, beating Lafayette 42-0. That win made the Smithville football team 5-0.

The dance on Saturday night was much anticipated by all students. It was held at the upper elementary and was decorated by STUCO earlier that day. At the dance, Jacob Roland and McKynlee Westman participated in the classic king and queen dance.

# Little Shop of Horrors

Actors wow audiences

By: Justina Aulgur

On Nov. 16-17, Smithville students put on an outstanding show, Little Shop of Horrors. The musical was directed by SHS choir teacher, Mr. Duncan. The cast put in many hours before and after school getting ready for the big day. The talking plant was provided by Kearney's theatre department, along with many other props, making the show a success. Brad Fisher and Anna Hughes were the leads in the musical, playing Seymour and Audrey.

"I think it really showed how talented our school is and how much we care about what we do in the theatre department," said junior Jordan Johnson.

"Looking back at some of the musicals, I would have to say this is one of my favorite ones so far," said junior Brittany Burns.

Little Shop of Horrors proved to be a musical that many people say they would definitely see again.

# Trick-or-Treat

Children come to SHS for treats.

By Justina Aulgur

Many children came with thier parents to experience trick-or-treating at SHS. Coming in all ages and costumes children collected tons of candy from SHS students representing thier clubs. Students came early to decorate thier doorway for the big event. Not only did the SHS students awe the children with thier costumes and creative decorations, but the students were also awed by all the childrens costumes. Trick-or-Treat Street is one of SHS most popular events because it allows children to come and experience Halloween in a warm, safe, dry environment. Parents enjoy watching their children and knowing that they are safe at SHS. Trick-or-Treat Street had become a great tradition and will probably continue to be one for many more years to come.

# Veteran's Day

Remembering heroes that served

By Justina Aulgur

At the Veteran's Day assembly students gathered in the gym to share the day with those who have served our country. It was a day to join together in patriotism and honor.

Many veteran's shared their stories with the students, gave advice about being young, and advice on being an American.

Many students and teachers showed their appreciation by wearing red, white, and blue.

This year students got to sit at tables and talk to different veteran's and ask questions after the assembly. Letting students understand more and get closer to our heroes was a tradition SHS was proud to continue.

