## THE YEAR OF THE KNIGHT

# FACULTY

# Head Knight of Southeast

William D. Evans, Principal

What? Southeast lose?

## The Year

A year of disquisition,  
A year of dawning light,  
A year of preparation,  
A year of the Knight.

When do people realize  
Might does not make right?  
That love alone can make this  
The year of the Knight.

## Students Guided By Adams, Herron

Even Knights and ladies can get out of line occasionally, and Mr. Berle Adams, vice-principal, and Mr. William Herron, administrative assistant, devote their time to guiding students' actions and establishing means of discipline when necessary. The administrators strive, in their daily tasks, to present the ideals by which a truly chivalrous person would live. In their offices or among the students in the halls, they demonstrate friendliness and understanding in their relations with the student body.

All but one of my group had fewer cavities.

"Don't give me that 'But Mr. Herron' stuff. It says here you've been tardy before."

## More Than Teams Win Trophies

Support is never long in coming from the faculty and administration. Much needed morale was supplied to the student body when Southeast acquired the Southside Trophy on October 13.

# "The Making of a Knight"

As a Freshman opens the doors of Southeast, a medieval world presents itself. He may stand in awe before the Round Table or look aghast at the many shields displayed in the Great Hall. All these traditional codes are explained in the annual Induction Ceremony, "The Making of a Knight," written by Miss Maria Fetters.

The ceremony takes place in the court of King Arthur. It includes the Induction of two Freshman as Pages into the service of the King and Queen. A guildmaster explains the purpose of teachers and a court wizard shows all facets of school life through various Tableaux. The ceremony is concluded with the Knighting of an outstanding Senior boy and reciting of a loyalty pledge taken by the entire Freshman class.

# Knightlites 1969

Where's the color glow?

"Sounds Of Today", Southeast's initial public performance for the year was presented November 21. Directed by Mrs. Eleanor Brown, with the assistance of the production staff and the entire cast, Knightlites again demonstrated the talent and versatility of the Southeast Knights and Ladies.

This year's show was highlighted with the teachers comedy skit, an African dance line, and the first nude scene, the "bare stage."

At my party...

Getting down to the real thing.

Woman, don't you have no pride?

# Various Plays Provide Cultural Enlightenment

"Gentles, perchance you wonder at this show; But wonder on till truth makes all things plain."

This year the Drama class presented several plays for the enjoyment of the Junior and Senior English and Humanity Classes.

The plays presented before Christmas were: "A Midsummer Night's Dream", "Hamlet", "Day

of Absence", and "Sorry Wrong Number".

These plays gave the Drama students additional practice on the art of stage performances. All the plays were presented and directed by the students themselves.

"Jackson, all the niggers is gone!!!"

"Father, I do not know what it is but I fear it."

"Hello—someone is going to be killed!"

"What's he got that I don't got."

## For English And Humanities Classes

During March the Drama class presented a number of plays for the enjoyment of those classes which wished to attend. They included "Catch a Never Dream", "Infanta", "Death Knocks", "Our Town", "Bad Seed", "Miracle Worker", "Black Drama", "Great White Hope", "Soul Gone Home", "Guess Who's Coming For Dinner" an original by Ann Rickets, and "Star Spangled Girl" which was presented after school as a money making production.

"Who was here first?"

"I'm gonna sit here and rest my skinny bones."

Right chief. . . "I've got it and you want it."

For pete's sake

## Assemblies, Athletics Events

Often this year the auditorium vibrated as the Cheerleaders led pep assemblies. They often presented skits for the amusement of the students like this one for the game Halloween Night with Manual.

This year the South Side Trophy was returned to Southeast by a victory over Southwest 14-7. This was attributed to Coach Bill Myles's new strategy he brought to Southeast. He officially became a Knight in an assembly introducing the 1969 Football Squad.

As in years past the Seniors constructed an American Royal float. This year we were well represented in the American Royal Parade by the Letter Bearers, Band, Cheerleaders, and the Senior float.

