PRINCIPAL WILLIAM J. HERRON

## *Principal*

The well known face of a principal . . . . a stern look of organization that represented the focal point of school unity . . . . One that dealt with individual and collective problems.

Mr. William Herron led the Southeast faculty as he interpreted district policy to fit school problems. Working for the maintenance of a smooth running school, he supervised teachers and presided over every facet of school life.

To help Mr. Herron run the Castle are three able-bodied administrators: Mrs. Barbara McKinney, who serves as Dean of Women; Mr. Curtis Rogers, Junior Vice Principal; Mr. David Griffith, Freshman Vice Principal; Mr. Robert Brashiers, Sophomore Vice Principal.

Counselors at Southeast play a vital role in the operation of the school. They are constantly checking into the avenues of opportunities for the students. They schedule classes to meet the needs of the students they serve. The warmth generated by the counselors let the students know that they have a friend in the counselors.

*English Department  
Developes Poise,  
Creativity and Self-Confidence.*

Surprise!

The English department maintains that a productive, active and scholastic student, must be one who has a good background in English. The department uses materials to enhance the students' comprehension and awareness of the world around him. The students learn to be creative both, in composition and grammar; thus increasing his productivity, poise, and self confidence.

Social Studies provides experience in world problems, government, civics, and black awareness in history. The aim of the social studies department is to strengthen students in their everyday involvement in the world around them.

Students are taken on field trips to courthouses, State Legislature, County Legislature and hold mock sessions of their own in the classroom. The students thus have a practical awareness of what is going on around them in government and governmental procedures.

## Math

Science provides a new world of discovery for students who are enrolled in its courses. The study of plant and animal life intrigues the students as they observe the formation and growth of seeds planted in the laboratory. Students can then see the realization of the work presented in the text they have already read.

Mathematics helps the student in basic everyday living. Students learn to calculate simple items such as grocery bills, taxes, interest rates and basic principles of mathematics. Students learn that hard work is essential in mastering the principles of mathematics.

## Shop And Economics

Preparing the budget, cost of materials, measuring to be sure that the proportions are correct and providing creative skills for the students are the main concerns of the shop and economics department. The students are prepared for living now and for the future when they become homemakers and heads of households. There are many young men enrolled in the food classes as well as young ladies in the shop classes.

## *Gym & ROTC*

The Departments of Gym and ROTC both teach discipline in body and mind. The mission of the Southeast Reserve Officers' Training Corps is to lay the foundation for intelligent citizenship within the student and give him such basic military training as will be of benefit and value to him and to the military service, if he becomes a member thereof. The ROTC course consists of formal military instructions of a general type applicable to the Army as a whole. While ROTC deals with type of work the physical education department works very hard in helping the students maintain good health and gives them that little something that is needed for the rest of the day.

"Let us lead by serving others." This is the motto of the Beta Club, Southeast's honor society. The club is open to students who have maintained a 3.0 grade average and a worthy citizenship record for three semesters.

Under the leadership of Mrs. Dorothy Holloway, the Betas serve the school and community in many ways. Their projects include bake sales, a mixer, and an anti-pollution campaign. They also decorated the showcase and ushered at commencement.

The highlight of the year's activities was the annual state convention held in St. Louis. Betas from all over Missouri met and exchanged ideas. Janice Jones and Bonnie Williams campaigned for president and vice-president respectively. As at last year's convention, Southeast again came home with the award for the best talent number.

# COE Leads Students To Vocational Opportunities

COE (Cooperative Education Program) has been offered to students since 1946. COE is designed to open up many jobs to seniors. Under the supervision of Mr. Messinger, students enrolled in this program attend classes for only half a day at school and then proceed to their various jobs which offer them experience in such fields as saleswork, office work, accounting, and metal work. Money management, income tax, insurance, and stocks and bonds are taught in the classroom. COE helps a student to understand his abilities and interests in preparing a lifetime vocation.

## *Future Teachers Of America*

Students who plan careers in Teaching can benefit from membership in FTA. Learning methods of different teachers by helping them with everyday tasks gives them background which will be useful to them as they study teaching. The meetings are supplemented by visits from different teachers and discussions of different teaching situations.

FTA. Row One: Doris Townsel, Joyce Turner, Maureen Barker, Bonnie Williams, Leroy Williams. Row Two: Sandea Briscoe, Beatrice Hart, Janice Jones, D'Ann Mitchell, Valerie Taylor, Robert Day, Bridgette Owens.

