I think, I think I am,
Therefore I am,
I think.

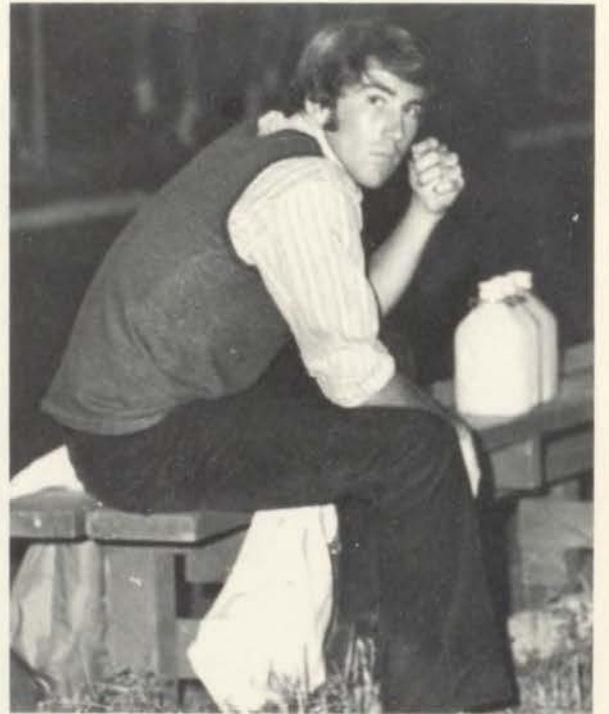

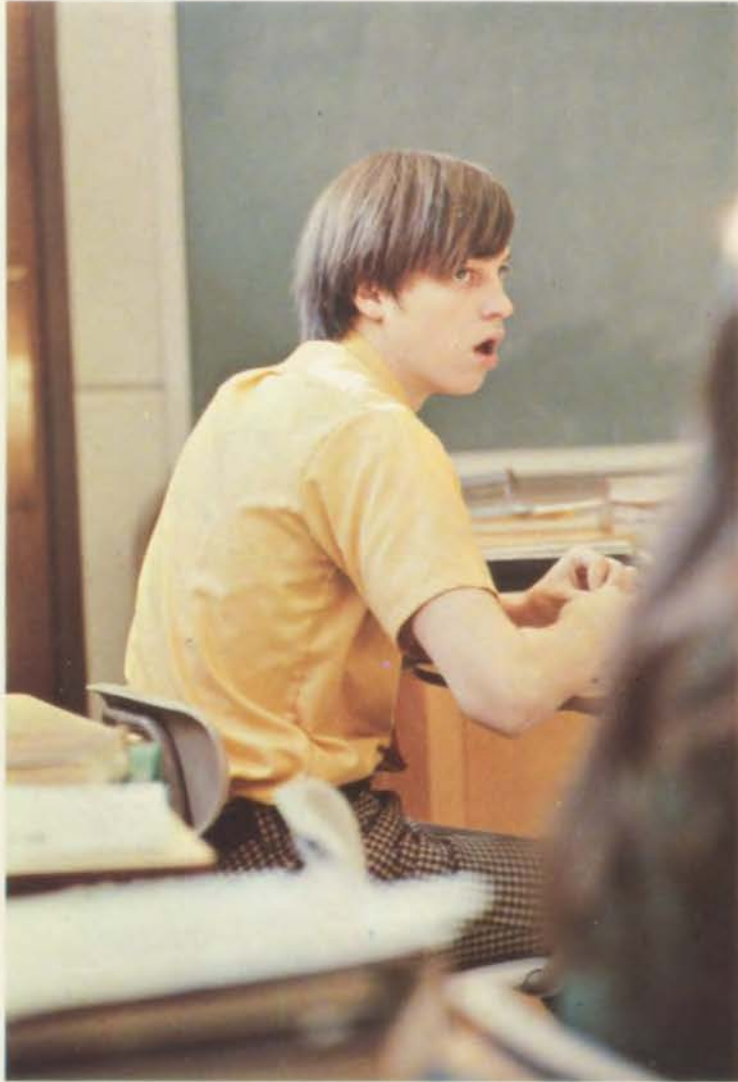

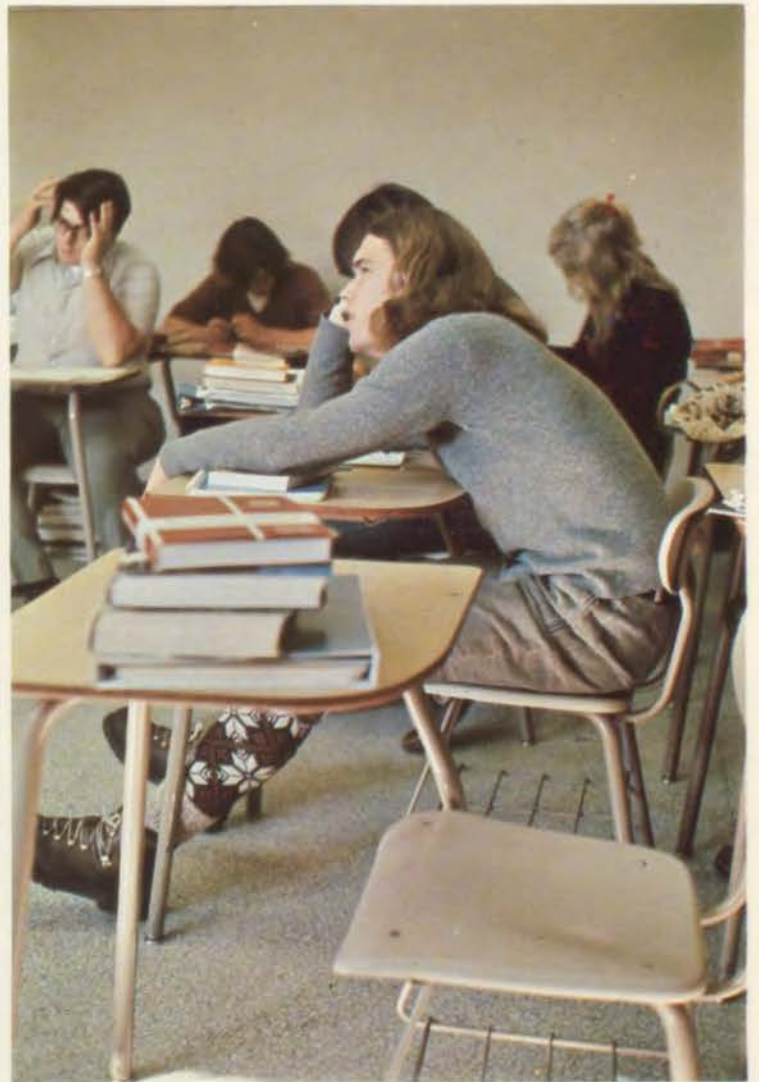

Of course you are my bright little star.
I've miles and miles of files
Pretty files of your forefather's fruit
And now to suit our great computer,
You're magnetic ink.

