It is a commonly known fact that human beings are constantly changing and growing. Perhaps the subject of human growth is totally over-worked. To each person, however, his own growth and development is of highest importance; it is always new and interesting. Every human being is discovering in his own experiences how, although lives in general are quite similar, his life is to him completely original. It is by recording and organizing these experiences that one forms an ordered picture of his life.

Oddly enough, students fit into a human mold. Moreover, human beings grow and expand at a faster rate in their early years. Thus, rapid expansion of every young individual is taking place with each experience he undertakes, shaping and developing his present and future life. But to the point. . .

Among their varied experiences and activities, most people find at least one in particular that they especially enjoy and actively pursue. The expansion of high school students tends toward specialization which leads to individualism. In a school's environment, therefore, intellectuals may look down upon social climbers, and those with school spirit upon those who do not care about the affairs of the school. Some feel there is no value in athletics, aesthetics, social organizations, or cars, but who has the right to feel that their opinion about another individual's choice has any validity? In life there is something personally original for every person with which he may develop a life original to himself. Thus, when viewing people, we should remember that there is indeed something for everyone. Perhaps this book may serve as an illustration of this principle.

Student Council

The Student Council plays an important part in life at Southwest. The student honor pass system has continued again this year. This year 300 seniors have been given the privilege of using an honor pass. These students are permitted to use the library, honor pass lounge, any place on the first floor, and may sit in a class room with the teacher's consent. Student Council has planned to exchange assemblies with other schools. The first of these will be a Folk Assembly. Under Mr. Kipp's supervision, there is a boy's intramural program. This intramural program started with the end of the football season. The Student Council continues to excel in its benefits to the students.

Red Cross

The Red Cross is the only service organization at Southwest. First semester the Red Cross sponsored the United Campaign. This year they used the idea of "Trick or Treat" to put some enthusiasm into the campaign. The annual Babydoll dance which is a girl-ask-boy dance was a great success. Toys were donated by some of the Southwest students to the Salvation Army. A woman from the Women's Liberation spoke on a panel to the Red Cross. The Red Cross also sponsors a Yates Holiday Party. This is a party held at Yates Grade School in downtown Kansas City that occurs during Christmas time. The Red Cross has emphasized what will happen if our school levy fails to pass. The Red Cross should be acknowledged as giving great services to the betterment of our community.

OFFICERS: Left to right—Carol Evans, Ruthie Evans, Barbara Brink, Betse Gage, Nancy Hause, Lillian Clarkson, Kathy Aylward, Carol Goetz, Kim Brown, Sherri Brown.

Foreign Exchange

Southwest students had an especially good chance to learn about life in other countries this year; because, instead of the usual one or two, we had four foreign exchange students. The American Field Service program sent Joachim Graf, from Brazil, and Kristina Alund, from Sweden. Betty Kawoya, from Uganda, and Harold Reich, from Germany, were sponsored by the International Christian Youth Exchange.

Joachim Graf had proven to be a man of many talents. He plays soccer, the cello, and is ready to take on Bobby Fisher in a chess match. Besides his native Portuguese, he speaks English and fluent German. He and Harold were often heard conversing in German in the halls. Harold is also an excellent chess player. Kristina likes it here and says that she is really enjoying her stay with the Boyers and those four gigantic sheep dogs. Betty didn't have much to say about herself; but, she did want everyone to know that, "Yes, we do have radios in Uganda."

Judy Thorman, a southwest senior, spent her summer in Columbia, South America. Because no one in her Columbian family understood English, she learned a lot of Spanish and plans to continue her study of the language. At the end of the summer she was reluctant to come home; but, she hopes she can return someday.

Football is a game of endurance and consistency. A team with these attributes can play a conservative game and still beat a team of daring offense with spectacular performance. This is exactly what the Southwest varsity team did this year. Coming as no surprise they brought home the Interscholastic League title for the fourth consecutive year, the seventh championship in the last nine years. The 1971 team was small in number and stature, but big in natural talent and ability. Coach Robinson shaped these talents to make an effective, well-rounded squad.

William Robinson, a modest man who avoids superlatives, has a lot to be proud of. In his sixteen seasons at Southwest, he has established a tradition of building winning teams that has carried over into the junior varsity and freshman teams. Coach Robinson engineers traditional plays—sweeps, short passes, draw plays—that always seem to work. Simplicity is the key.