## Students show off what they got

By Justina Aulgur

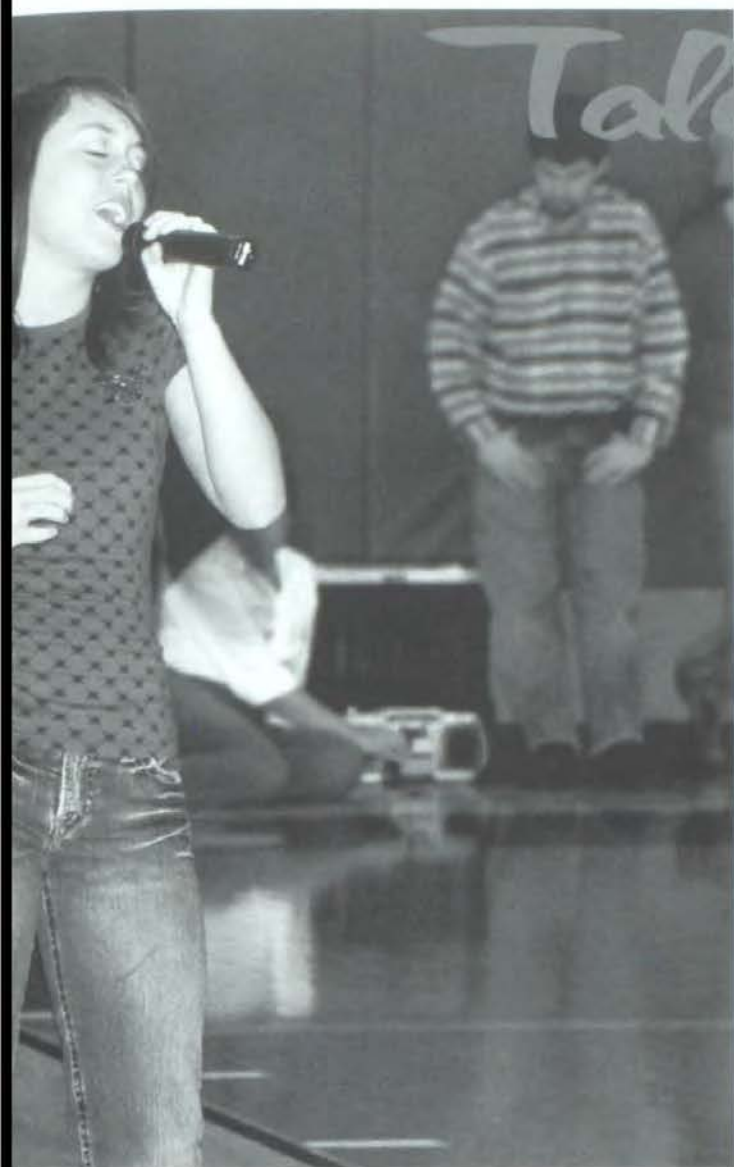

As tradition follows the annual talent show let SHS students show off their talents to the whole school. Ashton Banta, junior, put alot of her time and effort to make the 2006-2007 school talent show a success. SHS students showed off their talent from singing, acting, dancing and playing an instrument.

Scott Fullmer, junior, won the talent show with his interpretation of Napoleon Dynamite.

Students lined up outside the choir doors after school to audition to be in the talent show. Students from freshman to seniors then showed off what they got to SHS. The whole school went to the gym to watch the show.

Warriorfest began with the traditional dress up days, which included School Spirit Day; Tie Day; Top Hats, Tiaras, and Boas Day; and Black and White day.

School spirit was lacking the week of warriorfest due to winter weather and sickness; however, the spirit was recovered Tuesday evening at the girls basketball game for the crowning of the senior King and Queen. Senior King Candidates included Tyler Boydston, Nathan Daraban, Ronnie Ekis and Brad Fisher. Queen Candidates included Brittany French, Tiffany Green, Sara Horrocks and Paulina Lightfoot. The crowns were given to Brad Fisher and Tiffany Green .

Six SHS male students competed in the 2007 Big Warrior on Campus competition Friday, April 13. Being judged by three girls, each from a different school, couldn't have been an easy task. The contestants and their club sponsors were Taylor Mayes, SADD; Paul Baker, FFA; Seth Metcalf, Science Club; Caleb Remboldt, Cheerleading; Greg Chastain, Student Council; and Derrick Robison, Journalism Club. Micah Conkling, Big Warrior 2006, and Brad Fisher were the emcees for the evening.

Each guy had to compete in three phases of competition—Swimwear, Talent/Skit and Formal wear. Once each phase was over, Chastain, Metcalf and Robison were announced as the top three. They were then asked different questions. The judges made their final decision, making Derrick Robison the 2007 Big Warrior.

"It feels really good to be the 2007 Big Warrior on Campus," said Robison. "I really enjoyed doing the skit because I was able to have a lot of fun and interact with the audience."

## SHS continues to expand, improve

By Justina Aulgur

The beginning of the school year brought many changes and new faces to Smithville High School. One improvement to the building was the new gym floor.

Some of the new faces were students; others were part of the SHS staff. Mr. Wayne Krueger moved from principal to assistant superintendent and a new principal, Mr. Todd Hinnenkamp took his place. Other new additions to the staff included Mrs. Jeri Jones, secretary; Mrs. Traci Smith, counselor; Mr. Troy Cronkite, band director; Mrs. Samantha Burks, special education teacher; and Mrs. Anita McCullough, art teacher. Also, Mrs. Donna Potts returned to teach math at SHS.