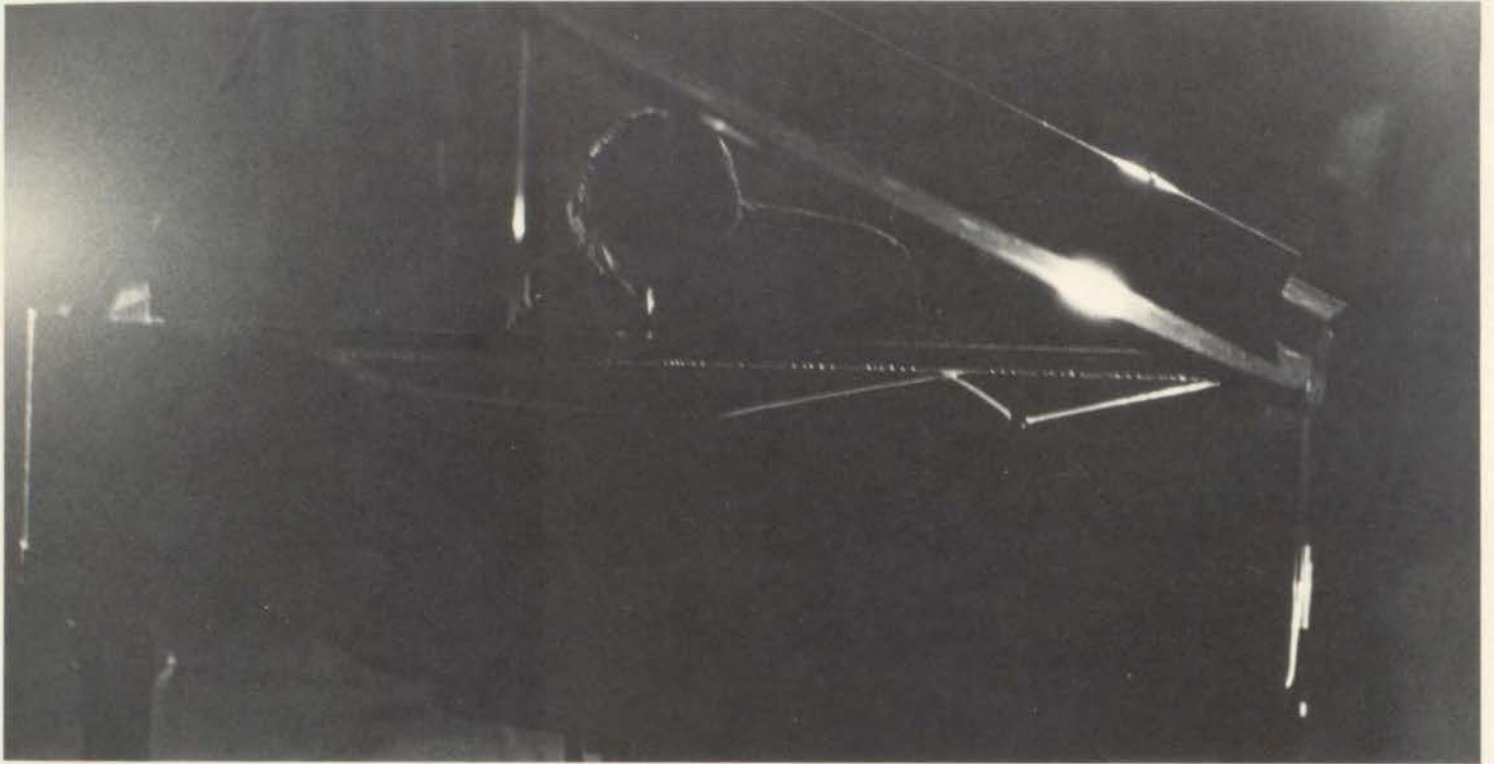

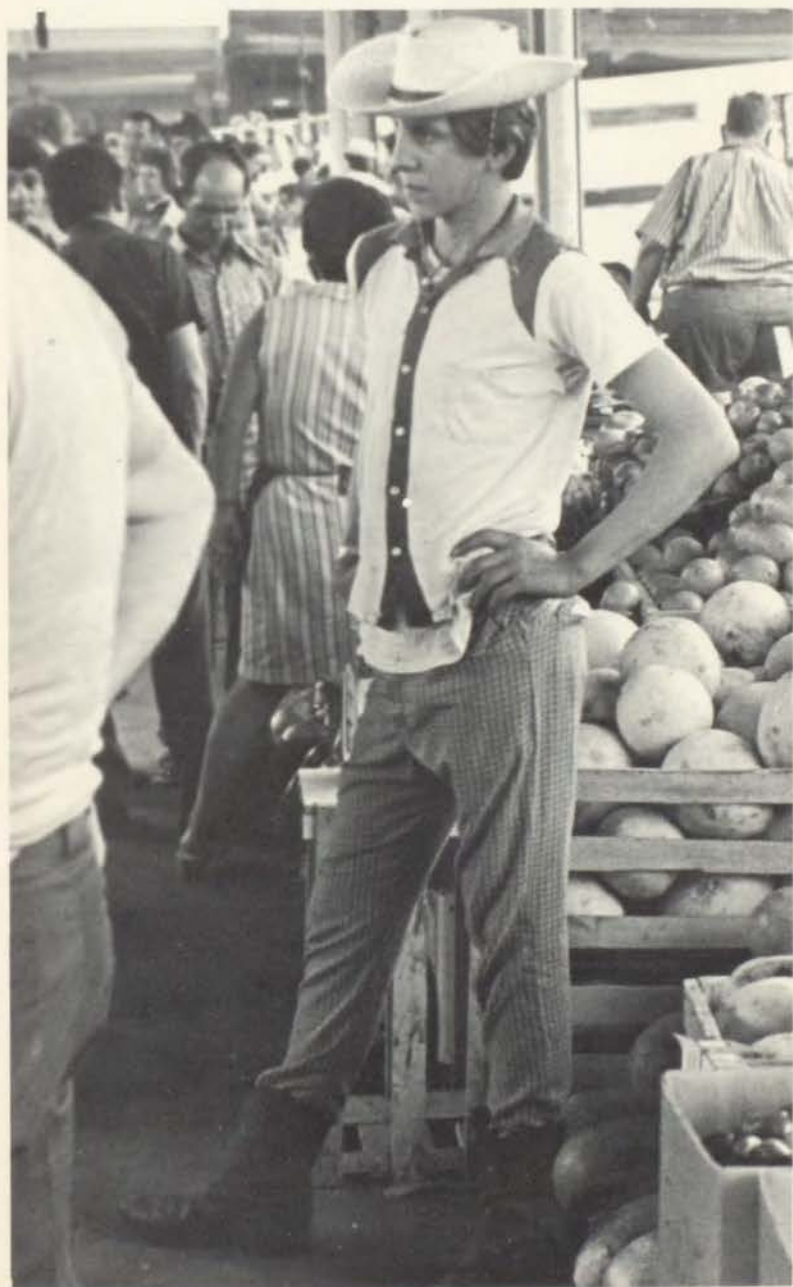

I'm more than that,
I know I am, at least,
I think I must be.