# Future Homemakers Of America

Any girl who plans to become a wife and mother can learn a lot in the activities of the FHA. The club members discuss problems in housekeeping, including cooking, cleaning, and decorating. They learn ways to schedule time for household tasks leaving leisure time as well. The club is also a help to those girls who intend to study home economics in college and who plan to be professional homemakers.

## Spanish Club Las Centinelas

Membership in Las Centinelas helps students gain insight into the culture of Spanish-speaking countries. This year's meetings included guest speakers, Spanish literature, songs, and games. The Pan-American Day Banquet and the breaking of the Christmas pinata were entertaining highlights of the club. Miss Margarite Martinez was the club's sponsor.

Les Chevaliers, or "The Knights", acquaints its members with the customs of the French. An initiation ceremony and a picnic were two enjoyable events. Sponsored by Mrs. Beverly Jones, the French Club's outstanding festivity was celebrating the Mardi Gras on Shrove Tuesday, the last day before Lent, by having a banquet. Also, an added feature of the French Club is that the members are learning to speak the African language of Swahili.

## *Latin Club      Dracones*

Dracones, or Dragons as the Latin Club is called, is composed of those interested students who study Latin. The club, under a new sponsor was slow in getting started but plans were soon carried out to have a banquet, Christmas caroling, and several field trips. The new sponsor was Mrs. Mandelbaum.

## *Acting Company Takes On New Look*

This year's 'Acting Company' had a new look. The 'Acting Company' is Southeast's drama club. Unlike last year's club, this year the company has been changed to a regular drama class, with students being graded on their abilities. Membership into the 'Acting Company' is through auditions which are held twice a year.

The 'Acting Company' put on several performances throughout the year. These included a trip to Tarkio and benefit shows for Children's Mercy Hospital and the Niles Home. This year's sponsor is Mrs. Sharon Anderson.

Miss Sonya Thomas  
'Miss Black Beret'

The 'Class of 74' holds the highest scholastic average of any class to go thru the portals of the castle.

They excel in sports, such as football, exemplified by Floyd Jones, Danny Thomas, and William Hudson. To capture the excitement of the Round Ball court, Reggie Anderson, Kevin 'Squirrel' Waters, and Kelvin Williams hold the banner high.

Setting the pace in track, Kenny Kipper surges to victory. The Drill precision and uniqueness of the R.O.T.C. Drill team is commanded by William Hudson, Mark Miller, James Marshall, Stanford Griffon and watching them is truly an exuberant thrill.

Thus the 'class of 74' pays tribute to its princess Miss Joyce Abram, and Miss Sonya Thomas.

## "THE SOUTHEAST JAZZ-LAB BAND"

Last year we referred to this group as the Southeast Stage Band. This year we concerned ourselves a great deal with the study of improvisations, and in my opinion, this is a basic distinction between Stage Band and Jazz-Lab Band, so for this reason we changed our name.

I once looked upon the existence of a stage or jazz band in the instrumental music program as being not so very important, and now, I don't understand how I could have been so wrong. This year our jazz band has somewhat bridged the gap between the meaning of music and reality. The jazz band has caused our students to become more aware of their heritage, and this band has stimulated a burning desire in some of our students to create something aesthetic. These things alone justify the existence of this group within the modern-day curriculum, not to mention its persuasive powers as a public relations organization. Performances included: Religious worship services at various local churches, Concerts

for the P.T.S.A. and the S.E.B.O.A. meetings, half-time of the Kansas City Kings Vs The Atlanta Hawks Professional Basketball game, Knightlights, Black History Programs at various city schools, Concert for the Board of Education, Kansas City Technical School, Knotts Elem./Pinkerton Elem., Blenheim Elem., Dunbar Elem., Chuck Moore's T.V. Program 30 minutes, T.V. program on channel 4 Faces of Religion, Lebanon Jazz Festival, West High Sch. Jazz Festival, Various Sch. functions, and we have many Festivals & Performances to come.

## "BAND! ATTEN-HUT!"

The 1972 Marching 100's minus 4 took on a new personality this year. I think one thing that caused this change in personality was the new philosophy of the band, "OUR JOB IS TO ENTERTAIN OUR FOOTBALL FANS AND NOT TO TRY AND EDUCATE THEM!" Another important factor was the attempt to identify more with the bands of our own heritage. This marching season seemed most enjoyable for both our bandsmen and fans. Performances included: half-time shows for all Southeast football games, Kansas Univ. Band Day Festivities, Central Mo. State Univ. Band Day Festivities, The American Royal Parade, Lincoln Univ. Home Coming Festivities, Southeast Homecoming Parade, and all School Pep Rallies. The leadership of Miss Carla Matthews and Mr. Robt. Day was a definite plus for our Marching Knights this year.