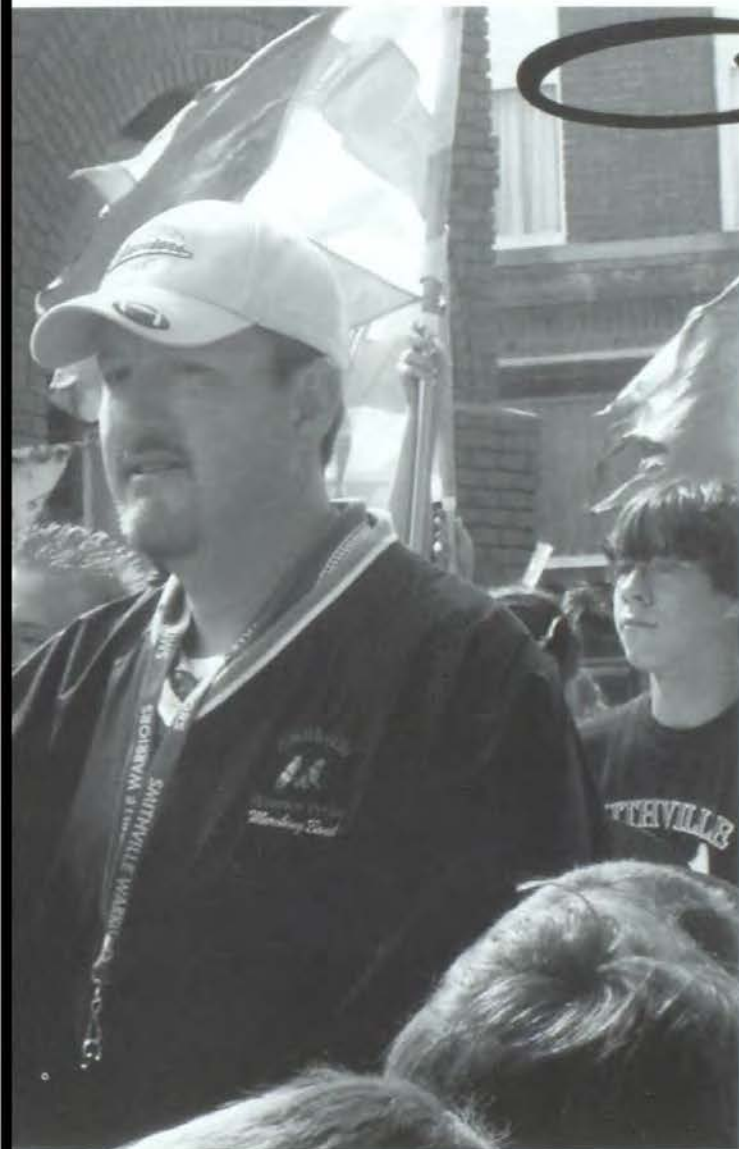

The curriculum grew as well as the staff and student body. Some of the new courses added included holocaust history, Shakespeare, folklore, additional choir classes, college foreign language and AP art studio.

The school also changed to a new lunch system. Students began using their student identification cards to pay for their lunch instead of punch cards.

Everything added up to making SHS better than ever.

# Cast Off

## Actors put heart into school play

By Taylor Hartford

On opening night, the cast of *Our Hearts Were Young and Gay* dazzled the audience with the humorous happenings in Paris for two young girls. This classic story came alive on the ship bound for Paris, France. Two young girls, Cornelia and Emily were on their first adventure out on their own. On the way to glory, they met Dick Winters and Leo McEvoy, two gentlemen on board the ship. Through many mishaps, Dick and Emily fall in love. She meets him on the first day, thinking she killed his best friend. Really, she helped capture a stowaway for the captain. Cornelia and Leo take their time falling into love. Cornelia has more important things to think about, such as becoming a famous actress. She goes to Paris to search for Monsieur De La Croix, an acting teacher. She sets up times to meet him and show how well she can act, but each time, something comes up and she is unable to speak with Monsieur. Finally on the last day they are in Paris, Cornelia sees Monsieur. He sets up this appointment because he heard that Otis Skinner was her father, a well-known actor. Cornelia soon discovers that what she has been looking for has been inside herself the entire time.

# Dancing Away

## SHS students end year with Prom Seanica Reineke

Many students at SHS started wondering at the end of first semester if Prom would even happen. Every year the Junior class had the responsibility to fundraise enough money to pay for every part of Prom. The fundraiser had been selling boxes of assorted chocolate bars since last year. This year the deadline for chocolate sales to be finished was the end of November, but had to be pushed back into the close days of Prom.

"I was very upset that the juniors didn't get their act together and sell their chocolates," said Cara Carr, senior.