"We've got it and you want it." This was the *Crusader Staff's* motto this year. In an assembly the entire staff presented a skit to promote yearbook sales.

Left, right, left. Column right. . . Hey! Hold it!

will you hurry up!

## Occupy Knights

Hey man! I sure hope it doesn't rain.

Is that really coming out of her mouth?

Thank you—Cake Eaters!

# Whose Name Will Be Drawn In "The Lottery"?

Little Sally finds pleasure in stoning her own mother.

The Penthouse Play this year was "The Lottery" by Shirley Jackson. New techniques were used this year and the play was performed in-the-round.

In this one-act thriller the action takes place in a small country town on June 27. On this day all of the 200 towns people come out to participate in this annual drawing. The unfortunate person who picks the marked piece of paper is immediately stoned to death by the town people.

Old Man Warner tells the young folks this is his 77th Lottery.

The Ban wore off as "The Lottery" wore on.

The 1970 Categories Team, under the direction of Mrs. Joy Clumsky, met Ruskin High at the WDAF-TV Studio January 31, for a battle of wits. The five students chosen practiced every day for weeks preparing themselves for this meeting. Unfortunately this year's team was defeated by a score of 12 to 20. Even though defeated they all profited from the knowledge gained during preparation for "Categories".

## Southeast's Wit Outwitted By Ruskin; Governmental Processes Taught At Boys' State

Missouri Boys' State is an annual conference held at Central Missouri State College during the summer. 1,000 Senior boys from Missouri are sponsored by the American Legion to attend this one week conference. The boys are divided into two political parties, Nationalists and Federalists, where they set up governments on the city, state, and federal level. The purpose of Boys' State is to teach the principles of democracy, citizenship, and leadership.

# Homecoming--It Must Be Your Thing!

After the crowning Angela reveals her secrets of success.

Mr. Evans places crown on Denise Blackmon, Homecoming Queen.

In position of honor the Queen Candidates watch the Knights trample Falcons.

On November 8, the Knights were victorious over Van Horn 8-6 in the 1969 Football Homecoming game. The traditional half time parade, consisting of decorated cars representing departmental clubs and those carrying the Queen candidates, ended in the presentation of Queen Denise Blackmon. She reigned over a dance that night with the theme "It must be your thing". Music was provided by Flash and The Inmates.

The Knights trampled the Westport Tigers 59-32 to lighten Homecoming spirits. Half time festivities consisted of a routine by the pom-pom drill team and the announcement of Angela Bennett as Queen. "Psychodelic Shack" was the theme of the dance, music by the Impression Of Soul.

Motivated by spirit and the promise of an exciting year, the Cheerleaders worked throughout the summer to perfect their routines. Constant efforts at the Missouri Valley Cheerleader Clinic enabled them to return with many awards.

This year a Spirit Ball was initiated by the Varsity Cheerleaders. The classes were judged for their game attendance and quality of school spirit. On the outcome of this judging, the most deserving class was awarded the ball each week.

## Citizenship And Acquire Basic Military Training

The mission of the Southeast Reserve Officers' Training Corps is to lay the foundation for intelligent citizenship within the student and give him such basic military training as will be of benefit and value to him and to the military service, if he becomes a member thereof. The ROTC course consists of formal military instruction of a general type applicable to the Army as a whole.

Under the direction of Sgt. Major Kenneth Storms and Sgt. John Scott, the battalions worked hard in competition and community activities throughout the year. Their hard work caused them to win the Kansas City Star Award again this year making it the eighth year in a row. This award is bestowed upon the school which is rated highest in ROTC for the entire year.

## North Kansas City

A come-from-behind defensive battle brought the Knights the year's first victory, 10-6 over the Northtown Hornets. Throughout the game, plays from scrimmage failed to move either team; Robert Milan's fumble recovery and forty-yard run gave Southeast its only touchdown, and the Hornets scored on a punt return. The defense gave an indication of things to come; the winning points were scored on two safeties.