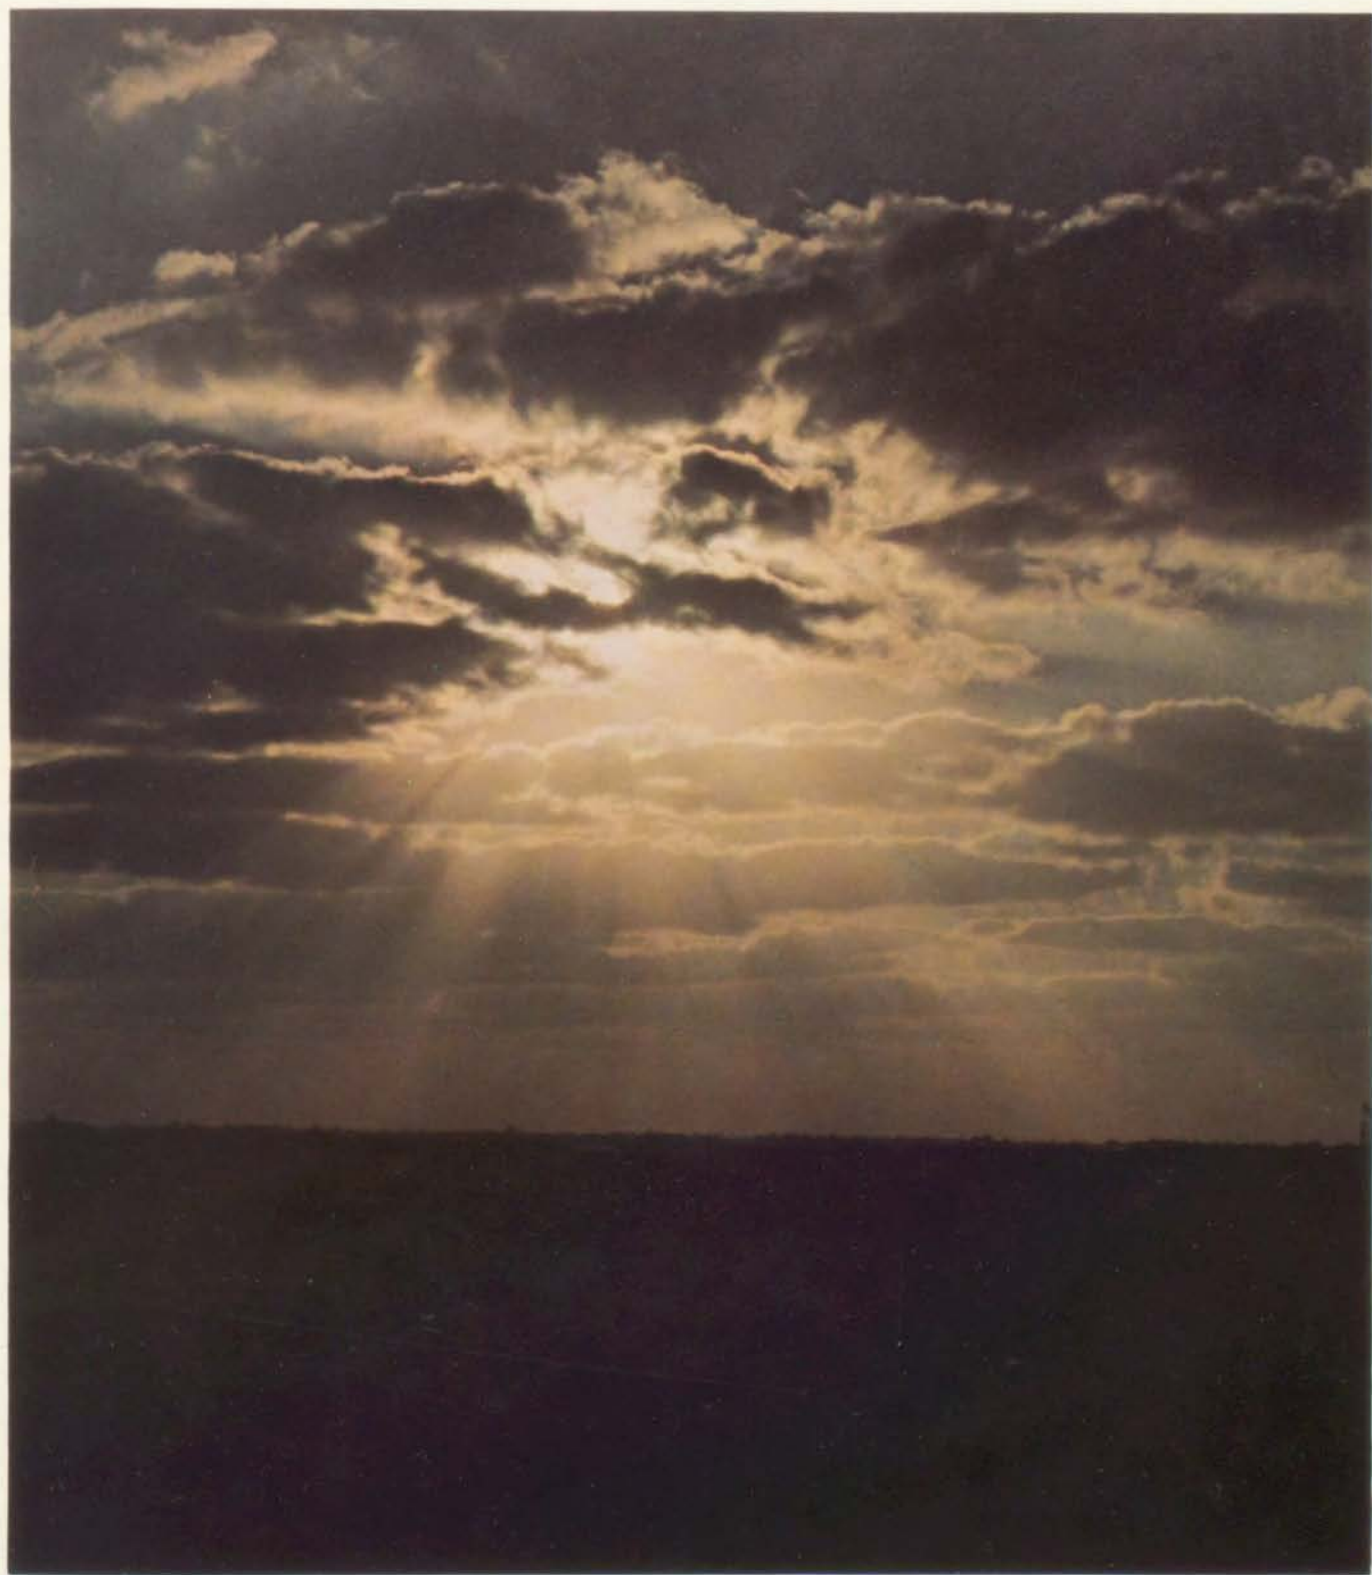

There you go, man,
Keep as cool as you can.
Face piles and piles
Of trials with smiles.