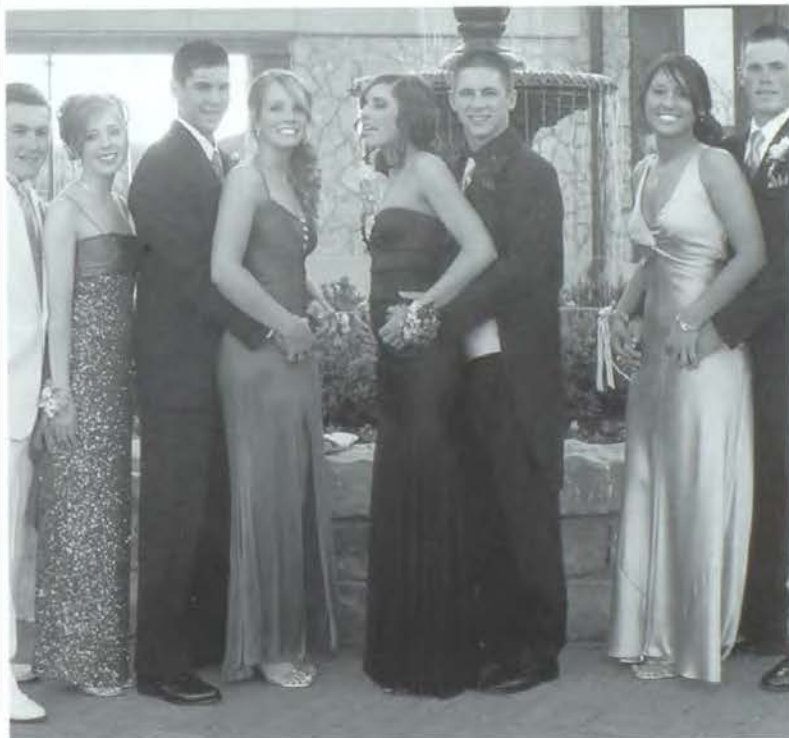

"We did our job of selling the chocolates last year," said senior Jessica Hays. "I am just glad they eventually got it done so we could have Prom."

"The fundraiser was an easy task to do," said Jordan Johnson, junior. "It was ridiculous that it took so long."

"A Night Under the Stars", the prom theme, was held at the Arrowhead Pavilion. Jason Walker was the DJ who provided the music that kept SHS students dancing the night away. The prom that was almost nonexistent ended on a good note.