## Joplin

A hot, muggy day provided the atmosphere for a tortuous 6-0 victory over the second-ranked team in the state. Holding the Joplin Eagles to a total of minus seven yards offense, the defense proved itself once and for all as the best in the city. Joplin's star running back was cut down from 202 yards rushing the week before to twelve yards against the Knights. Larry Flowers made the game's only score on an end sweep.

## East

Helped by an alert defense and numerous fumbles, the slumbering Southeast offense awoke and stunned the East Bears, 34-0. All the scoring took place in the first half. Quarterback Steve Harvey, a junior, accounted for three touchdowns, running for one and connecting with John Williams and Brad Carr for two. David Reed and Butch Eastman added the other T.D.'s.

## Westport

The annual Dad's Day game ended in disappointment as Southeast suffered its first loss in the first league game, 20-14. Larry Flowers accounted for all of the Knights' scoring, assisted by Steve Harvey's fifty-three yard run to the Westport five. The only other highlight of a dismal day was Robert Foster's spectacular 75-yard pass that fell just beyond the fingertips of John Williams.

## Southwest

Southeast finally played a game on familiar territory—a cold, muddy field—and came away with the coveted Southside Trophy. Again the defense starred in the 14-7 victory, stopping the Indians twice within the one-yard line. Larry Flowers' five-yard pass to Mike McNeil and Butch Eastman's two-point conversion gave the Knights the winning margin; Carl Kipper's interception capped the season's only defeat of the 1969 league champions.

## Lincoln

The Knights left no doubts as to their superiority in the mud with a perilous 8-0 shut-out of Lincoln. The defense contained the team that Bill Myles had coached for the past four years, and the offense sputtered in its usual manner. Two Foster passes set up a Flowers T.D. and two-pointer.

## Central

There were lots of Monday morning excuses for the 14-0 loss to Central—fear, an inferiority complex, weather, etc. About the only way to explain the sixth Eagle victory in as many years was to say the Knights finally met up with a defense stronger than their own, before the offense could rise above the mediocrity that plagued it all year.

## Manual

Southeast's defense held the Cardinals to eighty yards offense and no points scoring as the Knights returned to their winning ways, 12-0, in another muddy contest. Highlighting the defensive effort with interceptions were Bobby Van Landingham, who ran one back for thirty-five yards, and J.L. McCon, who scored on a nineteen-yard return. John Williams, junior, completed the scoring with a nine-yard T.D. run.

## Van Horn

The Big Red defense not only proved itself, but saved the day as the Knights labored to an 8-6 homecoming victory over Van Horn. Flowers' pass to Mike McNeil and his two-point run gave Southeast the edge, while a superb defensive effort preserved the first defeat of the Falcons in five years.

## Paseo

Carl Kipper blocked an end-zone punt for a safety, Mike McNeil showed spectacular defensive play, and a moving Southeast offense soundly defeated Paseo, 24-0, and clinched a tie for second place. McNeil ran back an interception 65 yards for a touchdown, then steaked 54 with a fumble to put himself on top in the game's scoring. Flowers' one-yard plunge capped the scoring and the Knights' fifth shutout capped a successful season.

With two-thirds of the Varsity graduating this year, and no sophomores to fall back on, this year's B-team will be depended upon as next year's Varsity. After forging a 1-5 league record, Southeast's football future may look bleak. However, it should be noted that the junior Knights got a late start this year, and Coach Rusty Davidson made an impressive showing as he managed to finally get the team together in his first year at Southeast.

With these points in mind, it is possible to surmise that the 1970-71 Knights might be able to follow in the illustrious footsteps of the Big Red.

Champions. For the first time in seven years the Knights savored the title as they blitzed the Interscholastic League with an 8-1 record. Southeast showed incredible depth through a season of injuries and tough scheduling. In his third year of coaching Arnold Caviar provided eight seniors with their last and undoubtedly best basketball season.

The Round Table, Southeast's student governing body took on a new look for this year. In previous years the Round Table was composed of representatives from various homerooms. This year a committee, code named the CODRS, interested in updating the system of choosing members of the Round Table presented several ideas to the student body. The students voted on our present method. Representatives are now chosen by their classes.