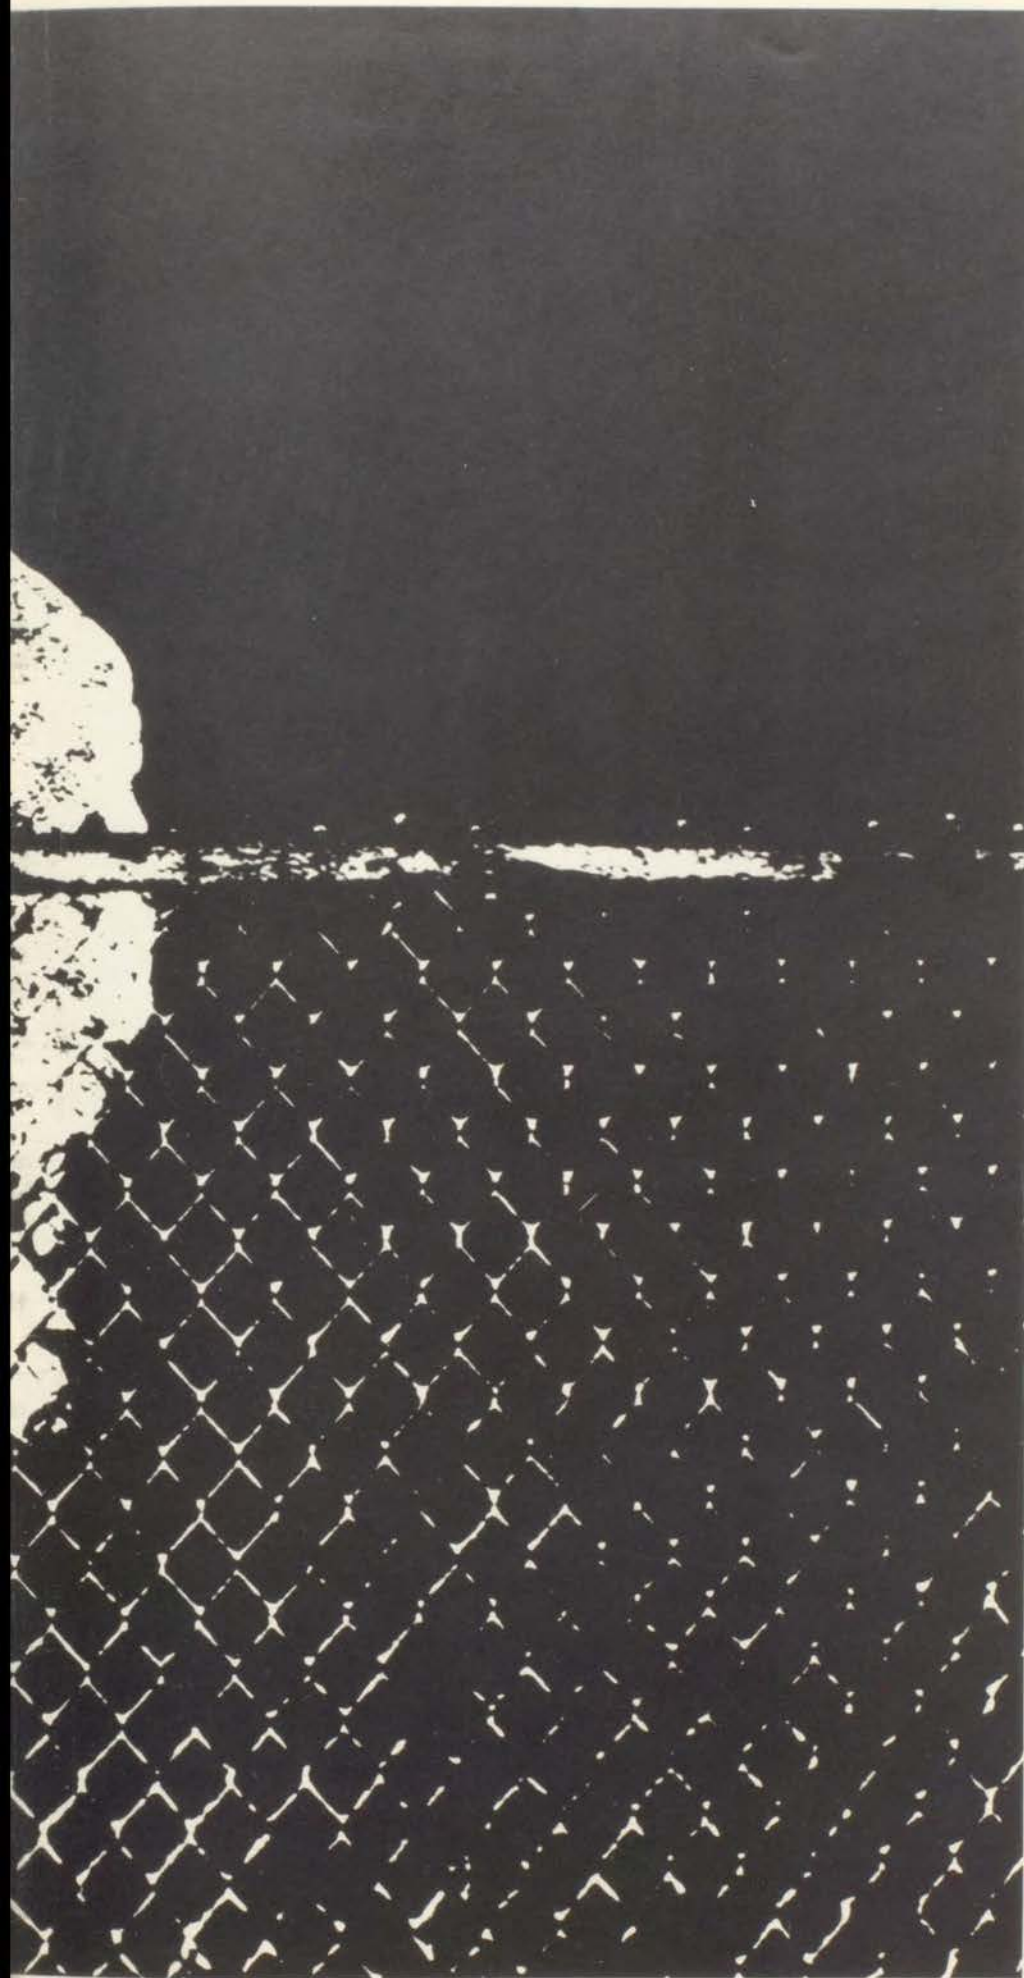

It riles them to believe
That you perceive
The web they weave
And keep on thinking free.
Graeme Edge

Now you know that you are free,
Living all your life at ease.
Each day has its always,
A look down life's hallways,
To lead you there.

