Among the fleet-footed stars at S.W. is junior Fred Ernst. Fred is a returning letterman in his third year of running with S.W. Fred is a member of cross-country and track. Fred has had a good season so far. He received first place at a tri-meet with Southeast and Northeast. Out of 200 people, Fred finished seventh at the Park Hill Invitational, which includes most of the area schools.

During track season Fred runs the 2600 m. (1 mile) and the 3200 m. (2 miles) and occasionally the 800 m. Fred feels the team looks good this year and may be able to win the interscholastic league championship. When asked about Coach Samuels, Fred replied, "He's a good coach with good methods, but he insists on high mileage during practice."

Next year Fred plans to run both cross-country and track as in the past. He is planning to run after graduating but it's not the most important thing on his mind. He doesn't want to feel he has to run in college because of a scholarship.

*JUST*

*PASSING*

*TIME*

Heads are going to roll.

The Mod Squad?

The happy couple of the Dating game.

One lone student.

Taking it to the streets.

Southwest, show us your underalls.

Double-visioned.

Talking in her sleep.

## ***Surroundings***

Ouch!

Peace, Man.

Up in the air, Junior Birdman??

Don't ever say that to Christine, again!

Look, it's a HAIRBALL!!

Your average American high school students.

Don't shoot.

But Peter, I want it the other way!

You want . . . another . . . House!!

## *Student Life*

Relaxing on the sidelines?

We want out!

Soldiers of Fortune!

Pretty boy Dave.

Surrounded by idiots.

Bench warmers.

Daydreaming, Nightdreaming.

Schools out for summer.

Are you going to look at it, or are you going to eat it.

Hello Luv!

I was framed!

Uh . . . Where ya going guys?

Missed her nap.

Cause I'm a woman, ENJOLI!

The wisdom of man creeps slowly on, subject to every doubt that can retard or flight it back upon a time.

Richard Hengist Horne

## *A Time To Learn*

A teacher affects eternity; he can never tell where his influence stops.

Henry Adams

George What?

I Pledge Allegiance . . .

1 . . . 2 . . . Breath . . .

If you wake up and don't want to smile,  
If it takes just a little while  
Open your eyes and look at the day,  
You'll see things in a different way.  
Don't stop, thinkin' about tomorrow—

Love birds.

No Paul, you can't fit in my suit case.

Carry on my wayward son.

And now, it's Miller time!

Bachelor No. 1, No. 2, No. 3.

Nobody nose...

Get a little closer...now don't be shy

Clowning around!

"I BAD!"

It's the SO-O-U-U-L Train!

Don't loose your head over it.

I was flat till I went fluffy.

D.A. Garnes speaking.

I believe I would like to meet that girl.

This isn't biology?

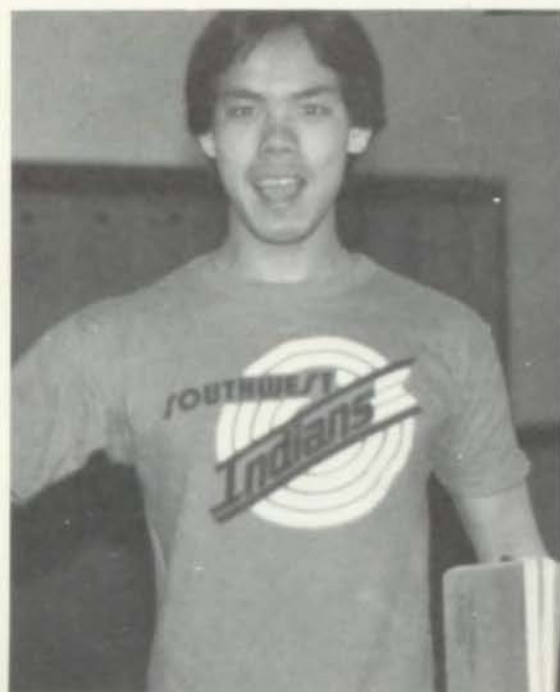

It hurts so good.

M.B. in two years

And now for my ginsu trick

I can too blow bubbles.

No that's not Superman, That's Mr. Conrad!

Smile honey, it might be in the yearbook!