Students who wish to represent their classes secured petitions and then eight from each class—freshmen, sophomore, junior and senior—were voted upon. Members at Large were voted upon by the entire student body.

Also as another "first" at Southeast this year, the Round Table selected their own sponsors. Serving as sponsors this year were Mr. Harvey Oxman and Miss Sherrie Knox.

ROUND TABLE officers are, from left, Marilyn Johnson, sergeant-at-arms; Sheila Hall, corresponding secretary; Angela Bennett, treasurer; John Williams, president; Robert Milan, sergeant-at-arms; Carmen Andrews, *Tower* representative; Melinda Rosser, recording secretary; and Theresa Andrews, chaplain. The Southeast Beta Club has been a part of Southeast since its dedication in 1939. Scholarship, leadership and service are qualities each Beta member must possess. Member standards are high. Each member must have been on the honor roll for five semesters, maintain a 3.00 grade average, and have a worthy citizenship record.

After being notified at his eligibility for Beta membership, each pledge shows his desire of becoming a Beta member by writing a letter to the club expressing his reasons for membership and by memorizing the Beta pledge and song.

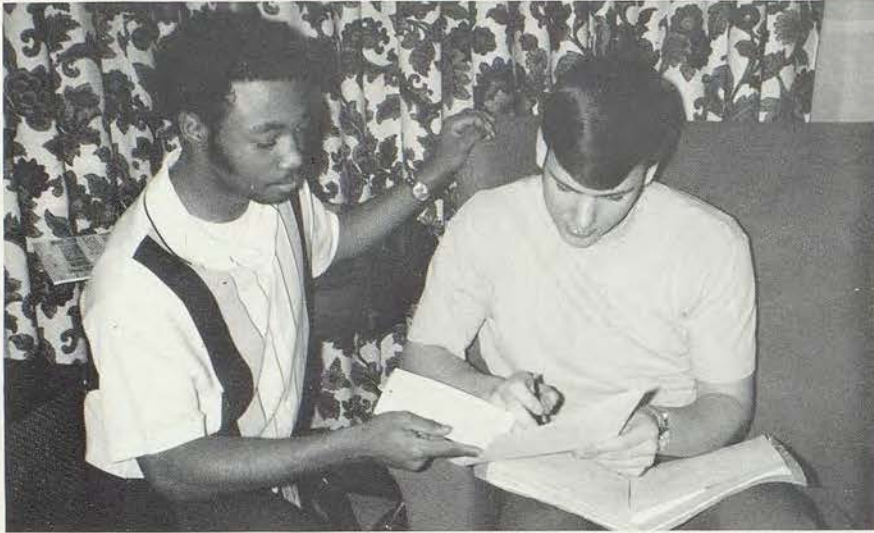

Under the leadership of Mr. Robert Sweeney, the Beta Club serves. Projects undertaken this year included selling the Knight's Handbook to incoming freshmen and leading freshman orientation tours, offering a tutoring service to Southeast students, maintaining the front showcase, and ushering at Commencement.

A memorable event for all Betas was the annual state convention held in St. Louis. Betas from all areas of Missouri met, exchanged ideas, and again had the opportunity to exemplify the Beta motto, "Let us lead by serving others."

This year sixteen seniors learned what complexities are involved in editing a yearbook. This year's *Crusader* staff began work on the *Crusader* before the school year opened and already during the month of September the staff was working diligently in order to meet the first deadline. Staying after school and coming in during holidays, the staff struggled to meet all of the necessary deadlines.

Through the combined efforts of both the photography and editing staffs, obstacles were met and overcome to produce the 1970 *Crusader*.

This year's *Crusader* had brought back more emphasis on the past traditions of Southeast by making its theme "Year of the Knight."

# Biology Club Offers Further

## Benefits For Exploring Young Minds

Two students in advanced biology make attempts to dissect an unfortunate shark.