As our marching season came to a dramatic halt, our bandsmen were awaiting Concert season. We changed our game plan this year and I think we were about 50% successful. We organized ourselves into two groups Concert band and Symphonic band. The Concert band gives all students in the instrumental program an opportunity to perform symphonic band literature. The Symphonic band is composed of our most exceptional students, and this is the group that represents Southeast in the various festivals and other competitions. Performances were: All-City Symphonic Band Festival at Southwest High School, District Symphonic

### Royalty "73"

This year the class of "73" leaves to the Castle such royalty as Miss Terri Moore, Crusader Queen and her Princesses; Miss Stephanie Daniels, Football Queen; Miss Sabrina Bolstic, Basketball Queen; Miss Denise Washington and Miss Audrey Johnson, R.O.T.C. Queens and Miss Jackie Wells Track Queen.

This year has been totally different for the Royalty of Southeast High School. To show that Southeast is represented as what it is known for (beautiful young women) and so that it would be a wide variety of chosen royalty, candidates are only eligible to run once for any Queen position. In doing so Southeast has shown a wide variety of beauty and displayed talent of great measure.

The Knightlites program and the Black History program give the students of Southeast an opportunity to display the many talents they possess. The assemblies are enjoyed by the student body and the staff. For the first time this year the teachers had a dance line in the Knightlites production. This dance was the added attraction for the program. Both programs were directed and produced by the Drama Department under the leadership of Mrs. Sharon Anderson.