The varsity coaching staff was short one man this year, but Coach Robinson's fine assistant, Sam Breckenridge, was ready to meet the challenge. Fiery but good-natured, Coach Breckenridge provided the fans with as much entertainment as the team as he strutted along the sideline, throwing comments and instructions to the players on the bench and on the field. His advice converted Coach Robinson's "simple" plays into substantial ground gainers.

Varsity Football

Brad Alyea converges on the opponent's quarterback.

Pete Cipolla sets his offense.

Cipolla scans the secondary.

The football opener with Rockhurst was a frustrating beginning for such a fine season. Junior quarterback Pete Cipolla had an impressive debut on the varsity squad as he threw a 17-yarder to Tom Hulsey for the first score of the game, then took it in himself on an 8-yard jaunt for Southwest's second touchdown. However, the extra point attempt failed, and Rockhurst's two touchdowns put them ahead 14-13. The second contest was an encouraging upset over North Kansas City. Although North Kansas City gained a 13-8 lead in the third quarter, tackle John Jaszczak pounced on two key fumbles which set up Southwest scores. The Southwest defense held firm, and the final score was 22-13. Next, the Indians traveled to Excelsior Springs for a rainy, muddy 8-7 loss. Southwest took a 7-0 lead with a Cipolla-to-Dave Nichols pass, which was set up by a long punt return by Walt Kosman. Excelsior came back and scored a touchdown, then surprised the Indians with a two point conversion to the right side. The following week, in their first league game, the squad blasted the Van Horn Falcons 29-0. Cipolla scored with a quarterback sneak on Southwest's first offensive drive of the night. The running of Don Sloan, Jim Svoboda, and Tom Hulsey contributed to the next two touchdowns. Rusty Harris took the quarterback position late in the game and hit Steve Sitler for the final score of the night. In the fifth game of the season with the Bishop Miege Stags, Southwest capitalized on their opponent's eight turnovers. The first Southwest score came as Nichols intercepted a Miege pass and sprinted to the goal line. Cipolla connected with Larry Birt just before the half to put Southwest in front

"Why can't I just grab it and run?"

12-0. Again Rusty Harris entered the game and threw a touchdown pass to Walt Kosman. After other scoring, the final tally was 30-0. Next, the Tribe moved on to meet Central. The defense proved its endurance by holding Central to one score. Two touchdowns by Kosman and one by Cipolla brought the final score to 22-8. The next battle was a low spot in the league play. Cipolla hit Don Sloan for Southwest's only score of the night. Manual thrilled its fans with a long bomb late in the fourth quarter to tie the score 6-6. The Homecoming game was a nail-biter as Southwest edged Southeast 15-14. The Knights grabbed a 14-0 lead by the end of the first half, but the Indians emerged from the locker room undaunted. Our tremendous defense shut out the Knights in the second half and scored a touchdown on a blocked Southeast punt. Tom Hulsey scored the last touchdown. The excitement came when Rusty Harris pulled the ball away on the extra point kick and hit Nichols in the end zone for two extra points. The ninth game was a crushing victory over Lincoln, 49-6. Kosman scored twice, and Sloan scored three times. The squad prepared for the final championship game with Paseo. The Indians blanked Paseo 34-0 with three scores by Hulsey.

Individual talent was plentiful in the 1971 squad. Chip Newell and Frank Storm earned All-Metro honors, and Tom Hulsey went on to capture linebacker position in the All-State team.

Channeled by Coaches Robinson and Breckenridge into a team effort, the individual skills of the varsity players brought the Interscholastic League title to Southwest again this year.

Junior Varsity Football

The junior varsity team, directed by Coach Gotner, compiled a winning league record of 5-3-1. The team started the season slowly with a loss to Rockhurst and a tie to Westport, but they bounced back with three consecutive victories. The small team, hampered by injuries, capped the season with a 20-6 win over East.

The freshman team took the Interscholastic League Championship with a consistent combination of solid offense and reliable defense. The offense scored an average of 20 points per game, while the defense held their opponents to an average of 8 points per game. Coaches Huston and Ressler steered the squad to a 7-1 league record. The team was accredited with three shut-outs, including an impressive 34-0 victory over Southeast.