# After Prom

## Party continues at new location

By Taylor Hartford

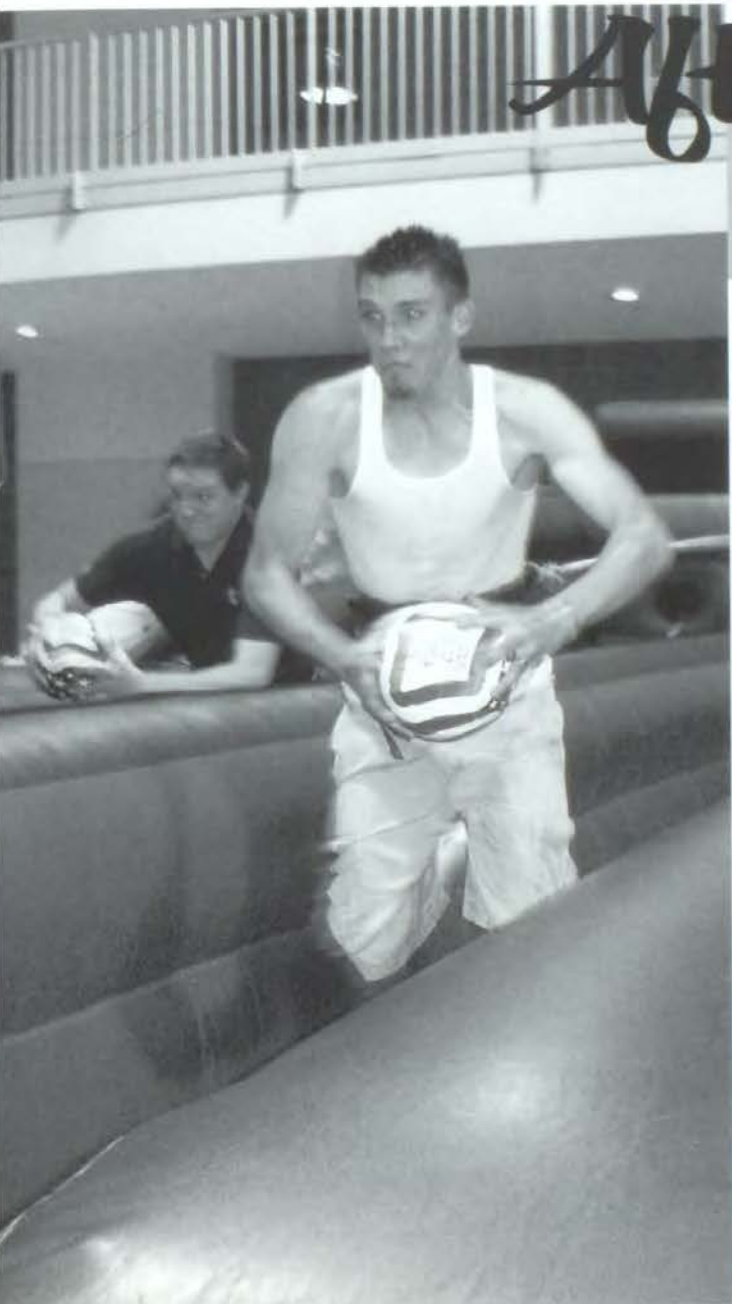

After dancing the night away at prom, students hurried over to the North Kansas City Community Center. Thankfully, it wasn't too far away from where prom was held.

Walking in students noticed the huge pool with water slides and all. They could just chill in the dining hall where drinks and food were provided throughout the morning. At the beginning of after prom, students were served dinner type foods, but, as the morning progressed, fruit and breakfast items became available for students and adults to choose from. There were icy cones provided and students could go into the dining hall and put their tickets in for what items they wanted. After all of that, they could walk to the rock wall where they could earn \$5 by climbing to the very top and touching the bell. Many students were successful in this adventure. On the way past the rock wall, there was the bungee run, basketball, volleyball, and an area where students could try to throw a volleyball into a goal.

"All of the activities were fun like the raffle and playing basketball. It was a lot of fun and the committee did a great job," said junior Carissa Scott.

## Class of 2007 recollects good times

By Justina Aulgur

On May 20, the Class of 2007 met at the Pleasant Valley Baptist church to get ready for their big day.

Mr. Greg Smith, featured speaker, gave the seniors some advice to help out in the future. Valedictorians McKynlee Westman and Eric Grusenmeyer reminded the seniors of funny and dramatic things that had happened since the class of 2007 was in kindergarten. In her speech, Salutatorian Bridget Zacharias brought up memories from high school times.

Eventually, each senior, one by one, as their name was called, walked across the stage to take, shake and flip. Exiting off stage, each senior received a white rose, the senior flower.

At the cap of the ceremony all the seniors threw their cap up in the air as a graduation tradition

## Warriors pull together every game for one unforgettable season

The Warriors finished their unforgettable season with a 9-1 record. Many attributed the success of the team to hard work and coming together as a team.

"We were all like brothers to each other," said Cruiser Nichols, junior. "We could tell each other anything and sometimes we wouldn't even have to speak; we just knew what the other was thinking."

One of the highlights of the season was defeating Cameron, the team who won the state championship the year before.

The team was strong in senior leadership and in experience.

"Going into it we were pushed ten times harder than last year, and we did more in the off season to prepare," said Nichols.

"I think we were better skillwise," said Jacob Petersen, junior. "We definitely played better as a team."

## Records break as girls score wins

The SHS girls volleyball team had a great season with only 6 losses. The team took first place at the Richmond Tournament and third at the Northland Classic.

The girls also broke five records during the volleyball season. Lindsay Horton broke the most blocks in a single season with 59 blocks. Sara Horrocks broke the most assists in a single season with 228, and she broke the most digs in a single season with 183 digs. Horrocks also broke the last two remaining records of most aces in a single season of 47, and most aces in her career with 91.

One of the best games the girls played all year was against Cameron.

"Everyone played above themselves in that game," said Debbie Smith, head volleyball coach.

The team finished a successful year under the leadership of seniors Horrocks, Amanda Arrington, Lyndi Stock, and Casey Lister.

## Warriors continue domination, move into state competition

The boy's soccer team had a very successful year. From their win against Blue Valley Northwest, the previous States 6A champions, to winning districts against Kearney. They showed talent and unity that had not been seen in past years.

"From the first game you could see we had a good team because of the leadership shown by the seniors and the victory over Kansas 6A champions," said senior Taylor Mayes.

The Warriors ended their season with a 21-6 record. Their victory over Kearney maintained their title as district champions for the fifth year in a row. Many of the seniors agreed that the highlight of the season was the district win.

"The biggest difference in this year from the last was the team's unity," said senior Seth Metcalf. "The team had no super stars."

The team put forth great effort at the State Quarterfinals but they were overcome with the loss of 2-3.