Cipolla gets one off.

Southwest High School started the '72 season with their strongest showing against non-league opponents in several years. The highlight of their non-league schedule was their victory over Rockhurst High School. Southwest earned their first victory and relieved their frustration that has virtually plagued them over the last decade of seasons. Two touchdown runs by Don Sloan and a touchdown pass from Peter Cipolla to Gary Oakley proved to be enough to make Southwest the victors in one of the most bitter rivalries in the city.

Another big victory for the Southwest team was over Raytown High School. Southwest showed great offensive and defensive balance in scoring a 20-0 victory over a strong Raytown team.

Southwest's other non-league contests were against North Kansas City and Bishop Miege High School. Southwest slipped and North Kansas City, led by Cliff Doran, succeeded in tying the tribe 13-13.

Our next opponent was a highly touted Bishop Miege team. The injury-plagued tribe was overwhelmed by a strong defense and a potent ground game offered by the Miege squad. The Southwest team managed only a Steve Haigh field goal in the contest. The final score in the losing effort was 14-3.

Junior Varsity

The Southwest Junior Varsity Football Team was one of the strongest squads in the city. They showed their power by posting a 7-1-1 season and claiming the league title. Coach Terry Huston used a straight forward attack. The team rode a potent offense and a sensational defense.

Varsity Basketball

The 1973 Varsity Basketball team was not the winningest in history but did have a group of good ball players. The team seemed to have a good attitude toward athletics. Winning is always in the minds of players and the '73 team was no exception. The '73 team also had a good time playing and did not forget that basketball is only a game.

Krets gets the decision.

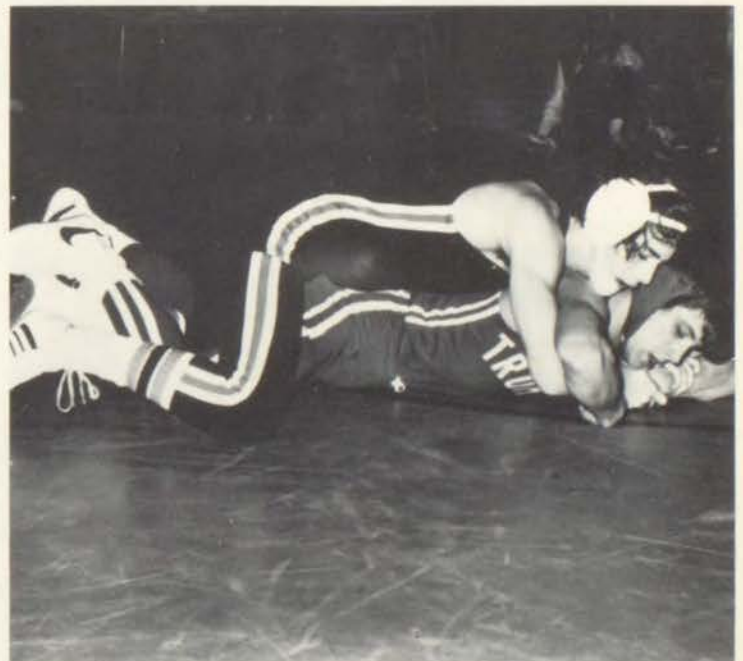

The 1973 Wrestling team proved to be a little weak in some areas but can be described as "up and coming". Led by Senior, John Kretsinger, the only regional qualifier, Southwest struggled to a 1-5 record. Seniors Mike Ramey, Steve Gunn, and Frank Storm had fine seasons along with Junior, Bob Altomare and Freshman, Mike Harvel. Although the record indicates a tough time for the wrestlers, they enjoyed the stiff competition and benefited from it.

The Secondhands, Trackettes, and Grapplettes are very important to the swimming, track, and wrestling teams. Each group of girls performs many duties to assist the teams at their events. The Grapplettes time and keep score at home wrestling matches, and keep records. The Secondhands time swim meets, raise money for the team, and each girl has a Pep Pal, a member of the team to whom she writes, encouraging him to do his best at each meet. At track meets, the Trackettes conduct and time events, and kept records. All three groups support their teams by making house, locker and cafeteria signs and cheering them on during competition.

A pause before the run.

Lenny's mobile.

Auto Racing is an up and coming sport and pastime at Southwest High. Many hours of work go into making a smooth running machine that a person can be proud to race. This sport has gone unnoticed at Southwest for too long. It's time now to recognize the people who have the patience and determination to produce such automobiles.

The '72 Southwest Cross-country team was not the winningest team in history, but proved to be one of the most dedicated and determined groups of young men. The boys were able to improve themselves throughout the year, and finally gelled as a team when they captured sixth place in the District meet. Coach Kremer expects a good returning squad as five out of the top seven runners are returning to action in '73.

The Southwest Varsity Team earned a berth in the District playoffs by ending their regular season play with an 8-1-1 record. They met previously unbeaten Oak Park High School in a fierce fought battle at Arrowhead Stadium. The team fell behind early but fought back for a 21-13 victory. The scoring punch was provided by Don Sloan, Buddy McDonald and Pete Cipolla on runs of 7, 6, 13 respectively. The victory put Southwest in the State Finals.

The State Championship game was played on muddy turf in St. Louis. Neither Southwest nor Hazelwood could muster an effective offense and the championship game ended in a 6-6 tie.

Eva and her AFS family, the Hagersons.

Foreign Exchange

This year the American Field Service gave Southwest the opportunity to have two foreign exchange students. They were EvaPia Darsbo from Stockholm, Sweden, and Joey Hoey from Randalstown, Ireland.

Eva was at Southwest for four hours each day, then attended Rockhurst College for two hours. She particularly enjoyed her Chemistry and History classes and was involved in Pep Club, International Club, and Spanish Club.

Joe found the many different types of people at Southwest intriguing, and liked the atmosphere of the school. He was especially happy with his Art, French, and American History classes in which he felt he learned a lot in addition to enjoying himself.

AFS also sent two Southwest seniors to foreign

Joe at home with the Sherks.

countries during the summer. Stephanie Brown spent several weeks in Hyderabad, a beautiful city in Central India. She found her AFS family open, affectionate, and concerned about her impression of their country. Although the culture and people were strange to her, she sincerely enjoyed her stay and hopes to return.