Cross Country

The Southwest Cross Country team participated in two dual meets, one triangular, and three invitationals. On September 10, the team defeated Van Horn 15-46, and a week later they defeated Rockhurst 19-41. The Raytown South Invitational was held at Swope Park, September 25, with Southwest finishing tenth as a team. The following week the team placed seventh in the Ruskin Invitational held at the same course. The Warrensburg Mules Festival was run on the Pyrtle Springs golf course with Southwest finishing second to Sedalia Smith-Cotton. Southwest won the Interscholastic League Triangular at Swope Park on October 22. The score was Southwest 18, East 46, Van Horn 74. The district meet was held at Longview Community College on Saturday, October 30. The team placed sixth in the meet, but Mark Bowman's first place individual finish earned him a trip to Columbia to participate in the state meet.

Representing Southwest, Mark earned a 14th place medal, competing against 201 boys from all over the state of Missouri. He lowered the Southwest Cross Country two-mile record to 10:01.

Coach Kremer looks on.

Homecoming 1971

The 1971 Homecoming took place on the weekend of October 29 with the theme "Love American Style". On a rainy Friday, activities began with the Homecoming assembly. The six queen candidates were presented. Buzz Willard and Terri Lyons created a little spirit. Coach Robinson, the cheerleaders, and the band contributed their enthusiasm for the weekend. "The Star Spangled Banner" and "Alma Mater" were sung by the concert choir. Mrs. Reddoch, Mr. Alter, and Mr. Foster added to the fun with a song and dance number. By 3:15 it was muddy and still raining as parade cars were judged and displayed on the parade route. Friday evening half-time activities, performed on the track because of mud, included another presentation of the queen candidates and a salute to Kansas City by the band, drill team, and twirlers. The evening reached its peak as the Southwest Indians defeated Southeast with the score 15 to 14.

Homecoming Dance

The dance took place Saturday evening from 9:00 to 12:00. The cafeteria was decked with stripes, stars, and colors of red, white, and blue for the occasion. The music was presented by The Gift. A new attraction was sponsored by the pep club this year. A photographer was present to take portraits of couples. The 1970 Homecoming Queen, Miss Christi Besheer, and her escort, Mr. Robert Gangwere, were present to take the traditional last walk. At 11:00 Miss Marilyn Morgan was crowned queen. Her first attendant was Miss Anne Cox and her second attendant was Miss Marie Sabates.

This year was a very successful year for the Marching Tribesmen. Besides performing for football games, the American Royal and Raytown parades, Vespers and the Annual Fine Arts Festival; the 95 member band was also invited to be the Honor Band for the Veteran's Day Parade and also lead the parades. This was part of the re-dedication ceremonies of the Liberty Memorial. The Southwest Band was invited for the third year to open the Christmas Carnival at the Municipal Auditorium.

Many students represented Southwest at the Contest in

Warrensburg, but a new plan for the large performing groups was tried out. Instead of attending the Contest at Warrensburg, clintions were invited to Southwest to work with the students. This turned out to be an interesting and profitable experience for everyone.

The band is growing constantly and the student body can expect to see many new and better things from the students involved next year.

Redskin Revels

The 1971 Redskin Revels, "Hit Parade of Stars", took place on Friday, November 20. Students had been working with Mr. Foster and Mr. Alter since early October to make the show a success.