# Junior Varsity And Freshman Cheerleaders

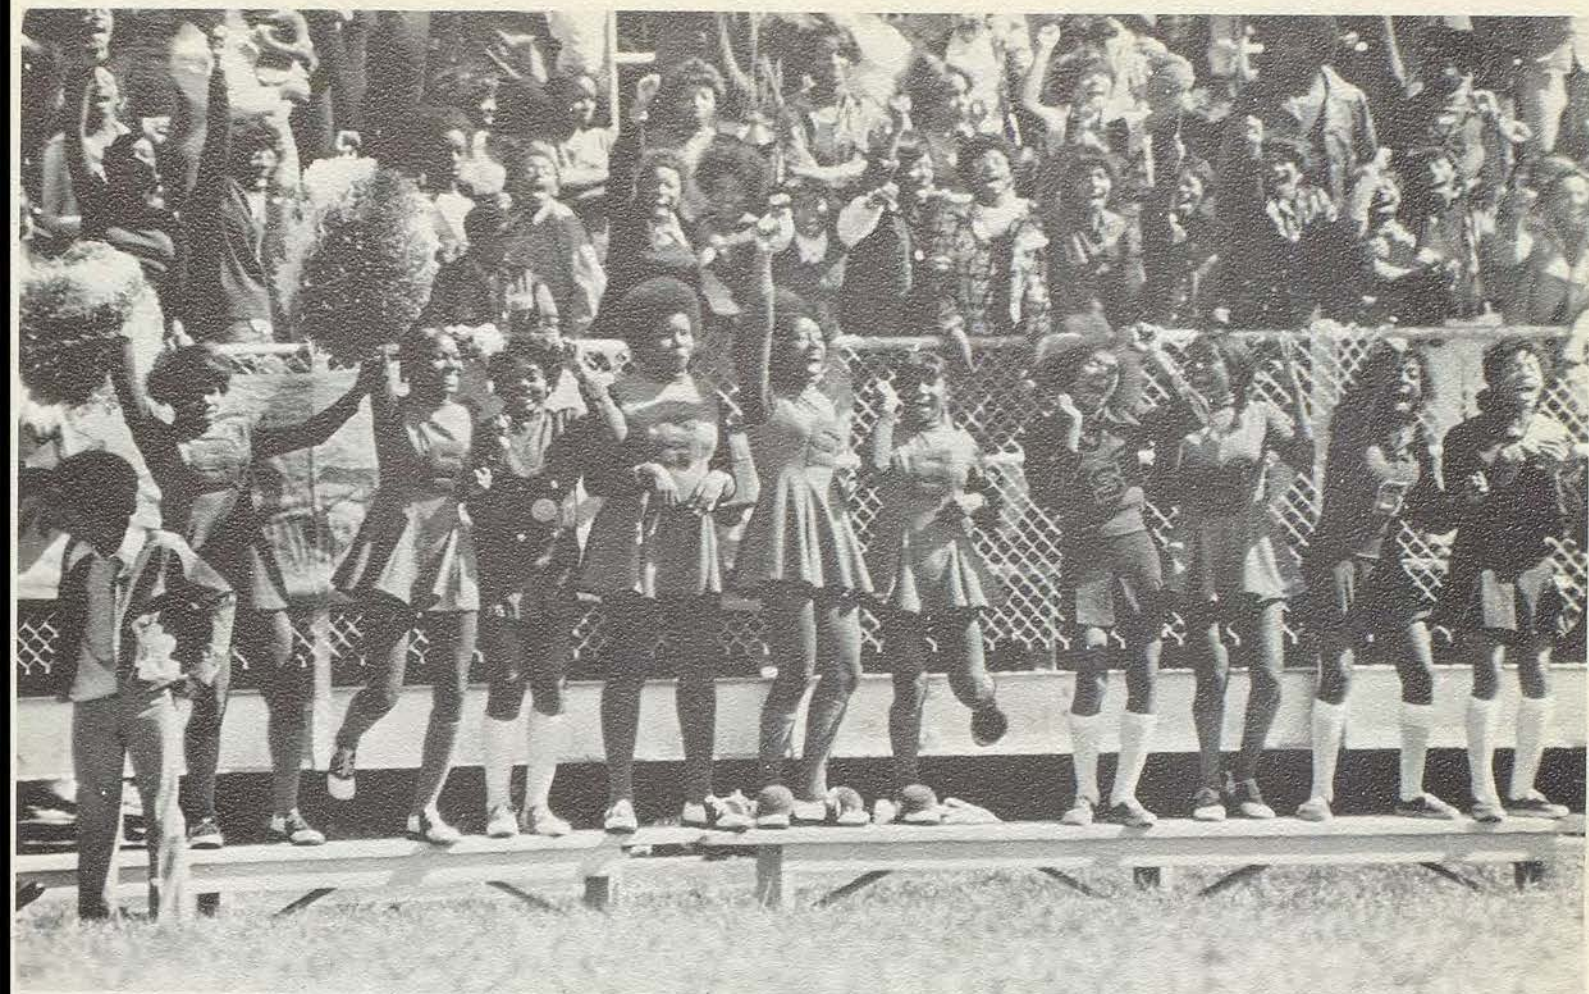

The latest change in the J.V. Squad this year is that they all are from the class of '75', Sophomores. The young ladies are Shellye Heath, Capt.; Cynthia Counts, Co-Captain, Bianca Lightfoot, Sandra

Norwood, Vanessa Jones, Janet Freeman. At the Cheerleading Camp this summer they won 2 1st and 1 second place spirit award.

This is the 2nd year, Southeast has had a Freshman Cheerleader Squad. Last spring some 50 8th graders attended a clinic sponsored by the Varsity Squad for 1972-1973. They were judged by the physical education teachers. The Freshman Squad 1972-1973

are as follows: Helen Carpenter Captain. Other members include Anita Mackeral, Cynthia Monore, Renee Pearson, Co-Captain Vania Bryant, and not pictured Tammy Mathis.

The junior varsity squad faced a series of set-backs this season, but managed to finish with a 2-4 league record. It is known that tradition at Southeast is highly regarded, therefore the performance made by the junior varsity squad this year will be it's last. With this in mind, it is possible to surmise that the 73-74 Knights will be able to maintain the tradition of the Big Red.

The freshmen had a trying season this year. After a forging 2-5 league record, Southeast's football future may look bleak. Yet, because of Southeast's tradition of fighting loyally and hard, it is very possible that the 73-74 Knights will have a rewarding season.