Lisa Campbell found her two and a half month stay in Santiago, Chile the most challenging and rewarding experience she had ever had, because she spoke a foreign language, learned new customs, and most important, she adjusted as a family member among people she had never met before. She is especially glad that she now has a warm and understanding Chilean family that she will always love.

Homecoming

1972

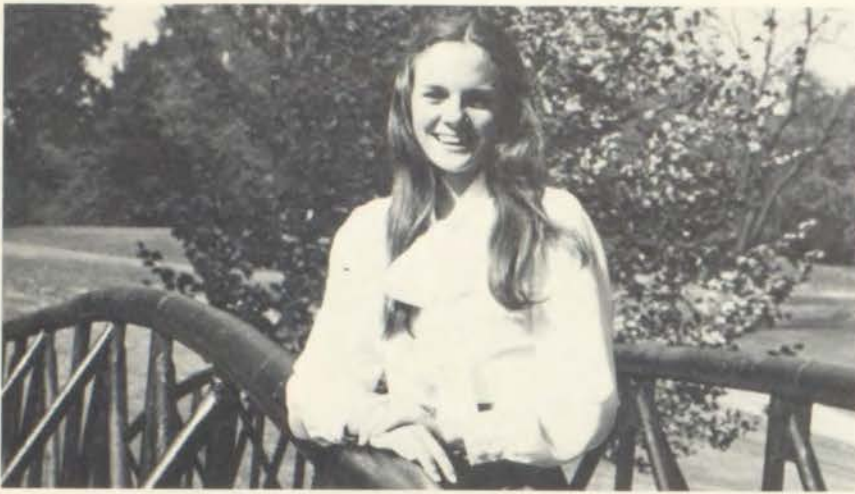

On October 13, Homecoming 1972, "Good Morning, Starshine", began with an assembly in which the Homecoming Queen candidates were presented and Southwest spirit was built up by Coach Robinson, the Pep Club, and cheerleaders. That afternoon, with the queen candidates' cars leading the way, the annual parade took place. The Russian Club float received first prize in the competition, followed by German Club and ROTC, respectively. At the evening's football game, excitement reached its peak as the Southwest Indians whopped Central 29-6.

The Homecoming Dance, held the next night, was beautifully decorated by Pep Club members. It was a big success, as always, and the good music was provided by Salem Witch Trial. At 11:00, Staci Light was crowned 1972 Homecoming Queen. Her first attendant was Roxanne Eakins and second attendant was Christy Jones.

Redskin Revels

On November 17, Southwest students, under the masterful direction of Mr. Alter and Mr. Foster, brought "One Thousand and One Musicals" to an unusually full auditorium. The one night performance contained, among others, songs from hit musicals such as "The Sound of Music", "Oklahoma", "West Side Story", "Zorba the Greek", "Fiddler on the Roof", "George M", and "Peter Pan".

All School Play

Who was responsible for Billy McGinnis' death? Could the friendly old janitor, Mr. Kovalesky, be guilty of murder? These were the questions of the students of Carson Corners High School in "The Remarkable Incident at Carson Corners", given February 2 and 3 at Southwest.

Billy's friends plan a murder trial to answer their questions and find some surprising answers. It seems that due to neglect, carelessness, and misplaced priorities, many people were responsible for Billy's accidental death. The adults involved learn many lessons from their children in this thought-provoking play, and it was well done under the supervision of Mrs. Carlisle.

"If you don't like this school, why don't you go where there's one that suits you!"

Hello, Dolly

The many weeks of hard work, led by Mr. George Alter and Mr. Jack Foster, were evident March 9 and 10, as "Hello Dolly" came to Southwest as this year's operetta. The show's story evolved around Dolly Gallagher Levi, a woman of many talents who is well-liked by everyone. She makes up her mind that she will marry Horace Vandergelder, a rich but miserly store owner, before the idea even occurs to him. While she is plotting to have Mr. Vandergelder ask her to marry him, Dolly helps other people. With many comical consequences, she changes the lives of Horace's employees, daughter, and friends. By the end of the play, Mr. Vandergelder seems a different man, the others involved are happier, and Dolly has reached her goal.

"Heaven knows Mother Nature always needs a little push.

"You're looking swell Manny. I can tell, Danny. . ."

"You can't do that, Cornelius! You don't know any girls!"

The Concert Choir began their busy 1972-1973 season with the annual Fall Concert. Accompanied by the Orchestra, the Choir next appeared before the Missouri State Teachers Convention in the Municipal Auditorium. They then helped make Revels a success with their performance of "Carousel." After an excellent Winter Holiday Concert the Choir began rehearsing for *Hello Dolly*, this year's operetta. The spring provided the Choir with a chance to demonstrate their abilities in the All City Choir Festival and the Fine

Arts Festival. Normally Commencement would be the Choir's last performance but not this year. The Southwest Concert Choir was one of twenty high school choirs from all over the United States selected to participate in a tour of Budapest, Prague and Vienna. Eighty-five students will be rehearsing, performing and sight-seeing during the two week tour in July. This honor reveals the excellence which exists in the music department at Southwest.

The 1972-73 Girls' Choir contributed much to the school activities and programs. Their first performance was the Fall Concert in the Southwest auditorium. The Choir next added their talents to Redskins Revels with their rendition of "Sunrise, Sunset" from *Fiddler on*

the Roof. The annual Holiday Concert concluded their first semester engagements. May saw the Girls' Choir participating in the Fine Arts Festival. They closed the school year with their performance in Baccalaureate.

The Belles and Beaux are a select group of Southwest's best singers. This year besides participating in all Concert Choir activities, they are giving special concerts and performing before many social organizations. Through their diligent efforts the Belles and Beaux are doing a great deal to help send Concert Choir to Europe this summer.

STAGE BAND

The Stage Band has been very active this year. In November they helped make Revels a success with their outstanding performance. To improve their musical skills and techniques the Stage Band attended a clinic in the fall held by the Jones Music Company. Throughout the Holiday season they joined in the effort to send Concert Choir to Europe by playing with Belles and Beaux in many money-making concerts. The Stage Band added to the Holiday spirit when all their old members returned to play with them in their annual Holiday concert in the front hall of the school.

The Band had a busy, exciting '72-'73 school year. During football season the Band presented excellent halftime performances and raised school spirit in pep assemblies. The Band participated in the Raytown and American Royal Parades and were part of a mass band which dedicated KCI. The Band opened Redskin Revels by marching into the auditorium playing "76 Trombones." The Band displayed its talents in the Winter Concert and annual Music Assembly. Spring brought a competitive schedule as the Band had a joint concert with Raytown High School, held a Band Festival and performed at District Contest and the Arts Festival. The Carnival Concert, an assembly at Bingham and an appearance in the ROTC Federal Inspection Parade rounded out the Band's spring season.