## Team records 19-8 season

When the seasons's end finally came, the Lady Warrior softball team looked back and saw it had been very rewarding. Beating the 4A State champs, Helias, at the CMSU tournament, and having Jayce Tingler come and help out the team were just a few good things that happened.

Adrianna Ballor broke the record for most strikes outs in a single year with 178. Catcher McKynlee Westman was only the second Smithville girl named to the All-State honors list with a second team catcher position. The team also took third place at the Trenton Tournament.

Even though the girls lost to Kearney in district, the season was memorable. The team was strong not just on the field but with the friendships they had made with each other.

With the girls coming together as a team, the warriors sent off their catcher, Westman, to college at Yale.

## Runners improve times, compete at State

When it came to winning, the Warrior cross country teams went for the gold with both the boys and girls teams qualifying for State competition.

The teams had more runners than ever, and many felt the teams were in better shape than in the past. Their overall times definitely got better. The boys team broke the total time record and placed first in a meet for the first time. The girls also improved their times and placed well throughout the season. For the first time in SHS history both the girls and the boys teams took first at the same meet.

The strengths of the cross country program were the teams' unity, work ethic and their fast times. The runners not only enjoyed running together, but also eating dinner together. A tradition of singing songs together before meets also emerged. The teams were led by senior captains Joni Weinert, Traci Meyers, Trey Crawford and Micah Conkling.

## Girls, boys teams strive for above par performances

According to Coach Pat Huke, the girls' best golf match was against St. Joseph Lafayette because they won the match and shot the team low score for the year.

The strength of the girls team was their consistency throughout the season. Their weakness were in their short game: chipping and putting.

Bridget Zacharias and Emily Purdue earned a spot in SHS history as the only girl golfers to compete at State two years. The lowest 9 hole score for the girls team was Purdue's 47, and the lowest 18 hole score was a tie between Zacharias and Purdue with 101.

According to Coach Trevor Mosby, the boys' team was one of the youngest teams he has coached, but he felt they competed well and had a lot of potential for the future. The boys were out on the course all the time practicing to improve their scores.

The team did have some obstacles to overcome for the season.

"We had injuries, sicknesses and some starters missed some key tournaments," said Mosby. "Some younger kids stepped in and played well."

Overall the boys' team were proud of their accomplishments and would never forget their "short bus" trips.

## Boys overcome injuries to finish season strong

The Warriors finished with a 19-8 record. The team's strengths were their defense and inside game. Their main weakness was a lack of consistency. Injuries posed a problem for the team, but, basketball is a team sport and players stepped up to replace the injured. Some of the key highlights of the season for the team included beating Platte County, Kearney and St. Pius.

Andrew Jones, who led the team in scoring, rebounds and blocked shots, scored his 1,000 point early in the season.

The team made contributions beyond those made on the floor when they raised \$4000 during the Warriors vs. Cancer game.

## Girls move up to class 4A, continue winning tradition

The girls basketball team adjusted to moving up to class 4A and finished with a 19-8 season record.

Injury and illness posed problems for the team throughout the season. When Kendra Wright tore her ACL, the team was 12-0. Wright was out for the remainder of the season. Also, right before districts, Mallory Craig was knocked out of the lineup because of illness. Despite losing two key starters and falling short of their goal to win a fifth district championship, Head Coach Trevor Mosby felt the girls competed well.

The team won the Winnetonka Tournament and took second place in the Penn Valley Tournament. Another highlight for the team was beating Olathe East in the Hy-Vee Shootout.

The leading scorers for the team were Vanessa VanBleisem with 319 points, Krysten Leas with 269 points and Mallory Craig with 221 points. Senior leadership for the team was provided by Wright, Leas, McKynlee Westman, Mary Ann Leach and Heather Thompson.

# Wrestling

## Warrior wrestlers work hard to takedown competition

The big agenda for the wrestling team was to build up the team and take it to the next level, according to Head Coach Scott Vitek.

One of the strengths of the team was their depth; the team included eight freshmen, ten sophomores, eight juniors and four seniors.

Team members battled injuries and illness throughout the season, but, in the end, managed to stay strong in competition. Overall the group was "tightly knit" and they encouraged each other to succeed.

Highlights of the year included bring home a trophy from the Smithville Invitational home tournament, placing third in Conference and fourth in District competition.

