We yelled and we fussed
And sometimes we cussed
Because to get the yearbook out
Was definitely a must

Though some of the people
Stood in our way
We worked a harder
to make up for that day

Some uncooperation really
Made us mad
So if your picture isn't in
This Book it's really
Just too bad
We finally made our
deadline on the exact date
But thanks to some of you
Hardheads the book was still be late.

The S.E. Jazz Lab Band received an invitation resulting from a jazz band festival held in Springfield, Mo. The invitation was to participate in a jazz tour of the Bahama Islands. The festival was held June 2, 1976.

The lab band left Kansas City for Miami, Fl. where they boarded the Emerald Seas Ocean Liner for Nassau, Bahama. During the cruise to Nassau, the members joined in concerts, battle of bands and jam sessions aboard ship. The students were encouraged by the passengers and ship crew.

Not only did the trip to Nassau provide musical experience for the musicians but also many cultural opportunities as well. The trip was very successful and extremely educational. Another reason Southeast is considered a NUMBER 1 school.

This Year's Cross Country team was the best to come out of the city in a number of years. The team won the city meet and placed third in the district meet. The team was carried by Willis Ware and Eric Link, both Seniors. The were both voted All-Americans and Ware was voted the league's most valuable runner by the coaches.

The team as a whole performed remarkably well this year. We were the only team to qualify 3 team members for the State meet and not take a whole team.

Coach Reggie James did a remarkable job with our running Knights this year. Congratulations!

Southeast Girl's Track Team For '77 Look Forward To Another Victorious Year

Under the leadership of Coach Lula Bounds, assisted by Coach Morrow the Southeast girls track team placed 1st in the District. Being a young team, the victory was one of great achievement for both the coaches and the girls.

Starting this year's season, many of the members of the winning team will return. As a result, Coach Bounds looks forward to an even better year than before. Already several victories have been won.

Southeast Weightlifting Team Builds Strong Bodies

The Southeast weightlifting team under the direction of Coach Thompson turned in a good season. The team comprised of mostly Freshmen, Sophomore and Junior team members came in 5th in the District, with a total of 38 points. Many of those participating in the weightlifting program were engaged in basketball and could not take part in the meets. However, Coach Thompson projects greater accomplishments for the team in the future.

Smiling' Faces

I've got a secret!

In Memory Of Our Friend, Linda Arterberry

AWAY

By James Whitcomb Riley

I cannot say, and I will not say
That she is dead. She is just away!

With a cheery smile and a wave of the hand,
She has wandered into an unknown land,

And left us dreaming how very fair
Its needs must be, since she lingers there.

And you-oh you, who the wildest yearn
For the old time step and glad return-
Think of her faring, on as dear
In the love of There as the love of Here;

Mild and gentle, as she was brave,
When the sweetest of her life she gave

To simple things; where the violet grew
Purer as the eyes they were they were likened to,

The touches of her hands have strayed
As reverently as her lips have prayed;

When she pitied as much as a man in pain
A writhing honeybee wet with rain.

Think of her still as the same, I say;
She is not dead-she is just-away!

Southeast Ode

Far above the distant landscape
Stands our Southeast High
With its tower and Walls of beauty
Reaching toward the sky

Dear old Southeast, how we love thee!
We will e'er be true
To our colors High above thee—
Scarlet red and Royal blue

Symbol of our aspirations
Thou wilt ever be,
Guiding us through life to Victory
Thou shalt keep us free.

Knights and maidens lay before thee
Flowers of praise to crown
All thy works of dear devotion
Honor and renown.

Senior Farewell

The time had come, for the Thirty-ninth graduating class of Southeast High to pass through the door of adulthood.

As we look back at our days at the Castle, we are most grateful for our administrators and teachers. Our administrators and teachers told us that evil would try to hold us back; to keep us from using our creative minds.

We know that we will lose some of our close friends, as the curtain of our high school days close. But we will remember our friends as this;

... He is your board and your fireside,
For you come to him with your hunger
and you seek him for peace.

When your friend speaks his mind you
fear not the "nay" in your own mind
nor do you withhold the "ay".
And when he is silent your heart ceases
not to listen to his heart;
For without words, in friendship, all
thoughts, all desires, all expectations
are born and shared, with joy that is unclaimed.

When you part from your friend you grieve not;
For that which you love most in him may be clearer
From the plain.
And in the sweetness of friendship
Let there be laughter and sharin
of pleasures. For in the dew of little
things the heart finds its morning
and is refreshed
-Kahlil Gibran

As now we turn to say Good-By
To all our friends at Southeast High
We're hopeful as we graduate
The Senior Class of "77" will
Prosper in all their endeavors.

Paula Arterbery
Co-Editor in Chief
Senior Class Editor

Editor's Note

With a little sadness, I am remembering the past school year, how quickly it has passed. The preparations consultations, anxieties, excitements, and just hard work have helped in making the days pass so quickly. The sadness comes not because the school year is about over, perhaps most of all because this era or part of our lives with so many memories will never be duplicated.

As you look at the pictures in their assigned places, only those of us who worked many hours to prepare our yearbook, know the pains and efforts which went into making this an accomplishment of great success. The experience has been well worth the effort and the memory of it will linger on.