After the Orchestra's trip to Chicago last year they quieted down to an active but less strenuous 1972-73 season. Teamed with Concert Choir the Orchestra played in the Fall Concert and before the Missouri State Teachers Convention. Their performance of "Jesus Christ Superstar" in *Redskin Revels* added much to the program. During the holiday season the Orchestra displayed its talents in the Vesper ceremonies. The Orchestra again showed its ability in the Band and Orchestra Assembly and in several assemblies at Bingham. In the spring, the Orchestra participated in a joint concert with Truman High School and made its annual appearance in *Operetta*. The City Orchestra Festival, State Contest and the Arts Festival proved to be very competitive events for the Orchestra. Their performance in the National Honor Society Assembly rounded out a successful year.

ROTC

The ROTC has long been an important part of the Southwest curriculum. Through constant study and practice the ROTC has reached a degree of excellence seldom surpassed by other units. The Southwest ROTC participates in the Veterans Day Parade. In the spring there are two Federal Inspections, a Field Day involving all-city competition and the State Drill Team Competition. Individual groups such as the Rifle Team and the Boys' Drill Team also compete in many events. The Exhibition Drill Squad performed with excellent precision in Redskin Revels. This year a new division was initiated, the Girls' ROTC Drill Team. They will also participate in the inspections and the state meet. The highlight of the year for the ROTC is the ROTC Ball planned for this April.

STUDENT COUNCIL

Student Council first semester has worked hard to eliminate its debts, but with little success. A movie, Concert for Bangladesh, was shown for Southwest students at the Brookside Theatre. Those who attended the movie enjoyed it. Chet Nichols and the Ozark Mountain Daredevils appeared in concert at Southwest but were surprised to find the auditorium practically empty. Despite money-making failures the Council did succeed in rewriting the Constitution, something which has needed to be done for a long time.

STUDENT COUNCIL

Second semester Student Council began on a promising note with the first effective and successful meeting of the year. Soon doubts were expressed as to whether Student Council is actually a representative body. A proposal to open all meetings to the entire student body caused much controversy and hindered business in the Student Council. The new Constitution which was compiled first semester was voted down and a committee was organized to compose another. This action provoked hours of heated debate. On the bright side, the Student Council succeeded in administering an all school drug survey which proved to be successful. FANTASIA, the 1973 Carnival, turned out to be a tremendous accomplishment due to the diligent efforts of the Carnival Committee members and their chairman, Larry Hawks. Hopefully by settling many of the most controversial issues in Student Council this year, next year's assembly can be more effective.

RED CROSS

First semester Red Cross has been very active in the school and the community. They held the annual girl-ask-boy Babydoll dance in September. It was a great success, being their chief money-making project of the semester. Several of the seniors involved in Red Cross helped organize and carry out the ALOT conference, a city-wide Red Cross conference held at Unity Village in November. Fort Leavenworth Hospital received some badly needed items donated by the Southwest Red Cross. During the Holiday season the Red Cross gave its annual Christmas party at Yates Elementary School. A family was also adopted by the Red Cross and provided with all the necessities for a Merry Christmas. The Southwest Red Cross has always been a very involved organization and they are looking forward to bigger and better things second semester.

EXECUTIVE BOARD: Nancy Hause, Eric Chapman, Tim Little, Ann Reynolds, Linda Nance, Melinda Moss, Betse Gage.

RED CROSS

The second semester Red Cross was involved in many school and community projects. A Bookmobile drive was sponsored to provide books for first through sixth graders this summer. The Southwest Red Cross provided prizes for bingo games at the Little Sisters of the Poor home for the elderly and also financed the purchase of an educational film for the downtown Red Cross. Fifteen blankets, provided by the Red Cross, were sent to an orphanage in Seville, Spain. Besides many service projects the Red Cross participated in Red Cross Youth night at the Kings basketball game. They also sponsored the annual Sadie Hawkins Dance which proved to be a tremendous success. The Southwest Red Cross continues to be one of the most active and beneficial organizations in the school.

Administration

The 1972-73 Southwest administration and faculty underwent its annual change in staff. A new vice-principal, and several teachers were added to replace openings in various positions.

As the year ends we can look back at the various changes that were initiated this year: 7th hour was deleted and 4th hour extended to 100 minutes, elective English and American History semester courses were introduced to the student, the loss of the Honor Pass System, and fewer assemblies kept the students geared toward the classroom and their studies.

Mabel Adams

Since 1950, Southwest has felt the dedication of Mabel Adams in all areas of the school. Her greatest joy has always been working with young people. After 22 years of service, Mrs. Adams will retire in June, 1973. She started at Southwest as a secretary to the counselors. In 1962, she became registrar, a big job at Southwest. In this capacity, Mrs. Adams served as secretary to Mr. Cannon and Mr. Kipp, as well as performing the duties of office manager in charge of smooth operation in the main office. Anyone with a problem could always depend on Mrs. Adams for the right answer and knowing how to handle the situation calmly. Her entire career reflects her personal philosophy which is: "always do the best you can, have high principles, and stay happy."

"You will do foolish things, but do them with enthusiasm."

Colette

People are very conscious of their appearance. If they are athletes, they sometimes wear sport shirts with little alligators embroidered on the pocket. If they are freaks, they mostly wear blue jeans that are bleached to a pale blue. And, those people that are somewhere between limbo and Nova Scotia wear double-knit pants, and permanent press shirts by Arrow. But, the face a person wears is totally individual. Indeed, without a face, you would just be a head with a patch of hair hanging from the top!