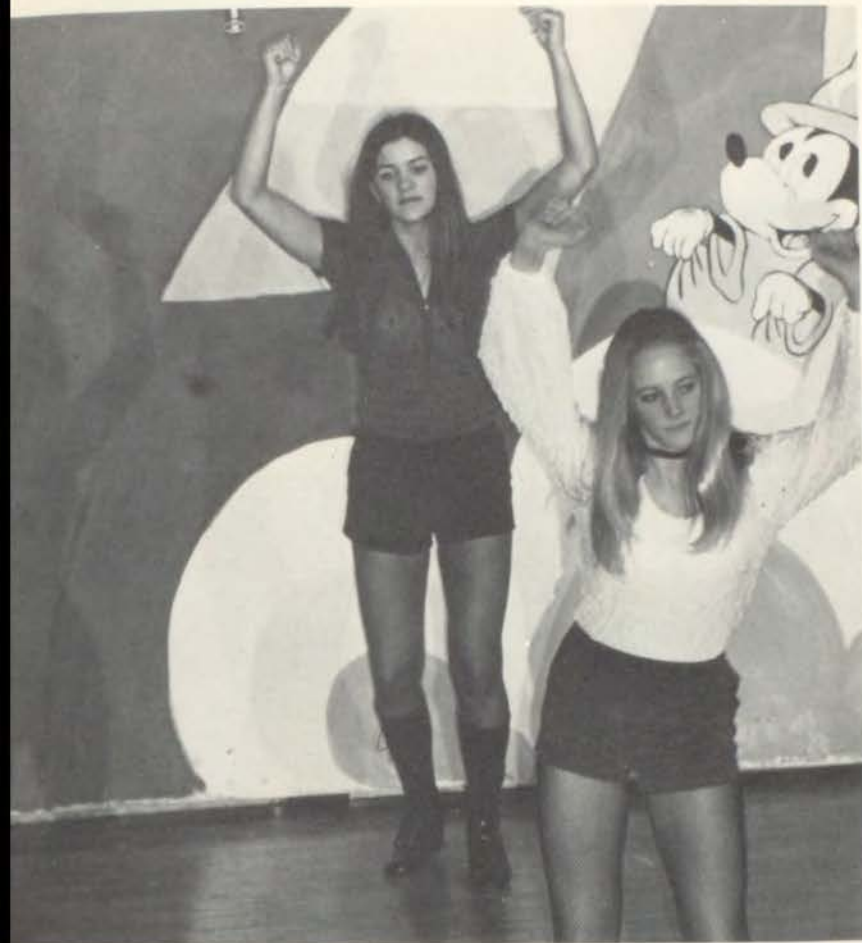

The acts ranged from the Lettermen, representing Romper Room, singing "Whenever I Feel Afraid" and "Playmates", to the Stage Band playing "A String of Pearls" as Glen Miller. The Mouseketeers performed between the acts and helped to hold the whole thing together.

Concert Choir started off the school year with their annual picnic breakfast at Swope Park. It was followed by a performance at Fall Festival including a Negro Spiritual and two Israeli folk songs. The choir then focused their attention on making Redskin Revels a success. One of the highlights of the Christmas season was the singing of Handel's "Hallelujah Chorus." Upon returning from the winter holiday the choir began working on this year's operetta, Oliver. Instead of the traditional trip to Warrensburg for the State Music Contest, the music students decided to invite an expert to give a clinic. Dr. Douglas McKuen, choral director and voice instructor at Arizona State University, taught the choir many new skills and techniques, making the clinic a learning experience for all involved. This year's choir performed together for the last time at the Commencement Ceremonies.

Individual singing groups took on a new look this year. The Indian Belles were increased to twelve girls, and the Male Octet was expanded to twelve boys, composing the Indian Beaux. This group met at zero hour every morning and received a music credit for their efforts. The Belles and Beaux were kept occupied singing at club luncheons and civic affairs in addition to regularly scheduled performances and assemblies.

The Stage Band, comprised of musicians from the instrumental music department, rehearses under the direction of Mr. Alter for thirty minutes daily. Besides providing music for the Redskin Revels, the Stage Band appeared at various assemblies and concerts.

Members of the Southwest Orchestra began preparations last spring for their concert season. They sponsored a car wash, a garage sale, and a candy sale to raise funds for their upcoming trip to Chicago, site of the 25th Annual Midwest National Band and Orchestra Clinic. Selected on the basis of a tape submitted by last year's Orchestra, Southwest was one of three orchestras in the country to be invited, and the first orchestra from Missouri ever to be chosen. On December 15, in the ballroom of Chicago's Sherman House, a near capacity crowd of music educators, and conductors gave Mr. Alter and the Southwest Orchestra a standing ovation for their ninety minute performance.

Other events in the orchestra's schedule included the operetta and a clinic festival.