The Southeast biology club is a big help to students who are interested in biology. The club offers students a number of opportunities to explore even deeper into the field of biology through the use of field trips and nature studies, lectures and slides.

This year the club was responsible for the formation of a student organization known as SOAP or Students Organization Against Pollution. In cooperation with two other schools, this group made constructive efforts in the fight against pollution.

# COE Leads Seniors To Vocational Opportunities

Cooperative Occupational Education or COE has been offered to students since 1946. COE is designed to open up many job opportunities to seniors. Under the supervision of Mr. Cecil Coombe, students enrolled in this program attend classes for only a half day at school and then proceed to their various jobs which offer them experience in such fields as saleswork, accounting, office work, and metal work. In the classroom, students learn to apply useful information concerning money management, income tax, insurance, stocks and bonds to name just a few. COE helps a student to understand his abilities and interests in preparing a lifetime vocation.

## Human Relations Bridges Gaps

Serving as sponsor this year was Miss Carol Webb.

For the third year the Southeast Advisory Council for Human Relations has directed itself toward confronting and discussing problems existing in our school. The Council is composed of students elected by the student body. The purpose of the Human Relations Council is to promote better understanding among groups, races and individuals. Through discussions and visits to other schools, the Council has attempted to foster an understanding between intergroup and intragroup relations.

Working closely with the Round Table on several proposals this year, the Human Relations Council did its share in encouraging better relations between students and administration.

# Volunteers Offer Time And Efforts For Tasks

## Hall Warders

Hall warders are a valuable service group in the Castle. They arrive early every morning to keep students on the main floor until 8 o'clock, giving teachers a few more minutes for daily preparation.

HALL WARDERS include Margo Lemmones, Cheryl Beatty, and Linda Harden.

## Stage Crew

The stage crew plays a large part in any Southeast production or assembly. They are responsible for lighting, sound, and scenery, and spend hours during rehearsals and homeroom perfecting these techniques.

STAGE CREW members Kimberly Hamilton, Cassandra Woodard, Terrence Ross, and Courtney Parker bask in the spotlight.

Southeast members attended the Kansas City JCL convention on February 28 to elect officers. Junior Classical League membership is lifelong.

The Fellowship of Christian Athletes is a new organization at Southeast, sponsored by Coach Bill Miles and Dan Maltby, a '65 graduate of the Castle. The goal of FCA is fellowship. ## In Memoriam

Mona Johnson—CLASS OF 1970

Michael Harris—CLASS OF 1971

### He Is Not Dead

I cannot say, and I will not say  
That he is dead. He is just away.  
With a cheery smile, and a wave of the hand,  
He has wandered into an unknown land  
And left us dreaming how very fair  
It needs must be, since he lingers there.  
And you—oh, you, who the wildest yearn  
For an old-time step, and the glad return,  
Think of him faring on, as dear  
In the love of There as the love of Here.  
Think of him still as the same. I say,  
He is not dead—he is just away.

—James Whitcomb Riley

## Senior Farewell

Clasp hands for the last time, Seniors.  
Let us take our closing glance back  
    through the shadows cast behind us,  
    before they are carried off by the  
    darkness which ends this day.  
The night will swiftly steal these shadows,  
    concealing the life within them,  
    the passed life—a passed year—  
    The Year of the Knight.  
A high school life, which demanded  
    and toyed with our emotions.  
Emotions of fear—  
    when we couldn't understand actions and  
    words from those around us.  
Emotions of joy—  
    when we, for a moment  
    could feel the security of knowing that  
    maybe we did share some common bonds.  
And we all knew how it felt to be confused,  
    hurt, and lost when we encountered  
    conflicts with our friends.  
But now,  
    let us turn our heads forward  
    and allow the night to be gone  
    with these shadows.  
Gently drop hands,  
    and wait for the dawn  
    when we shall clearly see,  
    the mountains that lay before us.  
Say goodbye to this school, Southeast  
    but not to her traditions.  
Let us depart from here,  
    once—Knights of the castle,  
    now—Knights of the world.