# Track Team Excels

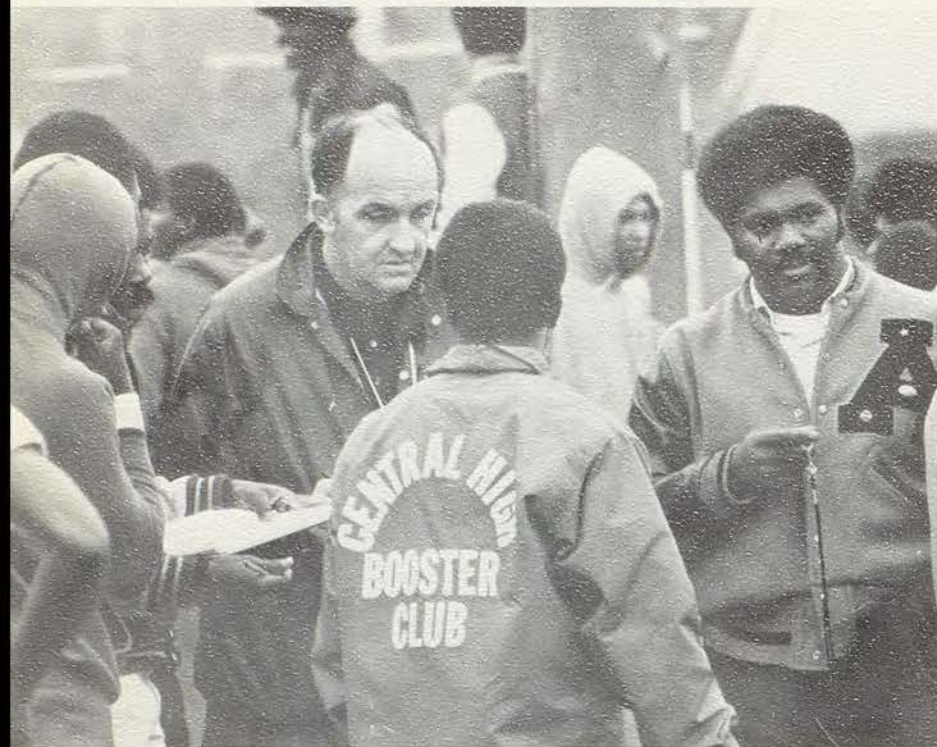

This year the track team got off to a fast start and according to Jim Julian, coach of the track team, is expected to do even better in the future.

A lot of the members will be returning next year as the track team consists of only four seniors, 31 juniors, and 58 sophomores and freshmen.