Varsity Basketball

The Southwest Varsity Basketball team had a fine season this year. Several returning lettermen bolstered the team's strength as they marched to a 7-3 league record. Despite this winning record, the Indians finished in fourth place behind traditional leaders, Paseo, Central, and Lincoln. However, Southwest surpassed Manual, East, Southeast and Van Horn, the teams that last year drove Southwest down to 8th place. At the end of the season, Southwest scored an upset over 1st ranked Paseo, 54-52.

Chip Newell—a state contender.

The Southwest mat-men made a fine showing this year. In addition to a strong 5-1 dual record, Ressler's wrestlers walked away with both the Excelsior Springs and O'Hara Quads. In the city meet, everyone on Varsity and Junior Varsity placed first, second, or third. Four wrestlers placed in the district meet and in the regionals Jim Peddicord, Chip Newell, and Tom Hulsey defeated his opponent to qualify for state. Tom Hulsey sustained a severe leg injury in the final 32 seconds of his match, yet stayed on in order to win. However, his injury barred him from participation in the state meet.

Getting psyched.

District Champions

Chip Campbell gives some last minute advice.

The Southwest Swimming team is one of the finest in Missouri. It has consistently placed well in the district and state contests. Its members have always performed admirably in individual competition.

Early in the season Coach Hušton's swimmers took 2nd place in the Van Horn Relays. In a triangular meet, Southwest scored 70 to top St. Joe, 56, and Park Hill, 41. The tank team nailed 1st place in the city and district contests, as well as 9th place at state.

Individual performances at state were outstanding. Chip Campbell earned 1st place in 100 breaststroke and 11th place in 200 individual medley. Dave Ruddy took 5th place in 100 freestyle and 8th place in 50 freestyle. Mark Maslan placed 3rd in 100 butterfly and 9th in 100 backstroke. As in previous years, Lane Sayles' diving brought him honors—this year, 2nd place. The 400 freestyle relay team captured 9th place.

Night of January 16th

On January 13th and 15th Ayn Rand's "Night of January 16th" was presented at Southwest. It is the story of a girl, Karen Andre, on trial for her lover, Bjorn Falkner's, murder. One of the things that make this play different is that the jury is made up of members of the audience. The audience's names are put in a box and twelve are drawn to serve on the jury. Because no one can be sure before hand what the verdict will be, the play has two endings. Southwest's juries gave a verdict of "not guilty" both nights.

"Let me put it another way."

Mrs. Carlilse puts the "finishing touch" on Doug Hughes make-up.

"Frankly Larry, it's your breath."

"And then he kissed her, the dirty sinner."

Student Council

The second semester Student Council had its work cut out for it in just continuing the policies and programs established during the first semester. The Council continued to sponsor all of the original programs such as the annual Carnival, which has again proved to be the highlight of the school year, the Student Council Book Store and movies, but also the Council had branched out into new areas.

The Student Council has worked very diligently during the second semester preparing programming and approving the

building plans for the Student Council Radio Station that will be built during the summer vacation. This undertaking, the most ambitious in Council history, will provide not only entertainment but a new type of education for the student body.

The 1971-72 Student Council has become more than just an example of democracy at Southwest, it has become a new base for increased student interest, student opinion, and student service.

Red Cross

The second semester Red Cross sponsored Brotherhood Week at Southwest the week of February 20-27. Brotherhood Week was prefaced by the showing of the multimedia film "Meditations on Today".

The Red Cross held several successful bake sales to raise money for the underprivileged children of Bangladesh. It cooperated with the Voter Registrar Office to get the eighteen year old Southwest students registered to vote in the 1972 presidential elections.

As always, the Red Cross held the ever-successful Sadie Hawkins dance.

Officers: Nikki Jouras, Betse Gage, Nancy Hause, Carol Goetz.

Oliver

This year's operetta, "Oliver", was presented on March 10th and 11th at Southwest. As usual a lot of hard work went into producing the show. Jack Foster, producer and musical director, George Alter, orchestra conductor, Etta Carlisle, stage director, and of course, the entire cast put in many long hours rehearsing to make this operetta the success that it was.

Literary Contest

On March 17, Zend-Avesta became the winner of the Forty-fifth Annual Inter-Society Literary Contest. This was Z-A's thirteenth win in the past fifteen years. There was a tie for second place between Alethea, Excelsior and Sappho; and Trista, Thalian, Summus and Omega tied for third.