To the staff of the yearbook, whose cooperation was invaluable in making this experience a pleasure rather than a chore, I say "thank you". To Paula who took over the reins of Editor after my mid semester graduation, best wishes and thanks a million for your leadership. Tina, I knew what you were capable of doing to get a book published. You had worked so hard in the past year. Your attitude and hard work made it much easier for me. Thank you for a job well done. Every staff must have a persistent one, and Lisa was that person. She did her job with methodical skill and percision. Hope the experience will help you in the future. To Keith and Dwayne, thanks for your continuing cooperation.

To the administration, teachers, and Mr. Entine thanks for your cooperation. Had it not been for your cooperation in permitting class disruptions, absentees from class (Not being penalized for them), letting us use students for our work we could not have completed our book. Mr. Entine for your willingness to take and develop pictures for us thank you, from the bottom of my heart.

I will say "Thank You" to Ms. Doris Jones, our advisor, even though those two small words are not sufficient to convey our appreciation. Those numerous hours she has spent working with an instructing us, yes, and even inspiring us to achieve more than we thought we were capable of giving. This will never or could ever be compensated by monetary means. Dedication such as this is a rarity in itself, but to be in the company of such a person could only be viewed as an asset and an experience many people either have not had the opportunity to enjoy or have not availed themselves to the opportunity if given.

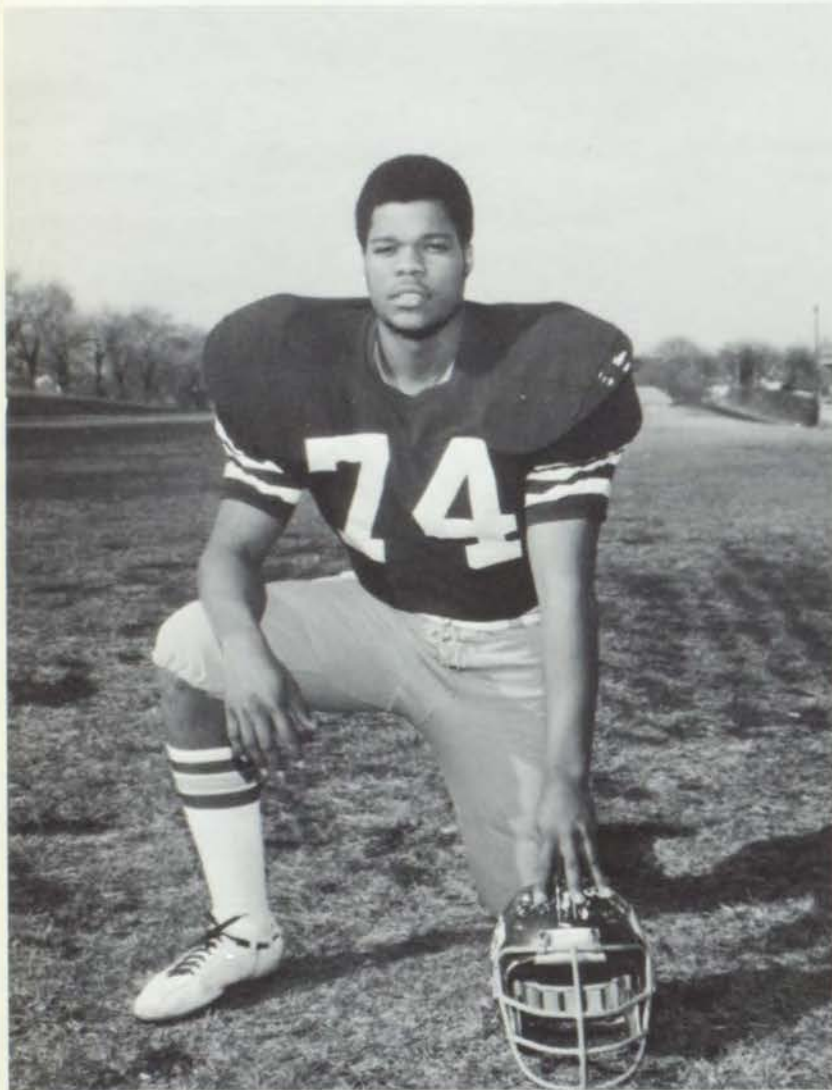

Our expectations for a unique yearbook were high. We aimed for the sky. All of those expectations were not met but as you view these pages, you are looking at an effort to give you the best of the events and happenings of our 1976-77 school year. Those events and happenings have been captured by our photographers and in viewing them they will aid us now and as the years pass to enhance our memories of the way we were.

Cheryl Swift
Editor-in-Chief

Who's Who

The Class of '77 is unique in that they are embarking on a first in the history of classes. They are no longer having the Senior Ballot, where only a few are recognized for their outstanding work in school for 4 (four) years, but more are being honored for their work in academics, sports, activities and other areas. The people selected were chosen by teachers for the work that he or she had done for the entire four years. We at Southeast want to show that our student body is number one all the way around and not is just sports. This years graduating class boasts of All-Americans, Outstanding ROTC commanders, National Merit Scholars, and AAUW women. Hats off to the class of '77.