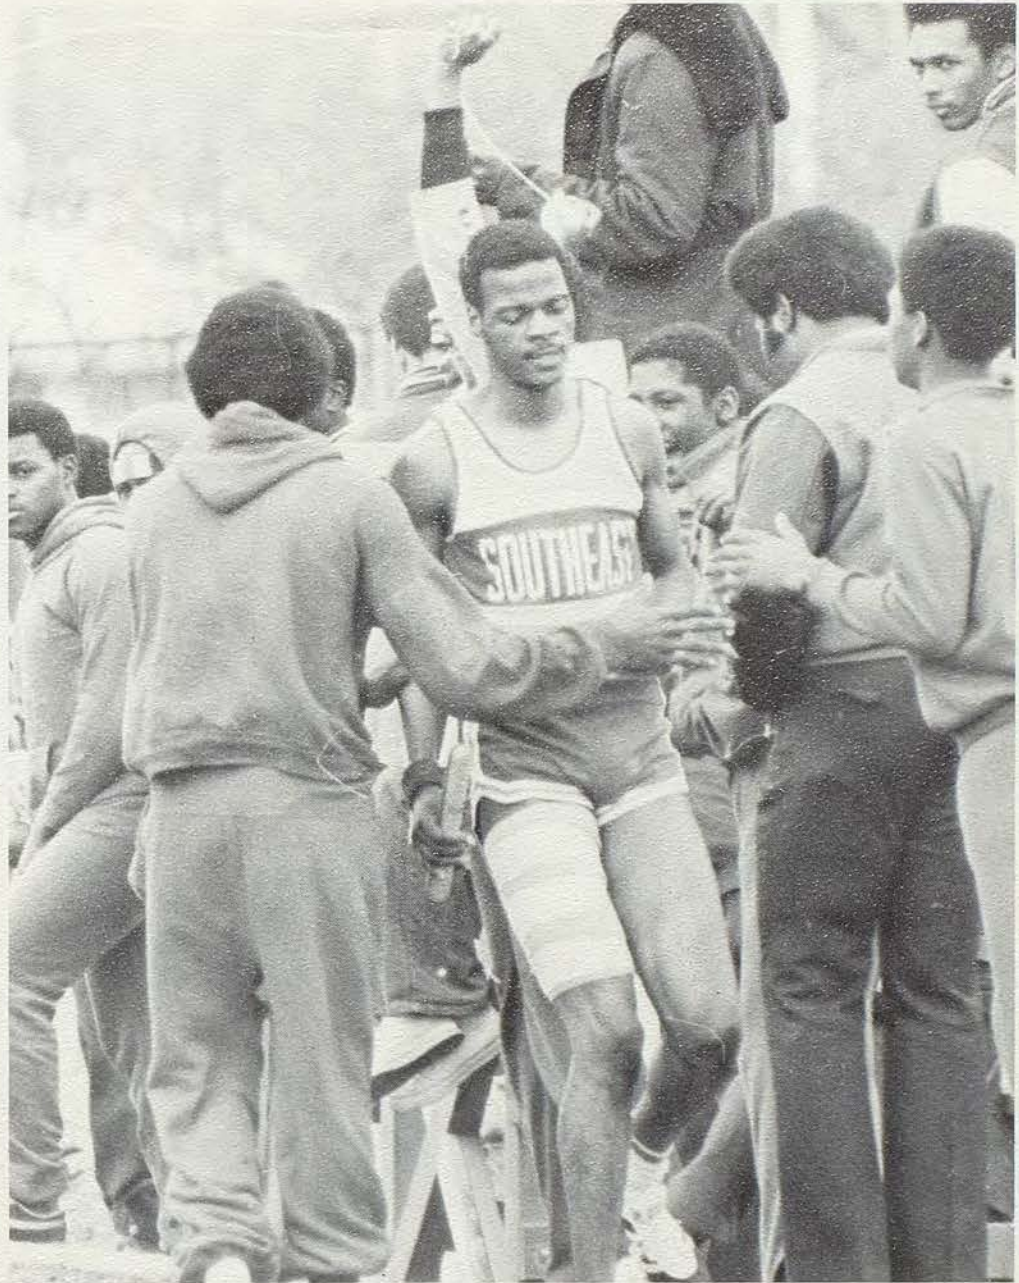

Above: Ornary Kemp (on left) stretches out in his leg of the mile relay (eventually won by Southeast) to help the Junior Varsity finish second in the track meet. (Left) Kenneth Hatter reaches for the tape as he wins the 220 and helped the Varsity track team finish first in the meet.

Hey Charlie Baby, I'll trade 2 miles for one sprinter

Track boys wait in wings of the auditorium for their presentation to the school.

For the first time this year the Southeast Ladies were able to compete in Interscholastic league track. They also competed in Girls' Football and Basketball Sportsday. In football the ladies were undefeated. Basketball had its ups and downs. The teams' record was 1-1.

Naked woman, dark woman,  
symbol of maturity.

You have the color of life  
Your form is nothing but beauty.  
Jewels are like stars;  
on the darkness of your skin—  
above all you gave me Life.

It is the constant image of your face  
framed in my hands; as you knelt before my chair,  
the grave attention of your eyes;  
surveying me amid my world of knives;  
Educating me to be aware.

S O U T H E A S T !, to your Knights & Ladies;  
you have been close to a mother;  
you have shown light,  
to many who have been blinded  
given sense;  
to many who do not no their way.

TO YOU WE WOULD LIKE TO PRESENT;

## Senior Achievements Pave Way For Future Success

This year's senior class stands out for the achievements that they have made during their four years at Southeast.

They have a student mayor, Colette May, the most sought after quarterback ever to attend Southeast, Paul Werst and Teresa Banion with the highest scholastic averages, and AAUW members Carla Matthews and Gloria

Sultainik.

Taking the reigns of royalty and regally ruling the Knights and Ladies of the Castle were Stephanie Daniels, Sebrina Bostic, Jackie Wells, Denise Washington, Audrey Johnson, Terri Moore. With these achievements already accomplished we expect to hear great things from the senior class of 73.

Left to Right: Terri Moore, Giftorian, Phyllis Alkire, Historian, Rita Herman, Parliamentarian, Denise Washington, Corr. Secretary, President, Bobby

Baker, Vice-President, Pat Harris, Valarie Friends, rec. Secretary, Cheryl Strong, Treasurer, Audrey Hohnson, Sargent-at-Arms.

## SENIOR FAREWELL

Our farewell to Southeast is mingled with pleasure at the progress we have made in our years at the CASTLE. There is also sadness at the realization that we no longer be a part of the school that means so much to us. Although we must leave Southeast, we shall always remember her with love, honor, and reverence.

We, the thirty-fifth graduating class of Southeast High School do hereby bequeath to all future classes the legacy of love and respect that we have held for our beloved CASTLE. May the chivalrous traditions that inspired us, continue to instill knightly qualities in every Southeast student.

May the future Knights and Ladies advance nobly!

Robert Day