Early in the fall, the literary societies had their annual coke party for prospective members. The membership invitations and initiations quickly followed. After the usual parties and dinners the clubs settled into working toward the contest.

The majority of the year was spent writing and rewriting essays, poems and short stories, or practicing orations and declamations. And then, finally, the contest began. Orations were given after school on Wednesday, March 15. Then, Friday, after dinner in the cafeteria, each society marched into the auditorium for the declamations. When they were over, the clubs cheered and sang songs while waiting for the final results to be announced.

During the first week of school, the ROTC cadets are assigned various leadership positions according to their abilities. Then they begin working on their drills. Through these drills they achieve coordination, leadership, teamwork, and a sense of unity. Also at the beginning of the school year they emphasize their extra curricular activities. The activities include the rifle team, the drill team, and the color guard. These activities further the cadets' sense of unity and they give them a goal to strive for. The goal all schools try to strive for is the Kansas City Star Award. This award indicates the best performing school in the city.

The ROTC courses of instruction are designed to touch most of the phases of military life. During the cadets' first year they are introduced to topics such as military courtesy and organization, American Military History, hygiene and first aid, knowledge of various weapons, and marksmanship. During the second year of training, the cadets are enrolled in military tactics, leadership, map reading, marksmanship, weapons, and drilling. The third year course teaches most of the same topics as are taught in the second year course, but at an advanced level. Other subjects taught during the third year include new developments of armed services, service opportunity, and military teaching. During the fourth year the cadet studies psychology of leadership, advanced leadership, tactics, and new developments of the Armed Forces.

The ROTC units desire to arm their cadets with the best equipment for a future occupation.

In March, each ROTC department in every school holds its annual unit readiness inspection, conducted by Lt. Col. Robert C. Adams, director of the Army instruction of the Kansas City Public High Schools. The purpose of this inspection is to see that each and every unit is prepared for the Annual Federal Inspection. The Federal Inspection is when a team of Army Officers inspect the facilities of each unit. The end of the school year brings Field Day activities. All ROTC cadets in every Kansas City Public School go to the parade grounds of Southeast Public High School, in which competition in drill activities takes place. Awards are given to the best deserving drilling platoons or the best drilling companies.

The ROTC cadets march in time.

Attention men!

The cadets display their uniforms at attention.

Criticism is taken respectfully.

In any learning environment, a background of order and trust is provided by a competent administration. As it forms its policies and requirements for academics and extra-curricular activities, the administration at Southwest creates a basis for well-managed education.

Administrators at Southwest have always been involved in such a manner in the interest of the students. This year, the school has encountered the loss of an outstanding man, active for many years in the concerns of young people, W. Lawrence Cannon. His service as principal brought those qualities of dedication, judgment, and order of which a learning environment is made. Those who remember him express all gratitude and respect to Mr. Cannon.

New principal Thomas E. Kipp, and new vice-principal John T. Little, have joined with Mr. Ervin and Mr. Neal and members of the staff to again provide the optimum of leadership toward quality education. Southwest's administrative assets lie in the fact that administrators have proven to be constantly involved in curriculum, discipline, and freedom for students in the hope of providing a meaningful education.

After forty-two years of loyal service, Rose Boles, of the cafeteria staff, is retiring. Rose began working at Southwest when the school first opened. She has seen three annexes added to the building, including one which moved the cafeteria from the fourth floor to its present location. Throughout the years, Rose has always enjoyed working here. Such dedication demands our recognition and admiration.

Such enthusiasm!

And so it was. . .Some of us loved the experiences we had this year. Others felt a definite regression. Viewed completely, however, the lives that existed in this school are definitely changed by the year's time. A few travelled to Chicago with the orchestra, and a few were the football champions of the Interscholastic League. Some of us built knowledge, and some built social lives. Even those who despised their lives this year were a part of the scheme of individual development.

Portions of your process of completion are recorded within these pages. Hopefully, each student will find at least one personal memory, or some record of his experience. The developing styles of individuals have been brought into view for your record and delight. What remains is the future.

Students needn't be reminded that tomorrow is another day. . .Such philosophy probably developed from a participant in life. In your future is the finish of the style you began during the past school year. Indeed, the future appears more difficult than the present. With this realization, you can perhaps attempt to utilize records of your experiences while living.
