IT WAS A NEW DAY WITH SPIRIT, PRIDE, AND POWER

1971

WILLIAM J.
HERRON
HEAD OF
THE CASTLE

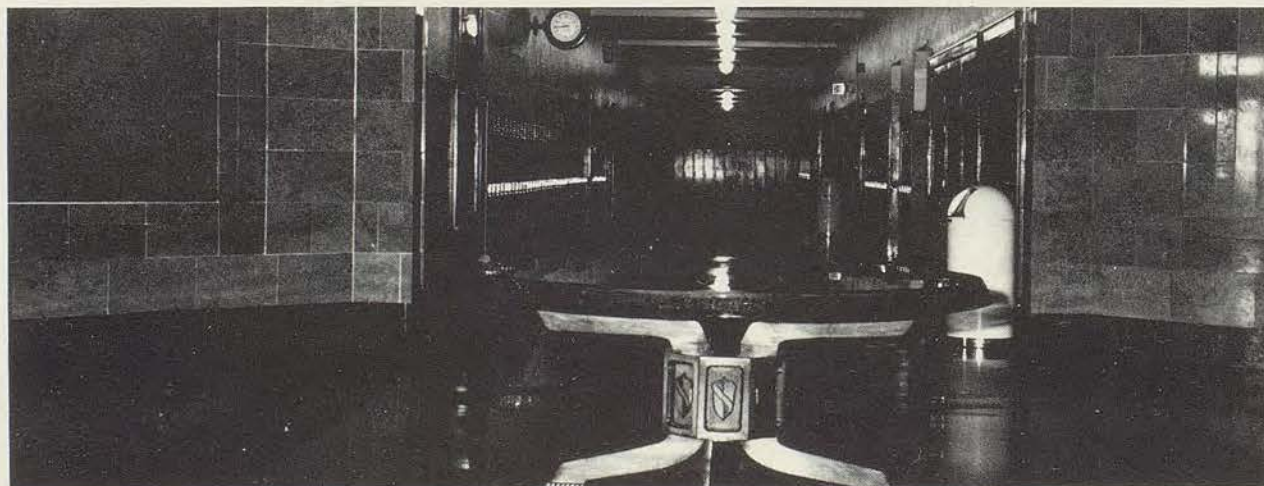

I cannot easily put into words a formula that will insure any of you the success and happiness I wish for you. However, I can tell you this: that the challenges and pressure that you are certain to face can be dealt with. All of the courage, hard work, and tenacity that has been required and supplied by you to get where you are today is but a "drop in the bucket" compared to that which you must do just to maintain in the real workaday world. The preparation you have received is already outdated. Technology has made life in America a hundred-yard dash. Notwithstanding, all of us are not sprinters, so at best all of you will not compete well across the board or in all key areas. You need never despair, however, because you can share in the happiness that ought to abound, by establishing for yourself goals that are directly related to your personal wants and needs. Success is only one thing. It is a progressive realization of your predetermined worthwhile goals. Your happiness is directly related to your realization of just the things you want for yourself. Plan carefully for those changes you want to make and do remember this: that success is not a destination but a journey, therefore the instant you start moving toward the accomplishment or achievement of your goals you then begin living successfully. In other words, you do not have to wait until you have achieved to feel successful. You can this minute be a success at seventeen or eighteen years of age and enjoy all of the rewards that go with satisfying living. Take with you all of my love and best wishes. I sincerely feel that success is not a matter of luck but a matter of planning your program and finally working your plan.

William J. Herron

“For there’s an open gate at the end of the road
Through which each must walk alone
And there, in light we cannot see,
Our Father claims His own.
Beyond that gate your loved one
 finds happiness and rest
And there is comfort in the thought
That a loving God knows best.”

CRUSADER STAFF VISITS THE GREAT PUMPKIN

Work on this year's CRUSADER began early in the summer, so by the beginning of the school year, most of the initial work was out of the way.

This year's staff wanted to take a nostalgic look over the last four years. This was because we wanted the seniors, if no one else, to feel that this is truly their yearbook.

The big change in the sale of CRUSADERS this year is that due to the fact that our student's interest in the yearbook was failing, the staff decided to include the price of the book in the junior and senior fees. This change was met with mixed emotions by the student body, but this year's staff is certain the 1971-72 CRUSADER is sure to be a winner.

1971-72 CRUSADER STAFF: Robert Day, organizations; Judy McArn, Co-editor, activities; Angelia Anderson, photographer; Janella Harrison, organizations; Randall Stickney, sports; Sussanne Fusso, students; Becky DeHart, students;

The Southeast Beta Club has been a part of Southeast since its dedication in 1939. Scholarship, leadership and service are qualities each Beta member must possess. Members' standards are high. Each member must have been on the honor roll for three semesters, maintain a 3.00 grade average, and have a worthy citizenship record.

This year the Beta Club sponsored a honors assembly where all students who had made the honor roll were honored along with the Betas who received special honor. The Beta also under the leadership of Mrs. Holloway, offered a tutoring service, maintained the front showcase, and ushered at Commencement.

A memorable event for all Betas was the annual state convention held in St. Louis. Betas from all areas of Missouri met, exchanged ideas.

LINK CASTLE WITH FOREIGN LANDS

Les Chevaliers, or "The Knights", acquaints its members with customs of the French. An initiation ceremony and a picnic were two enjoyable events. Sponsored by Mr. Ronald Butler, the French Club's outstanding festivity was celebrating the Mardi Gras on Shrove Tuesday, the last day before Lent, by having a masquerade party. Also, an added feature of the French Club is that the members are learning to speak the African language of Swahili.

This year Latin was restored to Southeast for the first time since 1969. The sponsor, however, is still Mrs. Mary Roll. This year's club is being used as a supplement to the Latin I class. Therefore, the members have a double chance to enrich their knowledge of the Latin culture.

The Stage Crew is a very important part of any Southeast assembly or production. To be on the Stage Crew, these students had to complete a rigorous course in theatrical productions. This included lighting and set decoration.

Indeed without this group of dedicated students, the show could not go on.

Money management, income tax, insurance, and stocks and bonds are taught in the classroom. COE helps a student to understand his abilities and interests in preparing a lifetime vocation.

SOUTHEAST HOST ITS OWN AMERICAN ROYAL!

This year the Southeast High School football homecoming had an added attraction. Homecoming was highlighted by a street parade. The parade started down Meyer Boulevard to Prospect. From Prospect the parade continued up 63rd street and proceeded back to

school for the annual homecoming game. Cheerleaders, Pompon girls, Drill teams sparkled throughout the evening in school colors of red and blue. The parade was co-ordinated by Mr. Curtis Rogers, Vice-Principal.

INDUCTION!!!

Upon first entering the doors of Southeast High, a world of medieval pageantry unfolds before the freshman class. This spirit of tradition and nobility is portrayed in the annual Induction Ceremony. This

ceremony introduces freshmen to the customs of the Castle and instills in them beliefs in truth, honor, freedom and courtesy.

The Flight

We are two eagles
Flying together
Under the heavens
Over the mountains
Stretched on the wind
Sunlight heartens us,
Blind snow baffles us
Clouds wheel after us
Ravelled and thinned

We are like eagles
But when Death harries us,
Human and humbled
When one of us goes,
Let the other follow
Let the flight be ended,
Let the fire blacken,
Let the Book close.

We become bitter.

become determined and hopeful.