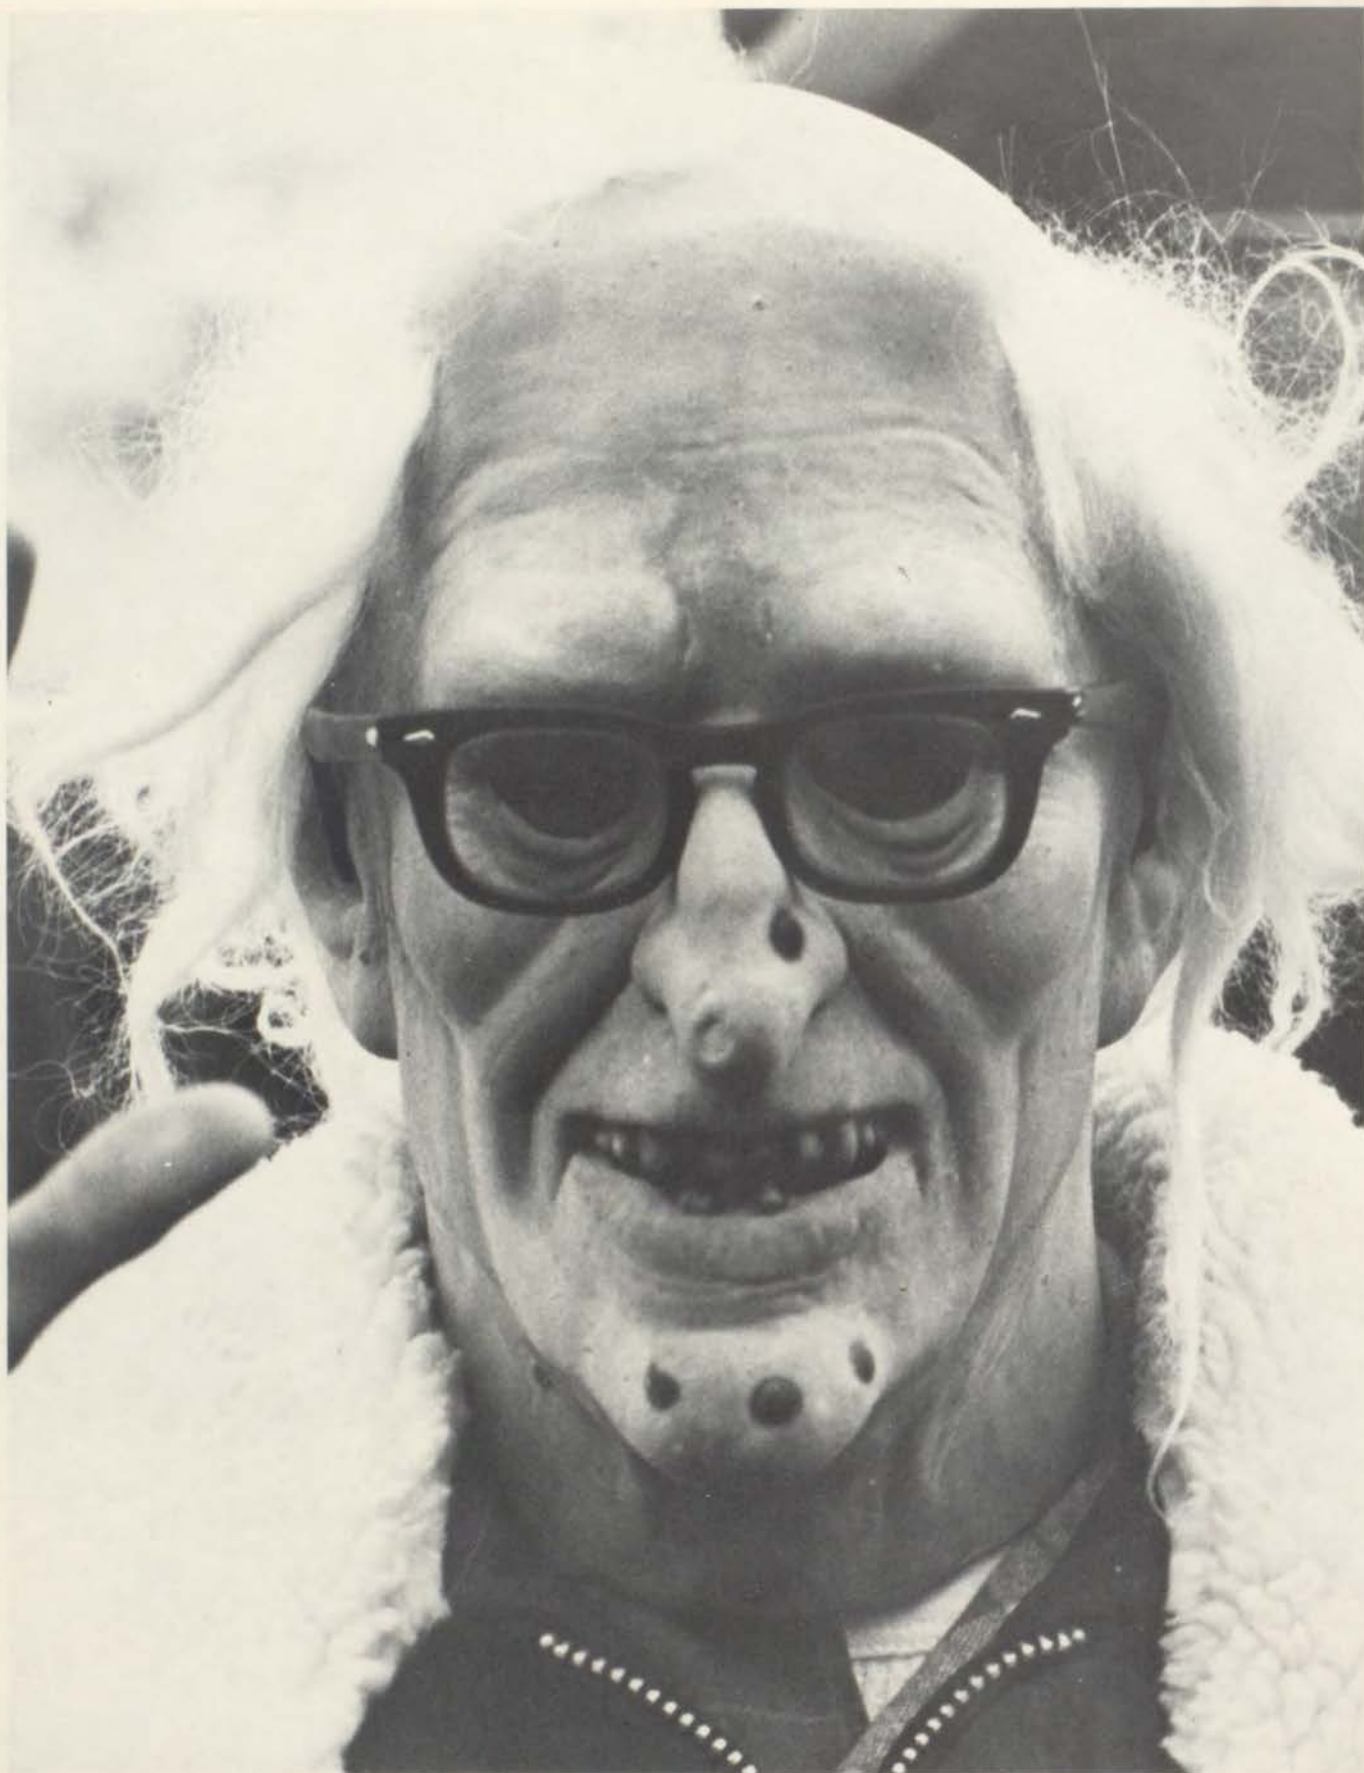

Some faces are happier than others.

Some faces appear more athletic than others.

Some faces seem more pensive than others.

And, some faces are more attractive than others.

**So when you wake up in the morning and
look in the mirror, relax and enjoy,
it's the only face you have!**

SENIOR

The Sachem Staff is elated about this year's cover.