## Squad raises school SPIRIT game after game after game

Showing school spirit, cheering the football team on to a great season and cheering for both the boys and girls basketball teams was just routine for the cheerleading squad. The strength of the squad was their contagious positive attitude and their attitude combined with hard work showed in everything they did.

"The girls did a fabulous job this year keeping up their hectic schedules and their positive attitudes," said Coach Dawn Swenson.

Their goals for the year were to stunt with more difficult maneuvers and to get the mascots more involved. Most of the squad felt their efforts were both productive and successful.

## Pommies change name, dance their way to Nationals

The pom pon squad adopted the name Starlettes and danced under the leadership of a new coach, Jennifer Smith. The girls began working during the summer and continued to work hard all year to prepare for National competition, but they also found ways to keep the fun in their dancing.

"Sometimes we had to work to keep practices about dance," said Coach Smith. "With 12 girls, it can get pretty silly."

One of the strengths of the team was the way they worked together. According to Smith, the girls were very supportive of each other and each girl contributed something unique to the group.

"I have never met a more dynamic group of young women," said Smith.

## Boys track team makes strides in competitions

On an overcast day in May, senior Ethan Schaufler prepared to pole vault. His jump of 13 feet pushed him into the record books.

"It was so cool," Schaufler said. "It's like now I know I left something behind here. People can see it on the records."

Schaufler wasn't the only one who had something to brag about. Many boys on the track team accomplished things they never thought they could. They also bonded "like brothers," according to junior Nathan Raines.

Junior Cruiser Nichols was the lone male track member to qualify for sectionals after an outstanding high jump leap.

"It was weird. I didn't really know how high I had jumped because the measures weren't right," Nichols stated. "But after they said I placed first I was just ecstatic."

## Lady Warrior make great strides during season

Youth dominated the girls track team which included mainly freshmen and sophomore and only one senior, Joni Weinert, on the roster.

According to Coach Greg Smith, the team worked hard and gained valuable experience with each meet. Despite the interference of cold and rainy weather, the girls continued to improve their personal bests through out the season mostly due to their strong work ethic.

Ariel Schaufler set a new school record in the pole vault with a vault of 9'. At Districts, Schaufler fell short of a Sectional qualifying height in pole vault and tied for 8th at Districts. Casi McCall qualified for Sectionals in the triple jump, but an ankle injury banished her hopes of a State medal this year. Other outstanding District finishes included freshman Payton Hartman's sixth place in the 3,200 meter run and sophomore Kymie Roland's ninth place finish in the mile run. During the regular season, freshman sprinter Dessie Lake and freshman hurdler Grace Miller also made their presence known on the track scene.

## Lady Warriors face many firsts in winning season

The season started out rough for the Lady Warriors soccer team. Winter weather kept the team to inside practices for a lot longer than any of them would enjoy and their early schedule was a lot less difficult than any of the coaches would like. The team overcame, however, and began the season with many new faces.

"There were a lot of freshman this year," said sophomore Mallory Craig. "But I think they made our team what it was."

A lot of freshman may be an understatement. With five starting freshman, the Lady Warriors were a young team.

The girls won the MEC championship for the third time in a row and were seeded second in districts.

"Our scores reflected our playing ability," said Coach Jon Reed. "Each and every one of our losses was a quality played game. We never gave up an easy win, and we always challenged our opponents."

## Team plays for new coach, gains experience

The Warrior Baseball team started out a little rough but ended the season like champions. At the beginning of the season, the Warriors lost to the Benton Cardinals but when it came to the district game the Warriors were ready to do their best. Even though the boys lost to Benton in a 3-4 game, Coach Andy McNeely said that this was a learning experience for each of the boys.

One of the major changes for the team was having McNeely as their new coach. The team adapted well to the expectations of their new coach. The Warriors kept their heads high as they finished the year with a successful season under their belts, including a fourth place MEC finish with a conference record of 3-4.

you. I am so proud of you and I hope that you are deliriously happy in everything that you do. Dream big and trust in the knowledge that you deserve it!

# Justin,

You've grown up so fast,  
It's been a pleasure.  
But it's all in the past,  
The high school memories  
we'll treasure.

It's hard to express,  
In words alone,

The experiences we've shared,  
And the success you've shown.

Going off to college,  
To the unknown.  
To gain all the knowledge,  
To be out on your own.

So, the best of luck,  
In your future endeavors.  
We're so proud of you,  
With love, always and forever.

Mom, Dad, & Jamie
